S spec. PKA
depleted
enriched
Distance from central serine
sequence-local
non-sequence-local
combined

S spec. PKC
depleted
enriched
Distance from central serine
sequence-local
non-sequence-local
combined

S spec. MAPK
depleted
enriched
Distance from central serine
sequence-local
non-sequence-local
combined

S spec. CKII
depleted
enriched
Distance from central serine
sequence-local
non-sequence-local
combined

Y spec. SRC
depleted
enriched
Distance from central serine
sequence-local
non-sequence-local
combined
