

**Natural wave scattering
(non-HyperSurface)**

HyperSurface
tile coated wall

Sensed
direction of
arrival per tile

**Custom wave scattering
(HyperSurface case)**

Switch Controller
Switch control &
intra-tile data routing

IoT Gateway

- Tile central power supply
- Inter-tile communication
- Tile-to-external world communication
- Environmental sensing duties

**Dynamic
Metasurface**
Phase switching
elements

Switch Configuration

EM Function

Software Function

- custom_reflect()
- custom_refract()
- polarize()
- absorb()
- filter()
- remodulate()
- etc.
