PROPOSED AMENDMENTS TO THE DRAFT MINUTES OF THE
SIXTY-THIRD MEETING OF THE FINANCE COMMITTEE
(CERN/FC/741/Draft)

Item 3, page 5, first paragraph:

Change Mr. Ibsen's statement to read:

"Mr. IBSEN said that he would have to explain the 890 000 francs to his Government, because they had approved in 1963 a budget of 116 million Swiss francs (subsequently increased to 127.87 million by the cost variation), which did not include the 890 000 francs from the supplementary programme, and show that this extra sum did not distort the 1965 budget by making more money available for research than had been intended by his and other governments."

and move it to page 4, before Mr. Hampton's last statement.

Item 4, page 8, last paragraph:

Change Mr. Ibsen's statement to read:

"Mr. IBSEN said that the Norwegian Delegation could agree to the 6.8 million for the supplementary programme, but not to the 3 million for the development of the new site. This question depended on the use of the site."

Item 4, page 9, line 8:

Delete Mr. Ibsen's statement and change Mr. Hampton's reply to read:

"Mr. HAMPTON said, in reply to a question from Mr. Ibsen, that".

Item 5, page 13, line 5:

Replace "basic science" by "research" and add: "..., but had not yet established the priorities."
