This paper was published online on 9 September 2015 with an incorrectly placed asterisk in the title as well as throughout the published article. In the title and in all instances of the equation throughout the article should read as "$\mathcal{B}(\bar{B}^0 \to D^{*+}\tau^-\bar{\nu}_\tau)/\mathcal{B}(\bar{B}^0 \to D^{*+}\mu^-\bar{\nu}_\mu)$." In Fig. 1 the legend of the first panel should have "Misidentified μ" represented in a different color. The paper has been corrected as of 14 September 2015. The text and figure are correct in the printed version of the journal.
