

Intro to Data Structures

Lecture #13 – Recursion and Lists

October 14, 2014

Mark Stehlik

Outline for Today

- Review Midterm
 - Average was 80 (before "curve")
 - Max was 99
- Finish Recursion (with Linked Lists)
- HW4 out tonight; HW3 returned, Q4 Thursday

Using recursion in the Linked List class

- `print()`
- `printReversed()`
- The moral of the story
 - you're going to need a helper function...
