WE ISSUE SPECIAL LISTS OF SHADE TREES AND SHRUBS, ROSES, PEONIES AND PERENNIALS. IF YOU ARE INTERESTED IN LARGER QUANTITIES, OR ANY ITEMS NOT PRICED HERE, WE WILL BE GLAD TO SEND YOU ANY OR ALL OF THESE LISTS.

Showing the different sizes of Fruit Trees. No. 1 is three years; No. 2 is two years old; No. 3 is one-year budded apple; No. 4 one-year graft.

Fruit Trees and Plants

THE COLORADO NURSERY CO.
(Incorporated)

J. Q. JACKSON, MANAGER
LOVELAND - COLORADO

1325

APPLE TREES—continued

Northwest—Extra large, light yellow. The best yellow winter apple.

Rome—A very good commercial sort. Large light red; reliable bearer.

Sheriff—A favorite but always scarce. We have a limited stock of one-year trees.

Winesap—Inclined to be small in this country but very hard to beat in quality.

Other Good Varieties

	Summer	
Red Astrachan	Red June	
	Fall	
Maiden Blush	Fameuse	
Utter's Red	McMahon's	
	Winter	
Grimes	Stayman	
	Janet	

Crabs

(Prices same as for Apple)

Whitney—Very large, striped.

Shields—Medium size, yellow with red cheek. The best small crab.

CHERRY TREES

We claim that Colorado grown cherries are better and we are holding several thousand for our retail trade. We will be glad to show you the trees; the price is quoted below.

	1	10	100
3 year, (eastern grown).....	\$1.25	\$12.00	
2 year, extra large.....	.80	7.50	\$75.00
1 year, 3½ to 4 ft.....	.70	6.50	\$60.00
1 year, 2 to 3 ft.....	.45	4.00	35.00

Varieties

Montmorency—The standard canning cherry. Medium season; large, bright red.

Warner—Originated at Loveland. Medium to large, bright red. Ripens between Richmond and Montmorency.

Early Richmond—(Early May)—The standard early cherry everywhere.

English Morello—The best of the late cherries for Colorado. Very large, dark red to black; the last to ripen.

Wragg—Similar to Morello but less acid.

Osthime—Often referred to as "the sweet cherry" on account of its fine flavor and lack of acid.

PLUMS

Prices	1	10
3 year.....	\$1.25	
2 year.....	.90	\$8.00
1 year, 4 to 5 ft.....	.80	7.50

European Varieties or Prunes

Italian—Dark purple, very late.

Yellow Egg—Large, golden yellow, late.

Bradshaw—Violet red, good size, early.

Shropshire—Improved Damson.

Lombard—Standard everywhere.

Moore's Arctic—Medium size; blue; hardy.

Wyant—Medium size, purplish red.

American Varieties

Weaver—Yellowish red; a good one.

Hawkeye—Very large, violet red.

DeSoto—Medium size, red; very prolific.

Opata—Dark red; bears very young.

PEAR—2 year.....Each, \$.75
Keiffer, Bartlett, Seckle

PEACHES—2 year.....Each, \$.50
Triumph, Elberta, Champion

APRICOTS—2 year.....Each, \$.75
Alexis, Moorpark

GRAPES

These eight varieties have been tested and we recommend them for any place where grapes will succeed. Prices vary with the varieties and age of plants. The "price per 10" will apply on quantities from one to twenty-five.

Concord—The standard black grape but does not always ripen before frost in this climate.
 1 year, \$1.00 per 10, \$ 8.00 per 100
 2 year, \$1.50 per 10, 12.00 per 100

Worden—Very much like Concord but ripens two weeks earlier.

Moore's Early—An extra early black grape of good quality. Ripens about Aug. 20th.

Agawam—Large, dark red; bunches good size, quality excellent.

Diamond—Medium size, greenish yellow, very early.
 1 year, \$1.50 per 10, \$12.00 per 100
 2 year, 2.00 per 10, 18.00 per 100

Campbell's Early—The largest and probably the best of the early black grapes.

Delaware—Bunches medium size; berries small light red; flavor good.

Brighton—Medium size, light red, sweet. Flavor similar to black varieties.
 1 year, \$2.00 per 10, \$18.00 per 100
 2 year, 3.00 per 10, 25.00 per 100

GOOSEBERRIES

Champion—Fruit large, light yellow; the best gooseberry ever tried here.

Carrie—Considered hardier than Champion but not thoroughly tested yet.
 1 year, \$1.50 per 10, \$12.00 per 100
 2 year, 2.00 per 10, 18.00 per 100

CURRANTS

Cherry—Large, bright, clear red; best.

Fay's Prolific—Similar to Cherry; fruit a little larger; not quite so hardy.

White Grape—The best white variety.
 1 year, \$1.00 per 10, \$ 8.00 per 100
 2 year, 1.50 per 10, 12.00 per 100

BLACKBERRIES—**Rathbun**—
 \$.50 per 10, \$3.00 per 100

DEWBERRIES—**Lucretia**—
 \$.50 per 10, \$4.00 per 100

RASPBERRIES

Marlboro—The one red variety that is grown to any extent in any raspberry growing section of the west.

\$.50 per 10; \$3.00 per 100. \$25.00 per 1000

St. Regis—Bears two crops a year; the last on the new canes. Fruit light red; quality fair.

\$.50 per 10, \$3.50 per 100

Kansas—The best of the black-cap varieties; bears well and the fruit is good.

\$.50 per 10, \$4.00 per 100

STRAWBERRIES

Senator Dunlap—The best of the one-crop varieties for this climate and a good one anywhere.

\$1.00 per 100; \$7.00 per 1000

Progressive—Everbearing. Still at the top of all the everbearing varieties yet introduced. Fruit similar to Dunlap but sweeter.

\$2.00 per 100. \$15.00 per 1000

ASPARAGUS—

2 yr., 50c per doz., \$2.00 per 100.

1 yr., 35c per doz., \$1.50 per 100.

RHUBARB—\$.10 each; \$1.00 per doz.

HORSERADISH—\$.05 each; 8.50 per doz.

One year Cherry Trees in Our Nursery, Photographed August 25th

BUSINESS TERMS

Prices quoted in this list are for good, live trees and plants delivered at the Nursery or the Express or Freight station at Loveland. They do not include express or freight charges and such charges must be paid by the buyer. We make no charge for packing of boxes.

Our Terms—Are Cash with Order or Satisfactory Reference. Orders to be sent C. O. D. should be accompanied by one-fourth cash. We sell 5 trees at "rate per 10" and 25 trees at "rate per 100".

In Ordering—Please give instructions when to ship and whether by Freight or Express. Our shipping season begins April 1st, and continues to May 15th.

Our Guarantee—We guarantee all trees and plants sold by us to be true to name under which they are sold and, should any prove otherwise, we will, on proper proof, replace same free of cost or refund price paid. Any trees or plants that fail to start growth the first season, when properly planted and cared for, will be replaced the next planting season at one-half the current retail price. **We cannot be responsible for the life of a tree or plant after it has once started growth.**

APPLE TREES

The experience of orchard men in Northern Colorado has shown the following varieties to be the best. You can rely on any one or all of them.

Prices	1	10	100
3 year.....	\$.75	\$7.00	\$
2 year.....	.60	5.50	50.00
1 year, 3½ to 5 ft.....	.40	3.50	30.00
1 year, 2 to 2½ ft.....	.15	1.25	12.00

Varieties

Oldenburg—(Duchess)—The best early cooking apple.

Yellow Transparent—Very early; golden yellow. Bears very young.

Wealthy—The best late fall apple. Fruit large, bright red.

Loveland—Fruit medium size, rich golden yellow; quality good; ripens in early September.

Ben Davis—The variety that gets the money with the least expense.

Black Ben—Very popular with commercial growers. Tree looks like Ben; fruit resembles Jonathan. One of the best.

Delicious—The most popular home orchard variety.

Gano—A fine winter apple for home storage or market. Good size, dark red.

Jonathan—The standard of quality everywhere.

McIntosh—Early winter. Fruit light red, good size with a pleasing spicy flavor.
