This paper was published online on 28 June 2013 with a tagging error on page 6. The second displayed equation after Eq. (3) should read as

$$\frac{\mathcal{B}(B_c^+ \rightarrow J/\psi D_s^{*+})}{\mathcal{B}(B_c^+ \rightarrow J/\psi D_s^+)} = 2.37 \pm 0.56(\text{stat}) \pm 0.10(\text{syst}).$$

The equation has been corrected as of 26 December 2013. The equation is incorrect in the printed version of the journal.
