

**Erratum: Search for single production of scalar leptoquarks in
proton-proton collisions at $\sqrt{s} = 8$ TeV

DOI: [10.1103/PhysRevD.95.039906](https://doi.org/10.1103/PhysRevD.95.039906)

In the original paper, the numerical limits of masses of leptoquarks were stated incorrectly in the abstract as 1730 GeV for first-generation leptoquarks and 530 GeV for second-generation leptoquarks. The correct values are 1755 GeV and 660 GeV, respectively. These values are reported correctly in the body and summary of the original paper.
