CHANGE / ADDITION OF AN UNDERGRADUATE ACADEMIC MINOR(S)

Georgia Tech, Office of the Registrar, Atlanta, Ga 30332-0315
Contact Us: comments@registrar.gatech.edu or 404-894-4150

1 This form allows students to declare an undergraduate minor. However, students must also complete an Approved Program of Study for Undergraduate Minors form, to submit with their Petition for Degree, at the time of expected graduation. Please refer to the Registrar's website for Approved Program of Study forms. www.registrar.gatech.edu

2 Declaring a minor does not override major restrictions for registration. (EX: A student with a Psychology minor will still receive a registration error when trying to register for a course that is restricted to Psychology majors. The Psychology minor student will still have to request a registration permit.)

3 Minors must be in a field(s) outside of a student's major field(s).

4 Students may declare up to two minors.

Read the minor guidelines on the Registrar's website at www.registrar.gatech.edu
