

I WANT A BETTER EDUCATION. CAN I BE YOUR NEIGHBOR?

FACT:

Home values significantly impact graduation rates in Houston neighborhoods. Neighborhoods with home values of \$70,000 and below have graduation rates below **64%**. Neighborhoods with home values of \$200,000 and above have graduation rates above **80%**. A zip code should not determine a child's future.

SAY YES TO QUALITY HOMES FOR ALL INCOMES, IN ALL AREAS!
