The image features a white circular logo for Debian. Inside the circle is a stylized illustration of a smiling baby with dark hair, looking towards the right. The baby has a small tuft of hair on top of their head. The logo is set against a background of red and white diagonal stripes.

Done

Through an international selection process held each year, teams of young people aged 13 to 17 are chosen to put forward their ideas on the same issues to be discussed at that year's G8 summit. Selected delegates meet at the same time as the G8 to take part in their own "Junior" summit. During the summit they engage in workshops, roundtable discussions and exercises to help them write a joint communique on the G8 agenda issues.

This screenshot shows a Mozilla Firefox browser window displaying the TextNet application. The title bar reads 'TextNet - Mozilla Firefox'. The menu bar includes 'File', 'Edit', 'View', 'History', 'Bookmarks', 'Tools', 'Help', 'del.icio.us', 'Go', 'New', and links for 'show', 'edit', 'history', 'options', 'branch', and 'logout'. The main content area has a header 'Please resolve conflicts by clicking on the colored text.' Below it are three colored buttons: 'Old Text' (pink), 'Your Text' (yellow), and 'Remote Branch's Text' (green). A section titled '# J8 Program' contains a paragraph of text with some words highlighted in pink, yellow, and green. Below this is a 'Select a version or edit the text below:' button followed by four tabs: 'old', 'Local', 'Remote', and 'Mergetext'. A larger text area displays the same paragraph with different word highlights. At the bottom of the main content area is a 'Done' button. At the very bottom of the browser window is a toolbar with 'Done', 'Adblock', 'zotero', and other icons.
