

Errata for *The LEGO Architect* (updated to 11th printing)

Page 77: The LEGO model of Villa Hillcrest was created by Ken, Amethel, and Kai Parel-Sewell.

Page 175: Under “Minifigure scale,” it should now read:

A popular approach is to design your model to fit a LEGO minifigure with a scale of around 1:40. Because LEGO minifigures are unrealistically short and wide, anything between 1:25 and 1:45 is considered minifigure scale.

Page 178: “**Bright** pink” should now read “**dark** pink” and “**light** pink” should now read “**bright** pink.”

Page 179: Rocco’s last name should be spelled with a single R: “Rocco **Buttliere**” and “about **30** colors” should now read “**39** colors.”
