Correction: A case of mistaken identity: a systematic review, meta-analysis, and reinvestigation of hemotropic *Mycoplasma* spp. infection in *Ctenocephalides felis* (cat flea)

Charlotte O. Moore¹, Erin Lashnits², Michael Lappin³, Jennifer Hawley³ and Edward B. Breitschwerdt^{1*}

Correction: *Parasites & Vectors* (2024) 17:209
<https://doi.org/10.1186/s13071-024-06292-8>

Following publication of the original article [1], it was brought to the journal's attention that there was a citation-related error in the bulleted list in the Discussion section of the article. Namely, in points 2–4 of the list, the citations had all been erroneously replaced by citations of reference number 14. In addition, it was flagged to the journal that in place of a color version of Figure 1, a black and white version of the figure had been published. The citations and the figure have since been corrected. The publisher thanks you for reading this erratum and apologizes for this processing error.
