

# Cara Lounges

## A COMPLETE FAMILY

Whether its a casual 'huddle', a quiet break or seating for a high traffic area, Cara's range of sizes provide the flexibility to suit any environment.

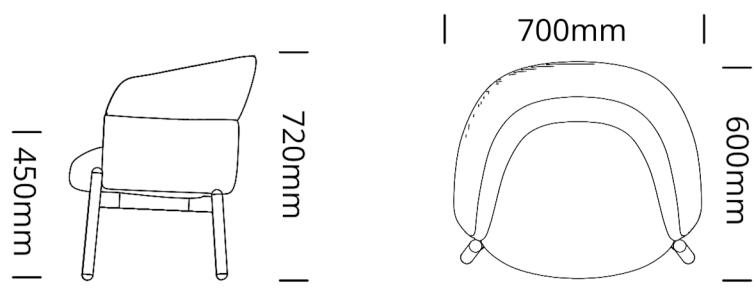

Sofas and lounge chairs are available in either 1 or 2 seater - standard height, and tall back .

Unmistakably impressive, the Cara tall back is designed as a flexible way to divide spaces with impact, while the standard height sofas with their gentle curves are a timeless lounging option.
