- COM/COL
- Two-tone upholstery available

CUSTOMISED CONFIGURATIONS

The original Oasis – a compact, modular system with a tapered back, covering linear, curved and corner modules for an infinite number of custom configurations.

Whether its a casual 'huddle', a quiet break or seating for a high traffic area, Oasis options provide the flexibility to suit any environment.

While the Oasis 'Tall' serves as a flexible way to divide spaces, the ottoman modules complete the range and can be placed loose or included in larger configurations.
