- 1.12. ToS regulates legal relationship between Customer or User and DevJob.ro, creates legally binding obligations and hereby, the Customer shall examine its provisions prior to receiving an access to the Services. DevJob.ro is a professional service intended for the job search process in the IT Industry in Romania.
- 1.13. DevJob.ro offers a possibility for Customers who state that they use the Services only for commercial purposes and not as a Consumer, to place job offers on the Website in forms of text, banner and interactive ads and to use the Job management Software provided by DevJob.ro in exchange for a license fee..

- 1.14. DevJob.ro is not responsible for the job offers content. DevJob.ro is not responsible for the correctness and updating of the information contained therein.
- 1.15. The Customer and User are solely responsible for ensuring that the Service is appropriate and suitable for its needs. The Customer and User agree that DevJob.ro does not warrant that any particular result will be achieved, achievable or achieved by any given date as result of the DevJob.ro. DevJob.ro does not warrant that the Customer's or User's use of the Services will be uninterrupted or error-free.
- 1.16. The DevJob.ro shall decide on the choice of materials/information/data, which shall be included in the Service, their arrangement and the direction of their changes and development as well as on the scope of actualization. The DevJob.ro is entitled to grant a license or sublicense for usage of Services within the scope stated in ToS, in accordance with any of the Services status, including the source of data or database. In ToS both license and sublicense shall be defined as license, without the distinction.
- 1.17. The DevJob.ro reserves and the Customer and the User accept the unavailability of Website for the time required to (I) make necessary amendments, including actualization of any information within the software, (ii) the maintenance and testing by the DevJob.ro.
- 1.18. In the abovementioned situation, the DevJob.ro shall provide the Customer the information about the reasons for the unavailability.
- 1.19. - 1.20. The periods of unavailability have no effect on the payment period.
- 1.21. The DevJob.ro does not provide Customer or User with Internet access nor covers the costs of such access or any fees required by suppliers of internet access.
- 1.22. Users, Customers and 3rd Parties are not permitted to use any automated tools (including but not limited to: scripts, bots, AI, repeaters, software) in order to access the website content or it's functionalities.
- 1.23. Users are not permitted to use any automated tools in order to apply to a job ad listed on the website.
- 1.24. 3rd parties are not permitted to use, collect or repost the website content, including but not limited to: job ads, articles, texts, design, brand names, algorithms without an explicit agreement with DevJob.ro

2. Access and Security

- 2.1. The Customer wishing to use the Service must create an account on the Website. The Customer shall create only one account, and in the event of discovery that multiple accounts have been created without a justifiable reason, all of such accounts shall be

terminated and the Customer shall not be refunded. Before Customer begins using the Services, he must accept those ToS.

- 2.2. DevJob.ro will provide Customer with passwords and other credentials required to enable access to the Services.
- 2.3. Creating an account is free of cost. To use additional functionalities such as unlimited time of the job post, promotion in the job newsletter, and others stipulated on the Website, the Customer is obliged to pay for the Service.
- 2.4. Each Party will maintain commercially reasonable administrative, physical and technical safeguards designed to help protect the security of its internal networks from malicious activity and to provide for the privacy, confidentiality and integrity thereof. Neither Party is liable for breaches of security caused by the other Party's failure to secure its networks or any access information, including login credentials and passwords. Customer will ensure that will not introduce any malicious software into the Service or which, upon the occurrence of a certain event, the passage of time, or the taking of or failure to take any action, would cause Service to be destroyed, damaged, or rendered inoperable.
- 2.5. Customer is solely responsible for maintaining the security and confidentiality of User's login information. Login credentials and passwords are assigned on a named user basis and may not be shared by multiple individuals.

3. Fees

- 3.1. For a Services Customer will pay DevJob.ro the fees set forth in accordance with the information on the Website. The fixed fees relating to the Services offered to the Customer through the service are laid out on the Website under the relevant service description and scope. Applicable taxes will be added to these fees.
- 3.2. The fees fully include remuneration for the DevJob.ro license to use the Service, including the use of the software and its functionalities.
- 3.3. Customer can change the packages it obtains hereunder. Fees relating to the Service Fee are non-refundable in cases of annulment of the Service by the Customer or switch to a lower-fee Service category. Change of the Service category is implemented at the end of the reference period.
- 3.4. In case the Customer is late with payment of the price, and in case the delay is related to payment of any instalment or part of the price, the DevJob.ro reserves – in any and all of such situations – the right to refrain from providing the Services for the Customer without the requirement to send a payment request to the DevJob.ro, this applies to base service and subsidiary Services. The DevJob.ro reserves the right to deny access to the software until the day all the delayed payment is paid alongside with statutory interest. The Customer shall be given back the access to the Services – within the terms and rules of ToS – if it pays the delayed payment alongside with the statutory interest for the subscription period, only within the same subscription period.
