Ovid® training & support services

Customers are at the centre of everything we do.

We measure success by our ability to help advance our customers' work and their professions. We learn from customers and provide solutions that support them best.

Once your subscription begins, it's crucial to let your staff and usersknow where to access these products and how to use them. Ovid® and supports you by providing a high-quality training program and implementation services together with free online support material to help you promote your Ovid® products, train your staff and get the most out of your subscription.

Here's what we offer:

- Free and personalized training programs (online and on-site) offered in many languages
- Introduction to Ovid´s products and services through product reviews and demos
- Technical health checks
- Consultancy
- Personalization, configuration and implementation
- Stats and usage audits
- Trial support
- Promotional and support material available in several languages
- Anti-piracy
- … and much more!
