(Resilience track)

What's next?

- Launch Mooc VLR (webinar)
- Update Module 2
 - New chapters on urban planning & indicators
 - Update of online curriculum
- Rollout of the Learning Modules
 - Online & onsite

Online course:
Voluntary Local Reviews (VLRs)

Co-funded by

Learning Module 2: Territorial Planning to Achieve the SDGs

What's next?

What's next by Partners?

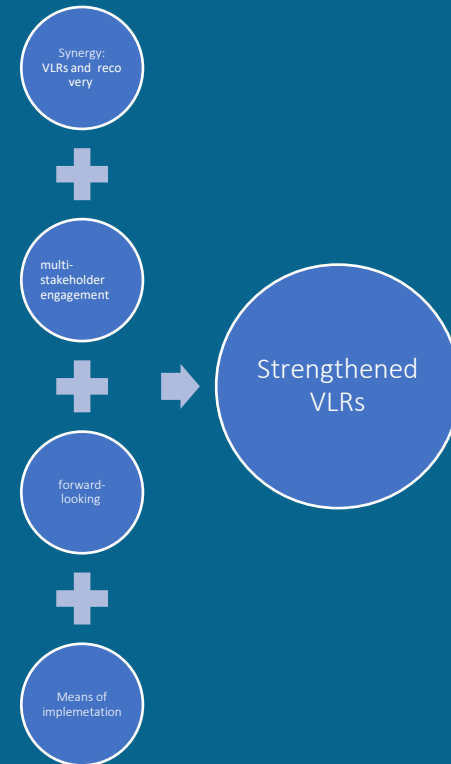

- **New Recovery Training Tool by project partners**

Adapt existing guidelines and manuals on (sustainable and green recovery), (SDGs Localization), (VLRs)

Training Tool that enhance and utilize the VLRs process to support urban sustainable and green recovery

• Value Added

What's next?

Forming Advisory Team for the New Recovery Tool Development

Consists of :

- Partners' representatives
- Pilot Cities representatives
- Experts/ consultants

Responsibility

- Steer and advise the Tool Development
- Leverage expertise from the Partners
- Brings experiences and lessons learned from the pilot cities and countries

Team Charter

- Next Steps

UNECE E-learning course on the SDGs VLRs

Developed by the UNECE Housing and Land Management Unit in close cooperation with the UNECE Centres of Excellence in Geneva (Switzerland) and Trondheim (Norway), this e-learning course includes **video lectures and learning materials**. The duration of the course is estimated at **10 hours of self-paced learning**.

The course includes the following three modules:

- 1) General principles and approaches to localizing the SDGs;
- 2) Approaches to the development of SDGs VLRs;
- 3) Use of data and indicators for the development of the VLRs.
