Two men wanted to go and kill gorillas for food since it was famine

2

They killed a gorilla at Bwindi Impenetrable

The bird goes and tells the relatives what had happened

The relatives go but they didn't find them

The animals stayed waiting for the men until one day

Man came to stay their, they were angry

① Gorillas started living the area for other areas.

② The place got deserted and drought came.

In the other part of the forest the gorillas saw a lorry

They started running away since they knew they were not safe.

11) Man Kills a gorilla for selling for income

12) The gorilla is sad while the man is taking the gorilla to the truck

The area was so dry that it was deserted

15 The place got burnt while the fire brigade were putting out the fire

16 The men are planting new plants for the forest

The trees grew but the forest was not yet grow

The animals come back and they lived happily.

It rained and the plants had enough water to grow

Tourists started coming to watch the gorillas
