Anantara Medjumbe Island Resort Private Island Package

Off the sparkling coast of Mozambique, Medjumbe Island is a mere one kilometre long and 300 metres wide, verdant vegetation frames the softest of white powdery sands, lapped gently by the azure waves of the Indian Ocean. A collection of 12 luxurious beach pool villas accommodate up to 24 guests, with the resort offering a wide range of water sports and exclusive fine dining.

Small and private, Medjumbe Island's tropical landscape and azure waters provide some of the world's most awe inspiring and undiscovered scuba diving or snorkelling opportunities. For those preferring a less structured respite in this African island paradise, days can be spent reclining on the island's magnificent beaches overlooking warm, crystal-clear ocean.
