Plant health  
is your health.

Plants make oxygen so we can breathe.

Art by J.R. Mounts

Plant health  
is your health.

We need healthy plants to feed the growing world.

Plant health  
is your health.

We rely on plants to make us strong.

Plant health  
is your health.

Plants are food for humans and animals.

Plant health  
is your health.

Scientists use plants to make  
medicine and keep us healthy.
