Read Letter from Dail Eireann, Department  
of Local Government, stating that they  
understand it is proposed to hold a Conference  
in Lifford on 10th of August next to discuss  
the question of the Amalgamation of  
Workhouses, we in this department feel  
that much good may result from  
such a Conference, and while believing  
that the ideal to be aimed at ought to  
be the complete abolition of these institutions  
and the substitution of a system of boarding  
out, and out door Relief with adequate  
inspection, we think that amalgamation  
is at least a step in the right direction  
we trust your Board will send delegates  
to the Lifford Meeting.
