## NOTIFICATION

### **International expert workshop on the removal and mitigation of perverse, and the promotion of positive, incentive measures**

Dear Madam/Sir,

This is with reference to notification 2009-045 dated 1 May 2009 regarding the expert workshop on the removal and mitigation of perverse and the promotion of positive incentive measures.

The Secretariat has been informed by several governments that they are still in the process of selecting suitable experts for nomination. I am therefore pleased to extend the deadline for the nomination of experts to **31 July 2009**. The deadline for the submission of relevant information, including analyses and studies, which would be of use for the work of the experts is also extended to the same date.

I am also pleased to confirm that the workshop will take place from **6 to 8 October** in the premises of UNEP's Division of Technology, Industry and Economics (DTIE), in **Paris, France**.

Please accept, Madam/Sir, the assurances of my highest consideration.
