

'Twas opening night of Holiday Lights. Not a creature was stirring not even a mouse.... When out on the lawn there was such a clatter, kids in the car for some holiday action. To the car, we flew like a flash. Then I in my apron and daddy in this felt cowboy hat head up to Loy Lake Park for visions of Holiday Lights dancing in our heads. Frontier Village, Denison, Texas what a wonderful site, to host Grayson County's Holiday Lights.

What do my wondering eyes see? Lights! Lights! Lights! Galore!

The magic of the Holiday Lights begins each night from 6:00 p.m. through 10:00 p.m. each night starting Friday, November 25th through Friday, December 25th.

Elves will be working hard keep the display open to the public. Donations are accepted and appreciated. These donations help keep the Holiday Lights glowing and bright for another year.

To get to the display, exit Crawford Street off of U.S. Highway 75 and take the south access road to the lighted entrance. While there is no charge for the display, donations are accepted at the end of the drive by volunteers who offer a sweet treat for those who drive through.
