Founding Editor: Stephen Wolfram
Managing Editor: Hector Zenil
ISSN 0891-2513

Complex Systems is a peer-reviewed journal published four issues per volume.

Important uses of *Complex Systems* would include:

- REFERENCE: I use this journal for citations in my own research; I and my colleagues have been cited by this journal.
- STUDENT READING: This journal is instrumental in the founding of this subject matter, and its papers are state-of-the art examples of the science for students.
- BENEFIT FOR THIS LIBRARY: I believe this journal has valuable content that supports the research needs of the university.
- PERSONAL AFFILIATION: I receive my own copy of *Complex Systems* and consistently recommend it to my colleagues and students. I have contributed or will be contributing research to this journal.
