Protection of animals during transport within and outside the EU
(2018/2110(INI))

Motion for a resolution

Paragraph 2 a (new)

Motion for a resolution

Amendment

2a. Stresses that the suffering of animals during transport is a cause of considerable social concern; notes that, on 21 September 2017, the Commission received over one million signatures in support of the #StopTheTrucks campaign, in which EU citizens call for an end to long-distance transport;

(2018/2110(INI))

Motion for a resolution

Paragraph 19 a (new)

Motion for a resolution

Amendment

19a. Regrets the decision taken by the Conference of Presidents, without a plenary vote in Parliament, not to set up a parliamentary committee of inquiry on the welfare of animals during transport within and outside the EU, despite the support of a large number of MEPs from different political groups; recommends, therefore, that Parliament establish a committee of inquiry on the welfare of animals during transport within and outside the EU as from the beginning of the next parliamentary term in order to properly investigate and monitor alleged contraventions and maladministration in the application of Council Regulation (EC) No 1/2005 on the protection of animals during transport;

Report**A8-0057/2019**

Jørn Dohrmann

Protection of animals during transport within and outside the EU
(2018/2110(INI))

Motion for a resolution**Paragraph 43***Motion for a resolution**Amendment*

43. Calls, taking into account Parliament's resolution of 12 December 2012, for animal journey times to be as short as possible and in particular for the avoidance of long and very long journey times as well as journeys outside the EU's borders, by employing alternative strategies, such as ensuring economically viable and fairly distributed local or mobile slaughter facilities near livestock farms, promoting short distribution circuits and direct sales, replacing the transport of breeding animals by using semen or embryos, and transporting carcasses and meat products, as well as by means of regulatory or non-regulatory initiatives in Member States to facilitate on-farm slaughter; calls on the Commission to clearly define specific lower journey times as appropriate, for the transport of all the various species of live animals, and also for the transport of unweaned animals;

43. Calls, taking into account Parliament's resolution of 12 December 2012, for animal journey times to be as short as possible, **and in any case no longer than eight hours**, and in particular for the avoidance of long and very long journey times as well as journeys outside the EU's borders, by employing alternative strategies, such as ensuring economically viable and fairly distributed local or mobile slaughter facilities near livestock farms, promoting short distribution circuits and direct sales, replacing the transport of breeding animals by using semen or embryos, and transporting carcasses and meat products, as well as by means of regulatory or non-regulatory initiatives in Member States to facilitate on-farm slaughter; calls on the Commission to clearly define specific lower journey times as appropriate, for the transport of all the various species of live animals, and also for the transport of unweaned animals;
