

1

00:00:00,300 --> 00:00:03,150  
Michael Davies: From the Alex  
Trebek stage at Sony Pictures

2

00:00:03,150 --> 00:00:07,800  
Studios, this is Inside Jeopardy!

3

00:00:08,370 --> 00:00:12,270  
Oh, 2023 has really now started.

4

00:00:12,360 --> 00:00:16,170  
Now I've heard Johnny Gilbert  
with his ax, uh, taking us into

5

00:00:16,379 --> 00:00:20,200  
the year and this episode of  
Inside Jeopardy!, your exclusive.

6

00:00:20,849 --> 00:00:24,150  
An official podcast destination  
for all things happening in the

7

00:00:24,150 --> 00:00:27,270  
world of Jeopardy!, and we're gonna  
talk about a lot of those today.

8

00:00:27,299 --> 00:00:28,020  
I'm Michael Davies.

9

00:00:28,020 --> 00:00:30,030  
I'm joined today by producer Sarah Foss.

10

00:00:30,060 --> 00:00:31,019  
Hello Michael.

11

00:00:31,025 --> 00:00:31,860  
Sarah Foss: Welcome back.

12

00:00:31,860 --> 00:00:33,300  
We missed you here at the pod.

13

00:00:33,570 --> 00:00:34,110  
Michael Davies: Thank you.

14  
00:00:34,110 --> 00:00:35,010  
I've been away.

15  
00:00:35,099 --> 00:00:38,280  
I took perhaps the longest  
vacation of my career.

16  
00:00:38,280 --> 00:00:39,400  
I think I took two weeks off.

17  
00:00:39,870 --> 00:00:41,860  
Um, Nobody's mentioned my suntan.

18  
00:00:41,860 --> 00:00:43,510  
I've come here straight  
from the tennis courts.

19  
00:00:43,510 --> 00:00:45,970  
I'm in my shorts and my You  
are very appreciate golden.

20  
00:00:45,970 --> 00:00:46,330  
You golden.

21  
00:00:46,330 --> 00:00:46,530  
Yes.

22  
00:00:46,530 --> 00:00:46,769  
Thank you.

23  
00:00:46,769 --> 00:00:46,971  
Sarah Foss: Are, thank you.

24  
00:00:46,976 --> 00:00:47,650  
I appreciate it.

25  
00:00:47,680 --> 00:00:49,810  
Um, for those who can't  
see what I can see, yes.

26

00:00:49,989 --> 00:00:50,830

Golden tan going.

27

00:00:50,830 --> 00:00:51,190

Uh, and

28

00:00:51,190 --> 00:00:53,500

Michael Davies: I know I haven't been on the podcast much in the,

29

00:00:53,589 --> 00:00:56,410

uh, last month and a half I was covering the World Cup in my other.

30

00:00:56,480 --> 00:00:59,000

Pod life, the Men in Blazers Show.

31

00:00:59,209 --> 00:01:04,009

Um, I really do appreciate the, in the Venn diagram of, uh, fans of

32

00:01:04,009 --> 00:01:08,450

both pods, it's the people I've got a special shout out to the Gfo ps

33

00:01:08,455 --> 00:01:13,550

the, uh, men in Blazers pod fans who turned up two a various men in Blazers

34

00:01:13,550 --> 00:01:15,199

live events all over the country.

35

00:01:15,554 --> 00:01:19,485

Um, and there are at least three or four at every event wearing their Jeopardy

36

00:01:19,485 --> 00:01:23,445

gear saying that they were fans of both Inside Jeopardy and men in Blazers.

37

00:01:23,445 --> 00:01:24,345

I really appreciated

38

00:01:24,350 --> 00:01:24,585  
Sarah Foss: that.

39

00:01:24,675 --> 00:01:27,554  
I even had the chance to see  
one of your shows in Seattle.

40

00:01:27,585 --> 00:01:27,945  
Michael Davies: You did.

41

00:01:27,949 --> 00:01:29,384  
You came to one of the live shows.

42

00:01:29,384 --> 00:01:29,685  
Yeah.

43

00:01:29,744 --> 00:01:30,104  
Yeah.

44

00:01:30,134 --> 00:01:31,274  
I learned, I learned a lot.

45

00:01:31,280 --> 00:01:31,604  
Yeah.

46

00:01:31,604 --> 00:01:34,274  
It's a very, it's a, it's  
a very different world.

47

00:01:34,425 --> 00:01:37,995  
I think I, I play a slightly different  
role on the Men in Blazer's podcast.

48

00:01:37,995 --> 00:01:38,385  
You are?

49

00:01:38,385 --> 00:01:39,075  
No, Roger.

50

00:01:39,495 --> 00:01:40,395  
Um, I am no Roger.

51  
00:01:40,425 --> 00:01:42,855  
Which I mean, I mean very  
much as a compliment in sense.

52  
00:01:43,065 --> 00:01:43,575  
Sarah Foss: I understand it.

53  
00:01:43,575 --> 00:01:47,205  
And I think it only took five minutes  
before I had a beer spilled on Me too.

54  
00:01:47,205 --> 00:01:48,555  
So it's a ruckus crowd there.

55  
00:01:48,555 --> 00:01:48,735  
Yeah.

56  
00:01:48,740 --> 00:01:49,545  
That is The men in

57  
00:01:49,545 --> 00:01:50,205  
Michael Davies: Blazer's crowd.

58  
00:01:50,205 --> 00:01:52,245  
There is a little bit  
more alcohol involved.

59  
00:01:52,245 --> 00:01:52,905  
How is your break?

60  
00:01:52,905 --> 00:01:53,205  
I know.

61  
00:01:53,520 --> 00:01:56,220  
You went, uh, with your  
family to, uh, Palm Desert.

62  
00:01:56,429 --> 00:02:00,420  
I got your amazing holiday card,

which was just a, perhaps you might

63

00:02:00,420 --> 00:02:01,890  
run an Emmy for your holiday card.

64

00:02:01,949 --> 00:02:02,190  
Sarah Foss: Yeah.

65

00:02:02,190 --> 00:02:05,369  
I don't think there's a category for that,  
but a lot of work and effort goes into it,

66

00:02:05,429 --> 00:02:07,560  
uh, every year and I I appreciate that.

67

00:02:07,800 --> 00:02:10,229  
You know, we did kind of, let's  
pull back the curtain a bit.

68

00:02:10,500 --> 00:02:14,519  
We may have recorded the episodes  
over the holiday break for the podcast

69

00:02:14,519 --> 00:02:15,900  
before the holidays actually happened.

70

00:02:15,900 --> 00:02:16,019  
Whoa, okay.

71

00:02:16,019 --> 00:02:17,730  
I just, you were bombed.

72

00:02:17,730 --> 00:02:18,510  
That's so inside Jeopardy.

73

00:02:18,600 --> 00:02:20,310  
Buzzy was gonna head to Brazil.

74

00:02:20,315 --> 00:02:22,620  
Brazil, I, Brazil was gonna  
head to Palm Desert, but.

75

00:02:22,965 --> 00:02:23,595  
Nonetheless.

76

00:02:23,595 --> 00:02:26,865  
This is the first time we've  
actually been here in the new year.

77

00:02:26,865 --> 00:02:28,365  
Buzzy will be back with us next week.

78

00:02:28,365 --> 00:02:32,475  
He is still in Brazil, but it was  
nice to have that family time.

79

00:02:32,535 --> 00:02:35,745  
Not that we don't all love jeopardy,  
but it's nice to take a little

80

00:02:35,745 --> 00:02:36,015  
Michael Davies: break.

81

00:02:36,020 --> 00:02:39,075  
Once in a while I found myself  
binging another quiz show.

82

00:02:39,465 --> 00:02:40,935  
Over really the holidays.

83

00:02:40,935 --> 00:02:41,234  
Yeah.

84

00:02:41,234 --> 00:02:44,774  
A British quiz show, and I've watched  
a little bit in the past, but I became

85

00:02:45,815 --> 00:02:48,255  
properly addicted to only connect.

86

00:02:48,495 --> 00:02:48,584  
Oh yeah.

87

00:02:48,584 --> 00:02:50,935  
A And I know many of our, exactly.

88  
00:02:50,935 --> 00:02:52,295  
Sarah Foss: Our listeners of our fans know

89  
00:02:52,299 --> 00:02:53,575  
Michael Davies: exactly what  
you're talking about, CHOP fans.

90  
00:02:53,575 --> 00:02:53,894  
But I.

91  
00:02:54,210 --> 00:02:58,020  
I spent a lot of time trying to  
figure out, could only connect

92  
00:02:58,080 --> 00:03:01,920  
ever work in the United States  
of America or is it too British?

93  
00:03:01,920 --> 00:03:03,630  
I'm very interested to know.

94  
00:03:03,690 --> 00:03:06,930  
Uh, I'm sure that the Jeopardy Reddit  
will light up with that kind of stuff

95  
00:03:06,930 --> 00:03:09,600  
because I'm inclined to like give it a go.

96  
00:03:09,605 --> 00:03:10,140  
I don't own it.

97  
00:03:10,140 --> 00:03:13,170  
I believe the BBC owner, BBC have  
their own very fine production company.

98  
00:03:13,170 --> 00:03:18,090  
They don't need us to do anything,  
but I'm just interested in, uh, what

99

00:03:18,090 --> 00:03:20,760  
people think of Only connect because I  
became addicted to it over the holiday.

100  
00:03:21,220 --> 00:03:21,579  
Sarah Foss: All right.

101  
00:03:21,579 --> 00:03:23,350  
I was just catching up on White Lotus.

102  
00:03:23,410 --> 00:03:28,030  
Oh, I . But I love that you were doing  
your research on other, uh, quiz shows.

103  
00:03:28,030 --> 00:03:28,450  
I like it.

104  
00:03:28,690 --> 00:03:29,079  
Okay.

105  
00:03:29,170 --> 00:03:33,130  
Michael Davies: I am so happy to be back  
as this is our first podcast in 2023.

106  
00:03:33,130 --> 00:03:34,239  
They're actually recording.

107  
00:03:34,269 --> 00:03:38,260  
I feel a responsibility to give some  
of my resolutions and revelations for.

108  
00:03:38,620 --> 00:03:39,790  
2023.

109  
00:03:39,940 --> 00:03:42,790  
None of this is the news that's  
gonna break over the next, uh, few

110  
00:03:42,790 --> 00:03:46,120  
days, but I think it will give you  
a good sense and certainly give some

111

00:03:46,120 --> 00:03:48,370  
meat for those sort of Jeopardy.

112  
00:03:48,520 --> 00:03:52,390  
Carnivores who want to feed off every  
piece of information, including the Sun

113  
00:03:52,390 --> 00:03:56,050  
newspaper, uh, in the United States,  
these are the resolutions I spent a lot

114  
00:03:56,050 --> 00:04:01,330  
of time thinking about over the holiday  
break and uh, also working on, and one of

115  
00:04:01,330 --> 00:04:05,290  
the things that I really had some time to  
do over the break is to really analyze.

116  
00:04:05,700 --> 00:04:09,000  
What's going on with our ratings,  
and particularly on the performance

117  
00:04:09,030 --> 00:04:13,500  
of the, the, the, not the new  
post-season, but sort of jeopardy

118  
00:04:13,500 --> 00:04:15,510  
post-Season 2.0, what we did?

119  
00:04:15,840 --> 00:04:15,930  
Yes.

120  
00:04:15,930 --> 00:04:18,149  
Uh, with Second Chance and  
Tournament of Champions.

121  
00:04:18,855 --> 00:04:23,655  
And it's pretty clear that the  
post-season really worked and it really

122  
00:04:23,655 --> 00:04:25,575  
worked, I think, for a lot of reasons.

123

00:04:25,575 --> 00:04:28,215

Extraordinary players,  
extraordinary gameplay.

124

00:04:28,695 --> 00:04:32,655

And I really, you know, hats off  
to the fans of Jeopardy who really

125

00:04:32,655 --> 00:04:35,295

engaged with us on social media.

126

00:04:35,685 --> 00:04:39,165

You know, just, I felt really like  
we were watching it along with our

127

00:04:39,165 --> 00:04:43,245

audience in especially in those final,  
uh, first of three, that, that, that

128

00:04:43,245 --> 00:04:47,145

best of seven series with Amy and  
Sam and Andrew, right at the end.

129

00:04:49,185 --> 00:04:53,985

my first resolution is that we are going  
to expand the postseason next year.

130

00:04:54,045 --> 00:04:56,265

We had this sort of slightly  
weird thing where we, we kicked

131

00:04:56,265 --> 00:04:57,935

off the regular season, right?

132

00:04:57,940 --> 00:04:59,115

For five weeks.

133

00:04:59,265 --> 00:05:03,555

Then we went into postseason and  
then we came back and, uh, went

134

00:05:03,560 --> 00:05:04,695  
back into regular season again.

135  
00:05:04,695 --> 00:05:08,295  
And I think what we're gonna do next  
season, we're gonna kick off the season

136  
00:05:08,295 --> 00:05:10,605  
with the post season for last season.

137  
00:05:11,290 --> 00:05:14,200  
and then go into regular  
season thereafter.

138  
00:05:14,530 --> 00:05:15,520  
I think it'll work better.

139  
00:05:15,520 --> 00:05:19,450  
I think we've already got some great  
ideas on how we're going to expand.

140  
00:05:19,450 --> 00:05:22,270  
We're so excited the postseason and  
how we're gonna build it, but I think

141  
00:05:22,270 --> 00:05:23,770  
the postseason really deserves it.

142  
00:05:23,800 --> 00:05:30,040  
I wanna make clear though, we do  
understand the value of new players

143  
00:05:30,070 --> 00:05:33,310  
getting the opportunity to get on  
the Alex Trebek stage and getting

144  
00:05:33,310 --> 00:05:37,240  
opportunities to go and play, and  
there will be so many opportunities we.

145  
00:05:37,855 --> 00:05:39,685  
I remember when I first took  
this job and I was like, how

146

00:05:39,685 --> 00:05:40,975  
many weeks of original do we do?

147

00:05:41,125 --> 00:05:45,475  
And, uh, Suzanne, pre 10, 46, 46 weeks.

148

00:05:45,565 --> 00:05:47,155  
I was like, wow, that is a lot of weeks.

149

00:05:47,425 --> 00:05:49,165  
We could expand the post-season.

150

00:05:49,225 --> 00:05:53,185  
You know, we could, you know,  
expand it to nine weeks, 10 weeks,

151

00:05:53,190 --> 00:05:54,385  
11 weeks, whatever we decide.

152

00:05:54,445 --> 00:05:55,045  
Eight weeks.

153

00:05:55,050 --> 00:05:58,165  
There would be plenty  
of weeks for regular.

154

00:05:58,295 --> 00:06:00,875  
Gameplay still, but I think we're  
gonna expand the postseason.

155

00:06:00,875 --> 00:06:02,195  
I think it's gonna be a  
really important thing.

156

00:06:02,375 --> 00:06:02,675  
And it

157

00:06:02,675 --> 00:06:06,335  
Sarah Foss: may mean that we have less of  
some of the more traditional tournaments

158

00:06:06,335 --> 00:06:10,805  
that we've had in the past because we  
are hearing our fans and our players

159

00:06:10,810 --> 00:06:15,035  
say they want more chances for people  
to have that first time opportunity.

160

00:06:15,035 --> 00:06:18,415  
And some of our tournaments in the past  
haven't allowed for necessarily us.

161

00:06:18,610 --> 00:06:19,720  
Bought in the T O C.

162

00:06:19,720 --> 00:06:21,700  
So this might be a way to have that

163

00:06:21,700 --> 00:06:22,210  
Michael Davies: balance.

164

00:06:22,240 --> 00:06:22,510  
Yeah.

165

00:06:22,510 --> 00:06:25,720  
Look, and I loved, you know, professors  
was one of my first tournaments

166

00:06:25,720 --> 00:06:29,110  
here, and I love professors, but  
to me, our very best professors,

167

00:06:29,350 --> 00:06:31,990  
you tell me that Sam couldn't  
have competed on the regular show.

168

00:06:31,990 --> 00:06:33,190  
He would've done brilliantly.

169

00:06:33,220 --> 00:06:36,780  
And I think we also have now, You  
know, we're seeing celebrity, which

170  
00:06:36,780 --> 00:06:39,090  
used to be a syndication tournament.

171  
00:06:39,150 --> 00:06:40,229  
Now, not

172  
00:06:40,380 --> 00:06:40,561  
Sarah Foss: very often,

173  
00:06:40,690 --> 00:06:41,789  
Michael Davies: but it was in syndication.

174  
00:06:41,789 --> 00:06:41,909  
Yeah.

175  
00:06:41,909 --> 00:06:44,400  
But celebrity now is a, I  
believe, a primetime fixture

176  
00:06:44,400 --> 00:06:46,200  
based on that show's performance.

177  
00:06:46,200 --> 00:06:49,170  
So I believe we can take some of these  
other specials and maybe do them like

178  
00:06:49,175 --> 00:06:51,599  
college and maybe do them in primetime.

179  
00:06:51,599 --> 00:06:52,980  
They won't be part of the syndication run.

180  
00:06:53,130 --> 00:06:55,680  
So expanding the postseason,  
building that out.

181  
00:06:55,740 --> 00:06:57,480  
That's sort of my first resolution.

182  
00:06:57,480 --> 00:06:59,010

That's gonna be a big thing this year.

183

00:06:59,700 --> 00:07:00,180

The second.

184

00:07:00,854 --> 00:07:02,265

Jeopardy Masters as you know.

185

00:07:02,325 --> 00:07:05,895

This is my , this is my baby,  
this is my fondest dream.

186

00:07:06,255 --> 00:07:09,435

This was my big, you know,  
realization when I came into the job.

187

00:07:09,440 --> 00:07:13,215

And of course the timing, you know,  
you know, was so fortunate with the,

188

00:07:13,484 --> 00:07:17,265

you know, right at the back end of  
Matt and the advent of Amy, the coming

189

00:07:17,270 --> 00:07:21,044

of Matt mate, like all of these, you  
know, amazing players that we had.

190

00:07:21,674 --> 00:07:26,984

But it really did strike me that we have  
these pro-level, elite level players.

191

00:07:27,720 --> 00:07:29,970

and our fans.

192

00:07:30,060 --> 00:07:33,630

You all out there and you tell us  
on social media the entire time.

193

00:07:34,335 --> 00:07:35,985

You watch the show through these people.

194

00:07:35,985 --> 00:07:38,385  
I know sometimes you get tired of  
them and sometimes you want to go and

195  
00:07:38,385 --> 00:07:43,425  
watch new players, but really I just  
look at the ratings and when we have

196  
00:07:43,935 --> 00:07:45,675  
a super champion there in the mix.

197  
00:07:45,680 --> 00:07:48,645  
And certainly when we had them  
playing against each other, the

198  
00:07:48,675 --> 00:07:53,565  
quality of the programs, the ratings  
of those programs, the social media

199  
00:07:53,565 --> 00:07:56,265  
interaction, the engagement with  
those programs, it was off the.

200  
00:07:57,090 --> 00:07:59,100  
Sarah Foss: Sometimes you're  
just tuning in because you want

201  
00:07:59,100 --> 00:08:00,390  
them to lose, let's be honest.

202  
00:08:00,390 --> 00:08:00,450  
Yeah.

203  
00:08:00,480 --> 00:08:04,150  
But you're still tuning in to see  
if that's the day that that super,

204  
00:08:04,155 --> 00:08:05,460  
super champion may be taken down.

205  
00:08:05,550 --> 00:08:07,290  
Michael Davies: So we're gonna  
make Jeopardy masters happen.

206

00:08:07,530 --> 00:08:07,950

You heard it

207

00:08:07,950 --> 00:08:11,400

Sarah Foss: here, 2023 Michael  
Davies is gonna make masters

208

00:08:11,400 --> 00:08:11,880

Michael Davies: happen.

209

00:08:11,910 --> 00:08:14,820

Yeah, this um, we are far enough along.

210

00:08:14,910 --> 00:08:18,960

I should, I would say that that isn't  
an insane resolution for me to make,

211

00:08:18,960 --> 00:08:20,400

but we're gonna make masters happen.

212

00:08:21,060 --> 00:08:22,320

That is gonna be real.

213

00:08:23,205 --> 00:08:27,135

And therefore what I've been  
spending the time in you and I,

214

00:08:27,344 --> 00:08:31,485

uh, I think pretty much 99% of our  
messages to each other over the.

215

00:08:32,819 --> 00:08:37,620

Have been about if we're doing  
masters for the first time, who

216

00:08:37,620 --> 00:08:41,819

are our current current masters?

217

00:08:41,824 --> 00:08:44,550

Who are the people who  
are the Jeopardy masters?

218

00:08:44,550 --> 00:08:46,890  
I'm sure the same conversation  
happened a few years ago for goat,

219

00:08:46,890 --> 00:08:50,490  
like who were absolutely who were the  
goats, but so who are the masters?

220

00:08:50,490 --> 00:08:54,360  
What are gonna be the, the factors  
that go into that algorithm that will

221

00:08:54,360 --> 00:08:56,430  
have us decide who goes and plays?

222

00:08:56,430 --> 00:08:58,620  
I think there are some things  
that really do occur to me.

223

00:08:58,890 --> 00:08:59,370  
I think.

224

00:09:00,105 --> 00:09:03,165  
You know, recency just  
like it is in most sports.

225

00:09:03,165 --> 00:09:03,435  
Absolutely.

226

00:09:03,945 --> 00:09:05,685  
You know, is a very, very important thing.

227

00:09:05,685 --> 00:09:09,900  
So I think we look at that T O c I  
think you look at a champion like Amy

228

00:09:09,900 --> 00:09:12,405  
Schneider, I think you look at some  
of the people who gave her a real run

229

00:09:12,405 --> 00:09:14,265

for her money in the, in the T O C.

230

00:09:14,265 --> 00:09:16,965

And I think you think, wow,  
they rank up there, they are

231

00:09:16,965 --> 00:09:18,615

really good on a recency basis.

232

00:09:18,885 --> 00:09:20,535

I think we've gotta look  
at consecutive games.

233

00:09:20,935 --> 00:09:24,025

That is the metric,  
you know, nothing else.

234

00:09:24,025 --> 00:09:26,994

The, the purity of having to  
go on that stage and win and

235

00:09:26,994 --> 00:09:28,824

win and win and win again.

236

00:09:28,824 --> 00:09:32,665

And now with the launch of Jeopardy data  
last year, we suddenly have so much other

237

00:09:32,665 --> 00:09:36,265

data, which is important, you know, that  
we're tracking constantly, you know,

238

00:09:36,354 --> 00:09:37,854

number of clues answered correctly.

239

00:09:37,885 --> 00:09:38,964

We see the buzzer data.

240

00:09:39,585 --> 00:09:42,435

, which is not the only  
thing you know, for years.

241

00:09:42,435 --> 00:09:44,325  
I think people thought before  
we published it, it was gonna

242  
00:09:44,325 --> 00:09:45,315  
be the only thing that mattered.

243  
00:09:45,315 --> 00:09:48,315  
It's not the only thing that mattered,  
but the number of times you make an

244  
00:09:48,315 --> 00:09:50,655  
attempt on the buzzer is really important.

245  
00:09:50,775 --> 00:09:51,285  
Says so much.

246  
00:09:51,285 --> 00:09:57,135  
It does say so much, and certainly in  
terms of like buzzer speed, you know,

247  
00:09:57,140 --> 00:10:00,015  
without, we're still trying to figure  
out a way of how to publish that data

248  
00:10:00,015 --> 00:10:01,755  
and how to, how to make it make sense.

249  
00:10:01,845 --> 00:10:04,035  
But buzzer speed, I can tell  
you that a player like Matt.

250  
00:10:04,800 --> 00:10:09,480  
not only from a point of view of  
competitors, they just could not believe

251  
00:10:09,750 --> 00:10:15,840  
how fast they were when they got in on  
the buzzer, but also just the statistics.

252  
00:10:15,840 --> 00:10:16,650  
Bear it out.

253

00:10:16,890 --> 00:10:20,100

Uh, when you go and look at it, you almost think that they might be in.

254

00:10:20,430 --> 00:10:23,250

Uh, Michael Harris's brain, uh, when they're buzzing.

255

00:10:23,250 --> 00:10:23,880

All nav the time.

256

00:10:23,910 --> 00:10:24,839

Yeah, absolutely.

257

00:10:24,990 --> 00:10:28,290

So I think that those are all really important factors, but we are working

258

00:10:28,290 --> 00:10:32,579

that out and at the point that we announce masters, believe me, there is, you

259

00:10:32,579 --> 00:10:33,930

know, like everything else at Jeopardy.

260

00:10:33,930 --> 00:10:35,520

It doesn't just go on a whim.

261

00:10:35,520 --> 00:10:38,430

It isn't just like I make some proclamation from on high.

262

00:10:38,760 --> 00:10:41,100

There has been passionate debate about how we.

263

00:10:41,570 --> 00:10:46,190

The competitors who will make that field when that is announced.

264

00:10:46,460 --> 00:10:47,720

And I think all of this goes too.

265

00:10:47,720 --> 00:10:51,140  
So that's my second resolution,  
is make Masters happen and get

266

00:10:51,140 --> 00:10:54,530  
the Masters right, uh, and build  
something which is permanent.

267

00:10:55,130 --> 00:10:58,190  
I don't wanna just like do  
masters and do it once, like goat.

268

00:10:58,790 --> 00:11:01,850  
I want Masters to be an annual event.

269

00:11:01,880 --> 00:11:07,430  
I want that to be the pinnacle  
event at the top of the pyramid of.

270

00:11:08,580 --> 00:11:09,240  
Of jeopardy.

271

00:11:09,650 --> 00:11:10,860  
T o c is fabulous.

272

00:11:10,950 --> 00:11:16,740  
T o c is amazing, but t o c is only for  
the players who competed on the Alex

273

00:11:16,740 --> 00:11:19,360  
Trebek stage in the previous season.

274

00:11:20,730 --> 00:11:25,710  
It is not for everybody, and I want  
to find a way to build a pyramid

275

00:11:26,280 --> 00:11:32,370  
where everyone who has played  
jeopardy in the last, we'll figure

276

00:11:32,370 --> 00:11:34,530

out the number of years has a chance.

277

00:11:34,890 --> 00:11:37,350

To compete again and build it.

278

00:11:37,350 --> 00:11:39,000

And to, that is my third thing.

279

00:11:39,300 --> 00:11:40,950

And this is not a promise.

280

00:11:40,950 --> 00:11:43,410

This is the thing that I

really want to explore.

281

00:11:43,415 --> 00:11:45,360

And something I've been spending

a lot of time over the holidays

282

00:11:45,360 --> 00:11:50,020

thinking about why can't we build a

ranking system in jeopardy, you know?

283

00:11:50,715 --> 00:11:52,574

, every other sport has rankings.

284

00:11:52,755 --> 00:11:56,055

You know, golf, if you play golf,

you have probably a U S G A handicap

285

00:11:56,055 --> 00:11:57,795

or a role in ancient handicap.

286

00:11:58,095 --> 00:12:00,255

Uh, if you play tennis, you

know, I have a universal tennis

287

00:12:00,255 --> 00:12:01,725

rating, I have a U ssta rating.

288

00:12:01,725 --> 00:12:02,745

I have all these things.

289  
00:12:03,135 --> 00:12:06,705  
We have enough data now on our  
players to build ratings and rankings,

290  
00:12:06,705 --> 00:12:09,705  
and I would really like to be  
able to rate and rank our players.

291  
00:12:09,710 --> 00:12:12,285  
And so I think everybody  
should have a sense and.

292  
00:12:13,440 --> 00:12:14,280  
in the future.

293  
00:12:14,550 --> 00:12:18,390  
Sarah desperately wants to interrupt  
. And then in the future, I would

294  
00:12:18,390 --> 00:12:22,980  
really like to see every elite player,  
highly ranked player who's ever

295  
00:12:22,985 --> 00:12:24,510  
come through the Alex Teck stage.

296  
00:12:24,570 --> 00:12:27,960  
I would like to see them have a  
chance to go and compete again.

297  
00:12:28,560 --> 00:12:30,660  
Inal events in Masters.

298  
00:12:30,840 --> 00:12:32,910  
Sarah Foss: I was just going to  
say that when you talk about this

299  
00:12:32,910 --> 00:12:35,400  
ranking, people might be saying, but  
you have the leaderboard of legends,

300

00:12:35,640 --> 00:12:37,080  
but that's different categories.

301  
00:12:37,080 --> 00:12:37,830  
We're not looking at.

302  
00:12:38,520 --> 00:12:40,680  
Consecutive games won or money won.

303  
00:12:40,980 --> 00:12:44,520  
We wanna know with this new  
system, like the best of the best

304  
00:12:44,525 --> 00:12:47,130  
the all around ranking system.

305  
00:12:47,190 --> 00:12:47,460  
Michael Davies: Yeah.

306  
00:12:47,520 --> 00:12:48,180  
And contemporary.

307  
00:12:48,180 --> 00:12:51,960  
And, and you know, we, we really do have  
the, you know, the tools and the Jeopardy

308  
00:12:51,960 --> 00:12:54,840  
data that we're taking and, and some  
more jeopardy data that we're working

309  
00:12:54,840 --> 00:12:57,690  
on to go and, you know, separate people.

310  
00:12:57,690 --> 00:12:59,790  
And I think the past players  
is a really important thing.

311  
00:12:59,790 --> 00:13:02,310  
I think this is the other thing  
that, you know, this is a passion

312  
00:13:02,310 --> 00:13:03,630

project for both Sarah and.

313

00:13:04,845 --> 00:13:07,725  
is to, you know, and we've  
had tournaments in the past in

314

00:13:07,725 --> 00:13:11,445  
jeopardy where previous players and  
previous seasons have come back.

315

00:13:11,475 --> 00:13:11,925  
Sure.

316

00:13:11,925 --> 00:13:16,455  
And I think we're just gonna try and  
establish something again like that, but

317

00:13:16,575 --> 00:13:21,285  
which fits into the pyramid and allows  
people to go and reclaim their seat and

318

00:13:21,285 --> 00:13:23,445  
to get into Masters at the Pinnacle.

319

00:13:23,505 --> 00:13:25,875  
Sarah Foss: And that it can be  
also an annual event so that

320

00:13:25,875 --> 00:13:28,045  
again, it's, yeah, it's a chance.

321

00:13:28,980 --> 00:13:32,340  
Everyone knows Jeopardy is all about  
how you're playing in that moment.

322

00:13:32,490 --> 00:13:32,610  
Yeah.

323

00:13:32,610 --> 00:13:37,350  
And we need to know who are the very  
best of the best in each given year.

324

00:13:37,350 --> 00:13:38,670  
I'm so excited about it.

325  
00:13:38,760 --> 00:13:42,120  
And Masters, I think you may have  
mentioned, but this is a primetime event.

326  
00:13:42,180 --> 00:13:42,240  
Yeah.

327  
00:13:42,245 --> 00:13:44,460  
Like this is going to be just like.

328  
00:13:44,800 --> 00:13:45,640  
Our goat.

329  
00:13:45,729 --> 00:13:45,819  
Yeah.

330  
00:13:45,819 --> 00:13:48,010  
Just like our celebrity,  
just like our college.

331  
00:13:48,010 --> 00:13:50,140  
Like, you're gonna be  
watching this in prime time.

332  
00:13:50,140 --> 00:13:50,199  
Yeah.

333  
00:13:50,199 --> 00:13:51,219  
Which to me is really

334  
00:13:51,219 --> 00:13:51,729  
Michael Davies: exciting.

335  
00:13:51,760 --> 00:13:52,060  
Yeah.

336  
00:13:52,119 --> 00:13:55,869  
No, we're really excited to,  
um, to, to talk about this more.

337

00:13:56,109 --> 00:13:59,619

So my fifth resolution is  
gonna sound less exciting.

338

00:13:59,619 --> 00:14:02,500

It's gonna make less news,  
but nevertheless, it is.

339

00:14:03,195 --> 00:14:09,185

It is just so important for us to focus on  
Jeopardy this year, and we are constantly

340

00:14:09,190 --> 00:14:13,095

reminded when we hear from you that you  
know, you had problems accessing the

341

00:14:13,095 --> 00:14:18,075

correct episode on a certain day, or they  
a show was preempted in your market, you

342

00:14:18,075 --> 00:14:20,565

know, for sports or for election coverage.

343

00:14:21,114 --> 00:14:24,805

You know, one thing we really need to  
do more at Jeopardy is build stronger

344

00:14:24,805 --> 00:14:26,305

relationships with our local stations.

345

00:14:26,305 --> 00:14:32,185

We have 200 television stations who  
all across the country, you know, uh,

346

00:14:32,515 --> 00:14:36,444

a few more than 200 actually at ABC  
stations in many of the major markets.

347

00:14:36,449 --> 00:14:38,364

But we've got some big CBS markets too.

348

00:14:38,665 --> 00:14:42,354  
Fantastic NBC stations, including  
one down the street in San Diego.

349  
00:14:42,655 --> 00:14:46,944  
Um, some Fox affiliates that are, that  
are superb, some independent stations.

350  
00:14:47,110 --> 00:14:47,680  
In the mix.

351  
00:14:47,685 --> 00:14:49,360  
Some of them in tiny little towns.

352  
00:14:49,360 --> 00:14:50,620  
In tiny little markets.

353  
00:14:50,860 --> 00:14:51,190  
Um,

354  
00:14:51,280 --> 00:14:53,321  
Sarah Foss: yes, a couple of  
them I worked in, yes, many

355  
00:14:53,321 --> 00:14:54,850  
years ago on my early broadcast,

356  
00:14:55,360 --> 00:14:55,950  
Michael Davies: uh, news Days.

357  
00:14:56,030 --> 00:14:59,170  
These are our partners in  
bringing the Daily Show to you,

358  
00:14:59,175 --> 00:15:02,890  
and we need to build much strong  
relationships, uh, with the stations.

359  
00:15:02,890 --> 00:15:07,000  
If anybody from the stations is listening  
to this, or please just get in touch,

360

00:15:07,000 --> 00:15:08,710  
we, this is one of our resolution.

361  
00:15:09,045 --> 00:15:10,665  
Just please get in touch with us.

362  
00:15:10,665 --> 00:15:12,285  
We want to, we want to hear from you.

363  
00:15:12,285 --> 00:15:13,245  
We wanna talk to you more.

364  
00:15:13,365 --> 00:15:16,095  
There used to be these huge events  
in the world of syndication.

365  
00:15:16,095 --> 00:15:17,055  
There was nappy.

366  
00:15:17,385 --> 00:15:20,204  
I think this for the first  
year, nappy is canceled.

367  
00:15:20,209 --> 00:15:21,405  
It's not even happening this year.

368  
00:15:21,454 --> 00:15:22,415  
Promax in Promax.

369  
00:15:22,415 --> 00:15:25,185  
Yes, Promax, which has been the,  
the big event in Vegas every year.

370  
00:15:25,245 --> 00:15:26,475  
That's not happening anymore.

371  
00:15:26,655 --> 00:15:29,084  
We need to figure a way to bring  
our stations together, get them all.

372  
00:15:29,880 --> 00:15:33,000  
Get them on the Alex Trebek stage

and, and work with 'em harder.

373

00:15:33,000 --> 00:15:36,360

Because honestly, without our stations,  
without our affiliates, we have no show.

374

00:15:36,360 --> 00:15:37,620

There's no way for you to access it.

375

00:15:37,620 --> 00:15:39,270

There's no way for you  
to watch it whatsoever.

376

00:15:39,569 --> 00:15:40,140

Well, in

377

00:15:40,140 --> 00:15:42,900

Sarah Foss: terms of our show, the one  
that our affiliates provide, we know

378

00:15:42,900 --> 00:15:47,160

there's been a lot of discussion around  
the hosting schedule in the new Year.

379

00:15:47,160 --> 00:15:47,250

Mm-hmm.

380

00:15:47,490 --> 00:15:50,610

, and so we wanna just kind of let you  
know when you can watch Maya, when you

381

00:15:50,610 --> 00:15:52,079

can watch Ken in the coming months.

382

00:15:52,079 --> 00:15:55,140

First off, celebrity Jeopardy  
is back last Thursday.

383

00:15:55,140 --> 00:15:55,590

It's now.

384

00:15:56,765 --> 00:15:57,345

Thursday nights.

385

00:15:57,350 --> 00:15:58,575

Yeah, so that's exciting.

386

00:15:58,605 --> 00:16:03,135

And Maya will be hosting that every Thursday leading up to our huge finale

387

00:16:03,135 --> 00:16:06,645

on February 2nd, where three celebrity finalists will be battling out for

388

00:16:06,645 --> 00:16:10,335

a 1 million prize donation for the charity that they're playing for.

389

00:16:10,755 --> 00:16:12,885

Of course, they're gonna win the Celebrity Jeopardy.

390

00:16:12,975 --> 00:16:14,025

Question mark Trophy.

391

00:16:14,920 --> 00:16:16,600

And some pretty big bragging rights.

392

00:16:16,600 --> 00:16:18,130

So a lot at stake there.

393

00:16:18,340 --> 00:16:20,500

And then in the syndicated show, I like that trophy by

394

00:16:20,500 --> 00:16:20,740

Michael Davies: the way.

395

00:16:20,745 --> 00:16:21,520

I think it's good looking, right?

396

00:16:21,700 --> 00:16:22,180

Sarah Foss: Yeah.

397

00:16:22,180 --> 00:16:23,080

Wait till you guys see it.

398

00:16:23,080 --> 00:16:24,820

It's pretty, uh, pretty fantastic.

399

00:16:24,825 --> 00:16:29,620

And one person will be holding it come  
February 2nd, over on the syndicated show.

400

00:16:29,620 --> 00:16:31,900

Ken is gonna be hosting through January.

401

00:16:31,990 --> 00:16:32,230

Yeah.

402

00:16:32,260 --> 00:16:36,550

And into February before Myam then takes  
over to host our high school reunion.

403

00:16:36,965 --> 00:16:40,955

That's the one where we're very  
excited to welcome back 27 of our teen

404

00:16:40,955 --> 00:16:44,915

tournament participants back from season  
35 when we had so many great players.

405

00:16:45,275 --> 00:16:48,995

They are now all in college, so we  
are excited to welcome them back.

406

00:16:49,055 --> 00:16:52,475

Yeah, and we had a great first week of  
shows that we need to discuss Michael.

407

00:16:52,475 --> 00:16:54,005

So, you know, 2023.

408

00:16:54,680 --> 00:16:55,250

Off to a great

409

00:16:55,250 --> 00:16:55,550

Michael Davies: start.

410

00:16:55,640 --> 00:16:57,050

Yeah, absolutely.

411

00:16:57,050 --> 00:17:00,650

And I'm glad you're keeping, uh, me honest on that promise that I made

412

00:17:00,650 --> 00:17:04,790

to inform everybody about the hosting rotation and, and how that's working.

413

00:17:04,850 --> 00:17:05,000

And

414

00:17:05,000 --> 00:17:06,860

Sarah Foss: originally we did think Myam was going Yeah.

415

00:17:06,865 --> 00:17:07,910

To come back in January.

416

00:17:07,910 --> 00:17:09,650

Obviously her call me cat schedule.

417

00:17:09,680 --> 00:17:09,950

Yeah.

418

00:17:10,190 --> 00:17:10,970

It evolves.

419

00:17:10,970 --> 00:17:14,810

So we are seeing her a little later than we had anticipated, but not for.

420

00:17:14,974 --> 00:17:19,135

Any lack of wanting to have both of our hosts on the show as much as possible.

421

00:17:19,140 --> 00:17:20,375  
Just scheduling.

422

00:17:20,375 --> 00:17:22,535  
You know, Miam is a busy, busy woman.

423

00:17:22,535 --> 00:17:26,165  
Excited though to have her back in  
the new year for Celebrity Jeopardy.

424

00:17:26,165 --> 00:17:30,815  
But as I mentioned, we have a first  
week of shows in 2023 to discuss.

425

00:17:30,815 --> 00:17:31,145  
So.

426

00:17:31,270 --> 00:17:32,170  
Cue the beep boos.

427

00:17:37,450 --> 00:17:37,840  
All right.

428

00:17:37,840 --> 00:17:42,490  
For our first show of 2023, Ray La  
Lawn was seeking his 13th win against

429

00:17:42,495 --> 00:17:44,530  
Denise Carlin and Chris Blair.

430

00:17:44,740 --> 00:17:46,660  
This was a great game.

431

00:17:46,930 --> 00:17:51,250  
Now, Denise dominated the Jeopardy  
round with 13 correct responses

432

00:17:51,250 --> 00:17:53,139  
and a \$2,000 daily double.

433

00:17:53,139 --> 00:17:56,710

So she got out to an early lead of 5,000.

434

00:17:57,305 --> 00:18:00,514

Over Ray, he was able to take back the lead in double jeopardy with

435

00:18:00,955 --> 00:18:05,885

14 correct responses, and this was despite him missing both daily doubles.

436

00:18:06,125 --> 00:18:10,155

So we head into final, he has just a hundred dollars lead over Denise.

437

00:18:10,814 --> 00:18:11,625

Ken couldn't believe it.

438

00:18:11,625 --> 00:18:14,685

He said you were only at a thousand dollars a moment ago,

439

00:18:14,685 --> 00:18:16,395

so what a comeback for Ray.

440

00:18:16,425 --> 00:18:17,145

He wins.

441

00:18:17,145 --> 00:18:21,554

But boy, people on social media, were talking about Denise Carlin.

442

00:18:21,560 --> 00:18:22,665

I have to thank Michael.

443

00:18:22,665 --> 00:18:24,074

She's a second chance candidate.

444

00:18:24,225 --> 00:18:24,465

Michael Davies: Yes.

445

00:18:24,465 --> 00:18:27,945

Seems like a very good candidate

for Second Chance on the, the, uh,

446

00:18:28,895 --> 00:18:29,135

Sarah Foss: responses.

447

00:18:29,135 --> 00:18:29,574

Yeah.

448

00:18:29,715 --> 00:18:31,635

You know, dominates a big champion.

449

00:18:31,690 --> 00:18:33,940

That was pretty incredible.

450

00:18:33,940 --> 00:18:37,707

One other great thing about this show was our category with author Eric

451

00:18:37,707 --> 00:18:41,560

Larson did have a chance to catch up with him when we recorded that.

452

00:18:41,560 --> 00:18:42,520

And I want you to have a listen.

453

00:18:43,660 --> 00:18:49,300

Eric Larson, what is it like to be featured as a clue presenter on Jeopardy?

454

00:18:49,420 --> 00:18:49,840

I, it

455

00:18:50,110 --> 00:18:54,040

Michael Davies: is an incredible honor cuz you know, my wife and I have been Jeopardy

456

00:18:54,040 --> 00:18:57,460

fans for the 37 years that we've been.

457

00:18:58,199 --> 00:19:01,040

Sarah Foss: What's your thought on how the contestants will perform in your category?

458  
00:19:02,040 --> 00:19:03,840  
Michael Davies: I think they will ace

459  
00:19:03,840 --> 00:19:04,800  
Sarah Foss: it completely.

460  
00:19:04,919 --> 00:19:08,730  
When you watch Jeopardy, what are some of  
your favorite categories to have come up?

461  
00:19:09,330 --> 00:19:09,720  
My

462  
00:19:09,720 --> 00:19:15,480  
Michael Davies: favorite categories  
are, um, historical figures, places,

463  
00:19:16,260 --> 00:19:21,870  
um, my least favorite categories are the  
things we, you actually have to think

464  
00:19:23,520 --> 00:19:23,669  
.  
Sarah Foss: Yeah.

465  
00:19:23,669 --> 00:19:24,870  
We make you do that on jeopardy.

466  
00:19:25,375 --> 00:19:29,245  
Is there one clue or final  
jeopardy or something that stands

467  
00:19:29,245 --> 00:19:30,504  
out to you over the years that.

468  
00:19:31,080 --> 00:19:34,530  
Stumped you or that you know  
made you learn something.

469  
00:19:34,530 --> 00:19:35,760  
Anything that stands out?

470

00:19:36,840 --> 00:19:38,639

Michael Davies: I'm generally stumped by final jeopardy.

471

00:19:38,639 --> 00:19:40,739

So , it's all kind of a blur of stumping.

472

00:19:40,800 --> 00:19:41,040

Well,

473

00:19:41,040 --> 00:19:43,860

Sarah Foss: we're thrilled to feature you on Jeopardy and thanks

474

00:19:43,860 --> 00:19:45,389

for being a part of Inside Jeopardy.

475

00:19:45,570 --> 00:19:45,929

My pleasure.

476

00:19:45,929 --> 00:19:46,590

It's delicious.

477

00:19:47,024 --> 00:19:49,335

I have to say this was such a fun shoot.

478

00:19:49,335 --> 00:19:50,504

We went into his home.

479

00:19:50,504 --> 00:19:50,595

Mm-hmm.

480

00:19:51,060 --> 00:19:52,965

in Manhattan with his wife.

481

00:19:52,965 --> 00:19:54,375

They are real fans of the show.

482

00:19:54,375 --> 00:19:54,705

Michael.

483  
00:19:54,705 --> 00:19:59,325  
They welcomed to sin, they had warm  
coffee and it was a really fun shoot

484  
00:19:59,415 --> 00:20:03,014  
and he actually emailed after his  
category aired to say he had heard

485  
00:20:03,014 --> 00:20:04,665  
from people all over the world.

486  
00:20:04,669 --> 00:20:06,254  
And what a thrilling experience it was.

487  
00:20:06,465 --> 00:20:06,645  
Really.

488  
00:20:06,645 --> 00:20:06,764  
Oh,

489  
00:20:07,014 --> 00:20:08,955  
Michael Davies: I'm a real fan  
of Eric Larson and his books.

490  
00:20:08,955 --> 00:20:10,814  
They are just, uh, they are so terrific.

491  
00:20:10,855 --> 00:20:11,135  
I.

492  
00:20:11,460 --> 00:20:13,290  
Send him a message and go  
and see him in Manhattan.

493  
00:20:13,290 --> 00:20:14,610  
I'd like to have coffee  
with Eric lesson too.

494  
00:20:14,830 --> 00:20:15,870  
Look, no, I'm just telling you, you can't

495  
00:20:15,870 --> 00:20:16,440  
Sarah Foss: have all the perks.

496  
00:20:16,440 --> 00:20:18,030  
It's a very welcoming environment.

497  
00:20:18,030 --> 00:20:18,060  
Okay.

498  
00:20:18,060 --> 00:20:18,720  
I have to say.

499  
00:20:18,720 --> 00:20:18,810  
Good.

500  
00:20:19,110 --> 00:20:19,231  
All right.

501  
00:20:19,235 --> 00:20:20,250  
Moving on to Tuesday.

502  
00:20:20,250 --> 00:20:25,379  
Ray Lan going up against  
Claire Thet and Lloyd C.

503  
00:20:25,530 --> 00:20:28,290  
This was, you know, a close  
round in the jeopardy.

504  
00:20:28,290 --> 00:20:28,710  
Round.

505  
00:20:28,710 --> 00:20:32,879  
Ray ended just with a \$5  
lead, but double jeopardy.

506  
00:20:32,940 --> 00:20:33,419  
It was great.

507  
00:20:33,450 --> 00:20:35,700  
All three players, they're just

going back and forth and back

508

00:20:35,700 --> 00:20:36,810  
and forth, all three of them.

509

00:20:36,810 --> 00:20:37,919  
But Lloyd finish.

510

00:20:38,655 --> 00:20:42,345  
With just a \$490 lead.

511

00:20:42,555 --> 00:20:45,615  
That's because he made a \$5  
wager in an earlier category.

512

00:20:45,620 --> 00:20:46,995  
He didn't know much about food.

513

00:20:46,995 --> 00:20:47,805  
He got it wrong.

514

00:20:47,805 --> 00:20:48,765  
He said he's not a food guy.

515

00:20:49,065 --> 00:20:51,375  
Ken kind of made fun of  
him, but hey, you know what?

516

00:20:51,375 --> 00:20:55,605  
He was laughing all the way to the  
finish line, but this game so great.

517

00:20:55,610 --> 00:20:59,775  
All three players finished  
with over \$20,000.

518

00:20:59,775 --> 00:20:59,835  
Yeah.

519

00:20:59,835 --> 00:20:59,955  
Great.

520  
00:20:59,955 --> 00:21:04,485  
So again, we're looking at some potential  
second chance candidates this week.

521  
00:21:04,695 --> 00:21:05,265  
Have to think.

522  
00:21:05,265 --> 00:21:07,125  
Claire is in the competition.

523  
00:21:07,910 --> 00:21:11,210  
. I don't know if you saw Lloyd's  
social media, but he posted a

524  
00:21:11,210 --> 00:21:15,230  
picture with he and Ken Jennings  
from years ago at an audition.

525  
00:21:15,800 --> 00:21:19,160  
Ken looks about 10, and Lloyd  
looks, I don't know, about five.

526  
00:21:19,160 --> 00:21:19,970  
I mean, that's hilarious.

527  
00:21:20,200 --> 00:21:20,690  
So young.

528  
00:21:21,050 --> 00:21:25,550  
Um, he also posted a picture with Ray La  
Lawn saying, this is a photo of me and the

529  
00:21:25,555 --> 00:21:27,670  
guy who she told me not to worry about.

530  
00:21:27,670 --> 00:21:31,010  
I do wanna point out that Ray had  
a great streak, you know, he was

531  
00:21:31,220 --> 00:21:33,170  
knocking down the door of the legend.

532

00:21:33,795 --> 00:21:36,495  
He had 13 wins, 80% correct.

533

00:21:36,495 --> 00:21:37,275  
Of his daily doubles.

534

00:21:37,635 --> 00:21:40,995  
Interestingly enough, he only  
had four runaways, so that made

535

00:21:40,995 --> 00:21:44,595  
for so many of his games to be  
so exciting for a super champion.

536

00:21:44,985 --> 00:21:47,895  
And I also wanna point out, I did  
read something where people were

537

00:21:47,900 --> 00:21:51,955  
wondering about contestants like Ray,  
who, you know, people were kind of.

538

00:21:52,544 --> 00:21:55,034  
Making fun of a bit for the  
way that he was swaying.

539

00:21:55,034 --> 00:21:58,185  
And he said he actually had a back  
issue and it helped relieve it.

540

00:21:58,185 --> 00:22:00,585  
So people were wondering, why  
don't we let them sit down?

541

00:22:00,885 --> 00:22:05,565  
Please know any contestant is given the  
opportunity to have a chair at any point.

542

00:22:05,565 --> 00:22:07,665  
We would never make people stand.

543

00:22:07,665 --> 00:22:10,935

And you'll see even in the coming weeks that we had a contestant that

544

00:22:10,935 --> 00:22:12,615  
did choose to Yeah, absolutely.

545

00:22:12,615 --> 00:22:15,165  
To sit, you know, after their performance, they felt like that may

546

00:22:15,165 --> 00:22:17,115  
be a better opportunity for them.

547

00:22:17,680 --> 00:22:20,530  
We are not out there saying, no, you have to stand and play.

548

00:22:20,530 --> 00:22:23,680  
We want you to play at whatever is going to allow you to play at your very best.

549

00:22:23,740 --> 00:22:23,800  
Yeah.

550

00:22:23,800 --> 00:22:24,010  
Look,

551

00:22:24,010 --> 00:22:26,140  
Michael Davies: our contestant department are always, you know,

552

00:22:26,140 --> 00:22:30,340  
asking questions and, uh, inquiring as to the wellbeing of all of our

553

00:22:30,340 --> 00:22:32,230  
contestants and making sure they're okay.

554

00:22:32,235 --> 00:22:33,340  
And, and, and sitting down is a.

555

00:22:33,555 --> 00:22:37,605

Absolutely, uh, an option if they are struggling to go and play the game.

556

00:22:37,905 --> 00:22:40,065  
Uh, standing up, you know, I'm gonna Ms.

557

00:22:40,065 --> 00:22:40,335  
Ray.

558

00:22:40,365 --> 00:22:43,185  
I love Ray and, uh, looking forward to seeing him again

559

00:22:43,215 --> 00:22:44,955  
when he comes back to t o c.

560

00:22:45,015 --> 00:22:48,255  
You know, there are a lot of, some of the, uh, conversation on social media

561

00:22:48,255 --> 00:22:49,965  
is why don't you stop him from swaying?

562

00:22:49,995 --> 00:22:50,805  
Why don't you do that?

563

00:22:51,345 --> 00:22:55,635  
I gotta tell you, and this, this goes back to, you know, you know, probably

564

00:22:55,905 --> 00:23:00,375  
it, it's my point of view as a producer of these kind of shows, when contestants

565

00:23:00,375 --> 00:23:01,785  
come on and play for real money.

566

00:23:02,670 --> 00:23:05,910  
I really don't like telling them how to go and play the game.

567

00:23:06,360 --> 00:23:09,390

Once we've selected you and you are up on that stage and you are playing, if

568

00:23:09,390 --> 00:23:14,100  
you wanna hold the buzzer in a certain way, if you want to, you know, conduct

569

00:23:14,100 --> 00:23:17,850  
yourself in a certain way, if you want to sway, if you wanna do anything,

570

00:23:17,850 --> 00:23:22,400  
whether it's for a medical condition or not, I'm just not really into.

571

00:23:23,070 --> 00:23:27,270  
The idea that I'm gonna tell contestants how to go and be when they play the game.

572

00:23:27,270 --> 00:23:27,960  
And you know what?

573

00:23:28,320 --> 00:23:31,590  
Some people might not like it, but I think it would be a pretty poor thing

574

00:23:31,590 --> 00:23:35,580  
if we start establishing, you know, ways in which people have to hold

575

00:23:35,580 --> 00:23:37,710  
themselves, uh, behind those podiums.

576

00:23:37,950 --> 00:23:38,430  
Sarah Foss: Yes.

577

00:23:38,670 --> 00:23:40,950  
Well, we say goodbye to Ray the sway.

578

00:23:40,950 --> 00:23:42,090  
It was fun to reach out.

579

00:23:42,090 --> 00:23:45,450  
I was talking with Matta at one  
point before Ray debut Butin.

580  
00:23:45,450 --> 00:23:46,350  
I said, just wait.

581  
00:23:46,350 --> 00:23:50,280  
You've got a fellow  
Toronto, Ontario, Canadian.

582  
00:23:50,515 --> 00:23:52,135  
That you'll be able to talk jeopardy with.

583  
00:23:52,135 --> 00:23:53,995  
And they said, oh my  
goodness, I'm so excited.

584  
00:23:53,995 --> 00:23:54,655  
I haven't had.

585  
00:23:55,290 --> 00:23:57,330  
You know, fellow champions  
up here in Canada.

586  
00:23:57,330 --> 00:24:00,850  
I have to head all the way down  
to visit Amy or other champions.

587  
00:24:00,855 --> 00:24:05,879  
So Ray and Matt mate think a bond  
will be formed as is all of our

588  
00:24:05,940 --> 00:24:08,820  
Jeopardy community once you have  
come and, and played this game.

589  
00:24:09,300 --> 00:24:13,980  
Moving on to Wednesday, Lloyd C going  
up against Francis Englert and Sarah.

590  
00:24:14,415 --> 00:24:15,284  
Palmer.

591  
00:24:15,645 --> 00:24:20,625  
This was a really close game between Lloyd  
and Francis, and one part of this game I

592  
00:24:20,625 --> 00:24:24,555  
loved was in the interview Lloyd talked  
about his love for Sports talk radio

593  
00:24:24,645 --> 00:24:28,905  
and one of his favorites being Shannon  
Sharp, and then Shannon Sharp actually

594  
00:24:28,905 --> 00:24:33,335  
shared the clip on Twitter and said,  
y'all heard the man, I'm one of his faves.

595  
00:24:33,495 --> 00:24:36,614  
He's also a fan of the Seahawks,  
so of course Ken being from

596  
00:24:36,614 --> 00:24:39,344  
Seattle, shouted that out as well.

597  
00:24:39,435 --> 00:24:40,935  
It was a tough final.

598  
00:24:40,935 --> 00:24:42,405  
It was tough for Sarah and Francis.

599  
00:24:42,405 --> 00:24:44,534  
The category was continental geography.

600  
00:24:44,925 --> 00:24:47,625  
Uh, the clue read until a 1903 secession.

601  
00:24:47,625 --> 00:24:52,064  
This country's contagious  
territory spanned to continents.

602  
00:24:52,070 --> 00:24:52,695  
Correct.

603  
00:24:52,754 --> 00:24:56,985  
Response was Columbia, only Lloyd came  
up with the correct response, and then

604  
00:24:56,985 --> 00:24:58,604  
he admitted in the post-game chat.

605  
00:24:59,129 --> 00:25:01,320  
That it was a total guess, actually.

606  
00:25:01,320 --> 00:25:01,840  
Whoa, whoa.

607  
00:25:02,250 --> 00:25:03,060  
. It doesn't matter.

608  
00:25:03,330 --> 00:25:04,350  
He got it correct.

609  
00:25:04,350 --> 00:25:09,840  
He goes on to Thursday, going up  
against Patrick Curran and Lois Kalei.

610  
00:25:09,990 --> 00:25:12,960  
Best part of this show, I  
think is the bring it category.

611  
00:25:12,960 --> 00:25:14,669  
A little nod to Sam Butcher.

612  
00:25:15,350 --> 00:25:19,939  
Our social and digital team actually  
posted a meme of Sam along with the

613  
00:25:19,939 --> 00:25:24,770  
category and it said what the board  
said versus what we saw along with who

614  
00:25:24,770 --> 00:25:27,169  
else misses Sam Buttrey right about now.

615  
00:25:27,169 --> 00:25:31,340  
I mean, who can think of bring it  
without Sam just saying Bring it Ken.

616  
00:25:31,730 --> 00:25:33,260  
So that was a fun part of this game.

617  
00:25:33,620 --> 00:25:34,230  
You know, it was.

618  
00:25:35,129 --> 00:25:36,210  
It was one of these games.

619  
00:25:36,210 --> 00:25:38,669  
Unfortunately, not all three  
players made it to final.

620  
00:25:38,669 --> 00:25:42,000  
Lois was not able to play, but  
she actually tweeted over the

621  
00:25:42,000 --> 00:25:46,230  
weekend and said, winding up my  
Jeopardy week by giving thanks to

622  
00:25:46,230 --> 00:25:50,580  
you Michael at Embassy Davies for  
instituting box scores for the game.

623  
00:25:50,580 --> 00:25:51,630  
I can feel good about the.

624  
00:25:51,690 --> 00:25:57,270  
38 buzzer attempts, even though my  
26% success rate sunk my chances.

625  
00:25:57,330 --> 00:25:57,390  
Wow.

626  
00:25:57,570 --> 00:25:57,850  
Yeah.

627  
00:25:57,855 --> 00:25:58,620  
Hashtag jeopardy.

628  
00:25:58,620 --> 00:26:00,000  
Hashtag It's a sport.

629  
00:26:00,180 --> 00:26:00,360  
Yeah.

630  
00:26:00,360 --> 00:26:00,420  
It

631  
00:26:00,420 --> 00:26:00,840  
Michael Davies: happens.

632  
00:26:00,840 --> 00:26:04,260  
When you were talking about Wednesday's  
game and you were talking about final,

633  
00:26:04,590 --> 00:26:08,400  
one of the other things, you know, I  
think people who have followed my year

634  
00:26:08,405 --> 00:26:11,130  
and a half at Jeopardy are starting  
to understand my obsession with data.

635  
00:26:11,135 --> 00:26:11,410  
Yeah.

636  
00:26:11,550 --> 00:26:16,054  
And one thing we've been looking  
at and digging into, Is our final

637  
00:26:16,054 --> 00:26:21,335  
Jeopardy stats and how many times  
all three get final jeopardy, right?

638  
00:26:21,335 --> 00:26:23,044  
How many times nobody  
gets Jeopardy, right?

639

00:26:23,044 --> 00:26:25,385

How many times one gets it right,  
how many times two gets it right?

640

00:26:26,415 --> 00:26:30,795

. My preference is, I think,  
the best final Jeopardy games.

641

00:26:31,155 --> 00:26:33,225

Obviously, you never know  
which contestants are gonna

642

00:26:33,225 --> 00:26:34,515

arrive with which material.

643

00:26:34,520 --> 00:26:38,055

There's a, you know, it's all luck  
of the draw, but I like it when

644

00:26:38,175 --> 00:26:41,175

only one person gets it right,  
or only two of them get it right.

645

00:26:41,175 --> 00:26:41,355

I like two.

646

00:26:41,355 --> 00:26:42,465

Those are my, those are my friends.

647

00:26:42,465 --> 00:26:44,115

I'm more of a one person over two.

648

00:26:44,770 --> 00:26:48,010

Um, I don't like it when  
all three get it right.

649

00:26:48,130 --> 00:26:49,360

I don't think it was challenging enough.

650

00:26:49,360 --> 00:26:52,570

And when, uh, nobody gets it right,  
I think it can be a bit, it can

651  
00:26:52,570 --> 00:26:56,020  
be a bit frustrating, but I'm very  
interested to hear, uh, from you out

652  
00:26:56,020 --> 00:27:00,970  
there, what should the percentage of  
times over a full season, how many

653  
00:27:00,975 --> 00:27:03,460  
times should it be a triple stuper?

654  
00:27:03,580 --> 00:27:05,080  
How many times should  
all three get it right?

655  
00:27:05,080 --> 00:27:05,860  
How many times should it be?

656  
00:27:05,860 --> 00:27:07,840  
One, how many times should it be?

657  
00:27:07,840 --> 00:27:08,260  
Two.

658  
00:27:08,380 --> 00:27:11,980  
I think you start from a point of saying  
those should all be evenly distributed.

659  
00:27:12,460 --> 00:27:13,780  
Um, but maybe.

660  
00:27:14,100 --> 00:27:15,629  
We would like more time, certainly.

661  
00:27:15,629 --> 00:27:15,870  
Right.

662  
00:27:16,665 --> 00:27:20,115  
The, the majority of times are  
one person gets one, right.

663  
00:27:20,235 --> 00:27:21,675  
Or, or two people get them right.

664  
00:27:21,675 --> 00:27:22,815  
That seems to be the majority,

665  
00:27:23,715 --> 00:27:27,345  
Sarah Foss: although you have to know that  
those moments when no one gets it correct.

666  
00:27:27,735 --> 00:27:30,885  
And you at home do, or even me  
in the studio, yeah, they're the

667  
00:27:30,885 --> 00:27:31,785  
greatest moments of all time.

668  
00:27:31,790 --> 00:27:34,845  
I've never felt more brilliant  
in my whole life, so I don't know

669  
00:27:34,845 --> 00:27:36,435  
if we wanna rob people of that.

670  
00:27:36,435 --> 00:27:38,515  
But again, that, that incredible  
moment, it still happen.

671  
00:27:38,515 --> 00:27:40,875  
But that is a moment when  
you feel like the ultimate.

672  
00:27:41,350 --> 00:27:42,550  
Genius, I would say.

673  
00:27:42,550 --> 00:27:42,939  
Yeah, very true.

674  
00:27:43,149 --> 00:27:46,570  
All right, we're closing out the week  
with Patrick Curran going up against

675

00:27:46,600 --> 00:27:51,580  
Caitlin Mono Smith and Ruben DeSouza  
and this game, you know, Patrick

676

00:27:51,580 --> 00:27:54,909  
was headed in, he had a runaway  
in his first game, and guess what?

677

00:27:54,909 --> 00:27:57,520  
He makes this one a runaway as well.

678

00:27:57,520 --> 00:28:01,300  
He took control of this game and double  
jeopardy, got both daily doubles.

679

00:28:01,570 --> 00:28:04,149  
It's tough to come up against someone  
when they're finding the daily

680

00:28:04,149 --> 00:28:07,510  
doubles, when they're getting them  
correct and when they're going into.

681

00:28:08,324 --> 00:28:09,885  
With no one else able to catch them.

682

00:28:09,885 --> 00:28:11,385  
So he's headed into the weekend.

683

00:28:11,625 --> 00:28:11,745  
Yep.

684

00:28:11,774 --> 00:28:12,915  
As a champion.

685

00:28:13,215 --> 00:28:16,905  
But we have to take a look back at  
our last celebrity Jeopardy game that

686

00:28:16,905 --> 00:28:18,885  
aired on Thursday night in primetime.

687  
00:28:19,125 --> 00:28:23,925  
We had Michael, Sarah going up against  
Brian Howie and Zoe Chow, and this was

688  
00:28:23,929 --> 00:28:27,465  
the first, you know, we're in this new  
round, this is group three, and this

689  
00:28:27,469 --> 00:28:29,314  
was our first quarter final, so we're.

690  
00:28:29,460 --> 00:28:34,200  
On the road now to the final semi-final,  
and that winner will head in to join

691  
00:28:34,200 --> 00:28:38,760  
Ike Baron Holtz and Will Wheaton in  
the finals for a million dollars.

692  
00:28:39,270 --> 00:28:42,630  
Michael Davies: Yeah, I am an  
enormous fan of all three of these.

693  
00:28:42,630 --> 00:28:42,720  
Yes.

694  
00:28:42,720 --> 00:28:46,470  
Uh, of these players, all three  
of these actors, Michael, a

695  
00:28:46,470 --> 00:28:48,300  
huge Jeopardy fan, you know.

696  
00:28:48,750 --> 00:28:51,150  
Uh, it was one of the first  
people to reach out to us when

697  
00:28:51,150 --> 00:28:53,820  
we announced Celebrity Jeopardy  
that he really wanted to play.

698  
00:28:54,120 --> 00:28:57,210

Uh, for a while there were celebrity friends of his who were gonna play Yes.

699

00:28:57,390 --> 00:28:59,610  
Against him, who he's used to watching it with every week and

700

00:28:59,610 --> 00:29:01,050  
competing with very gonna matchups.

701

00:29:01,050 --> 00:29:01,170  
Yeah.

702

00:29:01,200 --> 00:29:06,360  
Um, uh, Zoe Chow is an actress who I've just loved almost everything

703

00:29:06,360 --> 00:29:10,470  
she's ever done and been in Winter Brown, really bright person I think.

704

00:29:10,735 --> 00:29:14,425  
It's very funny her stories about her, uh, her father's reaction.

705

00:29:14,514 --> 00:29:14,754  
Oh, yes.

706

00:29:14,814 --> 00:29:17,155  
When, when she found out you that you shouldn't do it.

707

00:29:17,155 --> 00:29:17,455  
Yeah.

708

00:29:17,544 --> 00:29:18,715  
Concern was going on the show.

709

00:29:18,985 --> 00:29:19,225  
This

710

00:29:19,225 --> 00:29:22,524

Sarah Foss: feels like the least friendly  
Zoey activity you could dream of.

711  
00:29:22,524 --> 00:29:22,975  
He said

712  
00:29:23,419 --> 00:29:23,635

.  
Michael Davies: Yeah.

713  
00:29:23,784 --> 00:29:28,195  
And, and Brianne Howie another, you know,  
really, you know, just smart player.

714  
00:29:28,195 --> 00:29:29,635  
But Michael took them on the show.

715  
00:29:29,635 --> 00:29:34,255  
Michael did really, really, And you  
know, looking forward to seeing his

716  
00:29:34,255 --> 00:29:35,755  
next performance in the semi-finals.

717  
00:29:35,845 --> 00:29:36,265  
Yeah,

718  
00:29:36,295 --> 00:29:39,565  
Sarah Foss: certainly going in,  
having a runaway in this game, you

719  
00:29:39,565 --> 00:29:43,195  
have to think he's a strong contender  
for the semis, but you never know

720  
00:29:43,195 --> 00:29:44,725  
what will happen in jeopardy.

721  
00:29:44,755 --> 00:29:44,845  
Mm-hmm.

722  
00:29:45,115 --> 00:29:45,535

. All right.

723

00:29:45,535 --> 00:29:49,945

Well, with that it is time to  
move on to our viewer questions.

724

00:29:54,955 --> 00:29:56,125

Michael Davies: Any obligations.

725

00:29:56,125 --> 00:29:58,255

97 61 on Reddit asks.

726

00:29:58,980 --> 00:30:03,120

Our Jeopardy contestant pairings decided,  
is it random or is there some factoring

727

00:30:03,120 --> 00:30:05,460

in of personality test score, et cetera.

728

00:30:05,460 --> 00:30:06,420

I couldn't find anything.

729

00:30:06,630 --> 00:30:10,900

Uh, answering this from the Google search  
started wondering because of the increase

730

00:30:10,905 --> 00:30:13,650

of super champions in recent years, how

731

00:30:13,650 --> 00:30:16,455

Sarah Foss: it works is, Each of  
our contestants are booked for

732

00:30:16,455 --> 00:30:20,385

a, a tape session, usually two  
tape days for 10 shows, and we

733

00:30:20,385 --> 00:30:23,085

book a group of 12 to 15 people.

734

00:30:23,265 --> 00:30:27,705

So when we're booking that group, we

take into account geography, gender,

735

00:30:27,705 --> 00:30:29,565  
personality, even first names.

736

00:30:29,565 --> 00:30:30,345  
We don't wanna have.

737

00:30:30,960 --> 00:30:34,470  
You know, that group come and  
have two Daves or two Michaels,

738

00:30:34,470 --> 00:30:35,640  
it would be really confusing.

739

00:30:35,670 --> 00:30:35,760  
Mm-hmm.

740

00:30:36,030 --> 00:30:39,780  
. And then from there there's a random  
selection that is done before each

741

00:30:39,780 --> 00:30:42,030  
show for that individual show matchup.

742

00:30:42,030 --> 00:30:45,510  
And that's done by our standards  
and practices representatives.

743

00:30:45,515 --> 00:30:50,565  
So the group, you know, we try to get  
as great of, um, Variety is possible

744

00:30:50,805 --> 00:30:52,905  
to have for those given tape days.

745

00:30:52,905 --> 00:30:57,135  
And then our standards and practices  
person actually randomly selects who will

746

00:30:57,135 --> 00:30:58,965  
go up against each other in each game.

747

00:30:59,115 --> 00:30:59,595

Hope that

748

00:30:59,600 --> 00:31:00,405

Michael Davies: answers the question.

749

00:31:00,435 --> 00:31:00,615

Yeah.

750

00:31:00,615 --> 00:31:03,165

Look, there are so many factors that go into the selection of Jeopardy.

751

00:31:03,165 --> 00:31:08,115

Contestants, test scores, you know, are paramount probably, uh, within them.

752

00:31:08,385 --> 00:31:11,565

Geography is one thing that, you know, we're spending a lot more

753

00:31:11,565 --> 00:31:13,125

time thinking of, of looking at.

754

00:31:13,395 --> 00:31:15,855

You know, when I talked earlier about our television stations, you know,

755

00:31:15,855 --> 00:31:18,345

we need to make sure that markets.

756

00:31:18,780 --> 00:31:21,240

That Carrie Jeopardy, I've represented with contestants.

757

00:31:21,270 --> 00:31:24,660

You know, we have to represent the entire country on this show.

758

00:31:24,660 --> 00:31:29,850

That's, uh, that's very, very important

and, um, a real, uh, mission of our

759

00:31:29,855 --> 00:31:35,790  
contestant department in, uh, in 2023 to  
continue to represent our entire audience.

760

00:31:35,790 --> 00:31:36,930  
That's a very important thing.

761

00:31:37,110 --> 00:31:41,940  
Okay, Laine asks, I have a question  
about how you keep the results of games.

762

00:31:42,810 --> 00:31:43,860  
Until airtime.

763

00:31:44,130 --> 00:31:47,970  
I would imagine that contestants and  
staff sign contracts that obligate

764

00:31:47,970 --> 00:31:51,480  
them not to reveal anything, but  
what about the studio audience?

765

00:31:51,910 --> 00:31:52,400  
Well,

766

00:31:52,400 --> 00:31:56,040  
Sarah Foss: Laan, this is something  
that I love so much about our Jeopardy

767

00:31:56,040 --> 00:31:58,280  
fans, they come to the studio audience.

768

00:31:59,129 --> 00:32:02,970  
Jimmy McGuire asks them as our  
audience, warm up, enjoy these shows.

769

00:32:03,000 --> 00:32:04,169  
Don't share.

770

00:32:04,379 --> 00:32:06,240

Let people enjoy them when they air.

771

00:32:06,240 --> 00:32:08,159

And amazingly people do just that.

772

00:32:08,340 --> 00:32:12,179

And Ken always says at the end of his hosting on that day, which was what

773

00:32:12,179 --> 00:32:14,550

Alex used to always say, go home.

774

00:32:14,785 --> 00:32:16,675

Don't tell anyone you were here.

775

00:32:17,245 --> 00:32:21,115

Watch the show, get all the responses correct, and then people

776

00:32:21,115 --> 00:32:22,315

will just think you're brilliant.

777

00:32:22,315 --> 00:32:27,535

So I joke, but honestly I think that's what's so special about it, is that people

778

00:32:27,535 --> 00:32:29,125

don't wanna spoil it for other people.

779

00:32:30,120 --> 00:32:33,510

They know how much they love watching this show playing along

780

00:32:33,659 --> 00:32:35,129

and not knowing the outcome.

781

00:32:35,159 --> 00:32:37,169

And so they preserve that for people.

782

00:32:37,169 --> 00:32:41,610

And we've been really lucky that even when we have super champions, even when we

783  
00:32:41,615 --> 00:32:45,750  
have tournaments, that it's been very rare  
that any results have ever been leaked

784  
00:32:46,590 --> 00:32:46,919  
Michael Davies: yet.

785  
00:32:46,980 --> 00:32:51,870  
The, um, certainly our contestants  
sign contracts that, that say this

786  
00:32:51,870 --> 00:32:53,939  
is secret, I think in our staff.

787  
00:32:53,970 --> 00:32:54,540  
I'm not sure.

788  
00:32:54,540 --> 00:32:56,040  
I think it's just  
implicit to working here.

789  
00:32:56,040 --> 00:32:56,460  
Right.

790  
00:32:56,460 --> 00:32:57,230  
I'm not sure that the staff usually

791  
00:32:57,230 --> 00:32:57,710  
Sarah Foss: on the bigger.

792  
00:32:57,970 --> 00:32:58,390  
You know?

793  
00:32:58,420 --> 00:32:58,600  
Yeah.

794  
00:32:58,630 --> 00:33:00,040  
Like goat and things  
we're asked absolutely.

795

00:33:00,250 --> 00:33:00,850  
To sign that, but

796  
00:33:00,910 --> 00:33:01,390  
Michael Davies: very true.

797  
00:33:01,600 --> 00:33:01,960  
Okay.

798  
00:33:02,170 --> 00:33:04,120  
Well that brings us to the end  
of today's show, right, Sarah?

799  
00:33:04,180 --> 00:33:05,320  
Sarah Foss: Oh my goodness.

800  
00:33:05,410 --> 00:33:06,610  
I can't believe it's done.

801  
00:33:06,615 --> 00:33:08,860  
But thank you so much for joining us here.

802  
00:33:09,130 --> 00:33:13,300  
Next week we're gonna discuss, well, more  
great gameplay, and of course, the next

803  
00:33:13,300 --> 00:33:18,970  
celebrity quarter, final game with Patton  
Oswalt, Candace Parker and Tori DeVito.

804  
00:33:18,975 --> 00:33:21,640  
Michael Davies: Yeah, uh, we might  
have some other news to discuss also.

805  
00:33:21,640 --> 00:33:23,950  
As always, please make sure to subscribe.

806  
00:33:24,780 --> 00:33:27,930  
Leave us a comment, share across  
social, follow us at jeopardy

807  
00:33:28,110 --> 00:33:30,990

on Twitter, on Instagram, on  
Facebook, on YouTube, and on TikTok.

808

00:33:31,020 --> 00:33:32,640

We're gonna see you next week.

809

00:33:32,730 --> 00:33:33,660

Take us out, Johnny.
