### Market data

We are the world's leading independent source of intelligent information and data. Through our platform, Workspace, we provide real-time data on sukuk, money market, equities, indices and funds in addition to news, research and a comprehensive database of Shariah and legal content. We also provide exclusive access to the Islamic Finance Development Indicator (IFDI) database, which includes underlying data covering different sectors and asset classes.

### Content and events

We provide bespoke event content through our wide network of experienced professionals. Our coverage includes conferences, seminars, roundtables, awards, newsletters, social media and more.

### Sustainable finance

Our Islamic finance proposition provides access to exclusive market data, news and reports covering the latest trends on sustainability, including ESG data and scores for various asset classes covering funds, equities, banks, indices, green and ESG sukuk.

### Market research and intelligence

Our award-winning research house delivers reliable insights and market intelligence by leveraging our human expertise and industry networks. Our experts produce more than 15 reports on an annual basis, covering various Islamic finance industries, markets and asset classes and offers in-depth analysis and insights.

### Trading solutions

Our cutting-edge solutions are designed to address the entire trading cycle for Islamic finance instruments, including primary dealing and secondary markets. Our innovative workflow solutions include LSEG's post-trade solution Islamic Deal Connect (IDC), a comprehensive tool for key treasury functions including trading, bilateral transactions and portfolio management that supports Islamic finance institutions through their daily activities.

### Indices solutions

Through FTSE Russell, LSEG creates leading Islamic index solutions that allow Islamic institutions to benchmark their investment performance and create world-class index-based investment products, including sukuk, equities, ESG, ETFs, mutual funds, etc.
