Alumni – Elisabeth Schiemann Kolleg

Jessica Agrawal
Research Area: Solar System Research, Astronomy
Fellow from 2018-2023

Ana Akrap
Research Area: Condensed Matter Physics
Fellow from 2017 to 2022

Karen Alim
Research Area: Biological Physics
Fellow from 2013 to 2018

Maria Bergemann
Research Area: Astrophysics
Fellow from 2015 to 2019

Aránzazu Del Campo
Research Area: Biomaterials
Fellow from 2013 to 2015

Katrin Domke
Research Area: Electrochemical Surface Science
Fellow from 2014 to 2019

Sandra Eibenberger-Arias
Research Area: Molecular Physics
Fellow from 2019-2023

Karin Everschor-Sitte
Research Area: Spintronics
Fellow from 2017 to 2021

Hanieh Fattahi
Research Area: Laser Physics, Laser Spectroscopy
Fellow from 2018-2023

Katherine Fitch
Research Area: Algebraic Graph Theory
Fellow from 2018 to 2020

Julijana Gjorgjieva
Research Area: Computational Neuroscience
Fellow from 2016 to 2021

Ganna Gryn'ova
Research Area: Computational Chemistry, Materials Science
Fellow from 2021-2024

Elena Hassinger
Research Area: Condensed Matter Physics
Fellow from 2015 to 2020

Saskia Hekker
Research Area: Stellar Astrophysics
Fellow from 2014 to 2019

Tanja Hinderer
Research Area: Gravitational Waves
Fellow from 2017 to 2021

Denise Kühnert
Research Area: Phylogenetics and Infectious Disease Dynamics
Fellow from 2018-2023

Franziska Lautenschläger
Research Area: Biophysics
Fellow from 2016 to 2020

Laura Na Liu
Research Area: Smart Nanoplasmonics
Fellow from 2013 to 2015

Julia Mahamid
Research Area: Structural Biology, Macromolecular Phase Separation
Fellow from 2017 to 2021

Nicole Megow
Research Area: Combinatorial Optimization and Efficient Algorithms
Fellow from 2013 to 2016

Raffaella Mulas
Research Area: Hypergraph Theory, Network Science
Fellow from 2021-2024

Ursula Neu
Research Area: Biochemistry, Structural Biology
Research Fellow from 2016 to 2021

Nadine Neumayer
Research Area: Astrophysics
Fellow from 2015 to 2020

Kirstin Petersen
Research Area: Robotics, Artificial Intelligence
Fellow from 2016 to 2021

Paola Pinilla
Research Area: Astrophysics
Fellow from 2020 to 2022

Ruzica Piskac
Research Area: Computer Science
Fellow from 2014 to 2019

Viola Priesemann
Research Area: Statistical Physics, Neural Networks
Fellow from 2015 to 2020

Maria Rodriguez
Reseach Area: Theoretical Physics, General Relativity, Black Holes
Fellow from 2017 to 2022

Nina Rohringer
Research Area: Nonlinear Optics with X-Rays
Fellow from 2013 to 2017

Constanza Rojas-Molina
Research Area: Mathematical Physics, Random Schrödinger Operators
Fellow from 2019 to 2022

Mariana Rossi
Research Area: Theoretical Condensed Matter Physics, Chemical Physics
Fellow from 2018-2023

Hilke Schlichting
Research Area: Astrophysics and Planetary Sciences
Fellow from 2014 to 2016

Claudia Stephan
Research Area: Atmospheric Science
Fellow from 2021-2023

Sabine Storandt
Research Area: Applied Computer Science
Fellow from 2016 to 2018

Seraphine Wegner
Research Area: Synthetic Biology

Fellow from 2016 to 2019
