need to raise money for
Manx Wildlife Trust

Thank you

for choosing to support the work of Manx Wildlife Trust!

Manx Wildlife Trust are the Island's leading conservation charity and we're on a mission to restore at least 30% of land and sea for nature by 2030. We're so glad you've decided to help us make that happen. By raising funds for Manx Wildlife Trust, you'll be helping to support wildlife and wild places where you live, putting us right on track to reaching our goal. We truly couldn't do it without you.

It's a big ambition, but with people like you on board we know we can do it. So, let's get fundraising!

How your donations could help

£10 could buy a bow saw to help our volunteers with woodland management

£50 could buy a stranding kit to help a juvenile seal

£150 could buy a session to educate young people about our natural world

£500 could fund a species survey to make sure it's protected

£1,500 could pay for a Microforest

From setting up a sponsored run to organising a special event like an afternoon tea party or bring and buy sale, you can help raise funds in all sorts of ways. This pack is filled with hints, tips and ideas to inspire you, and don't forget we are only a phone call away if you would like any more guidance.

Good luck and thank you!

Step-by-step guide

What, when, where, who & weather

To kick-start your fundraiser, you'll need to think about:

- What kind of activity or event you want to do, check out some of the fundraising ideas in this guide for inspiration
- When you plan to do it - will it take place on one day or over a whole week?
- Make sure to pick a date well in advance so you can let everyone know about it!
- Where it will take place
- Who you will invite to watch, take part, or sponsor you
- If your activity is outdoors, you'll need to check the weather and decide whether it'll affect your plans.

Set a goal

Set yourself a goal of how much you hope to raise for Manx Wildlife Trust. You'll be amazed at how this will encourage people to support you.

Promote

- Now it's time to shout about your plans!
- Put up posters in your local area, in your workplace or even around your home!
- If it's an event that other people can attend, send out invitations with details of things like time and location.
- Create an online fundraising page that you can share widely on social media — this will allow people to sponsor you quickly and easily
- Tell us about your plans. We'd love to know and we can give you guidance as well as help you promote it.

Online fundraising, staying safe and staying legal

Online fundraising

You can set up an online fundraising page on a reputable platform like Just Giving or donate directly at www.mwt.im/donate

Be sure to leave a note explaining how the money was raised and if it is for a specific project.

Stay safe and legal

It's your responsibility to ensure the safety of everyone involved in your event. We suggest doing a risk assessment beforehand at the location of your event to make sure you have considered any hazards. Information on how to complete a risk assessment and what to include can be found on the Saint John's Ambulance website.

Most events on private land such as a school or a workplace don't need a licence, just permission from the landowner. Events on public land like a park or a high street will require a licence which you can obtain through the local commissioners.
