

**FY 2014 Service Contract Inventory
Planned Analysis of FY 2014 Inventory**

As required by OMB Memorandum entitled Service Contract Inventories, dated December 19, 2011, SEC has selected the following PSCs in its FY 2014 inventory. The SEC selected five (5) PSCs. None of the selected PSCs were included in the FY 2013 review. Additionally, these PSCs represent approximately 44% of the total obligated dollars for FY 2014.

PSC	Product or Service Description	Dollars Obligated in FY 2014	Rationale for Selection
D302	IT AND TELECOM – SYSTEMS DEVELOPMENT	\$45,848,394.55	PSC selected because it is on the special interest list and a top ten obligation each year, but has not been reviewed since FY 2012.
D314	SYSTEM ACQUISITION SUPPORT	\$3,058,328.40	PSC selected because it is on the special interest list and has not been previously reviewed.
D318	IT STRATEGY AND ARCHITECTURE	\$15,284,291.25	PSC selected because it is new to the top ten biggest percentages of obligations and has not been previously reviewed.
R408	PROGRAM MANAGEMENT/SUPPORT	\$27,380,835.30	PSC selected because it is on the special interest list and a top ten obligation each year, but has not been reviewed since FY 2012. PSC also has potential for personal services, inherently governmental work to be performed by contractors and cover some SEC critical functions.
R499	OTHER PROFESSIONAL SUPPORT	\$28,266,680.93	PSC selected because it is a top ten obligation each year and has not been reviewed since FY 2012. PSC also has potential for personal services, inherently governmental work to be performed by contractors and cover some SEC critical functions.
