WHEREAS, the Board has determined to authorize the issuance of its Texas Department of Housing and Community Affairs Multifamily Housing Revenue Bonds (Fannie Mae MBS Collateralized Pass-Through – Oaks on Lamar), Series 2018 (the “Bonds”) pursuant to and in accordance with the terms of an Indenture of Trust (the “Indenture”) between the Department and Wilmington Trust, National Association, as trustee (the “Trustee”), for the purpose of obtaining funds to finance the Development (defined below), all under and in accordance with the Constitution and laws of the State; and

WHEREAS, the Department desires to use the proceeds of the Bonds to fund a mortgage loan to THF Oaks on Lamar, LP, a Texas limited partnership (the “Borrower”) in order to finance the cost of acquisition, equipping and rehabilitation of a qualified residential rental development described in Exhibit A attached hereto (the “Development”) located within the State and required by the Act to be occupied by individuals and families of low and very low income and families of moderate income, as determined by the Department; and

WHEREAS, it is anticipated that the obligations of the Borrower under the Financing Agreement (other than for the repayment of principal and interest) will be secured by a Subordinate Multifamily Deed of Trust, Security Agreement and Fixture Filing (the “Subordinate Mortgage”) from the Borrower for the benefit of the Department and the Trustee; and

WHEREAS, the Borrower will obtain a loan from Wells Fargo Bank, National Association, as lender, (the “Lender”), and the Lender will deposit a portion of the proceeds of such loan with the Trustee, to be held by the Trustee as security for the Bonds in accordance with the Indenture; and

WHEREAS, in order to assure compliance with Section 103 and 142 through 150 of the Code, the Board has determined that the Department, the Trustee and the Borrower will execute a Tax Exemption Agreement (the “Tax Exemption Agreement”), in connection with the Bonds, pursuant to which the Department and the Borrower will make certifications, representations and covenants relating to the treatment of the interest on the Bonds as tax exempt from gross income for federal income tax purposes; and

WHEREAS, the Board has further determined that the Department will enter into a Bond Purchase Agreement (the “Bond Purchase Agreement”) with Wells Fargo Bank, National Association, as underwriter (the “Underwriter”), the Borrower, and THF Oaks on Lamar, LP, setting forth certain terms and conditions upon which the Underwriter will purchase all of the Bonds from the Department and the Department will sell the Bonds to the Underwriter; and

CERTAIN FINDINGS AND DETERMINATIONS

Section 3.1 Findings of the Board. That in accordance with Section 2306.223 of the Act and after the Department’s consideration of the information with respect to the Development and the information with respect to the proposed financing of the Development by the Department, including but not limited to the information submitted by the Borrower, independent studies commissioned by the Department, recommendations of the Department staff and such other information as it deems relevant, the Board hereby finds:

(a) Need for Housing Development.

(i) that the Development is necessary to provide needed decent, safe, and sanitary housing at rentals or prices that individuals or families of low and very low income or families of moderate income can afford,

(ii) that the financing of the Development is a public purpose and will provide a public benefit, and

(iii) that the Development will be undertaken within the authority granted by the Act to the housing finance division and the Borrower.

(b) Findings with Respect to the Borrower.

(i) that the Borrower, by operating the Development in accordance with the requirements of the Financing Agreement, the Tax Exemption Agreement and the Regulatory Agreement, will supply well-planned and well-designed housing for individuals or families of low and very low income or families of moderate income,

(ii) that the Borrower is financially responsible, and

(iii) that the Borrower is not, and will not enter into a contract for the Development with, a housing developer that (A) is on the Department’s debarred list, including any parts of that list that are derived from the debarred list of the United States Department of Housing and Urban Development; (B) breached a contract with a public agency; or (C) misrepresented to a subcontractor the extent to which the developer has benefited from contracts or financial assistance that has been awarded by a public agency, including the scope of the developer’s participation in contracts with the agency and the amount of financial assistance awarded to the developer by the Department.

(c) Public Purpose and Benefits.

(i) that the Borrower has agreed to operate the Development in accordance with the Financing Agreement, the Tax Exemption Agreement and the Regulatory Agreement, which require, among other things, that the Development be occupied by individuals and families of low and very low income and families of moderate income, and

(ii) that the issuance of the Bonds to finance the Development is undertaken within the authority conferred by the Act and will accomplish a valid public purpose and will provide a public

benefit by assisting individuals and families of low and very low income and families of moderate income in the State to obtain decent, safe, and sanitary housing by financing the costs of the Development, thereby helping to maintain a fully adequate supply of sanitary and safe dwelling accommodations at rents that such individuals and families can afford.

Section 3.2 Determination of Eligible Tenants. That the Board has determined, to the extent permitted by law and after consideration of such evidence and factors as it deems relevant, the findings of the staff of the Department, the laws applicable to the Department and the provisions of the Act, that eligible tenants for the Development shall be (1) individuals and families of low and very low income, (2) persons with special needs, and (3) families of moderate income, with the income limits as set forth in the Regulatory Agreement.

Section 3.3 Sufficiency of Loan Interest Rate. That, in accordance with Section 2306.226 of the Act, the Board hereby finds and determines that the interest rate on the Loan will produce the amounts required, when combined with other available funds, to pay for the Department's costs of operation with respect to the Bonds and the Development and enable the Department to meet its covenants with and responsibilities to the holders of the Bonds.

Section 3.4 No Gain Allowed. That, in accordance with Section 2306.498 of the Act, no member of the Board or employee of the Department may purchase any Bond in the secondary open market for municipal securities.

ARTICLE 4

GENERAL PROVISIONS

Section 4.1 Limited Obligations. That the Bonds and the interest thereon shall be special limited obligations of the Department payable solely from the trust estate created under the Indenture, including the revenues and funds of the Department pledged under the Indenture to secure payment of the Bonds, and under no circumstances shall the Bonds be payable from any other revenues, funds, assets or income of the Department.

Section 4.2 Non-Governmental Obligations. That the Bonds shall not be and do not create or constitute in any way an obligation, a debt or a liability of the State or create or constitute a pledge, giving or lending of the faith or credit or taxing power of the State. Each Bond shall contain on its face a statement to the effect that the State is not obligated to pay the principal thereof or interest thereon and that neither the faith or credit nor the taxing power of the State is pledged, given or loaned to such payment.

Section 4.3 Effective Date. That this Resolution shall be in full force and effect from and upon its adoption.

Section 4.4 Notice of Meeting. Bonds of the Issuer, to be entitled Multifamily Housing Revenue Bonds (Fannie Mae MBS Collateralized Pass-Through – Oaks on Lamar), Series 2018 are hereby authorized to be issued in an aggregate principal amount of \$20,000,000 and shall be issued subject to the terms, conditions and limitations established in this Indenture as hereinafter provided. The Bonds may be executed by or on behalf of the Issuer,

authenticated by the Trustee and delivered or caused to be delivered by the Trustee to the original purchasers thereof upon compliance with the requirements set forth in this Indenture.

Section 2.02. Terms of Bonds.

(a) The Bonds shall be dated as of August 1, 2018, and shall bear interest at the Pass-Through Rate in the amounts as accrued and for the periods interest is paid (except as described below in connection with a redemption of Bonds under Section 3.01(c)) pursuant to the terms of the Pass-Through Certificate, payable on each Payment Date, and shall mature (subject to prior redemption as herein set forth) on the Maturity Date. Interest shall be calculated on the basis of Actual/360. The payment of interest on a Payment Date is the interest accrued during the preceding calendar month. There shall be no further accrual of interest on the Bonds during the period from the Maturity Date to the final Payment Date. Notwithstanding anything herein to the contrary, on and after the Purchase Date, the principal, interest and premium, if any, payable on the Bonds will be calculated, except with respect to interest payable on the Bonds if redeemed pursuant to Section 3.01(c) hereof, at the same rate and for the same periods as interest, principal and premium, if any, payable on the Pass-Through Certificate, and will be paid, except with respect to interest payable on the Bonds if redeemed pursuant to Section 3.01(c) hereof (which will be paid on the redemption date), one Business Day following receipt by the Trustee pursuant to the Pass-Through Certificate.

(b) The Bonds shall be issued as registered bonds without coupons in the denominations of \$1.00 or any integral multiple thereof. The Bonds shall be lettered "R" and shall be numbered separately from "1" consecutively upwards except for the Initial Bond which shall be numbered I-1. The Bonds shall be issued initially as Book Entry Bonds.

(c) Payment of the principal of and interest or premium, if any, on any Bond shall be made to the person appearing on the Bond Register as the registered owner thereof, one Business Day following receipt by the Trustee of the interest, principal and premium, if any, paid on the Pass-Through Certificate at the Pass-Through Rate. The principal of and the interest on the Bonds shall be payable in coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts of the United States of America. Unless the Bonds are Book Entry Bonds, the principal of the Bonds shall be payable to the registered owners thereof upon presentation (except in connection with a redemption of Bonds pursuant to Section 3.01(b) hereof) at the designated corporate trust office of the Trustee or its successors. Unless the Bonds are Book Entry Bonds, payments of interest on the Bonds and redemption of the Bonds pursuant to Section 3.01(b) hereof shall be paid by check mailed to the registered owner thereof at such owner's address as it appears on the registration books maintained by the Trustee on the applicable Record Date or at such other address as is furnished to the Trustee in writing by such owner. The Trustee shall cause CUSIP number identification with appropriate dollar amounts for each CUSIP number to accompany all payments of interest, principal or Redemption Price made to such owners, whether such payment is made by check or wire transfer. All payments of principal of and interest on Book Entry Bonds shall be made and given at the times and in the manner

set out in the Representation Letter, as more fully specified in Sections 2.11 and 2.12 hereof.

(d) The Bonds shall be subject to redemption prior to maturity as provided in Article III.

(e) The date of authentication of each Bond shall be the date such Bond is registered.

(f) Initial Bond. The Initial Bond, which shall be numbered I-1 and payable to the Underwriter and registered by the Comptroller, shall be identical to the form of Bond attached as Exhibit A, except that the second-to-last paragraph of the Initial Bond shall read as follows:

“This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture unless the Comptroller’s Registration Certificate hereon has been executed by an authorized representative of the Texas Comptroller of Public Accounts by manual signature.”

In lieu of the authentication certificate of the Trustee, the Initial Bond shall contain the following certificate:

**“REGISTRATION CERTIFICATE OF
COMPTROLLER OF PUBLIC ACCOUNTS**

I HEREBY CERTIFY that this Bond has been examined, certified as to validity and approved by the Attorney General of the State of Texas, and duly registered by the Texas Comptroller of Public Accounts.

State of Texas

(SEAL)”

The provisions of Exhibit A may be rearranged or re-ordered for purposes of the Initial Bond.

Section 2.03. Execution; Limited Obligation. The Bonds shall be signed by, or bear the facsimile signature of, the Chair or Vice Chair of the Issuer, with the corporate seal or a

facsimile of the corporate seal of the Issuer imprinted on the Bonds, and attested to by the manual or facsimile signature of the Secretary or Assistant Secretary of the Issuer. In case any one or more of the officers of the Issuer who shall have signed or sealed any of the Bonds or whose signature appears on any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been actually authenticated or delivered or caused to be delivered by the Trustee or issued by the Issuer, such Bonds may, nevertheless, be authenticated and issued and, upon such authentication, delivery and issue, shall be as binding upon the Issuer as if the persons who signed or sealed such Bonds or whose signatures appear on any of the Bonds had not ceased to hold such offices until such delivery. Any Bond may be signed and sealed on behalf of the Issuer by such persons as at the actual time of execution of the Bonds shall be duly authorized or hold the proper office in the Issuer, although at the date of issuance and delivery of the Bonds such persons may not have been so authorized or have held such office.

THE BONDS, TOGETHER WITH INTEREST THEREON, AND REDEMPTION PREMIUM, IF ANY, ARE NOT GENERAL OBLIGATIONS OF THE ISSUER, BUT ARE SPECIAL, LIMITED OBLIGATIONS OF THE ISSUER SECURED BY THE TRUST ESTATE, ARE AND WILL ALWAYS BE PAYABLE SOLELY FROM THE REVENUES AND INCOME DERIVED FROM THE TRUST ESTATE (EXCEPT TO THE EXTENT PAID OUT OF MONEYS ATTRIBUTABLE TO PROCEEDS OF THE BONDS OR THE INCOME FROM THE TEMPORARY INVESTMENT THEREOF), AND ARE AND WILL ALWAYS BE A VALID CLAIM OF THE OWNER THEREOF ONLY AGAINST THE REVENUES AND INCOME DERIVED FROM THE TRUST ESTATE, WHICH REVENUES AND INCOME MAY BE USED FOR NO OTHER PURPOSE THAN TO PAY THE PRINCIPAL INSTALLMENTS OF, REDEMPTION PREMIUM, IF ANY, AND INTEREST ON THE BONDS, EXCEPT AS MAY BE EXPRESSLY AUTHORIZED OTHERWISE IN THIS INDENTURE AND IN THE FINANCING AGREEMENT. THE BONDS AND THE OBLIGATION TO PAY INTEREST THEREON AND REDEMPTION PREMIUM, IF ANY, DO NOT NOW AND WILL NEVER CONSTITUTE A DEBT OR AN OBLIGATION OF THE STATE OF TEXAS OR ANY POLITICAL SUBDIVISION THEREOF AND NEITHER THE STATE NOR ANY POLITICAL SUBDIVISION THEREOF WILL BE LIABLE THEREFOR. **THE BONDS ARE NOT AND DO NOT CREATE OR CONSTITUTE IN ANY WAY AN OBLIGATION, A DEBT OR A LIABILITY OF THE STATE OF TEXAS OR ANY POLITICAL SUBDIVISION THEREOF, OR CREATE OR CONSTITUTE A PLEDGE, GIVING OR LENDING OF THE FAITH, CREDIT, OR TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE ISSUER HAS NO TAXING POWER.** THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT OR ANY OTHER FEDERAL GOVERNMENTAL AGENCY AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES. The foregoing statement of limitation shall appear on the face of each Bond.

Section 2.04. Authentication. The Bonds, other than the Initial Bond, shall bear thereon a certificate of authentication, substantially in the form set forth in Exhibit A hereto and executed by the Trustee. Only Bonds which bear thereon such executed certificates of authentication or registration by the Comptroller shall be entitled to any right or benefit under the Indenture, and no Bond shall be valid for any purpose under this Indenture until such certificate of authentication or registration by the Comptroller shall have been duly executed by the Trustee

or the Comptroller, or applicable. Such certificate of authentication upon any Bond shall be conclusive evidence that the Bond so authenticated or registered has been duly issued under this Indenture and that the holder thereof is entitled to the benefits of this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds issued hereunder. The certificate of authentication on all Bonds delivered by the Trustee hereunder shall be dated the date of its authentication.

Section 2.05. Form of Bonds. The form of the Bonds issued pursuant to this Indenture shall be in substantially the form set forth in Exhibit A hereto, with such variations, omissions or insertions as are permitted by this Indenture.

Section 2.06. Delivery of Bonds. After the execution and delivery of this Indenture, the Issuer shall execute and deliver to the Trustee, and the Trustee shall authenticate, the Bonds and deliver them to the original purchaser or purchasers thereof as directed by the Issuer.

Prior to the delivery by the Trustee of any of the Bonds, there shall be filed with the Trustee:

- (a) a copy of the Bond Resolution duly certified by an Authorized Officer;
- (b) an executed counterpart of this Indenture;
- (c) an opinion of Bond Counsel stating that the Issuer has duly adopted the Bond Resolution and has duly authorized, executed and delivered this Indenture and that this Indenture and the Bonds each constitute a legal, valid and binding obligation of the Issuer, subject to any applicable bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors;
- (d) an opinion of Bond Counsel to the effect that interest on the Bonds is excludable from gross income for federal income tax purposes under existing law (except with respect to the interest on any Bond for any period during which such Bond is held by a "substantial user" of the Project or by a "related person" to such a "substantial user," each within the meaning of Section 147(a) of the Code);
- (e) a request and authorization to the Trustee by the Issuer and signed by an Authorized Officer to authenticate and deliver the Bonds to or at the direction of the purchasers thereof upon payment to the Trustee, but for the account of the Issuer, of a sum specified in such request and authorization, plus accrued interest thereon, if any, to the date of delivery. The proceeds of such payment shall be paid over to the Trustee and deposited in the various Funds and Accounts pursuant to, and as specified in, Article IV hereof; and
- (f) evidence the Bonds have been rated AA+ by the Rating Agency.

Upon receipt of these documents, the Trustee shall authenticate and deliver the Bonds to or upon the order of the purchaser thereof but only upon payment to the Trustee of the purchase price of the Bonds, together with accrued interest thereon, if any.

Section 2.07. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Issuer, at the expense of the owner of such Bond shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be cancelled by it and delivered to, or upon the order of, the Issuer. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence shall be satisfactory to it and indemnity satisfactory to the Trustee shall be given, the Issuer, at the expense of the owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Bond authenticated and delivered under this Section and of the expenses which may be incurred by the Issuer and the Trustee in the premises. Any Bond authenticated and delivered under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Issuer whether or not the Bond so alleged to be lost, destroyed or stolen shall be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds secured by this Indenture. If any such Bond shall have matured, or is about to mature, instead of issuing a new Bond the Trustee may pay the same without surrender thereof upon receipt of the aforementioned indemnity.

Section 2.08. Registration, Transfer and Exchange of Bonds; Persons Treated as Owners. The Issuer shall cause books for the registration, transfer and exchange of the Bonds as provided in this Indenture to be kept by the Trustee, which is hereby constituted and appointed the bond registrar with respect to the Bonds (the "Bond Registrar"). At reasonable times and under reasonable regulations established by the Trustee, said books may be inspected and copied by the Issuer or by owners (or a designated representative thereof) of a majority in aggregate principal amount of the Bonds then Outstanding.

The registration of each Bond is transferable by the registered owner thereof in person or by its attorney duly authorized in writing at the designated corporate trust office of the Trustee. Upon surrender for registration of transfer of any Bond at such office, the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond of the same maturity or maturities and authorized denomination for the same aggregate principal amount. Bonds to be exchanged shall be surrendered at said designated corporate trust office of the Trustee, and the Trustee shall authenticate and deliver in exchange therefor a Bond of equal aggregate principal amount of the same maturity and authorized denomination.

All Bonds presented for registration of transfer, exchange or payment (if so required by the Issuer or the Trustee) shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Trustee, duly executed by the registered owner or by its duly authorized attorney.

The Issuer, the Bond Registrar and the Trustee shall not be required (i) to issue, register the transfer of or exchange any Bonds during a period beginning at the Trustee's opening of business on the applicable Record Date and ending at the Trustee's close of business on the applicable Payment Date; or (ii) to register the transfer of or exchange any Bond selected, called or being called for redemption as provided herein. No charge shall be made to any Bondholder for the privilege of registration of transfer as herein provided, but any Bondholder requesting any such registration of transfer shall pay any tax or governmental charge required to be paid therefor.

New Bonds delivered upon any registration of transfer or exchange shall be valid obligations of the Issuer, evidencing the same debt as the Bonds surrendered, shall be secured by this Indenture and shall be entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.

The person in whose name any Bond is registered shall be deemed the owner thereof by the Issuer and the Trustee, and any notice to the contrary shall not be binding upon the Issuer or the Trustee. Notwithstanding anything herein to the contrary, to the extent the Bonds are Book Entry Bonds, the provisions of Section 2.11 shall govern the exchange and registration of Bonds.

Section 2.09. Cancellation of Bonds. Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture, upon payment of the principal amount and interest represented thereby, for replacement pursuant to Section 2.07 or for transfer or exchange pursuant to Section 2.08, such Bond shall be canceled and destroyed by the Trustee and, upon written request of the Issuer, counterparts of a certificate of destruction evidencing such destruction shall be furnished by the Trustee to the Issuer.

Section 2.10. Pledge Effected by Indenture. The Pass-Through Certificate held pursuant to the Indenture, all amounts that may be received under a Fannie Mae trust agreement, all rights of the Issuer or the Trustee under a Fannie Mae trust agreement, the Pass-Through Certificate Revenues and all amounts held in any Fund or Account under this Indenture are hereby ratably pledged to secure the payment of the principal of and the interest on the Bonds, subject only to the provisions of this Indenture permitting the application thereof for other purposes. Such pledge shall, pursuant to the Act, constitute a pledge, assignment, lien and security interest or grant made pursuant to the Act and shall be valid and binding and immediately effective, upon its being made or granted, without any physical delivery, filing, recording or further act, and shall be valid and binding as against, and superior to any claims of all others having claims of any kind against the Issuer or any other person, irrespective of whether such other parties have notice of the pledge.

Section 2.11. Book-Entry System; Limited Obligation. The Bonds shall be initially issued in the form of a separate single fully registered Bond (which may be typewritten). Upon initial execution, authentication and delivery, the ownership of each such global Bond shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in Section 2.13, all of the Outstanding Bonds shall be registered in the Bond Register kept by the Trustee in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the Depository, to a Substitute Depository or to another nominee of the Depository or of a Substitute Depository. Each global Bond shall bear a legend substantially

to the following effect: “UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AS DEFINED IN THE INDENTURE OF TRUST) TO THE TRUSTEE FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.”

With respect to Bonds registered in the Bond Register in the name of the Nominee, the Issuer and the Trustee shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the Issuer and the Trustee shall have no responsibility or obligation with respect to (a) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Bonds, (b) the delivery to any Participant, Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any redemption notice with respect to the Bonds, including any redemption notice following a failure to purchase the Pass-Through Certificate, (c) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part, or (d) the payment to any Participant, Beneficial Owner or any other person, other than the Depository, of any amount with respect to principal of, premium, if any, or interest on the Bonds. The Issuer and the Trustee may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on such Bond, for the purpose of giving redemption notices pursuant to Section 3.02 and other notices with respect to such Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Trustee shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Bondholders, as shown in the Bond Register kept by the Trustee, or their respective attorneys duly authorized in writing, and all such payments shall be valid hereunder with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Bondholder, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of principal of, premium, if any, and interest pursuant to this Indenture. Upon delivery by the Depository to the Trustee and the Issuer of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Indenture shall refer to such new nominee of the Depository.

The Issuer and the Trustee will recognize the Depository or its nominee as the Bondholder of Book Entry Bonds for all purposes, including receipt of payments, notices and voting, provided the Trustee may recognize votes by or on behalf of Beneficial Owners as if such votes were made by Bondholders of a related portion of the Bonds when such votes are received

in compliance with an omnibus proxy of the Depository or otherwise pursuant to the rules of the Depository or the provisions of the Representation Letter or other comparable evidence delivered to the Trustee by the Bondholders.

SO LONG AS A BOOK ENTRY SYSTEM OF EVIDENCE OF TRANSFER OR OWNERSHIP OF ALL THE BONDS IS MAINTAINED IN ACCORDANCE HEREWITH, THE PROVISIONS OF THIS INDENTURE RELATING TO THE DELIVERY OF PHYSICAL BOND CERTIFICATES SHALL BE DEEMED TO GIVE FULL EFFECT TO SUCH BOOK ENTRY SYSTEM AND ALL DELIVERIES OF ANY SUCH BONDS SHALL BE MADE PURSUANT TO THE DELIVERY ORDER PROCEDURES OF DTC, AS IN EFFECT FROM TIME TO TIME.

Section 2.12. Representation Letter. In order to qualify the Bonds for the Depository's book-entry system, if necessary, any Authorized Officer is hereby authorized to execute, seal, countersign and deliver on behalf of the Issuer to such Depository a letter from the Issuer in substantially the Depository's standard form representing such matters as shall be necessary to so qualify the Bonds (the "Representation Letter"). The Representation Letter includes such letter as it may be amended, supplemented or restated from time to time, or any agreement entered into in substitution therefor. The execution by the Issuer and delivery of the Representation Letter shall not in any way limit the provisions of Section 2.11 or in any other way impose upon the Issuer any obligation whatsoever with respect to persons having beneficial interests in the Bonds other than the registered owners, as shown in the Bond Register kept by the Trustee. In the written acceptance by the Trustee of the Representation Letter, the Trustee shall agree, and hereby agrees, to take all actions necessary for all representations of the Issuer in the Representation Letter with respect to the Trustee to at all times be complied with. In addition to the execution and delivery of the Representation Letter, any Authorized Officer is hereby authorized to take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

The terms and provisions of the Representation Letter shall govern in the event of any inconsistency between the provisions of this Indenture and the Representation Letter. The Representation Letter may be amended without Bondholder consent.

Section 2.13. Transfers Outside Book-Entry System. If at any time the Issuer determines that continuation of the book entry system through DTC (or a successor securities depository) is not in the best interest of the owners of the Bonds, if at any time the Depository notifies the Issuer and the Trustee that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a Substitute Depository is not appointed by the Issuer within 90 days after the Issuer and the Trustee receive notice or become aware of such condition, as the case may be, Section 2.11 shall no longer be applicable and the Issuer shall execute and the Trustee shall authenticate and deliver bonds representing the Bonds as provided below. In addition, the Issuer may determine at any time that the Bonds shall no longer be represented by global bonds and that the provisions of Section 2.11 shall no longer apply to the Bonds. In any such event, the Issuer shall execute and the Trustee shall authenticate and deliver bonds representing the Bonds as provided below. Bonds issued in exchange for global bonds pursuant to this Section shall be

registered in such names and delivered in such authorized denominations as the Depository, pursuant to instructions from the Participants or otherwise, shall instruct the Issuer and the Trustee. The Trustee shall deliver such bonds representing the Bonds to the persons in whose names such Bonds are so registered.

If the Issuer determines to replace the Depository with another qualified securities depository, the Issuer shall prepare or cause to be prepared a new fully-registered global bond for each maturity of the Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the Issuer, the Trustee and such securities depository and not inconsistent with the terms of this Indenture.

Section 2.14. Payments and Notices to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

Section 2.15. Initial Depository and Nominee. The initial Depository under this Indenture shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

Section 2.16. Payment Information. The Trustee shall on the 10th day of each month request information from the Lender as to the payments received from the Borrower on the Mortgage Loan during the prior month. Unless otherwise instructed the request shall be sent to:

Wells Fargo Bank, National Association
2010 Corporate Ridge, Suite 1000
McLean, VA 22102
Attention: Servicing Department
Facsimile: (866) 359-9885

Any information received by the Trustee pursuant to this request shall be transmitted by the Trustee to the Issuer. Failure to provide this information shall not be a default under the Indenture or any other Bond Document.

ARTICLE III REDEMPTION OF BONDS

Section 3.01. Terms of Redemption.

(a) The Bonds shall be subject to redemption prior to the stated maturity thereof only as set forth in this Section.

(b) Mandatory Redemption from Principal Payments or Prepayments. The Bonds are subject to mandatory redemption in the amounts and one Business Day after the dates (i) principal payments are received pursuant to the Pass-Through Certificate at a price equal to 100% of the principal amount received pursuant to the Pass-Through Certificate, plus interest received pursuant to the Pass-Through Certificate, (ii)

prepayments are received with respect to the Pass-Through Certificate, at a price equal to 100% of the principal amount received pursuant to the Pass-Through Certificate, plus interest and premium, if any, received pursuant to the Pass-Through Certificate, or (iii) prior to the Purchase Date, redemption is otherwise required under the provisions of Section 5.13(h) hereof. Notwithstanding Section 3.02, no prior notice shall be a prerequisite to the effectiveness of any redemption under Section 3.01(b)(i) or (b)(ii), which redemption shall occur and be effective irrespective of whether the Trustee fulfills its obligation to provide the notice with respect to Section 3.01(b)(ii) required by Section 3.02.

(c) Mandatory Redemption upon Failure to Purchase the Pass-Through Certificate. The Bonds are subject to mandatory redemption in whole on the Mandatory Redemption Date at a Redemption Price equal to the Original Issue Price plus interest accrued to the Mandatory Redemption Date (as such date may be extended hereunder) upon five Business Days' notice if (i) a Purchase Date has not occurred by the last date on which timely notice of such redemption may be given preceding such Mandatory Redemption Date (as such date may be extended hereunder) and (ii) an Extension Deposit has not been made pursuant to Section 5.13(f), such that the balance in the Collateral Security Fund is equal to the Original Issue Price plus interest accrued on the Bonds to the Mandatory Redemption Date (as such date may be extended hereunder). The notice for any such mandatory redemption may be conditional, to the effect that if a Purchase Date occurs not later than the close of business on the second Business Day preceding such Mandatory Redemption Date (as such date may be extended hereunder), the noticed mandatory redemption shall not occur. In the event that the Pass-Through Certificate has not been purchased by the Trustee ten (10) Business Days prior to any Mandatory Redemption Date, the Trustee shall provide written notice to the Borrower, the Issuer and the Tax Credit Investor of such non-purchase.

Section 3.02. Notice of Redemption.

(a) When the Trustee shall receive notice of a prepayment under Section 3.01(b)(ii), that the Pass-Through Certificate will be prepaid, the Trustee, in accordance with the provisions of this Indenture, shall use its best efforts to give not less than 20 nor more than 30 days' notice, in the name of the Issuer, of the redemption of the Bonds, which notice shall specify the following: (i) the maturity and principal amounts of the Bonds to be redeemed; (ii) the CUSIP number, if any, of the Bonds to be redeemed; (iii) the date of such notice; (iv) the issuance date for such Bonds; (v) the interest rate on the Bonds to be redeemed; (vi) the redemption date; (vii) any conditions to the occurrence of the redemption; (viii) the place or places where amounts due upon such redemption will be payable; (ix) the Redemption Price; (x) the Trustee's name and address with a contact person and a phone number; and (xi) that on the redemption date, the Redemption Price shall be paid. Such notice shall be sent to the holders of the Bonds by first-class mail, postage prepaid, at their respective addresses appearing on the Bond Register. Neither the giving of such notice by the Trustee nor the receipt of such notice by the Bondholders shall be a condition precedent to the effectiveness of any such redemption.

(b) The Bonds to be redeemed pursuant to Section 3.01 will be selected in accordance with the operational arrangements of DTC or any successor Substitute Depository, and any partial redemption pursuant thereto shall be made in accordance with the “Pro Rata Pass-Through Distributions of Principal” procedures of DTC or comparable procedures of any successor Substitute Depository.

Section 3.03. Payment of Redemption Price. With respect to any redemption pursuant to Section 3.01(b) hereof, notice having been given in the manner provided in Section 3.02 hereof (or not required to be given as a result of a redemption pursuant to Section 3.01(b)(i) or (b)(ii)), and all conditions to the redemption contained in such notice, if applicable, having been met, the Bonds so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price specified in Section 3.01(b), and upon presentation and surrender thereof at the offices specified in such notice, together with, in the case of Bonds presented by other than the registered owner, a written instrument of transfer duly executed by the registered owner or its duly authorized attorney; provided, however, that so long as the Bonds are registered in the name of the Depository, payment for such redeemed Bonds shall be made in accordance with the Representation Letter of the Issuer. If, on the redemption date, moneys for the redemption of all the Bond or the Bonds to be redeemed, together with all accrued interest on such Bonds, which shall equal all interest accrued on the Pass-Through Certificate to the redemption date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date, interest on the Bonds so called for redemption shall cease to accrue.

Section 3.04. Cancellation. All Bonds which have been redeemed, paid or retired or received by the Trustee for exchange shall not be reissued but shall be canceled and held by the Trustee in accordance with Section 2.09 hereof.

Section 3.05. Optional Exchange of Bonds for Pass-Through Certificate. A beneficial owner of Bonds may file with the Trustee a written request to exchange Bonds for a like principal amount of the Pass-Through Certificate, provided, that (i) the Pass-Through Certificate will be, when delivered, in an original face amount equal to \$1.00 or a multiple of \$1.00 in excess thereof, and (ii) to the extent the acquisition, development, construction or rehabilitation of the Project is funded in part from the sale of low-income housing tax credits as described in Section 42 of the Code, the Project is complete and placed in service by the Borrower as evidenced by a certificate of occupancy for the Project delivered by the Borrower to the Trustee accompanied by a letter from the Borrower confirming that the Project is placed in service for purposes of Section 42 of the Code. Such written request must be delivered to the Trustee at least five Business Days prior to the exchange date and must be in the form attached hereto as “Exhibit C– FORM OF NOTICE OF REQUEST TO EXCHANGE” or such other form as may be approved by the Trustee (the “Request Notice”). Upon receipt, the Trustee shall immediately notify the Issuer of such Request Notice. The Issuer shall then have the option of either (i) delivering to the beneficial owner of the Bonds their proportional interest in the Pass-Through Certificate based upon their proportional interest in the Bond or (ii) redeeming the beneficial owner’s Bonds for an amount equal to the Cash Value, defined as follows:

Cash Value = original face amount x [MBS Factor] x (1 + Redemption Premium (R) + (Initial Offering Premium (I) x [MBS Factor]))

Where R = 5% if the exchange occurs during the first five years from the Closing Date;

= 4% during the sixth year;

= 3% during the seventh year;

= 2% during the eighth year;

= 1% during the ninth year; and

= 0% thereafter

and I = initial offering price - 100%

Within four (4) Business Days of being notified by the Trustee of the Request Notice, the Issuer shall notify the Trustee of its decision whether to exchange or redeem, and immediately upon receiving the Issuer's decision, the Trustee shall notify such beneficial owner of the Issuer's decision. In the event that the Issuer elects to deliver the owner's proportional interest of the Pass-Through Certificate in lieu of redeeming the Bonds, after validating the exchange request, the Trustee shall transfer and deliver to such requesting owner the Trustee's beneficial ownership interest in the owner's proportional interest of the Pass-Through Certificate promptly following (i) delivery to the Trustee (via DTC withdrawal or Deposit/Withdrawal At Custodian ("DWAC")) of the Bonds being exchanged and (ii) payment by the requesting owner of the Trustee's exchange fee (\$1,000 as of the date of this Indenture) and the Issuer's exchange fee of \$_____ with respect to such Bonds. Such Pass-Through Certificate will be in book-entry form. Transfers of the applicable proportional interest of the Pass-Through Certificate will be made in accordance with current market practices, including the applicable provisions of the SIFMA's *Uniform Practices for the Clearance and Settlement of Mortgage Backed Security and Other Related Securities*. Upon receipt of such Bonds from the requesting beneficial owner, the Trustee will promptly cancel the Bonds being exchanged, which will not be reissued. Pass-Through Certificate delivered in such an exchange will not be exchangeable for Bonds.

Moneys in the Rehabilitation Account shall be held by the Trustee under said Account for reasons of convenience and tax accounting only. Such balance shall, pending disbursement to the Borrower at the written direction of the Lender, pursuant to the terms of the Rehabilitation Agreement, be pledged by the Borrower to the Lender until the Purchase Date, and thereafter to Fannie Mae. The moneys held by the Trustee shall constitute trust funds for the purposes hereof, which moneys shall be managed, invested, disbursed and administered as provided in this Indenture and the Tax Exemption Agreement. Any moneys attributable to each of the Funds hereunder shall be invested by the Trustee at the written direction of the Borrower in Permitted Investments which mature or are redeemable at par on the date on which such funds are expected to be needed for the purposes for which they are held, subject in all cases to the restrictions of the Tax Exemption Agreement. Notwithstanding anything herein to the contrary, (i) prior to the Purchase Date, all amounts in the Bond Fund shall be invested in Permitted Investments, (ii) all amounts in the Proceeds Fund shall be held uninvested, (iii) all amounts in the Collateral Security Fund shall be invested solely in Permitted Investments, and (iv) following the Purchase Date, amounts in the Bond Fund shall be held uninvested. If the Trustee does not receive written direction from the Borrower regarding the investment of funds, the Trustee shall invest solely in Permitted Investments. The Trustee may make any and all such investments through its own banking department or the banking department of any affiliate. Notwithstanding any provision of this Indenture to the contrary, at no time shall the Borrower direct that any funds constituting Gross Proceeds of the

Bonds (as defined in the Tax Exemption Agreement) be used in any manner as would constitute failure of compliance with Section 148 of the Code.

Permitted Investments representing an investment of moneys attributable to any Fund shall be deemed at all times to be a part of such Fund. Such investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary to do so in order to provide moneys to make any transfer, withdrawal, payment or disbursement from such Fund. In the case of any required transfer of moneys to another such Fund, such investments may be transferred to that Fund in lieu of the required moneys if permitted hereby as an investment of moneys in that Fund.

All Permitted Investments acquired by the Trustee pursuant hereto shall be purchased in the name of the Trustee and shall be held for the benefit of the holders of the Bonds pursuant to the terms of this Indenture. The Trustee shall take such actions as shall be necessary to assure that such Permitted Investments are held pursuant to the terms of this Indenture and are subject to the trust and security interest herein created.

The Trustee shall not be liable or responsible for any loss resulting from any investment made in accordance herewith. The Trustee or its affiliates may act as sponsor, principal or agent in the acquisition or disposition of investments. The Trustee may commingle investments made under the Funds and Accounts established hereunder, but shall account for each separately.

In computing for any purpose hereunder the amount in any Fund on any date, obligations so purchased shall be valued at the lower of cost or par exclusive of accrued interest, and may be so valued as of any time within four days prior to such date.

The Issuer acknowledges that regulations of the Comptroller of the Currency grant the Borrower the right to receive brokerage confirmations of the security transactions as they occur. The Borrower specifically waives such notification to the extent permitted by law and will receive periodic cash transaction statements that will detail all investment transactions.

Section 5.07. Moneys Held for Particular Bonds. The amounts held by the Trustee for the payment of the interest, principal or premium, if any, due on any date with respect to particular Bonds shall, pending such payment, be set aside and held in trust by it for the holders of the Bonds entitled thereto, and for the purposes hereof such interest, principal or premium, if any, after the due date thereof, shall no longer be considered to be unpaid.

Section 5.08. Funds Held in Trust. All moneys held by the Trustee, as such, at any time pursuant to the terms of this Indenture shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions of this Indenture and the Tax Exemption Agreement.

Section 5.09. Accounting Records. The Trustee shall maintain accurate books and records for all Funds and Accounts established hereunder. Pursuant to the Tax Exemption Agreement, the Trustee shall cause to be kept and maintained adequate records pertaining to the investment of all proceeds of the Bonds sufficient to permit the Borrower, on behalf of the Issuer, to determine the Rebate Amount (as defined in the Tax Exemption Agreement), if any, with respect to the Bonds required to be paid to the United States of America pursuant to Section 148 of the Code. The Trustee shall have no responsibility to make such determination.

Section 5.10. Amounts Remaining in Funds. After full payment of the Bonds (or provision for payment thereof having been made in accordance with Section 7.01) and full payment of the fees and expenses of the Trustee and other amounts required to be paid hereunder and under the Financing Agreement including fees payable to the Issuer and Fannie Mae, any amounts remaining in any Fund hereunder other than the Rebate Fund shall be paid to the Lender for the payment of any amounts due and payable to the Lender and/or Fannie Mae and thereafter, to the Borrower; provided, however, that if a default shall have occurred and remain uncured under the Mortgage Loan of which the Trustee shall have received written notice from Fannie Mae or the Lender, then any such amounts remaining in any Fund or Account hereunder shall be paid to Fannie Mae.

Section 5.11. Rebate Fund. The Rebate Fund is for the sole benefit of the United States of America and shall not be subject to the claim of any other person, including without limitation, the Issuer. The Rebate Fund is established for the purpose of complying with Section 148 of the Code. The money deposited in the Rebate Fund, together with all investments thereof and income from investments therefrom, is held in trust and applied solely as provided in the Tax Exemption Agreement. Moneys and securities held by the Trustee in the Rebate Fund are not pledged or otherwise subject to any security interest in favor of the Trustee to secure the Bonds or any other payments required to be made hereunder or any other document executed and delivered in connection with the issuance of the Bonds. The Trustee will make deposits to and disbursements from the Rebate Fund, as well as investments of the amounts therein, in accordance with the written directions received from the Borrower, all in accordance with the provisions of the Tax Exemption Agreement. Notwithstanding the foregoing, the Trustee with respect to the Rebate Fund is afforded all the rights, protections and immunities otherwise accorded to it hereunder.

Section 5.12. Costs of Issuance Fund. On or before the Closing Date, the Borrower shall deliver to the Trustee for deposit in the Costs of Issuance Fund, amounts to pay Costs of Issuance from amounts other than Bond proceeds. The Trustee shall use amounts in the Costs of Issuance Fund to pay the Costs of Issuance on the Closing Date or as soon as practicable thereafter in accordance with written instructions to be given to the Trustee by the Issuer, upon delivery to the Trustee of appropriate invoices for such expenses. Any unexpended amounts attributable to deposits made by the Borrower remaining on deposit in the Costs of Issuance Fund three months after the Closing Date shall be returned to the Borrower.

Section 5.13. Collateral Security Fund. (a) There shall be established within the Collateral Security Fund two Accounts: (i) a Collateral Security Principal Account, and (ii) a Collateral Security Interest Account.

(b) On the Closing Date, (i) the payment received by the Trustee from the Lender for the Assigned Loan in an amount equal to the principal amount of the Bonds shall be deposited to the Collateral Security Principal Account, (ii) accrued interest on the Bonds shall be deposited to the Collateral Security Interest Account, and (iii) Bond proceeds in an amount equal to the interest on the Bonds for the remainder of the month of August 2018 from the Closing Date shall also be deposited to the Collateral Security Interest Account, and an amount equal to 56 days of interest on the Bonds (e.g., to cover the period from _____ 1, 2018 to but not including _____, 2018) shall also

be deposited to the Collateral Security Interest Account (for a total deposit to the Collateral Security Interest Account equal to 71 days' interest on the Bonds).

(c) Moneys on deposit in the Collateral Security Fund (derived from the amount on deposit in the Collateral Security Principal Account and an amount on deposit in the Collateral Security Interest Account equal to the accrued interest on the Pass-Through Certificate) shall be applied by the Trustee to purchase the Pass-Through Certificate on the Purchase Date.

(d) If the Purchase Date occurs in the same month as the Closing Date (i.e., August 2018), or in a subsequent month following the Payment Date for such month, then following the Purchase Date the Trustee shall, in the case of Bond proceeds, transfer the remaining balance in the Collateral Security Interest Account to the Rehabilitation Account of the Proceeds Fund, or otherwise disburse such funds to the Borrower (after application of moneys therein to pay the accrued interest on the Pass-Through Certificate).

(e) If the Purchase Date occurs in a month following the Closing Date (e.g., September 2018) and on or prior to the Payment Date for such month, then the Trustee shall retain the amount on deposit in the Collateral Security Interest Account and apply moneys from such Account to pay the interest on the Bonds on the next Payment Date. So long as payment has already been made or provided for with respect to the Payment Date in the month in which the Purchase Date occurs, any balance in the Collateral Security Interest Account following such Payment Date shall be, in the case of Bond proceeds, transferred to the Rehabilitation Account of the Proceeds Fund, or otherwise disbursed to the Borrower (after application of moneys therein to pay the accrued interest on the Pass-Through Certificate).

(f) The Borrower or the Tax Credit Investor may at any time (not later than the last day for which notice of redemption must be given pursuant to Section 3.01(c)) extend the Mandatory Redemption Date by depositing Preference Proof Moneys to the credit of the Collateral Security Interest Account in an amount sufficient to pay the interest on the Bonds from the last Payment Date to the extended Mandatory Redemption Date (an "Extension Deposit").

(g) Extension Deposits shall continue to be made by the Borrower or the Tax Credit Investor until the Purchase Date occurs or the Borrower or the Tax Credit Investor declines to make an Extension Deposit resulting in the mandatory prepayment of the Bonds pursuant to Section 3.01(c) hereof.

(h) If a Purchase Date has not yet occurred and the Borrower or the Tax Credit Investor has deferred the Mandatory Redemption Date by making an Extension Deposit, the Trustee shall apply amounts on deposit in the Collateral Security Interest Account to pay the preceding month's accrual of interest on the Bonds on the next Payment Date. Whether or not the Purchase Date has been extended, on any Payment Date, the Trustee shall also apply amounts on deposit in the Collateral Security Principal Account equal to the amount set forth in the Mortgage Loan amortization schedule on the

first day of the month in which such Payment Date occurs as included in the Term Sheet to redeem principal of the Bonds on such Payment Date; such redemption shall be in an amount equal to the preceding month's principal amortization on the Mortgage Loan as set forth in the Mortgage Loan amortization schedule included in the Term Sheet.

(i) After the Purchase Date, the Trustee shall remit to the Borrower any moneys on deposit in the Bond Fund deriving from the Mortgage Loan that are not needed to pay debt service on or the Redemption Price of the Bonds due to the operation of the Collateral Security Interest Account.

(j) Moneys on deposit in the Collateral Security Fund shall be uninvested or invested as provided for in Section 5.06 of this Indenture and Paragraph 15(c) of the Tax Exemption Agreement.

Section 5.14. Reports From the Trustee. The Trustee shall furnish to the Borrower (and to Fannie Mae and the Lender upon written request) quarterly and to the Issuer monthly statements of the activity and assets held in each of the Funds and Accounts maintained by the Trustee hereunder.

ARTICLE VI COVENANTS OF ISSUER

Section 6.01. Payment of Bonds. Subject to the other provisions of this Indenture, the Issuer shall duly and punctually pay or cause to be paid from the Revenues the principal of, premium, if any, and interest on the Bonds, at the dates and places and in the manner described in the Bonds, according to the true intent and meaning thereof solely from amounts available in the Trust Estate. The Bonds are not a general obligation of the Issuer, but are payable solely from the Trust Estate.

The payment and other obligations of the Issuer with respect to the Bonds are intended to be, and shall be, independent of the payment and other obligations of the issuer or maker of the Mortgage Note and the Pass-Through Certificate, even though the principal amount of all three instruments is expected to be identical, except in the case of a default with respect to one or more of the instruments.

Section 6.02. Performance of Covenants by Issuer.

(a) ***In General.*** The Issuer covenants that it will faithfully perform on its part at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all of its proceedings pertaining thereto; provided, however, that, except for the matters set forth in Section 6.01 hereof relating to payment of the Bonds, the Issuer will not be obligated to take any action or execute any instrument pursuant to any provision hereof until it has been requested to do so by the Borrower or by the Trustee, or has received the instrument to be executed and, at the option of the Issuer, has received from the party requesting such execution assurance satisfactory to the Issuer that the Issuer will be reimbursed for its reasonable expenses incurred or to be incurred in connection with taking such action or executing such instrument. The Issuer covenants that it is duly

authorized under the Constitution and the laws of the State, including particularly the Act and the Bond Resolution, to issue the Bonds authorized hereby and to execute this Indenture, to grant the security interest herein provided, to assign and pledge the Trust Estate (except as otherwise provided herein) and to assign and pledge the amounts hereby assigned and pledged in the manner and to the extent herein set forth, that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken and that the Bonds in the hands of the owners thereof are and will be valid and enforceable special, limited obligations of the Issuer according to the terms thereof and hereof. Anything contained in this Indenture to the contrary notwithstanding, it is hereby understood that none of the covenants of the Issuer contained in this Indenture are intended to create a general or primary obligation of the Issuer.

(b) ***Rights Under Financing Agreement.*** The Financing Agreement sets forth covenants and obligations of the Issuer and the Borrower, and reference is hereby made to the same for a detailed statement of said covenants and obligations. The Issuer agrees to cooperate in the enforcement of all covenants and obligations of the Borrower under the Financing Agreement and agrees that the Trustee, in its name, may enforce all rights of the Issuer (other than the Reserved Rights) and all obligations of the Borrower under and pursuant to the Financing Agreement and on behalf of the holders, whether or not the Issuer has undertaken to enforce such rights and obligations.

(c) ***Issuer's Further Assurance.*** The Issuer covenants that it will do, execute, acknowledge, and deliver or cause to be done, executed, acknowledged, and delivered by the parties within its control, such instruments supplemental hereto and such further acts, instruments, and transfers as the Trustee may reasonably require for the better assuring, transferring, mortgaging, conveying, pledging, assigning, and confirming unto the Trustee, the Issuer's interest in and to all interests, revenues, proceeds, and receipts pledged hereby to the payment of the principal of, premium, if any, and interest on the Bonds in the manner and to the extent contemplated herein. The Issuer shall be under no obligation to prepare, record, or file any such instruments or transfers.

(d) ***Unrelated Bond Issues.*** The Issuer, prior to the issuance of the Bonds, has issued, and subsequent to the issuance of the Bonds, the Issuer expects to issue various series of bonds in connection with the financing of other projects (said bonds together with any bonds issued by the Issuer between the date hereof and issuance of the Bonds shall be referred to herein as the "Other Bonds"). Any pledge, mortgage, or assignment made in connection with any Other Bonds shall be protected, and any funds pledged or assigned for the payment of principal, premium, if any, or interest on the Other Bonds shall not be used for the payment of principal, premium, if any, or interest on the Bonds. Correspondingly, any pledge, mortgage, or assignment made in connection with the Bonds shall be protected, and any funds pledged or assigned for the payment of the Bonds shall not be used for the payment of principal, premium, if any, or interest on the Other Bonds.

Section 6.03. **Tax Covenants.** The Issuer represents, covenants and agrees that:

(a) the Issuer will comply with all applicable requirements of the Code that are necessary to preserve the Federal Tax Status of the Bonds, as further set forth in the Tax Exemption Agreement; and

(b) the Issuer will not take any action inconsistent with its expectations stated in the Tax Exemption Agreement and will comply with the covenants and requirements stated therein and incorporated by reference herein.

Section 6.04. Compliance with Conditions Precedent. Upon the Closing Date, all conditions, acts and things required by law regarding the Issuer to exist, to have happened or to have been performed precedent to or in the issuance of such Bonds shall exist, shall have happened and shall have been performed, and such Bonds, together with all other indebtedness of the Issuer, shall be within every debt and other limit prescribed by law.

Section 6.05. Extension of Payment of Bonds. The Issuer shall not directly or indirectly extend or assent to the extension of the maturity of the principal due on any of the Bonds or the time of payment of interest due on the Bonds, and if the time for payment of any such claims for interest shall be extended through any other means, such Bonds or claims for interest shall not be entitled in case of any default hereunder to any payment out of the Trust Estate or the funds (except funds held in trust for the payment of particular Bonds pursuant hereto) held by the Trustee, except subject to the provisions of Section 7.02 and subject to the prior payment of the principal of all Bonds issued and Outstanding the maturity of which has occurred and has not been extended and of such portion of the accrued interest on the Bonds which is not represented by such extended claims for interest.

Section 6.06. Further Assurances. At any time and at all times the Issuer shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances and enter into such further agreements as may be necessary or desirable for the better assuring, conveying, granting, assigning or confirming all and singular the rights in, pledge and grant of a security interest in the Trust Estate hereby pledged or assigned in trust, or intended so to be, or which the Issuer may hereafter become bound to pledge or assign in trust.

Section 6.07. Powers as to Bonds and Pledge. The Issuer is duly authorized pursuant to law to authorize and issue the Bonds, to enter into this Indenture and to pledge, assign, transfer and set over unto the Trustee in trust the Trust Estate herein purported to be so pledged, assigned, transferred and set over unto the Trustee in trust hereby in the manner and to the extent provided herein. The Trust Estate so pledged, assigned, transferred and set over in trust is and will be free and clear of any pledge, lien, charge or encumbrance thereon with respect thereto prior to, or of equal rank with, the pledge and assignment in trust created hereby, and all action on the part of the Issuer to that end has been duly and validly taken. The Bonds and the provisions hereof are and will be the valid and binding limited obligations of the Issuer in accordance with their terms and the terms hereof. The Bonds shall not be deemed to constitute a debt or liability of the State or any political subdivision thereof, other than the Issuer to the limited extent herein provided, or a pledge of the faith and credit or the taxing power of the State or of any such political subdivision, but shall be payable solely from funds provided therefor pursuant hereto. The Issuer has no taxing power.

Section 6.08. Preservation of Revenues; Amendment of Agreements. The Issuer shall not take any action to interfere with or impair the pledge and assignment hereunder of the Trust Estate, or the Trustee's enforcement of any rights hereunder or under the Financing Agreement or the Regulatory Agreement without the prior written consent of the Trustee. The Trustee may give such written consent, and may itself take any such action or consent to an amendment or modification to the Financing Agreement, the Regulatory Agreement or the Pass-Through Certificate, only with the written consent of Fannie Mae and following receipt by the Trustee of written confirmation from the Rating Agency that the taking of such action or the execution and delivery of such amendment or modification will not adversely affect the rating then assigned to the Bonds by the Rating Agency, and if the Trustee shall have received a Favorable Opinion of Bond Counsel. Notwithstanding the foregoing, Fannie Mae and the Borrower may amend the Mortgage Note and the Mortgage without the consent of the Issuer, the Trustee or the holders of the Bonds so long as any such amendment does not reduce or modify the payments due under the Pass-Through Certificate.

Section 6.09. Assignment. Any assignment of the Issuer's rights in favor of the Trustee shall not include Reserved Rights.

Section 6.10. Request and Indemnification. Where the consent of or other action on the part of the Issuer is required in this or any other document, the Issuer shall have no obligation to act unless first requested to do so, and the Issuer shall have no obligation to expend time or money or to otherwise incur any liability unless indemnity satisfactory to the Issuer has been furnished to it.

Section 6.11. Limitations on Liability. Notwithstanding anything in this Indenture or in the Bonds, the Issuer shall not be required to advance any money derived from any source other than the Revenues and other assets pledged under this Indenture for any of the purposes of this Indenture.

No agreements or provisions contained in this Indenture, nor any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds shall give rise to any pecuniary liability of the Issuer or a charge against its general credit, or shall obligate the Issuer financially in any way except from the application of Revenues or proceeds pledged to the payment of the Bonds and the proceeds of the Bonds. No failure of the Issuer to comply with any term, condition, covenant or agreement herein or in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds shall subject the Issuer to liability for any claim for damages, costs or other financial and pecuniary charge except to the extent that the same can be paid or recovered from the Financing Agreement or the Revenues or other assets pledged to the payment of the Bonds or the proceeds of the Bonds.

ARTICLE VII DISCHARGE OF INDENTURE

Section 7.01. Defeasance. (a) If all Bonds shall be paid and discharged as provided in this Section, then all obligations of the Trustee and the Issuer under this Indenture with respect to all Bonds shall cease and terminate, except only (i) the obligation of the Trustee to pay or

cause to be paid to the owners thereof all sums due with respect to the Bonds and to register, transfer and exchange Bonds pursuant to Section 2.08, (ii) the obligation of the Issuer to pay the amounts owing to the Trustee under Section 9.02 from the Trust Estate, and (iii) the obligation of the Issuer to comply with Section 6.03 hereof and Paragraph 14 of the Tax Exemption Agreement. Any funds held by the Trustee at the time of such termination which are not required for payment to Bondholders or for payment to be made by the Issuer, shall be paid as provided in Section 5.10.

Any Bond or portion thereof in an authorized denomination shall be deemed no longer Outstanding under this Indenture if paid or discharged in any one or more of the following ways:

(i) by well and truly paying or causing to be paid the principal of and interest on such Bond which have become due and payable; or

(ii) by depositing with the Trustee, in trust, cash which, together with the amounts then on deposit in the Bond Fund and dedicated to this purpose, is fully sufficient to pay when due all principal of, and premium, if any, and interest on such Bond to the maturity or earlier redemption date thereof; or

(iii) by depositing with the Trustee, in trust, any investments listed in subparagraph (a) under the definition of Permitted Investments in Section 1.01 in such amount as in the written opinion of a certified public accountant will, together with the interest to accrue on such Permitted Investments without the need for reinvestment, be fully sufficient to pay when due all principal of, and premium, if any, and interest on such Bond to the maturity or earlier redemption date thereof, notwithstanding that such Bond shall not have been surrendered for payment.

(b) Notwithstanding the foregoing, no deposit under clauses (ii) and (iii) of subsection (a) above shall be deemed a payment of such Bond until the earlier to occur of:

(i) if such Bond is by its terms subject to redemption within 45 days, proper notice of redemption of such Bond shall have been previously given in accordance with Section 3.02 to the holder thereof or, in the event such Bond is not by its terms subject to redemption within 45 days of making the deposit under clauses (ii) and (iii) of subsection (a) above, the Issuer shall have given the Trustee irrevocable written instructions to mail by first-class mail, postage prepaid, notice to the holder of such Bond as soon as practicable stating that the deposit required by clauses (ii) or (iii) of subsection (a) above, as applicable, has been made with the Trustee and that such Bond is deemed to have been paid and further stating such redemption date or dates upon which money will be available for the payment of the principal and accrued interest thereon; or

(ii) the maturity of such Bond.

(c) The Trustee shall be entitled to receive a report from a nationally recognized accounting firm to provide for the payment of all Bonds to be defeased pursuant to this Section.

Section 7.02. Unclaimed Moneys. Anything herein to the contrary notwithstanding, and subject to applicable escheatment laws of the State, any moneys held by the Trustee in trust for the payment and discharge of any of the Bonds which remain unclaimed for two years after the date when such Bonds have become due and payable, either at maturity or by call for redemption, if such moneys are held by the Trustee at said date, or for two years after the date of deposit of such moneys if deposited with the Trustee after the date when such Bonds became due and payable, shall be paid by the Trustee to the Issuer as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the holders of such Bonds shall look only to the Issuer for the payment thereof; provided, however, that before being required to make any such payment to the Issuer, the Trustee shall cause to be mailed to the holders of such Bonds, at their addresses shown on the Bond Register, notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 nor more than 60 days after the date of mailing such notice, the balance of such moneys then unclaimed will be paid to the Issuer; and provided further, that the provisions of this Section shall not apply to the extent disposition of any moneys so held by the Trustee shall be governed by any laws applicable to the Trustee or the Issuer dealing with the disposition of such unclaimed property.

Section 7.03. No Release of Pass-Through Certificate. Except as provided in this Section and in Section 7.04, the Trustee shall not release and discharge the Pass-Through Certificate from the lien of this Indenture until the principal of, premium, if any, and interest on the Bonds shall have been paid or duly provided for under this Indenture. The Trustee shall not release or assign the Pass-Through Certificate to any person other than a successor Trustee so long as Fannie Mae shall not be in default thereunder.

Section 7.04. Transfer of Pass-Through Certificate. The Trustee shall maintain the Pass-Through Certificate in book entry form in the name of the Trustee and may not sell, assign, transfer or otherwise dispose of the Pass-Through Certificate except as provided in Section 7.03.

Section 7.05. Issuance of Additional Obligations. The Issuer shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness secured by a charge and lien on the Pass-Through Certificate Revenues or other moneys, securities, funds and property pledged by this Indenture, other than the Bonds authorized under Section 2.01 hereof.

Section 7.06. Modification of Mortgage Terms. To the extent allowed by applicable State law, the Issuer shall consent to the modification of, or modify, the amount of time or payment of any installment of principal or interest on any Mortgage Loan or the security for or any terms or provisions of any Mortgage Loan or Mortgage or the security for the same or the rate or rates of interest on the Mortgage Loans, solely to the extent required by federal or State law or regulations.

ARTICLE VIII
DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND BONDHOLDERS

Section 8.01. Events of Default. Each of the following shall constitute an Event of Default under this Indenture:

(a) Failure by Fannie Mae to pay principal, interest or premium, if any, due under the Pass-Through Certificate;

(b) Failure to pay the principal, interest or premium, if any, on the Bonds when the same shall become due; or

(c) Default in the observance or performance of any other covenant, agreement or condition on the part of the Issuer in this Indenture or the Tax Exemption Agreement and the continuation of such default for a period of 90 days after written notice to the Issuer from the Trustee or the registered owners of at least 75% in aggregate principal amount of the Bonds Outstanding at such time specifying such default and requiring the same to be remedied.

The Trustee, upon any failure by Fannie Mae to distribute to the Trustee any payment required to be made under the terms of the Pass-Through Certificate, shall notify Fannie Mae not later than the next Business Day (all such notices to be promptly confirmed in writing) requiring the failure to be remedied.

The Trustee will immediately notify the Issuer, the Bondholders, the Lender and Fannie Mae after a Responsible Officer obtains knowledge or receives notice of the occurrence of an Event of Default or an event which would become an Event of Default with the passage of time or the giving of notice, or both.

Section 8.02. Acceleration; Rescission of Acceleration. Upon the occurrence of an Event of Default under Section 8.01(a), the Trustee may, and upon the written request of the holders of not less than 75% in aggregate principal amount of the Bonds then Outstanding, which written request shall acknowledge that the amounts due on the Pass-Through Certificate cannot be accelerated solely by virtue of acceleration of the Bonds, and upon receipt of indemnity satisfactory to it, shall, by notice in writing delivered to the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable. Subject to Section 8.13, upon the occurrence of an Event of Default under Section 8.01(b) no action shall be taken by the Trustee, unless an Event of Default has occurred pursuant to Section 8.01(a) in which event the Trustee shall proceed as provided above. An Event of Default under Section 8.01(c) hereof shall not give rise to an acceleration pursuant to this Section, provided, however, that following such an Event of Default, the holder of 100% of the Bonds then Outstanding may direct the Trustee in writing to transfer the Pass-Through Certificate to it or its designee, in which case, the Trustee shall cancel the Bonds upon such release and transfer of the Pass-Through Certificate, and upon such transfer, the Bonds will no longer be Outstanding. In the event any payments are received by the Trustee after the transfer of the Pass-Through Certificate

and cancellation of the Bonds, all such payments shall belong to and be transferred to the owner of the Pass-Through Certificate.

The acceleration of the Bonds will not constitute a default under, or by itself cause the acceleration of, the Pass-Through Certificate.

If at any time after the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Issuer, the Borrower or Fannie Mae, as applicable, shall pay to or deposit with the Trustee a sum sufficient to pay all principal of the Bonds then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) on all the Bonds then due with interest at the rate borne by the Bonds on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable expenses of the Trustee shall have been made good or cured or adequate provisions shall have been made therefor, and all other defaults hereunder have been made good or cured or waived in writing by the holders of a majority in principal amount of the Bonds then Outstanding, then and in every case, the Trustee on behalf of the holders of all the Bonds shall rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent Event of Default, nor shall it impair or exhaust any right or power consequent thereon.

Section 8.03. Other Remedies; Rights of Bondholders. Subject to Section 8.13, upon the happening and continuance of an Event of Default the Trustee in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the holders of all Bonds, may also proceed to protect and enforce any rights of the Trustee and, to the full extent that the holders of such Bonds themselves might do, the rights of such Bondholders under the laws of the State or under this Indenture by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights:

(a) By pursuing any available remedies under the Financing Agreement, the Regulatory Agreement or the Pass-Through Certificate, and prior to the Purchase Date, the Mortgage;

(b) Upon an Event of Default under 8.01(a) only, by realizing or causing to be realized through sale or otherwise upon the security pledged hereunder (including the sale or disposition of the Pass-Through Certificate); and

(c) By action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the Bonds and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

If an Event of Default shall have occurred, and if requested by the holders of not less than 75% in aggregate principal amount of the Bonds then Outstanding, and upon being indemnified to its satisfaction, the Trustee shall be obligated to exercise one or more of the rights and powers

conferred by this Article as the Trustee, being advised by counsel, shall deem to be in the best interests of the Bondholders subject to the limitations set forth above and in this Indenture.

No right or remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right and remedy shall be cumulative and shall be in addition to any other right or remedy given to the Trustee or to the Bondholders hereunder or under the Financing Agreement, the Regulatory Agreement or the Pass-Through Certificate or now or hereafter existing at law or in equity.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein and every such right and power may be exercised from time to time as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Section 8.04. Representation of Bondholders by Trustee. The Trustee is hereby irrevocably appointed (and the Bondholders, by accepting and holding their Bonds, shall be conclusively deemed to have so appointed the Trustee and to have mutually covenanted and agreed, each with the other, not to revoke such appointment) the true and lawful attorney in fact of the Bondholders with power and authority, in addition to any other powers and rights heretofore granted the Trustee, at any time in its discretion to make and file, in any proceeding in bankruptcy or judicial proceedings for reorganization or liquidation of the affairs of the Issuer, either in the respective names of the Bondholders or on behalf of all the Bondholders as a class, any proof of debt, amendment of proof of debt, petition or other document, to receive payment of any sums becoming distributable to the Bondholders, and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

In the enforcement of any rights and remedies hereunder, the Trustee in its own name and as trustee of an express trust on behalf of and for the benefit of the holders of all Bonds, shall be entitled to sue for, enforce payment on and receive any and all amounts then or during any Event of Default becoming, and at any time remaining, due from the Issuer for principal, premium, if any, interest or other moneys, under any provision hereof or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders.

Section 8.05. Action by Trustee. All rights of action hereunder or upon any of the Bonds enforceable by the Trustee may be enforced by the Trustee without the possession of any of the Bonds, or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Trustee may be brought in its name for the ratable benefit of the holders of such Bonds subject to the provisions hereof.

In any action, suit or other proceeding by the Trustee, the Trustee shall be paid fees, counsel fees and expenses in accordance with Section 9.02.

Section 8.06. Accounting and Examination of Records After Default. The Issuer covenants with the Trustee and the Bondholders that, if an Event of Default shall have happened and shall not have been remedied, the books of record and account of the Issuer relating to the Bonds and the Project shall at all times during normal business hours be subject to the inspection and use of the Trustee and of its agents and attorneys.

Section 8.07. Restriction on Bondholder Action. No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any provision hereof or for the execution of any trust hereunder or for any other remedy hereunder, unless (a)(i) such holder previously shall have given to the Issuer and the Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and (ii) after the occurrence of such Event of Default, a written request shall have been made of the Trustee to institute such suit, action or proceeding by the holders of not less than 75% in aggregate principal amount of the Bonds then Outstanding and there shall have been offered to the Trustee security and indemnity satisfactory to it against the costs and liabilities to be incurred therein or thereby, and (iii) the Trustee shall have been enjoined or restrained from complying or shall have refused or neglected or otherwise failed to comply with such request within a reasonable time; or (b)(i) such holder previously shall have obtained the written consent of the Trustee to the institution of such suit, action or proceeding, and (ii) such suit, action or proceeding is brought for the ratable benefit of the holders of all Bonds subject to the provisions hereof.

Nothing in this Article contained shall affect or impair the right of any Bondholder to enforce the payment of the principal of, premium, if any, and interest on his or her Bonds or the obligation of the Issuer to pay the principal of, premium, if any, and interest on each Bond to the holder thereof, at the time and place and from the source expressed in such Bonds and pursuant to the terms of the Bonds and this Indenture.

No holder of any Bond shall have any right in any manner whatever by his or her action to affect, disturb or prejudice the pledge of Revenues or of any other moneys, funds or securities hereunder, or, except in the manner and on the conditions in this Section provided, to enforce any right or duty hereunder.

Section 8.08. Application of Moneys After Default. All moneys collected by the Trustee at any time pursuant to this Article shall, except to the extent, if any, otherwise directed by a court of competent jurisdiction, be credited by the Trustee to the Bond Fund. Such moneys so credited to the Bond Fund and all other moneys from time to time credited to the Bond Fund shall at all times be held, transferred, withdrawn and applied as prescribed by the provisions of Article V and this Section.

Subject in all instances to the provisions of Section 8.11, in the event that at any time the moneys credited to the Bond Fund, or any other funds held by the Issuer or the Trustee available for the payment of interest or principal then due with respect to the Bonds, shall be insufficient

for such payment, such moneys and funds (other than funds held for the payment or redemption of particular Bonds as provided in Section 5.07) shall be applied as follows:

(a) Only in the event that there has been an Event of Default hereunder pursuant to Section 8.01(a) as a result of a failure by Fannie Mae to make payments under the Pass-Through Certificate, for payment of all amounts due to the Trustee incurred in performance of its duties under this Indenture and the other documents executed in connection therewith, including, without limitation, the payment of all reasonable fees and expenses of the Trustee incurred in exercising any remedies under this Indenture and the other documents executed in connection herewith;

(b) Unless the principal of all of the Bonds shall have become or have been declared due and payable:

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available is not sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on any Bonds which shall have become due, whether at maturity or by call for redemption, in the order in which they became due and payable, and, if the amount available is not sufficient to pay in full all the principal of and premium, if any, on the Bonds so due on any date, then to the payment of principal ratably, according to the amounts due on such date, to the persons entitled thereto, without any discrimination or preference and then to the payment of any premium due on the Bonds, ratably, according to the amounts due on such date, to the persons entitled thereto, without any discrimination or preference; and

(c) If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal of, premium, if any, and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

Section 8.09. Control of Proceedings. In the case of an Event of Default pursuant to Section 8.01(a), the holders of 75% in aggregate principal amount of the Bonds then Outstanding shall have the right, subject to the provisions of Section 8.07, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee; provided, however, that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action or proceeding so

directed may not be taken lawfully, or if the Trustee in good faith shall determine that the action or proceeding so directed would involve the Trustee in personal liability or otherwise adversely affect the Trustee or be unjustly prejudicial to Bondholders not parties to such direction.

Section 8.10. Waivers of Events of Default. The Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of, premium, if any, and interest on the Bonds upon the written request of the holders of a majority in aggregate principal amount of all Bonds then Outstanding with respect to which there is an Event of Default; provided, however, that there shall not be waived (a) any default in the payment of the principal amount of any Bonds at the date of maturity specified therein or upon proceedings for mandatory redemption, or (b) any default in the payment when due of the interest or premium, if any, on any such Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such Event of Default shall have occurred on overdue installments of interest or all arrears of payments of principal or premium, if any, when due (whether at the stated maturity thereof or upon proceedings for mandatory redemption) as the case may be, and all expenses of the Trustee in connection with such monetary default, shall have been paid or provided for, and in case of any such waiver or rescission, the Issuer, the Borrower, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder respectively.

No such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto; and no delay or omission of the Trustee or of any Bondholders to exercise any right or power accruing upon any Event of Default shall impair any right or power or shall be construed to be a waiver of any such Event of Default, or acquiescence therein.

Section 8.11. Subordination. No claim for interest on any of the Bonds which claim in any way at or after maturity shall have been transferred or pledged by the holder thereof separate and apart from the Bond to which it relates, unless accompanied by such Bond, shall be entitled in case of an Event of Default hereunder to any benefit by or from this Indenture except after the prior payment in full of the principal of and premium, if any, on all of the Bonds then due and of all claims for interest then due not so transferred or pledged.

Section 8.12. Termination of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason or determined adversely to the Trustee, then in every such case the Issuer, the Borrower, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 8.13. No Interference or Impairment of Pass-Through Certificate. Notwithstanding any other provision of this Indenture to the contrary, so long as the Pass-Through Certificate remains outstanding and Fannie Mae is not in default in its payment obligations thereunder, neither the Issuer, the Trustee nor any person under their control shall, without the prior written consent of Fannie Mae, exercise any remedies or direct any proceedings under the Indenture other than to (a) enforce rights under the Pass-Through Certificate, (b) enforce the tax covenants in this Indenture, the Tax Exemption Agreement and the Financing Agreement, or (c) enforce rights of specific performance under the Regulatory Agreement;

provided, however, that any enforcement under (b) or (c) above shall not include seeking monetary damages other than actions for Issuer Fees or the Trustee's fees and expenses.

Nothing contained in this Indenture shall affect or impair the right of any Bondholder to enforce the payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation of the Trustee to pay the principal of, premium, if any, and interest on the Bonds issued hereunder to the respective holders thereof, at the time, in the place, from the sources and in the manner expressed herein and in said Bonds.

ARTICLE IX THE TRUSTEE

Section 9.01. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions and no implied covenants or conditions shall be read into this Indenture against the Trustee:

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a reasonable person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same if appointed with reasonable care, and shall be entitled to advice of counsel concerning all matters of the trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorneys (who may be the attorney or attorneys for the Issuer, the Borrower or Fannie Mae) approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action taken in good faith in reliance upon such opinion or advice.

(c) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the Project or collecting any insurance moneys, or for the registration, filing or recording or re-registration, re-filing or re-recording of this Indenture or the Mortgage or any financing statements relating hereto or thereto or for the validity of the execution by the Issuer of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the Project or otherwise as to the maintenance of the security hereof. The Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the

Issuer or on the part of the Borrower under the Financing Agreement, except as hereinafter set forth; but the Trustee may require of the Issuer or the Borrower full information and advice as to their performance of the covenants, conditions and agreements aforesaid. The Trustee acknowledges it has assumed certain duties of the Issuer under the Financing Agreement, the Tax Exemption Agreement and the Regulatory Agreement.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if it were not Trustee hereunder. To the extent permitted by law, the Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the holders of a majority in aggregate principal amount of the Bonds Outstanding.

(e) The Trustee shall be protected in acting under any notice, request, consent, certificate, order, affidavit, letter, facsimile transmission, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request, authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely (unless other evidence in respect thereof is herein specifically prescribed) upon an Officer's Certificate as sufficient evidence of the facts therein contained and prior to the occurrence of an Event of Default of which the Trustee has been notified as provided in subsection (h) of this Section, or of which by said subsection it is deemed to have notice, shall also be at liberty to accept an Officer's Certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate signed by an Attesting Officer of the Issuer as conclusive evidence that a resolution of the governing body of the Issuer has been duly adopted and is in full force and effect.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and it shall not be answerable for other than its own negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default or Event of Default hereunder except a default in payment when due of the principal of, premium, if any, or interest on any Bond or the failure of the Issuer or the Borrower to file with the Trustee any documents required by this Indenture, the

Financing Agreement, the Tax Exemption Agreement or the Regulatory Agreement to be so filed subsequent to the issuance of the Bonds unless the Trustee shall be specifically notified in writing of such default or Event of Default by the Issuer or by the holders of at least 75% in aggregate principal amount of Bonds then Outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the designated office of the Trustee, and in the absence of such notice so delivered the Trustee may conclusively assume there is no default or Event of Default except as aforesaid.

(i) At any and all reasonable times the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right fully to inspect any and all of the property herein conveyed, including the Project and all books, papers and records of the Issuer pertaining to the Project and the Bonds, and to take such memoranda from and in regard thereto as may be desired, provided that such inspection be made and any such memoranda be taken and used on a basis that will insure the confidentiality thereof and of any results thereof.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers or otherwise in respect of the premises granted in this Indenture.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property or any action whatsoever within the purview of this Indenture (other than enforcement of the Regulatory Agreement), any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the purpose of establishing the right of the Issuer to the authentication of any Bonds, the withdrawal of any cash, the release of any property or the taking of any other action by the Trustee, but the resolutions, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warranty, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

(l) Before taking any action under Article VIII of this Indenture the Trustee may require that a satisfactory indemnity bond or other indemnity satisfactory to the Trustee be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful default in conjunction with any action so taken.

(m) All moneys received by the Trustee, until used, applied or invested as herein provided, shall be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law.

(n) The immunities extended to the Trustee also extend to its directors, officers, employees and agents.

(o) The Trustee's rights to immunities and protection from liability hereunder and its rights to payment of its fees and expenses shall survive its resignation or removal and the final payment or the defeasance of the Bonds (or the discharge of the Bonds or the defeasance of the lien of this Indenture).

(p) None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

(q) The Trustee shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds.

Section 9.02. Fees, Charges and Expenses of Trustee. Notwithstanding any provision to the contrary herein, the Trustee shall be entitled to payment for reasonable fees for its services rendered hereunder and under the Regulatory Agreement, the Tax Exemption Agreement and the Financing Agreement and reimbursement for all advances, counsel fees and other expenses reasonably made or incurred by the Trustee (including any co-Trustee) in connection with such services which shall be paid from time to time as provided in Section 5.04 from moneys available therefor and as provided in the Financing Agreement; provided that no such amounts shall be paid to the Trustee from the proceeds of the Pass-Through Certificate. Upon an Event of Default under Section 8.01(a) as a result of a failure by Fannie Mae to make payment under the Pass-Through Certificate, but only upon such an Event of Default, the Trustee shall have a lien upon the Trust Estate for extraordinary fees, charges and expenses incurred by it. The Issuer shall require the Borrower to indemnify and save harmless the Trustee against any liabilities which the Trustee may incur in the exercise and performance of its powers and duties hereunder, under the Financing Agreement, the Regulatory Agreement and the Tax Exemption Agreement that are not due to its own negligence or willful misconduct, and to reimburse the Trustee for any fees and expenses of the Trustee to the extent they exceed funds available under this Indenture for the payment thereof, subject only to the right of the Borrower to contest the reasonableness of any such fees or the necessity for any such expenses. The Trustee shall continue to perform its duties and obligations hereunder until such time as its resignation or removal is effective pursuant to Section 9.05 or Section 9.06, respectively.

Section 9.03. Intervention By Trustee. In any judicial proceeding to which the Issuer is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interests of owners of the Bonds, the Trustee may intervene on behalf of the Bondholders and shall do so if requested in writing by the owners of at least 75% in aggregate principal amount of Bonds then Outstanding, subject to receipt of indemnity as provided in Section 9.01(l). The rights and obligations of the Trustee under this Section are subject to receipt of any approval of a court of competent jurisdiction which may be required by law as a condition to such intervention.

Section 9.04. Merger or Consolidation of Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation

or transfer to which it is a party, ipso facto shall be and become successor Trustee hereunder and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 9.05. Resignation by Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 30 days' written notice to the Issuer and Fannie Mae, and such resignation shall only take effect upon the appointment, pursuant to Section 9.07, of, and acceptance by, a successor Trustee. The successor Trustee shall give notice of such succession by first class mail, postage prepaid, to each Bondholder at the address of such Bondholder shown on the Bond Register.

Section 9.06. Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee and to Fannie Mae, and signed by the Issuer (or if an Event of Default shall have occurred and be continuing, by the owners of a majority in aggregate principal amount of the Bonds then Outstanding, in which event such instrument or instruments in writing shall also be delivered to the Issuer) provided that such removal shall not take effect until the appointment of a successor Trustee by the Issuer (or by the Bondholders).

Section 9.07. Appointment of Successor Trustee. In case at any time the Trustee or any successor thereto shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of such Trustee or of its property shall be appointed, or if any public officer shall take charge or control of such Trustee or of its property or affairs, a successor may be appointed by the Issuer with the approval of Fannie Mae (if it is not in default in its obligations under the Pass-Through Certificate), or if Fannie Mae does not approve a successor the Issuer proposes to appoint, or if the Issuer is in default hereunder, by the holders of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Issuer, by an instrument or concurrent instruments in writing signed by such Bondholders, or their attorneys duly authorized in writing, and delivered to such successor Trustee, notification thereof being given to the Issuer, Fannie Mae, the Borrower and the predecessor Trustee. If in a proper case no appointment of a successor Trustee shall have been made pursuant to the foregoing provisions of this Section within 45 days after the Trustee shall have given to the Issuer written notice as provided in Section 9.05 or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Any Trustee appointed under the provisions of this Section shall be a bank, trust company or national banking association, having a designated office within the State, having trust powers, with prior experience as trustee under indentures under which multifamily housing revenue bonds of public agencies or authorities are issued, and having a capital and surplus acceptable to the Issuer and Fannie Mae, willing and able to accept the office on reasonable and customary terms in light of the circumstances under which the appointment is tendered and

authorized by law to perform all the duties imposed upon it hereby, if there be such an institution meeting such qualifications willing to accept such appointment.

Section 9.08. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Issuer and Fannie Mae, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if named herein as such Trustee, but the Trustee ceasing to act shall nevertheless, on the written request of the Issuer, Fannie Mae or the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as reasonably may be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any properties held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such moneys, estates, properties, rights, powers and duties, any and all such deeds, conveyances and instruments in writing, on request, and so far as may be authorized by law, shall be executed, acknowledged and delivered by the Issuer.

Section 9.09. Successor Trustee as Bond Registrar, Custodian of Funds and Paying Agent. In the event of a change in the Trustee, the Trustee which has resigned or been removed shall cease to be bond registrar, custodian of the Funds and Accounts created under this Indenture and paying agent for the Bonds, and the successor Trustee shall become such registrar, custodian and paying agent.

Section 9.10. Collection of Pass-Through Certificate Payments. The Trustee shall cause the Pass-Through Certificate to be registered in the name of the Trustee or in the name of the nominee of the Trustee with such additional recitals as appropriate to indicate that the Pass-Through Certificate is to be held by the Trustee in its capacity as Trustee hereunder subject to the provisions of Section 7.03 and Section 7.04. In the event that any amount payable to the Trustee under the Pass-Through Certificate is not received by the Trustee within one Business Day of the date such payment is due, the Trustee shall notify Fannie Mae or (if directed by Fannie Mae) the paying agent for the Pass-Through Certificate by telephone (such notification to be immediately confirmed by telegram, teletype, Electronic Means or other means of instantaneous written communication) that such payment has not been received in a timely manner and request that such payment be made by wire transfer of immediately available funds to the account of the Trustee or such custodian, as the case may be.

Section 9.11. Requests from Rating Agency. The Trustee shall promptly respond in writing, or in such other manner as may be reasonably requested, to requests from the Rating Agency for information deemed necessary by the Rating Agency in order to maintain the rating assigned thereby to the Bonds. The Trustee shall promptly furnish any such requested information in its possession to the Rating Agency and shall, as may be reasonably requested by the Rating Agency, assist in efforts to obtain any necessary information from the Issuer or the Borrower or Fannie Mae as applicable.

Section 9.12. Tax Covenants.

(a) The Trustee will invest funds held under this Indenture in accordance with the terms of this Indenture, the Tax Exemption Agreement and the written instructions of the Borrower.

(b) The Trustee will not take any action inconsistent with its obligations expressly stated in the Tax Exemption Agreement and will comply with the covenants and requirements stated therein and incorporated by reference herein.

Section 9.13. Compliance of Borrower Under Regulatory Agreement. The Trustee shall give written notice to the Issuer, the Lender and Fannie Mae of any failure by the Borrower to comply with the terms of the Regulatory Agreement.

Section 9.14. Compliance with Texas Government Code. Pursuant to Section 2270.002, Texas Government Code, and subject to or as otherwise required by applicable federal law, the Trustee hereby represents that the Trustee does not boycott Israel and will not boycott Israel through the term of this Indenture, the Financing Agreement, the Regulatory Agreement, the Tax Exemption Agreement and the Subordination Agreement dated as of August 1, 2018 among the Lender, the Issuer, the Trustee and the Borrower (the “Subordination Agreement”) and such representation is hereby incorporated by reference into each of the documents referenced herein. For purposes of this representation, “boycott Israel” means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

Pursuant to Subchapter F, Chapter 2252, Texas Government Code, to the extent applicable to this Indenture, the Financing Agreement, the Regulatory Agreement, the Tax Exemption Agreement and the Subordination Agreement, the Trustee represents that neither they nor any wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of the Trustee, is a company engaged in business with Iran, Sudan, or a foreign terrorist organization or on a list prepared and maintained by the Comptroller of Public Accounts of the State of Texas under Section 806.051, 807.051, or 2252.153, Texas Government Code.

ARTICLE X
SUPPLEMENTAL INDENTURES

Section 10.01. Supplemental Indentures Effective Upon Acceptance. For any one or more of the following purposes and at any time or from time to time, the Issuer and the Trustee may enter into a Supplemental Indenture which, upon the execution and delivery thereof by an Authorized Officer and by the Trustee, and with the prior written consent of Fannie Mae, but without the necessity of consent of the Bondholders, shall be fully effective in accordance with its terms:

(a) To add to the covenants or agreements of the Issuer herein contained other covenants or agreements to be observed by the Issuer or to otherwise revise or amend this

Indenture in a manner which are/is not materially adverse to the interests of the Bondholders;

(b) To add to the limitations or restrictions herein contained other limitations or restrictions to be observed by the Issuer which are not contrary to or inconsistent with the provisions hereof as theretofore in effect;

(c) To surrender any right, power or privilege reserved to or conferred upon the Issuer herein, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Issuer contained herein and is not materially adverse to the interests of the Bondholders;

(d) To confirm, as further assurance, any pledge of the Trust Estate hereunder and the subjection to any lien on or pledge of the Trust Estate created or to be created hereby;

(e) To appoint a co-trustee or successor Trustee or successor co-trustee;

(f) To cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provision herein;

(g) To insert such provisions clarifying matters or questions arising hereunder as are necessary or desirable and are not materially adverse to the interests of the Bondholders; and

(h) To make such changes and modifications that are necessary or desirable to provide for all interest, principal and premium paid with respect to the Bonds are in the exact respective amounts of the payments of interest, principal and premium paid under and pursuant to the Pass-Through Certificate.

Section 10.02. Supplemental Indentures Requiring Consent of Bondholders. In addition to those amendments to the Indenture which are authorized by Section 10.01, any modification or amendment of the Indenture, may be made by a Supplemental Indenture with the written consent, given as hereinafter provided in Section 10.03, of Fannie Mae and the holders of at least two thirds in aggregate principal amount of the Bonds Outstanding at the time such consent is given; provided, however, that no such modification or amendment shall (a) permit a change in the terms of redemption or maturity of the principal amount of any Outstanding Bond or an extension of the date for payment of any installment of interest thereon or a reduction in the principal amount of, premium, if any, or the rate of interest on any Outstanding Bond without the consent of the holder of such Bond, (b) reduce the proportion of Bonds the consent of the holders of which is required to effect any such modification or amendment or to effectuate an acceleration of the Bonds prior to maturity, (c) permit the creation of a lien on the Trust Estate pledged under this Indenture prior to or on a parity with the lien of this Indenture, (d) deprive the holders of the Bonds of the lien created by this Indenture upon the Trust Estate (except as expressly provided in this Indenture), without (with respect to (b) through (d)) the consent of the holders of all Bonds then Outstanding, or (e) change or modify any of the rights or obligations of the Trustee without the written consent thereto of the Trustee.

Section 10.03. Consent of Bondholders. The Issuer and the Trustee may, at any time, execute and deliver a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 10.02, to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in a form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Trustee to the Bondholders. Such Supplemental Indenture shall not be effective unless there shall have been filed with the Trustee (a) the written consents of Fannie Mae and the holders of the proportion of Outstanding Bonds specified in Section 10.02, and (b) an opinion of Bond Counsel stating that such Supplemental Indenture has been duly and lawfully entered into by the Issuer in accordance with the provisions of this Indenture, is authorized or permitted by the provisions of this Indenture, and, when effective, will be valid and binding upon the Issuer. Each such consent of the Bondholders shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 11.01. A certificate or certificates by the Trustee that it has examined such proof and that such proof is sufficient under the provisions of Section 11.01 shall be conclusive that the consents have been given by the holders of the Bonds described in such certificate or certificates. Any such consent shall be binding upon the holder of the Bonds giving such consent and upon any subsequent holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent holder thereof has notice thereof). At any time after the holders of the required proportion of Bonds shall have filed their consents to such Supplemental Indenture, the Trustee shall make and file with the Issuer a written statement that the holders of such required proportion of Bonds have filed and given such consents. Such written statement shall be conclusive that such consents have been so filed and have been given. Within 90 days after filing such statement, the Trustee shall mail to the Bondholders a notice stating in substance that such Supplemental Indenture (which may be referred to as a Supplemental Indenture executed by the Issuer on a stated date, a copy of which is on file with the Trustee) has been consented to by the holders of the required proportion of Bonds and will be effective as provided in this Section, but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as in this Section 10.3 provided. The Trustee shall file with the Issuer proof of the mailing of such notice to the Bondholders. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such modification or amendment shall be deemed conclusively binding upon the Issuer, the Trustee and the holders of all Bonds upon the execution thereof and the filing by the Trustee with the Issuer of the statement that the required proportion of Bondholders have consented thereto.

The Issuer may conclusively rely upon the Trustee's determination that the requirements of this Section have been satisfied.

Section 10.04. Modification By Unanimous Consent. Notwithstanding anything contained in the foregoing provisions of this Article, the terms and provisions hereof and the rights and obligations of the Issuer and the holders of the Bonds hereunder, in any particular, may be modified or amended in any respect upon execution and delivery of a Supplemental Indenture by the Issuer and the Trustee making such modification or amendment and the consent to such Supplemental Indenture of Fannie Mae and the holders of all of the Bonds then Outstanding, such consent to be given and proved as provided in Section 10.03 except that no

notice to Bondholders shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of the Trustee without the written assent thereto of the Trustee, in addition to the consent of the Bondholders.

Section 10.05. Exclusion of Bonds. Bonds owned or held by or for the account of the Issuer or the Borrower shall be excluded and shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article, unless all of the Bonds are owned or held by or for the account of the Issuer or the Borrower. In the event that not all of the Bonds are owned or held by or for the account of the Issuer or the Borrower, then neither the Issuer nor the Borrower, as the case may be, shall be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action under this Article, in the event that any Bonds (but not all of the Bonds) are then owned by or for the account of the Issuer, the Issuer shall furnish to the Trustee an Officer's Certificate, upon which the Trustee may rely, describing all Bonds so to be excluded. The Trustee shall be obligated to exclude as aforesaid only such Bonds as are shown by the Bond Register or are otherwise known by the Trustee to be so owned or held.

Section 10.06. Notation on Bonds. Bonds delivered after the effective date of any action taken as provided in this Article may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the Issuer and the Trustee as to such action, and in that case upon demand of the holder of any Bond Outstanding at such effective date and presentation of such Bond for such purpose at the principal office of the Trustee, suitable notation shall be made on such Bond by the Trustee as to any such action. If the Issuer or the Trustee shall so determine, new Bonds notated as in the opinion of the Trustee and the Issuer may be required to conform to such action shall be prepared and delivered, and upon demand of the holder of any Bond then Outstanding, shall be exchanged, without cost to such Bondholder, for Bonds of the same series, designation, maturity and interest rate then Outstanding upon surrender of such Bonds.

Section 10.07. Additional Contracts or Indentures. The Issuer, so far as it may be authorized by law, may enter, and if requested by the Trustee, shall enter into additional contracts or indentures with the Trustee giving effect to any modification or amendment of this Indenture as provided in this Article.

Section 10.08. Favorable Opinion of Bond Counsel Concerning Supplemental Indentures. The Trustee shall not execute or consent to any Supplemental Indenture unless prior to the execution and delivery thereof the Trustee shall have received a Favorable Opinion of Bond Counsel and a written opinion of Bond Counsel to the effect that the modification or amendments are authorized and permitted under the provisions of this Indenture.

Section 10.09. Modification to Mortgage Loan Documents. Notwithstanding anything herein to the contrary each and every Mortgage Loan Document may be amended, modified or restated, without the consent of the Bondholders, but subject to and only in the manner and to the extent such modification, amendment or restatement is permitted and made pursuant to the terms of the Fannie Mae Trust Indenture pursuant to which the Pass-Through Certificate was issued.

ARTICLE XI MISCELLANEOUS

Section 11.01. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Indenture may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, or the holding by any person of any Bonds, shall be sufficient for any purpose hereof if made in the following manner or in any other manner satisfactory to the Trustee which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(a) The fact and date of the execution by any Bondholder or his or her attorney of any such instrument (other than the Bond) may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he or she purports to act that the person signing such instrument acknowledged to him or her the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer, or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, trust company or duly licensed securities broker or dealer satisfactory to the Trustee that the person signing such instrument acknowledged to such bank, trust company, broker or dealer the execution thereof;

(b) The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is authorized by a corporate resolution (a copy of which shall be delivered to the Trustee) and signed by a person purporting to be the president or a vice president of such corporation; and

(c) The holding of Bonds, the amount, numbers and other identification thereof, and the date of holding the same, shall be proved by the Bond Register.

Any request, consent or other instrument executed by the registered owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Trustee in accordance herewith in reliance on such request, consent or other instrument.

Section 11.02. Details of Documents Delivered to Trustee. Matters required to be stated in any document signed by any Authorized Officer or in any accountant's certificate, Counsel's Opinion or Officer's Certificate may be stated in separate documents of the required description or may be included in one or more thereof.

Section 11.03. Preservation and Inspection of Documents. All reports, certificates, statements and other documents received by the Trustee under the provisions hereof shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer, Fannie Mae or any Bondholder and their agents and representatives, any of whom may

make copies thereof, but any such reports, certificates, statements or other documents may, at the election of the Trustee, be destroyed or otherwise disposed of at any time six years after such date as the pledge of the Trust Estate created hereby shall be discharged as provided in Section 7.01.

Section 11.04. No Recourse on Bonds. All covenants, stipulations, promises, agreements and obligations of the Issuer contained in this Indenture shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Issuer and not of any of its officers or employees or members of its governing body, past, present or future, in his or her individual capacity, and no recourse shall be had for the payment of the principal of, premium, if any, or interest on the Bonds or for any claim based thereon or hereunder against any such officer or employee of the Issuer or member of its governing body or any natural person executing the Bonds.

Section 11.05. Severability. If any one or more of the provisions, covenants or agreements in this Indenture on the part of the Issuer or the Trustee to be performed should be illegal, inoperative, unenforceable or contrary to law, then such provision or provisions, covenant or covenants, agreement or agreements, shall be deemed severable from the remaining provisions, covenants and agreements, and shall in no way affect the validity of the other provisions hereof or of the Bonds.

Section 11.06. Notices. Unless otherwise specified in this Indenture, it shall be sufficient service or giving of any notice, request certificate, demand or other communication if the same is sent by (and all notices required to be given by mail will be given by) first-class registered or certified mail, postage prepaid, return receipt requested, or by private courier service which provides evidence of delivery, or sent by Electronic Means which produces evidence of transmission, and in each case will be deemed to have been given on the date evidenced by the postal or courier receipt or other written evidence of delivery or electronic transmission. The Bonds shall be subject to redemption prior to maturity as follows:

(a) Mandatory Redemption from Principal Payments or Prepayments on Pass-Through Certificate. The Bonds are subject to mandatory redemption in the amounts and one Business Day after the dates (i) principal payments are received pursuant to the Pass-Through Certificate at a price equal to 100% of the principal amount received pursuant to the Pass-Through Certificate, plus interest received pursuant to the Pass-Through Certificate, (ii) prepayments are received with respect to the Pass-Through Certificate, at a price equal to 100% of the principal amount received pursuant to the Pass-Through Certificate, plus interest and premium, if any, received pursuant to the Pass-Through Certificate, or (iii) prior to the Purchase Date, redemption is otherwise required on any Payment Date in an amount equal to the Mortgage Loan amortization scheduled on the first day of the month in which such Payment Date occurs from amounts on deposit in the Collateral Security Fund. No prior notice shall be a prerequisite to the effectiveness of any redemption under (i) or (ii), which redemption shall occur and be effective irrespective of whether the Trustee fulfills its obligation to provide notice.

(b) Mandatory Redemption upon Failure to Purchase the Pass-Through Certificate. The Bonds are subject to mandatory redemption in whole on the Mandatory Redemption Date at a redemption price equal to the Original Issue Price plus interest accrued to the Mandatory Redemption Date (as such date may be extended under the Indenture) upon five Business Days' notice if (i) a Purchase Date has not occurred by the last date on which timely notice of such redemption may be given preceding such Mandatory Redemption Date (as such date may be extended under the Indenture) and (ii) an Extension Deposit has not been made pursuant to the Indenture, such that the balance in the Collateral Security Fund is equal to the Original Issue Price plus interest accrued on the Bonds to the Mandatory Redemption Date (as such date may be extended under the Indenture). The notice for any such mandatory redemption may be conditional, to the effect that if a Purchase Date occurs not later than the close of business on the second Business Day preceding such Mandatory Redemption Date (as such date may be extended under the Indenture), the noticed mandatory redemption shall not occur.

When the Trustee receives notice of a prepayment on the Pass-Through Certificate under (a)(ii) above, the Trustee shall use its best efforts to give not less than 20 nor more than 30 days' notice, in the name of the Issuer, of the redemption of the Bonds, which notice shall specify the following: (i) the maturity and principal amounts of the Bonds to be redeemed; (ii) the CUSIP number, if any, of the Bonds to be redeemed; (iii) the date of such notice; (iv) the issuance date for such Bonds; (v) the interest rate on the Bonds to be redeemed; (vi) the redemption date; (vii) any conditions to the occurrence of the redemption; (viii) the place or places where amounts due upon such redemption will be payable; (ix) the Redemption Price; (x) the Trustee's name and address with a contact person and a phone number; and (xi) that on the redemption date, the Redemption Price shall be paid. Such notice shall be sent to the holders of the Bonds by first-class mail, postage prepaid, at their respective addresses appearing on the Bond Register. Neither the giving of such notice by the Trustee nor the receipt of such notice by the Bondholders shall be a condition precedent to the effectiveness of any such redemption.

This Bond is one of the duly authorized bonds of the Issuer designated as Multifamily Housing Revenue Bonds (Fannie Mae MBS Collateralized Pass-Through – Oaks on Lamar), Series 2018 (the “Bonds”), limited in aggregate principal amount to \$20,000,000 issued pursuant to the Act and pursuant to an Indenture of Trust, dated as of August 1, 2018, by and between the Issuer and the Trustee (the “Indenture”) and a resolution duly adopted by the governing body of the Issuer. The Bonds are limited obligations of the Issuer. The Bonds are issued for the benefit of THF Oaks on Lamar, LP, a Texas limited partnership (the “Borrower”), to finance a multifamily rental housing development within the City of Austin, Texas, known as Oaks on Lamar (the “Project”). Capitalized terms used herein and not otherwise defined shall have the meanings assigned in the Indenture.

The payment and other obligations of the Issuer with respect to the Bonds are intended to be, and shall be, independent of the payment and other obligations of the issuer or maker of the Mortgage Note (as defined in the Indenture) and the Pass-Through Certificate (as hereafter defined), even though the principal amount of all three instruments is expected to be identical, except in the case of a default with respect to one or more of the instruments.

The Bonds are secured by certain funds held under the Indenture as described therein, and after the Purchase Date, if any, by (i) the pledge of a Guaranteed Mortgage Pass-Through Certificate (the “Pass-Through Certificate”) issued by the Federal National Mortgage Association (“Fannie Mae”) and delivered to the Trustee, under the terms of which timely payment of principal of and interest on the Pass-Through Certificate is guaranteed by Fannie Mae regardless of whether corresponding payments on the Mortgage Loan are paid when due, and by (ii) amounts payable under the Pass-Through Certificate. After the Purchase Date, the Pass-Through Certificate is held in trust and pledged under the Indenture to secure the payment of the Bonds.

Reference is hereby made to the Act and to the Indenture, a copy of which is on file at the principal office of the Trustee, and all indentures supplemental thereto for a description of the rights thereunder of the registered owners of the Bonds, of the payments and funds pledged and assigned as security for payment of the Bonds and the nature and extent thereof, of the terms on which the Bonds are issued and the terms and conditions on which the Bonds will be deemed to be paid at or prior to maturity or redemption upon provision for payment thereof in the manner set forth in the Indenture, of the rights, duties and immunities of the Trustee and of the rights and obligations of the Issuer thereunder, to all of the provisions of which Indenture the registered owner of this Bond, by acceptance hereof, assents and agrees.

THE BONDS OF WHICH THIS BOND IS A PART, TOGETHER WITH INTEREST THEREON, AND REDEMPTION PREMIUM, IF ANY, ARE NOT GENERAL OBLIGATIONS OF THE ISSUER, BUT ARE SPECIAL, LIMITED OBLIGATIONS OF THE ISSUER SECURED BY THE TRUST ESTATE, ARE AND WILL ALWAYS BE PAYABLE SOLELY FROM THE REVENUES AND INCOME DERIVED FROM THE TRUST ESTATE (EXCEPT TO THE EXTENT PAID OUT OF MONEYS ATTRIBUTABLE TO PROCEEDS OF THE BONDS OR THE INCOME FROM THE TEMPORARY INVESTMENT THEREOF), AND ARE AND WILL ALWAYS BE A VALID CLAIM OF THE OWNER THEREOF ONLY AGAINST THE REVENUES AND INCOME DERIVED FROM THE TRUST ESTATE, WHICH REVENUES AND INCOME MAY BE USED FOR NO OTHER PURPOSE THAN

TO PAY THE PRINCIPAL INSTALLMENTS OF, REDEMPTION PREMIUM, IF ANY, AND INTEREST ON THE BONDS, EXCEPT AS MAY BE EXPRESSLY AUTHORIZED OTHERWISE IN THIS INDENTURE AND IN THE FINANCING AGREEMENT. THE BONDS AND THE OBLIGATION TO PAY INTEREST THEREON AND REDEMPTION PREMIUM, IF ANY, DO NOT NOW AND WILL NEVER CONSTITUTE A DEBT OR AN OBLIGATION OF THE STATE OF TEXAS OR ANY POLITICAL SUBDIVISION THEREOF AND NEITHER THE STATE NOR ANY POLITICAL SUBDIVISION THEREOF WILL BE LIABLE THEREFOR, **THE BONDS ARE NOT AND DO NOT CREATE OR CONSTITUTE IN ANY WAY AN OBLIGATION, A DEBT OR A LIABILITY OF THE STATE OF TEXAS OR ANY POLITICAL SUBDIVISION THEREOF, OR CREATE OR CONSTITUTE A PLEDGE, GIVING OR LENDING OF THE FAITH, CREDIT, OR TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE ISSUER HAS NO TAXING POWER.** THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT OR ANY OTHER FEDERAL GOVERNMENTAL AGENCY AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES.

The registered owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute actions to enforce the pledge, assignments in trust or covenants made therein or to take any action with respect to an Event of Default under the Indenture or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

If an Event of Default shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture. The Indenture provides that in certain events such declaration and its consequences may be rescinded by the holders of at least a majority in aggregate principal amount of the Bonds then Outstanding.

The Bonds are issuable only as fully registered bonds without coupons in denominations of \$1.00 or any integral multiple thereof. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Indenture, Bonds may be exchanged at the designated corporate trust office of the Trustee for Bonds in the same aggregate principal amount.

The registration of this Bond is transferable by the registered owner hereof in person or by its attorney duly authorized in writing at the designated corporate trust office of the Trustee. Upon surrender for registration of transfer of this Bond at such office, the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond of the same maturity or maturities and authorized denomination for the same aggregate principal amount. Bonds to be exchanged shall be surrendered at said designated corporate trust office of the Trustee, and the Trustee shall authenticate and deliver in exchange therefore a Bond of equal aggregate principal amount of the same maturity and authorized denomination.

In any case where any Payment Date, any other date fixed for the payment of interest on or principal of the Bonds, any maturity date or any date fixed for redemption of any Bonds, shall

be a day other than a Business Day, then any payment of interest or principal (and premium, if any) required to be made on such date need not be taken or made on such date but may be taken or made on the next succeeding Business Day with the same force and effect as if made or taken on the date herein otherwise provided and, in the case of any Payment Date, no interest shall accrue for the period from and after such date.

The Issuer and the Trustee shall treat the registered owner of this Bond as the owner hereof for all purposes, and any notice to the contrary shall not be binding on the Issuer and the Trustee.

The Indenture contains provisions permitting the Issuer and the Trustee, with the written consent of Fannie Mae and the registered owners of not less than two thirds in aggregate principal amount of the Bonds Outstanding, as specified in the Indenture, and in certain instances without such consent, to execute supplemental indentures adding any provisions to, or changing in any manner, or eliminating any of the provisions of, the Indenture; provided, however, that no such supplemental indenture shall (a) permit a change in the terms of redemption or maturity of the principal amount of any Outstanding Bond or an extension of the date for payment of any installment of interest thereon or a reduction in the principal amount of, premium, if any, or the rate of interest on any Outstanding Bond without the consent of the holder of such Bond, (b) reduce the proportion of Bonds the consent of the holders of which is required to effect any such modification or amendment or to effectuate an acceleration of the Bonds prior to maturity, (c) permit the creation of a lien on the Trust Estate pledged under the Indenture prior to or on a parity with the lien of the Indenture, (d) deprive the holders of the Bonds of the lien created by the Indenture upon such Trust Estate (except as expressly provided in the Indenture), without (with respect to clauses (b) through (d)) the consent of the holders of all Bonds then Outstanding, or (e) change or modify any of the rights or obligations of the Trustee without the written consent thereto of the Trustee.

Neither the members of the governing body of the Issuer nor any officer, agent, representative or employee of the Issuer nor any person executing this Bond shall be subject to any personal liability or accountability by reason of the issuance hereof, whether by virtue of any Constitution, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability being expressly waived as a condition of and in consideration for the execution of the Indenture and the issuance of the Bonds.

This Bond shall not be entitled to any benefit under the Indenture, or become valid or obligatory for any purpose, until the certificate of authentication hereon endorsed shall have been manually signed by the Trustee.

It is hereby certified and recited by the Issuer that all conditions, acts and things required by the Indenture or by the laws of the State of Texas, including the Act, to exist, to have happened or to have been performed precedent to or in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the issuance of this Bond and the issue of which it forms a part is within every debt and other limit prescribed by said Constitution or statutes.

IN WITNESS WHEREOF, the TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS has caused this Bond to be executed on its behalf by the facsimile signature of its Chair, and attested to by the facsimile signature of its Secretary, and its seal to be reproduced hereon, all as of the date shown above.

Section 1.03. Effective Date. The provisions of this Financing Agreement shall be effective on and as of the Closing Date, immediately upon the effectiveness of the Indenture.

ARTICLE II REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 2.01. Representations, Warranties and Covenants by the Borrower. The Borrower represents, warrants and covenants as follows:

(a) The Borrower is a limited partnership and is qualified to do business in the State and in every other state in which the nature of its business requires such qualification. The Borrower has full power and authority to own its properties and to carry on its business as now being conducted and as contemplated to be conducted with respect to the Project, and to enter into, and to perform and carry out the transactions provided for in this Financing Agreement, all other Bond Documents contemplated hereby to be executed by the Borrower and the Mortgage Loan Documents. This Financing Agreement, the other Bond Documents to which the Borrower is a party, the Mortgage Loan Documents and all other documents to which the Borrower is a party and contemplated hereby or thereby have been duly authorized, executed and delivered by the

Borrower and constitute the legal, valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the rights of creditors generally and general equitable principles.

(b) Neither the execution and delivery of this Financing Agreement, all other Bond Documents to be executed by the Borrower, the Mortgage Loan Documents or any other documents contemplated hereby or thereby, the consummation of the transactions contemplated hereby or thereby, nor the fulfillment of or compliance with the terms and conditions of this Financing Agreement, all other Bond Documents to be executed by the Borrower, the Mortgage Loan Documents or any other documents contemplated hereby or thereby, will violate any provision of law, any order of any court or other agency of government, or any of the organizational or other governing documents of the Borrower, or any indenture, agreement or other instrument to which the Borrower is now a party or by which it or any of its properties or assets is bound, or be in conflict with, result in a breach of or constitute a default (with due notice or the passage of time or both) under any such indenture, agreement or other instrument or any license, judgment, decree, law, statute, order, rule or regulation of any governmental agency or body having jurisdiction over the Borrower or any of its activities or properties, or, except as provided hereunder, result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Borrower, except for Permitted Liens.

(c) The Borrower has and will have leasehold title to the Project, subject to the Permitted Liens. The Borrower is the sole borrower under the Mortgage Loan.

(d) As of the Closing Date, no litigation or proceeding is pending or, to the knowledge of the Borrower or the general partner of the Borrower, threatened in writing against the Borrower or its general partner or with respect to the Project which has a reasonable probability of having a material adverse effect on its financial condition or business, or the transactions contemplated by this Financing Agreement, the Indenture, the other Bond Documents or the Mortgage Loan Documents, or which in any way would adversely affect the validity or enforceability of the Bonds, the Indenture, this Financing Agreement, the other Bond Documents or the Mortgage Loan Documents, or the ability of the Borrower to perform its obligations under this Financing Agreement, the other Bond Documents or the Mortgage Loan Documents executed by the Borrower.

(e) The Project conforms in all material respects with all applicable zoning (or a legal non-conforming use), planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, all necessary utilities are available to the Project, and the Borrower will obtain all requisite zoning, planning, building and environmental and other permits which may become necessary with respect to the Project. The Borrower has obtained all licenses, permits and approvals necessary for the ownership, operation and management of the Project, including all approvals essential to the transactions contemplated by this Financing Agreement, the Indenture, the other Bond Documents, the Mortgage Loan Documents and any other documents contemplated hereby or thereby.

(f) The financial statements which have been furnished to date by or on behalf of the Borrower to the Issuer, are complete and accurate in all material respects and present fairly the financial condition of the Borrower as of their respective dates in accordance with generally accepted accounting methods applied by the Borrower on a consistent basis, and since the date of the most recent of such financial statements there has not been any material adverse change, financial or otherwise, in the condition of the Borrower, and there has not been any material transaction entered into by the Borrower other than transactions in the ordinary course of business, and the Borrower does not have any material contingent obligations which are not otherwise disclosed in its financial statements. (b) The Borrower will, on a timely basis, provide the Issuer with all necessary information and, with respect to the Borrower's rebate requirement or yield reduction payments (both as may be required under the Tax Exemption Agreement) required to be paid, all necessary funds, in addition to any funds that are then available for such purpose in the Rebate Fund, to enable the Issuer to comply with all arbitrage and rebate requirements of the Code. To that end, the Borrower covenants and agrees to make such payments to the Trustee as are required of it under Paragraph 14 of the Tax Exemption Agreement. The obligation of the Borrower to make such payments shall remain in effect and be binding upon the Borrower notwithstanding the release and discharge of the Indenture and this Financing Agreement.

Such notice shall be given promptly, and in no event less than ten (10) Business Days after the Borrower receives notice or has knowledge of the occurrence of any such event. NOTWITHSTANDING ANY PROVISION OF THIS FINANCING AGREEMENT TO THE CONTRARY, THE ISSUER SHALL BE INDEMNIFIED BY THE BORROWER WITH RESPECT TO LIABILITIES ARISING FROM THE ISSUER'S OWN GROSS NEGLIGENCE, NEGLIGENCE OR BREACH OF CONTRACTUAL DUTY, BUT NOT FOR ANY LIABILITIES ARISING FROM THE ISSUER'S OWN BAD FAITH, FRAUD OR WILLFUL MISCONDUCT.

NOTWITHSTANDING ANY PROVISION OF THIS FINANCING AGREEMENT TO THE CONTRARY THE BORROWER'S OBLIGATIONS WITH RESPECT TO INDEMNIFICATION WILL NOT BE SECURED BY THE PROJECT AND SHALL BE PERSONAL OBLIGATIONS OF THE BORROWER AND ANY SUCCESSOR OWNER OF THE PROJECT BY FORECLOSURE, DEED IN LIEU OF FORECLOSURE OR OTHERWISE SHALL NOT BE RESPONSIBLE FOR OR INCUR ANY LIABILITY WITH RESPECT TO ANY INDEMNIFICATION OBLIGATIONS DESCRIBED HEREIN.

The Borrower covenants and agrees to indemnify, hold harmless and defend the Trustee, the Lender and their respective officers, members, directors, officials, agents and employees and each of them (each an "**indemnified party**") from and against, (a) any and all claims, joint or several, by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the Project, the Bonds or the execution or amendment of any document relating thereto; (b) any and all claims, joint or several, arising from any cause whatsoever in connection with the approval of refinancing for the Project or the making of the Mortgage Loan; (c) any and all claims, joint or several, arising from any act or omission of the Borrower or any of its agents, servants, employees or licensees, in connection with the Mortgage Loan or the Project; (d) all reasonable costs, counsel fees, expenses or liabilities incurred in connection with any such claim, or proceeding brought thereon; (e) any and all claims arising in connection with the issuance and sale, resale or remarketing of any Bonds or any certifications or representations made by any Person other than

the Issuer or the party seeking indemnification in connection therewith and the carrying out by the Borrower of any of the transactions contemplated by the Bonds, the Indenture, the Tax Exemption Agreement, the Regulatory Agreement and this Financing Agreement; (f) any and all claims arising in connection with the operation of the Project, or the conditions thereof, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof; and (g) any and all losses, claims, damages, liabilities or expenses, joint or several, arising out of or connected with the Trustee's acceptance or administration of the trusts created by the Indenture and the exercise of its powers or duties thereunder or under this Financing Agreement, the Tax Exemption Agreement, the Regulatory Agreement or any other agreements in connection therewith to which it is a party, except in the case of the foregoing indemnification of the Trustee or the Lender or any of their respective officers, members, directors, officials and employees, to the extent such damages are caused by the negligence or willful misconduct of such Person. Each indemnified party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that unless such separate counsel is employed with the approval of the Borrower, which approval shall not be unreasonably withheld, the Borrower shall not be required to pay the fees and expenses of such separate counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of the Regulatory Agreement, the Borrower shall remain obligated to indemnify each indemnified party pursuant to this Section if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless such indemnified party has consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

During any period that Fannie Mae owns the Project and that this Section 5.09 is applicable to Fannie Mae, Fannie Mae's obligations under this Section 5.09 shall be limited to acts and omissions of Fannie Mae occurring during the period of Fannie Mae's ownership of the Project.

Section 5.10. Right To Perform Borrower's Obligations. In the event the Borrower fails to perform any of its obligations under this Financing Agreement, the Issuer, the Lender, Fannie Mae and/or the Trustee, after giving the requisite notice, if any, may, but shall be under no obligation to, perform such obligation and pay all costs related thereto, and all such costs so advanced by the Issuer, the Lender, Fannie Mae or the Trustee shall become an additional obligation of the Borrower hereunder, payable on demand with interest thereon at the default rate of interest payable under the Mortgage Loan Documents.

Section 5.11. Nonrecourse Provisions. Notwithstanding anything to the contrary, the obligations of the Borrower pursuant to this Financing Agreement shall be secured by the Subordinate Mortgage subject to the provisions of the Subordination Agreement, and except with respect to Sections 4.02 and 5.09 hereof shall be non-recourse to the Borrower; provided that none of the Borrower's officers, directors, employees or agents shall have any personal liability hereunder.

Section 5.12. Trust Indenture. The provisions of the Indenture concerning the Bonds and other matters therein are an integral part of the terms and conditions of the Mortgage Loan, and the Financing Agreement shall constitute conclusive evidence of approval of the Indenture by the Borrower to the extent it relates to the Borrower. Additionally, the Borrower agrees that, whenever the Indenture by its terms imposes a duty or obligation upon the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Indenture, and the Borrower agrees to carry out and perform all of its obligations under the Indenture as fully as if the Borrower were a party to the Indenture.

ARTICLE VI MORTGAGE LOAN DOCUMENTS

Section 6.01. Assurances. The Borrower, the Issuer and the Trustee each agree that they shall not enter into any contract or agreement, perform any act, or request any other party hereto to enter into any contracts or agreements or perform any acts, which shall adversely affect the Mortgage Loan Documents.

Section 6.02. Security for Borrower Obligations. The Issuer acknowledges that the Project shall be encumbered by the Mortgage Loan Documents. Notwithstanding any provisions of this Financing Agreement or the Regulatory Agreement to the contrary, all obligations of the Borrower under this Financing Agreement and the Regulatory Agreement for the payment of money and all claims for damages against the Borrower occasioned by breach or alleged breach by the Borrower of its obligations under the Regulatory Agreement or this Financing Agreement, including indemnification obligations, shall be secured by the Subordinate Mortgage subject to the provisions of the Subordination Agreement.

ARTICLE VII TRUSTEE'S INTEREST IN AGREEMENT

Section 7.01. Issuer Assignment of This Financing Agreement.

(a) Pursuant to the Indenture, the Issuer shall pledge, assign and transfer all of its right, title and interest in this Financing Agreement (other than the Reserved Rights of the Issuer), and the revenues, receipts and collections hereunder and thereunder, to the Trustee in the manner and to the extent provided in the Indenture as security for the payment of the principal of, premium, if any, and interest on the Bonds, and the parties hereby acknowledge that the covenants and agreements contained herein are for the benefit of the registered owners from time to time of the Bonds and may be enforced on their behalf by the Trustee. The Issuer shall execute and deliver from time to time, in addition to the instruments of assignment herein specifically provided for, such other and

further instruments and documents as may be reasonably requested by the Trustee from time to time to further evidence, effect or perfect such pledge and assignment for the purposes contemplated in the Indenture.

(b) The Borrower hereby acknowledges and consents to the assignment and pledge (subject to the reservation by the Issuer of its Reserved Rights) by the Issuer to the Trustee in the manner and to the extent provided in the Indenture. The Borrower further acknowledges and consents to the right of the Trustee to enforce all rights of the Issuer and the Bondholders assigned under the Indenture.

ARTICLE VIII EVENTS OF DEFAULT AND REMEDIES

Section 8.01. Events of Default. Each of the following shall constitute an event of default under this Financing Agreement, and the term “**Event of Default**” shall mean, whenever used in this Financing Agreement, any one or more of the following events:

(a) Failure by the Borrower to pay any amounts due under this Financing Agreement at the times and in the amounts required hereby or thereby; or

(b) Failure by the Borrower to observe or perform any covenants, agreements or obligations in this Financing Agreement on its part to be observed or performed (other than as provided in clause (i) above) for a period of thirty (30) days after receipt of written notice specifying such failure and requesting that it be remedied, given to the Borrower by any party to this Financing Agreement; provided, however, that if said failure shall be such that it cannot be corrected within such period, it shall not constitute an Event of Default if the failure is correctable without material adverse effect on the Bonds and if corrective action is instituted by the Borrower within such period and diligently pursued until the failure is corrected, and provided further that any such failure shall have been cured within ninety (90) days of receipt of notice of such failure; or

(c) Breach of any of the covenants, agreements or obligations of the Borrower under or the occurrence of a default which is continuing under the Tax Exemption Agreement or the Regulatory Agreement, including any exhibits thereto; or

(d) The occurrence of an Event of Default caused by the Borrower under and as defined in the Indenture or under any of the other Bond Documents.

Nothing contained in this Section 8.01 is intended to amend or modify any of the provisions of the Mortgage Loan Documents nor to bind the Borrower, the Lender or Fannie Mae to any notice and cure periods other than as expressly set forth in the Mortgage Loan Documents. Issuer, Trustee, Lender and Fannie Mae agree that (i) Tax Credit Investor shall have the right, but not the obligation, to cure any default on behalf of the Borrower on the same terms provided to the Borrower in this Financing Agreement; and (ii) any cure of any Event of Default hereunder made or tendered by the Tax Credit Investor shall be deemed to be a cure by the Borrower, and shall be accepted or rejected hereunder on the same basis as if made or tendered by the Borrower.

Section 8.02. Remedies Upon an Event of Default.

(a) Subject to Section 8.02(d), whenever any Event of Default shall have occurred and be continuing, the Issuer or the Trustee may take any one or more of the following remedial steps:

(1) By any suit, action or proceeding, pursue all remedies now or hereafter existing at law or in equity to collect all amounts then due and thereafter to become due under this Financing Agreement, to enforce the performance of any covenant, obligation or agreement of the Borrower under this Financing Agreement (subject to the nonrecourse provisions of this Financing Agreement and the Regulatory Agreement) or to enjoin acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee.

(2) Take whatever other action at law or in equity may appear necessary or desirable to enforce any monetary obligation of the Borrower under this Financing Agreement or to enforce any other covenant, obligation or agreement of the Borrower under (i) this Financing Agreement, (ii) the Tax Exemption Agreement, or (iii) the Regulatory Agreement.

(3) Have access to and inspect, examine, audit and make copies of the books and records and any and all accounts, data and income tax and other tax returns of the Borrower.

(b) The provisions of subsection (a) hereof are subject to the condition that if, after any Event of Default, except a default under the Regulatory Agreement, (i) all amounts which would then be payable hereunder by the Borrower if such Event of Default had not occurred and was not continuing shall have been paid by or on behalf of the Borrower, and (ii) the Borrower shall have also performed all other obligations in respect of which it is then in default hereunder and shall have paid the reasonable charges and expenses of the Issuer and the Trustee, including reasonable attorney fees and expenses paid or incurred in connection with such default, then and in every such case, such Event of Default may be waived and annulled by the Trustee, but no such waiver or annulment shall extend to or affect any subsequent Event of Default or impair any right or remedy consequent thereon.

(c) Subject to the limitations of the Regulatory Agreement and this Financing Agreement, the Issuer, without the consent of the Trustee, but only after written notice to the Trustee, the Borrower, the Lender and Fannie Mae, may take whatever action at law or in equity may appear necessary or desirable to enforce performance and observance of any Reserved Right of the Issuer; provided that, the Issuer may not (i) terminate this Financing Agreement or cause the Mortgage Loan to become due and payable, (ii) cause the Trustee to declare the principal of all Bonds then Outstanding and the interest accrued thereon to be immediately due and payable, or cause the Trustee to accelerate, foreclose or take any other action or seek other remedies under the Bond Documents, the Mortgage Loan Documents or any other documents contemplated hereby or thereby to obtain such performance or observance, (iii) cause the acceleration, foreclosure or taking of any other

action or the seeking of any remedies under the Mortgage Loan Documents, (iv) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal, interest and other amounts due under the Mortgage Loan, or (v) interfere with or attempt to influence the exercise by Fannie Mae of any of its rights under the Bond Documents or the Mortgage Loan Documents.

(d) Except as required to be deposited in the Rebate Fund pursuant to Paragraph 14 of the Tax Exemption Agreement, any amounts collected pursuant to action taken under this Section 8.02 shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, the Issuer, the Lender or Fannie Mae and their respective counsel, be applied in accordance with the provisions of the Indenture. No action taken pursuant to this Section shall relieve the Borrower from the Borrower's obligations pursuant to Section 5.09 hereof.

(e) No remedy herein conferred upon or reserved to the Issuer or the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing pursuant to any other agreement at law or in equity or by statute.

(f) Notwithstanding any other provision of this Financing Agreement to the contrary, after the Purchase Date, so long as Fannie Mae is not in default under the Pass-Through Certificate, none of the Issuer, the Trustee or any Person under their control shall exercise any remedies or direct any proceedings under this Financing Agreement or the Mortgage Loan Documents, other than to (i) enforce rights under the Pass-Through Certificate, (ii) enforce the tax covenants in the Indenture, this Financing Agreement and the Tax Exemption Agreement, or (iii) enforce rights of specific performance under the Regulatory Agreement; provided, however, that any enforcement under (ii) or (iii) above shall not include seeking monetary damages other than Issuer Fees and the Trustee's fees and expenses.

Section 8.03. Default Under Regulatory Agreement.

(a) If the Borrower fails, at any time for any reason, to comply with the requirements of the Regulatory Agreement, then within thirty (30) days after the earlier of the date the violation is discovered by the Issuer or the Trustee or the date the Issuer or the Trustee received notice thereof, the Issuer (if necessary to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes) or the Trustee, on behalf of and at the request of the Issuer, shall institute an action for specific performance to correct the violation. The Borrower hereby acknowledges and agrees that were money damages a remedy under the Regulatory Agreement, money damages alone would not be an adequate remedy at law for a default by the Borrower arising from a failure to comply with the Regulatory Agreement, and therefore the Borrower agrees that the remedy of specific performance (subject to the provisions of Section 8.02(d) hereof) shall be available to the Issuer and/or the Trustee in any such case.

(b) Notwithstanding the availability of the remedy of specific performance provided for in subsection (a) of this Section, promptly upon determining that a violation of the Regulatory Agreement has occurred, the Issuer shall, by notice in writing to the Lender, inform the Lender that a violation of the Regulatory Agreement has occurred; notwithstanding the occurrence of such violation, neither the Issuer nor the Trustee shall have, and each of them acknowledges that they shall not have, any right to cause or direct acceleration of the Mortgage Loan, to enforce the Mortgage Note or to foreclose on the Mortgage.

Section 8.04. Limitation on Waivers.

(a) No delay or omission to exercise any right or power occurring upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed appropriate. The Issuer and the Trustee agree to give only such notices as may be herein expressly required.

(b) In the event any covenant, agreement or condition contained in this Financing Agreement shall be breached by a party and thereafter waived by another party, such waiver shall not bind any party which has not waived the breach and shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder nor be a waiver of the same breach on a future occasion. By reason of the assignment and pledge of certain of the Issuer's rights and interests in this Financing Agreement to the Trustee, the Issuer shall have no power to waive or release the Borrower from any Event of Default or the performance or observance of any obligation or condition of the Borrower under this Financing Agreement without first requesting and receiving the prior written consent of the Trustee, but shall do so if, requested by the Trustee; provided that the Issuer shall not be required to grant such waiver or release unless it shall have been provided with (i) if deemed necessary in the sole discretion of the Issuer an Opinion of Counsel that such action will not result in any pecuniary liability to it and a Favorable Opinion of Bond Counsel, (ii) such indemnification as the Issuer shall deem reasonably necessary, and (iii) written notice from the Trustee of the request for such waiver or release.

Section 8.05. Notice of Default: Lender's Right To Cure. The Issuer and the Trustee shall each give notice to the other and to the Lender of the occurrence of any Event of Default by the Borrower hereunder of which it has actual knowledge. The Lender shall have the right, but not the obligation, to cure any such default by the Borrower, and upon performance by the Lender to the satisfaction of the Issuer and the Trustee of the covenant, agreement or obligation of the Borrower with respect to which an Event of Default has occurred, the parties hereto shall be restored to their former respective positions, it being agreed that the Lender shall have the right to repayment from the Borrower of moneys it has expended and any other appropriate redress for actions it has taken to cure any default by the Borrower; provided that the Borrower's reimbursement obligation shall be non-recourse to the same extent as the underlying obligation is non-recourse to the Borrower.

Section 8.06. Rights Cumulative. All rights and remedies herein given or granted to the Issuer and the Trustee are cumulative, nonexclusive and in addition to any and all rights and remedies that the Issuer and the Trustee may have or may be given by reason of any law, statute, ordinance or otherwise. Notwithstanding anything to the contrary contained in this Financing Agreement, neither the Trustee nor the Issuer may commence any action against the Borrower for specific performance or any other remedy at law or in equity, other than to enforce performance and observance of any Reserved Right of the Issuer and its rights under Section 8.03, without first obtaining the prior written consent of Fannie Mae.

ARTICLE IX MISCELLANEOUS

Section 9.01. Notices. All notices, certificates or other communications herein provided shall be given in writing to the Issuer, the Borrower, the Tax Credit Investor, the Trustee, Fannie Mae and the Lender, and shall be sufficiently given and shall be deemed given if given in the manner provided in the Indenture. Copies of each notice, certificate or other communication given hereunder by any party hereto shall be given to all parties hereto. By notice given hereunder, any party may designate further or different addresses to which subsequent notices, certificates or other communications are to be sent. A duplicate copy of each notice, certificate, request or other communication given hereunder to the Issuer, the Borrower, the Lender or the Trustee shall also be given to Fannie Mae.

Section 9.02. Amendment. This Financing Agreement and all other documents contemplated hereby to which the Issuer is a party may be amended or terminated only if permitted by the Indenture, and no amendment to this Financing Agreement shall be binding upon, any party hereto until such amendment is reduced to writing and executed by the parties hereto; provided that, except as provided in Paragraph 27(a) of the Tax Exemption Agreement, no amendment, supplement or other modification to this Financing Agreement or any other Bond Document shall be effective without the prior written consent of Fannie Mae.

Section 9.03. Entire Agreement. Except as provided in the other Bond Documents and the Mortgage Loan Documents, this Financing Agreement contains all agreements among the parties hereto, and there are no other representations, warranties, promises, agreements or understandings, oral, written or implied, among the parties hereto, unless reference is made thereto in this Financing Agreement or the Indenture.

Section 9.04. Binding Effect. This Financing Agreement shall be binding upon the Issuer, the Borrower and the Trustee and their respective successors and assigns. Notwithstanding anything herein to the contrary, to the extent Fannie Mae or its designee shall become the owner of the Project as a result of a foreclosure or a deed in lieu of foreclosure or similar conveyance, Fannie Mae, and its designee, if applicable, shall not be liable for any breach or default or any of the obligations of any prior owner of the Project under this Financing Agreement, and shall only be responsible for defaults and obligations incurred during the period Fannie Mae or its designee, if applicable, is the owner of the Project.

Section 9.05. Severability. If any clause, provision or section of this Financing Agreement shall be ruled invalid or unenforceable by any court of competent jurisdiction, the

invalidity or unenforceability of such clause, provision or section shall not affect any of the remaining clauses, provisions or sections.

Section 9.06. Execution in Counterparts. This Financing Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 9.07. Governing Law. This Financing Agreement shall be governed by and interpreted in accordance with the internal laws of the State without regard to conflicts of laws principles.

Section 9.08. Limited Liability of the Issuer; No Liability of Officers. Notwithstanding anything contained herein to the contrary:

(a) **THE ISSUER SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON, THE BONDS SOLELY OUT OF THE TRUST ESTATE. THE BONDS SHALL CONSTITUTE A VALID CLAIM OF THE RESPECTIVE HOLDERS THEREOF AGAINST THE TRUST ESTATE, WHICH IS PLEDGED TO SECURE THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS AND WHICH SHALL BE UTILIZED FOR NO OTHER PURPOSE, EXCEPT AS EXPRESSLY AUTHORIZED IN THE INDENTURE. THE BONDS, TOGETHER WITH INTEREST THEREON, SHALL BE LIMITED OBLIGATIONS OF THE ISSUER GIVING RISE TO NO CHARGE AGAINST THE ISSUER'S GENERAL CREDIT AND PAYABLE SOLELY FROM, AND CONSTITUTE CLAIMS OF THE HOLDERS THEREOF AGAINST ONLY, THE TRUST ESTATE. THE BONDS, THE PREMIUM, IF ANY, AND THE INTEREST THEREON SHALL NOT BE DEEMED TO CONSTITUTE DEBT OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, AND NONE OF THE ISSUER, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF SHALL BE LIABLE THEREON, NOR IN ANY EVENT SHALL THE BONDS BE PAYABLE OUT OF ANY FUNDS OR PROPERTIES OTHER THAN THOSE SPECIFICALLY PLEDGED THERETO. NEITHER THE FAITH AND CREDIT NOR TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE BONDS. THE ISSUER HAS NO TAXING POWER.**

(b) All covenants, obligations and agreements of the Issuer contained in this Financing Agreement and the Indenture shall be effective to the extent authorized and permitted by applicable law. No covenant, agreement or obligation contained herein shall be deemed to be a covenant, agreement or obligation of any present or future governing board member, director, officer, employee or agent of the Issuer in his individual capacity, and neither the governing board members of the Issuer nor any director, officer or employee thereof executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof. No governing board member, director, officer, employee or agent of the Issuer shall incur any personal liability with respect to any other action taken by him pursuant to

the Indenture or the Act, provided such governing board member, director, officer, employee or agent acts in good faith.

(c) No agreements or provisions contained in the Indenture nor any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds, shall give rise to any pecuniary liability of the Issuer or a charge against its general credit, or shall obligate the Issuer financially in any way except as may be payable from the repayments by the Borrower under this Financing Agreement and the proceeds of the Bonds and other amounts pledged under the Indenture as part of the Trust Estate. No failure of the Issuer to comply with any term, condition, covenant or agreement herein or in any document executed by the Issuer in connection with the issuance and sale of the Bonds shall subject the Issuer to liability for any claim for damages, costs or other financial or pecuniary charge except to the extent that the same can be paid or recovered from the repayments by the Borrower under this Financing Agreement or other amounts pledged under the Indenture as part of the Trust Estate. Nothing herein shall preclude a proper party in interest from seeking and obtaining, to the extent permitted by law, specific performance against the Issuer for any failure to comply with any term, condition, covenant or agreement herein, provided that no costs, expenses or other monetary relief shall be recoverable from the Issuer except as may be payable from the repayments by the Borrower and other amounts pledged under the Indenture as part of the Trust Estate.

(d) No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Indenture against any past, present or future governing board member, director, officer, employee or agent of the Issuer, or of any successor public corporation, as such, either directly or through the Issuer or any successor public corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such governing board members, directors, officers, employees or agents, as such, is hereby expressly waived and released as a condition of, and consideration for, the execution of the Indenture and the issuance of such Bonds.

(e) Anything in the Indenture to the contrary notwithstanding, it is expressly understood and agreed by the parties hereto that (i) the Issuer may rely conclusively on the truth and accuracy of any certificate, opinion, notice, or other instrument furnished to the Issuer by the Trustee or the Borrower as to the existence of any fact or state of affairs required hereunder to be noticed by the Issuer; (ii) the Issuer shall not be under any obligation hereunder to perform any record keeping or to provide any legal services; and (iii) none of the provisions of the Indenture shall require the Issuer to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers hereunder, unless it shall first have been adequately indemnified to its satisfaction against the cost, expenses, and liability which may be incurred thereby.

(f) No provision, representation, covenant or agreement contained in this Financing Agreement or in the Indenture, the Bonds, or any obligation herein or therein imposed upon the Issuer, or the breach thereof, shall constitute or give rise to or impose upon the Issuer a pecuniary liability (except to the extent of any loan repayments, revenues and receipts derived by the Issuer pursuant to this Financing Agreement and other amounts pledged as part of the Trust Estate). No provision hereof shall be construed to impose a charge against the general credit of the Issuer, the State or any other political subdivision of the State, the taxing powers of the foregoing, within the meaning of any constitutional provision or statutory limitation, or any personal or pecuniary liability upon any governing board member, director, officer, agent or employee of the Issuer.

Section 9.09. Term of This Financing Agreement. This Financing Agreement shall be in full force and effect from its date to and including such date as all of the Bonds shall have been fully paid or retired (or provision for such payment shall have been made as provided in the Indenture); provided, however, that the provisions of Sections 5.05 and 5.09 of this Financing Agreement shall survive the termination hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Financing Agreement to be executed by their duly authorized representatives as of the date of execution set forth below.

MULTIFAMILY LOAN AND SECURITY AGREEMENT (Non-Recourse)

This MULTIFAMILY LOAN AND SECURITY AGREEMENT (as amended, restated, replaced, supplemented, or otherwise modified from time to time, the “**Loan Agreement**”) is made as of the Effective Date (as hereinafter defined) by and between **THF OAKS ON LAMAR, LP**, a Texas limited partnership (“**Borrower**”), and **TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS**, a public and official agency of the State of Texas (“**Lender**”).

RECITALS:

WHEREAS, Borrower desires to obtain the Mortgage Loan (as hereinafter defined) from Lender to be secured by the Mortgaged Property (as hereinafter defined); and

WHEREAS, Lender is willing to make the Mortgage Loan on the terms and conditions contained in this Loan Agreement and in the other Loan Documents (as hereinafter defined);

NOW, THEREFORE, in consideration of the making of the Mortgage Loan by Lender and other good and valuable consideration, the receipt and adequacy of which are hereby conclusively acknowledged, the parties hereby covenant, agree, represent, and warrant as follows:

AGREEMENTS:

ARTICLE 1 - DEFINITIONS; SUMMARY OF MORTGAGE LOAN TERMS

Section 1.01 Defined Terms.

Capitalized terms not otherwise defined in the body of this Loan Agreement shall have the meanings set forth in the Definitions Schedule attached as Schedule 1 to this Loan Agreement.

Section 1.02 Schedules, Exhibits, and Attachments Incorporated.

The schedules, exhibits, and any other addenda or attachments are incorporated fully into this Loan Agreement by this reference and each constitutes a substantive part of this Loan Agreement.

ARTICLE 2 - GENERAL MORTGAGE LOAN TERMS

Section 2.01 Mortgage Loan Origination and Security.

(a) Making of Mortgage Loan.

Subject to the terms and conditions of this Loan Agreement and the other Loan Documents, Lender hereby makes the Mortgage Loan to Borrower, and Borrower hereby accepts the Mortgage Loan from Lender. Borrower covenants and agrees that it shall:

(1) pay the Indebtedness, including the Prepayment Premium, if any (whether in connection with any voluntary prepayment or in connection with an acceleration by Lender of the Indebtedness), in accordance with the terms of this Loan Agreement and the other Loan Documents; and

(2) perform, observe, and comply with this Loan Agreement and all other provisions of the other Loan Documents.

(b) Security for Mortgage Loan.

The Mortgage Loan is made pursuant to this Loan Agreement, is evidenced by the Note, and is secured by the Security Instrument, this Loan Agreement, and the other Loan Documents that are expressly stated to be security for the Mortgage Loan.

(c) Protective Advances.

As provided in the Security Instrument, Lender may take such actions or disburse such funds as Lender reasonably deems necessary to perform the obligations of Borrower under this Loan Agreement and the other Loan Documents and to protect Lender's interest in the Mortgaged Property.

Section 2.02 Payments on Mortgage Loan.

(a) Debt Service Payments.

(1) Short Month Interest.

If the date the Mortgage Loan proceeds are disbursed is any day other than the first day of the month, interest for the period beginning on the disbursement date and ending on and including the last day of the month in which the disbursement occurs shall be payable by Borrower on the date the Mortgage Loan proceeds are disbursed. In the event that the disbursement date is not the same as the Effective Date, then:

(A) the disbursement date and the Effective Date must be in the same month, and

(B) the Effective Date shall not be the first day of the month.

(2) Interest Accrual and Computation.

Except as provided in Section 2.02(a)(1), interest shall be paid in arrears. Interest shall accrue as provided in the Schedule of Interest Rate Type Provisions and shall be computed in accordance with the Interest Accrual Method. If the Interest Accrual Method is "Actual/360," Borrower acknowledges and agrees that the amount allocated to interest for each month will vary depending on the actual number of calendar days during such month.

(3) Monthly Debt Service Payments.

Consecutive monthly debt service installments (comprised of either interest only or principal and interest, depending on the Amortization Type), each in the amount of the applicable Monthly Debt Service Payment, shall be due and payable on the First Payment Date, and on each Payment Date thereafter until the Maturity Date, at which time all Indebtedness shall be due. Any regularly scheduled Monthly Debt Service Payment that is received by Lender before the applicable Payment Date shall be deemed to have been received on such Payment Date solely for the purpose of calculating interest due. All payments made by Borrower under this Loan Agreement shall be made without set-off, counterclaim, or other defense.

(4) Payment at Maturity.

The unpaid principal balance of the Mortgage Loan, any Accrued Interest thereon and all other Indebtedness shall be due and payable on the Maturity Date.

(5) Interest Rate Type.

See the Schedule of Interest Rate Type Provisions for additional provisions, if any, specific to the Interest Rate Type.

(b) Capitalization of Accrued But Unpaid Interest.

Any accrued and unpaid interest on the Mortgage Loan remaining past due for thirty (30) days or more may, at Lender's election, be added to and become part of the unpaid principal balance of the Mortgage Loan.

(c) Late Charges.

(1) If any Monthly Debt Service Payment due hereunder is not received by Lender within ten (10) days (or fifteen (15) days for any Mortgaged Property located in Mississippi or North Carolina to comply with applicable law) after the applicable Payment Date, or any amount payable under this Loan Agreement (other than the payment due on

the Maturity Date for repayment of the Mortgage Loan in full) or any other Loan Document is not received by Lender within ten (10) days (or fifteen (15) days for any Mortgaged Property located in Mississippi or North Carolina to comply with applicable law) after the date such amount is due, inclusive of the date on which such amount is due, Borrower shall pay to Lender, immediately without demand by Lender, the Late Charge.

The Late Charge is payable in addition to, and not in lieu of, any interest payable at the Default Rate pursuant to Section 2.02(d).

(2) Borrower acknowledges and agrees that:

(A) its failure to make timely payments will cause Lender to incur additional expenses in servicing and processing the Mortgage Loan;

(B) it is extremely difficult and impractical to determine those additional expenses;

(C) Lender is entitled to be compensated for such additional expenses; and

(D) the Late Charge represents a fair and reasonable estimate, taking into account all circumstances existing on the date hereof, of the additional expenses Lender will incur by reason of any such late payment.

(d) Default Rate.

(1) Default interest shall be paid as follows:

(A) If any amount due in respect of the Mortgage Loan (other than amounts due on the Maturity Date) remains past due for thirty (30) days or more, interest on such unpaid amount(s) shall accrue from the date payment is due at the Default Rate and shall be payable upon demand by Lender.

(B) If any Indebtedness due is not paid in full on the Maturity Date, then interest shall accrue at the Default Rate on all such unpaid amounts from the Maturity Date until fully paid and shall be payable upon demand by Lender.

Absent a demand by Lender, any such amounts shall be payable by Borrower in the same manner as provided for the payment of Monthly Debt Service Payments. To the extent permitted by applicable law, interest shall also accrue at the Default Rate on any judgment obtained by Lender against Borrower in connection with the Mortgage Loan. To the extent Borrower or any other Person is vested with a right of redemption, interest shall continue to accrue at the Default Rate during any redemption period until such time as the Mortgaged Property has been redeemed.

(2) Borrower acknowledges and agrees that:

(A) its failure to make timely payments will cause Lender to incur additional expenses in servicing and processing the Mortgage Loan; and

(B) in connection with any failure to timely pay all amounts due in respect of the Mortgage Loan on the Maturity Date, or during the time that any amount due in respect of the Mortgage Loan is delinquent for more than thirty (30) days:

(i) Lender's risk of nonpayment of the Mortgage Loan will be materially increased;

(ii) Lender's ability to meet its other obligations and to take advantage of other investment opportunities will be adversely impacted;

(iii) Lender will incur additional costs and expenses arising from its loss of the use of the amounts due;

(iv) it is extremely difficult and impractical to determine such additional costs and expenses;

(v) Lender is entitled to be compensated for such additional risks, costs, and expenses; and

(vi) the increase from the Interest Rate to the Default Rate represents a fair and reasonable estimate of the additional risks, costs, and expenses Lender will incur by reason of Borrower's delinquent payment and the additional compensation Lender is entitled to receive for the increased risks of nonpayment associated with a delinquency on the Mortgage Loan (taking into account all circumstances existing on the Effective Date).

(e) Address for Payments.

All payments due pursuant to the Loan Documents shall be payable at Lender's Payment Address, or such other place and in such manner as may be designated from time to time by written notice to Borrower by Lender.

(f) Application of Payments.

If at any time Lender receives, from Borrower or otherwise, any payment in respect of the Indebtedness that is less than all amounts due and payable at such time, then Lender may apply such payment to amounts then due and payable in any manner and in any order determined by Lender or hold in suspense and not apply such payment at Lender's election. Neither Lender's

acceptance of a payment that is less than all amounts then due and payable, nor Lender's application of, or suspension of the application of, such payment, shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such payment to the Indebtedness, Borrower's obligations under this Loan Agreement and the other Loan Documents shall remain unchanged.

Section 2.03 Lockout/Prepayment.

(a) Prepayment; Prepayment Lockout; Prepayment Premium.

(1) Borrower shall not make a voluntary full or partial prepayment on the Mortgage Loan during any Prepayment Lockout Period nor shall Borrower make a voluntary partial prepayment at any time. Except as expressly provided in this Loan Agreement (including as provided in the Prepayment Premium Schedule), a Prepayment Premium calculated in accordance with the Prepayment Premium Schedule shall be payable in connection with any prepayment of the Mortgage Loan.

(2) If a Prepayment Lockout Period applies to the Mortgage Loan, and during such Prepayment Lockout Period Lender accelerates the unpaid principal balance of the Mortgage Loan or otherwise applies collateral held by Lender to the repayment of any portion of the unpaid principal balance of the Mortgage Loan, the Prepayment Premium shall be due and payable and equal to the amount obtained by multiplying the percentage indicated (if at all) in the Prepayment Premium Schedule by the amount of principal being prepaid at the time of such acceleration or application.

(b) Voluntary Prepayment in Full.

At any time after the expiration of any Prepayment Lockout Period, Borrower may voluntarily prepay the Mortgage Loan in full on a Permitted Prepayment Date so long as:

(1) Borrower delivers to Lender a Prepayment Notice specifying the Intended Prepayment Date not more than sixty (60) days, but not less than thirty (30) days (if given via U.S. Postal Service) or twenty (20) days (if given via facsimile, e-mail, or overnight courier) prior to such Intended Prepayment Date; and

(2) Borrower pays to Lender an amount equal to the sum of:

(A) the entire unpaid principal balance of the Mortgage Loan; plus

(B) all Accrued Interest (calculated through the last day of the month in which the prepayment occurs); plus

(C) the Prepayment Premium; plus

(D) all other Indebtedness.

In connection with any such voluntary prepayment, Borrower acknowledges and agrees that interest shall always be calculated and paid through the last day of the month in which the prepayment occurs (even if the Permitted Prepayment Date for such month is not the last day of such month, or if Lender approves prepayment on an Intended Prepayment Date that is not a Permitted Prepayment Date). Borrower further acknowledges that Lender is not required to accept a voluntary prepayment of the Mortgage Loan on any day other than a Permitted Prepayment Date. However, if Lender does approve an Intended Prepayment Date that is not a Permitted Prepayment Date and accepts a prepayment on such Intended Prepayment Date, such prepayment shall be deemed to be received on the immediately following Permitted Prepayment Date. If Borrower fails to prepay the Mortgage Loan on the Intended Prepayment Date for any reason (including on any Intended Prepayment Date that is approved by Lender) and such failure either continues for five (5) Business Days, or into the following month, Lender shall have the right to recalculate the payoff amount. If Borrower prepays the Mortgage Loan either in the following month or more than five (5) Business Days after the Intended Prepayment Date that was approved by Lender, Lender shall also have the right to recalculate the payoff amount based upon the amount of such payment and the date such payment was received by Lender. Borrower shall immediately pay to Lender any additional amounts required by any such recalculation.

(c) Acceleration of Mortgage Loan.

Upon acceleration of the Mortgage Loan, Borrower shall pay to Lender:

- (1) the entire unpaid principal balance of the Mortgage Loan;
- (2) all Accrued Interest (calculated through the last day of the month in which the acceleration occurs);
- (3) the Prepayment Premium; and
- (4) all other Indebtedness.

(d) Application of Collateral.

Any application by Lender of any collateral or other security to the repayment of all or any portion of the unpaid principal balance of the Mortgage Loan prior to the Maturity Date in accordance with the Loan Documents shall be deemed to be a prepayment by Borrower. Any such prepayment shall require the payment to Lender by Borrower of the Prepayment Premium calculated on the amount being prepaid in accordance with this Loan Agreement.

(e) Casualty and Condemnation.

Notwithstanding any provision of this Loan Agreement to the contrary, no Prepayment Premium shall be payable with respect to any prepayment occurring as a result of the application of any insurance proceeds or amounts received in connection with a Condemnation Action in accordance with this Loan Agreement.

(f) No Effect on Payment Obligations.

Unless otherwise expressly provided in this Loan Agreement, any prepayment required by any Loan Document of less than the entire unpaid principal balance of the Mortgage Loan shall not extend or postpone the due date of any subsequent Monthly Debt Service Payments, Monthly Replacement Reserve Deposit, or other payment, or change the amount of any such payments or deposits.

(g) Loss Resulting from Prepayment.

In any circumstance in which a Prepayment Premium is due under this Loan Agreement, Borrower acknowledges that:

(1) any prepayment of the unpaid principal balance of the Mortgage Loan, whether voluntary or involuntary, or following the occurrence of an Event of Default by Borrower, will result in Lender's incurring loss, including reinvestment loss, additional risk, expense, and frustration or impairment of Lender's ability to meet its commitments to third parties;

(2) it is extremely difficult and impractical to ascertain the extent of such losses, risks, and damages;

(3) the formula for calculating the Prepayment Premium represents a reasonable estimate of the losses, risks, and damages Lender will incur as a result of a prepayment; and

(4) the provisions regarding the Prepayment Premium contained in this Loan Agreement are a material part of the consideration for the Mortgage Loan, and that the terms of the Mortgage Loan are in other respects more favorable to Borrower as a result of Borrower's voluntary agreement to such prepayment provisions.

ARTICLE 3 - PERSONAL LIABILITY

Section 3.01 Non-Recourse Mortgage Loan; Exceptions.

Except as otherwise provided in this Article 3 or in any other Loan Document, none of Borrower, or any director, officer, manager, member, partner, shareholder, trustee, trust beneficiary, or employee of Borrower, shall have personal liability under this Loan Agreement or any other Loan Document for the repayment of the Indebtedness or for the performance of any other obligations of Borrower under the Loan Documents, and Lender's only recourse for the satisfaction of such Indebtedness and the performance of such obligations shall be Lender's exercise of its rights and remedies with respect to the Mortgaged Property and any other collateral held by Lender as security for the Indebtedness. This limitation on Borrower's liability shall not limit or impair Lender's enforcement of its rights against Guarantor under any Loan Document.

Section 3.02 Personal Liability of Borrower (Exceptions to Non-Recourse Provision).

(a) Personal Liability Based on Lender's Loss.

Borrower shall be personally liable to Lender for the repayment of the portion of the Indebtedness equal to any loss or damage suffered by Lender as a result of, subject to any notice and cure period, if any:

(1) failure to pay as directed by Lender upon demand after an Event of Default (to the extent actually received by Borrower):

(A) all Rents to which Lender is entitled under the Loan Documents; and

(B) the amount of all security deposits then held or thereafter collected by Borrower from tenants and not properly applied pursuant to the applicable Leases;

(2) failure to maintain all insurance policies required by the Loan Documents, except to the extent Lender has the obligation to pay the premiums pursuant to Section 12.03(c);

(3) failure to apply all insurance proceeds received by Borrower or any amounts received by Borrower in connection with a Condemnation Action, as required by the Loan Documents;

(4) failure to comply with any provision of this Loan Agreement or any other Loan Document relating to the delivery of books and records, statements, schedules, and reports;

(5) except to the extent directed otherwise by Lender pursuant to the terms of the Loan Documents, failure to apply Rents to the ordinary and necessary expenses of owning and operating the Mortgaged Property and Debt Service Amounts, as and when each is due and payable, except that Borrower will not be personally liable with respect to Rents that are distributed by Borrower in any calendar year if Borrower has paid all ordinary and necessary expenses of owning and operating the Mortgaged Property and Debt Service Amounts for such calendar year;

(6) waste or abandonment of the Mortgaged Property; or

(7) grossly negligent or reckless unintentional material misrepresentation or omission by Borrower, Guarantor, Key Principal, or any officer, director, partner, manager, member, shareholder, or trustee of Borrower, Guarantor, or Key Principal in connection with on-going financial or other reporting required by the Loan Documents, or any request for action or consent by Lender.

Notwithstanding the foregoing, Borrower shall not have personal liability under clauses (1), (3), or (5) above to the extent that Borrower lacks the legal right to direct the disbursement of the applicable funds due to an involuntary Bankruptcy Event that occurs without the consent, encouragement, or active participation of (A) Borrower, Guarantor, or Key Principal, (B) any Person Controlling Borrower, Guarantor, or Key Principal or (C) any Person Controlled by or under common Control with Borrower, Guarantor, or Key Principal.

(b) Full Personal Liability for Mortgage Loan.

Borrower shall be personally liable to Lender for the repayment of all of the Indebtedness, and the Mortgage Loan shall be fully recourse to Borrower, upon the occurrence of any of the following:

(1) failure by Borrower to materially comply with the single-asset entity requirements of Section 4.02(d) of this Loan Agreement;

(2) a Transfer other than a conveyance of the Mortgaged Property at a Foreclosure Event pursuant to the Security Instrument and this Loan Agreement that is not permitted under this Loan Agreement or any other Loan Document;

(3) the occurrence of any Bankruptcy Event (other than an acknowledgement in writing as described in clause (b) of the definition of “Bankruptcy Event”); provided, however, in the event of an involuntary Bankruptcy Event, Borrower shall only be personally liable if such involuntary Bankruptcy Event occurs with the consent, encouragement, or active participation of (A) Borrower, Guarantor, or Key Principal, (B) any Person Controlling Borrower, Guarantor, or Key Principal, or (C) any Person Controlled by or under common Control with Borrower, Guarantor, or Key Principal;

(4) fraud, written material misrepresentation, or material omission by Borrower, Guarantor, Key Principal, or any officer, director, partner, manager, member, shareholder, or trustee of Borrower, Guarantor, or Key Principal in connection with any application for or creation of the Indebtedness; or

(5) fraud, written intentional material misrepresentation, or intentional material omission by Borrower, Guarantor, Key Principal, or any officer, director, partner, manager, member, shareholder, or trustee of Borrower, Guarantor, or Key Principal in connection with on-going financial or other reporting required by the Loan Documents, or any request for action or consent by Lender.

Section 3.03 Personal Liability for Indemnity Obligations.

Borrower shall be personally and fully liable to Lender for Borrower’s indemnity obligations under Section 13.01(e) of this Loan Agreement, the Environmental Indemnity Agreement, and any other express indemnity obligations provided by Borrower under any Loan Document (other than Section 15.19 for which Borrower shall have no such personal liability and

which shall not constitute an obligation under the Guaranty, notwithstanding anything to the contrary contained in the Guaranty). Borrower's liability for such indemnity obligations shall not be limited by the amount of the Indebtedness, the repayment of the Indebtedness, or otherwise, provided that Borrower's liability for such indemnities shall not include any loss caused by the gross negligence or willful misconduct of Lender as determined by a court of competent jurisdiction pursuant to a final non-appealable court order.

Section 3.04 Lender's Right to Forego Rights Against Mortgaged Property.

To the extent that Borrower has personal liability under this Loan Agreement or any other Loan Document, Lender may exercise its rights against Borrower personally to the fullest extent permitted by applicable law without regard to whether Lender has exercised any rights against the Mortgaged Property, the UCC Collateral, or any other security, or pursued any rights against Guarantor, or pursued any other rights available to Lender under this Loan Agreement, any other Loan Document, or applicable law. For purposes of this Section 3.04 only, the term "Mortgaged Property" shall not include any funds that have been applied by Borrower as required or permitted by this Loan Agreement prior to the occurrence of an Event of Default, or that Borrower was unable to apply as required or permitted by this Loan Agreement because of a Bankruptcy Event. To the fullest extent permitted by applicable law, in any action to enforce Borrower's personal liability under this Article 3, Borrower waives any right to set off the value of the Mortgaged Property against such personal liability.

ARTICLE 4 - BORROWER STATUS

Section 4.01 Representations and Warranties.

The representations and warranties made by Borrower to Lender in this Section 4.01 are made as of the Effective Date and are true and correct as of the Effective Date except as disclosed on the Exceptions to Representations and Warranties Schedule.

(a) Due Organization and Qualification.

Borrower is validly existing and qualified to transact business and is in good standing in the state in which it is formed or organized, the Property Jurisdiction, and in each other jurisdiction that qualification or good standing is required according to applicable law to conduct its business with respect to the Mortgaged Property and where the failure to be so qualified or in good standing would adversely affect Borrower's operation of the Mortgaged Property or the validity, enforceability or the ability of Borrower to perform its obligations under this Loan Agreement or any other Loan Document.

(b) Location.

Borrower's General Business Address is Borrower's principal place of business and principal office.

(c) Power and Authority.

Borrower has the requisite power and authority:

(1) to own the Mortgaged Property and to carry on its business as now conducted and as contemplated to be conducted in connection with the performance of its obligations under this Loan Agreement and under the other Loan Documents to which it is a party; and

(2) to execute and deliver this Loan Agreement and the other Loan Documents to which it is a party, and to carry out the transactions contemplated by this Loan Agreement and the other Loan Documents to which it is a party.

(d) Due Authorization.

The execution, delivery, and performance of this Loan Agreement and the other Loan Documents to which it is a party have been duly authorized by all necessary action and proceedings by or on behalf of Borrower, and no further approvals or filings of any kind, including any approval of or filing with any Governmental Authority, are required by or on behalf of Borrower as a condition to the valid execution, delivery, and performance by Borrower of this Loan Agreement or any of the other Loan Documents to which it is a party, except filings required to perfect and maintain the liens to be granted under the Loan Documents and routine filings to maintain good standing and its existence.

(e) Valid and Binding Obligations.

This Loan Agreement and the other Loan Documents to which it is a party have been duly executed and delivered by Borrower and constitute the legal, valid, and binding obligations of Borrower, enforceable against Borrower in accordance with their respective terms, except as such enforceability may be limited by applicable Insolvency Laws or by the exercise of discretion by any court.

(f) Effect of Mortgage Loan on Borrower's Financial Condition.

The Mortgage Loan will not render Borrower Insolvent. Borrower reasonably expects to have sufficient working capital, including proceeds from the Mortgage Loan, cash flow from the Mortgaged Property, or other sources, not only to adequately maintain the Mortgaged Property, but also to pay all of Borrower's outstanding debts as they come due, including all Debt Service Amounts, exclusive of Borrower's ability to refinance or pay in full the Mortgage Loan on the Maturity Date. In connection with the execution and delivery of this Loan Agreement and the other Loan Documents (and the delivery to, or for the benefit of, Lender of any collateral contemplated thereunder), and the incurrence by Borrower of the obligations under this Loan Agreement and the other Loan Documents, Borrower did not receive less than reasonably equivalent value in exchange for the incurrence of the obligations of Borrower under this Loan Agreement and the other Loan Documents.

(g) Economic Sanctions, Anti-Money Laundering, and Anti-Corruption.

(1) None of Borrower, Guarantor, or Key Principal, nor to Borrower's knowledge, any Person Controlling Borrower, Guarantor, or Key Principal, nor any Person Controlled by Borrower, Guarantor, or Key Principal that also has a direct or indirect ownership interest in Borrower, Guarantor, or Key Principal, is in violation of any applicable civil or criminal laws or regulations, including those requiring internal controls, intended to prohibit, prevent, or regulate money laundering, drug trafficking, terrorism, or corruption, of the United States and the jurisdiction where the Mortgaged Property is located or where the Person resides, is domiciled, or has its principal place of business.

(2) None of Borrower, Guarantor, or Key Principal, nor to Borrower's knowledge, any Person Controlling Borrower, Guarantor, or Key Principal, nor any Person Controlled by Borrower, Guarantor, or Key Principal that also has a direct or indirect ownership interest in Borrower, Guarantor, or Key Principal, is a Person:

(A) against whom proceedings are pending for any alleged violation of any laws described in Section 4.01(g)(1);

(B) that has been convicted of any violation of, has been subject to civil penalties or Economic Sanctions pursuant to, or had any of its property seized or forfeited under, any laws described in Section 4.01(g)(1); or

(C) with whom any United States Person, any entity organized under the laws of the United States or its constituent states or territories, or any entity, regardless of where organized, having its principal place of business within the United States or any of its territories, is a Sanctioned Person or is otherwise prohibited from transacting business of the type contemplated by this Loan Agreement and the other Loan Documents under any other applicable law.

(3) Borrower, Guarantor, and Key Principal are in compliance with all applicable Economic Sanctions laws and regulations.

(h) Borrower Single Asset Status.

Borrower:

(3) except as previously disclosed to Lender, has no material financial obligation under or secured by any indenture, mortgage, deed of trust, deed to secure debt,

loan agreement, or other agreement or instrument to which Borrower is a party, or by which Borrower is otherwise bound, or to which the Mortgaged Property is subject or by which it is otherwise encumbered, other than:

(A) unsecured trade payables incurred in the ordinary course of the operation of the Mortgaged Property (exclusive of amounts for rehabilitation, restoration, repairs, or replacements of the Mortgaged Property) that (i) are not evidenced by a promissory note, (ii) are payable within sixty (60) days of the date incurred, and (iii) as of the Effective Date, do not exceed, in the aggregate, four percent (4%) of the original principal balance of the Mortgage Loan;

(B) if the Security Instrument grants a lien on a leasehold estate, Borrower's obligations as lessee under the ground lease creating such leasehold estate; and

(C) obligations under the Loan Documents and obligations secured by the Mortgaged Property to the extent permitted by the Loan Documents;

(4) has maintained its financial statements, accounting records, and other partnership, real estate investment trust, limited liability company, or corporate documents, as the case may be, separate from those of any other Person (unless Borrower's assets have been included in a consolidated financial statement prepared in accordance with generally accepted accounting principles);

(5) has not commingled its assets or funds with those of any other Person, unless such assets or funds can easily be segregated and identified in the ordinary course of business from those of any other Person;

(6) has been adequately capitalized in light of its contemplated business operations;

(7) has not assumed, guaranteed, or pledged its assets to secure the liabilities or obligations of any other Person (except in connection with the Mortgage Loan or other mortgage loans that have been paid in full or collaterally assigned to Lender, including in connection with any Consolidation, Extension and Modification Agreement or similar instrument), or held out its credit as being available to satisfy the obligations of any other Person;

(8) has not made loans or advances to any other Person; and

(9) has not entered into, and is not a party to, any transaction with any Borrower Affiliate, except in the ordinary course of business and on terms which are no more favorable to any such Borrower Affiliate than would be obtained in a comparable arm's length transaction with an unrelated third party.

(i) No Bankruptcies or Judgments.

None of Borrower, Guarantor, or Key Principal, nor to Borrower's knowledge, any Person Controlling Borrower, Guarantor, or Key Principal, nor any Person Controlled by Borrower, Guarantor, or Key Principal that also has a direct or indirect ownership interest in Borrower, Guarantor, or Key Principal, is currently:

- (1) the subject of or a party to any completed or pending bankruptcy, reorganization, including any receivership or other insolvency proceeding;
 - (2) preparing or intending to be the subject of a Bankruptcy Event; or
 - (3) the subject of any judgment unsatisfied of record or docketed in any court;
- or
- (4) Insolvent.

(j) No Actions or Litigation.

(1) There are no claims, actions, suits, or proceedings at law or in equity by or before any Governmental Authority now pending against or, to Borrower's knowledge, threatened against or affecting Borrower or the Mortgaged Property not otherwise covered by insurance (except claims, actions, suits, or proceedings regarding fair housing, anti-discrimination, or equal opportunity, which shall always be disclosed); and

(2) there are no claims, actions, suits, or proceedings at law or in equity by or before any Governmental Authority now pending or, to Borrower's knowledge, threatened against or affecting Guarantor or Key Principal, which claims, actions, suits, or proceedings, if adversely determined (individually or in the aggregate) reasonably would be expected to materially adversely affect the financial condition or business of Borrower, Guarantor, or Key Principal or the condition, operation, or ownership of the Mortgaged Property (except claims, actions, suits, or proceedings regarding fair housing, anti-discrimination, or equal opportunity, which shall always be deemed material).

(k) Payment of Taxes, Assessments, and Other Charges.

Borrower confirms that:

(1) it has filed all federal, state, county, and municipal tax returns and reports required to have been filed by Borrower;

(3) no asset of Borrower is subject to any laws of any Governmental Authority governing the assets of an Employee Benefit Plan; and

(4) neither Borrower nor any ERISA Affiliate is subject to any obligation or liability with respect to any ERISA Plan.

(n) Default Under Other Obligations.

(1) The execution, delivery, and performance of the obligations imposed on Borrower under this Loan Agreement and the Loan Documents to which it is a party will not cause Borrower to be in default under the provisions of any agreement, judgment, or order to which Borrower is a party or by which Borrower is bound.

(2) None of Borrower, Guarantor, or Key Principal is in default under any obligation to Lender.

(o) Prohibited Person.

None of Borrower, Guarantor, or Key Principal is a Prohibited Person, nor to Borrower’s knowledge, is any Person:

(1) Controlling Borrower, Guarantor, or Key Principal a Prohibited Person; or

(2) Controlled by and having a direct or indirect ownership interest in Borrower, Guarantor, or Key Principal a Prohibited Person.

(p) No Contravention.

Neither the execution and delivery of this Loan Agreement and the other Loan Documents to which Borrower is a party, nor the fulfillment of or compliance with the terms and conditions of this Loan Agreement and the other Loan Documents to which Borrower is a party, nor the performance of the obligations of Borrower under this Loan Agreement and the other Loan Documents does or will conflict with or result in any breach or violation of, or constitute a default under, any of the terms, conditions, or provisions of Borrower's organizational documents, or any indenture, existing agreement, or other instrument to which Borrower is a party or to which Borrower, the Mortgaged Property, or other assets of Borrower are subject.

(q) Lockbox Arrangement.

Borrower is not party to any type of lockbox agreement or similar cash management arrangement that has not been approved by Lender in writing, and no direct or indirect owner of Borrower is party to any type of lockbox agreement or similar cash management arrangement with respect to Rents or other income from the Mortgaged Property that has not been approved by Lender in writing.

Borrower shall continue to be duly qualified and in good standing to transact business in each jurisdiction in which qualification or standing is required according to applicable law to conduct its business with respect to the Mortgaged Property and where the failure to do so would adversely affect Borrower's operation of the Mortgaged Property or the validity, enforceability, or the ability of Borrower to perform its obligations under this Loan Agreement or any other Loan Document. Neither Borrower nor any partner, member, manager, officer, or director of Borrower shall, except as permitted by Article 11 of this Agreement:

(f) Notice of Litigation or Insolvency.

Borrower shall give immediate written notice to Lender of any claims, actions, suits, or proceedings at law or in equity (including any insolvency, bankruptcy, or receivership proceeding) by or before any Governmental Authority pending or, to Borrower's knowledge, threatened against or affecting Borrower, Guarantor, Key Principal, or the Mortgaged Property, which claims, actions, suits, or proceedings, if adversely determined reasonably would be expected to materially adversely affect the financial condition or business of Borrower, Guarantor, or Key Principal, or the condition, operation, or ownership of the Mortgaged Property (including any claims, actions, suits, or proceedings regarding fair housing, anti-discrimination, or equal opportunity, which shall always be deemed material).

(g) Payment of Costs, Fees, and Expenses.

In addition to the payments specified in this Loan Agreement, Borrower shall pay, on demand, all of Lender's out-of-pocket fees, costs, charges, or expenses (including the reasonable fees and expenses of attorneys, accountants, and other experts) incurred by Lender, except for fees, costs, charges or expenses incurred in connection with Lender's gross negligence or willful misconduct as determined by a court of law with competent jurisdiction, in connection with:

(3) With respect to any Material Commercial Lease or non-Material Commercial Lease, Borrower shall cause the applicable tenant to provide within ten (10) days after a request by Borrower, a certificate of estoppel, or if not provided by tenant within such ten (10) day period, Borrower shall provide such certificate of estoppel, certifying:

(c) Payment of Rents.

Borrower shall:

(1) pay to Lender upon demand all Rents actually received by Borrower after an Event of Default has occurred and is continuing;

(3) not accept Rent under any Lease (whether a Residential Lease or a non-Residential Lease) for more than two (2) months in advance.

(d) Assignment of Rents.

Borrower shall not:

(1) perform any acts nor execute any instrument that would prevent Lender from exercising its rights under the assignment of Rents granted in the Security Instrument or in any other Loan Document; nor

(2) interfere with Lender's collection of such Rents.

(e) Further Assignments of Leases and Rents.

Borrower shall execute and deliver any further assignments of Leases and Rents as Lender may reasonably require.

(2) such Lease and all rights of the tenant thereunder are expressly subordinate to the lien of the Security Instrument;

Section 8.03 Mortgage Loan Administration Matters Regarding Books and Records and Financial Reporting.

(a) Lender's Right to Obtain Audited Books and Records.

Lender may require that Borrower's or Guarantor's books and records be audited, at Borrower's expense, by an independent certified public accountant selected by Lender in order to produce or audit any statements, schedules, and reports of Borrower, Guarantor, or the Mortgaged Property required by Section 8.02, if:

- (1) Borrower or Guarantor fails to provide in a timely manner the statements, schedules, and reports required by Section 8.02 and, thereafter, Borrower or Guarantor fails to provide such statements, schedules, and reports within the cure period provided in Section 14.01(c);

ARTICLE 9 - INSURANCE

Section 9.01 Representations and Warranties.

The representations and warranties made by Borrower to Lender in this Section 9.01 are made as of the Effective Date and are true and correct as of the Effective Date except as disclosed on the Exceptions to Representations and Warranties Schedule.

(a) Compliance with Insurance Requirements.

Borrower is in compliance with Lender's insurance requirements (or has obtained a written waiver from Lender for any non-compliant coverage) and has timely paid all premiums on all required insurance policies.

(b) Property Condition.

(1) The Mortgaged Property has not been damaged by fire, water, wind, or other cause of loss; or

(2) if previously damaged, any previous damage to the Mortgaged Property has been repaired and the Mortgaged Property has been fully restored.

Section 9.02 Covenants.

(a) Insurance Requirements.

(1) As required by Lender and applicable law, and as may be modified from time to time, Borrower shall:

(A) keep the Improvements insured at all times against any hazards, which insurance shall include coverage against loss by fire and all other perils insured by the "special causes of loss" coverage form, general boiler and machinery coverage, business income coverage, and flood (if any of the Improvements are located in an area identified by the Federal Emergency Management Agency (or any successor) as an area having special flood hazards and to the extent flood insurance is available in that area), and may include sinkhole insurance, mine subsidence insurance, earthquake insurance, terrorism insurance, windstorm insurance and, if the Mortgaged Property does not conform to applicable building, zoning, or land use laws, ordinance and law coverage;

(B) maintain at all times commercial general liability insurance, workmen's compensation insurance, and such other liability, errors and omissions, and fidelity insurance coverage; and

(C) maintain builder's risk and public liability insurance, and other insurance in connection with completing the Repairs or Replacements, as applicable.

(b) Delivery of Policies, Renewals, Notices, and Proceeds.

Borrower shall:

(1) cause all insurance policies (including any policies not otherwise required by Lender) which can be endorsed with standard non-contributing, non-reporting mortgage clauses making loss payable to Lender (or Lender's assigns) to be so endorsed;

(2) promptly deliver to Lender a copy of all renewal and other notices received by Borrower with respect to the policies and all receipts for paid premiums;

(3) deliver evidence, in form and content acceptable to Lender, that each required insurance policy under this Article 9 has been renewed not less than fifteen (15) days prior to the applicable expiration date, and (if such evidence is other than an original or duplicate original of a renewal policy) deliver the original or duplicate original of each renewal policy (or such other evidence of insurance as may be required by or acceptable to Lender) in form and content acceptable to Lender within ninety (90) days after the applicable expiration date of the original insurance policy;

(4) provide immediate written notice to the insurance company and to Lender of any event of loss;

(5) execute such further evidence of assignment of any insurance proceeds as Lender may require; and

(6) provide immediate written notice to Lender of Borrower's receipt of any insurance proceeds under any insurance policy required by Section 9.02(a)(1) above and, if requested by Lender, deliver to Lender all of such proceeds received by Borrower to be applied by Lender in accordance with this Article 9.

Section 9.03 Mortgage Loan Administration Matters Regarding Insurance

(a) Lender's Ongoing Insurance Requirements.

Borrower acknowledges that Lender's insurance requirements may change from time to time. All insurance policies and renewals of insurance policies required by this Loan Agreement shall be:

(1) in the form and with the terms required by Lender;

(2) in such amounts, with such maximum deductibles and for such periods required by Lender; and

(3) issued by insurance companies satisfactory to Lender.

BORROWER ACKNOWLEDGES THAT ANY FAILURE OF BORROWER TO COMPLY WITH THE REQUIREMENTS SET FORTH IN SECTION 9.02(a) OR SECTION 9.02(b)(3) ABOVE SHALL PERMIT LENDER TO PURCHASE THE APPLICABLE INSURANCE AT BORROWER'S COST. SUCH INSURANCE MAY, BUT NEED NOT, PROTECT BORROWER'S INTERESTS. THE COVERAGE THAT LENDER PURCHASES MAY NOT PAY ANY CLAIM THAT BORROWER MAKES OR ANY CLAIM THAT IS MADE AGAINST BORROWER IN CONNECTION WITH THE MORTGAGED PROPERTY. IF LENDER PURCHASES INSURANCE FOR THE MORTGAGED PROPERTY AS PERMITTED HEREUNDER, BORROWER WILL BE RESPONSIBLE FOR THE COSTS OF THAT INSURANCE, INCLUDING INTEREST AT THE DEFAULT RATE AND ANY OTHER CHARGES LENDER MAY IMPOSE IN CONNECTION WITH THE PLACEMENT OF THE INSURANCE UNTIL THE EFFECTIVE DATE OF THE CANCELLATION OR THE EXPIRATION OF THE INSURANCE. THE COSTS OF THE INSURANCE SHALL BE ADDED TO BORROWER'S TOTAL OUTSTANDING BALANCE OR OBLIGATION AND SHALL CONSTITUTE ADDITIONAL INDEBTEDNESS. THE COSTS OF THE INSURANCE MAY BE MORE THAN THE COST OF INSURANCE BORROWER MAY BE ABLE TO OBTAIN ON ITS OWN. BORROWER MAY LATER CANCEL ANY INSURANCE PURCHASED BY LENDER, BUT ONLY AFTER PROVIDING EVIDENCE THAT BORROWER HAS OBTAINED INSURANCE AS REQUIRED BY THIS LOAN AGREEMENT AND THE OTHER LOAN DOCUMENTS.

(b) Application of Proceeds on Event of Loss.

(1) Upon an event of loss, Lender may, at Lender's option:

(A) hold such proceeds to be applied to reimburse Borrower for the cost of Restoration (in accordance with Lender's then-current policies relating to the restoration of casualty damage on similar multifamily residential properties); or

(B) apply such proceeds to the payment of the Indebtedness, whether or not then due; provided, however, Lender shall not apply insurance proceeds to the payment of the Indebtedness and shall permit Restoration pursuant to Section 9.03(b)(1)(A) if all of the following conditions are met:

(i) no Event of Default has occurred and is continuing (or any event which, with the giving of written notice or the passage of time, or both, would constitute an Event of Default has occurred and is continuing);

(ii) Lender determines that the combination of insurance proceeds and amounts provided by Borrower will be sufficient funds to complete the Restoration;

(iii) Lender determines that the Net Cash Flow generated by the Mortgaged Property after completion of the Restoration will be sufficient to support a debt service coverage ratio not less than the debt service

coverage ratio immediately prior to the event of loss, but in no event less than 1.0x (the debt service coverage ratio shall be calculated on a thirty (30) year amortizing basis (if applicable, on a *proforma* basis approved by Lender) in all events and shall include all operating costs and other expenses, Imposition Deposits, deposits to Collateral Accounts, and Mortgage Loan repayment obligations);

(iv) Lender determines that the Restoration will be completed before the earlier of (1) one year before the stated Maturity Date, or (2) one year after the date of the loss or casualty; and

(v) Borrower provides Lender, upon written request, evidence of the availability during and after the Restoration of the insurance required to be maintained by Borrower pursuant to this Loan Agreement.

After the completion of Restoration in accordance with the above requirements, as determined by Lender, the balance, if any, of such proceeds shall be returned to Borrower.

(2) Notwithstanding the foregoing, if any loss is estimated to be in an amount equal to or less than \$250,000, Lender shall not exercise its rights and remedies as power-of-attorney herein and shall allow Borrower to make proof of loss, to adjust and compromise any claims under policies of property damage insurance, to appear in and prosecute any action arising from such policies of property damage insurance, and to collect and receive the proceeds of property damage insurance; provided that each of the following conditions shall be satisfied:

(A) Borrower shall immediately notify Lender of the casualty giving rise to the claim;

(B) no Event of Default has occurred and is continuing (or any event which, with the giving of written notice or the passage of time, or both, would constitute an Event of Default has occurred and is continuing);

(C) the Restoration will be completed before the earlier of (i) one year before the stated Maturity Date, or (ii) one year after the date of the loss or casualty;

(D) Lender determines that the combination of insurance proceeds and amounts provided by Borrower will be sufficient funds to complete the Restoration;

(E) all proceeds of property damage insurance shall be issued in the form of joint checks to Borrower and Lender;

(F) all proceeds of property damage insurance shall be applied to the Restoration;

(G) Borrower shall deliver to Lender evidence satisfactory to Lender of completion of the Restoration and obtainment of all lien releases;

(H) Borrower shall have complied to Lender's satisfaction with the foregoing requirements on any prior claims subject to this provision, if any; and

(I) Lender shall have the right to inspect the Mortgaged Property (subject to the rights of tenants under the Leases).

(3) If Lender elects to apply insurance proceeds to the Indebtedness in accordance with the terms of this Loan Agreement, Borrower shall not be obligated to restore or repair the Mortgaged Property. Rather, Borrower shall restrict access to the damaged portion of the Mortgaged Property and, at its expense and regardless of whether such costs are covered by insurance, clean up any debris resulting from the casualty event, and, if required or otherwise permitted by Lender, demolish or raze any remaining part of the damaged Mortgaged Property to the extent necessary to keep and maintain the Mortgaged Property in a safe, habitable, and marketable condition. Nothing in this Section 9.03(b) shall affect any of Lender's remedial rights against Borrower in connection with a breach by Borrower of any of its obligations under this Loan Agreement or under any Loan Document, including any failure to timely pay Monthly Debt Service Payments or maintain the insurance coverage(s) required by this Loan Agreement. Insurance proceeds in excess of the amount to be applied to repay the Indebtedness shall be promptly paid to Borrower.

(c) Payment Obligations Unaffected.

The application of any insurance proceeds to the Indebtedness shall not extend or postpone the Maturity Date, or the due date or the full payment of any Monthly Debt Service Payment, Monthly Replacement Reserve Deposit, or any other installments referred to in this Loan Agreement or in any other Loan Document. Notwithstanding the foregoing, if Lender applies insurance proceeds to the Indebtedness in connection with a casualty of less than the entire Mortgaged Property, and after such application of proceeds the debt service coverage ratio (as determined by Lender) is less than 1.25x based on the then-applicable Monthly Debt Service Payment and the anticipated ongoing Net Cash Flow of the Mortgaged Property after such casualty event, then Lender may, at its discretion, permit an adjustment to the Monthly Debt Service Payments that become due and owing thereafter, based on Lender's then-current underwriting requirements. In no event shall the preceding sentence obligate Lender to make any adjustment to the Monthly Debt Service Payments.

(d) Foreclosure Sale.

If the Mortgaged Property is transferred pursuant to a Foreclosure Event or Lender otherwise acquires title to the Mortgaged Property, Borrower acknowledges that Lender shall automatically succeed to all rights of Borrower in and to any insurance policies and unearned insurance premiums applicable to the Mortgaged Property and in and to the proceeds resulting from any damage to the Mortgaged Property prior to such Foreclosure Event or such acquisition.

(e) Appointment of Lender as Attorney-In-Fact.

Borrower hereby authorizes and appoints Lender as attorney-in-fact pursuant to Section 14.03(c).

ARTICLE 10 - CONDEMNATION

Section 10.01 Representations and Warranties.

The representations and warranties made by Borrower to Lender in this Section 10.01 are made as of the Effective Date and are true and correct except as disclosed on the Exceptions to Representations and Warranties Schedule.

(a) Prior Condemnation Action.

No part of the Mortgaged Property has been taken in connection with a Condemnation Action.

(b) Pending Condemnation Actions.

No Condemnation Action is pending nor, to Borrower's knowledge, is threatened for the partial or total condemnation or taking of the Mortgaged Property.

Section 10.02 Covenants.

(a) Notice of Condemnation.

Borrower shall:

(1) promptly notify Lender of any Condemnation Action of which Borrower has knowledge;

(3) execute such further evidence of assignment of any condemnation award in connection with a Condemnation Action as Lender may require.

(b) Condemnation Proceeds.

Borrower shall pay to Lender all awards or proceeds of a Condemnation Action promptly upon receipt.

Section 10.03 Mortgage Loan Administration Matters Regarding Condemnation.

(a) Application of Condemnation Awards.

Lender may apply any awards or proceeds of a Condemnation Action, after the deduction of Lender's expenses incurred in the collection of such amounts, to:

- (1) the restoration or repair of the Mortgaged Property, if applicable;
 - (2) the payment of the Indebtedness, with the balance, if any, paid to Borrower;
- or
- (3) Borrower.

(b) Payment Obligations Unaffected.

The application of any awards or proceeds of a Condemnation Action to the Indebtedness shall not extend or postpone the Maturity Date, or the due date or the full payment of any Monthly Debt Service Payment, Monthly Replacement Reserve Deposit, or any other installments referred to in this Loan Agreement or in any other Loan Document.

(c) Appointment of Lender as Attorney-In-Fact.

Borrower hereby authorizes and appoints Lender as attorney-in-fact pursuant to Section 14.03(c).

(d) Preservation of Mortgaged Property.

If a Condemnation Action results in or from damage to the Mortgaged Property and Lender elects to apply the proceeds or awards from such Condemnation Action to the Indebtedness in accordance with the terms of this Loan Agreement, Borrower shall not be obligated to restore or repair the Mortgaged Property. Rather, Borrower shall restrict access to any portion of the Mortgaged Property which has been damaged or destroyed in connection with such Condemnation Action and, at Borrower's expense and regardless of whether such costs are covered by insurance, clean up any debris resulting in or from the Condemnation Action, and, if required by any Governmental Authority or otherwise permitted by Lender, demolish or raze any remaining part of the damaged Mortgaged Property to the extent necessary to keep and maintain the Mortgaged Property in a safe, habitable, and marketable condition. Nothing in this Section 10.03(d) shall affect any of Lender's remedial rights against Borrower in connection with a breach by Borrower of any of its obligations under this Loan Agreement or under any Loan Document, including any failure to timely pay Monthly Debt Service Payments or maintain the insurance coverage(s) required by this Loan Agreement.

ARTICLE 11 - LIENS, TRANSFERS, AND ASSUMPTIONS

Section 11.01 Representations and Warranties.

The representations and warranties made by Borrower to Lender in this Section 11.01 are made as of the Effective Date and are true and correct except as disclosed on the Exceptions to Representations and Warranties Schedule.

(a) No Labor or Materialmen's Claims.

All parties furnishing labor and materials on behalf of Borrower have been paid in full. There are no mechanics' or materialmen's liens (whether filed or unfiled) outstanding for work, labor, or materials (and no claims or work outstanding that under applicable law could give rise to any such mechanics' or materialmen's liens) affecting the Mortgaged Property, whether prior to, equal with, or subordinate to the lien of the Security Instrument.

(b) No Other Interests.

No Person:

(1) other than Borrower has any possessory ownership or interest in the Mortgaged Property or right to occupy the same except under and pursuant to the provisions of existing Leases, the material terms of all such Leases having been previously disclosed in writing to Lender; nor

(2) has an option, right of first refusal, or right of first offer (except as required by applicable law) to purchase the Mortgaged Property, or any interest in the Mortgaged Property, except as previously disclosed to Lender.

Section 11.02 Covenants.

(a) Liens; Encumbrances.

Borrower shall not permit the grant, creation, or existence of any Lien, whether voluntary, involuntary, or by operation of law, on all or any portion of the Mortgaged Property (including any voluntary, elective, or non-compulsory tax lien or assessment pursuant to a voluntary, elective, or non-compulsory special tax district or similar regime) other than:

(1) Permitted Encumbrances;

(2) the creation of:

(A) any tax lien, municipal lien, utility lien, mechanics' lien, materialmen's lien, or judgment lien against the Mortgaged Property if bonded off, released of record, or otherwise remedied to Lender's satisfaction within sixty (60)

days after the earlier of the date Borrower has actual notice or constructive notice of the existence of such lien; or

(B) any mechanics' or materialmen's liens which attach automatically under the laws of any Governmental Authority upon the commencement of any work upon, or delivery of any materials to, the Mortgaged Property and for which Borrower is not delinquent in the payment for any such work or materials; and

(3) the lien created by the Loan Documents.

(b) Transfers.

(1) Mortgaged Property.

Borrower shall not Transfer, or cause or permit a Transfer of, all or any part of the Mortgaged Property (including any interest in the Mortgaged Property) other than:

(A) a Transfer to which Lender has consented in writing;

(B) Leases permitted pursuant to the Loan Documents;

(C) [reserved];

(D) a Transfer of obsolete or worn out Personalty or Fixtures that are contemporaneously replaced by items of equal or better function and quality which are free of Liens (other than those created by the Loan Documents);

(E) the grant of an easement, servitude, or restrictive covenant to which Lender has consented, and Borrower has paid to Lender, upon demand, all costs and expenses incurred by Lender in connection with reviewing Borrower's request (including reasonable attorneys' fees and a \$5,000 review fee, which shall be in lieu of any other Review Fee or Transfer Fee);

(F) a lien permitted pursuant to Section 11.02(a) of this Loan Agreement; or

(G) the conveyance of the Mortgaged Property following a Foreclosure Event.

(2) Interests in Borrower, Key Principal, or Guarantor.

Other than a Transfer to which Lender has consented in writing, Borrower shall not Transfer, or cause or permit to be Transferred:

(A) any direct or indirect ownership interest in Borrower, Key Principal, or Guarantor (if applicable) if such Transfer would cause a change in Control;

(B) a direct or indirect Restricted Ownership Interest in Borrower, Key Principal, or Guarantor (if applicable);

(C) fifty percent (50%) or more of Key Principal's or Guarantor's direct or indirect ownership interests in Borrower that existed on the Effective Date (individually or on an aggregate basis);

(D) the economic benefits or rights to cash flows attributable to any ownership interests in Borrower, Key Principal, or Guarantor (if applicable) separate from the Transfer of the underlying ownership interests if the Transfer of the underlying ownership interest is prohibited by this Loan Agreement; or

(E) a Transfer to a new key principal or new guarantor (if such new key principal or guarantor is an entity), which entity has an organizational existence termination date that ends before the Maturity Date.

Notwithstanding the foregoing, if a Publicly-Held Corporation or a Publicly-Held Trust Controls Borrower, Key Principal, or Guarantor, or owns a direct or indirect Restricted Ownership Interest in Borrower, Key Principal, or Guarantor, a Transfer of any ownership interests in such Publicly-Held Corporation or Publicly-Held Trust shall not be prohibited under this Loan Agreement as long as (i) such Transfer does not result in a conversion of such Publicly-Held Corporation or Publicly-Held Trust to a privately held entity, and (ii) Borrower provides written notice to Lender not later than thirty (30) days thereafter of any such Transfer that results in any Person owning ten percent (10%) or more of the ownership interests in such Publicly-Held Corporation or Publicly-Held Trust.

(3) Transfers of Non-Controlling Interests.

Transfers of direct or indirect limited partnership or non-managing member interests in Borrower that result in a Transfer of more than fifty percent (50%) of the limited partnership or non-managing membership interests shall be consented to by Lender if such Transfer satisfies the following conditions:

(A) Key Principal or Guarantor (as applicable) Controls Borrower with the same rights and abilities as Key Principal or Guarantor (as applicable) Controls Borrower immediately prior to the date of such Transfer;

(B) such Transfer satisfies the requirements of Section 11.02(b)(2)(C);

(C) Borrower shall provide Lender not less than thirty (30) days prior written notice of the proposed Transfer and obtain Lender's approval;

(D) Borrower shall provide with its notice to Lender an organizational chart reflecting, and all organizational documents relevant to, the proposed Transfer;

(E) Borrower shall provide with its notice to Lender a certification that no change of Control of Borrower or Key Principal shall occur as a result of such Transfer;

(F) the transferee shall not be, as of the date of the Transfer, a Prohibited Person if, as a result of the Transfer, the transferee will own twenty-five percent (25%) or more of the direct or indirect ownership interests in Borrower (or, if any other investor will own twenty-five percent (25%) or more of the direct or indirect ownership interests in Borrower that did not own twenty-five percent (25%) or more before the Transfer, such investor shall not, as of the date of the Transfer, be a Prohibited Person);

(G) Borrower shall pay to Lender:

(i) concurrently with its notice to Lender, the Review Fee plus a Transfer Fee of \$25,000; and

(ii) upon demand, any out-of-pocket costs and expenses, including reasonable attorneys' fees and expenses, incurred by Lender in connection with its review of the Transfer request; and

(H) Borrower shall execute upon demand such documents or certifications as Lender reasonably requires in order to confirm the post-transfer ownership structure, compliance with the stated conditions, and any other relevant factual matter.

(4) Name Change or Entity Conversion.

Lender shall consent to Borrower changing its name, changing its jurisdiction of organization, or converting from one type of legal entity into another type of legal entity for any lawful purpose, provided that:

(A) Lender receives written notice at least thirty (30) days prior to such change or conversion, which notice shall include organizational charts that reflect the structure of Borrower both prior to and subsequent to such name change or entity conversion;

(B) such Transfer is not otherwise prohibited under the provisions of Section 11.02(b)(2);

(C) Borrower executes an amendment to this Loan Agreement and any other Loan Documents required by Lender documenting the name change or entity conversion;

(D) Borrower agrees and acknowledges, at Borrower's expense, that (i) Borrower will execute and record in the land records any instrument required by the Property Jurisdiction to be recorded to evidence such name change or entity conversion (or provide Lender with written confirmation from the title company (via electronic mail or letter) that no such instrument is required), (ii) Borrower will execute any additional documents required by Lender, including the amendment to this Loan Agreement, and allow such documents to be recorded or filed in the land records of the Property Jurisdiction, (iii) Lender will obtain a "date down" endorsement to the Lender's Title Policy (or obtain a new Title Policy if a "date down" endorsement is not available in the Property Jurisdiction), evidencing title to the Mortgaged Property being in the name of the successor entity and the Lien of the Security Instrument against the Mortgaged Property, and (iv) Lender will file any required UCC-3 financing statement and make any other filing deemed necessary to maintain the priority of its Liens on the Mortgaged Property; and

(E) no later than ten (10) days subsequent to such name change or entity conversion, Borrower shall provide Lender (i) the documentation filed with the appropriate office in Borrower's state of formation evidencing such name change or entity conversion, (ii) copies of the organizational documents of Borrower, including any amendments, filed with the appropriate office in Borrower's state of formation reflecting the post-conversion Borrower name, form of organization, and structure, and (iii) if available, new certificates of good standing or valid formation for Borrower.

(5) No Delaware Statutory Trust or Series LLC Conversion.

Notwithstanding any provisions herein to the contrary, no Borrower, Guarantor, or Key Principal shall convert to a Delaware Statutory Trust or a series limited liability company.

(c) No Other Indebtedness.

Other than the Mortgage Loan, Borrower shall not incur or be obligated at any time with respect to any loan or other indebtedness (except trade payables as otherwise permitted in this Loan Agreement), including any indebtedness secured by a Lien on, or the cash flows from, the Mortgaged Property.

(d) No Mezzanine Financing or Preferred Equity.

Neither Borrower nor any direct or indirect owner of Borrower shall: (1) incur any Mezzanine Debt other than Permitted Mezzanine Debt; (2) issue any Preferred Equity other than Permitted Preferred Equity; or (3) incur any similar indebtedness or issue any similar equity.

(A) the proposed new borrower, new key principal, and any other new guarantor fully satisfy all of Lender's then-applicable borrower, key principal, or guarantor eligibility, credit, management, and other loan underwriting standards, which shall include an analysis of (i) the previous relationships between Lender and the proposed new borrower, new key principal, new guarantor, and any Person in Control of them, and the organization of the new borrower, new key principal, and new guarantor (if applicable), and (ii) the operating and financial performance of the Mortgaged Property, including physical condition and occupancy;

(B) none of the proposed new borrower, new key principal, and any new guarantor, or any owners of the proposed new borrower, new key principal, and any new guarantor, are a Prohibited Person; and

(4) [reserved];

(5) the proposed new borrower has:

(A) executed an assumption agreement acceptable to Lender that, among other things, requires the proposed new borrower to assume and perform all obligations of Borrower (or any other transferor), and that may require that the new borrower comply with any provisions of any Loan Document that previously may have been waived by Lender for Borrower, subject to the terms of Section 11.03(g);

(B) if required by Lender, delivered to the Title Company for filing and/or recording in all applicable jurisdictions, all applicable Loan Documents including the assumption agreement to correctly evidence the assumption and the confirmation, continuation, perfection, and priority of the Liens created hereunder and under the other Loan Documents; and

(C) delivered to Lender a “date-down” endorsement to the Title Policy acceptable to Lender (or a new title insurance policy if a “date-down” endorsement is not available);

(6) one or more individuals or entities acceptable to Lender as new guarantors have executed and delivered to Lender:

(A) an assumption agreement acceptable to Lender that requires the new guarantor to assume and perform all obligations of Guarantor under any Guaranty given in connection with the Mortgage Loan; or

(8) Lender has received the fees described in Section 11.03(g).

(b) Transfers to Key Principal-Owned Affiliates or Guarantor-Owned Affiliates.

(2) Transfers of direct or indirect interests in Borrower held by a Key Principal or Guarantor to other Key Principals or Guarantors, as applicable, shall be consented to by Lender if such Transfer satisfies the following conditions:

(B) the transferor Key Principal or Guarantor maintains the same right and ability to Control Borrower as existed prior to the Transfer.

(3) Transfers of direct or indirect interests in Borrower held by Senior Management or a Related Control Entity to other Key Principals, Guarantors, Senior Management, or a Related Control Entity, as applicable, shall be consented to by Lender if such Transfer satisfies the following conditions:

(d) Termination or Revocation of Trust.

If any of Borrower, Guarantor, or Key Principal is a trust, or if Control of Borrower, Guarantor, or Key Principal is Transferred or if a Restricted Ownership Interest in Borrower, Guarantor, or Key Principal would be Transferred due to the termination or revocation of a trust, the termination or revocation of such trust is an unpermitted Transfer; provided that the termination or revocation of the trust due to the death of an individual trustor shall not be considered an unpermitted Transfer so long as:

- (1) Lender is notified within thirty (30) days of the death; and
- (2) such Borrower, Guarantor, Key Principal, or other Person, as applicable, is replaced with an individual or entity acceptable to Lender, in accordance with the provisions of Section 11.03(a) within ninety (90) days of the date of the death causing the termination or revocation.

(including any standards with respect to previous relationships between Lender and the proposed new key principal and new guarantor (or Person Controlling such new key principal or new guarantor) and the organization of the new key principal and new guarantor);

(ii) none of any proposed new key principal or any new guarantor, or any owners of the proposed new key principal or any new guarantor, is a Prohibited Person; and

(B) a lockbox agreement or similar cash management arrangement (with the property manager) reasonably acceptable to Lender during such extended replacement period be instituted.

If the conditions set forth in this Section 11.03(e) are satisfied, the Transfer Fee shall be waived, provided Borrower shall pay the Review Fee and out-of-pocket costs set forth in Section 11.03(g).

(f) Bankruptcy of Guarantor.

(1) Upon the occurrence of any Guarantor Bankruptcy Event, unless waived in writing by Lender, the applicable Guarantor shall be replaced by an individual or entity

(A) Borrower has submitted to Lender all information required by Lender to make the determination required by this Section 11.03(f);

(B) Lender determines that:

(i) the proposed new guarantor fully satisfies all of Lender's then-applicable guarantor eligibility, credit, management, and other loan underwriting standards (including any standards with respect to previous relationships between Lender and the proposed new guarantor and the organization of the new guarantor (if applicable));

(ii) no new guarantor is a Prohibited Person; and

(iii) no new guarantor (if any of such are entities) shall have an organizational existence termination date that ends before the Maturity Date; and

(B) a lockbox agreement or similar cash management arrangement (with the property manager) reasonably acceptable to Lender during such extended replacement period be instituted.

If the conditions set forth in this Section 11.03(f) are satisfied, the Transfer Fee shall be waived, provided Borrower shall pay the Review Fee and out-of-pocket costs set forth in Section 11.03(g).

(g) Further Conditions to Transfers and Assumption.

Notwithstanding the provisions of Section 11.02(b)(2) and 11.03(b) above and provided no Event of Default shall have occurred and is continuing, and no event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default has occurred and is continuing, Transfer of the general partnership interest in Borrower held by THF Oaks on Lamar GP, LLC to (a) another non-profit or other entity which would preserve the tax abatement and is acceptable to Lender and the Related Control Entity or to (b) Oaks On Lamar Affordable Special, LLC, if THF Oaks on Lamar GP, LLC has violated the terms of the Amended and Restated Agreement of Limited Partnership of Borrower or if THF Oaks on Lamar GP, LLC fails to qualify for the abatement benefitting the Mortgaged Property. By way of clarification, the requirement to pay the 1% transfer fee as provided in Section 11.03(g)(2)(A) shall not apply to transfers under this Section 11.03(h)(2).

(4) Review Fee for Transfers to a Related Control Entity or Senior Management. The Borrower shall pay a review fee of \$10,000 in connection with a Transfer to a Related Control Entity or Senior Management under Section 11.03(h)(1).

ARTICLE 12 - IMPOSITIONS

Section 12.01 Representations and Warranties.

The representations and warranties made by Borrower to Lender in this Section 12.01 are made as of the Effective Date and are true and correct except as disclosed on the Exceptions to Representations and Warranties Schedule.

(a) Payment of Taxes, Assessments, and Other Charges.

Borrower has:

(1) paid (or with the approval of Lender, established an escrow fund sufficient to pay when due and payable) all amounts and charges relating to the Mortgaged Property that have become due and payable before any fine, penalty interest, lien, or costs may be added thereto, including Impositions, leasehold payments, and ground rents;

(2) paid all Taxes for the Mortgaged Property that have become due before any fine, penalty interest, lien, or costs may be added thereto pursuant to any notice of assessment received by Borrower and any and all taxes that have become due against Borrower before any fine, penalty interest, lien, or costs may be added thereto;

(3) no knowledge of any basis for any additional assessments;

(4) no knowledge of any presently pending special assessments against all or any part of the Mortgaged Property, or any presently pending special assessments against Borrower; and

(5) not received any written notice of any contemplated special assessment against the Mortgaged Property, or any contemplated special assessment against Borrower.

Section 12.02 Covenants.

(a) Imposition Deposits, Taxes, and Other Charges.

Borrower shall:

(1) deposit the Imposition Deposits with Lender on each Payment Date (or on another day designated in writing by Lender) in amount sufficient, in Lender's discretion, to enable Lender to pay each Imposition before the last date upon which such payment may be made without any penalty or interest charge being added, plus an amount equal to no more than one-sixth (1/6) (or the amount permitted by applicable law) of the Impositions for the trailing twelve (12) months (calculated based on the aggregate annual Imposition costs divided by twelve (12) and multiplied by two (2));

(2) deposit with Lender, within ten (10) days after written notice from Lender (subject to applicable law), such additional amounts estimated by Lender to be reasonably necessary to cure any deficiency in the amount of the Imposition Deposits held for payment of a specific Imposition;

(3) except as set forth in Section 12.03(c) below, pay all Impositions, leasehold payments, ground rents, and Taxes when due and before any fine, penalty interest, lien, or costs may be added thereto;

(4) promptly deliver to Lender a copy of all notices of, and invoices for, Impositions, and, if Borrower pays any Imposition directly, Borrower shall promptly furnish to Lender receipts evidencing such payments; and

(5) promptly deliver to Lender a copy of all notices of any special assessments and contemplated special assessments against the Mortgaged Property or Borrower.

Section 12.03 Mortgage Loan Administration Matters Regarding Impositions.

(a) Maintenance of Records by Lender.

Lender shall maintain records of the monthly and aggregate Imposition Deposits held by Lender for the purpose of paying Taxes, insurance premiums, and each other obligation of Borrower for which Imposition Deposits are required.

(b) Imposition Accounts.

All Imposition Deposits shall be held in an institution (which may be Lender, if Lender is such an institution) whose deposits or accounts are insured or guaranteed by a federal agency and which accounts meet the standards for custodial accounts as required by Lender from time to time. Lender shall not be obligated to open additional accounts, or deposit Imposition Deposits in additional institutions, when the amount of the Imposition Deposits exceeds the maximum amount of the federal deposit insurance or guaranty. No interest, earnings, or profits on the Imposition Deposits shall be paid to Borrower unless applicable law so requires. Imposition Deposits shall not be trust funds, nor shall they operate to reduce the Indebtedness, unless applied by Lender for that purpose in accordance with this Loan Agreement. For the purposes of 9-104(a)(3) of the UCC, Lender is the owner of the Imposition Deposits and shall be deemed a “customer” with sole control of the account holding the Imposition Deposits.

(c) Payment of Impositions; Sufficiency of Imposition Deposits.

Lender may pay an Imposition according to any bill, statement, or estimate from the appropriate public office or insurance company without inquiring into the accuracy of the bill, statement, or estimate or into the validity of the Imposition. Imposition Deposits shall be required to be used by Lender to pay Taxes, insurance premiums and any other individual Imposition only if:

- (1) no Event of Default exists;
- (2) Borrower has timely delivered to Lender all applicable bills or premium notices that it has received; and
- (3) sufficient Imposition Deposits are held by Lender for each Imposition at the time such Imposition becomes due and payable.

Lender shall have no liability to Borrower or any other Person for failing to pay any Imposition if any of the conditions are not satisfied. If at any time the amount of the Imposition Deposits held for payment of a specific Imposition exceeds the amount reasonably deemed necessary by Lender to be held in connection with such Imposition, the excess may be credited against future installments of Imposition Deposits for such Imposition.

(d) Imposition Deposits Upon Event of Default.

If an Event of Default has occurred and is continuing, Lender may apply any Imposition Deposits, in such amount and in such order as Lender determines, to pay any Impositions or as a credit against the Indebtedness.

(e) Contesting Impositions.

Other than insurance premiums, Borrower may contest, at its expense, by appropriate legal proceedings, the amount or validity of any Imposition if:

(1) Borrower notifies Lender of the commencement or expected commencement of such proceedings;

(2) Lender determines that the Mortgaged Property is not in danger of being sold or forfeited;

(3) Borrower deposits with Lender (or the applicable Governmental Authority if required by applicable law) reserves sufficient to pay the contested Imposition, if required by Lender (or the applicable Governmental Authority);

(4) Borrower furnishes whatever additional security is required in the proceedings or is reasonably requested in writing by Lender; and

(5) Borrower commences, and at all times thereafter diligently prosecutes, such contest in good faith until a final determination is made by the applicable Governmental Authority.

(f) Release to Borrower.

Upon payment in full of all sums secured by the Security Instrument and this Loan Agreement and release by Lender of the lien of the Security Instrument, Lender shall disburse to Borrower the balance of any Imposition Deposits then on deposit with Lender.

ARTICLE 13 - REPLACEMENT RESERVE AND REPAIRS

Section 13.01 Covenants.

(a) Initial Deposits to Replacement Reserve Account and Repairs Escrow Account.

On the Effective Date, Borrower shall pay to Lender:

- (1) the Initial Replacement Reserve Deposit for deposit into the Replacement Reserve Account; and
- (2) the Repairs Escrow Deposit for deposit into the Repairs Escrow Account.

(b) Monthly Replacement Reserve Deposits.

Borrower shall deposit the applicable Monthly Replacement Reserve Deposit into the Replacement Reserve Account on each Payment Date.

(c) Payment for Replacements and Repairs.

Borrower shall:

- (1) pay all invoices for the Replacements and Repairs, regardless of whether funds on deposit in the Replacement Reserve Account or the Repairs Escrow Account, as applicable, are sufficient, prior to any request for disbursement from the Replacement Reserve Account or the Repairs Escrow Account, as applicable (unless Lender has agreed to issue joint checks in connection with a particular Replacement or Repair);
- (2) pay all applicable fees and charges of any Governmental Authority on account of the Replacements and Repairs, as applicable; and
- (3) provide evidence satisfactory to Lender of completion of the Replacements and any Required Repairs (within the Completion Period or within such other period or by such other date set forth in the Required Repair Schedule and any Borrower Requested Repairs and Additional Lender Repairs (by the date specified by Lender for any such Borrower Requested Repairs or Additional Lender Repairs)).

(d) Assignment of Contracts for Replacements and Repairs.

Borrower shall collaterally assign to Lender as additional security any contract or subcontract for Replacements or Repairs, upon Lender's written request, on a form of assignment approved by Lender.

(e) Indemnification.

If Lender elects to exercise its rights under Section 14.03 due to Borrower's failure to timely commence or complete any Replacements or Repairs, Borrower shall indemnify and hold Lender harmless for, from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations, and costs or expenses, including litigation costs and reasonable attorneys' fees, arising from or in any way connected with the performance by Lender of the Replacements or Repairs or investment of the Reserve/Escrow Account Funds; provided that Borrower shall have no indemnity obligation if such actions, suits, claims, demands, liabilities, losses, damages, obligations, and costs or expenses, including litigation costs and reasonable attorneys' fees, arise as a result of the willful misconduct or gross negligence of Lender, Lender's agents, employees, or representatives as determined by a court of competent jurisdiction pursuant to a final non-appealable court order.

(f) Amendments to Loan Documents.

Subject to Section 5.02, Borrower shall execute and deliver to Lender, upon written request, an amendment to this Loan Agreement, the Security Instrument, and any other Loan Document deemed necessary or desirable to perfect Lender's lien upon any portion of the Mortgaged Property for which Reserve/Escrow Account Funds were expended.

(g) Administrative Fees and Expenses.

Borrower shall pay to Lender:

(1) by the date specified in the applicable invoice, the Repairs Escrow Account Administrative Fee and the Replacement Reserve Account Administration Fee for Lender's services in administering the Repairs Escrow Account and Replacement Reserve Account and investing the funds on deposit in the Repairs Escrow Account and the Replacement Reserve Account, respectively;

(2) upon demand, a reasonable inspection fee, not exceeding the Maximum Inspection Fee, for each inspection of the Mortgaged Property by Lender in connection with a Repair or Replacement, plus all other reasonable costs and out-of-pocket expenses relating to such inspections; and

(3) upon demand, all reasonable fees charged by any engineer, architect, inspector or other person inspecting the Mortgaged Property on behalf of Lender for each inspection of the Mortgaged Property in connection with a Repair or Replacement, plus all other reasonable costs and out-of-pocket expenses relating to such inspections.

Section 13.02 Mortgage Loan Administration Matters Regarding Reserves.

(a) Accounts, Deposits, and Disbursements.

(1) Custodial Accounts.

(A) The Replacement Reserve Account shall be an interest-bearing account that meets the standards for custodial accounts as required by Lender from time to time. Lender shall not be responsible for any losses resulting from the investment of the Replacement Reserve Deposits or for obtaining any specific level or percentage of earnings on such investment. All interest, if any, earned on the Replacement Reserve Deposits shall be added to and become part of the Replacement Reserve Account; provided, however, if applicable law requires, and so long as no Event of Default has occurred and is continuing under any of the Loan Documents, Lender shall pay to Borrower the interest earned on the Replacement Reserve Account not less frequently than the Replacement Reserve Account Interest Disbursement Frequency. In no event shall Lender be obligated to disburse funds from the Reserve/Escrow Account if an Event of Default has occurred and is continuing.

(B) Lender shall not be obligated to deposit the Repairs Escrow Deposits into an interest-bearing account.

(2) Disbursements by Lender Only.

Only Lender or a designated representative of Lender may make disbursements from the Replacement Reserve Account and the Repairs Escrow Account. Except as provided in Section 13.02(a)(8), disbursements shall only be made upon Borrower request and after satisfaction of all conditions for disbursement.

(3) Adjustment to Deposits.

(A) Mortgage Loan Terms Exceeding Ten (10) Years.

If the Loan Term exceeds ten (10) years (or five (5) years in the case of any Mortgaged Property that is an “affordable housing property” as indicated on the Summary of Loan Terms), a property condition assessment shall be ordered by Lender for the Mortgaged Property at the expense of Borrower (which expense may be paid out of the Replacement Reserve Account if excess funds are available). The property condition assessment shall be performed no earlier than the sixth (6th) month and no later than the ninth (9th) month of the tenth (10th) Loan Year and every tenth (10th) Loan Year thereafter if the Loan Term exceeds twenty (20) years (or the fifth (5th) Loan Year in the case of any Mortgaged Property that is an “affordable housing property” as indicated on the Summary of Loan Terms and every fifth (5th) Loan Year thereafter if the Loan Term exceeds ten (10) years).

After review of the property condition assessment, the amount of the Monthly Replacement Reserve Deposit may be adjusted by Lender for the remaining Loan Term by written notice to Borrower so that the Monthly Replacement Reserve Deposits are sufficient to fund the Replacements as and when required and/or the amount to be held in the Repairs Escrow Account may be adjusted by Lender so that the Repairs Escrow Deposit is sufficient to fund the Repairs as and when required.

(B) Transfers.

In connection with any Transfer of the Mortgaged Property, or any Transfer of an ownership interest in Borrower, Guarantor, or Key Principal that requires Lender's consent (except as set forth in Section 11.03(b) and (c)), Lender may review the amounts on deposit, if any, in the Replacement Reserve Account or the Repairs Escrow Account, the amount of the Monthly Replacement Reserve Deposit and the likely repairs and replacements required by the Mortgaged Property, and the related contingencies which may arise during the remaining Loan Term. Based upon that review, Lender may require an additional deposit to the Replacement Reserve Account or the Repairs Escrow Account, or an increase in the amount of the Monthly Replacement Reserve Deposit as a condition to Lender's consent to such Transfer.

(4) Insufficient Funds.

Lender may, upon thirty (30) days' prior written notice to Borrower, require an additional deposit(s) to the Replacement Reserve Account or Repairs Escrow Account, or an increase in the amount of the Monthly Replacement Reserve Deposit, if Lender determines that the amounts on deposit in either the Replacement Reserve Account or the Repairs Escrow Account are not sufficient to cover the costs for Required Repairs or Required Replacements or, pursuant to the terms of Section 13.02(a)(9), not sufficient to cover the costs for Borrower Requested Repairs, Additional Lender Repairs, Borrower Requested Replacements, or Additional Lender Replacements. Borrower's agreement to complete the Replacements or Repairs as required by this Loan Agreement shall not be affected by the insufficiency of any balance in the Replacement Reserve Account or the Repairs Escrow Account, as applicable.

(5) Disbursements for Replacements and Repairs.

(A) Disbursement requests may only be made after completion, or upon partial completion as permitted under Section 13.02(a)(8) hereof, of the applicable Replacements and only to reimburse Borrower for the actual approved costs of the Replacements. Lender shall not disburse from the Replacement Reserve Account the costs of routine maintenance to the Mortgaged Property or for costs which are to be reimbursed from the Repairs Escrow Account or any similar account. Disbursement from the Replacement Reserve Account shall not be made more

frequently than the Maximum Replacement Reserve Disbursement Interval. Other than in connection with a final request for disbursement, disbursements from the Replacement Reserve Account shall not be less than the Minimum Replacement Reserve Disbursement Amount.

(B) Disbursement requests may only be made after completion, or upon partial completion as permitted under Section 13.02(a)(8) hereof, of the applicable Repairs and only to reimburse Borrower for the actual cost of the Repairs, up to the Maximum Repair Cost. Lender shall not disburse any amounts which would cause the funds remaining in the Repairs Escrow Account after any disbursement (other than with respect to the final disbursement) to be less than the Maximum Repair Cost of the then-current estimated cost of completing all remaining Repairs. Lender shall not disburse from the Repairs Escrow Account the costs of routine maintenance to the Mortgaged Property or for costs which are to be reimbursed from the Replacement Reserve Account or any similar account. Disbursement from the Repairs Escrow Account shall not be made more frequently than the Maximum Repair Disbursement Interval. Other than in connection with a final request for disbursement, disbursements from the Repairs Escrow Account shall not be less than the Minimum Repairs Disbursement Amount.

(6) Disbursement Requests.

Each request by Borrower for disbursement from the Replacement Reserve Account or the Repairs Escrow Account must be in writing, must specify the Replacement or Repair for which reimbursement is requested (provided that for any Borrower Requested Replacements, Borrower Requested Repairs, Additional Lender Replacements, and Additional Lender Repairs, Lender shall have approved the use of the Reserve/Escrow Account Funds for such replacements or repairs pursuant to the terms of Section 13.02(a)(9)), and must:

(A) if applicable, specify the quantity and price of the items or materials purchased, grouped by type or category;

(B) if applicable, specify the cost of all contracted labor or other services involved in the Replacement or Repair for which such request for disbursement is made;

(C) if applicable, include copies of invoices for all items or materials purchased and all contracted labor or services provided;

(D) include evidence of payment of such Replacement or Repair satisfactory to Lender (unless Lender has agreed to issue joint checks in connection with a particular Repair or Replacement as provided in this Loan Agreement); and

(E) contain a certification by Borrower that the Repair or Replacement has been completed lien free and in a good and workmanlike manner, in accordance with any plans and specifications previously approved by Lender (if applicable) and in compliance with all applicable laws, ordinances, rules, and regulations of any Governmental Authority having jurisdiction over the Mortgaged Property, and otherwise in accordance with the provisions of this Loan Agreement.

(7) Conditions to Disbursement.

Lender may require any or all of the following at the expense of Borrower as a condition to disbursement of funds from the Replacement Reserve Account or the Repairs Escrow Account (provided that for any Borrower Requested Replacements, Borrower Requested Repairs, Additional Lender Replacements, and Additional Lender Repairs, Lender shall have approved the use of the Reserve/Escrow Account Funds for such replacements or repairs pursuant to the terms of Section 13.02(a)(9)):

(A) an inspection by Lender of the Mortgaged Property and the applicable Replacement or Repair;

(B) an inspection or certificate of completion by an appropriate independent qualified professional (such as an architect, engineer or property inspector, depending on the nature of the Repair or Replacement) selected by Lender;

(C) either:

(i) a search of title to the Mortgaged Property effective to the date of disbursement; or

(ii) a "date-down" endorsement to Lender's Title Policy (or a new Lender's Title Policy if a "date-down" is not available) extending the effective date of such policy to the date of disbursement, and showing no Liens other than (1) Permitted Encumbrances, (2) liens which Borrower is diligently contesting in good faith that have been bonded off to the satisfaction of Lender, or (3) mechanics' or materialmen's liens which attach automatically under the laws of any Governmental Authority upon the commencement of any work upon, or delivery of any materials to, the Mortgaged Property and for which Borrower is not delinquent in the payment for any such work or materials; and

(D) an acknowledgement of payment, waiver of claims, and release of lien for work performed and materials supplied from each contractor, subcontractor or materialman in accordance with the requirements of applicable law and covering all work performed and materials supplied (including equipment and fixtures) for the Mortgaged Property by that contractor, subcontractor, or materialman through

the date covered by the disbursement request (or, in the event that payment to such contractor, subcontractor, or materialman is to be made by a joint check, the release of lien shall be effective through the date covered by the previous disbursement).

(8) Joint Checks for Periodic Disbursements.

Lender may, upon Borrower's written request, issue joint checks, payable to Borrower and the applicable supplier, materialman, mechanic, contractor, subcontractor, or other similar party, if:

(A) the cost of the Replacement or Repair exceeds the Replacement Threshold or the Repair Threshold, as applicable, and the contractor performing such Replacement or Repair requires periodic payments pursuant to the terms of the applicable written contract;

(B) the contract for such Repair or Replacement requires payment upon completion of the applicable portion of the work;

(C) Borrower makes the disbursement request after completion of the applicable portion of the work required to be completed under such contract;

(D) the materials for which the request for disbursement has been made are on site at the Mortgaged Property and are properly secured or installed;

(E) Lender determines that the remaining funds in the Replacement Reserve Account designated for such Replacement, or in the Repairs Escrow Account designated for such Repair, as applicable, are sufficient to pay such costs and the then-current estimated cost of completing all remaining Required Replacements or Required Repairs (at the Maximum Repair Cost), as applicable, and any other Borrower Requested Replacements, Borrower Requested Repairs, Additional Lender Replacements, or Additional Lender Repairs that have been previously approved by Lender;

(F) each supplier, materialman, mechanic, contractor, subcontractor, or other similar party receiving payments shall have provided, if requested in writing by Lender, a waiver of liens with respect to amounts which have been previously paid to them; and

(G) all other conditions for disbursement have been satisfied.

(9) Replacements and Repairs Other than Required Replacements or Required Repairs.

(A) Borrower Requested Replacements and Borrower Requested Repairs.

Borrower may submit a disbursement request from the Replacement Reserve Account or the Repairs Escrow Account to reimburse Borrower for any Borrower Requested Replacement or Borrower Requested Repair. The disbursement request must be in writing and include an explanation for such request. Lender shall make disbursements for Borrower Requested Replacements or Borrower Requested Repairs if:

(i) they are of the type intended to be covered by the Replacement Reserve Account or the Repairs Escrow Account, as applicable;

(ii) the costs are commercially reasonable;

(iii) the amount of funds in the Replacement Reserve Account or Repairs Escrow Account, as applicable, is sufficient to pay such costs and the then-current estimated cost of completing all remaining Required Replacements or Required Repairs (at the Maximum Repair Cost), as applicable, and any other Borrower Requested Replacements, Borrower Requested Repairs, Additional Lender Replacements or Additional Lender Repairs that have been previously approved by Lender; and

(iv) all conditions for disbursement from the Replacement Reserve Account or Repairs Escrow Account, as applicable, have been satisfied.

Nothing in this Loan Agreement shall limit Lender's right to require an additional deposit to the Replacement Reserve Account or an increase to the Monthly Replacement Reserve Deposit in connection with any such Borrower Requested Replacements, or an additional deposit to the Repairs Escrow Account for any such Borrower Requested Repairs.

(B) Additional Lender Replacements and Additional Lender Repairs.

Lender may require, as set forth in Section 6.02(b), Section 6.03(c), or otherwise from time to time, upon written notice to Borrower, that Borrower make Additional Lender Replacements or Additional Lender Repairs. Lender shall make disbursements from the Replacement Reserve Account for Additional Lender Replacements or from the Repairs Escrow Account for Additional Lender Repairs, as applicable, if:

(i) the costs are commercially reasonable;

(ii) the amount of funds in the Replacement Reserve Account or the Repairs Escrow Account, as applicable, is sufficient to pay such costs

and the then-current estimated cost of completing all remaining Required Replacements or Required Repairs (at the Maximum Repair Cost), as applicable, and any other Borrower Requested Replacements, Borrower Requested Repairs, Additional Lender Replacements, or Additional Lender Repairs that have been previously approved by Lender; and

(iii) all conditions for disbursement from the Replacement Reserve Account or Repairs Escrow Account, as applicable, have been satisfied.

Nothing in this Loan Agreement shall limit Lender's right to require an additional deposit to the Replacement Reserve Account or an increase to the Monthly Replacement Reserve Deposit for any such Additional Lender Replacements or an additional deposit to the Repairs Escrow Account for any such Additional Lender Repair.

(10) Excess Costs.

In the event any Replacement or Repair exceeds the approved cost set forth on the Required Replacement Schedule for Replacements, or the Maximum Repair Cost for Repairs, Borrower may submit a disbursement request to reimburse Borrower for such excess cost. The disbursement request must be in writing and include an explanation for such request. Lender shall make disbursements from the Replacement Reserve Account or the Repairs Escrow Account, as applicable, if:

(A) the excess cost is commercially reasonable;

(B) the amount of funds in the Replacement Reserve Account or the Repairs Escrow Account, as applicable, is sufficient to pay such costs and the then-current estimated cost of completing all remaining Required Replacements or Required Repairs (at the Maximum Repair Cost), as applicable, and any other Borrower Requested Replacements, Borrower Requested Repairs, Additional Lender Replacements, or Additional Lender Repairs that have been previously approved by Lender; and

(C) all conditions for disbursement from the Replacement Reserve Account or the Repairs Escrow Account have been satisfied.

(11) Final Disbursements.

Upon completion of all Repairs in accordance with this Loan Agreement and so long as no Event of Default has occurred and is continuing, Lender shall disburse to Borrower any amounts then remaining in the Repairs Escrow Account. Upon payment in full of the Indebtedness and release by Lender of the lien of the Security Instrument, Lender

shall disburse to Borrower any and all amounts then remaining in the Replacement Reserve Account and the Repairs Escrow Account (if not previously released).

(b) Approvals of Contracts; Assignment of Claims.

Lender retains the right to approve all contracts or work orders with materialmen, mechanics, suppliers, subcontractors, contractors, or other parties providing labor or materials in connection with the Replacements or Repairs. Notwithstanding Borrower's assignment (in the Security Instrument) of its rights and claims against all Persons supplying labor or materials in connection with the Replacement or Repairs, Lender will not pursue any such right or claim unless an Event of Default has occurred and is continuing or as otherwise provided in Section 14.03(c).

(c) Delays and Workmanship.

If any work for any Replacement or Repair has not timely commenced, has not been timely performed in a workmanlike manner, or has not been timely completed in a workmanlike manner, Lender may, without notice to Borrower:

- (1) withhold disbursements from the Replacement Reserve Account or Repairs Escrow Account for such unsatisfactory Replacement or Repair, as applicable;
- (2) proceed under existing contracts or contract with third parties to make or complete such Replacement or Repair;
- (3) apply the funds in the Replacement Reserve Account or Repairs Escrow Account toward the labor and materials necessary to make or complete such Replacement or Repair, as applicable; or
- (4) exercise any and all other remedies available to Lender under this Loan Agreement or any other Loan Document, including any remedies otherwise available upon an Event of Default pursuant to the terms of Section 14.02.

To facilitate Lender's completion or making of such Replacements or Repairs, Lender shall have the right to enter onto the Mortgaged Property and perform any and all work and labor necessary to make or complete the Replacements or Repairs and employ watchmen to protect the Mortgaged Property from damage. All funds so expended by Lender shall be deemed to have been advanced to Borrower, shall be part of the Indebtedness and shall be secured by the Security Instrument and this Loan Agreement.

(d) Appointment of Lender as Attorney-In-Fact.

Borrower hereby authorizes and appoints Lender as attorney-in-fact pursuant to Section 14.03(c).

(e) No Lender Obligation.

Nothing in this Loan Agreement shall:

- (1) make Lender responsible for making or completing the Replacements or Repairs;
- (2) require Lender to expend funds, whether from the Replacement Reserve Account, the Repairs Escrow Account, or otherwise, to make or complete any Replacement or Repair;
- (3) obligate Lender to proceed with the Replacements or Repairs; or
- (4) obligate Lender to demand from Borrower additional sums to make or complete any Replacement or Repair.

(f) No Lender Warranty.

Lender's approval of any plans for any Replacement or Repair, release of funds from the Replacement Reserve Account or Repairs Escrow Account, inspection of the Mortgaged Property by Lender or its agents, representatives, or designees, or other acknowledgment of completion of any Replacement or Repair in a manner satisfactory to Lender shall not be deemed an acknowledgment or warranty to any Person that the Replacement or Repair has been completed in accordance with applicable building, zoning, or other codes, ordinances, statutes, laws, regulations, or requirements of any Governmental Authority, such responsibility being at all times exclusively that of Borrower.

ARTICLE 14 - DEFAULTS/REMEDIES

Section 14.01 Events of Default.

The occurrence of any one or more of the following in this Section 14.01 shall constitute an Event of Default under this Loan Agreement.

(a) Automatic Events of Default.

Any of the following shall constitute an automatic Event of Default:

- (1) any failure by Borrower to pay or deposit when due any amount required by the Note, this Loan Agreement or any other Loan Document;

(5) fraud, gross negligence, willful misconduct, or material misrepresentation or material omission by or on behalf of Borrower, Guarantor, or Key Principal or any of their officers, directors, trustees, partners, members, or managers in connection with:

(A) the application for, or creation of, the Indebtedness;

(B) any financial statement, rent roll, or other report or information provided to Lender during the term of the Mortgage Loan; or

(C) any request for Lender's consent to any proposed action, including a request for disbursement of Reserve/Escrow Account Funds or Collateral Account Funds;

(6) the occurrence of any Transfer not permitted by the Loan Documents;

(7) the occurrence of a Bankruptcy Event;

(8) the commencement of a forfeiture action or other similar proceeding, whether civil or criminal, which, in Lender's reasonable judgment, could result in a forfeiture of the Mortgaged Property or otherwise materially impair the lien created by this Loan Agreement or the Security Instrument or Lender's interest in the Mortgaged Property;

(9) except for Transfers permitted under Section 11.03, if Borrower, Guarantor, or Key Principal is a trust, or if Control of Borrower, Guarantor, or Key Principal is Transferred or if a Restricted Ownership Interest in Borrower, Guarantor, or Key Principal would be Transferred due to the termination or revocation of a trust, the termination or revocation of such trust, except as set forth in Section 11.03(c)(1);

(10) any failure by Borrower to complete any Repair related to fire, life, or safety issues in accordance with the terms of this Loan Agreement within the Completion Period (or such other date set forth on the Required Repair Schedule or otherwise required by Lender in writing for such Repair); or

(b) Events of Default Subject to a Specified Cure Period.

Any of the following shall constitute an Event of Default subject to the cure period set forth in the Loan Documents:

(1) if Key Principal or Guarantor is a natural person, the death of such individual, unless all requirements of Section 11.03(e) are met;

(2) the occurrence of a Guarantor Bankruptcy Event, unless requirements of Section 11.03(f) are met;

(3) any failure by Borrower, Key Principal, or Guarantor to comply with the provisions of Section 5.02(b) and Section 5.02(c); or

(4) any failure by Borrower to perform any obligation under this Loan Agreement or any Loan Document that is subject to a specified written notice and cure period, which failure continues beyond such specified written notice and cure period as set forth herein or in the applicable Loan Document.

(c) Events of Default Subject to Extended Cure Period.

The following shall constitute an Event of Default if the existence of such condition or event, or such failure to perform or default in performance continues for a period of thirty (30) days after written notice by Lender to Borrower of the existence of such condition or event, or of such failure to perform or default in performance, provided, however, such period may be extended for up to an additional thirty (30) days if Borrower, in the discretion of Lender, is diligently pursuing a cure of such; provided, further, however, no such written notice, grace period, or extension shall apply if, in Lender's discretion, immediate exercise by Lender of a right or remedy under this Loan Agreement or any Loan Document is required to avoid harm to Lender or impairment of the Mortgage Loan (including the Loan Documents), the Mortgaged Property or any other security given for the Mortgage Loan:

(1) any failure by Borrower to perform any of its obligations under this Loan Agreement or any Loan Document (other than those specified in Section 14.01(a) or Section 14.01(b) above) as and when required.

Section 14.02 Remedies.

(a) Acceleration; Foreclosure.

If an Event of Default has occurred and is continuing, the entire unpaid principal balance of the Mortgage Loan, any Accrued Interest, interest accruing at the Default Rate, the Prepayment Premium (if applicable), and all other Indebtedness, at the option of Lender, shall immediately become due and payable, without any prior written notice to Borrower, unless applicable law requires otherwise (and in such case, after any required written notice has been given). Lender may exercise this option to accelerate regardless of any prior forbearance. In addition, Lender shall have all rights and remedies afforded to Lender hereunder and under the other Loan Documents, including, foreclosure on and/or the power of sale of the Mortgaged Property, as provided in the Security Instrument, and any rights and remedies available to Lender at law or in equity (subject to Borrower's statutory rights of reinstatement, if any). Any proceeds of a

Foreclosure Event may be held and applied by Lender as additional collateral for the Indebtedness pursuant to this Loan Agreement. Notwithstanding the foregoing, the occurrence of any Bankruptcy Event shall automatically accelerate the Mortgage Loan and all obligations and Indebtedness shall be immediately due and payable without written notice or further action by Lender.

(b) Loss of Right to Disbursements from Collateral Accounts.

If an Event of Default has occurred and is continuing, Borrower shall immediately lose all of its rights to receive disbursements from the Reserve/Escrow Accounts and any Collateral Accounts. During the continuance of any such Event of Default, Lender may use the Reserve/Escrow Account Funds and any Collateral Account Funds (or any portion thereof) for any purpose, including:

- (1) repayment of the Indebtedness, including principal prepayments and the Prepayment Premium applicable to such full or partial prepayment, as applicable (however, such application of funds shall not cure or be deemed to cure any Event of Default);
- (2) reimbursement of Lender for all losses and expenses (including reasonable legal fees) suffered or incurred by Lender as a result of such Event of Default;
- (3) completion of the Replacement or Repair or for any other replacement or repair to the Mortgaged Property; and
- (4) payment of any amount expended in exercising (and the exercise of) all rights and remedies available to Lender at law or in equity or under this Loan Agreement or under any of the other Loan Documents.

Nothing in this Loan Agreement shall obligate Lender to apply all or any portion of the Reserve/Escrow Account Funds or Collateral Account Funds on account of any Event of Default by Borrower or to repayment of the Indebtedness or in any specific order of priority.

(c) Remedies Cumulative.

Each right and remedy provided in this Loan Agreement is distinct from all other rights or remedies under this Loan Agreement or any other Loan Document or afforded by applicable law, and each shall be cumulative and may be exercised concurrently, independently, or successively, in any order. Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of additional default by Borrower in order to exercise any of its remedies with respect to an Event of Default.

Section 14.03 Additional Lender Rights; Forbearance.

(a) No Effect Upon Obligations.

Lender may, but shall not be obligated to, agree with Borrower, from time to time, and without giving notice to, or obtaining the consent of, or having any effect upon the obligations of, Guarantor, Key Principal, or other third party obligor, to take any of the following actions:

(1) the time for payment of the principal of or interest on the Indebtedness may be extended, or the Indebtedness may be renewed in whole or in part;

(2) the rate of interest on or period of amortization of the Mortgage Loan or the amount of the Monthly Debt Service Payments payable under the Loan Documents may be modified;

(3) the time for Borrower's performance of or compliance with any covenant or agreement contained in any Loan Document, whether presently existing or hereinafter entered into, may be extended or such performance or compliance may be waived;

(4) any or all payments due under this Loan Agreement or any other Loan Document may be reduced;

(5) any Loan Document may be modified or amended by Lender and Borrower in any respect, including an increase in the principal amount of the Mortgage Loan;

(6) any amounts under this Loan Agreement or any other Loan Document may be released;

(7) any security for the Indebtedness may be modified, exchanged, released, surrendered, or otherwise dealt with, or additional security may be pledged or mortgaged for the Indebtedness;

(8) the payment of the Indebtedness or any security for the Indebtedness, or both, may be subordinated to the right to payment or the security, or both, of any other present or future creditor of Borrower; or

(9) any other terms of the Loan Documents may be modified.

(b) No Waiver of Rights or Remedies.

Any waiver of an Event of Default or forbearance by Lender in exercising any right or remedy under this Loan Agreement or any other Loan Document or otherwise afforded by applicable law, shall not be a waiver of any other Event of Default or preclude the exercise or failure to exercise of any other right or remedy. The acceptance by Lender of payment of all or any part of the Indebtedness after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of Lender's right to require prompt payment when due

of all other payments on account of the Indebtedness or to exercise any remedies for any failure to make prompt payment. Enforcement by Lender of any security for the Indebtedness shall not constitute an election by Lender of remedies so as to preclude the exercise or failure to exercise of any other right available to Lender. Lender's receipt of any insurance proceeds or amounts in connection with a Condemnation Action shall not operate to cure or waive any Event of Default.

(c) Appointment of Lender as Attorney-In-Fact.

Borrower hereby irrevocably makes, constitutes, and appoints Lender (and any officer of Lender or any Person designated by Lender for that purpose) as Borrower's true and lawful proxy and attorney-in-fact (and agent-in-fact) in Borrower's name, place, and stead, with full power of substitution, to:

- (1) use any of the funds in the Replacement Reserve Account or Repairs Escrow Account for the purpose of making or completing the Replacements or Repairs;
- (2) make such additions, changes, and corrections to the Replacements or Repairs as shall be necessary or desirable to complete the Replacements or Repairs;
- (3) employ such contractors, subcontractors, agents, architects, and inspectors as shall be required for such purposes;
- (4) pay, settle, or compromise all bills and claims for materials and work performed in connection with the Replacements or Repairs, or as may be necessary or desirable for the completion of the Replacements or Repairs, or for clearance of title;
- (5) adjust and compromise any claims under any and all policies of insurance required pursuant to this Loan Agreement and any other Loan Document, subject only to Borrower's rights under this Loan Agreement;
- (6) appear in and prosecute any action arising from any insurance policies;
- (7) collect and receive the proceeds of insurance, and to deduct from such proceeds Lender's expenses incurred in the collection of such proceeds;
- (8) commence, appear in, and prosecute, in Lender's or Borrower's name, any Condemnation Action;
- (9) settle or compromise any claim in connection with any Condemnation Action;
- (10) execute all applications and certificates in the name of Borrower which may be required by any of the contract documents;
- (11) prosecute and defend all actions or proceedings in connection with the Mortgaged Property or the rehabilitation and repair of the Mortgaged Property;

(12) take such actions as are permitted in this Loan Agreement and any other Loan Documents;

(13) execute such financing statements and other documents and to do such other acts as Lender may require to perfect and preserve Lender's security interest in, and to enforce such interests in, the collateral; and

(14) carry out any remedy provided for in this Loan Agreement and any other Loan Documents, including endorsing Borrower's name to checks, drafts, instruments and other items of payment and proceeds of the collateral, executing change of address forms with the postmaster of the United States Post Office serving the address of Borrower, changing the address of Borrower to that of Lender, opening all envelopes addressed to Borrower, and applying any payments contained therein to the Indebtedness.

Borrower hereby acknowledges that the constitution and appointment of such proxy and attorney-in-fact are coupled with an interest and are irrevocable and shall not be affected by the disability or incompetence of Borrower. Borrower specifically acknowledges and agrees that this power of attorney granted to Lender may be assigned by Lender to Lender's successors or assigns as holder of the Note (and the other Loan Documents). The foregoing powers conferred on Lender under this Section 14.03(c) shall not impose any duty upon Lender to exercise any such powers and shall not require Lender to incur any expense or take any action. Borrower hereby ratifies and confirms all that such attorney-in-fact may do or cause to be done by virtue of any provision of this Loan Agreement and any other Loan Documents.

Notwithstanding the foregoing provisions, Lender shall not exercise its rights as set forth in this Section 14.03(c) unless: (A) an Event of Default has occurred and is continuing, or (B) Lender determines, in its discretion, that exigent circumstances exist or that such exercise is necessary or prudent in order to protect and preserve the Mortgaged Property, or Lender's lien priority and security interest in the Mortgaged Property.

(d) Borrower Waivers.

If more than one Person signs this Loan Agreement as Borrower, each Borrower, with respect to any other Borrower, hereby agrees that Lender, in its discretion, may:

(1) bring suit against Borrower, or any one or more of Borrower, jointly and severally, or against any one or more of them;

(2) compromise or settle with any one or more of the persons constituting Borrower, for such consideration as Lender may deem proper;

(3) release one or more of the persons constituting Borrower, from liability; or

(4) otherwise deal with Borrower, or any one or more of them, in any manner, and no such action shall impair the rights of Lender to collect from any Borrower the full amount of the Indebtedness.

Section 14.04 Waiver of Marshaling.

Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Mortgaged Property shall be subjected to the remedies provided in this Loan Agreement, any other Loan Document or applicable law. Lender shall have the right to determine the order in which all or any part of the Indebtedness is satisfied from the proceeds realized upon the exercise of such remedies. Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Loan Agreement waives any and all right to require the marshaling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Loan Agreement or any other Loan Documents.

Lender shall account for any moneys received by Lender in respect of any foreclosure on or disposition of collateral hereunder and under the other Loan Documents provided that Lender shall not have any duty as to any collateral, and Lender shall be accountable only for amounts that it actually receives as a result of the exercise of such powers. NONE OF LENDER OR ITS AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, OR REPRESENTATIVES SHALL BE RESPONSIBLE TO BORROWER (a) FOR ANY ACT OR FAILURE TO ACT UNDER ANY POWER OF ATTORNEY OR OTHERWISE, EXCEPT IN RESPECT OF DAMAGES ATTRIBUTABLE SOLELY TO THEIR OWN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT AS FINALLY DETERMINED PURSUANT TO A FINAL, NON-APPEALABLE COURT ORDER BY A COURT OF COMPETENT JURISDICTION, NOR (b) FOR ANY PUNITIVE, EXEMPLARY, INDIRECT OR CONSEQUENTIAL DAMAGES.

(b) Venue.

Any controversy arising under or in relation to this Loan Agreement or any other Loan Document shall be litigated exclusively in the Property Jurisdiction without regard to conflicts of laws principles. The state and federal courts and authorities with jurisdiction in the Property

Jurisdiction shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Loan Agreement or any other Loan Document. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence, or otherwise.

(b) Change of Address.

Any party to this Loan Agreement may change the address to which notices intended for it are to be directed by means of notice given to the other parties identified on the Summary of Loan Terms in accordance with this Section 15.02.

(c) Default Method of Notice.

Any required notice under this Loan Agreement or any other Loan Document which does not specify how notices are to be given shall be given in accordance with this Section 15.02.

(d) Receipt of Notices.

Neither Borrower nor Lender shall refuse or reject delivery of any notice given in accordance with this Loan Agreement. Each party is required to acknowledge, in writing, the receipt of any notice upon request by the other party.

Section 15.03 Successors and Assigns Bound; Sale of Mortgage Loan.

(a) Binding Agreement.

This Loan Agreement shall bind, and the rights granted by this Loan Agreement shall inure to, the successors and assigns of Lender and the permitted successors and assigns of Borrower. However, a Transfer not permitted by this Loan Agreement shall be an Event of Default and shall be void ab initio.

(b) Sale of Mortgage Loan; Change of Servicer.

Nothing in this Loan Agreement shall limit Lender's (including its successors and assigns) right to sell or transfer the Mortgage Loan or any interest in the Mortgage Loan. The Mortgage Loan or a partial interest in the Mortgage Loan (together with this Loan Agreement and the other Loan Documents) may be sold one or more times without prior written notice to Borrower. A sale may result in a change of the Loan Servicer.

Section 15.04 Counterparts.

This Loan Agreement may be executed in any number of counterparts with the same effect as if the parties hereto had signed the same document and all such counterparts shall be construed together and shall constitute one instrument.

Section 15.05 Joint and Several (or Solidary) Liability.

If more than one Person signs this Loan Agreement as Borrower, the obligations of such Persons shall be joint and several (solidary instead for purposes of Louisiana law).

Section 15.06 Relationship of Parties; No Third Party Beneficiary.

(a) Solely Creditor and Debtor.

The relationship between Lender and Borrower shall be solely that of creditor and debtor, respectively, and nothing contained in this Loan Agreement shall create any other relationship between Lender and Borrower. Nothing contained in this Loan Agreement shall constitute Lender as a joint venturer, partner, or agent of Borrower, or render Lender liable for any debts, obligations, acts, omissions, representations, or contracts of Borrower.

(b) No Third Party Beneficiaries.

No creditor of any party to this Loan Agreement and no other Person shall be a third party beneficiary of this Loan Agreement or any other Loan Document or any account created or contemplated under this Loan Agreement or any other Loan Document. Nothing contained in this Loan Agreement shall be deemed or construed to create an obligation on the part of Lender to any third party nor shall any third party have a right to enforce against Lender any right that Borrower may have under this Loan Agreement. Without limiting the foregoing:

(1) any Servicing Arrangement between Lender and any Loan Servicer shall constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness;

(2) Borrower shall not be a third party beneficiary of any Servicing Arrangement; and

(3) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

Section 15.07 Severability; Entire Agreement; Amendments.

The invalidity or unenforceability of any provision of this Loan Agreement or any other Loan Document shall not affect the validity or enforceability of any other provision of this Loan Agreement or of any other Loan Document, all of which shall remain in full force and effect, including the Guaranty. This Loan Agreement contains the complete and entire agreement among the parties as to the matters covered, rights granted, and the obligations assumed in this Loan Agreement. This Loan Agreement may not be amended or modified except by written agreement signed by the parties hereto.

Section 15.08 Construction.

(a) The captions and headings of the sections of this Loan Agreement and the Loan Documents are for convenience only and shall be disregarded in construing this Loan Agreement and the Loan Documents.

(b) Any reference in this Loan Agreement to an "Exhibit" or "Schedule" or a "Section" or an "Article" shall, unless otherwise explicitly provided, be construed as referring, respectively, to an Exhibit or Schedule attached to this Loan Agreement or to a Section or Article of this Loan Agreement.

(c) Any reference in this Loan Agreement to a statute or regulation shall be construed as referring to that statute or regulation as amended from time to time.

(d) Use of the singular in this Loan Agreement includes the plural and use of the plural includes the singular.

(e) As used in this Loan Agreement, the term “including” means “including, but not limited to” or “including, without limitation,” and is for example only and not a limitation.

(f) Whenever Borrower’s knowledge is implicated in this Loan Agreement or the phrase “to Borrower’s knowledge” or a similar phrase is used in this Loan Agreement, Borrower’s knowledge or such phrase(s) shall be interpreted to mean to the best of Borrower’s knowledge after reasonable and diligent inquiry and investigation.

(g) Unless otherwise provided in this Loan Agreement, if Lender’s approval, designation, determination, selection, estimate, action, or decision is required, permitted, or contemplated hereunder, such approval, designation, determination, selection, estimate, action, or decision shall be made in Lender’s sole and absolute discretion.

(h) All references in this Loan Agreement to a separate instrument or agreement shall include such instrument or agreement as the same may be amended or supplemented from time to time pursuant to the applicable provisions thereof.

(i) “Lender may” shall mean at Lender’s discretion, but shall not be an obligation.

(j) If the Mortgage Loan proceeds are disbursed on a date that is later than the Effective Date, as described in Section 2.02(a)(1), the representations and warranties in the Loan Documents with respect to the ownership and operation of the Mortgaged Property shall be deemed to be made as of the disbursement date.

Section 15.09 Mortgage Loan Servicing.

All actions regarding the servicing of the Mortgage Loan, including the collection of payments, the giving and receipt of notice, inspections of the Mortgaged Property, inspections of books and records, and the granting of consents and approvals, may be taken by the Loan Servicer unless Borrower receives notice to the contrary. If Borrower receives conflicting notices regarding the identity of the Loan Servicer or any other subject, any such written notice from Lender shall govern. The Loan Servicer may change from time to time (whether related or unrelated to a sale of the Mortgage Loan). If there is a change of the Loan Servicer, Borrower will be given written notice of the change.

Section 15.10 Disclosure of Information.

Lender may furnish information regarding Borrower, Key Principal, or Guarantor, or the Mortgaged Property to third parties with an existing or prospective interest in the servicing, enforcement, evaluation, performance, purchase, or securitization of the Mortgage Loan, including trustees, master servicers, special servicers, rating agencies, and organizations maintaining databases on the underwriting and performance of multifamily mortgage loans. Borrower irrevocably waives any and all rights it may have under applicable law to prohibit such disclosure, including any right of privacy.

Section 15.11 Waiver; Conflict.

No specific waiver of any of the terms of this Loan Agreement shall be considered as a general waiver. If any provision of this Loan Agreement is in conflict with any provision of any other Loan Document, the provision contained in this Loan Agreement shall control.

Section 15.12 No Reliance.

Borrower acknowledges, represents, and warrants that:

(a) it understands the nature and structure of the transactions contemplated by this Loan Agreement and the other Loan Documents;

(b) it is familiar with the provisions of all of the documents and instruments relating to such transactions;

(c) it understands the risks inherent in such transactions, including the risk of loss of all or any part of the Mortgaged Property;

(d) it has had the opportunity to consult counsel; and

(e) it has not relied on Lender for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by this Loan Agreement or any other Loan Document or otherwise relied on Lender in any manner in connection with interpreting, entering into, or otherwise in connection with this Loan Agreement, any other Loan Document, or any of the matters contemplated hereby or thereby.

Section 15.13 Subrogation.

If, and to the extent that, the proceeds of the Mortgage Loan are used to pay, satisfy, or discharge any obligation of Borrower for the payment of money that is secured by a pre-existing mortgage, deed of trust, or other lien encumbering the Mortgaged Property, such Mortgage Loan proceeds shall be deemed to have been advanced by Lender at Borrower's request, and Lender shall be subrogated automatically, and without further action on its part, to the rights, including lien priority, of the owner or holder of the obligation secured by such prior lien, whether or not such prior lien is released.

Section 15.14 Counting of Days.

Except where otherwise specifically provided, any reference in this Loan Agreement to a period of "days" means calendar days, not Business Days. If the date on which Borrower is required to perform an obligation under this Loan Agreement is not a Business Day, Borrower shall be required to perform such obligation by the Business Day immediately preceding such date; provided, however, in respect of any Payment Date, or if the Maturity Date is other than a Business

Day, Borrower shall be obligated to make such payment by the Business Day immediately following such date.

Section 15.15 Revival and Reinstatement of Indebtedness.

If the payment of all or any part of the Indebtedness by Borrower, Guarantor, or any other Person, or the transfer to Lender of any collateral or other property should for any reason subsequently be declared to be void or voidable under any state or federal law relating to creditors' rights, including provisions of the Insolvency Laws relating to a Voidable Transfer, and if Lender is required to repay or restore, in whole or in part, any such Voidable Transfer, or elects to do so upon the advice of its counsel, then the amount of such Voidable Transfer or the amount of such Voidable Transfer that Lender is required or elects to repay or restore, including all reasonable costs, expenses, and attorneys' fees incurred by Lender in connection therewith, and the Indebtedness shall be automatically revived, reinstated, and restored by such amount and shall exist as though such Voidable Transfer had never been made.

Section 15.16 Time is of the Essence.

Borrower agrees that, with respect to each and every obligation and covenant contained in this Loan Agreement and the other Loan Documents, time is of the essence.

Section 15.17 Final Agreement.

THIS LOAN AGREEMENT ALONG WITH ALL OF THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES WITH RESPECT TO THE SUBJECT MATTER HEREOF AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES. All prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Loan Agreement and the other Loan Documents. This Loan Agreement, the other Loan Documents, and any of their provisions may not be waived, modified, amended, discharged, or terminated except by an agreement in writing signed by the party against which the enforcement of the waiver, modification, amendment, discharge, or termination is sought, and then only to the extent set forth in that agreement.

Section 15.18 WAIVER OF TRIAL BY JURY.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EACH OF BORROWER AND LENDER (a) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS LOAN AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER, THAT IS TRIABLE OF RIGHT BY A JURY, AND (b) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT

TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

Section 15.19 INDEMNIFICATION.

(a) In addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant hereto or under law or equity, Borrower hereby agrees to indemnify and hold harmless Lender from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever (including reasonable attorneys' fees) which Lender may incur (or which may be claimed against Lender by any person or entity whatsoever) by reason of or in connection with:

- (i) the failure of the Bonds (as defined in the Trust Indenture) to be paid and redeemed pursuant to the terms of the Trust Indenture; or
- (ii) any losses directly or indirectly related to the Bonds or the documents executed in connection therewith;

provided that the Borrower shall not be required to indemnify Lender for any claims, damages, losses, liabilities, costs or expenses in connection with the foregoing to the extent, but only to the extent, caused by (a) Lender's willful misconduct or gross negligence, as determined by a court of competent jurisdiction pursuant to a final non-appealable court order, or (b) Lender's willful failure to pay or its gross negligence, as determined by a court of competent jurisdiction pursuant to a final non-appealable court order, in not paying any payments due in respect of the mortgage-backed security issued in connection with the Loan ("MBS"). If any proceeding shall be brought or threatened against Lender by reason of or in connection with the indemnified matters described in this Section 15.19, Lender shall promptly notify the Borrower in writing and the Borrower shall assume the defense thereof, including the employment of legal counsel and the payment of all costs of litigation. Notwithstanding the preceding sentence, Lender shall have the right to employ its own legal counsel, at its own expense and to determine its own defense of such action in any such case, at Borrower's expense.

(b) Lender shall be responsible to Borrower, to the extent of any direct damages suffered by Borrower which Borrower proves were caused by Lender's willful failure to pay or its gross negligence, as determined by a court of competent jurisdiction pursuant to a final non-appealable court order, in not paying any payments due in respect of the MBS; provided, however, that in no event shall Lender be liable to Borrower or to any other Person for damages in excess of the amount due in respect of the MBS as such amount is reduced from time to time. Lender shall not be liable for any consequential, indirect, special or punitive damages, all of which Borrower waives.

SCHEDULE 4
TO MULTIFAMILY LOAN AND SECURITY AGREEMENT

Prepayment Premium Schedule
(Standard Yield Maintenance Fee Maintenance – Fixed Rate)

1. Defined Terms.

All capitalized terms used but not defined in this Prepayment Premium Schedule shall have the meanings assigned to them in the Loan Agreement.

2. Prepayment Premium.

Any Prepayment Premium payable under Section 2.03 (Lockout/Prepayment) of the Loan Agreement shall be computed as follows:

(a) If the prepayment is made at any time after the Effective Date and before the Yield Maintenance Period End Date, the Prepayment Premium shall be the greater of:

(1) one percent (1%) of the amount of principal being prepaid; or

(2) the product obtained by multiplying:

(A) the amount of principal being prepaid,

by

(B) the difference obtained by subtracting from the Fixed Rate on the Mortgage Loan, the Yield Rate (as defined below) on the twenty-fifth (25th) Business Day preceding (i) the Intended Prepayment Date, or (ii) the date Lender accelerates the Mortgage Loan or otherwise accepts a prepayment pursuant to Section 2.03(d) (Application of Collateral) of the Loan Agreement,

by

(C) the present value factor calculated using the following formula:

$$\frac{1 - (1 + r)^{-n/12}}{r}$$

[r = Yield Rate

n = the number of months remaining between (i) either of the following: (x) in the case of a voluntary prepayment, the last day of the month in which the prepayment is made, or (y) in any other case, the date on which Lender accelerates the unpaid principal balance of the Mortgage Loan and (ii) the Yield Maintenance Period End Date.

For purposes of this clause (2), the “**Yield Rate**” means the yield calculated by interpolating the yields for the immediately shorter and longer term U.S. “Treasury constant maturities” (as reported in the Federal Reserve Statistical Release H.15 Selected Interest Rates (the “**Fed Release**”) under the heading “U.S. government securities”) closest to the remaining term of the Yield Maintenance Period Term, as follows (rounded to three (3) decimal places):

$$\left(\frac{(a - b)}{(x - y)} \times (z - y) \right) + b$$

a = the yield for the longer U.S. Treasury constant maturity
b = the yield for the shorter U.S. Treasury constant maturity
x = the term of the longer U.S. Treasury constant maturity
y = the term of the shorter U.S. Treasury constant maturity
z = “n” (as defined in the present value factor calculation above) divided by twelve (12).

Notwithstanding any provision to the contrary, if “z” equals a term reported under the U.S. “Treasury constant maturities” subheading in the Fed Release, the yield for such term shall be used, and interpolation shall not be necessary. If publication of the Fed Release is discontinued by the Federal Reserve Board, Lender shall determine the Yield Rate from another source selected by Lender. Any determination of the Yield Rate by Lender will be binding absent manifest error.]

(b) If the prepayment is made on or after the Yield Maintenance Period End Date but before the last calendar day of the thirteenth (13th) month prior to the month in which the Maturity Date occurs, the Prepayment Premium shall be one percent (1%) of the amount of principal being prepaid.

(c) Notwithstanding the provisions of Section 2.03 (Lockout/Prepayment) of the Loan Agreement, no Prepayment Premium shall be payable with respect to any prepayment made on or after the last calendar day of the thirteenth (13th) month prior to the month in which the Maturity Date occurs.

on such investment. All interest earned on the Rehabilitation Reserve Account Funds shall be added to and become part of such Rehabilitation Reserve Account; provided, however, if applicable law requires, and so long as no Event of Default has occurred and is continuing under any of the Loan Documents, Lender shall pay to Borrower the interest earned on the Rehabilitation Reserve Account not less frequently than the Rehabilitation Reserve Account Interest Disbursement Frequency. In no event shall Lender be obligated to disburse funds from the Rehabilitation Reserve Account if an Event of Default has occurred and is continuing.

(2) Disbursements by Lender Only.

Only Lender or a designated representative of Lender may make disbursements from the Rehabilitation Reserve Account. Except as provided in Section 17.02(a)(8) (Joint Checks for Periodic Disbursements), disbursements shall only be made upon Borrower request and after satisfaction of all conditions for disbursement.

(3) Adjustment to Deposits.

In connection with any Transfer of the Mortgaged Property, or any Transfer of an ownership interest in Borrower, Guarantor or Key Principal that requires Lender's consent (except as set forth in Section 11.03(b),(c) and (h)), Lender may review the amounts on deposit, if any, in the Rehabilitation Reserve Account and the likely Rehabilitation Work required by the Mortgaged Property, and the related contingencies which may arise during the remaining Loan Term. Based upon that review, Lender may require an additional deposit to the Rehabilitation Reserve Account as a condition to Lender's consent to such Transfer. In all events, the transferee shall be required to assume Borrower's duties and obligations under this Loan Agreement.

(4) Insufficient Funds.

Lender may, upon thirty (30) days prior written notice to Borrower, require an additional deposit(s) to the Rehabilitation Reserve Account if Lender determines that the amounts on deposit in the Rehabilitation Reserve Account are not sufficient to cover the costs for the Required Rehabilitation Work, or, pursuant to the terms of Section 17.02(a)(9) (Disbursements for Other than Required Rehabilitation Work; Excess Costs), are not sufficient to cover the costs for Borrower Requested Rehabilitation Work. Borrower's agreement to complete the Rehabilitation Work as required by this Loan Agreement shall not be affected by the insufficiency of any balance in the Rehabilitation Reserve Account.

(5) Disbursements for Rehabilitation Work.

Disbursement requests may only be made after completion of the applicable Rehabilitation Work and only to pay for or to reimburse Borrower for the actual approved costs of the Rehabilitation Work. Lender shall not be required to disburse any amounts which would: (A) cause the total amount disbursed to date to exceed the Permitted Rehabilitation Disbursement Amount; or (B) cause the amount of funds remaining in the Rehabilitation Reserve Account after any disbursement (other than with respect to the final disbursement) to be less than the then current estimated cost of completing all remaining Rehabilitation Work. Further, in no event shall Lender be obligated to disburse Rehabilitation Reserve Account Funds if: (i) all equity contributions have not been received by Borrower from its investors/partners in accordance with the terms of the Partnership Agreement; or (ii) an Event of Default has occurred and is continuing. Lender shall not disburse from the Replacement Reserve Account or the Repairs Escrow Account for costs of Rehabilitation Work. Lender shall not disburse from the Rehabilitation Reserve Account the costs of routine maintenance to the Mortgaged Property or for costs which are to be reimbursed from any Reserve/Escrow Account. Disbursement from the Rehabilitation Reserve Account shall not be made more frequently than the Maximum Rehabilitation Reserve Disbursement Interval. Other than in connection with a final request for disbursement, disbursements from the Rehabilitation Reserve Account shall not be less than the Minimum Rehabilitation Reserve Disbursement Amount. Upon satisfaction of the requirements of this Section 18, Lender shall disburse on behalf of Borrower amounts from the Rehabilitation Reserve Account to reimburse Borrower for the actual cost of the Rehabilitation Work completed as of the date of such request. In connection with such disbursements, Borrower shall cause Trustee to disburse funds first from amounts in the Bond Proceeds Rehabilitation Reserve Account until the Bond Proceeds Rehabilitation Reserve Account has been completely depleted.

(6) Disbursement Requests.

Each request by Borrower for disbursement from the Rehabilitation Reserve Account must be in writing and must:

(A) specify the Rehabilitation Work for which reimbursement is requested; provided that for any Borrower Requested Rehabilitation Work, Lender shall have approved the use of the Rehabilitation Reserve Account Funds for such replacements or repairs pursuant to the terms of Section 17.02(a)(9) (Disbursements for Other than Rehabilitation Work; Excess Costs);

(B) if applicable, specify the quantity and price of the items or materials purchased, grouped by type or category;

(C) if applicable, specify the cost of all contracted labor or other services, including architectural services, involved in the Rehabilitation Work for which such request for disbursement is made;

(D) if applicable, include copies of invoices for all items or materials purchased and all contracted labor or services provided;

(E) include evidence of payment of such Rehabilitation Work satisfactory to Lender (unless Lender has agreed to issue joint checks or otherwise pay for the Rehabilitation Work in connection with a particular Rehabilitation Work Item as provided in this Loan Agreement);

(F) if applicable, contain a certification by Borrower that the Rehabilitation Work has been completed lien free or conditionally lien free, subject only to payment of the applicable invoice, and in a good and workmanlike manner, in accordance with any plans and specifications previously approved by Lender (if applicable) and in compliance with all applicable laws, ordinances, rules and regulations of any Governmental Authority having jurisdiction over the Mortgaged Property, and otherwise in accordance with the provisions of this Loan Agreement;

(G) if applicable, include evidence that any certificates of occupancy required by local law or authorities have been issued; and

(H) have the written consent of the Equity Investor, or, if a request for such written consent of Equity Investor has been submitted to Equity Investor and Equity Investor has failed to respond to such request within a reasonable period of time, which in any event, shall not exceed ten (10) business days from the submission of such request.

(7) Conditions to Disbursement.

Lender may require any or all of the following at the expense of Borrower as a condition to disbursement of funds from the Rehabilitation Reserve Account; provided that for any Borrower Requested Rehabilitation Work, Lender shall have approved the use of the Rehabilitation Reserve Account Funds for such replacements or repairs pursuant to the terms of

Section 17.02(a)(9) (Disbursements for Other than Required Rehabilitation Work; Excess Costs):

(A) an inspection by Lender of the Mortgaged Property and the applicable Rehabilitation Work Item if the Rehabilitation Work is in excess of \$50,000.00;

(B) an inspection or certificate of completion by an appropriate independent qualified professional (such as an architect, engineer or property inspector, depending on the nature of the Rehabilitation Work) selected by Lender if the Rehabilitation Work Item is in excess of \$50,000.00;

(C) either:

(i) a search of title to the Mortgaged Property effective to the date of disbursement; or

(ii) a “date-down” endorsement to Lender’s Title Policy extending the effective date of such policy to the date of disbursement, and showing no Liens other than (1) Permitted Encumbrances, (2) liens which Borrower is diligently contesting in good faith that have been bonded off to the satisfaction of Lender, or (3) mechanics’ or materialmen’s liens which attach automatically under the laws of the Governmental Authority upon the commencement of any work upon, or delivery of any materials to, the Mortgaged Property but for which Borrower is not delinquent in the payment for any such services or materials; and

(D) an acknowledgement of payment, waiver of claims and release of lien for work performed and materials supplied from each contractor, subcontractor, or materialman in accordance with the requirements of applicable law and covering all work performed and materials supplied (including equipment and fixtures) for the Mortgaged Property by that contractor, subcontractor or materialman through the date covered by the disbursement request (or, in the event that payment to such contractor, subcontractor or materialman is to be made by a joint check, the release of lien shall be effective through the date covered by the previous disbursement).

(8) Joint Checks for Periodic Disbursements.

Lender may issue joint checks, payable to Borrower and the applicable supplier, materialman, mechanic, contractor, subcontractor or other similar party, if:

(A) the cost of the Rehabilitation Work Item exceeds the Rehabilitation Work Item Cost Threshold, and the contractor performing such Rehabilitation Work requires periodic payments pursuant to the terms of the applicable written contract;

(B) the contract for such Rehabilitation Work requires payment upon completion of the applicable portion of the work;

(C) Borrower makes the disbursement request after completion of the applicable portion of the work required to be completed under such contract;

(D) the materials for which the request for disbursement has been made are on site at the Mortgaged Property and are properly secured or installed;

(E) Lender determines that the remaining funds in the Rehabilitation Reserve Account designated for such Replacement are sufficient to pay such costs and the then-current estimated cost of completing all remaining Required Rehabilitation Work and, as applicable, any other Borrower Requested Rehabilitation Work that has been previously approved by Lender;

(F) each supplier, materialman, mechanic, contractor, subcontractor or other similar party receiving payments shall have provided, if requested in writing by Lender, a waiver of liens with respect to amounts which have been previously paid to them; and

(G) all other conditions for disbursement have been satisfied.

(9) Disbursements for Other than Required Rehabilitation Work; Excess Costs.

(A) Borrower Requested Rehabilitation Work.

In the event Borrower requests a disbursement from the Rehabilitation Reserve Account to reimburse Borrower for any Borrower Requested Rehabilitation Work, such request shall be in

writing and explain the reason for the request. Lender shall make disbursements for Borrower Requested Rehabilitation Work, if:

(i) it is of the type intended to be covered by the Rehabilitation Reserve Account;

(ii) the costs are commercially reasonable;

(iii) the amount of funds in the Rehabilitation Reserve Account is sufficient to pay such costs and the then-current estimated cost of completing all remaining Required Rehabilitation Work and, as applicable, any other Borrower Requested Rehabilitation Work that has been previously approved by Lender; and

(iv) all conditions for disbursement from the Rehabilitation Reserve Account have been satisfied.

Nothing in this Loan Agreement shall limit Lender's right to require an additional deposit to the Rehabilitation Reserve Account in connection with any such Borrower Requested Rehabilitation Work.

(B) Intentionally Deleted

(10) Excess Costs.

In the event any Rehabilitation Work Item exceeds the approved cost set forth on the Rehabilitation Work Schedule for such Rehabilitation Work Item, Borrower may submit a disbursement request to pay for or reimburse Borrower for such excess cost. The disbursement request must be in writing and include an explanation for such request. Lender shall make disbursements from the Rehabilitation Reserve Account if:

(A) the excess cost is commercially reasonable;

(B) the amount of funds in the Rehabilitation Reserve Account is sufficient to pay such costs and the then-current estimated cost of completing all remaining Required Rehabilitation Work and, as applicable, any other Borrower Requested Rehabilitation Work that has been previously approved by Lender; and

(C) all conditions for disbursement from the Rehabilitation Reserve Account have been satisfied.

(11) Final Disbursements.

(A) Upon completion of all Rehabilitation Work in accordance with this Loan Agreement on or before the expiration of the Rehabilitation Completion Period and so long as no Event of Default has occurred and is continuing, Lender shall disburse to Borrower any amounts then remaining in the Rehabilitation Reserve Account, if

(i) all conditions for disbursements set forth in Section 17.02(a)(7) (Conditions to Disbursement) have been satisfied; and

(ii) Lender has received and accepted Rehabilitation Work Certificate from Borrower, attached hereto as Schedule 9 (the “**Rehabilitation Work Certificate**”).

(B) Upon payment in full of the Indebtedness and release by Lender of the lien of the Security Instrument, Lender shall disburse to Borrower any and all amounts then remaining in the Rehabilitation Reserve Account (if not previously released).

(b) Approvals of Contracts; Assignment of Claims.

Lender retains the right to approve all contracts or work orders with materialmen, mechanics, suppliers, subcontractors, contractors or other parties providing labor or materials in connection with the Rehabilitation Work. Notwithstanding Borrower’s assignment (in the Security Instrument) of its rights and claims against all persons or entities supplying labor or materials in connection with the Rehabilitation Work, Lender will not pursue any such right or claim unless an Event of Default has occurred and is continuing or as otherwise provided in Section 14.03.

(c) Delays and Workmanship.

If any Rehabilitation Work Item has not timely commenced, has not been timely performed in a workmanlike manner, or has not been timely completed in a workmanlike manner, Lender may, with prior notice to Borrower and following a period of 30 days from such notice to Borrower for Borrower to cure such default:

2. Ground Lessor hereby consents to the Mortgage Loan secured by a lien as to the leasehold estate created by the Lease, and to the encumbrance of a security lien against Ground Lessee's leasehold estate as security for repayment of the Mortgage Loan, it being expressly understood and agreed that Lender intends to assign the Loan to Fannie Mae, and that Fannie Mae, its successors and assigns, may specifically rely on the provisions of this Estoppel Certificate.

3. The Lease provides for an original term of _____ (___) years, commencing on _____ and expiring on _____.

4. The Lease makes the following provision for renewal or extension of its term beyond the original term: (initial one)

the Lease does not contain an option(s) or other right to renew or extend for any additional term or terms.

the Lease contains an option for _____ additional term(s) of _____ years each.

5. The rent currently payable by Ground Lessee to Ground Lessor under the Lease is \$ _____ [per annum, payable in monthly installments]. All rent and other charges due and currently payable by Ground Lessee under the Lease through the date hereof have been fully paid by Ground Lessee.

6. The Lease is valid and in full force and effect, and there is no existing default or unfulfilled obligation on the part of Ground Lessee in any of the terms and conditions of the Lease, and no event has occurred or condition exists which, with the passing of time or giving of notice or both, would constitute an event of default under the Lease.

7. Ground Lessor has no right to terminate the Lease [other than as follows: _____].

8. Ground Lessee has no option or right of first refusal to purchase the Premises or any part thereof.

9. Ground Lessee owns all improvements located on the Premises [except as follows: _____].

10. Ground Lessor agrees that it shall not accept a voluntary surrender or termination of the Lease for so long as the Premises are subject to the Mortgage Loan.

11. Ground Lessor shall not terminate, cancel, amend or modify the Lease without the prior written consent of Lender.

12. Ground Lessor agrees that if Ground Lessor or Ground Lessee initiates any appraisal, arbitration, litigation or other dispute resolution proceeding affecting the Lease, then

13. There are no mortgages encumbering Ground Lessor's fee estate in the Mortgaged Property and Ground Lessor acknowledges and agrees that it will not mortgage or otherwise encumber its fee estate in the future.

14. Ground Lessor has not assigned, mortgaged, conveyed, transferred, encumbered, hypothecated or granted to any party any interest in the Lease or the Premises (other than recorded easements, rights of way or similar recorded encumbrances of record as of the date hereof) other than to Ground Lessee, or granted to any party any right or option to purchase the Premises or any interest of Ground Lessor in the Lease other than options granted to Ground Lessee under the Lease. In the event of any such foreclosure or any other exercise by Lender of rights and remedies (whether under the Mortgage Loan or under applicable law), as a result of which Lender (or its designee or nominee) or a third party purchaser becomes owner of the leasehold estate, or delivery of a deed or other conveyance of Ground Lessee's interest in lieu of any of the foregoing, Ground Lessor agrees that Lender (or its designee or nominee) or a third party purchaser at a foreclosure sale or a transferee that receives a deed in lieu of foreclosure shall only be liable for acts or omissions taking place during the period in which Lender (or its designee or nominee) or such third party purchaser at a foreclosure sale or transferee that receives a deed in lieu of foreclosure had record title to the leasehold estate, and Ground Lessor will provide for an automatic release of Lender (or its designee or nominee) or any third party purchaser at a foreclosure sale or transferee that receives a deed in lieu of foreclosure.

16. Upon receipt of notice from the Ground Lessor of a default by Ground Lessee under the Lease, Lender may, but shall not be obligated to, cure any default of Ground Lessee within the time frame set forth in the Lease afforded to cure such default, and the lapse of thirty (30) days after the expiration of such time frame to cure such default; provided, however, that with respect to any default of Ground Lessee under the Lease which cannot be remedied within such time frame, if Lender commences to cure such default within such time and thereafter diligently proceeds with such efforts and pursues the same to completion, Lender shall have such time as is reasonably necessary to complete curing such default. Notwithstanding the foregoing, with respect to any default of Ground Lessee under the Lease that cannot be remedied without Lender obtaining possession of the Premises, any cure period afforded to Borrower in the Lease shall not commence until Lender obtains possession of the Premises, as long as all other defaults which reasonably can be cured by Lender without Lender obtaining possession of the Premises are so cured, and provided

that Lender commences to exercise any rights to obtain possession or to effect foreclosure, and diligently pursues the exercise of such rights thereafter.

17. Lender will rely on the covenants and agreements made by Ground Lessor herein in connection with Lender's agreement to make the Mortgage Loan and Ground Lessor agrees that Lender may so rely on such representations and agreements.

(b) Additional Limitations.

(i) Costs of Issuance. Costs of Issuance in an amount of \$[236,390] are expected to be paid out of the Net Proceeds of the Bonds. Thus, Costs of Issuance financed out of Net Proceeds of the Bonds are not expected to exceed in the aggregate two percent of the Sale Proceeds of the Bonds (i.e., \$[400,000]). In no event will Costs of Issuance paid from Proceeds of the Bonds exceed two percent of the Sale Proceeds of the Bonds, and any Costs of Issuance in excess of two percent of Sale Proceeds of the Bonds will be paid by the Borrower from sources other than Net Proceeds of the Bonds.

(ii) Acquisition of Existing Property. No portion of the Net Proceeds of the Bonds will be used to pay or reimburse the cost of acquiring any property or an interest therein unless, (i) the first use of such property is pursuant to such acquisition, except for land, or (ii) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the portion of the cost of acquiring such building and equipment financed with the Net Proceeds of the Bonds (with respect to structures other than buildings, this clause shall be applied by substituting 100 percent for 15 percent). For purposes of the preceding sentence, the term "rehabilitation expenditures" shall have the meaning set forth in section 147(d)(3) of the Code. If the Project has two or more

buildings, the provisions regarding rehabilitation expenditures are to be applied on a Project-wide basis.

(iii) Limitation on Land Acquisition. Less than 25 percent of the Net Proceeds of the Bonds will be used (directly or indirectly) to acquire land (or an interest therein) and no portion of the Net Proceeds of the Bonds will be used (directly or indirectly) for farming purposes. For this purpose, an amount is considered used for the acquisition of land (or an interest therein) to the extent of that portion of the acquisition cost of the Project that is properly allocable for all federal income tax purposes to the land component (including interests in land) of the Project.

(iv) Prohibited Facilities. None of the Proceeds of the Bonds will be used to acquire, construct, or equip, and no portion of the Project will be, an airplane, a skybox or any other type of luxury box, a health club facility, a facility primarily used for gambling, or a store the principal business of which is the sale of alcoholic beverages for consumption off premises; provided that, any fitness room functionally related to and subordinate to the Project for use by tenants of the Project or their guest is not considered a health club facility for purposes of this subparagraph.

(v) Payments to Related Persons. Any amount of Proceeds of the Bonds paid to a Related Person to the Borrower or any affiliated person that is not a Related Person to the Borrower will not exceed an arm's-length charge that is the amount that would be charged to a person other than the Borrower. Further, any amount of Proceeds of the Bonds paid to a Related Person to the Borrower or any affiliated person that is not a Related Person to the Borrower would be paid under the same circumstances by a person other than the Borrower to such affiliated person or entity. Notwithstanding the foregoing, in no event will amounts of Proceeds of the Bonds that are paid to a Related Person to the Borrower be treated as spent until such amounts are spent on capital expenditures by such Related Person.

(vi) No Working Capital. Except for an amount that does not exceed five percent of the Sale Proceeds of the Bonds (and that is directly related to the Project), the Proceeds of the Bonds will only be expended for (A) costs that would be chargeable to the capital account of the Project if the Issuer's income were subject to federal income taxation; (B) interest on the Bonds in an amount that does not cause the aggregate amount of interest paid on the Bonds to exceed that amount of interest on the Bonds that is attributable to the period that commences on the Issue Date of the Bonds and ends on the later of (1) the date that is three years from the Issue Date of the Bonds or (2) the date that is one year after the date on which the Project is Placed in Service; and/or (C) fees for a qualified guarantee of the Bonds or payment for a qualified hedge on the Bonds.

(vii) No Pooling. The Issuer will not use the Proceeds of the Bonds directly or indirectly to make or finance loans to two or more ultimate unrelated borrowers.

(viii) Weighted Average Economic Life. The Weighted Average Maturity of the Bonds, as calculated by the Underwriter and as set forth in Exhibit A hereto, is [WAM] years. The Weighted Average Maturity is not more than 120 percent of the weighted average estimated economic life of the portion of the Project financed with Proceeds of the Bonds, as set forth in Exhibit D attached hereto (i.e. [WAEL]). Such weighted average estimated economic life is determined in accordance with the following assumptions: (A) the weighted average is determined by taking into account the respective costs of each asset, excluding land; (B) the reasonably expected economic life of an asset is determined as of the later of (1) the Issue Date of the Bonds or (2) the date on which such asset is originally Placed in Service (or expected to be Placed in Service); and (C) the economic lives shown in Exhibit D attached hereto for the itemized assets are the useful lives that would have been used for depreciation purposes under section 167 of the Code prior to the enactment of the ACRS system under section 168 of the Code (i.e., the mid-point lives under the Class Life Asset Depreciation Range System of section 167(m) of the Code where applicable and the guideline lives under Revenue Procedure 62-21, 1962-2 C.B. 418, in the case of structures). The Borrower hereby covenants not make any changes to the Project that would, at the time made, cause the reasonably expected economic life of the Project, determined pursuant to section 147(b) of the Code, to be less than the average reasonably expected economic life of the Project as calculated as of the Issue Date of the Bonds, unless the Borrower files with the Issuer a Favorable Opinion of Bond Counsel.

(c) Reimbursement. Other than (i) the amount of \$100,000 and/or (ii) Preliminary Expenditures up to an amount not in excess of 20 percent of the Sale Proceeds of the Bonds, no portion of the Proceeds of the Bonds will be disbursed to reimburse the Issuer, the Borrower or any Related Person to the Borrower for any expenditures paid or incurred prior to the date that is 60 days before the Inducement Date, which is the date on which the Issuer adopted a resolution describing the Project, stating the maximum principal amount of obligations expected to be issued for the Project and stating the Issuer's reasonable expectation that expenditures for costs of the Project would be reimbursed with Proceeds of an obligation. Such resolution was not an official intent declared as a matter of course or in an amount substantially in excess of the amount expected to be necessary for the Project. Neither the Issuer nor the Borrower has engaged in a pattern of failure to reimburse actual original expenditures covered by official intents. [The Borrower expects that it will use Proceeds of the Bonds in the amount of approximately \$[_____] to reimburse itself for expenditures paid prior to the Issue Date of the Bonds.] Such reimbursed portion will be treated as spent for purposes of the "Funds—Proceeds Fund" subparagraph herein and the "Compliance with Rebate Requirements; Rebate Fund" paragraphs herein.

(d) Allocations and Accounting. The Proceeds of the Bonds will be allocated to expenditures not later than 18 months after the later of the date the original expenditure is made or the date the Project is Placed in Service, but in no event later than the date that is 60 days after the fifth anniversary of the Issue Date of the Bonds or the retirement of the Bonds, if earlier; provided that, if such allocation is made pursuant to a reimbursement expenditure described above, such reimbursement allocation will in no event be made later than the date that is three years after the date each such original expenditure is paid. The Borrower hereby elects to consistently allocate the expenditure of Proceeds of the Bonds to Qualified Project Costs of the Project. No Proceeds of the Bonds will be allocated to any expenditures to which Proceeds of any other tax-exempt obligations have heretofore been allocated.

10. Issue Price; Yield on the Bonds. The Issuer and the Borrower hereby represent, covenant and agree as follows:

(a) In accordance with section 1.148-1(f)(2)(iv) of the Regulations, the Issuer and the Borrower hereby identify in the books and records maintained for the Bonds the rule that will be used to determine the Issue Price for the Bonds as the rule set forth in the first sentence of section 1.148-1(f)(2)(i) of the Regulations, i.e. the Issue Price is the first price at which a substantial amount (i.e. 10%) is sold to the public. Based on the representations set forth in Exhibit A hereto, the aggregate Issue Price of the Bonds is \$[20,000,000].

(b) The Yield on the Bonds is the discount rate that, when used in computing the present value as of the Issue Date of the Bonds, of all unconditionally payable payments of principal and interest and fees for qualified guarantees on the Bonds, produces an amount equal to the present value, using the same discount rate, of the aggregate Issue Price of the Bonds as of the Issue Date of the Bonds. For purposes of determining the Yield on the Bonds, the Issue Price of the Bonds is the sum of the Issue Prices for each group of substantially identical Bonds. The Issue Price is based upon the representations of the Underwriter set forth in Exhibit A hereto. No underwriter's discount, Costs of Issuance, or costs of carrying or repaying the Bonds is taken into account for purposes of computing the Yield on the Bonds.

(c) The Bonds are subject to mandatory redemption upon receipt of principal payments and prepayments received pursuant to the Pass-Through Certificate (as defined in the Indenture). Accordingly, the Yield on the Bonds is calculated by treating the outstanding stated principal amounts payable on the mandatory redemption date as payments on such dates because the Stated Redemption Price at Maturity of the Bonds does not exceed the Issue Price of the Bonds by more than one-fourth of one percent multiplied by the product of the Stated Redemption Price at Maturity and the number of years to the date of the Weighted Average Maturity (determined by taking into account the mandatory redemption schedule) of the Bonds.

(d) In accordance with section 1.148-4(f) of the Regulations, the Fannie Mae Guarantee Fee is a fee for a qualified guarantee of the Bonds and is treated as additional interest on Bonds because:

(i) As of the Issue Date of the Bonds, the present value of the Fannie Mae Guarantee Fee will be less than the present value of the expected interest savings on the Bonds as a result of the guarantee, computed using the Yield on the Bonds (determined with regard to such guarantee payments) as the discount rate;

(ii) The Pass-Through Certificate creates a guarantee in substance because it imposes a secondary liability on Fannie Mae that unconditionally (except for reasonable procedural or administrative requirements) shifts substantially all of the credit risk for all or part of the payments on the Pass-Through Certificate backed by the Mortgage Loan financed with the Bonds to Fannie Mae;

(iii) Fannie Mae is not a co-obligor and does not expect to make any payments other than payments for which Fannie Mae will be reimbursed immediately;

(iv) Fannie Mae and any Related Person to Fannie Mae will not use more than ten percent of the Gross Proceeds of the Bonds that are guaranteed by Fannie Mae;

(v) The Fannie Mae Guarantee Fee does not exceed a reasonable arm's length charge for the transfer of credit risk;

(vi) The Fannie Mae Guarantee Fee does not include any payment for any direct or indirect services other than the transfer of credit risk (including fees for Fannie Mae's overhead and other costs relating to the transfer of credit risk);

(vii) The Fannie Mae Guarantee Fee does not include any payments for the costs of underwriting or remarketing the Bonds, the Mortgage Loan or the Pass-Through Certificate or for the cost of insurance for casualty to the Issuer's property;

(viii) No portion of the Fannie Mae Guarantee Fee is refundable upon prepayment of the Mortgage Loan (and, thus redemption of the Bonds) before the final maturity date in an amount that would exceed the portion of such enhancement fee that had not been earned;

(ix) Fannie Mae is reasonably assured that the Bonds will be repaid if the Project is not completed; and

(x) (i) all payments on the Pass-Through Certificate and the Mortgage Loan reasonably coincide with payments on the Bonds and the payments on the Pass-Through Certificate and the Mortgage Loan are unconditionally payable no more than six months before the corresponding interest payment and twelve months before the corresponding principal payments on the Bonds, and (ii) the Pass-Through Certificate is, in substance, a guarantee of the Bonds allocable to the Mortgage Loan that backs the Pass-Through Certificate and to no other bonds.

(e) As set forth in the Certificate of Underwriter attached hereto as Exhibit A, the Yield on the Bonds, calculated in the manner set forth above, is [Bond Yield] percent.

(f) Neither the Issuer nor the Borrower has entered into any hedging transaction with respect to the Bonds, and each covenants not to enter into a hedging transaction with respect to the Bonds unless there is first received a Favorable Opinion of Bond Counsel.

11. Yield on the Mortgage Loan. The Issuer and the Borrower hereby represent, covenant and agree as follows:

(a) The Mortgage Loan is allocated to the Bonds. The Yield on the Mortgage Loan is computed using the same compounding interval and financial conventions used to compute the Yield on the Bonds. For the purposes of this Agreement, the Yield on the Mortgage Loan is the discount rate that, when used in computing the present value as of the Issue Date of the Bonds of all receipts with respect to the Mortgage Loan, produces an amount equal to the present value, using the same discount rate, of the aggregate payments with respect to the Mortgage Loan as of the Issue Date of the Bonds. The aggregate payments made to the Borrower with respect to the Mortgage Loan include no payments other than the “purchase price” of the Mortgage Loan. The purchase price of the Mortgage Loan is the amount loaned to the Borrower by the Issuer on the Issue Date of the Bonds, i.e. \$[20,000,000].

(b) The Mortgage Loan is a purpose investment that the Issuer intends to treat as a “program investment” within the meaning of section 1.148-1 of the Regulations, because it is part of a governmental program (i) that involves the origination or acquisition of purpose investments; (ii) in which at least 95 percent of the cost of the purpose investments acquired under the program represents one or more loans to a substantial number of persons representing the general public, states or political subdivisions, organizations exempt from tax under section 501(c)(3) of the Code, persons who provide housing and related facilities, or any combination of the foregoing; (iii) in which at least 95 percent of the receipts from the purpose investments are used to pay principal, interest, or redemption prices on issues that financed the program, to pay or reimburse administrative costs of those issues or of the program, to pay or reimburse anticipated future losses directly related to the program, to finance additional purpose investments for the same general purposes of the program, or to redeem and retire governmental obligations at the next earliest possible date of redemption; and (iv) in which the program documents prohibit any obligor on a purpose investment financed by the program or any “related party,” within the meaning of section 1.150-1(b) of the Regulations, to that obligor from purchasing bonds of an issue that finance the program in an amount related to the amount of the purpose investment acquired from that obligor. The Issuer has not waived the right to treat the Mortgage Loan as a program investment.

(c) The receipts from the Borrower with respect to the Mortgage Loan include interest and principal payments with respect to the Mortgage Loan and the Qualified Administrative Costs paid by the Borrower, and the Qualified Administrative Costs paid by the Borrower have been taken into account, as provided by 1.148-5(e) of the

Regulations, for purposes of computing the Yield on the Mortgage Loan. Because the Issuer intends to treat the Mortgage Loan as a “program investment” within the meaning of section 1.148-1 of the Regulations, the Qualified Administrative Costs do not include the costs or expenses paid, directly or indirectly, to purchase, carry, sell, or retire the Mortgage Loan, which amounts are set forth in Exhibit E hereto.

(d) As set forth in the Certificate of the Underwriter attached hereto as Exhibit A, the Yield on the Mortgage Loan, calculated in the manner set forth above, is [Loan Yield], which does not exceed than the Yield on the Bonds by more than 1.5 percentage points.

12. Investment of Proceeds Pending Expenditure; No Arbitrage. The Issuer and the Borrower hereby represent, covenant and agree as follows:

(a) Investment Proceeds. Amounts on deposit in the Proceeds Fund may be comprised of Proceeds of the Bonds and amounts that are not Proceeds of the Bonds or any tax-exempt obligation. If Proceeds of the Bonds and amounts that are not Proceeds of the Bonds are commingled, the Borrower will take into account for purposes of its covenant to comply with the arbitrage and rebate requirements that Proceeds of the Bonds and amounts that are not Proceeds of the Bonds have been commingled as an investment. Investment Proceeds resulting from the investment of any Proceeds of the Bonds pending expenditure of such Proceeds for Project Costs will be used to pay Qualified Project Costs or, if not used to pay Qualified Project Costs, such amounts will be treated as “bad costs.”

(b) Minor Portion and Yield Reduction Payments. All Gross Proceeds of the Bonds will be invested in accordance with the “Funds” paragraph herein. To the extent such amounts remain on hand following the periods set forth in the “Funds” paragraph herein or exceed the limits set forth in the “Funds” paragraph herein, such amounts will be invested at a restricted Yield as set forth in such paragraph; provided, however, that an amount not to exceed the Minor Portion may be invested at a Yield that is higher than the Yield on the Bonds and, provided further, that, if permitted by section 1.148-5(c) of the Regulations, the Yield restriction requirements may be satisfied by making Yield Reduction Payments to the federal government.

(c) Bonds Are Not Hedge Bonds. Not more than 50 percent of the Proceeds of the Bonds will be invested in a Nonpurpose Investments having a substantially guaranteed Yield for four years or more. Further, at least 85 percent of the spendable Proceeds of the Bonds are reasonably expected to be used to carry out the governmental purposes of the Bonds within the three-year period beginning on the Issue Date of the Bonds.

(d) No Arbitrage. On the basis of the facts, estimates and circumstances set forth in this Agreement, it is expected by the Issuer and the Borrower that the Gross Proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of section 148 of the Code. To the best of the knowledge and belief of the undersigned representatives of the Issuer and the Borrower,

there are no other facts, estimates or circumstances that would materially change such expectations. Except as provided in the Indenture and the Financing Agreement, the Borrower will not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under the Financing Agreement or the note relating to the Mortgage Loan, will not establish any segregated reserve or similar fund for such purpose and will not prepay any such amounts in advance of the redemption date of an equal principal amount of the Bonds, unless in each case there will have been delivered a Favorable Opinion of Bond Counsel. The Borrower will not, at any time prior to the final maturity of the Bonds, direct or permit the Trustee to invest Gross Proceeds of the Bonds in any investment (or to use Gross Proceeds of the Bonds to replace money so invested), if as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Bonds to stated maturity, except as permitted by section 148 of the Code. The Issuer and the Borrower further covenant and agree that each will comply with and will take all action reasonably required to ensure that the Trustee complies with all applicable requirements of section 148 of the Code relating to the Bonds and the interest thereon.

13. Covenants of Trustee Relating to Investment of Proceeds. The Trustee will invest funds held under the Indenture in accordance with the respective terms of the Indenture and this Agreement, which covenant will extend throughout the term of the Bonds, to all funds and accounts created under the Indenture and this Agreement and all moneys on deposit to the credit of any fund or account.

Notwithstanding any other provisions of the Indenture or of this Agreement, the Trustee will not make or cause to be made any investment or other use of the moneys in the funds or accounts that would cause the Bonds to be classified as “arbitrage bonds” within the meaning of section 148 of the Code or would cause the interest on the Bonds to be includable in gross income for federal income tax purposes. This covenant will extend, throughout the term of the Bonds, to all funds created under the Indenture, and all moneys on deposit to the credit of any fund. Pursuant to this covenant, with respect to the investments of the funds and accounts under the Indenture, the Trustee obligates itself to comply throughout the term of the Bonds with the requirements of section 148 of the Code.

Should the Issuer or the Borrower deliver notice (in the manner required under the Indenture or the Financing Agreement, as applicable) to the Trustee (it being understood that neither the Issuer nor the Borrower has an obligation to so deliver) or should the Trustee receive an opinion of Bond Counsel to the effect that any proposed investment or other use of Proceeds of the Bonds would cause the Bonds to become “arbitrage bonds” within the meaning of section 148 of the Code, then the Trustee will comply with any written direction of the Borrower regarding such investment or use so as to prevent the Bonds from becoming “arbitrage bonds.”

The Issuer and the Borrower agree that, in complying with the provisions set forth under this paragraph, the Trustee will be deemed to have complied with such provisions and will have no liability to the extent the Trustee materially follows the written directions of the Borrower or the Issuer.

14. Compliance with Yield Reduction and Rebate Requirements; Rebate Fund.

(a) Covenant to Comply with Rebate Requirements. The Issuer and the Borrower covenant to comply with the requirement that (i) if Gross Proceeds of the Bonds have been invested at a Yield that is “materially higher” than the Yield on the Bonds and Yield Reduction Payments are permitted under section 1.148-5(c)(3) of the Regulations, Yield Reduction Payments be made to the federal government and (ii) “rebateable arbitrage earnings” on the investment of the Gross Proceeds of the Bonds, within the meaning of section 148(f) of the Code, be rebated to the federal government.

(b) Rebate Fund. The Indenture established the Rebate Fund which will be maintained and held in trust by the Trustee and which will be disbursed and applied only as herein authorized in this “Compliance with Yield Reduction and Rebate Requirements; Rebate Fund” paragraph. Notwithstanding anything herein to the contrary, all provisions of the Indenture relating to the general administration of the funds created thereunder will apply to the Rebate Fund, and the Trustee is afforded all the rights, protections and immunities otherwise accorded to it thereunder as if the provisions set forth in this “Compliance with Yield Reduction and Rebate Requirements; Rebate Fund” paragraph were set forth in the Indenture.

(c) Delivery of Documents and Money by Borrower on Computation Dates. The Borrower will deliver to the Trustee and the Issuer, within 55 days after each Computation Date:

(i) a statement, signed by an officer or other authorized representative of the Borrower, stating the Rebate Amount as of such Computation Date and the amount of any Yield Reduction Payments due; and

(ii) (A) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90 percent of the Rebate Amount and Yield Reduction Payments due as of such Installment Computation Date, less any “previous rebate payments” (determined in accordance with section 1.148-3(f)(1) of the Regulations), made to the United States of America or (B) if such Computation Date is the Final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount and Yield Reduction Payments due as of such Final Computation Date, less any “previous rebate payments” (determined in accordance with section 1.148-3(f)(1) of the Regulations) made to the United States of America; and

(iii) an IRS Form 8038-T, Arbitrage Rebate, Yield Reduction and Penalty in Lieu of Arbitrage Rebate (“Form 8038-T”) properly signed and completed as of such Computation Date.

(d) Administration of Rebate Fund and Payment of Rebate.

(i) The Trustee will deposit or transfer to the credit of the Rebate Fund each amount delivered to the Trustee by the Borrower for deposit thereto

and each amount directed by the Borrower to be transferred thereto. Within five days after each receipt or transfer of funds to the Rebate Fund, the Trustee will withdraw such funds from the Rebate Fund and pay such funds to the United States of America. The Trustee may conclusively rely on the instructions of the Borrower with regard to any actions to be taken by it pursuant to this paragraph and will have no liability for any consequences of any failure of the Borrower to perform its duties or obligations or to supply accurate or sufficient instructions. Except as specifically provided herein, the Trustee will have no duty or responsibility with respect to the Rebate Fund or the Borrower's duties and responsibilities with respect thereto except to follow the Borrower's specific written instructions related thereto.

(ii) Moneys and securities held by the Trustee in the Rebate Fund will not be deemed funds of the Bonds and are not pledged or otherwise subject to any security interest in favor of the owners of the Bonds to secure the Bonds or any other obligations.

(iii) Moneys in the Rebate Fund will be separately invested and reinvested by the Trustee, at the written direction of the Borrower, in Permitted Investments, subject to the Code. The Trustee will sell and reduce to cash a sufficient amount of such Permitted Investments whenever the cash balance in the Rebate Fund is insufficient for its purposes.

(iv) The Borrower will provide to the Trustee and the Trustee will keep such records of the results of the computations made pursuant to this paragraph for a period of three years after the last Bond and any tax-exempt obligations issued to refinance the Bonds are retired. The Trustee will keep and make available to the Issuer and the Borrower such records concerning the investments of Gross Proceeds of the Bonds and the investments of earnings from those investments as may be requested by the Issuer or the Borrower in order to enable the Borrower to make the computations required under section 148(f) of the Code.

(e) Correction of Underpayments. If the Borrower discovers or is notified as of any date that any amount required to be paid to the United States of America pursuant to this Agreement has not been paid as required or that any payment paid to the United States of America pursuant to this Agreement has failed to satisfy any requirement of section 148(f) of the Code or section 1.148-3 of the Regulations (whether or not such failure is due to any default by the Borrower, the Issuer, or the Trustee), the Borrower will (i) deliver to the Trustee (for deposit to the Rebate Fund) and cause the Trustee to pay to the United States of America from the Rebate Fund (A) the Rebate Amount and Yield Reduction Payments due that the Borrower failed to pay, plus any interest specified in section 1.148-3(h)(2) of the Regulations, if such correction payment is delivered to and received by the Trustee within 175 days after such discovery or notice, or (B) if such correction payment is not delivered to and received by the Trustee within 175 days after such discovery or notice, the amount determined in accordance with clause (A) of this subparagraph plus the 50 percent penalty required by section 1.148-3(h)(1) of the Regulations, and (ii) deliver to the Trustee and the Issuer a Form 8038-T completed as of

such date. If such Rebate Amount or Yield Reduction Payment, together with any penalty and/or interest due, is not paid to the United States of America in the amount and manner and by the time specified in the Regulations, the Borrower will take such steps as are necessary to prevent the Bonds from becoming “arbitrage bonds” within the meaning of section 148 of the Code.

(f) Fees and Expenses. The Borrower agrees to pay all of the fees and expenses of Bond Counsel, the Rebate Analyst, and any other necessary consultant employed by the Borrower, the Trustee, or the Issuer in connection with computing the Rebate Amount and the Yield Reduction Payments.

(g) No Diversion of Rebateable Arbitrage. The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Bonds that is not purchased at fair market value (as defined in section 1.148-5(d)(6)(iii) of the Regulations) or includes terms that the Borrower would not have included if the Bonds were not subject to section 148(f) of the Code.

(h) Rebate Not Required in Certain Circumstances.

(i) Notwithstanding the foregoing, the Borrower will not be required to perform the obligations set forth in this “Compliance with Rebate Requirements; Rebate Fund” paragraph, except for the obligation to retain accounting records and the payment of expenses as described herein, if (A) the Gross Proceeds of the Bonds have not been invested at a Yield that is “materially higher” than the Yield on the Bonds and therefore is not required to pay Yield Reduction Payments and/or (B) the Borrower has not earned any rebateable arbitrage and, therefore, is not subject to the rebate obligation set forth in section 148(f) of the Code. To the extent that the Borrower will not be required to perform such obligations, the Borrower will send written notice to the Trustee and the Issuer within 55 days after the applicable Computation Date.

(ii) Notwithstanding anything to the contrary in this Agreement requiring a payment to be made based on the Rebate Analyst’s calculations showing a rebate being due, no payment will be made by the Trustee to the United States of America if the Borrower furnishes to the Issuer and the Trustee a Favorable Opinion of Bond Counsel. In such event, the Borrower will be entitled to withdraw funds from the Rebate Fund to the extent provided in such Favorable Opinion of Bond Counsel.

(i) Trustee Reliance on Written Directions. The Issuer and the Borrower agree that, in complying with the provisions set forth under this paragraph, the Trustee will be deemed to have complied with such provisions and will have no liability to the extent it materially follows the written directions of the Borrower, the Issuer, or the Rebate Analyst.

15. Funds.

(a) Proceeds Fund. All of the Proceeds of the Bonds in the Proceeds Fund are expected to be invested and disbursed as described in the Indenture to pay Project Costs. The Borrower (i) reasonably expects to allocate at least 85 percent of the Net Proceeds of the Bonds to expenditures on capital projects of the Project prior to the date that is three years after the Issue Date of the Bonds, (ii) has incurred, or reasonably expects to incur within six months after the Issue Date of the Bonds, a binding obligation to a third party that is not subject to any contingencies within the control of the Borrower pursuant to which the Borrower is obligated to expend at least five percent of the Net Proceeds of the Bonds on capital projects of the Project, and (iii) reasonably expects that the acquisition, construction or rehabilitation, and equipping of the Project will proceed with due diligence to completion and the Net Proceeds of the Bonds are reasonably expected to be expended on the Project with reasonable dispatch; therefore, all of such amounts may be invested without regard to Yield restriction. Any amounts not so expended prior to the applicable dates set forth in the preceding sentence will thereafter be invested at a Yield that is not “materially higher” than the Yield on the Bonds, except as set forth in the “Investment of Proceeds Pending Expenditure; No Arbitrage—Minor Portion and Yield Reduction Payments” subparagraph herein.

(b) Bond Fund. Amounts on deposit in the Bond Fund will be used for the purposes set forth in Section 5.05 of the Indenture. The Bond Fund will be used primarily to achieve a proper matching of payments made pursuant to the Financing Agreement and debt service on the Bonds within each Bond Year. Any amounts in the Bond Fund held for longer than 13 months will be invested in obligations the Yield on which is not “materially higher” than the Yield on the Bonds, except as set forth in the “Investment of Proceeds Pending Expenditure; No Arbitrage—Minor Portion and Yield Reduction Payments” subparagraph herein.

(c) Collateral Security Fund. Amounts on deposit in the Collateral Security Fund will be used for the purposes set forth in Section 5.13 of the Indenture. Any amounts held in the Collateral Security Fund will be invested in obligations the Yield on which is not “materially higher” than the Yield on the Bonds, except as set forth in the “Investment of Proceeds Pending Expenditure; No Arbitrage—Minor Portion and Yield Reduction Payments” subparagraph herein.

(d) Costs of Issuance Fund. Amounts on deposit in the Costs of Issuance Fund will be funded by the Borrower at closing and used for the purpose of paying Costs of Issuance. Amounts remaining in the Costs of Issuance Fund after the payment of all Costs of Issuance will be returned to the Borrower. There is no assurance that amounts on deposit in the Costs of Issuance Fund will be available to pay debt service on the Bonds.

(e) Operating Fund. Amounts on deposit in the Operating Fund will be funded by the Borrower and used for the purposes and in the order set forth in Section 5.04 of the Indenture. There is no assurance that amounts on deposit in the Operating Fund will be available to pay debt service on the Bonds.

(f) Rebate Fund. The Rebate Fund will be used in the event the Borrower is required to pay rebatable arbitrage earnings to the federal government, as described in the “Compliance with Rebate Requirements; Rebate Fund” paragraph above. Amounts on deposit in the Rebate Fund are not subject to the lien of the Indenture; accordingly, there is no assurance that amounts on deposit, if any, in the Rebate Fund will be available to pay debt service on the Bonds.

16. Replacement Proceeds. The Issuer and the Borrower hereby represent as follows:

(a) No Sinking Funds. Other than the Bond Fund and the Collateral Security Fund, there is no debt service fund, redemption fund, reserve fund, replacement fund, or similar fund reasonably expected to be used directly or indirectly to pay principal or interest on the Bonds.

(b) No Pledged Funds. Other than amounts in the Bond Fund and the Collateral Security Fund, there is no amount that is directly or indirectly pledged to pay principal or interest on the Bonds, or to a guarantor of the Bonds, such that such pledge provides reasonable assurance that such amount will be available to pay principal or interest on the Bonds if the Issuer encounters financial difficulty. For purposes of this certification, an amount is treated as so pledged if it is held under an agreement to maintain the amount at a particular level for the direct or indirect benefit of the holders or the guarantor of the Bonds.

(c) No Other Replacement Proceeds. There are no other Replacement Proceeds allocable to the Bonds because the Issuer reasonably expects that the term of the Bonds will not be longer than is reasonably necessary for the governmental purpose of the Bonds. Furthermore, even if the Bonds were outstanding longer than necessary for the purpose of the Bonds, no Replacement Proceeds will arise because the Issuer reasonably expects that no amounts will become available during the period that the Bonds remain outstanding longer than necessary based on the reasonable expectations of the Issuer as to the amounts and timing of future revenues. The Bonds would be issued to achieve the governmental purpose of the Bonds independent of any arbitrage benefit as evidenced by the expectation that the Bonds reasonably would have been issued if the interest on the Bonds were not excludable from gross income (assuming that the hypothetical taxable interest rate would be the same as the actual tax-exempt interest rate and that tax credits issued under section 42 of the Code would be available in connection therewith).

17. Not an Abusive Transaction. The Issuer and the Borrower hereby represent as follows:

(a) General. A device has not been and will not be employed in connection with the issuance of the Bonds to obtain a material financial advantage (based on arbitrage) apart from savings attributable to lower interest rates. Furthermore, no action taken in connection with the Bonds is or will be an abusive arbitrage device by having the effect of (i) enabling the Issuer or the Borrower to exploit, other than during an allowable temporary period, the difference between tax-exempt and taxable interest rates to obtain a

material financial advantage (including as a result of an investment of any portion of the Gross Proceeds of the Bonds over any period of time, notwithstanding that, in the aggregate, the Gross Proceeds of the Bonds are not invested in higher yielding investments over the term of the Bonds) and (ii) overburdening the tax-exempt bond market by issuing more bonds, issuing bonds earlier or allowing bonds to remain outstanding longer than is otherwise reasonably necessary to accomplish the governmental purposes of the Bonds, based on all the facts and circumstances. Specifically, (A) the primary purpose of each transaction undertaken in connection with the issuance of the Bonds is a bona fide governmental purpose; (B) each action taken in connection with the issuance of the Bonds would reasonably be taken to accomplish the governmental purposes of the Bonds if the interest on the Bonds were not excludable from gross income for federal income tax purposes (assuming the hypothetical taxable interest rate would be the same as the actual tax-exempt interest rate on the Bonds); and (C) the Proceeds of the Bonds will not exceed by more than a Minor Portion the amount reasonably anticipated to be necessary to accomplish the governmental purposes of the Bonds and will in fact not be substantially in excess of the amount of Proceeds allocated to expenditures for the governmental purposes of the Bonds.

(b) No Sinking Fund. No portion of the Bonds has a term that has been lengthened primarily for the purpose of creating a sinking fund or similar fund with respect to the Bonds.

(c) No Window. No portion of the Bonds has been structured with maturity dates the primary purpose of which is to make available released revenues that will enable the Issuer to avoid transferred proceeds or to make available revenues that may be invested to be ultimately used to pay debt service on another issue of obligations.

(d) No Disposition. No portion of the Project is reasonably expected to be disposed of while the Bonds are outstanding.

18. The Project. The Borrower hereby represents and covenants as follows:

(a) The Project is to be located at 8071 North Lamar Boulevard, Austin, Travis County, Texas 78753 and is comprised of 176 Units (including one superintendent unit), none of which will be owner-occupied other than any functionally related and subordinate Units used by management for the purpose of housing any resident managers, security personnel or maintenance personnel that is reasonably required for the Project, and (ii) facilities, all of which are functionally related and subordinate to the aforementioned Units (i.e., facilities that are of a size and character commensurate with the size and character of such Units). All Units in the Project will be rented to individuals or families for residential occupancy.

(b) There has been and will be no substantial deviation from the description and location of the Project and the Borrower, operator or manager set forth in the notice of hearing published with respect to the Bonds for purposes of satisfying the requirements of section 147(f) of the Code.

(c) The Project will be designed and equipped and will be owned, maintained and operated on a continuous basis in accordance with the Financing Agreement and the Regulatory Agreement. For purposes of this subparagraph, each of the enumerated types of facilities includes the interior furnishings of such facility (including the facility's plumbing, electrical and decorating costs) and the structural components required for the facility (including the facility's walls, ceilings and special enclosures). Each such enumerated type of facility includes only those normal components of the structure in which it is located, such as the structure's structural supports, to the extent that those components are required because of the facility. The recreational facilities, if any, included as part of the Project will be available only to residential tenants and their guests and no separate fee will be required for the use of such facilities.

(d) Except to the extent that any Unit is a single room occupancy unit under section 42 of the Code, each Unit will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation. Specifically, each Unit will contain a living area, a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, full-size refrigerator and sink, all of which are separate and distinct from the facilities included in other Units.

(e) Parking spaces included in the Project are functionally related and subordinate to the Units included in the Project in that they are no greater in number than is normally appropriate for a residential rental facility that is of the size of the Project. Only tenants, prospective tenants, guests of tenants, employees of the Borrower, and employees of the manager are expected to use these parking spaces.

(f) If the Project contains a clubhouse, exercise or similar recreational facility, such facility exists as a tenant amenity and may be used by any tenant free of any separate charge and will be constructed for the exclusive use of tenants of the Project and their guests. Such facility, if any, is of a character and size commensurate with the character and size of the Project and will not be open to the general public on a membership basis.

(g) The Project will not include any nonresidential or commercial space, including particularly, without limitation, any other space or facility not described in this paragraph.

(h) No continual or frequent skilled or unskilled nursing services will be available at the Project, although the tenants will be permitted to engage such services from providers that are not affiliated with the Borrower or the manager. Thus, neither the Borrower nor the manager, nor any Related Person to either the Borrower or the manager, will provide any assistance to any tenant in connection with his or her activities of daily living, other than concierge and valet services. The Project will not be licensed as a convalescent or nursing home, continuing care facility, personal care facility, special care facility or other assisted living facility under State law.

(i) On the Closing Date, at least 10 percent of the Units in the Project are occupied. It is expected that at least 10 percent of the Units will remain occupied throughout the rehabilitation of the Project.

19. Tenant Income Certifications. The Borrower hereby represents and covenants as follows:

(a) The Borrower will obtain and maintain tenant income certifications in a form that satisfies the requirements of section 1.103-8(b)(8) of the Regulations demonstrating that the 40-60 Test is met with respect to the occupied Units continuously throughout the Qualified Project Period; provided that, if applicable, compliance with such requirement will not be required during the twelve-month “transition period” beginning on the Issue Date of the Bonds, as set forth in Revenue Procedure 2004-39, 2004 C.B. 49.

(b) The Borrower will ensure that each person who is intended to be a Qualifying Tenant will sign and deliver to the Borrower or a manager of the Project a tenant income certification in the form required by the Regulatory Agreement. In addition, the Borrower will ensure that such person will provide whatever other information, documents or certifications are deemed necessary to substantiate the tenant income certification.

(c) The Borrower will timely file, or take such actions as are necessary to cause any other person who is properly treated as the “operator” for purposes of section 142(d)(7) of the Code to file timely, the annual certifications described in section 142(d)(7) of the Code (currently, IRS Form 8703, Annual Certificate of Residential Rental Project).

(d) For a period of at least three years after the date the Bonds are retired, a tenant income certification in the form required by the Regulatory Agreement will at all times be maintained on file at the applicable location for the Project with respect to each Qualifying Tenant who resides or has resided in a Unit.

20. Form of Lease. The Borrower will ensure that the term of a lease of any Unit will be for a term of not less than six months, subject to the provision that any lease may be terminated if the tenant’s physical condition no longer permits full-time residence in the Project; provided, however, that the form of lease to be utilized by the Borrower in renting any Units to a person who is intended to be a Qualifying Tenant will provide for termination of the lease and consent by such person to immediate eviction in accordance with applicable law for failure to qualify as a Qualifying Tenant as a result of any material misrepresentation made by such person with respect to the tenant income certification.

21. Change in Use. The Borrower acknowledges that any failure to satisfy the applicable requirements of sections 103 and 142 through 150, inclusive, of the Code, including the 40-60 Test, with respect to the Project will be treated as a change in use for purposes of section 150(b)(2) of the Code with the result that no deduction will be allowed for federal income tax purposes for interest paid by the Borrower with respect to the portion of the

Mortgage Loan that is allocable to Proceeds of the Bonds that accrues during the period beginning on the first day of the taxable year in which the Project fails to meet such requirements and ending on the date that the Project meets such requirements.

On the earlier of (a) the date on which the Borrower reasonably determines that the Project will not be completed or (b) the date on which the Project is Placed in Service, the Borrower will identify the amount of unspent Net Proceeds of the Bonds, if any, and will use such amount to redeem or, if not permitted by the terms of the Bonds, defease the Bonds, all in accordance with the requirements of section 1.142-2 of the Regulations, the Indenture and the Financing Agreement, as applicable, including the requirement that, if a defeasance is necessary, timely written notice be provided to the IRS.

22. Cashflow Sufficiency. The Borrower reasonably expects that all principal of and interest on the Mortgage Loan will be paid as due and that after such payments are made there will be significant cash flow that will be available to the Borrower. Furthermore, the Borrower expects that debt service on the Mortgage Loan will not be paid, directly or indirectly, from non-operating or other investment funds maintained by the Borrower or any “related person” (as such term is defined for purposes of section 147(a)(2) of the Code) to the Borrower. The Borrower does not expect to create or establish, or otherwise set aside or dedicate, any fund or account that is expected to be used to pay principal of or interest on the Bonds or to be pledged, directly or indirectly, to the payment of principal of or interest on the Bonds, except for the funds and accounts established under the Indenture. Moneys received from the investment of moneys received from the sale of the Bonds and from the investment of such investment income will not be commingled with other receipts or revenues of the Borrower.

23. Record Retention. The Issuer, the Borrower and the Trustee will retain or cause to be retained all pertinent and material records relating to the investment, use and expenditure of the Proceeds of the Bonds and the calculation of rebate in connection therewith until three years after the Bonds, including any tax-exempt obligations issued to refinance the Bonds, are redeemed or paid at maturity, or such shorter period as authorized by subsequent guidance issued by the Department of the Treasury, if applicable. All records will be kept in a manner that ensures their complete access throughout the retention period. For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the Issuer to retrieve and reproduce such books and records in the event of an examination of the Bonds by the IRS.

24. Examination by IRS. The Borrower acknowledges that, in the event of an examination by the IRS of the exclusion of interest on the Bonds from the gross income of the owners thereof for federal tax purposes, the Issuer will likely be treated as the “taxpayer”, and the Borrower agrees to respond in a commercially reasonable manner on behalf of, and at the direction of, the Issuer (and in consultation with the Trustee, who will have the right to participate in all related proceedings (including tax court challenges and appeals)) to such examination and to pay the costs of the counsel selected by the Issuer to provide a defense regarding the exclusion of the interest on the Bonds from the gross income of the owners thereof for federal income tax purposes. **THE BORROWER WILL INDEMNIFY AND HOLD HARMLESS THE ISSUER AND THE TRUSTEE AGAINST ANY AND ALL COSTS,**

LOSSES, CLAIMS, DAMAGES, OR LIABILITY OF, OR RESULTING FROM, SUCH AN EXAMINATION AND THE SETTLEMENT THEREOF BY THE ISSUER AND THE TRUSTEE (INCLUDING THE COST OF THE ISSUER'S AND THE TRUSTEE'S LEGAL COUNSEL), EXCEPT AS A RESULT OF THE WILLFUL MISCONDUCT, BAD FAITH, OR FRAUD OF THE ISSUER (WITH RESPECT TO INDEMNIFICATION OF THE ISSUER) OR THE GROSS NEGLIGENCE, WILLFUL MISCONDUCT, BAD FAITH, OR FRAUD OF THE TRUSTEE (WITH RESPECT TO INDEMNIFICATION OF THE TRUSTEE).

25. Post-Issuance Compliance Procedures. The Borrower has been provided with a copy of the Issuer's written post-issuance compliance procedures regarding federal tax compliance that include provisions to ensure that all nonqualified bonds are remediated according to the requirements under the Code and Regulations and to monitor the requirements of section 148 of the Code. The Borrower has reviewed such written post-issuance compliance procedures and agrees to take such actions as required therein to maintain compliance with requirements in the Code. A copy of the current version of such procedures is attached hereto as Exhibit F.

26. Term. The obligations of the Issuer, the Borrower and the Trustee, under this Agreement will survive the defeasance and discharge of the Bonds for as long as such matters are relevant to the exclusion from gross income of interest on the Bonds for federal income tax purposes.

27. Amendments.

(a) To the extent any amendments to the Code or the Regulations, which, as a matter of law, are applicable to the Project and, in the written opinion of Bond Counsel filed with the Issuer, the Trustee and the Borrower, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Agreement, this Agreement will be deemed to be automatically amended to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as will be necessary to document such automatic amendment hereof.

(b) To the extent that the Code or the Regulations, or any amendments thereto, which, as a matter of law, are applicable to the Project and, in the written opinion of Bond Counsel filed with the Issuer, the Trustee and the Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Agreement, this Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Issuer, the Trustee and the Borrower and upon receipt of a Favorable Opinion of Bond Counsel.

(c) All reasonable costs, including fees and out-of-pocket expenses actually incurred by the Issuer and the Trustee, in connection with an amendment to this Agreement will be paid by the Borrower and its successors in interest.

28. Remedies. The Issuer, the Trustee, and the Borrower each hereby agree that the remedies available under Article VIII of the Indenture and Article VIII of the Financing

Agreement apply upon the occurrence of an Event of Default (as defined under the Indenture or the Financing Agreement, as applicable) resulting from an action or omission of an action by any party hereunder with respect to any provision of this Agreement.

29. Miscellaneous.

(a) Severability. If any provision of this Agreement is ruled invalid by any court of competent jurisdiction, the invalidity of such provision will not affect any of the remaining provision hereof.

(b) Counterparts. This Agreement may be executed in several counterparts, each of which will be an original and all of which will constitute but one and the same instrument.

(c) Notices. All notices, demands, communications and requests which may or are required to be given hereunder or by any party hereto will be deemed given on the date on which the same will have been mailed by registered or certified mail, postage prepaid, addressed to such parties at the addresses set forth in the Indenture and the Financing Agreement, as applicable.

(d) Successors and Assigns. The terms, provisions, covenants and conditions of this Agreement bind and inure to the benefit of the respective successors and assigns of the Issuer, the Borrower, and the Trustee.

(e) Headings. The headings of this Agreement are inserted for convenience only and will not be deemed to constitute a part of this Agreement.

(f) Governing Law. This Agreement is governed by the laws of the State, without regard to the choice of law rules of the State. Venue for any action under this Agreement will lie within the district courts of the State, and the parties hereto consent to the jurisdiction and venue of any such court and hereby waive any argument that venue in such forums is not convenient.

CERTIFICATE OF UNDERWRITER

I, the undersigned officer of Wells Fargo Bank, National Association (the “Wells Fargo”), make this certificate in connection with the Texas Department of Housing and Community Affairs Multifamily Housing Revenue Bonds (Fannie Mae MBS Collateralized Pass-Through - Oaks on Lamar), Series 2018 (the “Bonds”). Each capitalized term used herein has the meaning or is the amount, as the case may be, specified for such term in the Tax Exemption Agreement to which this Exhibit A is attached (the “Tax Exemption Agreement”). I hereby certify as follows as of the Issue Date of the Bonds:

1. I hereby certify as follows as of the Issue Date of the Bonds:
 - (a) I am the duly chosen, qualified and acting officer of Wells Fargo for the office shown below my signature; as such, I am familiar with the facts herein certified and I am duly authorized to execute and deliver this certificate on behalf of Wells Fargo. I am the officer of Wells Fargo charged, along with other officers of Wells Fargo, with responsibility for the Bonds.
 - (b) The first price at which at least 10% of the Bonds was sold to the Public is the price set forth in the Official Statement prepared in connection with the Bonds (the “Actual Sales Prices”).
 - (c) The aggregate of the Actual Sales Prices is \$[20,000,000]. The Bonds were sold with Pre-Issuance Accrued Interest in the amount of \$[_____]. The sum of these two amounts is \$[_____] (the “Issue Price”).
2. For purposes of this Certificate of Underwriter, the following definitions apply:
 - (a) “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.
 - (b) “Related Party” means any two or more persons who are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interest or profits interest of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).
 - (c) “Underwriter” means (i) any person that agrees pursuant to a written contract with the Issuer to participate in the initial sale of the Bonds to the Public,

and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this definition to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

3. Wells Fargo has calculated the Yield on the Bonds, based on the Issue Price, plus Pre-Issuance Accrued Interest in the amount of \$[____], and calculated as described in the “Issue Price; Yield on the Bonds” paragraph of the Tax Exemption Agreement, to be not less than [Bond Yield] percent.

4. The Yield on the Mortgage Loan, calculated as described in the “Yield on the Mortgage Loan” paragraph of the Tax Exemption Agreement, is not more than [Loan Yield] percent. Accordingly, the Yield on the Mortgage Loan does not exceed the Yield on the Bonds by more than 1.5 percentage points.

5. For purposes of determining the Yields in paragraphs 3 and 4 above, Wells Fargo has performed certain calculations relating to the Bonds and the Mortgage Loan. Such calculations are attached hereto as Schedule I. Wells Fargo hereby represents that such calculations are based on assumptions that are in all material respects consistent with the representations set forth in the “Issue Price; Yield on the Bonds” and “Yield on the Mortgage Loan” paragraphs of the Tax Exemption Agreement. These calculations include calculations based upon assumptions, information and estimates obtained from the Borrower or the Issuer which we have no reason to believe are not reasonable in light of the relevant facts and circumstances. To the best of the undersigned’s knowledge, as of the date hereof, no fact or circumstance has come to the undersigned’s attention that conflicts with the assumptions, information and estimates described in the preceding sentence.

6. As shown in Schedule I attached hereto, Wells Fargo computed the Weighted Average Maturity of the Bonds to be [WAM] years, calculated in accordance with the provisions of the Tax Exemption Agreement.

7. To the best of my knowledge, as of the date hereof, no fact or circumstance has come to my attention that conflicts with the statements set forth in the “Not an Abusive Transaction” paragraph of the Tax Exemption Agreement.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents Wells Fargo’s interpretation of any laws, including specifically sections 103 and 148 of the Code and the Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer and the Borrower with respect to certain of the representations set forth in the Tax Exemption Agreement and with respect to compliance with the federal income tax rules affecting the Bonds, and by Bracewell LLP in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Form 8038, and other federal income tax advice it may give to the Issuer from time to time relating to the Bonds.

CERTIFICATE OF WELLS FARGO BANK, NATIONAL ASSOCIATION

I, the undersigned officer of Wells Fargo Bank, National Association, make this certification in connection with the Texas Department of Housing and Community Affairs Multifamily Housing Revenue Bonds (Fannie Mae MBS Collateralized Pass-Through - Oaks on Lamar), Series 2018 (the “Bonds”). Each capitalized term used herein has the meaning or is the amount, as the case may be, specified for such term in the Tax Exemption Agreement to which this Exhibit B is attached (the “Tax Exemption Agreement”). I hereby certify as follows in good faith as of the Issue Date of the Bonds:

1. The Fannie Mae Guarantee Fee does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately stated, reasonable, and excluded from such amount. The Fannie Mae Guarantee Fee does not exceed a reasonable, arm’s length charge for the transfer of credit risk. No portion of the Fannie Mae Guarantee Fee is refundable upon redemption of any of the prepayment on the Mortgage Loan (and thus, the Bonds) in an amount which would exceed the portion of the Fannie Mae Guarantee Fee that had not been earned. All payments on the Pass-Through Certificate reasonably coincide with payments on the Bonds and the payments on the Pass-Through Certificate are unconditionally payable on a monthly basis which shall be the 25th day of the month (or the next Business Day if the 25th day is not a Business Day). The Fannie Mae Guarantee Fee does not pertain to any mortgaged backed securities other than the Pass-Through Certificate.

I, the undersigned officer of George K. 1. I am the duly chosen, qualified and acting officer of the Financial Advisor for the office shown below my signature; as such, I am familiar with the facts herein certified and I am duly authorized to execute and deliver this certificate on behalf of the Financial Advisor.
2. The Financial Advisor has reviewed the calculations of the Underwriter set forth in paragraphs 3, 4, and 6 of Exhibit A to the Tax Exemption Agreement, which calculations are based upon assumptions, information, and estimates obtained from the Borrower or the Issuer. I have no reason to believe that such calculations are not consistent with the assumptions and methodology set forth in the “Issue Price; “Yield on the Bonds” and the “Yield on the Loan” paragraphs of the Tax Exemption Agreement and the “Use of the Proceeds of the Bonds—Additional Limitations—Weighted Average Economic Life” subparagraph of the Tax Exemption Agreement respecting the Weighted Average Maturity and, to the best of my knowledge, as of the Issue Date of the Bonds, no fact or circumstance has come to my attention that conflicts with the assumptions, information and estimates from the Borrower or the Issuer described in the preceding sentence.
3. The Financial Advisor represents that to the best of its knowledge as of the Issue Date of the Bonds, the statements set forth in paragraphs (a) through (c) of the “Not An Abusive Transaction” paragraph of the Tax Exemption Agreement are true.

(e) The Borrower is a qualified “housing sponsor” as defined in the Act.

Section 2. Tax-Exempt Status of the Bonds. The Borrower will not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes (subject to any exceptions contained in the opinion delivered upon the original issuance of the Bonds). With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that prior to the final maturity of the Bonds, unless it has received and filed with the Issuer and Trustee a Favorable Opinion of Bond Counsel:

(a) That the Development will be owned, managed and operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the Qualified Project Period. In particular, the Borrower covenants and agrees, continuously during the Qualified Project Period, as follows:

(i) that the Development will be comprised of residential Units and facilities functionally related and subordinate thereto;

(ii) that each Unit will contain complete facilities for living, sleeping, eating, cooking and sanitation, e.g., a living area, a sleeping area, bathing and sanitation facilities, and cooking facilities equipped with a cooking range, refrigerator and sink, all of which are separate and distinct from other Units; provided that, a Unit will not fail to meet these requirements merely because it is a single-room occupancy unit (within the meaning of Section 42 of the Code);

(iii) that the land and the facilities that are part of the Development will be functionally related and subordinate to the Units comprising the Development and will be of a character and size that is commensurate with the character and size of the Development;

(iv) that at no time during the Qualified Project Period will any of the Units be utilized (A) on a transient basis by being leased or rented for a period of less than thirty days or (B) as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, sanitarium, nursing home, rest home, or trailer park or court used on a transient basis;

(v) that the Development will consist of one or more proximate buildings or structures, together with any functionally related and subordinate facilities containing one or more similarly constructed Units, all of which (A) will be located on a single tract of land or two or more parcels of land that are contiguous except for the interposition of a road, street, stream or similar property or their boundaries meet at one or more points, (B) will be owned by the same person for federal income tax purposes, and (C) will be financed pursuant to a common plan;

(vi) that substantially all of the Development will consist of similarly constructed Units together with functionally related and subordinate facilities for use by Development tenants at no additional charge, such as swimming pools, other recreational facilities, parking areas, and other facilities that are reasonably required for the Development, such as heating and cooling equipment, trash disposal equipment, and Units for resident managers, security personnel or maintenance personnel;

(vii) that at no time during the Qualified Project Period will any Unit in any building or structure in the Development that contains fewer than five Units be occupied by the Borrower;

(viii) that each Unit will be rented or available for rental on a continuous basis to Eligible Tenants (subject to the limitations and exceptions contained in this Regulatory Agreement, the Tax Exemption Agreement and the Financing Agreement) at all times during the longer of (A) the term of the Bonds or (B) the Qualified Project Period, that the Borrower will not give preference in renting Units to any particular class or group of persons, other than Persons with Special Needs, Low-Income Tenants and other Eligible Tenants as provided herein, and that at no time will any portion of the Development be exclusively reserved for use by a limited number of nonexempt persons in their trades or businesses;

(ix) that except, if applicable, during the 12-month "transition period" beginning on the Closing Date, as provided under Revenue Procedure 2004-39, 2004-2 C.B. 49, the Development will meet the Set Aside. For the purposes of this Section 2(a)(ix), a vacant Unit that was most recently occupied by a Low-Income Tenant is

treated as rented and occupied by a Low-Income Tenant until reoccupied, at which time the character of such Unit must be redetermined. No tenant qualifying as a Low-Income Tenant will be denied continued occupancy of a Unit because, after the most recent Tenant Income Certification, such tenant's Annual Income increases to exceed the qualifying limit for Low-Income Tenants; provided, however, that, should a Low-Income Tenant's Annual Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low-Income Tenant of the same family size and such Low-Income Tenant constitutes a portion of the Set Aside, then such tenant will only continue to qualify for so long as no Unit of comparable or smaller size in the same building (within the meaning of Section 42 of the Code) is rented to a tenant that does not qualify as a Low-Income Tenant;

(x) that the Borrower will obtain, complete and maintain on file (A) Tenant Income Certifications and supporting documentation from each Low-Income Tenant dated immediately prior to the initial occupancy of such Low-Income Tenant in the Development and (B) thereafter, annual certification regarding, at a minimum, information regarding household composition and student status in the form available on the Issuer's website; provided that, if any Units in the Development are ever made available to tenants who are not Low-Income Tenants, then the Borrower will obtain, complete and maintain annual Tenant Income Certifications in accordance with Section 142(d)(3)(A) of the Code. The Borrower will obtain such additional information as may be required in the future by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations that are tax-exempt private activity bonds described in Section 142(d) of the Code. The Borrower will make a diligent and good-faith effort to determine that the income information provided by an applicant in any certification is accurate by taking steps required under Section 142(d) of the Code pursuant to provisions of the Housing Act. As part of the verification, the Borrower will document income and assets in accordance with HUD Handbook 4350.3 and the Issuer's Compliance Monitoring Rules;

(xi) that, on or before each March 31, the Borrower will submit to the Secretary of the Treasury, with a copy provided to the Issuer, the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Development continues to meet the requirements of Section 142(d) of the Code; and

(xii) that the Borrower will prepare and submit the Unit Status Report in the form available on the Issuer's website at the time of such submission to the Issuer (via the electronic filing system available on the Issuer's website) and to the Trustee in accordance with Section 4(e) hereof. The Borrower will retain all documentation required by this Section 2(a)(xii) until the date that is three years after the end of the Qualified Project Period.

(b) That the Borrower will maintain complete and accurate records pertaining to the Low-Income Units and will permit, at all reasonable times during normal business hours and upon reasonable notice, and subject to the rights of tenants in lawful possession, any duly authorized representative of the Issuer, the Trustee, the Department of the Treasury or the

Internal Revenue Service to enter upon the Development Site to examine and inspect the Development and to inspect and photocopy the books and records of the Borrower pertaining to the Development, including those records pertaining to the occupancy of the Low-Income Units. The Borrower will retain all records maintained in accordance with this Section 2 until the date that is three years after the end of the Qualified Project Period.

(c) That the Borrower certifies that as of the Closing Date 50% of the Units are occupied.

(d) That the Borrower will prepare and submit to the Issuer and the Trustee, within 60 days prior to the last day of the Qualified Project Period, a certificate setting forth the date on which the Qualified Project Period will end, which certificate must be in recordable form, however, failure to deliver such certificate shall not extend the Qualified Project Period.

Anything in this Agreement to the contrary notwithstanding, it is expressly understood and agreed by the parties hereto that the Issuer and the Trustee may rely conclusively on the truth and accuracy of any certificate, opinion, notice, representation or instrument made or provided by the Borrower in order to establish the existence of any fact or statement of affairs solely within the knowledge of the Borrower, and which is required to be noticed, represented or certified by the Borrower hereunder or in connection with any filings, representations or certifications required to be made by the Borrower in connection with the issuance and delivery of the Bonds.

Section 3. Modification of Tax and State Restrictive Covenants. The Borrower, the Fee Owner, the Trustee and the Issuer hereby agree as follows:

(a) During the Qualified Project Period and the State Restrictive Period, to the extent any amendments to the Act or the Code, in the written opinion of Bond Counsel filed with the Issuer, the Trustee, the Borrower and the Fee Owner, impose requirements upon the ownership or operation of the Development more restrictive than those imposed by this Regulatory Agreement, this Regulatory Agreement will be deemed to be automatically amended to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as is necessary to document such automatic amendment hereof. In addition, this Regulatory Agreement will be amended to the extent required by, and in accordance with, the Financing Agreement.

(b) During the Qualified Project Period and the State Restrictive Period, to the extent that the Act, the Code, or any amendments thereto, in the written opinion of Bond Counsel filed with the Issuer, the Trustee, the Borrower and the Fee Owner, impose requirements upon the ownership or operation of the Development less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Issuer, the Trustee, the Borrower and the Fee Owner and upon receipt of a Favorable Opinion of Bond Counsel.

(c) All costs, including fees and out-of-pocket expenses actually incurred by the Issuer and the Trustee, in connection with compliance with the requirements of this Section will be paid by the Borrower and its successors in interest.

Section 4. Housing Development During the State Restrictive Period. The Issuer and the Borrower hereby recognize and declare their understanding and intent that the Development is to be owned, managed and operated as a "housing development," as such term is defined in Section

(e) to cause to be prepared and submitted to the Issuer (via the electronic filing system available on the Issuer's website) and the Trustee by the tenth calendar day of each January, April, July and October or other schedule as determined by the Issuer with written notice to the Borrower, a certified quarterly Unit Status Report in a form available on the Issuer's website at the time of submission or in such other form as the Issuer may reasonably prescribe in writing to the Borrower with the first quarterly report due on the first quarterly reporting date after leasing activity commences;

Section 10. Sale or Transfer of the Development or Change in General Partner.

(a) The Borrower and the Fee Owner covenant and agree not to sell, transfer or otherwise dispose of the Development, prior to the expiration of the Qualified Project Period (other than pursuant to the lease of Units to Eligible Tenants), without (i) providing 30 days prior written notice to the Issuer, (ii) complying with any applicable provisions of this Regulatory Agreement, the Financing Agreement, the Tax Exemption Agreement and other Loan Documents and (iii) obtaining the prior written consent of the Issuer. Such consent of the Issuer will not be unreasonably withheld and will be given if the following conditions to the sale or other disposition are met or waived in writing by the Issuer: (A) there is delivered to the Trustee and the Issuer a written opinion of independent legal counsel reasonably satisfactory to the Trustee and the Issuer, addressed to the Trustee and the Issuer, concluding that the transferee has duly assumed all of the rights and obligations of the Borrower or the Fee Owner, as applicable, under this Regulatory Agreement, the Financing Agreement, the Tax Exemption Agreement and the other Loan Documents and that each of the documents executed by the

transferee in connection therewith has been duly authorized, executed and delivered by the transferee and is a valid and enforceable obligation of the transferee, subject to customary qualifications, (B) the Issuer receives a Favorable Opinion of Bond Counsel, with a copy to the Trustee, which opinion will be furnished at the expense of the Borrower or the transferee, (C) the Issuer receives an assumption fee equal to 0.25% of the principal balance of the Bonds Outstanding at the time of such transfer, (D) the proposed purchaser or assignee executes any document requested by the Issuer with respect to assuming the obligations of the Borrower or the Fee Owner under this Regulatory Agreement, the Financing Agreement, the Tax Exemption Agreement and the other Loan Documents, and (E) the Issuer has performed a previous participation review on the proposed purchaser or assignee or any affiliated party, the results of which are satisfactory to the Issuer in accordance with Title 10, Part 1, Chapter 1, Subchapter C, Section 1.301, Texas Administrative Code, and the Issuer does not further have any reason to believe the proposed purchaser or assignee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements and instruments binding on such proposed purchaser or assignee relating to the Development, including but not limited to this Regulatory Agreement, the Financing Agreement, the Tax Exemption Agreement, the Security Instrument and other Loan Documents. The foregoing provisions do not apply to transfer by foreclosure or deed in lieu of foreclosure or other similar involuntary transfers, but such provisions apply to any transfer subsequent to such involuntary transfers. Notwithstanding anything to the contrary contained herein, and subject to the consent of Fannie Mae as required by the Mortgage Loan Documents, the following shall be permitted and shall not require the prior written approval of Issuer or Trustee, provided that written notice thereof has been provided to the Issuer, (a) the transfer by the Tax Credit Investor of its interest in Borrower in accordance with the terms of Borrower's Organizational Documents, (b) the removal of the general partner of Borrower in accordance with the Organizational Documents and the replacement thereof with the Class A Limited Partner, Tax Credit Investor or any of their respective affiliates, (c) the transfer of ownership interests in the Tax Credit Investor (provided that written notice of such transfer is not required to be provided to the Issuer), (d) the transfer of the interests of the Tax Credit Investor in Borrower to Borrower's general partner or the Borrower's special limited partner or any of their affiliates, and (e) any amendment to the Organizational Documents to memorialize the transfers or removal described above. The Borrower and the Fee Owner hereby expressly stipulate and agree that any sale, transfer or other disposition of the Development in violation of this subsection will be ineffective to relieve the Borrower or the Fee Owner of its obligations under this Regulatory Agreement. Upon any sale, transfer or other disposition of the Development in compliance with this Regulatory Agreement, the Borrower or the Fee Owner so selling, transferring or otherwise disposing of the Development will have no further liability for obligations under the Financing Agreement, this Regulatory Agreement or any loan document arising after the date of such disposition. The foregoing notwithstanding, the duties of the Borrower and the Fee Owner as set forth in the Financing Agreement, this Regulatory Agreement or any loan document with respect to matters arising prior to the date of such sale, transfer or other disposition will not terminate upon the sale, transfer or other disposition of the Development.

(b) No transfer of the Development will release the Borrower or the Fee Owner from its obligations under this Regulatory Agreement arising prior to the date of such transfer, but any such transfer will relieve the Borrower and the Fee Owner of further liability for obligations under this Regulatory Agreement arising after the date of such transfer.

(c) Except as set forth in Section 10(a) above, the Borrower will not change its general partner by transfer, sale or otherwise without the prior written consent of the Issuer,

which consent will not be unreasonably withheld. A change in the Borrower's general partner includes any transfer of any controlling ownership interest in the general partner other than by death or incapacity.

Section 11. Term. This Regulatory Agreement and all and each of the provisions hereof will become effective upon its execution and delivery, will remain in full force and effect for the periods provided herein and, except as otherwise provided in this Section, will terminate in its entirety at the end of the State Restrictive Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bonds, discharge of the Loan, termination of the Financing Agreement and defeasance or termination of the Indenture; provided, however, that the provisions related to the Qualified Project Period that are not incorporated into the State Restrictive Period will terminate in their entirety at the end of the Qualified Project Period.

The terms of this Regulatory Agreement to the contrary notwithstanding, the requirements set forth herein will terminate, without the requirement of any consent by the Issuer or the Trustee, and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal or State law or an action of a federal agency after the Closing Date which prevents the Issuer or the Trustee from enforcing the provisions hereof, or foreclosure or transfer of title by deed in lieu of foreclosure or other similar involuntary transfer, condemnation or a similar event, but only if, within a reasonable period thereafter, either the Bonds are retired in full or amounts received as a consequence of such event are used to provide a "qualified residential rental project" that meets the requirements of the Code and State law including, but not limited to, the provisions set forth in Sections 1A through 6, 10, 11 and 12 of this Regulatory Agreement. The provisions of the preceding sentence will cease to apply and the requirements referred to therein will be reinstated if, at any time during the Qualified Project Period, after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any Related Person obtains an ownership interest in the Development for federal income tax purposes or for the purposes of State law.

Notwithstanding any other provision of this Regulatory Agreement, this Regulatory Agreement may be terminated upon agreement by the Issuer, the Trustee, the Borrower and the Fee Owner upon receipt of a Favorable Opinion of Bond Counsel.

Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments are not necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms. All costs, including fees and expenses, of the Issuer and the Trustee incurred in connection with the termination of this Regulatory Agreement will be paid by the Borrower and its successors in interest.

Section 12. Covenants to Run With the Land. The Borrower and the Fee Owner hereby subject the Development (including the Development Site) to the covenants, reservations and restrictions set forth in this Agreement. The Issuer, the Trustee, the Borrower and the Fee Owner hereby declare that the covenants, reservations and restrictions set forth herein are covenants running with the land and will pass to and be binding upon the Borrower's and the Fee Owner's successors in title to the Development; provided, however, that upon the termination of this Regulatory Agreement said covenants, reservations and restrictions will expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Development or any portion thereof prior to the termination of this Regulatory Agreement will conclusively be held to have been executed, delivered and accepted subject to such

covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instrument.

No breach of any of the provisions of this Regulatory Agreement will impair, defeat or render invalid the lien of any mortgage, deed of trust or like encumbrance made in good faith and for value encumbering the Development or any portion thereof.

Section 13. Burden and Benefit. The Issuer, the Trustee, the Borrower and the Fee Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Development is rendered less valuable thereby. The Issuer, the Trustee, the Borrower and the Fee Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Development by Low-Income Tenants and Eligible Tenants and by furthering the public purposes for which the Bonds were issued.

Section 14. Uniformity; Common Plan. The covenants, reservations and restrictions hereof will apply uniformly to the entire Development in order to establish and carry out a common plan for the use, development and improvement of the Development Site.

Section 15. Default; Enforcement by the Trustee and Issuer. If the Borrower or the Fee Owner defaults in the performance or observance of any covenant, agreement or obligation of the Borrower or the Fee Owner, as applicable, set forth in this Regulatory Agreement, and if such default remains uncured by the Borrower or the Fee Owner for a period of 60 days after written notice thereof has been given by the Issuer or the Trustee to the Borrower, the Fee Owner and the Tax Credit Investor at the Notice Addresses set forth in the Indenture, then the Trustee, acting on its own behalf or on behalf of the Issuer and after being indemnified as provided in the Indenture, will declare an "Event of Default" to have occurred hereunder; provided, however, that, if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default will not constitute an Event of Default hereunder and will not be declared an Event of Default so long as (i) the Borrower or the Fee Owner institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) the Borrower delivers to the Issuer and the Trustee a Favorable Opinion of Bond Counsel. The Issuer hereby agrees that any cure of any Event of Default hereunder made or tendered by the Tax Credit Investor shall be deemed to be cure by the Borrower, and shall be accepted or rejected by the Issuer on the same basis as if made or tendered by the Borrower.

Following the declaration of an Event of Default hereunder, the Trustee or the Issuer, each subject to being indemnified to its satisfaction with respect to the costs and expenses of any proceeding, may, at its option, take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower or the Fee Owner, as applicable, to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee hereunder;
- (b) have access to and inspect, examine and make copies of all of the books and records of the Borrower or the Fee Owner, as applicable, pertaining to the Development during regular business hours following reasonable notice; and
- (c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower or the Fee Owner hereunder.

The Borrower and the Fee Owner hereby agree that specific enforcement of the Borrower's and the Fee Owner's agreements contained herein is the only means by which the Issuer and the Trustee may obtain the benefits of such agreements made by the Borrower and the Fee Owner herein, and the Borrower and the Fee Owner therefore agree to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower or the Fee Owner hereunder. In addition, if the Issuer succeeds in an action for specific performance of an obligation, covenant or agreement of the Borrower or the Fee Owner contained herein, it is entitled to the relief provided in Section 16(b) hereof to the extent provided in that provision.

All rights and remedies herein given or granted are cumulative, nonexclusive and in addition to any and all rights and remedies that the parties may have or may be given by reason of any law, statute, ordinance, document or otherwise. Notwithstanding the availability of the remedy of specific performance provided for in this Section, promptly upon determining that a violation of this Regulatory Agreement has occurred, the Issuer will to the extent that it has actual knowledge thereof, by notice in writing, use its best efforts to inform the Trustee, the Borrower and the Fee Owner (provided that the failure to notify will not adversely affect the Issuer's or the Trustee's rights under this Regulatory Agreement) that a violation of this Regulatory Agreement has occurred.

It is specifically declared that this Regulatory Agreement or obligations hereunder may not be enforced by tenants or prospective tenants of the Development (except as described in Section 16 below) or, except as specifically provided in the Indenture, by the owners of the Bonds.

Section 16. Enforcement of Certain Provisions by Tenants and other Private Parties.

(a) Following the declaration of an Event of Default hereunder with respect to Sections 4(i) and 4(j) hereof only, a tenant of the Development or any private party may, at its option by mandamus or other suit, including injunctive relief, require the Borrower to perform its obligations and covenants under Sections 4(i) and 4(j) hereof.

(b) If the Issuer, a tenant of the Development, or any private party brings an action to enforce the obligations and covenants of the Borrower under Sections 4(i) and 4(j) hereof, such party has the right to recover attorney's fees directly from the Borrower, without recourse to the Development, if such party is successful in an action seeking enforcement of the obligations and covenants of the Borrower hereunder. This is the only monetary relief a tenant of the Development or other private parties may receive under this Regulatory Agreement and any such recovery is subject to the provisions set forth in Section 15 above.

Section 17. The Trustee. The Trustee will act only as specifically provided herein and in the Indenture and Tax Exemption Agreement. Subject to the right of the Trustee to be indemnified as provided in the Indenture, the Trustee agrees to act as the agent of and on behalf of the Issuer when requested in writing by the Issuer to do so, and any act required to be performed by the Issuer as herein provided will be deemed taken if such act is performed by the Trustee. The Trustee is entering into this Regulatory Agreement solely in its capacity as Trustee under the Indenture, and the duties, powers, rights and obligations of the Trustee in acting hereunder will be subject to the provisions of the Indenture and the Tax Exemption Agreement, all of which are incorporated by reference herein. The incorporated provisions of the Indenture and Tax Exemption Agreement are intended to survive the retirement of the Bonds, discharge of the Mortgage Loan, termination of the Financing Agreement and defeasance or termination of the Indenture and the Tax Exemption Agreement.

Subject to the Trustee's rights under the Indenture, the Trustee will, at the direction of the Issuer, take reasonable actions to enforce compliance by the Borrower and the Fee Owner with the terms of this

Regulatory Agreement. The Trustee may rely on certificates and reports delivered to the Trustee by the Borrower without independent investigation and the Trustee's responsibility to review and monitor compliance hereunder will not extend beyond the Trustee's receipt of the certificates, reports, and other documents required to be submitted to the Trustee by the Borrower pursuant to this Regulatory Agreement.

The Trustee may resign only upon giving 60 days prior written notice to the Issuer, the Borrower, the Fee Owner and to each registered owner of Bonds then Outstanding as shown on the Bond Register. The Trustee may be removed at any time upon 30 days prior written notice to the Trustee, (a) by the Issuer, (b) by the owners of not less than 51% in aggregate principal amount of Bonds then Outstanding, which written instrument must designate a successor Trustee or (c) by the Borrower, with the prior written consent of the Issuer or the owners of 100% in aggregate principal amount of Bonds then Outstanding. Such resignation or removal will not be effective until a successor Trustee satisfying the requirements of the Indenture is appointed and has accepted its appointment. The Trustee's right to indemnification provided in the Financing Agreement will survive the resignation or removal of the Trustee and the termination of this Regulatory Agreement.

Upon discharge of the Trust Indenture, the Borrower will pay to the Trustee a fee for the performance of the Trustee's duties under this Agreement for the remaining term of this Regulatory Agreement. The amount of such fee to be paid by the Borrower to the Trustee will be in an amount mutually agreed upon by the Borrower and the Trustee at the time of the discharge of the Trust Indenture.

Section 18. Recording and Filing. The Borrower will cause this Regulatory Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of Travis County, Texas and in such other places as the Issuer or the Trustee may reasonably request. A file-stamped copy of this Regulatory Agreement and all amendments and supplements thereto will be delivered to the Trustee. The Borrower will pay all fees and charges incurred in connection with any such recording. This Regulatory Agreement is subject to and subordinate to all matters of record as of the date hereof.

Section 19. Reimbursement of Expenses. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Indenture and the Tax Exemption Agreement, throughout the term of this Regulatory Agreement, the Borrower will continue to pay to the Issuer and the Trustee all fees and reimbursement for all expenses actually incurred thereby required to be paid to the Issuer and the Trustee by the Borrower pursuant to the Financing Agreement and the Tax Exemption Agreement.

Section 20. Governing Law. This Regulatory Agreement is governed by the laws of the State of Texas. The Trustee's rights, duties, powers and obligations hereunder are governed in their entirety by the terms and provisions of this Regulatory Agreement, the Financing Agreement, the Indenture and the Tax Exemption Agreement.

Section 21. Amendments. Subject to the provisions of Section 3 hereof, this Regulatory Agreement may be amended only by a written instrument executed by the parties hereto (except that after discharge of the Indenture, consent of the Trustee will not be required), or their successors in title, and duly recorded in the real property records of Travis County, Texas, and only upon receipt by the Issuer (with a copy to the Trustee) of a Favorable Opinion of Bond Counsel and an opinion of Bond Counsel that such action is not contrary to the provisions of the Act. In addition, for so long as the Mortgage Loan is outstanding, this Regulatory Agreement may not be amended without Fannie Mae's prior written consent, with the exception of clerical errors or administrative correction of non-substantive matters, as set forth in Exhibit D hereto.

Section 22. Notices. Any notice required to be given hereunder to the Issuer, the Trustee, the Borrower, the Fee Owner and the Tax Credit Investor will be given in the manner and to the address (or facsimile numbers) set forth in the Indenture.

Section 23. Severability. If any provision of this Regulatory Agreement is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof will not in any way be affected or impaired thereby.

Section 24. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which constitute one and the same instrument, and each of which is deemed to be an original.

Section 25. Authorization to Act for Issuer. To the extent allowed by law, the Issuer hereby authorizes the Borrower to take on behalf of the Issuer all actions required or permitted to be taken by it hereunder, or under the Indenture and the Financing Agreement and to make on behalf of the Issuer all elections and determinations required or permitted to be made by the Issuer hereunder or under the Indenture and the Financing Agreement. In addition, the Issuer hereby authorizes the Borrower to exercise, on behalf of the Issuer, any election with respect to the Bonds pursuant to the Code or the Regulations, and the Issuer agrees to cooperate with the Borrower and execute any form of statement required by the Code or the Regulations to perfect any such election.

Section 26. Subordination and Incorporation of Fannie Mae Rider. Notwithstanding anything to the contrary herein, the Fannie Mae Rider to Restrictive Covenants attached hereto as Exhibit D is hereby incorporated herein for all purposes.

IN WITNESS WHEREOF, the Issuer, the Trustee, the Fee Owner and the Borrower have executed this Regulatory Agreement by duly authorized representatives, all as of the date first above written.

EXHIBIT D

FANNIE MAE RIDER TO RESTRICTIVE COVENANTS

THIS FANNIE MAE RIDER TO REGULATORY AGREEMENT (“Rider”) is attached to and forms a part of the Regulatory and Land Use Restriction Agreement (“Regulatory Agreement”), dated as of August 1, 2018, by and among THF Oaks on Lamar, LP (“Borrower”), its permitted successors and assigns, Texas Housing Foundation (“Fee Owner”), its permitted successors and assigns, the Texas Department of Housing and Community Affairs (“Issuer”) and Wilmington Trust, National Association (“Trustee”), as Trustee.

1. Definitions. All capitalized terms used in this Rider have the meanings given to those terms in the Regulatory Agreement, the Financing Agreement or the Indenture, as applicable.

2. Applicability. This Rider shall amend and supplement the Regulatory Agreement. In the event any provision of this Rider conflicts with the Regulatory Agreement, this Rider shall supersede the conflicting provision of the Regulatory Agreement. This Rider shall apply in spite of the fact that the covenants, reservations and restrictions of the Regulatory Agreement run with the land and may be deemed applicable to any successor in interest to the Borrower.

3. Obligations not Secured by the Mortgaged Property. The Regulatory Agreement shall not constitute a mortgage, equitable mortgage, deed of trust, deed to secure debt or other lien or security interest in the Mortgaged Property. None of the obligations of the Borrower or the Fee Owner or any subsequent owner of the Mortgaged Property under the Regulatory Agreement shall be secured by a lien on, or security interest in, the Mortgaged Property. All such obligations are expressly intended to be and shall remain unsecured obligations. The occurrence of an event of default under the Regulatory Agreement shall not impair, defeat or render invalid the lien of the Security Instrument.

4. Subordination. The terms, covenants and restrictions of the Regulatory Agreement, other than those set forth in Sections 1A, 2, 3, 4, 10, 11 and 12, are and shall at all times remain subject and subordinate, in all respects, to the liens, rights and interests created under the Loan Documents. Upon a conveyance or other transfer of title to the Mortgaged Property by foreclosure, deed in lieu of foreclosure or comparable conversion of the Loan, the Person who acquires title to the Mortgaged Property pursuant to such foreclosure, deed in lieu of foreclosure or comparable conversion of the Loan (unless such Person is the Borrower or a Person related to the Borrower within the meaning of Section 144(a)(3) of the Code, in which event the Regulatory Agreement shall remain in full force and effect in its entirety) shall acquire such title free and clear of the terms, covenants and restrictions of the Regulatory Agreement, other than those set forth in Sections 1A, 2, 3, 4, 10, 11 and 12 and, from and after the date on which such Person acquires title to the Mortgaged Property, the terms, covenants and restrictions of the Regulatory Agreement, other than those set forth in Sections 1A, 2, 3, 4, 10, 11 and 12, shall terminate and be of no force and effect; provided that Sections 1A, 2, 3, 4, 10, 11 and 12 shall also terminate and be of no force or effect under the circumstances set forth in Section 11 of the Regulatory Agreement.

5. Obligations Personal. The Issuer agrees that no owner of the Mortgaged Property (including Fannie Mae) subsequent to the Borrower will be liable for, assume or take title to the Mortgaged Property subject to:

(a) any failure of any prior owner of the Mortgaged Property to perform or observe any representation or warranty, affirmative or negative covenant or other agreement or undertaking under the Regulatory Agreement; and

(b) the payment of any compensation or any accrued unpaid fees, costs, expenses or penalties otherwise owed by any prior owner of the Mortgaged Property under the Regulatory Agreement.

The Borrower and each subsequent owner of the Mortgaged Property shall be responsible under the Regulatory Agreement for its own acts and omissions occurring during the period of its ownership of the Mortgaged Property. All such liability and obligations shall be and remain personal to such person even after such person ceases to be the owner of the Mortgaged Property.

6. Sale or Transfer.

(a) Restrictions Not Applicable to Certain Transfers. Subject to Section 4 of this Rider, all provisions of the Regulatory Agreement regarding the sale or transfer of the Development or of any interest in the Borrower, including any requirement, limitation or condition precedent for any of (i) the consent of the Issuer or the Trustee to such transfer, (ii) an agreement by any transferee to abide by the requirements and restrictions of the Regulatory Agreement, (iii) transferee criteria or other similar requirements, (iv) an opinion of legal counsel and (v) the payment of any assumption fee, transfer fee, penalty or other charges, shall not apply to any of the following:

(1) any transfer of title to the Development to Fannie Mae or to a third party by foreclosure, deed in lieu of foreclosure or comparable conversion of any lien on the Development. No transfer of the Development shall operate to release the Borrower or the Fee Owner from its obligations under the Regulatory Agreement. Fannie Mae shall have the right to sell the Development to a purchaser ("Proposed Purchaser"), upon delivery to the Issuer of items (A), (B) and (D) as set forth in Section 10(a) of the Regulatory Agreement, with the prior written consent of the Issuer.

Provided the Issuer has received such items, the Issuer's prior written consent shall be given unless the Issuer determines that the Proposed Purchaser has events of noncompliance uncorrected during the corrective action period in accordance with Title 10, Part 1, Chapter 1, Subchapter C, Section 1.301 of the Texas Administrative Code and therefore considered an "Unacceptable Purchaser." The Issuer agrees that on or prior to the 10th day following receipt of the items described above, the Issuer shall provide Fannie Mae written notice confirming whether the Proposed Purchaser is, or is not, in compliance with the Issuer's tax exempt bond or low income housing tax credit program. The Issuer agrees to use its best efforts to respond to Fannie Mae as soon as possible following receipt of the required information. On or prior to the forty-fifth (45th) day following the receipt by the Issuer of such items described above, the Issuer shall provide to Fannie Mae either (i) written notice that the Proposed Purchaser is an Unacceptable Purchaser or (ii) the Issuer's written consent to the Proposed Purchaser. The Issuer hereby agrees that in the event Fannie Mae does not receive the Issuer's notice with respect to the Proposed Purchaser within the above 45-day period, the Issuer shall conclusively be deemed to have consented to a sale or transfer of the Development to the Proposed Purchaser under the Regulatory Agreement and the Financing Agreement, in which event Fannie Mae may sell or transfer the Development to the Proposed Purchaser solely upon delivery to the Issuer of the items described above. In the event the Issuer does not deliver to Fannie Mae on or prior to the end of the 45-day period described above its written notice that the Proposed Purchaser is an Unacceptable Purchaser, any and all title insurance companies requested to insure the transfer of title to the Development to the Proposed Purchaser shall be entitled to rely on an affidavit from Fannie Mae that no such notice was received prior to expiration of the 45-day period. If Fannie Mae does receive the Issuer's consent to the transfer, all title insurance companies shall be entitled to rely on a copy of such written notice;

(2) any execution and delivery of a mortgage, deed of trust, deed to secure debt or other lien by the Borrower to secure any additional indebtedness of the Borrower which is originated by a lender for sale to Fannie Mae or guaranteed or otherwise credit enhanced by Fannie Mae; and

(3) provided that no Bonds are then Outstanding or all Bonds are to be simultaneously fully paid, redeemed or defeased, any execution and delivery of a mortgage, deed of trust, deed to secure debt or other lien by the Borrower to secure any indebtedness incurred by the Borrower which effectively refinances the Loan.

(b) Fannie Mae Rights to Consent Not Impaired. Nothing contained in the Regulatory Agreement shall affect any provision of the Security Instrument or any of the other Credit Enhancement Documents or Loan Documents which requires the Borrower and the Fee Owner to obtain the consent of Fannie Mae as a precondition to sale, transfer or other disposition of, or any direct or indirect interest in, the Development or of any direct or indirect interest in the Borrower, excluding transfers permitted by the Security Instrument.

(c) Conclusive Evidence. Any written consent to a sale or transfer obtained from the Issuer shall constitute conclusive evidence that the sale or transfer is not a violation of the transfer provisions of the Regulatory Agreement.

7. Damage, Destruction or Condemnation of the Mortgaged Property. In the event that the Mortgaged Property is damaged or destroyed or title to the Mortgaged Property, or any part thereof, is taken through the exercise or the threat of the exercise of the power of eminent domain, the Borrower shall comply with all applicable requirements of the Security Instrument and the other Loan Documents.

8. Regulatory Agreement Default. Notwithstanding anything contained in the Regulatory Agreement to the contrary:

(a) The occurrence of an event of default under the Regulatory Agreement shall not impair, defeat or render invalid the lien of the Security Instrument.

(b) The occurrence of an event of default under the Regulatory Agreement shall not be or be deemed to be a default under the Loan Documents, except as may be otherwise specified in the Loan Documents.

9. Amendments. Except as otherwise provided in Section 3 of the Regulatory Agreement, the Issuer shall not consent to any amendment, supplement to, or restatement of the Regulatory Agreement without the prior written consent of Fannie Mae. The Trustee shall send to Fannie Mae prior notice of any amendment made pursuant to Section 3 of the Regulatory Agreement where possible but in any event immediately following the execution of any such amendment.

10. Termination. The Regulatory Agreement may be terminated upon agreement by the Issuer, the Trustee, Fannie Mae and the Borrower and the Fee Owner upon receipt of a Favorable Opinion of Bond Counsel acceptable to the Issuer and the Trustee. So long as the Bonds have been redeemed or are redeemed within a reasonable period thereafter, the Regulatory Agreement shall terminate and be of no further force or effect from and after the date of any transfer of title to the Mortgaged Property by foreclosure, deed in lieu of foreclosure or comparable conversion of any lien on the Mortgaged Property; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained in the Regulatory Agreement shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar

event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Mortgaged Property for federal income tax purposes.

11. Third-Party Beneficiary. The parties to the Regulatory Agreement recognize and agree that the terms of the Regulatory Agreement and the enforcement of those terms are essential to the security of Fannie Mae and are entered into for the benefit of various parties, including Fannie Mae. Fannie Mae shall accordingly have contractual rights in the Regulatory Agreement and shall be entitled (but not obligated) to enforce, separately or jointly with the Issuer and/or the Trustee, or to cause the Issuer or the Trustee to enforce, the terms of the Regulatory Agreement. In addition, the Borrower and the Issuer intend that Fannie Mae be a third-party beneficiary of the Regulatory Agreement.

BOND PURCHASE AGREEMENT

Wells Fargo Bank, National Association, (the “*Underwriter*”), on its own behalf and not as your fiduciary, hereby offers to enter into this Bond Purchase Agreement dated July __, 2018 (this “*Purchase Contract*”) with the Texas Department of Housing and Community Affairs (together with its successors and assigns, the “*Issuer*”), THF Riverside Townhomes, LP, a Texas limited Partnership (the “*Riverside Townhomes Borrower*”) and THF Oaks on Lamar, LP, a Texas limited Partnership (the “*Oaks on Lamar Borrower*,” and together with the Riverside Townhomes Borrower, as the context may dictate, each, a “*Borrower*,” and collectively, the “*Borrowers*”), for the sale by the Issuer and the purchase by the Underwriter of the Bonds defined below which are being issued by the Issuer for the benefit of the Borrowers. The Underwriter is an “underwriter” as defined in Section 2(a)(11) of the Securities Act of 1933, as amended (the “*1933 Act*”). This offer is made subject to the written acceptance hereof by the Issuer and the Borrowers and delivery of such acceptance (in the form of one or more counterparts hereof) at or prior to 5:00 p.m., Eastern Time, on the date hereof, and will expire if not so accepted at or prior to such time (or such later time as the Underwriter may agree in writing). Upon such acceptance, this Purchase Contract will be binding upon each of the Issuer, the Borrowers and the Underwriter.

Section 1. Definitions and Background. The capitalized terms used but not defined in this Purchase Contract have the meanings assigned to them in the Indentures (hereinafter defined) and in the Official Statement dated _____ __, 2018, as may be amended and supplemented (the “*Official Statement*”).

1.2 This Purchase Contract is for the sale and delivery of the Issuer’s Multifamily Housing Revenue Bonds (Fannie Mae MBS Collateralized Pass-Through – Riverside Townhomes), Series 2018 (the “*Riverside Townhomes Bonds*”) and the Issuer’s Multifamily Housing Revenue Bonds (Fannie Mae MBS Collateralized Pass-Through – Oaks on Lamar), Series 2018 (the “*Oaks on Lamar Bonds*,” and together with the Riverside Town Homes Bonds, each, a “*Bond Issue*” and collectively, the “*Bonds*”), which are being issued by the Issuer to provide financing for the respective Projects. The Bonds will be issued pursuant to (i) that certain resolution of the Issuer adopted May 24, 2018 (the “*Bond Resolution*”), (ii) Chapter 2306, Texas Government Code, as amended (the “*Act*”), and (iii) the terms of the Indenture of Trust by and between the Issuer and Wilmington Trust, National Association (the “*Trustee*”) with respect to the Riverside Townhomes Bonds, dated as of August 1, 2018 (the “*Riverside Townhomes Indenture*”), and the Indenture of Trust by and between the Issuer and the Trustee with respect to the Oaks on Lamar Bonds, dated as of August 1, 2018 (the “*Oaks on Lamar Indenture*,” and together with the Riverside Townhomes Indenture, each, an “*Indenture*” and collectively, the “*Indentures*”). Each Bond Issue will be payable from (i) the pledge of one hundred percent (100%) of the beneficial ownership interest in the respective Pass-Through Certificate from the Issuer to the Trustee, (ii) an assignment of the Revenues received by the Issuer under or in respect of the respective Pass-Through Certificate, and (iii) the moneys and securities from time to time held by the Trustee in the funds under the terms of the respective Indenture (collectively, the “*Trust Estate*”). In connection with the issuance of the Bonds, the Issuer will execute and deliver this Purchase Contract, the Indentures, the Financing Agreements, the Tax Exemption Agreements, and the Regulatory Agreements (collectively, the “*Issuer Documents*”) and the Borrowers will execute and deliver this Purchase Contract, the Financing Agreements, the Continuing Disclosure Agreements, the Tax Exemption Agreements, the Mortgage Notes, and the Regulatory Agreements (collectively, the “*Borrower Documents*”). The Issuer Documents and the Borrower Documents are referred to herein as the “*Financing Documents*.”

Section 2. Purchase and Sale.

2.1 Subject to the terms and conditions set forth in this Purchase Contract, the Underwriter hereby agrees to purchase from the Issuer and the Issuer hereby agrees to sell to the Underwriter, at the

Closing (as hereafter defined), (i) \$20,000,000 aggregate principal amount of the Riverside Townhomes Bonds, (ii) \$17,000,000 aggregate principal amount of the Oaks on Lamar Bonds at the prices set forth in Exhibit A attached hereto, (iii) plus accrued interest to the Closing Date in the amounts of \$_____ and \$_____, respectively[, and (iv) plus additional amounts equal to \$_____ and \$_____, respectively for deposit into the Collateral Security Interest Account of the Collateral Security Fund established under each Indenture. The Underwriter will be reimbursed at Closing by the Borrowers in the amounts of \$_____ and \$_____, respectively, for the deposits to the respective Collateral Security Interest Accounts.] The Underwriter's purchase of the Riverside Townhomes Bonds is contingent upon its purchase of the Oaks on Lamar Bonds, and vice versa.

2.2 Each Bond Issue will (i) be issued pursuant to the respective Indenture and (ii) have the payment-related terms (that is, the dated date, maturity date, interest rate and price) set forth in Exhibit A attached hereto and will otherwise correspond to the description thereof contained in the Official Statement.

2.3 The Issuer and the Borrowers acknowledge and agree that: (i) the transactions contemplated by this Purchase Contract are arm's-length, commercial transactions between the Issuer, the Borrowers and the Underwriter in which the Underwriter is acting solely as a principal and not acting as an agent, fiduciary or municipal advisor to the Issuer or the Borrowers; (ii) the Underwriter is acting solely in its capacity as an underwriter for its own account and has not assumed individually or collectively an advisory or fiduciary responsibility in favor of the Issuer or the Borrowers with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has advised or provided other services or is currently advising or providing other services to the Issuer or the Borrowers on other matters); (iii) the only obligations the Underwriter has to the Issuer and the Borrowers with respect to the transaction contemplated hereby are set forth expressly in this Purchase Contract; and (iv) the Issuer and the Borrowers have consulted with their own legal, accounting, tax, financial and other advisors, as applicable, to the extent they deem appropriate in connection with the offering of the Bonds. The primary role of the Underwriter is to purchase the Bonds for resale to investors in an arm's-length commercial transaction between the Issuer and the Underwriter. The Underwriter has financial and other interests that differ from those of the Issuer and the Borrowers.

Section 3. Offering of Bonds and Issue Price Certificate. The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit A hereto, except as otherwise set forth therein.

3.2 Expressly subject to the provisions below regarding the establishment of the issue price of each Bond Issue, the Underwriter reserves the right to change such prices as it deems necessary in connection with the offering of the Bonds. Concessions from the public offering price may be allowed to selected dealers and special purchasers. The Borrowers authorize the Underwriter to supplement the Official Statement to insert the reoffering price for the Bonds selected by the Underwriter in its complete discretion.

3.3 Each Bond Issue will be treated as a separate issue of bonds for federal income tax purposes. Notwithstanding any provision of this Purchase Contract to the contrary, the following provisions related to the establishment of the issue price of the Bonds apply:

- (a) *Definitions.* For purposes of this Section 3, the following definitions apply:

(i) “*Public*” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than a Tax Law Underwriter or a Related Party to a Tax Law Underwriter.

(ii) “*Related Party*” means any two or more persons who are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interest or profits interest of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(iii) “*Sale Date*” means the date of execution of this Purchase Contract by all parties.

(iv) “*Tax Law Underwriter*” means (A) any person that agrees pursuant to a written contract with the Issuer to participate in the initial sale of the Bonds to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

(b) *Issue Price Certificate*. The Underwriter agrees to assist the Issuer in establishing the issue price of each Bond Issue and, with respect to each Bond Issue, to execute and deliver to the Issuer at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit G, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Issuer and Bracewell, LLP (“*Bond Counsel*”), to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the Public of each Bond Issue (the “*Issue Price Certificate*”). All actions to be taken by the Issuer under this Section 3 to establish the issue price of each Bond Issue may be taken on behalf of the Issuer by the Issuer’s municipal advisor, George K Baum & Company (the “*Municipal Advisor*”), and any notice or report to be provided to the Issuer may be provided to the Municipal Advisor.

(c) *Public Offering*. The Underwriter confirms that, on the Sale Date, the Underwriter offered each Bond Issue to the Public at the offering price or prices (each, an “*Initial Offering Price*”), or at the corresponding yield or yields, set forth in Exhibit A attached hereto.

(d) *10% Test*. Except as otherwise set forth in the Issue Price Certificate, the Issuer will determine the issue price of each Bond Issue based on the first price at which 10% of each maturity of each Bond Issue is sold to the Public (the “*10% Test*”) (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% Test). The Issue Price Certificate will set forth the maturities, if any, of each Bond Issue for which the issue price will be the applicable Initial Offering Price because the 10% Test was satisfied as of the Sale Date. If the 10% Test has not been satisfied as to any maturity of a Bond Issue on the Sale Date, the Underwriter agrees to promptly report to the Issuer the prices at which the Bonds of such maturity subsequently are sold by the Tax Law Underwriters to the Public.

That reporting obligation will continue, whether or not the Closing Date has occurred, until the 10% Test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the Public.

(e) *Hold-the-Offering-Price Rule.* The Issue Price Certificate will set forth, as of the date of this Purchase Contract, the maturities, if any, of the Bonds for which the 10% Test has not been satisfied and for which the Issuer and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Issuer to treat the initial offering price to the public of each such maturity as of the Sale Date as the issue price of that maturity (the “*Hold-the-Offering-Price Rule*”). So long as the Hold-the-Offering-Price Rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the Sale Date and ending on the earlier of the following:

(i) the close of the fifth (5th) Business Day after the Sale Date; or

(ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the Issuer when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) Business Day after the Sale Date.

(f) The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the Underwriter. The Issuer acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the Hold-the-Offering-Price Rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a retail distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The Issuer further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the Hold-the-Offering-Price Rule as applicable to the Bonds.

(g) *Sale to Related Party not a Sale to the Public.* The Underwriter acknowledges that sales of any Bonds to any person that is a Related Party to a Tax Law Underwriter do not constitute sales to the Public for purposes of this Section 3.

Section 4. Closing. Subject to the terms and conditions hereof, the delivery of the Bonds and the payment of the purchase price of the Bonds as set forth in Exhibit A hereof (the “*Closing*”) will take place at 10:00 a.m. on August __, 2018, or at such other time or on such other date mutually agreed upon by the Issuer, the Borrowers and the Underwriter, which date shall be referred to herein as the “*Closing Date*.”

Section 5. Official Statement; Disclosure Matters.

5.1 The Issuer, the Riverside Townhomes Borrower and the Oaks on Lamar Borrower each hereby (a) confirms its consent to the use by the Underwriter of the Official Statement in the marketing of the Bonds and (b) authorizes the Underwriter to prepare, use and distribute (at the expense of the Borrowers) the Official Statement in final form in connection with the offering and sale of the Bonds.

5.2 The Issuer, the Riverside Townhomes Borrower and the Oaks on Lamar Borrower each agrees to the extent permitted by applicable law to cooperate (at the cost and expense of the Borrowers) with the Underwriter so as to enable the Underwriter to comply with the requirements of Rule 15c2-12 (“*Rule 15c2-12*”) under the Securities Exchange Act of 1934, as amended (the “*1934 Act*”), and any other rules of the Securities and Exchange Commission (the “*SEC*”) and the Municipal Securities Rulemaking Board (the “*MSRB*”), in connection with the offer and sale of the Bonds.

5.3 The Issuer and the Borrowers hereby make the following representations in subsection (a) and (b) respectively:

(a) The Issuer hereby certifies and agrees that the information in the Official Statement under the captions “THE ISSUER” and “NO LITIGATION – The Issuer” has been “deemed final” by the Issuer as of its date, except for final information as to the offering prices, interest rates, selling compensation, amount of proceeds, delivery dates, other terms depending on such factors, and other information permitted to be omitted under part (b)(1) of Rule 15c2-12.

(b) The Borrowers hereby certify and agree that the Official Statement has been “deemed final” by the Borrowers as of its date, except for final information as to the offering prices, interest rates, selling compensation, amount of proceeds, delivery dates, other terms depending on such factors, and other information permitted to be omitted under part (b)(1) of Rule 15c2-12.

5.4 The Issuer and the Borrowers hereby make the following representations in subsection (a) and (b), respectively:

(a) The Issuer hereby represents that the information in the Official Statement under the captions “THE ISSUER” and “NO LITIGATION – The Issuer” is true and correct and does not contain any untrue statement of a material fact and does not omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading. The Issuer has not participated in the preparation of the Official Statement and makes no representations with respect thereto except as expressly set forth in the preceding sentence, and assumes no responsibility with respect to the sufficiency, accuracy, or completeness of any of the information contained in the Official Statement or any other document used in connection with the offer and sale of the Bonds. The Underwriter acknowledges that the Issuer has made no independent investigation and has furnished no information contained in the Official Statement, except the information contained under the captions “THE ISSUER” and “NO LITIGATION – The Issuer.”

(b) The Borrowers hereby represent that the information in the Official Statement under the captions “PRIVATE PARTICIPANTS,” “THE PROJECTS,” “NO LITIGATION – The Borrowers” and “CONTINUING DISCLOSURE” is true and correct and does not contain any untrue statement of a material fact and does not omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

5.5 The Issuer and the Borrowers will, at the expense of the Borrowers, supply to the Underwriter the Official Statement, in such quantity as may be requested by the Underwriter no later than the earlier of (i) seven (7) business days after the date of this Purchase Contract or (ii) one (1) business day prior to the Closing Date, in order to permit the Underwriter to comply with Rule 15c2-12, and the applicable rules of the MSRB, with respect to distribution of the Official Statement. The Borrowers shall cause to be provided to the Underwriter the Official Statement, including any amendments thereto, in word-searchable PDF format as described in the MSRB’s Rule G-32 no later than one (1) business day prior to the Closing Date to enable the Underwriter to comply with MSRB Rule G-32.

5.6 During the period commencing on the date of this Purchase Contract and ending on the earlier of (a) 90 days from the End of the Underwriting Period or (b) the time when the Official Statement is available to any person from the MSRB, but in no case less than 25 days following the End of the Underwriting Period (the “*Update Period*”), if any event shall occur which would cause the Official Statement to contain any untrue statement of a material fact or to omit to state any material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, and in the judgment of the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Issuer (to the extent of the provisions referred to in Section 5.4(a) hereof) and the Borrowers will, at the expense of the Borrowers, prepare or cooperate in the preparation of such supplement or amendment to the Official Statement in a form approved by the Underwriter and furnish or cooperate in the furnishing to the Underwriter (at the expense of the Borrowers) a reasonable number of copies of an amendment of, or a supplement to, the Official Statement so that, as supplemented or amended, it will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading. If the Official Statement is so supplemented or amended prior to the Closing, the approval by the Underwriter of a supplement or amendment to the Official Statement shall not preclude the Underwriter from thereafter terminating this Purchase Contract in accordance with the provisions of Section 12(c) hereof. The “*End of the Underwriting Period*” means the later of the delivery of the Bonds by the Issuer to the Underwriter or when the Underwriter no longer retains (directly or as a syndicate member) an unsold balance of the Bonds for sale to the public; provided, that the “*End of the Underwriting Period*” shall be deemed to be the Closing Date, unless the Underwriter otherwise notifies the Issuer and the Borrowers in writing prior to such date that there is an unsold balance of the Bonds, in which case the End of the Underwriting Period shall be deemed to be extended for 30 days. The deemed End of the Underwriting Period may be extended for two additional periods of 30 days each upon receipt of an additional written notification from the Underwriter containing the same information as required in the initial written notice.

5.7 If, during the Update Period, the Issuer becomes aware of any event relating to the information concerning the Issuer under the captions “THE ISSUER” and “LITIGATION – The Issuer” of the Official Statement which would cause such portions of the Official Statement to contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements contained therein with respect to the Issuer, in light of the circumstances under which they were made, not misleading, the Issuer will promptly notify the Underwriter of such event.

5.8 The Issuer shall promptly advise the Underwriter, during the Update Period, of any action, suit, proceeding, inquiry or investigation against the Issuer, of which the Issuer has knowledge, seeking to prohibit, restrain or otherwise affect the use of the Official Statement in connection with the offering, sale or distribution of the Bonds.

5.9 If, during the Update Period, either of the Borrowers becomes aware of any event which would cause the Official Statement under the captions “PRIVATE PARTICIPANTS,” “THE PROJECTS,” “NO LITIGATION – The Borrowers” and “CONTINUING DISCLOSURE” to contain any untrue statement of a material fact or to omit to state any material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, such Borrower will promptly notify the Underwriter and the Issuer of such event.

5.10 Each Borrower shall promptly advise the Underwriter, during the Update Period, of any action, suit, proceeding, inquiry or investigation against such Borrower, of which they receive written or actual notice, seeking to prohibit, restrain or otherwise affect the use of the Official Statement in connection with the offering, sale or distribution of the Bond.

5.11 The Borrowers represent and warrant to the Underwriter and the Issuer that neither Borrower is in default under any undertakings with respect to continuing disclosure requirements designed to comply with Rule 15c2-12 in connection with any issue of municipal securities.

Section 6. Representations of the Issuer.

6.1 The Issuer hereby makes the following representations to the Underwriter:

(a) The Issuer is a public and official agency of the State of Texas (the “State”), and has full power and authority under the Act to adopt the Bond Resolution and to enter into and to perform its obligations under the Issuer Documents; and when executed and delivered by the respective parties thereto, the Issuer Documents will constitute the legal, valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their respective terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitation on legal remedies against units of government of the State;

(b) By official action of the Issuer prior to or concurrently with the acceptance hereof, the Issuer has approved and authorized the distribution of the Official Statement and authorized and approved the execution and delivery of the Issuer Documents and the consummation by the Issuer of the transactions contemplated thereby;

(c) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, or to the Issuer’s knowledge, pending against the Issuer seeking to restrain or enjoin the sale or issuance of the Bonds, or in any way contesting or affecting any proceedings of the Issuer taken concerning the sale thereof, the pledge or application of any moneys or security provided for the payment of the Bonds, in any way contesting the validity or enforceability of the Issuer Documents or contesting in any way the completeness or accuracy of the Official Statement or the existence or powers of the Issuer relating to the sale of the Bonds;

(d) The statements and information contained in the Official Statement under the captions “THE ISSUER” and “NO LITIGATION – The Issuer” are true and correct in all

material respects, and the information contained in the Official Statement under the captions “THE ISSUER” and “NO LITIGATION – The Issuer” does not contain an untrue statement of a material fact or omit any statement or information concerning the Issuer which is necessary to make such statements and information therein, in the light of the circumstances under which they were made, not misleading in any material respect;

(e) The execution and delivery by the Issuer of the Issuer Documents and compliance with the provisions on the Issuer’s part contained therein will neither (i) conflict with or constitute a material breach of or default under any law, administrative regulation, judgment or decree to which the Issuer is subject, (ii) conflict with any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party or is otherwise subject, nor (iii) result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the Issuer under the terms of any such law, administrative regulation, judgment, decree, loan agreement, indenture, bond, security, note, resolution, agreement or other instrument, except as provided by the Issuer Documents;

(f) Except as may be required under Blue Sky or other securities laws of any state and for filings to be made with the Internal Revenue Service on Form 8038, there is no consent, approval, authorization or other order of, or filing with, or certification by, any state court, or state or federal governmental agency, or public body of any state required for the execution and delivery of the Issuer Documents or the consummation by the Issuer of the transactions on its part contemplated herein or therein, which has not been duly obtained or made on or prior to the date hereof;

(g) Upon delivery of the Bonds, the Issuer will have good right, full power and lawful authority to pledge and assign the Trust Estate described in each Indenture to the Trustee as provided in the Indentures and the Bond Resolution;

(h) The Issuer has complied in all material respects with the Bond Resolution and the Issuer Documents;

(i) The Bonds, when delivered in accordance with the Indenture and paid for by the Underwriter on the Closing Date as provided herein, will be validly issued and outstanding special, limited obligations of the Issuer entitled to all the benefits and security of the Indenture.

6.2 The execution and delivery of this Purchase Contract by the Issuer shall constitute a representation by the Issuer to the Underwriter that the representations and agreements contained in this Section 6 are true as of the date hereof; provided, however, that as to information furnished by the Borrowers pursuant to this Purchase Contract, the Issuer is relying solely on such information in making the Issuer’s representations and agreements, and as to all matters of law the Issuer is relying on the advice of counsel; and provided further, that no member, officer, agent or employee of the Issuer shall be individually liable for the breach of any representation, or agreement contained herein.

6.3 It is understood that the representations and covenants of the Issuer contained in this Section 6 and elsewhere in this Purchase Contract shall not create any general obligation or liability of the Issuer, and that any obligation or liability of the Issuer hereunder or under the Issuer Documents is payable solely out of the Trust Estate established under each Indenture. It is further understood and agreed that the Issuer makes no representations, except as set forth in paragraph 5.4(a) above, as to the Official Statement, or as to (i) the financial condition, results of operation, business or prospects of the Borrowers, (ii) any statements (financial or otherwise), representations, documents or certification

provided or to be provided by the Borrowers in connection with the offer or sale of the Bonds, or (iii) the correctness, completeness or accuracy of such statements, representations, documents or certifications.

Section 7. Representations and Warranties of the Borrowers.

7.1 Each Borrower hereby makes the following representations and warranties to the Underwriter and the Issuer as of the date hereof, all of which will continue in effect subsequent to the purchase of the Bonds:

(a) The Borrower is a limited partnership duly organized and existing under and pursuant to the laws of the State of Texas and is qualified to own the Project and conduct its business in the State.

(b) The Borrower has, and as of the Closing Date will have, full legal right, power and authority to (i) execute and deliver the Borrower Documents, (ii) assist in the preparation, distribution and use of the Official Statement, and (iii) otherwise consummate the transactions contemplated by the Borrower Documents.

(c) The Borrower has duly authorized the (i) execution and delivery of the Borrower Documents, (ii) performance by the Borrower of the obligations contained in the Borrower Documents, (iii) preparation of the Official Statement, and (iv) consummation by the Borrower of all of the transactions contemplated by the Borrower Documents.

(d) The Borrower Documents are, and, when executed and delivered by each Borrower and the other parties thereto, will be, the legal, valid and binding obligations of such Borrower, enforceable in accordance with their respective terms, except to the extent that enforcement thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity.

(e) As of the date hereof and the Closing Date, to the Borrower's knowledge, all consents, approvals, orders or authorizations of, notices to, or filings, registrations or declarations with any governmental authority, board, agency, commission or body having jurisdiction which are required on behalf of the Borrower for the execution and delivery by the Borrower of the Borrower Documents or the consummation by the Borrower of the transactions contemplated hereby or thereby, have been obtained or will be obtained prior to Closing.

(f) As of the date hereof and the Closing Date, the execution and delivery by the Borrower of the Borrower Documents and the consummation by the Borrower of the transactions contemplated hereby and thereby are not prohibited by, do not violate any provision of, and will not result in the breach of or default under (i) the organizational documents of the Borrower (ii) any applicable law, rule, regulation, judgment, decree, order or other requirement to which such Borrower is subject, or (iii) any contract, indenture, agreement, mortgage, lease, note, commitment or other obligation or instrument to which such Borrower is a party or by which the Borrower or its properties are bound.

(g) As of the date hereof and the Closing Date, there is no legal action, suit, proceeding, investigation or inquiry at law or in equity, before or by any court, agency, arbitrator, public board or body or other entity or person, pending or, to the actual knowledge of the Borrower, threatened in writing against or affecting the Borrower or any member of the Borrower, in their respective capacities as such, nor, to the knowledge of the Borrower, any basis therefor, (i) which would restrain or enjoin the issuance or delivery of the Bonds, the use of the Official Statement in

the marketing of the Bonds or the collection of revenues pledged under or pursuant to the Borrower Documents or (ii) which would in any way contest or affect the organization or existence of the Borrower or the entitlement of any officer of the Borrower to its position or (iii) which would have a material and adverse effect upon (A) the due performance by the Borrower of the transactions contemplated by the Official Statement or the Borrower Documents, (B) the validity or enforceability of the Bonds, the Borrower Documents or any other agreement or instrument to which the Borrower is a party and that is used or contemplated for use in the consummation of the transactions contemplated hereby and thereby, (C) the exclusion from gross income for federal income tax purposes of the interest on the Bonds or (D) the financial condition or operations of the Borrower, (iv) which contests in any way the completeness or accuracy of the Official Statement or (v) which questions the power or authority of the Borrower to carry out the transactions on its part contemplated by the Official Statement and the Borrower Documents, or the power of the Borrower to own or operate the Project. The Borrower is not subject to any judgment, decree or order entered in any lawsuit or proceeding brought against it that would have such an effect.

(h) On the Closing Date, the Borrower shall not have granted any interests in or rights or options to sell the Bonds to any other party.

(i) As of the date hereof and the Closing Date, all permits, licenses and authorizations necessary for the ownership and operation of its Project in the manner contemplated by the Official Statement and each of the Borrower Documents have been obtained or will be obtained, and said ownership and operation are not, to the knowledge of the Borrowers, in conflict with any zoning or similar ordinance applicable to the Projects. To the knowledge of the Borrower, the Project conforms to all material environmental regulations.

(j) None of the Borrower, any guarantor of the Borrower or any “related person” to the Borrower within the meaning of Section 147 of the Code has acquired or shall acquire, pursuant to any arrangement, formal or informal, any Bonds.

(k) The Borrower has not taken or omitted to take on or prior to the date hereof any action that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(l) On the Closing Date, each of the representations and warranties of the Borrower contained in the Borrower Documents and all other documents executed by the Borrower in connection with the Bonds shall be true, correct and complete in all material respects.

(m) As of the Closing Date, the Borrower will not be in material default under any document, instrument or commitment to which the Borrower is a party or to which any of its property is subject which default would or could reasonably be expected to adversely affect the ability of the Borrower to carry out its obligations under the Borrower Documents. As of the Closing Date, the Borrower will be in compliance with all of its obligations under the Regulatory Agreement.

(n) As of the date hereof and the Closing Date, the statements and information contained in the Official Statement under the captions “PRIVATE PARTICIPANTS,” “THE PROJECTS,” “NO LITIGATION – The Borrowers” and “CONTINUING DISCLOSURE” are true and correct in all material respects and do not contain an untrue statement of a material fact or omit any material facts necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading in any material respect.

(o) Each Borrower is in compliance with all of its prior continuing disclosure undertakings entered into pursuant to Rule 15c2-12, if any.

7.2 Each of the representations and warranties set forth in this Section 7 will survive the Closing.

7.3 Any certificate signed by any officer of either Borrower and delivered to the Underwriter in connection with the delivery of the Bonds will be deemed to be a representation and warranty by the such Borrower to the Underwriter as to the statements made therein.

Section 8. Covenants of the Issuer.

8.1 The Issuer hereby makes the following covenants with the Underwriter:

(a) Prior to the Closing, the Issuer will not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without providing reasonable notice of such proposed supplement or amendment to the Underwriter. Neither the receipt by the Underwriter of notice of a proposed supplement or amendment nor the consent by the Underwriter to such supplement or amendment shall abrogate the Underwriter's rights under Section 12(c) hereof.

(b) Prior to the Closing, the Issuer will not amend, terminate or rescind, and will not agree to any amendment, termination or rescission of the Issuer Documents without the prior written consent of the Underwriter.

(c) Prior to the Closing, except as provided in the Issuer Documents, the Issuer will not create, assume or guarantee any indebtedness payable from, or pledge or otherwise encumber, the revenues, assets, properties, funds or interests which will be pledged pursuant to the Indenture, including, without limitation, the Bonds or the Issuer Documents.

(d) The Issuer will not knowingly take any action which will in any way cause the proceeds of the Bonds to be applied in a manner other than as provided in the Indenture and described in the Official Statement or which would cause the interest on the Bonds to be includable in the gross income of the holders thereof for federal income tax purposes.

(e) Prior to the Closing, the Issuer will obtain all governmental consents, approvals, orders or authorizations of any governmental authority or agency that would constitute a condition precedent to the performance by it of its obligations under the Issuer Documents and the Bonds.

(f) The Issuer will reasonably cooperate with the Underwriter upon request, without cost to the Issuer, in the qualification of the Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriter may designate; provided that the foregoing shall not require the Issuer to expend its own funds, execute a general or special consent to service of process or to qualify as a foreign corporation in connection with such qualification in any foreign jurisdiction.

(g) The Issuer will not adopt any amendment of or supplement to the Official Statement to which, after having been furnished a copy, the Underwriter shall reasonably object in writing and if any event relating to or affecting the Issuer or the Borrowers shall occur as a result of which it is necessary, in the opinion of the Underwriter, to amend or supplement the Official

Statement in order to make the Official Statement not misleading in the light of the circumstances existing at the time it is delivered to the Underwriter, the Issuer shall cause to be forthwith prepared and furnished (at the sole expense of the Borrowers) to the Underwriter a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Underwriter) that will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time of delivery to the Underwriter, not misleading.

Section 9. Covenants of the Borrowers.

9.1 Each Borrower hereby makes the following covenants with the Underwriter and the Issuer:

(a) The Borrower will not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without providing reasonable notice of such proposed supplement or amendment to the Underwriter. It is understood pursuant to Section 12(c) that, in the event there arises an event or condition which, in the reasonable judgment of the Underwriter, requires the Official Statement to be amended or supplemented or has a material and adverse effect upon the marketability of the Bonds or the ability of the Underwriter to enforce contracts for the sale of the Bonds, the Underwriter shall have the right, pursuant to Section 12(c) hereof, to terminate this Purchase Contract without liability. Neither the receipt by the Underwriter of notice of a proposed supplement or amendment nor the consent by the Underwriter to such supplement or amendment shall abrogate the Underwriter's rights under Section 12(c) hereof.

(b) The Borrower will not adopt any amendment of or supplement to the Official Statement to which, after having been furnished a copy, the Underwriter shall reasonably object in writing and if any event relating to or affecting the Issuer or the Borrower shall occur as a result of which it is necessary, in the opinion of the Underwriter, to amend or supplement the Official Statement in order to make the Official Statement not misleading in the light of the circumstances existing at the time it is delivered to the Underwriter, the Borrower shall cause to be forthwith prepared and furnished (at the sole expense of the Borrower) to the Underwriter a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Issuer and the Underwriter) that will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time of delivery to the Underwriter, not misleading.

(c) Prior to the Closing, the Borrower will not amend, terminate or rescind, and will not agree to any amendment, termination or rescission of the Borrower Documents without the prior written consent of the Underwriter.

(d) Prior to the Closing, except as provided in the Borrower Documents, the Borrower will not create, assume or guarantee any indebtedness payable from, or pledge or otherwise encumber, the revenues, assets, properties, funds or interests which will be pledged to the payment of the Bonds pursuant to the Indenture, including, without limitation, the Bonds, the Financing Documents or any indebtedness allowed under the loan from Wells Fargo Bank, National Association, a national banking association (the "Lender").

(e) The Borrower will cooperate with the Issuer to cause the Bonds to be delivered to the address and at the time specified by the Underwriter in conjunction with the Closing.

(f) The Borrower will not take or omit to take any action which will in any way cause the proceeds of the Bonds, or other moneys on deposit in any fund or account in connection with the Bonds, to be applied in a manner other than as provided in the Indenture and described in the Official Statement or which would cause the interest on the Bonds to be includable in the gross income of the holders thereof for federal income tax purposes.

(g) The Borrower will cooperate with the Underwriter in the qualification of the Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriter may designate.

(h) The Borrower agrees to cause the necessary amount to be paid to the Trustee on the Closing Date for deposit into the Costs of Issuance Fund as set forth in the Indenture to pay costs of issuance.

(i) The Borrower agrees to provide the Underwriter, at the Borrower's expense, a reasonable number of additional copies of the Financing Documents as the Underwriter shall request.

The Bonds so delivered will be in the form required by the Indenture, duly authenticated by the Trustee, and will be fully registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York.

(b) The Issuer and the Borrowers, as applicable, will deliver or cause to be delivered to the Underwriter at the offices of Bond Counsel, or at such other place or places as the Issuer, the Borrowers and the Underwriter may mutually agree upon, the materials described in Section 10.1 and Section 10.2 hereof.

(c) The Underwriter will deliver to the Trustee, for the account of the Issuer, a wire, payable in immediately available funds, in an amount equal to the purchase prices of the Bonds as set forth in Exhibit A hereto.

Section 12. Termination of Agreement. The Underwriter may terminate this Purchase Contract, without liability therefor, by notifying the Issuer and the Borrowers at any time prior to the Closing, if:

(a) Legislation is enacted or introduced in the Congress or recommended to the Congress for passage by the President of the United States, or favorably reported for passage to either house of the Congress of the United States by a committee of such house to which such legislation has been referred for consideration, or a decision is rendered by a court established under Article III of the Constitution of the United States or by the Tax Court of the United States, or an order, ruling, regulation (final, temporary or proposed) or official statement is issued or made: (i) by or on behalf of the Treasury Department of the United States or the Internal Revenue Service, which in the opinion of the counsel to the Underwriter has the purpose or effect, directly or indirectly, of imposing federal income taxation upon such interest as would be received by the owners of the Bonds, or (ii) by or on behalf of the SEC, or any other governmental entity having jurisdiction of the subject matter, which in the opinion of the counsel to the Underwriter has or will have the effect that obligations of the general character of the Bonds or any arrangements underlying the Bonds, are not exempt from registration under the 1933 Act, or that the Indenture is not exempt from qualification under the Trust Indenture Act of 1939, as amended;

(b) The declaration of a general banking moratorium by federal, New York or State authorities, or general suspension of trading in securities on the New York Stock Exchange or the establishment by the New York Stock Exchange, by the SEC, by any federal or state agency or by the decision of any court, of any limitation on prices for such trading, or any outbreak or escalation of hostilities or occurrence of any other national or international calamity or crisis, the effect of which on the financial markets of the United States shall be such as to make it, in the reasonable judgment of the Underwriter, impracticable for the Underwriter to proceed with the purchase and offering of the Bonds (it being agreed by the parties hereto that there is no such escalation of hostilities or other crises of such a nature as of the date hereof);

(c) Any event or condition which, in the reasonable judgment of the Underwriter, (i) renders untrue or incorrect, in any material respect as of the time to which the same purports to relate, the information contained in the Official Statement and the Issuer and the Borrowers do not agree to supplement the Official Statement, or (ii) requires that information not reflected in the Official Statement should be reflected therein in order to make the statements and information contained therein not misleading in any material respect as of such time and the Issuer and the Borrowers do not agree to supplement the Official Statement, or (iii) has a material adverse effect upon the marketability of the Bonds, or (iv) would materially and adversely affect the ability of the Underwriter to enforce contracts for the sale of the Bonds;

(d) The imposition by the New York Stock Exchange or other national securities exchange, or any governmental entity, of any restrictions not now in force with respect to any of the Bonds or obligations of the general character of the Bonds or securities generally, or the increase of any such restrictions now in force, which in the reasonable judgment of the Underwriter materially adversely affects the marketing of the Bonds;

(e) An order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the SEC, or any other governmental entity having jurisdiction of the subject matter, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds or the issuance, offering or sale of the Bonds or any arrangements underlying the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws as then in effect; or

(f) The rating of the Bonds shall have been downgraded or withdrawn by the Rating Agency.

Section 13. Fees and Expenses.

13.1 The Riverside Townhomes Borrower and the Oaks on Lamar Borrower shall pay to the Underwriter fees in the amounts of \$_____ and \$_____, respectively, plus \$_____ and \$_____, respectively, for certain fees and expenses (the “Purchasing Fees”), payable in immediately available funds on the Closing Date from which the Underwriter will pay certain expenses. The Borrowers acknowledge that a portion of the Purchasing Fees will pay or reimburse the Underwriter for various expenses incurred by the Underwriter including, but not limited to, meals, transportation and lodging, if any, and any other miscellaneous Closing costs, which are incidental to implementing this Purchase Contract and the issuance and purchase of the Bonds. The Purchasing Fees will not include the reasonable fees and expenses of the Underwriter’s counsel.

13.2 The Borrowers shall pay the costs of issuance of the Bonds, including all expenses incident to the performance of the Underwriter’s and the Issuer’s obligations hereunder, including, but not limited to, (i) the cost of the preparation, printing or other reproduction of this Purchase Contract, the Official Statement, as supplemented or amended, the Indenture and the other Financing Documents in reasonable quantities for distribution; (ii) the cost of engraving, reproducing and signing the definitive Bonds; (iii) the reasonable fees and disbursements of all applicable legal counsel, including Bond Counsel, counsel to the Issuer, counsel to the Trustee (if any), and counsel to the Underwriter; (iv) the initial fees and costs of paying the Trustee and all paying agents, transfer agents and registrars; (v) the fees and expenses of the Issuer; (vi) CUSIP fees; (vii) the cost of qualifying the Bonds for sale in various states chosen by the Underwriter and the cost of preparing or printing any Preliminary Blue Sky Survey to be used in connection with such sale; (viii) the fees and expenses of the experts retained by the Borrowers with respect to the acquisition, rehabilitation and financing of the Projects; (ix) the fees of the Rating Agency in connection with the rating of the Bonds; and (x) all other applicable fees of professionals hired in conjunction with the issuance of the Bonds.

13.3 In the event that the Issuer, the Borrowers or the Underwriter shall have paid obligations of the other as set forth in this Section 13, appropriate adjustments will promptly be made.

13.4 The Borrowers shall indemnify the Issuer and the Underwriter with respect to the foregoing costs and expenses in the event that the purchase provided for herein is not consummated by the Underwriter for a reason permitted by this Purchase Contract.

Section 14. Indemnification.

14.1 Each Borrower (as to itself with respect its own Bond Issue) will indemnify and hold harmless the Issuer and the Underwriter, and each of their officers, directors, employees, agents, officials, members, commissioners, board members and each person who “controls” (as such term is used in Section 15 of the 1933 Act and Section 20 of the 1934 Act) the Issuer and the Underwriter (each referred to individually as an “*Indemnified Party*” and collectively as the “*Indemnified Parties*”) against any

losses, claims, expenses (including, without limitation, to the extent permitted by law, reasonable attorneys' fees and expenses actually incurred), damages or liabilities, causes of action (whether in contract, tort or otherwise), suits, claims, demands and judgments of any kind, character and nature (collectively referred to herein as the "Liabilities") to which the Indemnified Parties may be threatened or become subject, caused by or directly or indirectly arising from or in any way relating to (i) the Bonds, the Projects, the loan of the proceeds of the Bonds, this Purchase Contract or any document related to the Bonds, the Projects or the loan of the proceeds of the Bonds or any transaction or agreement, written or oral, pertaining to the foregoing, (ii) any untrue statement or alleged untrue statement of any material fact contained in the Official Statement under the captions "PRIVATE PARTICIPANTS," "THE PROJECTS," "NO LITIGATION – The Borrowers" and "CONTINUING DISCLOSURE", or any supplement or amendment thereto, or (iii) any omission or alleged omission to state in the Official Statement under the captions "PRIVATE PARTICIPANTS," "THE PROJECTS," "NO LITIGATION – The Borrowers" and "CONTINUING DISCLOSURE" a material fact necessary to be stated therein in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading. This indemnification provision shall not be construed as a limitation on any other liability which the Borrowers may otherwise have to any indemnified person, provided that in no event shall the Borrowers be obligated for double indemnification. Notwithstanding the foregoing, the Borrowers shall not be required to indemnify the Indemnified Parties for the gross negligence or willful misconduct of the Indemnified Parties.

14.2 The indemnity agreements in paragraph 14.1 of this Section 14 shall be in addition to any liability which the Borrowers may otherwise have hereunder or under the other Borrower Documents, and shall extend on the same terms and conditions to each member, principal, official, officer, commissioner, board member, attorney or employee of the Issuer.

14.3 Promptly after receipt by an Indemnified Party under paragraph 14.1 of this Section 14 of notice of the commencement of any action against such Indemnified Party in respect of which indemnity or reimbursement may be sought against the applicable Borrower under any such paragraph, such Indemnified Party will notify the applicable Borrower in writing of the commencement thereof; provided that any delay or failure to give such notification shall be of no effect except to the extent that such Borrower is prejudiced thereby.

14.4 In case any action, claim or proceeding, as to which a Borrower is to provide indemnification hereunder, shall be brought against the Indemnified Party and the Indemnified Party notifies such Borrower of the commencement thereof, such Borrower may, or if so requested by the Indemnified Party shall, participate therein or assume the defense thereof, with counsel reasonably satisfactory to the Indemnified Party; provided that, except as provided below, such Borrower shall not be liable for the expenses of more than one separate counsel representing the Indemnified Parties in the action, claim or proceeding.

14.5 If a Borrower who is obligated to provide defense hereunder shall not have employed counsel to have charge of the defense of the action, claim or proceeding, or if any Indemnified Party shall have concluded reasonably that there may be a defense available to it or to any other Indemnified Party which is different from or in addition to those available to such Borrower or to any other Indemnified Party (hereinafter referred to as a "separate defense"), (i) such Borrower shall not have the right to direct the defense of the action, claim or proceeding on behalf of the Indemnified Party, and (ii) reasonable legal and other expenses incurred by the Indemnified Party (including without limitation, to the extent permitted by law, reasonable attorney's fees and expenses actually incurred) shall be borne by such Borrower; provided, that such Borrower shall not be liable for the expenses of more than one additional separate counsel for each Indemnified Party with respect to such separate defenses. For the purpose of this paragraph, an Indemnified Party shall be deemed to have concluded reasonably that a separate

defense is available to it or any other Indemnified Party if (a) such Indemnified Party shall have requested an unqualified written opinion from Independent Counsel to the effect that a separate defense exists, and such Independent Counsel shall have delivered such opinion to the Indemnified Party within ten (10) days after such request or (b) the Borrower agrees that a separate defense is so available. For purposes of this paragraph, Independent Counsel shall mean any attorney, or firm or association of attorneys, duly admitted to practice law before the supreme court of any state and not a full-time employee of any Indemnified Party. Nothing contained in this paragraph 14.5 will preclude any Indemnified Party, at its own expense, from retaining additional counsel to represent such party in any action with respect to which indemnity may be sought from the applicable Borrower hereunder.

14.6 The applicable Borrower agrees to reimburse any Indemnified Party for any reasonable expense (including reasonable fees and expenses of counsel) incurred as a result of producing documents, presenting testimony or evidence, or preparing to present testimony or evidence (based upon time expended by an Indemnified Party at its then current time charges), in connection with any court or administrative proceeding (including any investigation which may be preliminary thereto) arising out of or relating to any public distribution of the Bonds. The Borrowers will not be required to reimburse any Indemnified Party if such court or administrative hearing arises out of the gross negligence of, willful misconduct or breach of, this Purchase Contract by an Indemnified Party.

14.7 In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in paragraph 14.1 or 14.2 of this Section 14 is for any reason held to be unavailable, the applicable Borrower and the Indemnified Party shall contribute proportionately to the aggregate Liabilities to which such Borrower and the Indemnified Party (other than the Issuer) may be subject, so that the Indemnified Party is responsible for that portion represented by the percentage that the fees paid by such Borrower to the Indemnified Party (other than the Issuer) in connection with the issuance and administration of the Bonds bears to the aggregate offering price of the Bonds, with such Borrower responsible for the balance; provided, however, that in no case shall the Indemnified Party be responsible for any amount in excess of the fees paid by such Borrower to the Indemnified Party in connection with the issuance and administration of the Bonds; and provided, further, that the foregoing limitation on an Indemnified Party's liability or responsibility shall not be applicable if the indemnity provided for in paragraph 14.1 or 14.2 is unavailable or inapplicable due to the gross negligence or willful misconduct of any Indemnified Party.

14.8 The Indemnified Parties, other than the Underwriter and the Issuer, shall be considered to be third-party beneficiaries of this Purchase Contract for purposes of this Section 14. The provisions of this Section 14 will be in addition to all liability which the Borrowers may otherwise have and shall survive any termination and cancellation of this Purchase Contract, the offering and sale of the Bonds and the payment or provisions for payment of the Bonds.

Section 15. Limitation of Liability. Notwithstanding any provision herein to the contrary, any member, officer, director, partner, agent, commissioner, board members or employee of the Issuer, the Underwriter or the Borrowers, including any person executing this Purchase Contract, shall not bear any liability as a result of any failure of the Issuer, the Underwriter or the Borrowers to perform the obligations of each, respectively, set forth in this Purchase Contract.

IF THE PASS-THROUGH CERTIFICATE IS ISSUED BY FANNIE MAE AND ACQUIRED BY THE TRUSTEE AS COLLATERAL FOR THE BONDS, FANNIE MAE'S OBLIGATIONS WILL BE SOLELY AS PROVIDED IN THE PASS-THROUGH CERTIFICATE AND IN THE FANNIE MAE MBS PROSPECTUS AND THE RELATED FORM OF PROSPECTUS SUPPLEMENT FOR MBS CERTIFICATE (AS ATTACHED TO THE OFFICIAL STATEMENT). THE OBLIGATIONS OF FANNIE MAE UNDER THE PASS-THROUGH CERTIFICATE WILL BE OBLIGATIONS SOLELY

OF FANNIE MAE, A FEDERALLY CHARTERED CORPORATION, AND WILL NOT BE BACKED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. THE BONDS ARE NOT AND WILL NOT BE A DEBT OF THE UNITED STATES OF AMERICA OR ANY OTHER AGENCY OR INSTRUMENTALITY OF THE UNITED STATES OF AMERICA OR OF FANNIE MAE. THE BONDS ARE NOT AND WILL NOT BE GUARANTEED BY THE FULL FAITH AND CREDIT OF FANNIE MAE OR THE UNITED STATES OF AMERICA.

16.2 This Purchase Contract will inure to the benefit of and be binding upon the parties hereto and their successors and assigns and, except as provided in Section 14 hereof, will not confer any rights upon any other person. The terms “successor” and “assigns” will not include any purchaser of any of the Bonds from the Underwriter merely because of such purchase.

16.4 If any provision of this Purchase Contract is held or deemed to be or is, in fact, inoperative, invalid or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provision of any constitution, statute, rule of public policy, or any other reason, such circumstances will not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance or of rendering any other provision or provisions of this Purchase Contract invalid, inoperative or unenforceable to any extent whatever.

Section 18. Underwriter Not Engaged with Foreign Terrorist Organizations.

Pursuant to Subchapter F, Chapter 2252, Texas Government Code, to the extent applicable to this Purchase Contract, the Underwriter represents that neither it nor any wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of the Underwriter, is a company engaged in business with Iran, Sudan, or a foreign terrorist organization or on a list prepared and maintained by the Comptroller of Public Accounts of the State of Texas under Section 806.051, 807.051, or 2252.153, Texas Government Code.

To the extent this Purchase Contract is a contract for goods or services, the Underwriter hereby verifies that it does not boycott Israel and will not boycott Israel through the term of this Purchase Contract. For purposes of this verification, “boycott Israel” means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

I, the undersigned officer of Wells Fargo Bank, National Association (“Wells Fargo”), make this certification in connection with the \$[Par Amount] Texas Department of Housing and Community Affairs Multifamily Housing Revenue Bonds (Fannie Mae MBS Collateralized Pass-Through – [Project]), Series 2018 (the “Bonds”) issued by the Texas Department of Housing and Community Affairs (the “Issuer”).

1. I hereby certify as follows in good faith as of the Issue Date of the Bonds:

(a) I am the duly chosen, qualified and acting officer of Wells Fargo for the office shown below my signature; as such, I am familiar with the facts herein certified and I am duly authorized to execute and deliver this certificate on behalf of Wells Fargo. I am the officer of Wells Fargo charged, along with other officers of Wells Fargo, with responsibility for the Bonds.

(b) The first price at which at least 10% of each maturity of the Bonds was sold to the Public is the price for each such maturity set forth on the cover of the Official Statement prepared in connection with the Bonds (each, an “Actual Sales Price”).

(c) The aggregate of the Actual Sales Prices is \$[_____]. [The Bonds were sold with pre-issuance accrued interest in the amount of \$[_____]. The sum of these two amounts is \$_____.]

2. For purposes of this Issue Price Certificate, the following definitions apply:

(a) “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents Wells Fargo’s interpretation of any laws, including specifically Sections 103 and

The undersigned understands that the foregoing information will be relied upon by the Issuer and the Borrower with respect to certain of the representations set forth in the Tax Exemption Agreement and with respect to compliance with the federal income tax rules affecting the Bonds, and by Bracewell LLP in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of Internal Revenue Service Form 8038, and other federal income tax advice it may give to the Issuer from time to time relating to the Bonds.

2. **Repayment.**

Borrower agrees to pay the principal amount of the Mortgage Loan and interest on the principal amount of the Mortgage Loan from time to time outstanding at the Interest Rate or such other rate or rates and at the times specified in the Loan Agreement, together with all other amounts due to Lender under the Loan Documents. 3. **Security.**

The Mortgage Loan evidenced by this Note, together with all other Indebtedness is secured by, among other things, the Security Instrument, the Loan Agreement and the other Loan Documents. All of the terms, covenants and conditions contained in the Loan Agreement, the Security Instrument and the other Loan Documents are hereby made part of this Note to the same extent and with the same force as if they were fully set forth herein. In the event of a conflict or inconsistency between the terms of this Note and the Loan Agreement, the terms and provisions of the Loan Agreement shall govern.

4. **Acceleration.**

In accordance with the Loan Agreement, if an Event of Default has occurred and is continuing, the entire unpaid principal balance of the Mortgage Loan, any accrued and unpaid interest, including interest accruing at the Default Rate, the Prepayment Premium (if applicable), and all other amounts payable under this Note, the Loan Agreement and any other Loan Document shall at once become due and payable, at the option of Lender, without any prior

notice to Borrower, unless applicable law requires otherwise (and in such case, after satisfactory notice has been given).

5. Personal Liability.

The provisions of Article 3 (Personal Liability) of the Loan Agreement are hereby incorporated by reference into this Note to the same extent and with the same force as if fully set forth herein.

6. Governing Law.

This Note shall be governed in accordance with the terms and provisions of Section 15.01 (Governing Law; Consent to Jurisdiction and Venue) of the Loan Agreement.

7. Waivers.

Presentment, demand for payment, notice of nonpayment and dishonor, protest and notice of protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, and grace and diligence in collecting the Indebtedness are waived by Borrower, for and on behalf of itself, Guarantor and Key Principal, and all endorsers and guarantors of this Note and all other third party obligors or others who may become liable for the payment of all or any part of the Indebtedness.

8. Commercial Purpose.

Borrower represents that the Indebtedness is being incurred by Borrower solely for the purpose of carrying on a business or commercial enterprise or activity, and not for agricultural, personal, family or household purposes.

9. Construction; Joint and Several (or Solidary, as applicable) Liability.

(a) Section 15.08 (Construction) of the Loan Agreement is hereby incorporated herein as if fully set forth in the body of this Note.

(b) If more than one Person executes this Note as Borrower, the obligations of such Person shall be joint and several (solidary instead for purposes of Louisiana law).

10. Notices.

All Notices required or permitted to be given by Lender to Borrower pursuant to this Note shall be given in accordance with Section 15.02 (Notice) of the Loan Agreement.

11. Time is of the Essence.

Borrower agrees that, with respect to each and every obligation and covenant contained in this Note, time is of the essence.

12. Loan Charges Savings Clause.

Borrower agrees to pay an effective rate of interest equal to the sum of the Interest Rate and any additional rate of interest resulting from any other charges of interest or in the nature of interest paid or to be paid in connection with the Mortgage Loan and any other fees or amounts to be paid by Borrower pursuant to any of the other Loan Documents. Neither this Note, the Loan Agreement nor any of the other Loan Documents shall be construed to create a contract for the use, forbearance or detention of money requiring payment of interest at a rate greater than the maximum interest rate permitted to be charged under applicable law. It is expressly stipulated and agreed to be the intent of Borrower and Lender at all times to comply with all applicable laws governing the maximum rate or amount of interest payable on the Indebtedness evidenced by this Note and the other Loan Documents. If any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower is interpreted so that any interest or other charge or amount provided for in any Loan Document, whether considered separately or together with other charges or amounts provided for in any other Loan Document, or otherwise charged, taken, reserved or received in connection with the Mortgage Loan, or on acceleration of the maturity of the Mortgage Loan or as a result of any prepayment by Borrower or otherwise, violates that law, and Borrower is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate any such violation. Amounts, if any, previously paid to Lender in excess of the permitted amounts shall be applied by Lender to reduce the unpaid principal balance of the Mortgage Loan without the payment of any prepayment premium (or, if the Mortgage Loan has been or would thereby be paid in full, shall be refunded to Borrower), and the provisions of the Loan Agreement and any other Loan Documents immediately shall be deemed reformed and the amounts thereafter collectible under the Loan Agreement and any other Loan Documents reduced, without the necessity of the execution of any new documents, so as to comply with any applicable law, but so as to permit the recovery of the fullest amount otherwise payable under the Loan Documents. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all Indebtedness that constitutes interest, as well as all other charges made in connection with the Indebtedness that constitute interest, and any amount paid or agreed to be paid to Lender for the use, forbearance or detention of the Indebtedness, shall be deemed to be allocated and spread ratably over the stated term of the Mortgage Loan. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of the Mortgage Loan.

13. WAIVER OF TRIAL BY JURY.

TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH OF BORROWER AND LENDER (A) AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS NOTE OR THE RELATIONSHIP BETWEEN THE PARTIES AS LENDER AND BORROWER THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN

BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

14. Receipt of Loan Documents.

Borrower acknowledges receipt of a copy of each of the Loan Documents.

15. Incorporation of Schedules.

The schedules, if any, attached to this Note are incorporated fully into this Note by this reference and each constitutes a substantive part of this Note.

16. Defined Terms.

(a) As used hereunder, the term “**Maximum Lawful Rate**” shall mean the maximum lawful rate of interest which may be contracted for, charged, taken, received or reserved by Lender in accordance with the applicable laws of the State of Texas (or applicable United States federal law to the extent that such law permits Lender to contract for, charge, take, receive or reserve a greater amount of interest than under Texas law), taking into account all Charges (as defined below) made in connection with the transaction evidenced by this Note and the other Loan Documents.

(b) As used hereunder, the term “**Charges**” shall mean all fees, charges and/or any other things of value, if any, contracted for, charged, taken, received or reserved by Lender in connection with the transactions relating to this Note and the other Loan Documents, which are treated as interest under applicable law.

17. Procedural Obligations of Borrower.

(a) In addition to the provisions of Section 12 above, Borrower hereby agrees that as a condition precedent to any claim seeking usury penalties against Lender, Borrower will provide written notice to Lender, advising Lender in reasonable detail of the nature and amount of the violation, and Lender shall have sixty (60) days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Borrower or crediting such excess interest against this Note and/or the Indebtedness then owing by Borrower to Lender. All calculations of the rate of interest contracted for, charged, taken, reserved or received by Lender for the use, forbearance or detention of any debt evidenced by this Note and/or any other Loan Documents, that are made for the purpose of determining whether such rate exceeds the Maximum Lawful Rate, shall be made, to the extent permitted by applicable law, by amortizing, prorating, allocating and spreading, using the actuarial method, all interest contracted for, charged, taken, reserved or received by Lender throughout

the full term of this Note and/or any other Loan Documents (including any and all renewal and extension periods).

(b) In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving triparty accounts) apply to this Note and/or any Indebtedness.

(c) Not later than the sixty-first (61st) day before the date Borrower files suit seeking penalties for Lender's violation of the usury law (or not later than the time of Borrower filing a counterclaim in an original action by Lender), Borrower is required to give Lender written notice stating in reasonable detail the nature and amount of the violation. Lender is then entitled to correct such violation within the sixty (60) day period beginning with the date such notice is received. If the usury violation is raised on a counterclaim, Lender can petition the court to abate the proceedings for sixty (60) days to allow Lender to cure the violation. If Lender timely corrects such violation, Lender will not be liable to Borrower for such violation, except to reimburse Borrower for reasonable attorneys' fees in the event the issue is raised by Borrower in a counterclaim. Lender is also not liable to Borrower for a violation of the usury penalty statute if Lender gives written notice to Borrower of Lender's usury violation before Borrower itself gives written notice of the violation or files an action alleging the violation, and provided Lender corrects such violation not later than the sixtieth (60th) day after the date Lender actually discovered the violation that applies to the Note and/or any of the Indebtedness. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Lender to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

18. Ceiling Election.

To the extent that Lender is relying on Chapter 303 of the Texas Finance Code to determine the Maximum Lawful Rate payable on the Note and/or any other portion of the Indebtedness, Lender will utilize the weekly ceiling from time to time in effect as provided in such Chapter 303, as amended. To the extent United States federal law permits Lender to contract for, charge, take, receive or reserve a greater amount of interest than under Texas law, Lender will rely on United States federal law instead of such Chapter 303 for the purpose of determining the Maximum Lawful Rate. Additionally, to the extent permitted by applicable law now or hereafter in effect, Lender may, at its option and from time to time, utilize any other method of establishing the Maximum Lawful Rate under such Chapter 303 or under other applicable law by giving notice, if required, to Borrower as provided by applicable law now or hereafter in effect.

If an Event of Default has occurred and is continuing, Lender shall have the remedies of a secured party under the UCC or otherwise provided at law or in equity, in addition to all remedies provided by this Security Instrument and in any Loan Document. Lender may exercise any or all of its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability or validity of Lender’s other remedies. 3. Assignment of Leases and Rents; Appointment of Receiver; Lender in Possession.

(a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Leases and Rents. It is the intention of Borrower to establish present, absolute and irrevocable transfers and assignments to Lender of all Leases and Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower. Borrower and Lender intend the assignments of Leases and Rents to be effective immediately and to constitute absolute present assignments, and not assignments for additional security only. Only for purposes of giving effect to these absolute assignments of Leases and Rents, and for no other purpose, the Leases and Rents shall not be deemed to be a part of the Mortgaged Property. However, if these present, absolute and unconditional assignments of Leases and Rents are not enforceable by their terms under the laws of the Property Jurisdiction, then each of the Leases and Rents shall be included as part of the Mortgaged Property, and it is the intention of Borrower, in such circumstance, that this Security Instrument create and perfect a lien on each of the Leases and Rents in favor of Lender, which liens shall be effective as of the date of this Security Instrument.

(b) Until an Event of Default has occurred and is continuing, but subject to the limitations set forth in the Loan Documents, Borrower shall have a revocable license to exercise all rights, power and authority granted to Borrower under the Leases (including the right, power and authority to modify the terms of any Lease, extend or terminate any Lease, or enter into new Leases, subject to the limitations set forth in the Loan Documents), and to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender, and to apply all Rents to pay the Monthly Debt Service Payments and the other amounts then due and payable under the other Loan Documents, including Imposition Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities and Impositions (to the extent not included in Imposition Deposits), tenant improvements and other capital expenditures. So long as no Event of Default has occurred and is continuing (and no event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default has occurred and is continuing), the Rents remaining after application pursuant to the preceding sentence may be retained and distributed by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Security Instrument.

(c) If an Event of Default has occurred and is continuing, without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction,

the revocable license granted to Borrower pursuant to Section 3(b) shall automatically terminate, and Lender shall immediately have all rights, powers and authority granted to Borrower under any Lease (including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease) and, without notice, Lender shall be entitled to all Rents as they become due and payable, including Rents then due and unpaid. During the continuance of an Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender, and Borrower shall, upon Borrower's receipt of any Rents from any sources, pay the total amount of such receipts to Lender. Although the foregoing rights of Lender are self-effecting, at any time during the continuance of an Event of Default, Lender may make demand for all Rents, and Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender. No tenant shall be obligated to inquire further as to the occurrence or continuance of an Event of Default, and no tenant shall be obligated to pay to Borrower any amounts that are actually paid to Lender in response to such a notice. Any such notice by Lender shall be delivered to each tenant personally, by mail or by delivering such demand to each rental unit.

(d) If an Event of Default has occurred and is continuing, Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower, and even in the absence of waste, enter upon, take and maintain full control of the Mortgaged Property, and may exclude Borrower and its agents and employees therefrom, in order to perform all acts that Lender, in its discretion, determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents (including through use of a lockbox, at Lender's election), the making of repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing this assignment of Rents, protecting the Mortgaged Property or the security of this Security Instrument and the Mortgage Loan, or for such other purposes as Lender in its discretion may deem necessary or desirable.

(e) Notwithstanding any other right provided Lender under this Security Instrument or any other Loan Document, if an Event of Default has occurred and is continuing, and regardless of the adequacy of Lender's security or Borrower's solvency, and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in Section 3. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Security Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte*, if permitted by applicable law. Borrower consents to shortened time consideration of a motion to appoint a receiver. Lender or the receiver, as applicable, shall be entitled to receive a reasonable fee for managing the Mortgaged Property and such fee shall

become an additional part of the Indebtedness. Immediately upon appointment of a receiver or Lender's entry upon and taking possession and control of the Mortgaged Property, possession of the Mortgaged Property and all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property, and all security deposits and prepaid Rents, shall be surrendered to Lender or the receiver, as applicable. If Lender or receiver takes possession and control of the Mortgaged Property, Lender or receiver may exclude Borrower and its representatives from the Mortgaged Property.

(f) The acceptance by Lender of the assignments of the Leases and Rents pursuant to this Section 3 shall not at any time or in any event obligate Lender to take any action under any Loan Document or to expend any money or to incur any expense. Lender shall not be liable in any way for any injury or damage to person or property sustained by any Person in, on or about the Mortgaged Property. Prior to Lender's actual entry upon and taking possession and control of the Land and Improvements, Lender shall not be:

(1) obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease);

(2) obligated to appear in or defend any action or proceeding relating to any Lease or the Mortgaged Property; or

(3) responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property.

The execution of this Security Instrument shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and shall be that of Borrower, prior to such actual entry and taking possession and control by Lender of the Land and Improvements.

(g) Lender shall be liable to account only to Borrower and only for Rents actually received by Lender. Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property by reason of any act or omission of Lender under this Section 3, and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law, provided that Lender shall not be released from liability that occurs as a result of Lender's gross negligence or willful misconduct as determined by a court of competent jurisdiction pursuant to a final, non-appealable court order. If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes shall be added to, and become a part of, the principal balance of the Indebtedness, be immediately due and payable, and bear interest at the Default Rate from the date of disbursement until fully paid. Any entering upon and taking control of the Mortgaged Property by Lender or the receiver, and any application of Rents as provided in this Security Instrument, shall not cure or waive any Event of Default or

invalidate any other right or remedy of Lender under applicable law or provided for in this Security Instrument or any Loan Document.

4. Protection of Lender's Security.

If Borrower fails to perform any of its obligations under this Security Instrument or any other Loan Document, or any action or proceeding is commenced that purports to affect the Mortgaged Property, Lender's security, rights or interests under this Security Instrument or any Loan Document (including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Environmental Laws, fraudulent conveyance or reorganizations or proceedings involving a debtor or decedent), Lender may, at its option, make such appearances, disburse or pay such sums and take such actions, whether before or after an Event of Default or whether directly or to any receiver for the Mortgaged Property, as Lender reasonably deems necessary to perform such obligations of Borrower and to protect the Mortgaged Property or Lender's security, rights or interests in the Mortgaged Property or the Mortgage Loan, including:

- (a) paying fees and out-of-pocket expenses of attorneys, accountants, inspectors and consultants;
- (b) entering upon the Mortgaged Property to make repairs or secure the Mortgaged Property;
- (c) obtaining (or force-placing) the insurance required by the Loan Documents; and
- (d) paying any amounts required under any of the Loan Documents that Borrower has failed to pay.

Any amounts so disbursed or paid by Lender shall be added to, and become part of, the principal balance of the Indebtedness, be immediately due and payable and bear interest at the Default Rate from the date of disbursement until fully paid. The provisions of this Section 4 shall not be deemed to obligate or require Lender to incur any expense or take any action.

5. Default; Acceleration; Remedies.

(a) If an Event of Default has occurred and is continuing, Lender, at its option, may declare the Indebtedness to be immediately due and payable without further demand, and may either with or without entry or taking possession as herein provided or otherwise, proceed by suit or suits at law or in equity or any other appropriate proceeding or remedy (1) to enforce payment of the Mortgage Loan; (2) to foreclose this Security Instrument judicially or non-judicially by the power of sale granted herein; (3) to enforce or exercise any right under any Loan Document; and (4) to pursue any one (1) or more other remedies provided in this Security Instrument or in any other Loan Document or otherwise afforded by applicable law. Each right and remedy provided

in this Security Instrument or any other Loan Document is distinct from all other rights or remedies under this Security Instrument or any other Loan Document or otherwise afforded by applicable law, and each shall be cumulative and may be exercised concurrently, independently, or successively, in any order. Borrower has the right to bring an action to assert the nonexistence of an Event of Default or any other defense of Borrower to acceleration and sale.

(b) Borrower acknowledges that the power of sale granted in this Security Instrument may be exercised or directed by Lender without prior judicial hearing. In the event Lender invokes the power of sale:

(1) Lender may, by and through the Trustee, or otherwise, sell or offer for sale the Mortgaged Property in such portions, order and parcels as Lender may determine, with or without having first taken possession of the Mortgaged Property, to the highest bidder for cash at public auction. Such sale shall be made at the courthouse door of the county in which all or any part of the Mortgaged Property to be sold is situated (whether the parts or parcel, if any, situated in different counties are contiguous or not, and without the necessity of having any Personalty present at such sale) on the first Tuesday of any month between the hours of 10:00 a.m. and 4:00 p.m., after advertising the time, place and terms of sale and that portion of the Mortgaged Property to be sold by posting or causing to be posted written or printed notice of sale at least twenty-one (21) days before the date of the sale at the courthouse door of the county in which the sale is to be made and at the courthouse door of any other county in which a portion of the Mortgaged Property may be situated, and by filing such notice with the County Clerk(s) of the county(s) in which all or a portion of the Mortgaged Property may be situated, which notice may be posted and filed by the Trustee acting, or by any person acting for the Trustee, and Lender has, at least twenty-one (21) days before the date of the sale, served written or printed notice of the proposed sale by certified mail on each debtor obligated to pay the Indebtedness according to Lender's records by the deposit of such notice, enclosed in a postpaid wrapper, properly addressed to such debtor at debtor's most recent address as shown by Lender's records, in a post office or official depository under the care and custody of the United States Postal Service. The affidavit of any person having knowledge of the facts to the effect that such service was completed shall be prima facie evidence of the fact of service;

(2) Trustee shall deliver to the purchaser at the sale, within a reasonable time after the sale, a deed conveying the Mortgaged Property so sold in fee simple with covenants of general warranty. Borrower covenants and agrees to defend generally the purchaser's title to the Mortgaged Property against all claims and demands. The recitals in Trustee's deed shall be prima facie evidence of the truth of the statements contained in those recitals;

(3) Trustee shall be entitled to receive fees and expenses from such sale not to exceed the amount permitted by applicable law; and

(4) Lender shall have the right to become the purchaser at any sale made under or by virtue of this Security Instrument and Lender so purchasing at any such sale shall have the right to be credited upon the amount of the bid made therefor by Lender with the amount payable to Lender out of the net proceeds of such sale. In the event of any such sale, the outstanding principal amount of the Mortgage Loan and the other Indebtedness, if not previously due, shall be and become immediately due and payable without demand or notice of any kind. If the Mortgaged Property is sold for an amount less than the amount outstanding under the Indebtedness, the deficiency shall be determined by the purchase price at the sale or sales. Borrower waives all rights, claims, and defenses with respect to Lender's ability to obtain a deficiency judgment.

(c) Borrower acknowledges and agrees that the proceeds of any sale shall be applied as determined by Lender unless otherwise required by applicable law.

(d) In connection with the exercise of Lender's rights and remedies under this Security Instrument and any other Loan Document, there shall be allowed and included as Indebtedness: (1) all expenditures and expenses authorized by applicable law and all other expenditures and expenses which may be paid or incurred by or on behalf of Lender for reasonable legal fees, appraisal fees, outlays for documentary and expert evidence, stenographic charges and publication costs; (2) all expenses of any environmental site assessments, environmental audits, environmental remediation costs, appraisals, surveys, engineering studies, wetlands delineations, flood plain studies, and any other similar testing or investigation deemed necessary or advisable by Lender incurred in preparation for, contemplation of or in connection with the exercise of Lender's rights and remedies under the Loan Documents; and (3) costs (which may be reasonably estimated as to items to be expended in connection with the exercise of Lender's rights and remedies under the Loan Documents) of procuring all abstracts of title, title searches and examinations, title insurance policies, and similar data and assurance with respect to title as Lender may deem reasonably necessary either to prosecute any suit or to evidence the true conditions of the title to or the value of the Mortgaged Property to bidders at any sale which may be held in connection with the exercise of Lender's rights and remedies under the Loan Documents. All expenditures and expenses of the nature mentioned in this Section 5, and such other expenses and fees as may be incurred in the protection of the Mortgaged Property and rents and income therefrom and the maintenance of the lien of this Security Instrument, including the fees of any attorney employed by Lender in any litigation or proceedings affecting this Security Instrument, the Note, the other Loan Documents, or the Mortgaged Property, including bankruptcy proceedings, any Foreclosure Event, or in preparation of the commencement or defense of any proceedings or threatened suit or proceeding, or otherwise in dealing specifically therewith, shall be so much additional Indebtedness and shall be immediately due and payable by Borrower, with interest thereon at the Default Rate until paid.

(e) If all or any part of the Mortgaged Property is sold pursuant to this Section 5, Borrower will be divested of any and all interest and claim to the Mortgaged Property, including any interest or claim to all insurance policies, utility deposits, bonds, loan commitments and other

intangible property included as a part of the Mortgaged Property. Additionally, after a sale of all or any part of the Land, Improvements, Fixtures and Personalty, Borrower will be considered a tenant at sufferance of the purchaser of the same, and the purchaser shall be entitled to immediate possession of such property. If Borrower shall fail to vacate the Mortgaged Property immediately, the purchaser may and shall have the right, without further notice to Borrower, to go into any justice court in any precinct or county in which the Mortgaged Property is located and file an action in forcible entry and detainer, which action shall lie against Borrower or its assigns or legal representatives, as a tenant at sufferance. This remedy is cumulative of any and all remedies the purchaser may have under this Security Instrument or otherwise.

(f) In any action for a deficiency after a foreclosure under this Security Instrument, if any person against whom recovery is sought requests the court in which the action is pending to determine the fair market value of the Mortgaged Property, as of the date of the foreclosure sale, the following shall be the basis of the court's determination of fair market value; provided that Borrower and any guarantor hereby waive any rights to contest the amount of the deficiency claim afforded to Borrower and such guarantor under Tex. Prop. Code Sections 51.003; 51.004 and 51.005; in the event the waiver of such provision is held invalid, that the valuation method as currently set forth below shall be used;

(1) the Mortgaged Property shall be valued "as is" and in its condition as of the date of foreclosure, and no assumption of increased value because of post-foreclosure repairs, refurbishment, restorations or improvements shall be made;

(2) any adverse effect on the marketability of title because of the foreclosure or because of any other title condition not existing as of the date of this Security Instrument shall be considered;

(3) the valuation of the Mortgaged Property shall be based upon an assumption that the foreclosure purchaser desires a prompt resale of the Mortgaged Property for cash within a six (6) month period after foreclosure;

(4) although the Mortgaged Property may be disposed of more quickly by the foreclosure purchaser, the gross valuation of the Mortgaged Property as of the date of foreclosure shall be discounted for a hypothetical reasonable holding period (not to exceed six (6) months) at a monthly rate equal to the average monthly interest rate on the Note for the twelve (12) months before the date of foreclosure;

(5) the gross valuation of the Mortgaged Property as of the date of foreclosure shall be further discounted and reduced by reasonable estimated costs of disposition, including brokerage commissions, title policy premiums, environmental assessment and clean-up costs, tax and assessment, prorations, costs to comply with legal requirements, and attorneys' fees;

(6) expert opinion testimony shall be considered only from a licensed appraiser certified by the State of Texas and, to the extent permitted under Texas law, a member of the Appraisal Institute, having at least five (5) years' experience in appraising property similar to the Mortgaged Property in the county where the Mortgaged Property is located, and who has conducted and prepared a complete written appraisal of the Mortgaged Property taking into considerations the factors set forth in this Security Instrument; no expert opinion testimony shall be considered without such written appraisal;

(7) evidence of comparable sales shall be considered only if also included in the expert opinion testimony and written appraisal referred to in the preceding paragraph; and

(8) an affidavit executed by Lender to the effect that the foreclosure bid accepted by Trustee was equal to or greater than the value of the Mortgaged Property determined by Lender based upon the factors and methods set forth in subparagraphs (1) through (7) above before the foreclosure shall constitute prima facie evidence that the foreclosure bid was equal to or greater than the fair market value of the Mortgaged Property on the foreclosure date.

(g) Lender may, at Lender's option, comply with these provisions in the manner permitted or required by Title 5, Section 51.002 of the Texas Property Code (relating to the sale of real estate) or by Chapter 9 of the Texas Business and Commerce Code (relating to the sale of collateral after default by a debtor), as those titles and chapters now exist or may be amended or succeeded in the future, or by any other present or future articles or enactments relating to same subject. Unless expressly excluded, the Mortgaged Property shall include Rents collected before a foreclosure sale, but attributable to the period following the foreclosure sale, and Borrower shall pay such Rents to the purchaser at such sale. At any such sale:

(1) whether made under the power contained in this Security Instrument, Section 51.002, the Texas Business and Commerce Code, any other legal requirement or by virtue of any judicial proceedings or any other legal right, remedy or recourse, it shall not be necessary for Trustee to have physically present, or to have constructive possession of, the Mortgaged Property (Borrower shall deliver to Trustee any portion of the Mortgaged Property not actually or constructively possessed by Trustee immediately upon demand by Trustee) and the title to and right of possession of any such Mortgaged Property shall pass to the purchaser as completely as if the Mortgaged Property had been actually present and delivered to the purchaser at the sale;

(2) each instrument of conveyance executed by Trustee shall contain a general warranty of title, binding upon Borrower;

(3) the recitals contained in any instrument of conveyance made by Trustee shall conclusively establish the truth and accuracy of the matters recited in the Instrument, including nonpayment of the Indebtedness and the advertisement and conduct of the sale in the manner provided in this Security Instrument and otherwise by law and the appointment of any successor Trustee;

(4) all prerequisites to the validity of the sale shall be conclusively presumed to have been satisfied;

(5) the receipt of Trustee or of such other party or officer making the sale shall be sufficient to discharge to the purchaser or purchasers for such purchaser(s)' purchase money, and no such purchaser or purchasers, or such purchaser(s)' assigns or personal representatives, shall thereafter be obligated to see to the application of such purchase money or be in any way answerable for any loss, misapplication or nonapplication of such purchase money; and

(6) to the fullest extent permitted by law, Borrower shall be completely and irrevocably divested of all of Borrower's right, title, interest, claim and demand whatsoever, either at law or in equity, in and to the Mortgaged Property sold, and such sale shall be a perpetual bar to any claim to all or any part of the Mortgaged Property sold, both at law and in equity, against Borrower and against any person claiming by, through or under Borrower.

(h) Any action taken by Trustee or Lender pursuant to the provisions of this Section 5 shall comply with the laws of the Property Jurisdiction. Such applicable laws shall take precedence over the provisions of this Section 5, but shall not invalidate or render unenforceable any other provision of any Loan Document that can be construed in a manner consistent with any applicable law. If any provision of this Security Instrument shall grant to Lender (including Lender acting as a mortgagee-in-possession), Trustee or a receiver appointed pursuant to the provisions of this Security Instrument any powers, rights or remedies prior to, upon, during the continuance of or following an Event of Default that are more limited than the powers, rights, or remedies that would otherwise be vested in such party under any applicable law in the absence of said provision, such party shall be vested with the powers, rights, and remedies granted in such applicable law to the full extent permitted by law.

6. Waiver of Statute of Limitations and Marshaling.

Borrower hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Security Instrument or to any action brought to enforce any Loan Document. Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Mortgaged Property shall be subjected to the remedies provided in this

Security Instrument and/or any other Loan Document or by applicable law. Lender shall have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies. Borrower, for itself and all who may claim by, through, or under it, and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Security Instrument waives any and all right to require the marshaling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels (at the same time or different times) in connection with the exercise of any of the remedies provided in this Security Instrument or any other Loan Document, or afforded by applicable law.

7. Waiver of Redemption; Rights of Tenants.

(a) Borrower hereby covenants and agrees that it will not at any time apply for, insist upon, plead, avail itself, or in any manner claim or take any advantage of, any appraisal, stay, exemption or extension law or any so-called "Moratorium Law" now or at any time hereafter enacted or in force in order to prevent or hinder the enforcement or foreclosure of this Security Instrument. Without limiting the foregoing:

(1) Borrower for itself and all Persons who may claim by, through, or under Borrower, hereby expressly waives any so-called "Moratorium Law" and any and all rights of reinstatement and redemption, if any, under any order or decree of foreclosure of this Security Instrument, it being the intent hereof that any and all such "Moratorium Laws," and all rights of reinstatement and redemption of Borrower and of all other Persons claiming by, through, or under Borrower are and shall be deemed to be hereby waived to the fullest extent permitted by applicable law;

(2) Borrower shall not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any right, power remedy herein or otherwise granted or delegated to Lender but will suffer and permit the execution of every such right, power and remedy as though no such law or laws had been made or enacted; and

(3) if Borrower is a trust, Borrower represents that the provisions of this Section 7 (including the waiver of reinstatement and redemption rights) were made at the express direction of Borrower's beneficiaries and the persons having the power of direction over Borrower, and are made on behalf of the trust estate of Borrower and all beneficiaries of Borrower, as well as all other persons mentioned above.

(b) Lender shall have the right to foreclose subject to the rights of any tenant or tenants of the Mortgaged Property having an interest in the Mortgaged Property prior to that of Lender. The failure to join any such tenant or tenants of the Mortgaged Property as party defendant or defendants in any such civil action or the failure of any decree of foreclosure and sale to foreclose their rights shall not be asserted by Borrower as a defense in any civil action instituted to collect

the Indebtedness, or any part thereof or any deficiency remaining unpaid after foreclosure and sale of the Mortgaged Property, any statute or rule of law at any time existing to the contrary notwithstanding.

8. Notice.

(a) All notices under this Security Instrument shall be:

(1) in writing, and shall be (A) delivered, in person, (B) mailed, postage prepaid, either by registered or certified delivery, return receipt requested, or (C) sent by overnight express courier;

(2) addressed to the intended recipient at its respective address set forth at the end of this Security Instrument; and

(3) deemed given on the earlier to occur of:

(A) the date when the notice is received by the addressee; or

(B) if the recipient refuses or rejects delivery, the date on which the notice is so refused or rejected, as conclusively established by the records of the United States Postal Service or such express courier service.

(b) Any party to this Security Instrument may change the address to which notices intended for it are to be directed by means of notice given to the other party in accordance with this Section 8.

(c) Any required notice under this Security Instrument which does not specify how notices are to be given shall be given in accordance with this Section 8.

9. Mortgagee-in-Possession.

Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred in this Security Instrument shall not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

10. Release.

Upon payment in full of the Indebtedness, Lender shall cause the release of this Security Instrument and Borrower shall pay Lender's costs incurred in connection with such release.

11. Trustee.

(a) Trustee may resign by giving of notice of such resignation in writing to Lender. If Trustee shall die, resign or become disqualified from acting under this Security Instrument or shall fail or refuse to act in accordance with this Security Instrument when requested by Lender or if for any reason and without cause Lender shall prefer to appoint a substitute trustee to act instead of the original Trustee named in this Security Instrument or any prior successor or substitute trustee, Lender shall have full power to appoint a substitute trustee and, if preferred, several substitute trustees in succession who shall succeed to all the estate, rights, powers and duties of the original Trustee named in this Security Instrument. Such appointment may be executed by an authorized officer, agent or attorney-in-fact of Lender (whether acting pursuant to a power of attorney or otherwise), and such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by Lender.

(b) Any successor Trustee appointed pursuant to this Section 11 shall, without any further act, deed or conveyance, become vested with all the estates, properties, rights, powers and trusts of the predecessor Trustee with like effect as if originally named as Trustee in this Security Instrument; but, nevertheless, upon the written request of Lender or such successor Trustee, the Trustee ceasing to act shall execute and deliver an instrument transferring to such successor Trustee, all the estates, properties, rights, powers and trusts of the Trustee so ceasing to act, and shall duly assign, transfer and deliver any of the Mortgaged Property and monies held by the Trustee ceasing to act to the successor Trustee.

(c) Trustee may authorize one (1) or more parties to act on Trustee's behalf to perform the ministerial functions required of Trustee under this Security Instrument, including the transmittal and posting of any notices.

12. No Fiduciary Duty.

Lender owes no fiduciary or other special duty to Borrower.

13. Additional Provisions Regarding Assignment of Leases and Rents.

In no event shall the assignment of Rents or Leases in Section 3 cause the Indebtedness to be reduced by an amount greater than the Rents actually received by Lender and applied by Lender to the Indebtedness, whether before, during or after (a) an Event of Default, or (b) a suspension or revocation of the license granted to Borrower in Section 3 with regard to the Rents. Borrower and Lender specifically intend that the assignment of Rents and Leases in Section 3 is not intended to result in a pro tanto reduction of the Indebtedness. The assignment of Rents and Leases in Section 3 is not intended to constitute a payment of, or with respect to, the Indebtedness and, therefore, Borrower and Lender specifically intend that the Indebtedness shall not be reduced by the value of the Rents and Leases assigned. Such reduction shall occur only if, and to the extent

that, Lender actually receives Rents pursuant to Section 3 and applies such Rents to the Indebtedness. Borrower agrees that the value of the license granted with regard to the Rents equals the value of the absolute assignment of Rents to Lender. The assignment of Rents contained in Section 3 shall terminate upon the release of this Security Instrument.

14. Loan Charges.

Borrower agrees to pay an effective rate of interest equal to the sum of the Interest Rate and any additional rate of interest resulting from any other charges of interest or in the nature of interest paid or to be paid in connection with the Mortgage Loan and any other fees or amounts to be paid by Borrower pursuant to any of the other Loan Documents. Neither this Security Instrument, the Note, the Loan Agreement, nor any of the other Loan Documents shall be construed to create a contract for the use, forbearance or detention of money requiring payment of interest at a rate greater than the maximum interest rate permitted to be charged under applicable law. It is expressly stipulated and agreed to be the intent of Borrower and Lender at all times to comply with all applicable laws governing the maximum rate or amount of interest payable on the indebtedness evidenced by this Security Instrument, the Note and the other Loan Documents. If any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower is interpreted so that any interest or other charge or amount provided for in any Loan Document, whether considered separately or together with other charges or amounts provided for in any other Loan Document, or otherwise charged, taken, reserved or received in connection with the Mortgage Loan, or on acceleration of the maturity of the Mortgage Loan or as a result of any prepayment by Borrower or otherwise, violates that law, and Borrower is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate any such violation. Amounts, if any, previously paid to Lender in excess of the permitted amounts shall be applied by Lender to reduce the unpaid principal balance of the Mortgage Loan without the payment of any Prepayment Premium (or, if the Mortgage Loan has been or would thereby be paid in full, shall be refunded to Borrower), and the provisions of the Loan Agreement and any other Loan Documents immediately shall be deemed reformed and the amounts thereafter collectible under the Loan Agreement and any other Loan Documents reduced, without the necessity of the execution of any new documents, so as to comply with any applicable law, but so as to permit the recovery of the fullest amount otherwise payable under the Loan Documents. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all Indebtedness that constitutes interest, as well as all other charges made in connection with the Indebtedness that constitute interest, and any amount paid or agreed to be paid to Lender for the use, forbearance or detention of the Indebtedness, shall be deemed to be allocated and spread ratably over the stated term of the Mortgage Loan. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of the Mortgage Loan.

15. ENTIRE AGREEMENT.

THIS SECURITY INSTRUMENT, THE NOTE, THE LOAN AGREEMENT, AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

16. Governing Law; Consent to Jurisdiction and Venue.

This Security Instrument shall be governed by the laws of the Property Jurisdiction without giving effect to any choice of law provisions thereof that would result in the application of the laws of another jurisdiction. Borrower agrees that any controversy arising under or in relation to this Security Instrument shall be litigated exclusively in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction shall have exclusive jurisdiction over all controversies that arise under or in relation to any security for the Indebtedness. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise.

17. Texas Specific Provisions.

4. The following section is hereby added to the Security Instrument as Section 23 (Ground Lease Provisions):

23. Ground Lease Provisions.

(a) Representations and Warranties Regarding Ground Lease.

Borrower warrants and represents to Lender that, as of the Effective Date:

(1) the Ground Lease is in full force and effect in accordance with its terms, unmodified by any writing or otherwise, except as previously disclosed to Lender in writing;

(2) Borrower has not waived, canceled or surrendered any of its rights under the Ground Lease;

(3) Borrower is the sole owner of, and has good and marketable title to, the Leasehold Estate;

(4) Borrower enjoys the quiet and peaceful possession of the Leasehold Estate, and there are, as of the date hereof, no defenses to Borrower's enforcement of its rights under the Ground Lease;

(5) the Leasehold Estate is free and clear of all liens, encumbrances and other matters affecting title, other than the lien of the Security Instrument and the easements and restrictions listed in a schedule of exceptions to coverage in the title insurance policy issued to Lender contemporaneously with the execution and recordation of the Security Instrument and insuring Lender's interest in the Mortgaged Property, including the Leasehold Estate;

(6) there is no existing Ground Lessee Default and no event has occurred which, with the passage of time or the giving of notice, or both, would constitute a Ground Lessee Default; and

(7) to the best of Borrower's knowledge, there is no existing Ground Lessor Default and no event has occurred which, with the passage of time or the giving of notice, or both, would constitute a Ground Lessor Default.

(b) Affirmative Covenants Regarding Ground Lease.

Borrower shall:

(1) pay the Ground Rent and all other sums of money due and payable at any time and from time to time under the Ground Lease as and when such sums become due and payable, but in any event before the expiration of any grace period provided in the Ground Lease for the payment of any such sum;

(2) at all times promptly and fully perform, observe and comply with all other terms, covenants and conditions of the Ground Lease to be performed, observed or complied with by Borrower as lessee under the Ground Lease, at the times for performance set forth therein, with allowance for grace periods, if any, and will enforce the obligations of Ground Lessor under the Ground Lease to the end that Borrower may enjoy all of the material rights granted it under the Ground Lease; and

(3) notify Lender if Borrower or Ground Lessor initiates any appraisal, arbitration, litigation or other dispute resolution proceeding affecting the Ground Lease, and allow Lender to participate in such proceeding on Borrower's behalf, in Borrower's name, place and stead, or to exercise any or all of Borrower's rights in such proceeding.

If the Ground Lease does not provide for a grace period for the payment of a sum of money, Borrower shall make the payment on or before the date on which the payment becomes due and payable. Borrower shall deliver evidence of the payment to Lender within ten (10) days after receipt of a written request from Lender for evidence of the payment.

(c) Negative Covenants Regarding Ground Lease.

Borrower shall not, without the written consent of Lender (which may be given or withheld by Lender in its sole and absolute discretion):

(1) surrender the Leasehold Estate to Ground Lessor or terminate or cancel the Ground Lease;

(2) amend, modify or change the Ground Lease, either orally or in writing, or waive any of Borrower's rights under the Ground Lease;

(3) subordinate the Ground Lease or the Leasehold Estate to any mortgage, deed of trust or other lien on the Fee Estate;

(4) except as otherwise provided in Section 23(d) (Ground Lease Provisions – Ground Lessee's Bankruptcy Event) of this Security Instrument, reject or assume the Ground Lease or assign the Leasehold Estate pursuant to any Insolvency Laws. Borrower absolutely and unconditionally transfers and assigns to Lender all of Borrower's rights to surrender, terminate, cancel, modify and change the Ground Lease, and any such surrender, termination, cancellation, modification or change made without the prior written consent of Lender shall be void and have no legal effect; or

(5) acquire the Fee Estate.

(d) Ground Lessee's Bankruptcy Event.

(1) Borrower assigns to Lender, as additional security for the Indebtedness, Borrower's right to reject the Ground Lease under the Insolvency Laws after the occurrence of a Bankruptcy Event, subject to Section 23(d)(2) (Ground Lease Provisions – Ground Lessee's Bankruptcy Event) of this Security Instrument.

(2) If, after the occurrence of a Bankruptcy Event, Borrower decides to reject the Ground Lease, Borrower shall give Lender written notice, at least ten (10) Business Days in advance, of the date on which Borrower intends to apply to any bankruptcy court for authority and permission to reject the Ground Lease. Lender shall have the right, but not the obligation, within ten (10) days after receipt of Borrower's notice, to deliver a Lender's Assumption Notice. If Lender timely delivers Lender's Assumption Notice to Borrower, Borrower shall not reject the Ground Lease and shall, within fifteen (15) days after receipt of Lender's notice, comply with the demand contained in Lender's Assumption Notice. If Lender does not timely deliver Lender's Assumption Notice to Borrower, Borrower shall have the right to reject the Ground Lease.

(e) Ground Lessor's Bankruptcy Event.

(1) If, after the occurrence of a Ground Lessor Bankruptcy Event, Ground Lessor rejects the Ground Lease pursuant to the Insolvency Laws, (A) Borrower, immediately after obtaining notice of the rejection, shall deliver a copy of the notice to Lender, (B) Borrower shall not, without Lender's prior written consent (which may be given or withheld in Lender's discretion), elect to treat the Ground Lease as terminated pursuant to the applicable Insolvency Laws, and (C) this Security Instrument and the lien created by this Security Instrument shall extend to and encumber Borrower's retained rights under the Ground Lease that are appurtenant to the Leasehold Estate for the balance of the term of the Ground Lease and for any renewal or extension of those rights under the Ground Lease. Borrower transfers and assigns to Lender, as additional security for the Indebtedness, Borrower's rights, after Ground Lessor's rejection of the Ground Lease, to treat the Ground Lease as terminated, and any termination of the Ground Lease made by Borrower without Lender's prior written consent shall be void and have no legal effect.

(2) Borrower transfers and assigns to Lender, as additional security for the Indebtedness, all of Borrower's rights to damages caused by Ground Lessor's rejection of the Ground Lease after the occurrence of a Ground Lessor Bankruptcy Event and all of Borrower's rights to offset such damages against rent payable under the Ground Lease. As long as no Event

of Default has occurred and is continuing, Lender agrees that it will not enforce its rights under the preceding sentence, but will permit Borrower to exercise such rights with Lender's prior written consent. Any amounts received by Lender as damages arising out of Ground Lessor's rejection of the Ground Lease shall be applied in the manner set forth in Section 2.02(f) of the Loan Agreement (Application of Payments).

(f) Lender's Right to Cure Ground Lessee Defaults.

At any time after Lender receives notice of a Ground Lessee Default, (1) Lender may (but shall not be obligated to do so), make any payment, perform any obligation, and take any other action Borrower would have the right to pay, perform or take under the Ground Lease which Lender deems necessary or desirable to cure the Ground Lessee Default, and (2) Lender and its authorized agents shall have the right at any time or from time to time to enter the Mortgaged Property, or any part thereof, including the Leasehold Estate, to such extent and as often as Lender, in its discretion, deems necessary or desirable in order to cure the Ground Lessee Default, subject to the rights of the tenants and occupants of the Mortgaged Property. Lender may exercise its rights hereunder immediately after receipt of notice of a Ground Lessee Default and without regard to any grace period provided to Borrower in the Ground Lease to cure the Ground Lessee Default. For purposes of exercising its rights hereunder, Lender shall be fully protected for any action taken or omitted to be taken by Lender, in good faith, in reliance on any written notice from Ground Lessor stating that a Ground Lessee Default has occurred and is continuing even though Borrower may question or deny the existence or nature of the Ground Lessee Default. All expenditures made by Lender hereunder to cure a Ground Lessee Default shall become an additional part of the Indebtedness.

(g) Option To Renew Or Extend Ground Lease.

Borrower shall give Lender written notice of Borrower's intention to exercise each option to renew or extend the term of the Ground Lease at least ninety (90) days, but not more than one hundred fifty (150) days, before the last day on which the option may be timely exercised. If Borrower intends to renew or extend the term of the Ground Lease, it shall deliver to Lender, together with the notice of such decision, a copy of the notice of renewal or extension it delivers to Ground Lessor. If Borrower does not intend to renew or extend the term of the Ground Lease or, if Borrower fails to deliver its written notice of exercise of its option to renew or extend the term of the Ground Lease at least ninety (90) days before the last day on which the option may be timely exercised, Lender shall have the right, but shall not be obligated, to renew or extend the term of the Ground Lease for and on behalf of Borrower.

(h) No Merger of Estates.

If Borrower acquires the Fee Estate, (1) there shall be no merger between the Fee Estate and the Leasehold Estate unless all persons, including Lender, having an interest in the Ground Lease consent in writing to the merger, and (2) simultaneously with Borrower's acquisition of the Fee Estate, the lien of this Security Instrument shall automatically, without the necessity of any further conveyance, be spread to cover the Fee Estate and as so spread shall be prior to the lien of any mortgage, deed of trust or other lien placed on the Fee Estate after the date of this Security Instrument. Promptly after Borrower's acquisition of the Fee Estate, Borrower, at its sole cost and expense, including payment of Lender's attorneys' fees and out-of-pocket disbursements, shall execute and deliver all documents and instruments necessary to subject the Fee Estate to the lien of this Security Instrument, and shall provide to Lender a title insurance policy insuring the lien of this Security Instrument as a first lien on the Fee Estate and the Leasehold Estate. If Lender acquires the Fee Estate and the Leasehold Estate (whether pursuant to the provisions of the Ground Lease, by foreclosure of this Security Instrument, or otherwise), the Fee Estate and the Leasehold Estate shall not merge as a result of such acquisition and shall remain separate and distinct for all purposes after such acquisition unless and until Lender shall elect to merge the Fee Estate and the Leasehold Estate.

(i) Ground Lessor Joinder.

- (1) By its execution and delivery of this Instrument, Ground Lessor joins in this Instrument with the same intent and consequence as if Ground Lessor were originally a party to this Instrument, for the purpose of imposing the lien of this Instrument on the Fee Estate, and acknowledging the agreements, covenants and obligations set forth in this Instrument are applicable to Ground Lessor. All leasehold mortgagee protection provisions set forth in the Ground Lease, and all other provisions inuring to the benefit of leasehold mortgagees or their successors or assigns contained in the Ground Lease, and any representations, warranties and certifications set forth in the Multifamily Ground Lessor's Estoppel Certificate delivered by Ground Lessor in connection with the Loan, are incorporated into this Instrument by reference and are restated and confirmed by Ground Lessor for the benefit of Lender.
- (2) Ground Lessor represents to Lender that it has the power, authority and right to execute this Instrument as an accommodation grantor, and to deed, grant, convey and assign to, as applicable, Lender or Trustee, in trust, a security interest in Ground Lessor's right, title and interest in the Mortgaged Property pursuant to the terms of this Instrument and to keep and observe all of the terms of this Instrument to be performed by Ground Lessor under

this Instrument. Ground Lessor further represents that Ground Lessor possesses an unencumbered fee simple absolute estate in the Land and that it owns the Land and, to the extent not owned in fee by Borrower, the Improvements, free and clear of all liens, encumbrances and charges except for those otherwise approved by Lender. Ground Lessor will forever warrant, defend and preserve the title, validity and priority of the lien of this Instrument and defend the same to Lender against the claims of all persons. Ground Lessor agrees that Ground Lessor will not, without the prior written consent of Lender, cause or agree to a transfer of or all or any part of the Mortgaged Property or any interest in the Mortgaged Property, or permit a transfer of all or any portion of the Mortgaged Property.

- (3) Ground Lessor acknowledges all of the following:
 - (i) Lender has not made any representations or warranties to Ground Lessor with respect to the creditworthiness of Borrower or the prospects of repayment of the Indebtedness.
 - (ii) Ground Lessor assumes full responsibility for keeping informed with respect to Borrower's business operations, if any, and financial condition to the extent Ground Lessor wishes to do so.
 - (iii) Lender will have no duty to disclose or report to Ground Lessor any information now or later known to Lender with respect to Borrower, including any information relating to any of Borrower's business operations or financial condition.
- (4) At any time after Ground Lessor receives notice of an Event of Default under any of the Loan Documents from Lender, Ground Lessor has the right (but will not be obligated) to make any payment, perform any obligation and take any other action that Borrower would have the right to pay, perform or take under this Instrument which Ground Lessor deems necessary or desirable to cure the Event of Default.

SECTION 2.2. Warranty of Title. Grantor warrants that (a) it is the lawful owner of a leasehold interest in the Land pursuant to the Ground Lease and all of the Mortgaged Property; (b) the Mortgaged Property is free and clear of all deeds of trust, deeds to secure debt, mortgages, liens, charges and encumbrances whatsoever except for the Permitted Encumbrances; (c) except as provided in Section 4.1 hereof, Grantor has not heretofore assigned the Rents; (d) it will maintain and preserve the lien and priority of this Deed of Trust until the Indebtedness has been paid in full and all other obligations owing to Grantee by Grantor in connection with the Loan have been satisfied; (e) it has good right and lawful authority to mortgage and assign the Mortgaged Property as provided in and by this Deed of Trust; and (f) except for the Permitted Encumbrances, it will warrant and defend the same against any and all claims and demands whatsoever.

SECTION 2.4. To Pay Impositions. Grantor will pay or cause to be paid as and when due and payable all Impositions levied upon the Mortgaged Property or any part thereof and, within fifteen (15) days after the payment thereof, will deliver to Grantee receipts evidencing the payment or bonding of all such Impositions. Notwithstanding the foregoing, if by law, any Imposition may at the option of the taxpayer be paid in installments (whether or not interest shall accrue on the unpaid balance thereof), Grantor shall have the right, provided that no Event of Default shall then exist under this Deed of Trust or any other of the Financing Documents, to exercise such option and to cause to be paid or to pay the same (and any accrued interest on the unpaid balance of such Imposition) in installments, as they fall due, and before any fine, penalty, further interest or cost may be added thereto.

The Improvements shall not be removed or demolished (except for tenant improvements), without the prior written consent of Grantee. The Equipment and Furnishings shall not be removed without the prior written consent of the Grantee, except where appropriate replacements free of superior title, liens or claims are immediately made having a value at least equal to the value of the items removed. Grantee and its authorized employees and agents, may enter and inspect the Mortgaged Property at any time upon advance

notice during usual business hours, and Grantor shall, within fifteen (15) business days after demand by Grantee (or immediately upon demand in case of emergency), commence such repairs, replacements, renewals or additions, or perform such items of maintenance, to the Mortgaged Property as the Grantee may, in its sole reasonable discretion, require in order to cause the Mortgaged Property to comply with the above standards, shall diligently make the same and shall complete the same as promptly as practicable.

SECTION 2.8. After-Acquired Property. All right, title and interest of Grantor in and to all improvements, betterments, renewals, substitutes and replacements of, and all additions, accessions and appurtenances to, the Mortgaged Property hereafter acquired, constructed, assembled or placed by Grantor on the Land, and all conversions of the security constituted thereby, immediately upon such acquisition, construction, assembly, placement or conversion, as the case may be, and in each such case without any further mortgage, conveyance or assignment or other act of Grantor, shall become subject to the lien of this Deed of Trust as fully and completely, and with the same effect, as though now owned by Grantor and specifically described in the Granting Clauses hereof, but at any time and at all times Grantor, on demand, will execute, acknowledge and deliver to Grantee any and all such further assurances, mortgages, conveyances or assignments thereof as Grantee may require in its sole discretion for the purpose of expressly and specifically subjecting the same to the liens and security interests of this Deed of Trust.

SECTION 2.9. Further Assurances. Grantor shall, at its sole cost and without expense to Grantee, on demand, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, mortgages, assignments, notices of assignment, transfers and assurances as Grantee shall from time to time require in its sole discretion for better assuring, conveying, assigning, transferring, confirming and perfecting unto Grantee the property and rights hereby conveyed, mortgaged or assigned or intended now or hereafter so to be, or which Grantor may be or may hereafter become bound to convey, mortgage or assign to Grantee, or for carrying out the intention or facilitating the performance of the terms of this Deed of Trust, or for filing, registering or recording this Deed of Trust; provided that in no event shall any such further act increase or expand the liability of the Grantor.

SECTION 2.10. Status of Grantor. Grantor shall not without the prior written consent of Grantee: (a) change its name; (b) change its state of organization through dissolution, merger, transfer of assets or otherwise; or (c) change its type of organization through conversion, reorganization or otherwise.

SECTION 2.11. Recorded Instruments. Grantor will promptly perform and observe, or cause to be performed and observed, all of the terms, covenants and conditions of all instruments of record affecting the Mortgaged Property. Grantor shall do or cause to be done all things required to preserve intact and unimpaired and to renew any and all rights-of-way, easements, grants, appurtenances, privileges, licenses, franchises and other interests and rights in favor of or constituting any portion of the Mortgaged Property. Other than Permitted Encumbrances, Grantor will not, without the prior written consent of the Grantee, initiate, join in or consent to any private restrictive covenant or other public or private restriction as to the use of the Mortgaged Property other than the Extended Low-Income Housing Commitment described in Section 8.6 hereof. Grantor shall, however, and shall cause all Space Tenants to, comply with all lawful restrictive covenants and zoning ordinances and other public or private restrictions affecting the Mortgaged

Property and other laws and ordinances of any Governmental Authority affecting the Mortgaged Property.

SECTION 2.12. Environmental Provisions. Grantor hereby represents, warrants and covenants that:

2.12.1. Except as set forth in the Phase I request prepared by Partner Engineering and Science, Inc. and dated _____, 20__, (a) no condition, activity or conduct exists on or in connection with the Mortgaged Property which constitutes a violation of any Environmental Laws; (b) there has been no Spill or Threat of Spill of any Hazardous Substances on, upon, into or from the Mortgaged Property nor, to Grantor's knowledge, a Spill which, through soil or groundwater migration, could reasonably be expected to come to be located on the Mortgaged Property; (c) there are no existing or closed underground or aboveground storage tanks on the Mortgaged Property; (d) there are no existing or closed sanitary landfills, solid waste disposal sites, or hazardous waste treatment, storage or disposal facilities on or affecting the Land; (e) no notice has been issued to Grantor by any agency, authority, or unit of government that Grantor has been identified as a potentially responsible party under any Environmental Laws; (f) no portion of the Mortgaged Property constitutes an Environmentally Sensitive Area; (g) there exists no investigation, action, proceeding, or claim by any Governmental Authority or by any third party which could result in any liability, penalty, sanction, or judgment under any Environmental Laws with respect to any condition, use or operation of the Mortgaged Property; (h) there has been no claim by any party that any use, operation, or condition of the Mortgaged Property has caused any nuisance or any other liability or adverse condition on any other property; and (i) Grantor need not obtain any permit or approval for any part of the Development and need not notify any federal, state or local governmental authority having jurisdiction of the Development regarding any part of the Development pursuant to any Environmental Laws.

2.12.2. Grantor shall: (a) comply with and cause all activities at the Mortgaged Property to comply with all Environmental Laws; (b) not store or dispose of (except in compliance with all Environmental Laws pertaining thereto), nor Spill or allow the Spill of any Hazardous Substances on the Property; (c) neither directly nor indirectly transport or arrange for the transport of any Hazardous Substances (except in compliance with all Environmental Laws pertaining thereto); (d) neither install nor permit to be installed any temporary or permanent tanks for storage of any liquid or gas above or below ground except after obtaining written permission from the Grantee to do so and in compliance with Environmental Laws; and (e) comply with all terms and conditions of all permits, authorizations, approvals, waivers, judgments or decrees or notices from Governmental Authorities issued or sent pursuant to Environmental Laws.

2.12.3. Grantor, promptly upon the written request of Grantee from time to time (but no more frequently than once per calendar year) shall provide Grantee, at Grantor's sole cost and expense, with an environmental site assessment or environmental audit report, or an update of such an assessment or report, all in scope, form and content reasonably satisfactory to the Grantee.

2.12.4. In the event of any Spill or Threat of Spill affecting the Mortgaged Property, whether or not the same originates or emanates from the Mortgaged Property or any contiguous real estate, or if Grantor or the Mortgaged Property otherwise shall fail to comply with any of the requirements of Environmental Laws, Grantee may at its election, but without the

obligation so to do, give such notices, cause such work to be performed at the Mortgaged Property and take any and all other actions as Grantee shall reasonably deem necessary or advisable in order to remedy said Spill or the conditions constituting a Threat of Spill or cure said failure of compliance and any amounts paid as a result thereof, together with interest thereon at the Default Rate from the date of payment by Grantee, shall be immediately due and payable by Grantor to Grantee and until paid shall be added to and become a part of the Indebtedness and shall have the benefit of the lien hereby created as a part thereof prior to any right, title or interest in or claim upon the Mortgaged Property attaching or accruing subsequent to the lien of this Deed of Trust.

2.12.5. Grantor covenants and agrees to conduct representative radon sampling in the Improvements on the Land following construction and/or rehabilitation of the Development to determine whether indoor radon levels are below the United States Environmental Protection Agency's recommended threshold of 4.0pCi/L. In the event that said radon sampling results reveal indoor radon levels in excess of 4.0pCi/L, Grantor covenants and agrees to implement radon mitigation techniques to reduce or prevent the build-up or migration of radon in the Improvements on the Land. In the event that radon mitigation is required to be implemented, Grantor further covenants and agrees to conduct radon sampling in the Improvements on the Land following such implementation to confirm that the radon mitigation techniques have succeeded in reducing or preventing the build-up of radon in the Improvements on the Land to below the United States Environmental Protection Agency's recommended threshold of 4.0pCi/L. In the event that such radon sampling results reveal that levels of radon in the Improvements on the Land are still in excess of the above-referenced United States Environmental Protection Agency threshold, Grantor covenants and agrees to undertake any additional measures necessary to reduce radon levels in the Improvements on the Land and bring the Mortgaged Property into compliance with applicable Environmental Laws. Notwithstanding the foregoing, if the Borrower satisfies the radon mitigation requirements contained in the First Mortgage loan documents (if any), then Borrower will be deemed to have satisfied the requirements set forth in this paragraph.

2.12.6. The Grantor shall comply with the Environmental Laws and regulations with respect to on-site wetlands, including, but not limited to obtaining, complying with and maintaining any wetland permits, wetland permit requirements, development restrictions, setback and/buffers, habitat protection and mitigation requirements.

2.12.7. The Grantor shall handle any subsurface contamination encountered at the Land during the course of rehabilitation in accordance with a site-specific Health and Safety Plan developed in accordance with Environmental Laws and other applicable federal, state and local laws, rules and regulations, and any such contamination shall be remediated and disposed of in accordance with Environmental Laws and other applicable federal, state and local laws, rules and regulations.

SECTION 2.13. Mold Coverage. In the event that Grantor is covered by a commercial general liability insurance policy which contains an exclusion for loss or damage caused by mold, dangerous fungi, bacterial or microbial matter, contamination or pathogenic organisms that reproduce through the release of spores or the splitting of cells (collectively, "**Mold**") or a property insurance policy which contains an exclusion for loss or damage caused by Mold, in connection with another covered peril (e.g., Mold in connection with water damage caused by a storm or fire), Grantor shall demonstrate to the satisfaction of Grantee that such insurance without the

aforementioned exclusions is not available at ordinary and customary insurance rates and either: (i) Grantor shall demonstrate to the satisfaction of Grantee that the potential risk for loss or damage caused by Mold, fungus, moisture, microbial contamination or pathogenic organisms at the Mortgaged Property is minimal because of precautionary measures or techniques to be utilized in the construction or rehabilitation of the Improvements, including without limitation, the use of vapor barriers or other liners to limit the growth and reproduction of Mold; or (ii) Grantor shall implement a moisture management and control program (the “**Moisture Management Program**”) for the Improvements at the Mortgaged Property to prevent the occurrence of Mold, at, on or under the Mortgaged Property, which Moisture Management Program shall include, at a minimum: (a) periodic inspections of the Improvements at the Mortgaged Property for Mold, (b) removing or cleaning up any Mold in a manner consistent with best industry practices and utilizing an experienced remediation contractor acceptable to and approved by Grantee, and (c) in the event that the Mold identified at the Improvements at the Mortgaged Property cannot be removed or cleaned from any impacted building materials (e.g., porous materials such as carpeting, certain types of ceiling materials, etc.) and/or equipment, removing all such impacted building materials and/or equipment from the Mortgaged Property, all in accordance with the procedures set forth in the United States Environmental Protection Agency’s (“**EPA**”) guide entitled “Mold Remediation in Schools and Commercial Buildings”, EPA No. 402-K-01-001, dated March 2001, and in a manner consistent with best industry practices and utilizing an experienced remediation contractor acceptable to and approved by Grantee. Grantor further covenants and agrees that, in connection with any mold remediation undertaken by or on behalf of Grantor hereunder, the source (e.g., leaking pipe, water damage, water infiltration, etc.) of any Mold at the Improvements at the Mortgaged Property shall be promptly identified and corrected to prevent the occurrence or re-occurrence of any Mold. Notwithstanding the foregoing, if the Borrower satisfies the mold mitigation requirements contained in the First Mortgage loan documents (if any), then Borrower will be deemed to have satisfied the requirements set forth in this paragraph.

SECTION 2.14. Preservation of Grantor’s Leasehold Interest under Ground Lease.

(a) Grantor will promptly pay (before they become delinquent) all rents, charges and other sums or amounts required to be paid by Grantor under the Ground Lease, and will further keep and perform all of the covenants, terms and provisions of the Ground Lease that impose any obligations on Grantor under the Ground Lease, and will do all other things necessary to preserve and keep unimpaired the rights of Grantor under the Ground Lease.

(b) Grantor will promptly send to the Grantee a true copy of any notice of default served on the Grantor under the Ground Lease, and Grantor will promptly, if known, notify the Grantee in writing of the occurrence of any event, which, with or without any notice or lapse of time or both, would constitute a default on the part of Grantor under the Ground Lease.

(c) Grantor will not surrender the Ground Lease or its leasehold estate thereunder, nor terminate or cancel the Ground Lease, nor assign any of its rights or obligations under the Ground Lease without first obtaining the prior written consent of the Grantee. Nor will Grantor make or consent to any modification, change, supplement, amendment or alteration of any terms of the Ground Lease without first obtaining the prior

written consent of the Grantee. Grantor hereby assigns to the Grantee all rights, which it may have now or in the future to terminate, cancel, modify, change, supplement, amend or alter the Ground Lease.

(d) Grantor agrees to exercise any option to renew or extend the Ground Lease if at the time that option becomes exercisable any indebtedness secured by this Deed of Trust has not been fully paid. Grantor will confirm exercise of that option to the Grantee in writing within ten (10) days after the date on which that option first becomes exercisable. Grantor hereby irrevocably appoints the Grantee as its attorney-in-fact, with full power of substitution, to exercise any such option on behalf of Grantor if Grantor for any reason fails or refuses to exercise that option at least twenty (20) days prior to the expiration of the period of time for its exercise.

(e) Grantor will, within twenty (20) days after written request by the Grantee and at no cost to the Grantee, obtain and deliver to the Grantee from the Grantor under the Ground Lease any Grantor's estoppel certificate provided for in the Ground Lease.

(f) Upon the Grantee's request, Grantor will submit satisfactory evidence of payment of all of its monetary obligations under the Ground Lease (including but not limited to ground rent, taxes, assessments, insurance premiums and operating expenses).

(g) If at any time Grantor fails to comply fully with any of its obligations under the Ground Lease, and that failure in any manner threatens to impair the Grantee's security under the Deed of Trust, or if the Grantee or the Trustee is given the right to cure any of Grantor's defaults under the terms of the Ground Lease, then the Grantee and/or the Trustee may, but is not obligated to, perform any of those obligations on behalf of Grantor or cure any of Grantor's defaults. The Grantee and/or the Trustee may take such action with notice to but without demand upon Grantor and without releasing Grantor from any obligation under this Deed of Trust. Any and all costs and expenses (including but not limited to legal fees and disbursements) incurred by the Grantee or the Trustee in connection with any such actions will be immediately due and payable by Grantor on demand and will bear interest, at the higher of ten percent (10%) per annum or the interest rate set forth in the Notes, from the time of advancement by the Grantee or the Trustee until repaid.

(h) The Grantee and/or the Trustee will have the right to appear in and participate in all proceedings, including any arbitration proceedings, which would affect the Grantee's security in the leasehold interest of Grantor under the Ground Lease. Grantor agrees to pay promptly upon demand all reasonable costs and expenses of the Grantee and the Trustee (including but not limited to legal fees and disbursements) incurred in any such proceedings.

ARTICLE III

CASUALTY AND CONDEMNATION

SECTION 3.1. Casualty.

3.1.1. If any of the Improvements, Equipment or Furnishings shall be damaged or destroyed, in whole or part, by fire or other casualty, Grantor shall give prompt notice thereof to Grantee. The Grantee are hereby authorized and empowered by Grantor, to settle, adjust or compromise in a commercially reasonable manner any and all claims for loss, damage or destruction under any policy of insurance.

3.1.2. Subject to the provisions of the Mortgage Loan Documents, any Net Proceeds received as payment for any loss under any insurance policies required to be maintained by Grantor in accordance with this Section shall be applied in accordance with the Financing Documents.

3.1.3. In the event of the happening of any casualty of any kind or nature, ordinary or extraordinary, foreseen or unforeseen (including any casualty for which insurance was not obtainable), resulting in damage to or destruction of the Mortgaged Property or any part thereof, if Grantee elects to apply any Net Proceeds received by it in connection with such casualty towards the restoration of the Mortgaged Property, Grantor shall promptly, whether or not the Net Proceeds, if any, shall be sufficient for the purpose, commence and diligently continue to restore, repair and rebuild the Mortgaged Property as nearly as possible to its value, condition and character immediately prior to such damage or destruction.

SECTION 3.2. Condemnation.

3.2.1. Grantor shall promptly notify Grantee if Grantor shall become aware of the threat or institution of any proceeding or negotiations for the taking of the Mortgaged Property, or any part thereof, whether for permanent or temporary use and occupancy in condemnation or by the exercise of the power of eminent domain or by agreement of interested parties in lieu of such condemnation (all the foregoing herein called a “**taking**”); and shall keep Grantee currently advised, in detail, as to the status of such proceedings or negotiations and will promptly give to Grantee copies of all notices, pleadings, judgments, determinations and other papers received or delivered by Grantor therein. Grantor will not, without the Grantee’s prior written consent, enter into any agreement for the taking of the Mortgaged Property, or any part thereof, with anyone authorized to acquire the same by eminent domain or in condemnation.

3.2.2. In the event of any such taking, the Net Proceeds payable in connection therewith shall be applied in accordance with the Financing Documents.

3.2.3. In the event of the happening of any permanent taking, provided that Grantee elects to apply any Net Proceeds received by it in connection with such taking towards the restoration of the Mortgaged Property, Grantor shall promptly, whether or not the Net Proceeds, if any, shall be sufficient for the purpose, commence and diligently continue to restore, repair and rebuild the portion of the Mortgaged Property not subject to the taking as nearly as possible to its value, condition and character immediately prior to such taking.

ARTICLE IV

ASSIGNMENT OF SPACE LEASES AND RENT

SECTION 4.1. Assignment of Space Leases and Rents. Contemporaneously with the execution of this Deed of Trust, Grantor has assigned its interests in the Space Leases and Rents to the Lender in the First Mortgage to secure the payment of the Mortgage Loan. In the event of the payment of the Mortgage Loan and release of the First Mortgage without the release of this Deed of Trust, Grantor hereby grants, conveys, assigns, transfers and sets over to Grantee to be effective as of the date of the release of the First Mortgage, the Space Leases now or hereafter entered into by Grantor with respect to all or any part of the Mortgaged Property, and all renewals, extensions, subleases or assignments thereof and all other occupancy agreements (written or oral), by concession, license or otherwise, together with all of the Rents and proceeds arising therefrom and from the Mortgaged Property pursuant to and in accordance with the provisions of Chapter 64 of the Texas Property Code.

ARTICLE V

SECURITY AGREEMENT UNDER UNIFORM COMMERCIAL CODE

SECTION 5.1. Security Agreement. It is the intent of the parties hereto that this Deed of Trust shall constitute a Security Agreement within the meaning of the Uniform Commercial Code of the State (the “UCC”) with respect to so much of the Mortgaged Property as is considered or as shall be determined to be of the type in which a security interest can be created under Article 9 of the UCC, together with all replacements thereof, substitutions therefor or additions thereto (the “Collateral”), and that a security interest shall attach thereto for the benefit of Grantee to secure the Indebtedness and all other sums and charges which may become due hereunder or under the Financing Documents. Grantor hereby authorizes Grantee to file financing and continuation statements and amendments thereto with respect to the Collateral without the signature of Grantor, if same is lawful; otherwise Grantor agrees to execute such financing and continuation statements and amendments thereto as Grantee may request. If there shall exist an Event of Default under this Deed of Trust, Grantee, pursuant to the appropriate provisions of the UCC, shall have the option of proceeding as to both real and personal property in accordance with its rights to both real and personal property, in which event the default provisions of the UCC shall not apply. The parties agree that, in the event Grantee shall elect to proceed with respect to the Collateral separately from the real property, unless a greater period shall then be mandated by the UCC, ten (10) days’ notice of the sale of the Collateral shall be reasonable notice. The expenses of retaking, holding, preparing for sale, selling and the like incurred by Grantee shall be assessed against Grantor and shall include, but shall not be limited to, reasonable attorneys’ fees, disbursements and other legal expenses incurred by Grantee. Grantor agrees that it will not remove or permit to be removed from the Mortgaged Property any of the Collateral without the prior written consent of Grantee, unless appropriate replacements free of superior title, liens or claims are immediately made having a value at least equal to the value of the items removed. All replacements, renewals and additions to the Collateral shall be and become immediately subject to the security interest of this Deed of Trust and the provisions of this Article. Grantor warrants and represents that all Collateral now is, and that replacements thereof, substitutions therefor or additions thereto, unless

Grantee otherwise consents in writing, shall be free and clear of liens, encumbrances or security interests of others created after the date hereof other than Permitted Encumbrances.

EVENTS OF DEFAULT AND REMEDIES

SECTION 6.1. Events of Default Defined. The entire amount of the Indebtedness shall become due, at the option of Grantee, subject to any prepayment premium or penalty provided for

in the Financing Agreement, if any, upon the happening of any of the following events (each, individually, an “**Event of Default**” and collectively, “**Events of Default**”):

6.1.1. if Grantor shall fail or neglect to comply with or otherwise perform, keep or observe any term, provision, condition, covenant, warranty or representation contained in this Deed of Trust that is required to be complied with or otherwise performed, kept or observed by Grantor beyond any notice, grace or cure period expressly provided in this Deed of Trust; or

6.1.2. if an “Event of Default” as defined in any of the Financing Documents shall have occurred.

Grantee hereby agrees that any cure of any Event of Default hereunder made or tendered by the Tax Credit Investor shall be deemed to be a cure by the Grantor, and shall be accepted or rejected by the Grantee on the same basis as if made or tendered by the Grantor.

SECTION 6.2. Remedies. Upon the occurrence of any Event of Default hereunder, Grantee may, without notice, presentment, demand or protest, notice of intent to accelerate, or notice of acceleration, all of which are hereby expressly waived by Grantor to the extent permitted by applicable law, take such action as Grantee deems advisable, to protect and enforce its rights in and to the Mortgaged Property, including, but without limiting the generality of the foregoing, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such manner as Grantee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Grantee hereunder, under the other Financing Documents, or at law or in equity:

6.2.1. declare the entire amount of the Indebtedness, together with all accrued and unpaid interest thereon, to be immediately due and payable, and upon such declaration such amounts shall become and be immediately due and payable, anything in this Deed of Trust or the other Financing Documents to the contrary notwithstanding;

6.2.2. after such proceedings as may be required by any applicable law or ordinance and subject to the provisions of Section 8.7 hereof regarding the subordination of this Deed of Trust to the First Mortgage, either in person, or by its agents or attorneys, or by a court-appointed receiver, enter into and upon all or any part of the Mortgaged Property and each and every part thereof and exclude Grantor, its agents and servants wholly therefrom; and having and holding the same, use, operate, manage and control the Mortgaged Property and conduct the business thereof, either personally or by its superintendents, managers, agents, servants, attorneys or the receiver; and upon every such entry, Grantee, at the expense of the Mortgaged Property, from time to time, either by purchase repairs or construction, may maintain and restore the Mortgaged Property and, likewise, may make all necessary or proper repairs, renewals and replacements and such alterations, betterments, additions and improvement thereto and thereon as it may deem advisable; and in every such case Grantee shall have the right to manage and operate the Mortgaged Property and to carry on the business thereof and exercise all rights and powers of Grantor as Grantor’s attorney-in-fact, or otherwise as it shall deem best; and Grantee shall be entitled to collect and receive all Rents and after deducting the expenses of conducting the business thereof and all maintenance, repairs, renewals, replacements, alterations, additions, betterments and improvements and amounts necessary to pay for Impositions, insurance and prior or other

proper charges upon the Mortgaged Property or any part thereof, as well as just and reasonable compensation for the services of Grantee and for all attorneys, counsel, agents, clerks, servants and other employees or professionals engaged or employed by it, Grantee shall apply the moneys arising as aforesaid, first to the payment of the Indebtedness, whether or not then matured; next, to the payment of any other sums required to be paid by Grantor under this Deed of Trust; and the balance, if any, shall be turned over to Grantor or such other Person as may be lawfully entitled thereto; or

6.2.3. with or without entry, personally or by its agents or attorneys insofar as applicable:

(a) foreclose this Deed of Trust in accordance with the laws of the State and the provisions hereof, for the entire Indebtedness or for any portion of the Indebtedness or any other sums secured hereby which are then due and payable, subject to the continuing lien of this Deed of Trust for the balance of the Indebtedness not then due, and for such purposes Grantor grants to Trustee for the benefit of Grantee a continuing power of sale of the Mortgaged Property; or

(b) take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in this Deed of Trust or any other Financing Document, or in aid of the execution of any power herein granted, or for any foreclosure hereunder, or for the enforcement of any other appropriate legal or equitable remedy or otherwise as Grantee shall elect.

SECTION 6.3. Foreclosure; No Marshaling of Assets; One Tract; Appointment of Receiver.

6.3.1. Grantee may foreclose this Deed of Trust either by judicial action or by non-judicial foreclosure through the Trustee. In the case of a foreclosure sale, all of the Mortgaged Property may be sold in one parcel, notwithstanding that the proceeds of such sale exceed or may exceed the Indebtedness. Moreover, Grantee shall not be required to proceed hereunder before proceeding against any other security, shall not be required to proceed against other security before proceeding hereunder, and shall not be precluded from proceeding against any or all of any security in any order or at the same time. In the event that this Deed of Trust is foreclosed, Grantor hereby waives and releases any right to have the Mortgaged Property or any part thereof marshaled, and Grantor and Grantee have jointly agreed that the Mortgaged Property is one project and one tract for all purposes legal, economic and all other. Grantor for itself, its successors and assigns irrevocably waives any right it may have in the event of foreclosure to request that the Mortgaged Property be sold as separate tracts pursuant to any applicable law or statute.

6.3.2. Grantee, in any action to foreclose this Deed of Trust or otherwise upon the occurrence and during the continuance of an Event of Default, shall be entitled (and, to the extent permitted under the laws of the State, without notice, without regard to the adequacy of any security for the Indebtedness and without regard to the solvency of any Person liable for the payment thereof) to the appointment of a receiver of the Mortgaged Property and the Rents, if the assignment of Rents pursuant to Section 4.1 hereof is then effective.

6.3.3. Grantor agrees, to the full extent that it may lawfully do so, that in any foreclosure or other action brought by Grantee hereunder, it will not at any time insist upon or plead or in any way take advantage of any appraisal, valuation, stay, extension, redemption or moratorium law now or hereafter in force and effect so as to prevent, hinder or delay the enforcement of the provisions of this Deed of Trust or any right or remedies Grantee may have hereunder or by law.

6.3.4. If Grantor shall default hereunder and Grantee shall elect to accelerate the Indebtedness, Grantor, within five (5) days after demand, will pay over to Grantee, or any receiver appointed in connection with the foreclosure of this Deed of Trust, any and all amounts then held as security deposits under all Space Leases if the assignment of Space Leases pursuant to Section 4.1 hereof is then effective.

6.3.5. Upon the acceleration of the Indebtedness or upon an Event of Default under the Note or Event of Default hereunder, and in addition to all other rights of Grantee provided herein or by law, Grantor shall, on demand of Grantee, surrender possession of the Mortgaged Property to Grantee; and Grantor hereby consents that Grantee may exercise any or all of the rights specified herein. Grantor hereby irrevocably appoints Grantee attorney-in-fact, which appointment shall be coupled with an interest, of Grantor for such purposes. In the event that Grantor is an occupant of the Mortgaged Property, it agrees to vacate and surrender the possession of that portion of the Mortgaged Property which it occupies to Grantee immediately upon the acceleration of the Indebtedness or any Event of Default hereunder; and if Grantor remains in possession, such possession shall be as tenant of Grantee, and Grantor shall pay monthly, in advance, to Grantee or to any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of any portion of the Mortgaged Property occupied by Grantor, and upon the failure of Grantor to make any such payment, Grantor may be evicted by summary proceedings or otherwise. In case of the appointment of a receiver of the Rents, the covenants of this subsection may be enforced by such receiver.

6.3.6. GRANTOR HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY.

SECTION 6.4. Remedies Cumulative; No Waiver; Etc.

6.4.1. No remedy herein conferred upon or reserved to Grantee is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission of Grantee to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or any acquiescence therein; and every power and remedy given by this Deed of Trust to Grantee may be exercised from time to time as often as may be deemed expedient by Grantee. Nothing in this Deed of Trust or in any other Financing Document shall affect the obligation of Grantor to perform its obligations under the Financing Documents.

6.4.2. A waiver in one or more instances of any of the terms, covenants, conditions or provisions hereof, of any Financing Document shall apply to the particular instance or instances and at the particular time or times only, and no such waiver shall be deemed a continuing waiver, but all of the terms, covenants, conditions and other provisions of this Deed of

Trust and of the other Financing Documents shall survive and continue to remain in full force and effect; and no waiver shall be effective unless in writing, dated and signed by Grantee.

6.4.3. Grantor hereby waives and renounces all homestead and similar exemption rights with respect to the Mortgaged Property provided for by the Constitution and the laws of the United States and the State as against the collection of the Indebtedness, or any part thereof, or the Financing Documents; and Grantor agrees that where, by the terms of this Deed of Trust or the other Financing Documents secured hereby, a day is named or a time fixed for the payment of any sum of money or the performance of any agreement, the day and time stated enters into the consideration and is of the essence of the whole agreement between Grantor and Grantee.

SECTION 6.5. No Merger. It is the intention of the parties hereto that if Grantee shall at any time hereafter acquire title to all or any portion of the Mortgaged Property, then and until the Indebtedness has been paid in full, the interest of Grantee hereunder and the lien of this Deed of Trust shall not merge or become merged in or with the estate and interest of Grantee as the holder and owner of title to all or any portion of the Mortgaged Property and that, until such payment, the estate of Grantee in the Mortgaged Property and the lien of this Deed of Trust and the interest of Grantee hereunder shall continue in full force and effect to the same extent as if Grantee had not acquired title to all or any portion of the Mortgaged Property. If, however, Grantee shall consent in writing to such merger or such merger shall nevertheless occur without its consent, then this Deed of Trust shall attach to and cover and be a lien upon the fee title or any other estate, title or interest in the premises demised under the leasehold estate acquired by the fee owner and the same shall be considered as granted, released, assigned, transferred, pledged, and set over to Grantee and the lien hereof spread to cover such estate with the same force and effect as though specifically herein granted, released, assigned, transferred, pledged, set over and spread.

ARTICLE VII

PROVISIONS OF GENERAL APPLICATION

SECTION 7.1. Modifications. No change, amendment, modification, cancellation or discharge hereof, or of any part hereof, shall be valid unless in writing, dated and signed by the party against whom such change, amendment, modification, cancellation or discharge is sought to be enforced.

SECTION 7.2. Notices. Except for notices of foreclosure that shall be sent as required by law, all notices, demands, requests, consents, approvals, certificates or other communications hereunder (hereinafter collectively called the “**Notices**”) shall be sufficiently given if given in accordance with the provisions of Section 9.01 of the Financing Agreement. A copy of any notice given to the Grantor hereunder shall also be sent concurrently to the Tax Credit Investor and the Tax Credit Investor shall have the right, but not the obligation, to cure any default on behalf of the Grantor on the same terms provided to the Grantor in this Deed of Trust.

SECTION 7.3. Grantee’s Rights to Perform Grantor’s Covenants. If Grantor shall fail to pay or cause payment to be made to Grantee in accordance with the terms of this Deed of Trust, or to perform or observe any other term, covenant, condition or obligation required to be performed or observed by Grantor under this Deed of Trust or any other Financing Document, without

limiting any other provision of this Deed of Trust, and without waiving or releasing Grantor from any obligation or default hereunder, without notice to Grantor, Grantee (or any receiver of the Mortgaged Property) shall have the right, but not the obligation, to make any such payment, or to perform any other act or take any appropriate action, including, without limitation, entry on the Mortgaged Property and performance of work thereat, as it, in its sole discretion, may deem necessary to cause such other term, covenant, condition or obligation to be performed or observed on behalf of Grantor or to protect the security of this Deed of Trust. All monies expended by Grantee in exercising its rights under this Section (including, but not limited to, legal expenses and disbursements), together with interest thereon at the Default Rate from the date of each such expenditure, shall be paid by Grantor to Grantee forthwith upon demand by Grantee, secured by this Deed of Trust and added to and deemed part of the Indebtedness with the benefit of the lien hereby created as a part thereof prior to any right, title or interest in or claim upon the Mortgaged Property attaching or accruing subsequent to the lien of this Deed of Trust.

If Grantor fails to maintain any insurance which is required by any of the Financing Documents, Grantee may obtain the same, but must secure the insurance only in its own name and may insure only its interest in the Mortgaged Property, and in connection with Grantee securing any such insurance, the following notice is given and delivered pursuant to §307.052 of the Texas Finance Code:

NOTICE:

(A) GRANTOR IS REQUIRED TO: (i) KEEP THE PROPERTY INSURED AGAINST DAMAGE IN THE AMOUNT EQUAL TO GRANTOR'S INDEBTEDNESS TO GRANTEE; (ii) PURCHASE THE INSURANCE FROM AN INSURER THAT IS AUTHORIZED TO DO BUSINESS IN THE STATE OF TEXAS OR AN ELIGIBLE SURPLUS LINES INSURER; AND (iii) NAME THE GRANTEE AS THE PERSON TO BE PAID UNDER THE POLICY IN THE EVENT OF LOSS, SUBJECT TO THE FIRST MORTGAGE;

(B) GRANTOR MUST, IF REQUIRED BY GRANTEE, DELIVER TO GRANTEE A COPY OF THE POLICY AND PROOF OF THE PAYMENT OF THE PREMIUMS; AND

(C) IF GRANTOR FAILS TO MEET ANY REQUIREMENT LISTED IN CLAUSE (A) OR (B) ABOVE, GRANTEE MAY OBTAIN COLLATERAL PROTECTION INSURANCE ON BEHALF OF GRANTOR AT GRANTOR'S EXPENSE.

SECTION 7.4. Additional Sums Payable by Grantor. All sums which, by the terms of this Deed of Trust or the other Financing Documents secured hereby, or by the instruments executed and delivered by Grantor to Grantee as additional security for this Deed of Trust and the other Financing Documents, are payable by Grantor to Grantee shall, together with the interest thereon provided for herein or in the other Financing Documents, be secured by this Deed of Trust and added to and deemed part of the Indebtedness and shall have the benefit of the lien hereby created as a part thereof prior to any right, title or interest in or claim upon the Mortgaged Property

attaching or accruing subsequent to the lien of this Deed of Trust, whether or not the provision which obligates Grantor to make any such payment to Grantee specifically so states.

SECTION 7.5. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit, enlarge or describe the scope or intent of this Deed of Trust or the construction of any provision hereof.

SECTION 7.6. Successors and Assigns. The covenants and agreements contained in this Deed of Trust shall run with the land and bind Grantor, the heirs, executors, administrators, principals, legal representatives, successors and assigns of Grantor and each Person constituting Grantor and all subsequent owners, encumbrancers and Space Tenants of the Mortgaged Property, or any part thereof, and shall inure to the benefit of Grantee, its successors and assigns and all subsequent beneficial owners of this Deed of Trust.

SECTION 7.7. Gender and Number. Wherever the context of this Deed of Trust so requires, the neuter gender includes the masculine or feminine gender and the singular number includes the plural.

SECTION 7.8. Severability. In case any one or more of the provisions contained in this instrument shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions hereof, but this Deed of Trust shall be construed as if such invalid, illegal or unenforceable provision had never been included.

SECTION 7.9. Subrogation. Should the proceeds of the Loan be used directly or indirectly to pay off, discharge, or satisfy, in whole or in part, any prior lien or encumbrance upon the Mortgaged Property or any part thereof, then Grantee shall be subrogated to such other lien or encumbrance and to any additional security held by the holder thereof and shall have the benefit of the priority of all of the same.

SECTION 7.10. Incorporation of the Financing Documents. This Deed of Trust has been executed and delivered to secure the Indebtedness pursuant to the Financing Documents, the provisions of which, including, but not limited to, any usury saving provisions in the Financing Agreement, as the same may be amended, modified or supplemented from time to time, are incorporated herein by reference with the same force and effect as if herein fully set forth.

SECTION 7.11. Controlling Law. This Deed of Trust shall be governed by, and construed and enforced in accordance with, the laws of the State of Texas.

ARTICLE VIII

SPECIAL PROVISIONS

SECTION 8.1. Foreclosure—Power of Sale. Grantee may request Trustee to proceed with foreclosure under the power of sale which is hereby conferred, such foreclosure to be accomplished in accordance with the following provisions:

8.1.1. Trustee is hereby authorized and empowered, and it shall be Trustee's special duty, upon such request of Grantee, to sell the Mortgaged Property, or any part thereof, at public auction to the highest bidder for cash, with or without having taken possession of same. Any such sale (including notice thereof) shall comply with the applicable requirements, at the time of the sale, of Chapter 51 of the Texas Property Code, as amended, or, if and to the extent the statutes within said Chapter 51 are not then in force, with the applicable requirements, at the time of the sale, of the successor statute or statutes, if any, governing sales of Texas real property under powers of sale conferred by deeds of trust. If there is no statute in force at the time of the sale governing sales of Texas real property under powers of sale conferred by deeds of trust, such sale shall comply with applicable law, at the time of the sale, governing sales of Texas real property under powers of sale conferred by deeds of trust.

8.1.2. Subject to any applicable requirements at the time of sale governing sales of Texas real property under the powers of sale conferred by deeds of trust, at any time during the bidding, the Trustee may require a bidding party (A) to disclose its full name, state and city of residence, occupation, and specific business office location, and the name and address of the principal the bidding party is representing (if applicable), and (B) to demonstrate reasonable evidence of the bidding party's financial ability (or, if applicable, the financial ability of the principal of such bidding party), as a condition to the bidding party submitting bids at the foreclosure sale. If any such bidding party (the "**Questioned Bidder**") declines to comply with the Trustee's requirement in this regard, or if such Questioned Bidder does respond but the Trustee deems the information or the evidence of the financial ability of the Questioned Bidder (or, if applicable, the principal of such bidding party) to be inadequate, then the Trustee may continue the bidding with reservation; and in such event (1) the Trustee shall be authorized to caution the Questioned Bidder concerning the legal obligations to be incurred in submitting bids, and (2) if the Questioned Bidder is not the highest bidder at the sale, or if having been the highest bidder the Questioned Bidder fails to deliver the cash purchase price payment promptly to the Trustee, all bids by the Questioned Bidder shall be null and void. The Trustee may determine that a credit bid is in the best interest of Grantor and Grantee, and elect to sell the Mortgaged Property for credit or for a combination of cash and credit; provided, however, (i) the Trustee shall have no obligation to accept any bid except an all cash bid and (ii) the Trustee shall be required to accept the highest bid. In the event the Trustee requires a cash bid and cash is not delivered within a reasonable time after conclusion of the bidding process, as specified by the Trustee, but in no event later than 3:45 p.m. local time on the day of sale, then said contingent sale shall be null and void, the bidding process may be recommenced provided that it is recommenced within the time frame set forth in the Notice of Sale given pursuant to Section 51.002 of the Texas Property Code, and any subsequent bids or sale shall be made as if no prior bids were made or accepted.

8.1.3. In addition to the rights and powers of sale granted under the preceding provisions of this subsection, if an Event of Default shall have occurred hereunder, Grantee may at once or at any time thereafter while an Event of Default is continuing, without declaring the entire Indebtedness to be due and payable, orally or in writing direct Trustee to enforce this trust and to sell the Mortgaged Property subject to such unmatured Indebtedness and to the rights, powers, liens, security interests, and assignments securing or providing recourse for payment of such unmatured Indebtedness, in the same manner, all as provided in the preceding provisions of this subsection. Sales made without acceleration of the unmatured balance of the Indebtedness may be made hereunder whenever an Event of Default shall have occurred and be continuing

hereunder, without exhausting the power of sale granted hereby, and without affecting in any way the power of sale granted under this subsection, the unmatured balance of the Indebtedness or the rights, powers, liens, security interests, and assignments securing or providing recourse for payment of the Indebtedness.

8.1.4. Sale of a part of the Mortgaged Property shall not exhaust the power of sale, but sales may be made from time to time until the Indebtedness is paid in full. It is intended by each of the foregoing provisions of this subsection that Trustee may, after any request or direction by Grantee, sell not only the Land and the Improvements, but also the Equipment and Furnishings and other interests constituting a part of the Mortgaged Property or any part thereof, along with the Land and the Improvements or any part thereof, as a unit and as a part of a single sale, or may sell at any time or from time to time any part or parts of the Mortgaged Property separately from the remainder of the Mortgaged Property. It shall not be necessary to have present or to exhibit at any sale any of the Mortgaged Property.

8.1.5. After any sale under this subsection, Trustee shall make good and sufficient deeds, assignments, and other conveyances to the purchaser or purchasers thereunder in the name of Grantor, conveying the Mortgaged Property or any part thereof so sold to the purchaser or purchasers with general warranty of title by Grantor. It is agreed that in any deeds, assignments or other conveyances given by Trustee, any and all statements of fact or other recitals therein made as to the identity of Grantee, the occurrence or existence of any Event of Default, the notice of intention to accelerate, or acceleration of, the maturity of the Indebtedness, the request to sell, notice of sale, time, place, terms and manner of sale, and receipt, distribution, and application of the money realized therefrom, the due and proper appointment of a substitute Trustee, and without being limited by the foregoing, any other act or thing having been duly done by or on behalf of Grantee or by or on behalf of Trustee, shall be taken by all courts of law and equity as prima facie evidence that such statements or recitals state true, correct, and complete facts and are without further question to be so accepted, and Grantor does hereby ratify and confirm any and all acts that Trustee may lawfully do in the premises by virtue hereof.

8.1.6. The following shall be the basis for the finder of fact's determination of the fair market value of the Mortgaged Property as of the date of the foreclosure sale in proceedings governed by Sections 51.003, 51.004 and 51.005 of the Texas Property Code (as amended from time to time): (i) the Mortgaged Property shall be valued in an "as is" condition as of the date of the foreclosure sale, without any assumption or expectation that the Mortgaged Property will be repaired or improved in any manner before a resale of the Mortgaged Property after foreclosure; (ii) the valuation shall be based upon an assumption that the foreclosure purchaser desires a resale of the Mortgaged Property for cash promptly (but no later than twelve (12) months) following the foreclosure sale; (iii) all reasonable closing costs customarily borne by the seller in commercial real estate transactions should be deducted from the gross fair market value of the Mortgaged Property, including, without limitation, brokerage commissions, title insurance, a survey of the Mortgaged Property, tax prorations, attorneys' fees, and marketing costs; (iv) the gross fair market value of the Mortgaged Property shall be further discounted to account for any estimated holding costs associated with maintaining the Mortgaged Property pending sale, including, without limitation, utilities expenses, property management fees, taxes and assessments (to the extent not accounted for in (ii) and/or (iii) above), and other maintenance, operational and ownership expenses; and (v) any expert opinion testimony given or considered in connection with a

determination of the fair market value of the Mortgaged Property must be given by persons having at least five (5) years' experience in appraising property similar to the Mortgaged Property and who have conducted and prepared a complete written appraisal of the Mortgaged Property taking into consideration the factors set forth above.

SECTION 8.2. Non-Recourse. The monetary obligations of the Grantor under this Deed of Trust shall be non-recourse to the Grantor to the extent provided in Section 5.11 of the Financing Agreement.

SECTION 8.3. Concerning the Trustee.

8.3.1. Trustee shall not be required to take any action toward the execution and enforcement of the trust hereby created or to institute, appear in, or defend any action, suit, or other proceeding in connection therewith where, in Trustee's opinion, such action would be likely to involve Trustee in expense or liability, unless requested so to do by a written instrument signed by Grantee and unless Trustee is tendered security and indemnity satisfactory to Trustee against any and all cost, expense, and liability arising therefrom and if such request is made and such security and indemnity is tendered, the Trustee shall act in accordance with Grantee's request. Trustee shall not be responsible for the execution, acknowledgment, or validity of the Financing Documents, or for the proper authorization thereof, or for the sufficiency of the lien and security interest purported to be created hereby, and Trustee makes no representation in respect thereof or in respect of the rights, remedies, and recourses of Grantee.

8.3.2. With the approval of Grantee, Trustee shall have the right to take any and all of the following actions: (i) to select, employ, and advise with counsel (who may be, but need not be, counsel for Grantee) upon any matters arising hereunder, including the preparation, execution, and interpretation of the Financing Documents, and shall be fully protected in relying as to legal matters on the advice of counsel, (ii) to execute any of the trusts and powers hereof and to perform any duty hereunder either directly or through his agents or attorneys, (iii) to select and employ, in and about the execution of his duties hereunder, suitable accountants, engineers and other experts, agents and attorneys in fact, either corporate or individual, not regularly in the employ of Trustee, and Trustee shall not be answerable for any act, default, negligence, or misconduct of any such accountant, engineer or other expert, agent or attorney in fact, if selected with reasonable care and approved by the Grantee, or for any error of judgment or act done by Trustee in good faith and in accordance with the terms hereof, or be otherwise responsible or accountable under any circumstances whatsoever, except for Trustee's gross negligence or bad faith or failure to act in accordance with the terms hereof, and (iv) any and all other lawful action as Grantee may instruct Trustee to take to protect or enforce Grantee's rights hereunder. Trustee shall not be personally liable in case of entry by Trustee, or anyone entering by virtue of the powers herein granted to Trustee, upon the Mortgaged Property for debts contracted for or liability or damages incurred in the management or operation of the Mortgaged Property. Trustee shall have the right to rely on any instrument, document, or signature authorizing or supporting any action taken or proposed to be taken by Trustee hereunder, believed by Trustee in good faith to be genuine. Trustee shall be entitled to reimbursement for actual, out-of-pocket expenses reasonably incurred by Trustee in the performance of Trustee's duties hereunder and to reasonable compensation for such of Trustee's services hereunder as shall be rendered. Grantor will, from time to time, pay the compensation due to Trustee hereunder and reimburse Trustee for, and save

Trustee harmless against, any and all liability and expenses which may be incurred by Trustee in the performance of Trustee's duties.

8.3.3. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by applicable law) and Trustee shall be under no liability for interest on any moneys received by Trustee hereunder.

8.3.4. Trustee may resign by the giving of notice of such resignation in writing or verbally to Grantee. If Trustee shall die, resign, or become disqualified from acting in the execution of this trust, or if, for any reason, Grantee shall prefer to appoint a substitute Trustee or multiple substitute Trustees, or successive substitute Trustees or successive multiple substitute Trustees, to act instead of the aforementioned Trustee, Grantee shall have full power to appoint a substitute Trustee (or, if preferred, multiple substitute Trustees) in succession who shall succeed (and if multiple substitute Trustees are appointed, each of such multiple substitute Trustees shall succeed) to all the estates, rights, powers, and duties of the aforementioned Trustee. Such appointment may be executed by any authorized agent of Grantee, and if such Grantee be a corporation and such appointment be executed in its behalf by any officer of such corporation, such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of the corporation. Grantor hereby ratifies and confirms any and all acts which the aforementioned Trustee, or Trustee's successor or successors in this trust, shall do lawfully by virtue hereof. If multiple substitute Trustees are appointed, each of such multiple substitute Trustees shall be empowered and authorized to act alone without the necessity of the joinder of the other multiple substitute Trustees, whenever any action or undertaking of such substitute Trustees is requested or required under or pursuant to this Deed of Trust or applicable law.

8.3.5. Should any deed, conveyance, or instrument of any nature be required from Grantor by any Trustee or substitute Trustee to more fully and certainly vest in and confirm to the Trustee or substitute Trustee such estates, rights, powers, and duties, then, upon request by the Trustee or substitute Trustee, any and all such deeds, conveyances and instruments shall be made, executed, acknowledged, and delivered and shall be caused to be recorded and/or filed by Grantor.

8.3.6. Any substitute Trustee appointed pursuant to any of the provisions hereof shall, without any further act, deed, or conveyance, become vested with all the estates, properties, rights, powers, and trusts of its or his predecessor in the rights hereunder with like effect as if originally named as Trustee herein; but nevertheless, upon the written request of Grantee or of the substitute Trustee, the Trustee ceasing to act shall execute and deliver any instrument transferring to such substitute Trustee, upon the trusts herein expressed, all the estates, properties, rights, powers, and trusts of the Trustee so ceasing to act, and shall duly assign, transfer and deliver any of the property and moneys held by such Trustee to the substitute Trustee so appointed in the Trustee's place.

8.3.7. By accepting or approving anything required to be observed, performed, or fulfilled or to be given to Trustee or Grantee pursuant to the Financing Documents, including without limitation, any officer's certificate, balance sheet, statement of profit and loss or other

financial statement, survey, appraisal, or insurance policy, neither Trustee nor Grantee shall be deemed to have warranted, consented to, or affirmed the sufficiency, legality, effectiveness, or legal effect of the same, or of any term, provision, or condition thereof, and such acceptance or approval thereof shall not be or constitute any warranty or affirmation with respect thereto by Trustee or Grantee.

SECTION 8.4. Indemnity. GRANTOR SHALL INDEMNIFY, DEFEND, PROTECT AND HOLD HARMLESS GRANTEE AND TRUSTEE, THEIR RESPECTIVE PARENTS, SUBSIDIARIES, DIRECTORS, OFFICERS, EMPLOYEES, REPRESENTATIVES, AGENTS, SUCCESSORS, AND ASSIGNS FROM AND AGAINST AND DOES HEREBY RELEASE GRANTEE AND TRUSTEE FROM ANY AND ALL LIABILITY, DAMAGE, LOSS, COST, OR EXPENSE (INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES AND EXPENSES), ACTION, PROCEEDING, CLAIM OR DISPUTE INCURRED OR SUFFERED BY THE FOREGOING PARTIES SO INDEMNIFIED WHETHER OR NOT AS THE RESULT OF THE NEGLIGENCE OR GROSS NEGLIGENCE (BUT NOT THE WILLFUL MISCONDUCT, FRAUD OR BAD FAITH) OF ANY PARTY SO INDEMNIFIED, WHETHER VOLUNTARILY OR INVOLUNTARILY INCURRED OR SUFFERED, IN RESPECT OF THE FOLLOWING:

(iii) ANY ACTION TAKEN OR NOT TAKEN BY GRANTEE OR TRUSTEE WHICH IS ALLOWED OR PERMITTED UNDER THIS DEED OF TRUST OR ANY OF THE OTHER FINANCING DOCUMENTS RELATING TO GRANTOR, THE MORTGAGED PROPERTY, ANY CONSTITUENT PARTIES OR OTHERWISE IN CONNECTION WITH THE FINANCING DOCUMENTS, INCLUDING WITHOUT LIMITATION, THE PROTECTION OR ENFORCEMENT OF ANY LIEN, SECURITY INTEREST OR OTHER RIGHT, REMEDY OR RECOURSE CREATED OR AFFORDED BY THIS DEED OF TRUST OR THE OTHER FINANCING DOCUMENTS;

(iv) ANY ACTION BROUGHT BY GRANTEE OR TRUSTEE AGAINST GRANTOR UNDER THIS DEED OF TRUST OR THE OTHER FINANCING DOCUMENTS, WHETHER OR NOT SUCH ACTION IS PROSECUTED TO A FINAL, NON APPEALABLE JUDGMENT; AND

(v) ANY AND ALL LOSS, DAMAGE, COSTS, EXPENSE, ACTION, CAUSES OF ACTION, OR LIABILITY (INCLUDING REASONABLE ATTORNEYS' FEES AND COSTS) DIRECTLY OR INDIRECTLY ARISING FROM OR ATTRIBUTABLE TO THE USE, GENERATION, MANUFACTURE, PRODUCTION, STORAGE, RELEASE, THREATENED RELEASE, DISCHARGE, DISPOSAL, OR PRESENCE OF A HAZARDOUS SUBSTANCE ON, IN, UNDER OR ABOUT THE MORTGAGED PROPERTY, WHETHER KNOWN OR UNKNOWN AT THE TIME OF THE EXECUTION HEREOF, INCLUDING WITHOUT LIMITATION (A) ALL FORESEEABLE CONSEQUENTIAL DAMAGES OF ANY SUCH USE, GENERATION, MANUFACTURE, PRODUCTION, STORAGE, RELEASE, THREATENED RELEASE, DISCHARGE, DISPOSAL, OR PRESENCE, AND (B) THE COSTS OF ANY REQUIRED OR NECESSARY ENVIRONMENTAL INVESTIGATION OR MONITORING, ANY REPAIR, CLEANUP, OR DETOXIFICATION OF THE MORTGAGED PROPERTY, AND THE PREPARATION AND IMPLEMENTATION OF ANY CLOSURE, REMEDIAL, OR OTHER REQUIRED PLANS.

GRANTOR SHALL REIMBURSE GRANTEE AND/OR TRUSTEE FOR THEIR RESPECTIVE REASONABLE ATTORNEYS' FEES AND EXPENSES (INCLUDING EXPENSES AND COSTS FOR EXPERTS) IMMEDIATELY UPON RECEIPT OF A WRITTEN DEMAND THEREFOR, WHETHER ON A MONTHLY OR OTHER TIME INTERVAL, AND WHETHER OR NOT AN ACTION IS ACTUALLY COMMENCED OR CONCLUDED. ALL OTHER REIMBURSEMENT AND INDEMNITY OBLIGATIONS HEREUNDER SHALL BECOME DUE AND PAYABLE WHEN ACTUALLY INCURRED BY GRANTEE AND/OR TRUSTEE. ANY PAYMENTS NOT MADE WITHIN TEN (10) DAYS AFTER WRITTEN DEMAND THEREFOR SHALL BEAR INTEREST AT THE DEFAULT RATE FROM THE DATE OF SUCH DEMAND UNTIL FULLY PAID. THE PROVISIONS OF THIS SECTION 8.4 SHALL SURVIVE REPAYMENT OF THE INDEBTEDNESS AND PERFORMANCE OF THE OBLIGATIONS, THE RELEASE OF THE LIEN OF THIS DEED OF TRUST, ANY FORECLOSURE (OR ACTION IN LIEU OF FORECLOSURE), THE TRANSFER BY GRANTOR OF ANY OR ALL OF ITS RIGHT, TITLE AND INTEREST IN OR TO THE PROPERTY AND THE EXERCISE BY GRANTEE OF ANY AND ALL REMEDIES SET FORTH HEREIN OR IN THE OTHER FINANCING DOCUMENTS.

SECTION 8.5. Purpose of Loan. This Deed of Trust is given pursuant to the Financing Documents and secures Grantor's obligations to pay the Indebtedness as described herein and as advanced under the Financing Documents, to pay the costs of acquiring, constructing, improving and equipping the Development, among other purposes set forth in the Financing Documents.

SECTION 8.6. Extended Low-Income Housing Commitment. The Grantor acknowledges and agrees that any default, Event of Default, or breach (however such terms may be defined) under the Extended Use Agreement shall be an Event of Default under this Deed of Trust and that any costs, damages or other amounts, including reasonable attorneys' fees, incurred by the Grantee as a result of an Event of Default by the Grantor and any amounts paid to cure any default under the Extended Use Agreement, shall be an obligation of the Grantor and become a part of the Indebtedness secured by this Deed of Trust.

SECTION 8.7. Subordination. The liens and security interests hereby granted and conveyed by Grantor to Grantee against the Mortgaged Property are subordinate to the First Mortgage and shall remain subordinate to the First Mortgage regardless of the frequency or manner of renewal, extension, change or alteration of the First Mortgage or the Mortgage Loan secured by the First Mortgage. By its acceptance of this Deed of Trust, the Grantee agrees to the subordination of this Deed of Trust to the First Mortgage and to the foregoing provisions and to the provisions of that certain Subordination Agreement dated as of the date hereof among Fannie Mae, Grantor and Grantee.

3. Permission to Place Mortgage Lien Against Mortgaged Property.

Senior Lender agrees, notwithstanding the prohibition against inferior liens on the Mortgaged Property contained in the Senior Loan Documents and subject to the provisions of this Agreement, to permit Subordinate Lender to record the Subordinate Mortgage and other recordable Subordinate Lien Documents against the Mortgaged Property to secure Borrower’s obligation to repay the obligations, indebtedness and liabilities of Borrower to Subordinate Lender under and in connection with the Subordinate Lien.

4. Borrower’s and Subordinate Lender’s Representations and Warranties.

Borrower and Subordinate Lender each makes the following representations and warranties to Senior Lender:

(a) Subordinate Lien Documents.

The Subordinate Lien is evidenced by the Financing Agreement and is secured by the Subordinate Mortgage and the Subordinate Lien Documents.

(b) Intentionally Omitted.

(c) Relationship of Borrower to Subordinate Lender and Senior Lender.

Subordinate Lender is not an Affiliate of Borrower and is not in possession of any facts which would lead it to believe that Senior Lender is an Affiliate of Borrower.

(d) Intentionally Omitted.

(e) Subordinate Lien Documents.

The executed Subordinate Lien Documents are substantially in the same forms as those submitted to, and approved by, Senior Lender prior to the date of this Agreement.

5. Deliveries.

Borrower shall provide true and correct certified copies of the Subordinate Lien Documents to Senior Lender as of the Effective Date (as defined in the Senior Loan Agreement). Borrower agrees to provide certified copies of the Senior Loan Documents to Subordinate Lender within ten (10) days after the Effective Date.

6. Terms of Subordination.

(a) Agreement to Subordinate.

Senior Lender and Subordinate Lender agree that (1) the indebtedness evidenced by the Subordinate Lien Documents is and shall be subordinated in right of payment, to the extent and in the manner provided in this Agreement, to the prior payment in full of the Indebtedness evidenced by the Senior Loan Documents, and (2) the liens, terms, covenants and conditions of the Subordinate Mortgage and the other Subordinate Lien Documents are and shall be subject and subordinate in all respects to the liens, terms, covenants and conditions of the Senior Security Instrument and the other Senior Loan Documents and to all advances heretofore made or which may hereafter be made pursuant to the Senior Security Instrument and the other Senior Loan Documents (including but not limited to, all sums advanced for the purposes of (A) protecting or further securing the lien of the Senior Security Instrument, curing defaults by Borrower under the Senior Loan Documents or for any other purpose expressly permitted by the Senior Loan Documents, or (B) constructing, renovating, repairing, furnishing, fixturing or equipping the Mortgaged Property).

(b) Subordination of Subrogation Rights.

Subordinate Lender agrees that if, by reason of its payment of real estate taxes or other monetary obligations of Borrower, or by reason of its exercise of any other right or remedy under the Subordinate Lien Documents, it acquires by right of subrogation or otherwise a lien on the Mortgaged Property which (but for this subsection) would be senior to the lien of the Senior Security Instrument, then, in that event, such lien shall be subject and subordinate to the lien of the Senior Security Instrument.

(c) Payments Before Senior Loan Default.

Until Subordinate Lender receives a Default Notice (or otherwise acquires actual knowledge) of a Senior Loan Default, Subordinate Lender shall be entitled to retain for its own account all payments made under or pursuant to the Subordinate Lien Documents.

(d) Payments After Senior Loan Default.

Borrower agrees that, after it receives a Default Notice (or otherwise acquires knowledge) of a Senior Loan Default, it will not make any payments under or pursuant to the Subordinate Lien Documents (including but not limited to principal, interest, additional interest, late payment charges, default interest, attorneys' fees, or any other sums secured by the

Subordinate Lien Documents) without Senior Lender's prior written consent. Subordinate Lender agrees that, after it receives a Default Notice from Senior Lender with written instructions directing Subordinate Lender not to accept payments from Borrower on account of the Subordinate Lien, it will not accept any payments under or pursuant to the Subordinate Lien Documents (including but not limited to principal, interest, additional interest, late payment charges, default interest, attorneys' fees, or any other sums secured by the Subordinate Lien Documents) without Senior Lender's prior written consent. If Subordinate Lender receives written notice from Senior Lender that the Senior Loan Default which gave rise to Subordinate Lender's obligation not to accept payments has been cured, waived, or otherwise suspended by Senior Lender, the restrictions on payment to Subordinate Lender in this Section 6 shall terminate, and Senior Lender shall have no right to any subsequent payments made to Subordinate Lender by Borrower prior to Subordinate Lender's receipt of a new Default Notice from Senior Lender in accordance with the provisions of this Section 6(d).

(e) Remitting Subordinate Lien Payments to Senior Lender.

If, after Subordinate Lender receives a Default Notice from Senior Lender in accordance with Section 6(d), Subordinate Lender receives any payments under the Subordinate Lien Documents, Subordinate Lender agrees that such payment or other distribution will be received and held in trust for Senior Lender and unless Senior Lender otherwise notifies Subordinate Lender in writing, will be promptly remitted, in kind to Senior Lender, properly endorsed to Senior Lender, to be applied to the principal of, interest on and other amounts due under the Senior Loan Documents in accordance with the provisions of the Senior Loan Documents. By executing this Agreement, Borrower specifically authorizes Subordinate Lender to endorse and remit any such payments to Senior Lender, and specifically waives any and all rights to have such payments returned to Borrower or credited against the Subordinate Lien. Borrower and Senior Lender acknowledge and agree that payments received by Subordinate Lender, and remitted to Senior Lender under this Section 6, shall not be applied or otherwise credited against the Subordinate Lien, nor shall the tender of such payment to Senior Lender waive any Subordinate Lien Default which may arise from the inability of Subordinate Lender to retain such payment or apply such payment to the Subordinate Lien.

(f) Intentionally Omitted.

(g) Agreement Not to Commence Bankruptcy Proceeding.

Subordinate Lender agrees that during the term of this Agreement it will not commence, or join with any other creditor in commencing any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings against or with respect to Borrower, without Senior Lender's prior written consent.

(h) No Senior Lender Rights with Respect to Funds Held Under the Indenture. Notwithstanding anything in this Agreement or any Senior Loan Document to the contrary, in no event shall the Senior Lender have any claim to, lien upon or any other rights whatsoever with respect to (a) any of the funds or accounts created or to be created under or pursuant to Section 4.01 of the Indenture, including, without limitation, amounts deposited in

such funds and accounts by the Senior Lender as advances on the Senior Loan, (b) the proceeds derived from the sale of the Bonds, (c) any securities in which moneys in such funds and accounts are invested, or (d) the proceeds derived therefrom, provided however, subject to the terms and conditions set forth in the Indenture, upon deposit of a portion of the proceeds of the Loan to the Collateral Security Fund and the Collateral Security Interest Account, the Trustee shall promptly disburse an equal amount of Bond proceeds from the Bond Fund to the Borrower on the closing date, at the direction of the Senior Lender and Subordinate Lender, for purposes of funding the Borrower's acquisition cost of the Project. In furtherance of the foregoing sentence, and not by way of limitation of the generality thereof, the Senior Lender shall have no rights whatsoever with respect to funds and securities in the Bond Fund or transferred thereto from the Collateral Security Fund, the Collateral Security Interest Account of the Bond Fund, or the Operating Fund by reason of the fact that such funds and securities are credited against the Borrower's obligation to make payments of principal of and interest on the Bonds pursuant to Section 4.02 of the Financing Agreement. For purposes of this section 6(h), any capitalized terms not defined herein shall have the meanings ascribed thereto in the Indenture.

7. Default Under Subordinate Lien Documents.

(a) Notice of Subordinate Lien Default and Cure Rights.

Subordinate Lender shall deliver to Senior Lender a Default Notice within five (5) Business Days in each case where Subordinate Lender has given a Default Notice to Borrower. Failure of Subordinate Lender to send a Default Notice to Senior Lender shall not prevent the exercise of Subordinate Lender's rights and remedies under the Subordinate Lien Documents, subject to the provisions of this Agreement. Senior Lender shall have the right, but not the obligation, to cure any Subordinate Lien Default within sixty (60) days following the date of such notice, if such default is capable of being cured by the payment of money or, in the event of any other default, the Senior Lender commences to cure such default and thereafter diligently proceeds with such cure, provided that such longer cure period may be agreed to by the Subordinate Lender and the Trustee upon receipt of an opinion of Bond counsel that such period will not adversely affect the exemption of interest on the Bonds from gross income for federal income tax purposes; provided, however that Subordinate Lender shall be entitled, during such sixty (60) day period, to continue to pursue its rights and remedies under the Subordinate Lien Documents, subject to Section 7(b) below. All amounts paid by Senior Lender in accordance with the Senior Loan Documents to cure a Subordinate Lien Default shall be deemed to have been advanced by Senior Lender pursuant to, and shall be secured by, the Senior Loan Agreement and the Senior Security Instrument.

(b) Subordinate Lender's Exercise of Remedies After Notice to Senior Lender.

If a Subordinate Lien Default occurs and is continuing, Subordinate Lender agrees that, without Senior Lender's prior written consent, it will not commence foreclosure proceedings with respect to the Mortgaged Property under the Subordinate Lien Documents or exercise any other rights or remedies it may have under the Subordinate Lien Documents, including, but not limited to accelerating the Subordinate Lien or the Bonds (and enforcing any "due on sale"

provision included in the Subordinate Lien Documents), collecting rents, appointing (or seeking the appointment of) a receiver, causing a redemption of the Bonds or exercising any other rights or remedies thereunder without the prior written consent of Senior Lender, however, Subordinate Lender shall be entitled to exercise and enforce all other rights and remedies available to Subordinate Lender under the Subordinate Lien Documents and/or under applicable laws, including without limitation, rights to enforce covenants and agreements of Borrower relating to income, rent, or affordability restrictions contained in any land use restriction agreement.

(c) Cross Default.

Borrower and Subordinate Lender agree that a Subordinate Lien Default shall constitute a Senior Loan Default under the Senior Loan Documents and Senior Lender shall have the right to exercise all rights or remedies under the Senior Loan Documents in the same manner as in the case of any other Senior Loan Default. If Subordinate Lender notifies Senior Lender in writing that any Subordinate Lien Default of which Senior Lender has received a Default Notice has been cured or waived, as determined by Subordinate Lender in its sole discretion, then provided that Senior Lender has not conducted a sale of the Mortgaged Property pursuant to its rights under the Senior Loan Documents, any Senior Loan Default under the Senior Loan Documents arising solely from such Subordinate Lien Default shall be deemed cured, and the Senior Loan shall be reinstated, provided, however, that Senior Lender shall not be required to return or otherwise credit for the benefit of Borrower any default rate interest or other default related charges or payments received by Senior Lender during such Senior Loan Default.

8. Default Under Senior Loan Documents.

(a) Notice of Senior Loan Default and Cure Rights.

Senior Lender shall deliver to Subordinate Lender a Default Notice within five (5) Business Days in each case where Senior Lender has given a Default Notice to Borrower. Failure of Senior Lender to send a Default Notice to Subordinate Lender shall not prevent the exercise of Senior Lender's rights and remedies under the Senior Loan Documents, subject to the provisions of this Section 8(a), nor shall such failure constitute a default by Senior Lender under this Agreement. Subordinate Lender shall have the right, but not the obligation, to cure any such Senior Loan Default within sixty (60) days following the date of such Default Notice or the date on which Subordinate Lender otherwise acquires actual knowledge of Senior Loan Default; provided, however, that Senior Lender shall be entitled during such sixty (60) day period to continue to pursue its remedies under the Senior Loan Documents. Subordinate Lender may have up to ninety (90) days from the date of the Default Notice to cure a non-monetary default if during such ninety (90) day period Subordinate Lender keeps current all payments required by the Senior Loan Documents. In the event that such a non-monetary default creates an unacceptable level of risk relative to the Mortgaged Property, or Senior Lender's secured position relative to the Mortgaged Property, as determined by Senior Lender in its sole discretion, then Senior Lender may exercise during such ninety (90) day period all available rights and remedies to protect and preserve the Mortgaged Property and the rents, revenues and other proceeds from the Mortgaged Property. All amounts paid by Subordinate Lender to Senior

Lender to cure a Senior Loan Default shall be deemed to have been advanced by Subordinate Lender pursuant to, and shall be secured by the Subordinate Mortgage.

(b) Cross Default.

Subordinate Lender agrees that, notwithstanding any contrary provision contained in the Subordinate Lien Documents, a Senior Loan Default shall not constitute a default under the Subordinate Lien Documents (if no other default has occurred under the Subordinate Lien Documents) until either (1) Senior Lender has accelerated the maturity of the Senior Loan, or (2) Senior Lender has taken affirmative action to exercise its rights under the Senior Loan Documents to collect rent, to appoint (or seek the appointment of) a receiver or to foreclose on (or to exercise a power of sale contained in) the Senior Loan Documents. At any time after a Senior Loan Default is determined to constitute a default under the Subordinate Lien Documents, Subordinate Lender shall be permitted to pursue its remedies for default under the Subordinate Lien Documents, subject to the restrictions and limitations of this Agreement. If at any time Borrower cures any Senior Loan Default to the satisfaction of Senior Lender, as evidenced by written notice from Senior Lender to Subordinate Lender, any default under the Subordinate Lien Documents arising from such Senior Loan Default shall be deemed cured and the Subordinate Lien shall be retroactively reinstated as if such Senior Loan Default had never occurred.

9. Conflict.

Borrower, Senior Lender and Subordinate Lender each agrees that, in the event of any conflict or inconsistency between the terms of the Senior Loan Documents, the Subordinate Lien Documents and the terms of this Agreement, the terms of this Agreement shall govern and control solely as to the following: (a) the relative priority of the security interests of Senior Lender and Subordinate Lender in the Mortgaged Property; (b) the timing of the exercise of remedies by Senior Lender and Subordinate Lender under the Senior Loan Documents and the Subordinate Lien Documents, respectively; and (c) solely as between Senior Lender and Subordinate Lender, the notice requirements, cure rights, and the other rights and obligations which Senior Lender and Subordinate Lender have agreed to as expressly provided in this Agreement. Borrower acknowledges that the terms and provisions of this Agreement shall not, and shall not be deemed to: extend Borrower's time to cure any Senior Loan Default or Subordinate Lien Default, as the case may be; give Borrower the right to notice of any Senior Loan Default or Subordinate Lien Default, as the case may be other than that, if any, provided, respectively under the Senior Loan Documents or the Subordinate Lien Documents; or create any other right or benefit for Borrower as against Senior Lender or Subordinate Lender.

10. Rights and Obligations of Subordinate Lender Under the Subordinate Lien Documents and of Senior Lender under the Senior Loan Documents.

Subject to each of the other terms of this Agreement, all of the following provisions shall supersede any provisions of the Subordinate Lien Documents covering the same subject matter:

(a) Protection of Security Interest.

Subordinate Lender shall not, without the prior written consent of Senior Lender in each instance, take any action which has the effect of increasing the indebtedness outstanding under, or secured by, the Subordinate Lien Documents, except that Subordinate Lender shall have the right to advance funds to cure Senior Loan Defaults pursuant to Section 8(a) and advance funds pursuant to the Subordinate Lien Documents for the purpose of paying real estate taxes and insurance premiums, making necessary repairs to the Mortgaged Property and curing other defaults by Borrower under the Subordinate Lien Documents.

(b) Condemnation or Casualty.

Following the occurrence of (1) a Condemnation Action, or (2) a fire or other casualty resulting in damage to all or a portion of the Mortgaged Property (collectively, a “**Casualty**”), at any time or times when the Senior Security Instrument remains a lien on the Mortgaged Property the following provisions shall apply:

(A) Subordinate Lender hereby agrees that its rights (under the Subordinate Lien Documents or otherwise) to participate in any proceeding or action relating to a Condemnation Action or a Casualty, or to participate or join in any settlement of, or to adjust, any claims resulting from a Condemnation Action or a Casualty shall be and remain subject and subordinate in all respects to Senior Lender’s rights under the Senior Loan Documents with respect thereto, and Subordinate Lender shall be bound by any settlement or adjustment of a claim resulting from a Condemnation Action or a Casualty made by Senior Lender; provided, however, this subsection or anything contained in this Agreement shall not limit the rights of Subordinate Lender to file any pleadings, documents, claims or notices with the appropriate court with jurisdiction over the proposed Condemnation Action or Casualty; and

(B) all proceeds received or to be received on account of a Condemnation Action or a Casualty, or both, shall be applied (either to payment of the costs and expenses of repair and restoration or to payment of the Senior Loan) in the manner determined by Senior Lender in its sole discretion; provided, however, that if Senior Lender elects to apply such proceeds to payment of the principal of, interest on and other amounts payable under the Senior Loan, any proceeds remaining after the satisfaction in full of the principal of, interest on and other amounts payable under the Senior Loan shall be paid to, and may be applied by, Subordinate Lender in accordance with the applicable provisions of the Subordinate Lien Documents, provided however, Senior Lender agrees to consult with Subordinate Lender in determining the application of Casualty proceeds, provided further, however, that in the event of any disagreement between Senior Lender and Subordinate Lender over the application of Casualty proceeds, the decision of Senior Lender, in its sole discretion, shall prevail.

(c) Insurance.

Subordinate Lender agrees that all original policies of insurance required pursuant to the Senior Security Instrument shall be held by Senior Lender. The preceding sentence shall not preclude Subordinate Lender from requiring that it be named as a loss payee, as its interest may appear, under all policies of property damage insurance maintained by Borrower with respect to the Mortgaged Property, provided such action does not affect the priority of payment of the proceeds of property damage insurance under the Senior Security Instrument, or that it be named as an additional insured under all policies of liability insurance maintained by Borrower with respect to the Mortgaged Property.

(d) No Modification of Subordinate Lien Documents.

Borrower and Subordinate Lender each agree that, until the principal of, interest on and all other amounts payable under the Senior Loan Documents have been paid in full, it will not, without the prior written consent of Senior Lender in each instance, increase the amount of the Subordinate Lien, increase the required payments due under the Subordinate Lien, decrease the term of the Subordinate Lien, or otherwise amend the Subordinate Lien terms in a manner that creates an adverse effect upon Senior Lender under the Senior Loan Documents. Any amendment of the Subordinate Lien Documents or assignment of Subordinate Lender's interest in the Subordinate Lien without Senior Lender's consent shall be void ab initio and of no effect whatsoever.

11. Modification or Refinancing of Senior Loan.

Subordinate Lender consents to any agreement or arrangement in which Senior Lender waives, postpones, extends, reduces or modifies any provisions of the Senior Loan Documents, including any provision requiring the payment of money. Subordinate Lender further agrees that its agreement to subordinate hereunder shall extend to any new mortgage debt which is for the purpose of refinancing all or any part of the Senior Loan (including reasonable and necessary costs associated with the closing and/or the refinancing); and that all the terms and covenants of this Agreement shall inure to the benefit of any holder of any such refinanced debt; and that all references to the Senior Loan, the Senior Note, the Senior Loan Agreement, the Senior Security Instrument, the Senior Loan Documents and Senior Lender shall mean, respectively, the refinance loan, the refinance note loan agreement, the mortgage securing the refinance note, all documents evidencing securing or otherwise pertaining to the refinance note and the holder of the refinance note.

12. Default by Subordinate Lender or Senior Lender.

If Subordinate Lender or Senior Lender defaults in performing or observing any of the terms, covenants or conditions to be performed or observed by it under this Agreement, the other, non-defaulting lender shall have the right to all available legal and equitable relief.

13. Reinstatement.

To the extent that Borrower makes a payment to Senior Lender or Senior Lender receives any payment or proceeds of the collateral securing the Senior Loan for Borrower's benefit, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable doctrine, then to the extent of such payment or proceeds received and not retained by Senior Lender, this Agreement shall be reinstated and continue in full force and effect until full and final payment shall have been made to Senior Lender. Subordinate Lender agrees to hold in trust for Senior Lender and promptly remit to Senior Lender any payments received by Subordinate Lender after such invalidated, rescinded or returned payment was originally made.

14. Notices.

(a) Process of Serving Notice.

All notices under this Agreement shall be:

(1) in writing and shall be:

(A) delivered, in person;

(B) mailed, postage prepaid, either by registered or certified delivery, return receipt requested;

(C) sent by overnight courier; or

(D) sent by electronic mail with originals to follow by overnight courier;

(2) addressed to the intended recipient at the address(es) below the signature block, as applicable; and

(3) deemed given on the earlier to occur of:

(A) the date when the notice is received by the addressee; or

(B) if the recipient refuses or rejects delivery, the date on which the notice is so refused or rejected, as conclusively established by the records of the United States Postal Service or any express courier service.

(b) Change of Address.

Any party to Agreement may change the address to which notices intended for it are to be directed by means of notice given to the other parties identified in this Agreement.

(c) Receipt of Notices.

Senior Lender, Subordinate Lender or Borrower shall not refuse or reject delivery of any notice given in accordance with this Agreement. Each party is required to acknowledge, in writing, the receipt of any notice upon request by the other party.

15. General.

(a) Assignment/Successors.

This Agreement shall be binding upon Borrower, Senior Lender and Subordinate Lender and shall inure to the benefit of the respective legal successors, transferees and assigns of Borrower, Senior Lender and Subordinate Lender. Borrower shall not assign any of its rights and obligations under this Agreement without the prior written consent of Senior Lender.

(b) No Partnership or Joint Venture.

Senior Lender's permission for the placement of the Subordinate Lien does not constitute Senior Lender as a joint venturer or partner of Subordinate Lender. Neither party hereto shall hold itself out as a partner, agent or Affiliate of the other party hereto.

(c) Senior Lender's and Subordinate Lender's Consent.

Wherever Senior Lender's consent or approval is required by any provision of this Agreement, such consent or approval may be granted or denied by Senior Lender in its sole and absolute discretion, unless otherwise expressly provided in this Agreement. Wherever Subordinate Lender's consent or approval is required by any provision of this Agreement, such consent or approval may be granted or denied by Subordinate Lender in its sole and absolute discretion, unless otherwise expressly provided in this Agreement.

(d) Further Assurances.

Subordinate Lender, Senior Lender and Borrower each agrees, at Borrower's expense, to execute and deliver all additional instruments and/or documents reasonably required by any other party to this Agreement in order to evidence that the Subordinate Mortgage is subordinate to the lien, covenants and conditions of the Senior Loan Documents, or to further evidence the intent of this Agreement.

(e) Amendment.

This Agreement shall not be amended except by written instrument signed by all parties hereto.

(f) Governing Law.

This Agreement shall be governed by the laws of the jurisdiction in which the Mortgaged Property is located without giving effect to any choice of law provisions thereof that would

result in the application of the laws of another jurisdiction. Senior Lender, Subordinate Lender and Borrower agree that any controversy arising under or in relation to this Security Instrument shall be litigated exclusively in the jurisdiction in which the Mortgaged Property is located. The state and federal courts and authorities with jurisdiction in such locale shall have exclusive jurisdiction over all controversies that arise under or in relation to this Agreement. The parties hereto irrevocably consent to service, jurisdiction, and venue of such courts for any such litigation and waive any other venue to which any might be entitled by virtue of domicile, habitual residence or otherwise.

(g) Severable Provisions.

If any provision of this Agreement shall be invalid or unenforceable to any extent, then the other provisions of this Agreement, shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

(h) Term.

The term of this Agreement shall commence on the date hereof and shall continue until the earliest to occur of the following events: (1) the payment in full of the principal of, interest on and other amounts payable under the Senior Loan Documents; (2) the payment in full of the principal of, interest on and other amounts payable under the Subordinate Lien Documents, other than by reason of payments which Subordinate Lender is obligated to remit to Senior Lender pursuant to Section 6 hereof; (3) the acquisition by Senior Lender of title to the Mortgaged Property pursuant to a foreclosure or a deed in lieu of foreclosure of, or the exercise of a power of sale contained in, the Senior Loan Documents; or (4) the acquisition by Subordinate Lender of title to the Mortgaged Property pursuant to a foreclosure or a deed in lieu of foreclosure of, or the exercise of a power of sale contained in, the Subordinate Lien Documents, but only if such acquisition of title does not violate any of the terms of this Agreement.

(i) Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be considered an original for all purposes; provided, however, that all such counterparts shall together constitute one and the same instrument.

(j) Sale of Senior Loan.

Nothing in this Agreement shall limit Senior Lender's (including any assignee or transferee of Senior Lender) right to sell or transfer the Senior Loan, or any interest in the Senior Loan. The Senior Loan or a partial interest in the Senior Loan (together with this Agreement and the other Loan Documents) may be sold one or more times without prior notice to Borrower.

[Remainder of Page Intentionally Blank]

IN WITNESS WHEREOF, Borrower, Senior Lender and Subordinate Lender have signed and delivered this Agreement under seal (where applicable) or have caused this Agreement to be signed and delivered under seal (where applicable) by a duly authorized representative. Where applicable law so provides, Borrower, Senior Lender and Subordinate Lender intend that this Agreement shall be deemed to be signed and delivered as a sealed instrument.

Each of the Riverside Townhomes Bonds and the Oaks on Lamar Bonds will be treated as a separate issue of bonds for federal income tax purposes and compliance with the federal tax rules will be determined separately for each Bond issue. In the opinion of Bracewell LLP (“Bond Counsel”), assuming compliance with certain covenants and based on certain representations and as determined separately for each Bond issue, under existing law (i) interest on each Bond issue is excludable from gross income for federal income tax purposes, except with respect to interest on any Bond of such Bond issue for any period during which it is held by a “substantial user” of the related Project or a “related person” of such a “substantial user” within the meaning of Section 147(a) of the Internal Revenue Code of 1986, as amended and (ii) interest on each Bond issue is not an item of tax preference includable in alternative minimum taxable income for purposes of determining a taxpayer’s alternative minimum tax liability. While each Bond Issue is being offered by this Official Statement, and the provisions of each Bond Issue and the related Indenture and Financing Agreement will be substantially identical (except with respect to parties, principal amounts and certain other terms as described herein), each Bond Issue is separately secured by the related Financing Agreement and payments by the related Borrower thereunder, and the other collateral pledged under the related Indenture. The respective Bond Issues are not cross-defaulted or cross-collateralized. Purchasers of a particular Bond Issue shall have no rights to any revenues, funds or assets of the other Bond Issue. Each Bond Issue will be treated as a separate issue of bonds for federal income tax purposes and compliance with the federal tax rules will be determined separately for each Bond Issue. Except with respect to certain dollar amounts, percentages, and parties, the terms of the Indentures, Financing Agreements, and Regulatory Agreements are identical.

The Bonds will be issued in book-entry form only, in the name of Cede & Co., as registered owner and nominee of The Depository Trust Company, New York, New York (“**DTC**”), as fully registered bonds in the denomination of \$1.00 or any integral multiple thereof. Upon the issuance of the Bonds, Bond proceeds in an amount equal to the interest thereon to _____, 2018 (the “**Mandatory Redemption Date**”) (together with accrued interest, if any) will be deposited into the Collateral Security Interest Accounts under the Indentures, and the balance of the Bond proceeds will be deposited into the Proceeds Funds under the Indentures. Pursuant to the terms of the Financing Agreements, Bond proceeds deposited into the Proceeds Funds will (i) be used to pay or reimburse the Borrowers for payment of certain costs of the Projects or (ii) will be deposited into the Rehabilitation Accounts of the Proceeds Funds and used as directed by the Lender for rehabilitation of the Projects. Bond proceeds (other than amounts deposited into the Collateral Security Interest Accounts under the Indentures or deposited into the Collateral Security Principal Accounts under the Indentures) shall not be part of the Trust Estate securing repayment of the Bonds.

The Bonds will initially be collateralized by (i) the deposit into the Collateral Security Principal Accounts of the Collateral Security Funds of the proceeds received from the assignment to the Lender of Mortgage Loans to be made by the Issuer to the Borrowers, and fully funded in an amount equal to the original principal amount of the Bonds on the date of issuance (such assigned Mortgage Loans being referred to herein as the “**Assigned Loans**”), and (ii) the deposit into the Collateral Security Interest Accounts of the Collateral Security Funds of proceeds from the Bonds in an amount sufficient to pay the interest on the Bonds to the Mandatory Redemption Date. INTRODUCTION

This Official Statement (which includes the cover pages and appendices hereto) (the “**Official Statement**”) provides certain information in connection with the issuance of the \$20,000,000* Texas Department of Housing & Community Affairs Multifamily Tax-Exempt Mortgage-Backed Bonds (Riverside Townhomes), Series 2018 (the “**Riverside Townhomes Bonds**”) and the \$17,000,000* Texas Department of Housing & Community Affairs Multifamily Tax-Exempt Mortgage-Backed Bonds (Oaks on Lamar), Series 2018 (the “**Oaks on Lamar Bonds**,” and together with the Riverside Townhomes Bonds, each, a “**Bond Issue**” and collectively, the “**Bonds**”) by the Texas Department of Housing & Community Affairs (the “**Issuer**”). The Bonds will be issued pursuant to Chapter 2306, Texas Government Code, as amended (the “**Act**”), that certain Resolution of the Issuer adopted on June 28, 2018 relating to the Riverside Townhomes Bonds (the “**Riverside Townhomes Bond Resolution**”), that certain Resolution of the Issuer adopted on June 28, 2018 relating to the Oaks on Lamar Bonds (the “**Oaks on Lamar Bond Resolution**,” and together with the Riverside Townhomes Bond Resolution, the “**Bond Resolutions**”), and secured by an Indenture of Trust dated as of August 1, 2018 (the “**Riverside Townhomes Indenture**”), by and between the Issuer and Wilmington Trust, National Association, as trustee (the “**Riverside Townhomes Trustee**”) and an Indenture of Trust dated as of August 1, 2018 (the “**Oaks on Lamar Indenture**,” and together with the Riverside Townhomes Indenture, the “**Indentures**”), by and between the Issuer and Wilmington Trust, National Association, as trustee (the “**Oaks on Lamar Trustee**,” and together with the Riverside Townhomes Trustee, the “**Trustee**”). Pursuant to the Indentures, the Bonds issued thereunder are equally and ratably secured by the pledges and covenants contained therein. **Each Bond Issue is separate and apart from the other Bond Issue. There is no cross-collateralization or cross-default between either of the Bond Issues. Purchasers of either Bond Issue shall have no rights to or under the other Bond Issue.** Certain capitalized terms that are used in this Official Statement and not otherwise defined herein shall have the definitions ascribed to them in “APPENDIX B — DEFINITIONS OF CERTAIN TERMS” hereto.

Pursuant to a Financing Agreement dated as of August 1, 2018 (the “**Riverside Townhomes Financing Agreement**”) by and among the Issuer, the Riverside Townhomes Trustee, Wells Fargo Bank, National Association (the “**Riverside Townhomes Lender**”) and THF Riverside Townhomes, LP, a Texas limited partnership (the “**Riverside Townhomes Borrower**”), proceeds of the Riverside Townhomes Bonds will be used on the Closing Date to make a first mortgage loan (the “**Riverside Townhomes Mortgage Loan**”) to the Riverside Townhomes Borrower to finance a portion of the cost of acquiring, rehabilitating and equipping a 128-unit (including 1 superintendent unit) multifamily residential rental project located in Austin, Texas, to be known as Riverside Townhomes (the “**Riverside Townhomes Project**”), and pay certain additional costs related thereto. Pursuant to a Financing Agreement dated as of August 1, 2018 (the “**Oaks on Lamar Financing Agreement**,” and together with the Riverside Townhomes Financing Agreement, the “**Financing Agreements**”) by and among the Issuer, the Oaks on Lamar Trustee, Wells Fargo Bank, National Association (the “**Oaks on Lamar Lender**” and together with the Riverside Townhomes Lender, the “**Lender**”) and THF Oaks on Lamar, LP, a Texas limited partnership (the “**Oaks on Lamar Borrower**,” and together with the Riverside Townhomes Borrower, the “**Borrowers**”), proceeds of the Oaks on Lamar Bonds will be used on the Closing Date to make a first mortgage loan (the “**Oaks on Lamar Mortgage Loan**,” and together with the Riverside Townhomes Mortgage Loan, the “**Mortgage Loans**”) to the Oaks on Lamar Borrower to finance a portion of the cost of acquiring, rehabilitating and equipping a 176-unit (including 1

* Preliminary; subject to change.

superintendent unit) multifamily residential rental project located in Austin, Texas, to be known as Oaks on Lamar (the “**Oaks on Lamar Project**,” and together with the Riverside Townhomes Project, the “**Projects**”), and pay certain additional costs related thereto. See “PRIVATE PARTICIPANTS” and “THE PROJECTS” herein.

The Issuer, the Borrowers and Wells Fargo Bank, National Association (the “**Underwriter**”) have entered into a Bond Purchase Agreement (the “**Bond Purchase Agreement**”), pursuant to which the Issuer will agree to sell the Bonds to the Underwriter. The transactions entered into under the Bond Purchase Agreement will provide for the issuance and sale to the Underwriter of the Bonds in a specified principal amount, with a specified interest rate, on a specified date and at a specified price. The delivery of the Bonds is subject to the satisfaction of a number of conditions set forth in the Bond Purchase Agreement.

In order to provide security for the Bonds, the Trustee will purchase, as described below, a guaranteed mortgage pass-through certificate with respect to each Bond Issue (each, a “**Pass-Through Certificate**” and collectively, the “**Pass-Through Certificates**”) guaranteed as to principal and interest by Fannie Mae, if and when issued. The Pass-Through Certificates will not be available for purchase on the date of issuance of the Bonds (the “**Closing Date**”) but are expected to be available for acquisition by the Trustee prior to the Mandatory Redemption Date, as specified in the TERM SHEET in APPENDIX H hereto. The Pass-Through Certificates will be backed by the Mortgage Loans on the Projects, and the Mortgage Loans will be secured by mortgages constituting first liens on the Projects. See “THE MORTGAGE LOANS,” “APPENDIX A – FANNIE MAE MORTGAGE-BACKED SECURITIES PROGRAM.”

The Bonds will initially be collateralized, in part, by the deposit into the Collateral Security Principal Accounts of the Collateral Security Funds under the Indentures of the proceeds received from the assignment to the Lender of the Mortgage Loans (such assigned Mortgage Loans being referred to herein as the “**Assigned Loans**”). The Bonds will be further collateralized by the deposit into the Collateral Security Interest Accounts of the Collateral Security Funds established under the Indentures of Bond proceeds in an amount sufficient to pay the interest on the Bonds to _____, 2018* (the “**Mandatory Redemption Date**”). Prior to the Mandatory Redemption Date, the Trustee will use moneys on deposit in the Collateral Security Funds under the Indentures to acquire Pass-Through Certificates to be issued by Fannie Mae upon satisfaction of the conditions precedent to the issuance of the Pass-Through Certificates set forth in the commitments between Fannie Mae and the Lender. The commitments by Fannie Mae to deliver the Pass-Through Certificates are subject to the satisfaction of certain requirements and conditions and do not extend to the benefit of any other third party, including the beneficial owners of the Bonds, the Issuer or the Trustee. No representations or assurances can be provided as to whether or not such conditions can or will be satisfied.

The face amount of the Bonds will equal the face amount of the Pass-Through Certificates, if issued, which will equal the original aggregate principal amount of the Assigned Loans. The principal amount of the Bonds will equal from time to time the then-current principal amount of the Pass-Through Certificates, which will equal from time to time the product of the original aggregate principal amount of the Assigned Loans and the then-applicable factor posted by Fannie Mae as such Assigned Loans amortize or are prepaid (the “**Related Factor**”). With respect to the Pass-Through Certificates guaranteed by Fannie Mae, Related Factors will be published by Fannie Mae at <https://mbsdisclosure.fanniemae.com/PoolTalk2/index.html>.

The Bonds shall bear interest at the Pass-Through Rate set forth in APPENDIX H hereto, as applicable. Prior to the Purchase Date and in the month the Purchase Date occurs, interest payments on the Bonds will equal accrued interest on the Bonds to the next Payment Date. Following the Purchase Date, interest on the Bonds will be payable on the Business Day following receipt by the Trustee of an interest payment under the Pass-Through Certificates and principal on the Bonds will be payable on the Business Day following receipt by the Trustee of a principal payment or repayment under the Pass-Through Certificates. On and after the Purchase Date, payments on the Pass-Through Certificates will be remitted to the Trustee. The payment of interest on each Payment Date shall relate to the interest accrued during the preceding calendar month.

The Bonds are subject to mandatory redemption prior to maturity. If the Pass-Through Certificates are not acquired by the Trustee prior to the Mandatory Redemption Date (as such date may be extended pursuant to the Indenture), the Bonds will be redeemed at the Original Issue Price, plus accrued interest on the Bonds to the Mandatory Redemption Date (as such redemption date may be extended) from proceeds of the Bonds and other Preference Proof Moneys on deposit under the Indentures. See “THE BONDS” herein.

Brief descriptions of the Issuer, the Borrowers, the Projects, the Bonds, the security for the Bonds, the Indentures, the Financing Agreements and the Regulatory Agreements are included in this Official Statement. The summaries herein do not purport to be complete and are qualified in their entireties by reference to such documents, agreements and programs as may be referred to herein, and the summaries herein of the Bonds are further qualified in their entireties by reference to the form of the Bonds included in the Indentures and the provisions with respect thereto included in the aforesaid documents. Copies of the Indentures and the Financing Agreements are available for inspection at the office of the Issuer. The Borrower will provide certain information on an ongoing basis to the Municipal Securities Rulemaking Board (the “**MSRB**”). For a description of the Borrower’s undertaking with respect to ongoing disclosure, see “CONTINUING DISCLOSURE” herein.

THE ISSUER

The following information has been provided by the Issuer for use herein. While the information is believed to be reliable, none of the Trustee, the Borrowers, the Underwriter, nor any of their respective counsel, members, officers or employees make any representations as to the accuracy or sufficiency of such information.

General

The Issuer, a public and official governmental agency of the State and a body corporate and politic, was created pursuant to the Act, effective September 1, 1991. The Issuer is the successor agency to the Texas Housing Agency (the “**Agency**”) and the Texas Department of Community Affairs, both of which were abolished by the Act and their functions and obligations transferred to the Issuer. One of the purposes of the Issuer is to provide assistance to individuals and families of low and very low income and families of moderate income and persons with special needs to obtain decent, safe and sanitary housing. Pursuant to the Act, the Issuer may issue bonds, notes or other obligations to finance or refinance residential housing and to refund bonds previously issued by the Agency, the Issuer or certain other quasi-governmental issuers. The Act specifically provides that the revenue bonds of the Agency become revenue bonds of the Issuer.

The Issuer is subject to the Texas Sunset Act (Chapter 325, Texas Government Code, as amended, hereinafter referred to as the “**Sunset Act**”), and its continued existence is subject to a periodic review process that resulted in passage of legislation in the 2013 Texas legislative session which continues the Issuer in existence until September 1, 2025, at which time it will again be subject to review. The Sunset Act, however, recognizes the continuing obligation of the State to provide for the payment of bonded indebtedness incurred by a State agency abolished under the provisions thereof and provides that the Governor will designate an appropriate State agency to continue to carry out all covenants with respect to any bonds outstanding, including the payment of any bonds from the sources provided in the proceedings authorizing such bonds.

In the Act, the State also pledges and agrees with the holders of any bonds issued under the Act (such as the Bonds) that the State will not limit or alter the rights vested in the Issuer to fulfill the terms of any agreements made with the holders thereof that would in any way impair the rights and remedies of such holders until such bonds, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses incurred in connection with any action or proceeding by or on behalf of such holders are fully met and discharged.

Organization and Membership

Governing Board. The Issuer is governed by a governing board (the “**Board**”) consisting of seven public members appointed by the Governor, with the advice and consent of the State Senate. Board members hold office for six-year staggered terms. Each member serves until his or her successor is appointed and qualified. Each member is eligible for reappointment. Members serve without compensation but are entitled to reimbursement for actual expenses incurred in performing their duties of office. The Act requires the Governor to make appointments so that the places on the Board are occupied by persons who have a demonstrated interest in issues related to housing and support services and who broadly reflect the geographic, economic, cultural and social diversity of the State, including ethnic minorities, persons with disabilities, and women.

The Governor designates a member of the Board to serve as the presiding officer (the “**Chair**”) of the Board at the pleasure of the Governor. The Chair presides at all meetings and performs such other duties as may be prescribed from time to time by the Board and by the Act. In addition, the members of the Board elect one of its members as assistant presiding officer (the “**Vice Chair**”) to perform the duties of the Chair when the Chair is not

present or is incapable of performing such duties. The Board also elects a Secretary and a Treasurer (which offices may be held by one individual, neither of which is required to be a Board member) to perform the duties prescribed by the Board.

One seat on the Board is currently vacant. The current members of the Board, their occupations and their terms of office are as follows:

J.B. GOODWIN, Chair and Board Member. CEO of JB Goodwin Realtors, Austin, Texas. His term expires on January 31, 2021.

LESLIE BINGHAM ESCAREÑO, Vice Chair and Board Member. Chief Executive Officer of Valley Baptist Medical Center-Brownsville, Brownsville, Texas. Her term expires January 31, 2019.

PAUL A. BRADEN, Board Member. Head of Public Finance and Partner with Norton Rose Fulbright, Dallas, Texas. His term expires January 31, 2023.

ASUSENA RESÉNDIZ of Dallas/Fort Worth, Texas. Member of U.S. Global Leadership Coalition Texas Advisory Council. Her term expires January 31, 2019.

SHARON THOMASON, Board Member. President of Lubbock Land Company, Lubbock, Texas. Her term expires January 31, 2021.

LEO VASQUEZ, Board Member. Executive Vice President of Cadeco Industries and related companies, Houston, Texas. His term expires January 31, 2023.

All of the Board members have been appointed by the Governor and confirmed by the State Senate. Texas law requires that confirmations of any such appointment be considered at the next legislative session, whether regular or special. Pursuant to Article XVI, Section 17, of the Texas Constitution, any Board member whose term has expired continues to serve until his or her successor has been appointed.

Administrative Personnel. The Act provides that the Issuer is to be administered by an Executive Director to be employed by the Board with the approval of the Governor. The Executive Director serves at the pleasure of the Board but may also be removed by a newly elected Governor who did not approve the Executive Director's appointment by action taken within 90 days after such Governor takes office. The Executive Director is responsible for administering the Issuer and its personnel. The Executive Director may employ other employees necessary for the discharge of the duties of the Issuer, subject to the annual budget and the provisions of any resolution authorizing the issuance of the Issuer's bonds.

Currently, the Issuer has 280 employees. The following is a biographical summary of certain of the Issuer's senior staff members who have responsibility with respect to multi-family housing bond matters:

Since 1979, the year of creation of the Agency, through February 28, 2018, there have been issued by the Agency or the Issuer thirty-six series of Residential Mortgage Revenue Bonds, two series of GNMA Collateralized Home Mortgage Revenue Bonds, fifty-eight series of Single Family Mortgage Revenue Bonds, four series of Junior Lien Single Family Mortgage Revenue Bonds, eleven series of Collateralized Home Mortgage Revenue Bonds, and ten series of Single Family Mortgage Revenue Bonds (Collateralized Home Mortgage Revenue Bonds). THE BONDS

Each Bond Issue is separate and apart from the other Bond Issue. There is no cross-collateralization or cross-default between the Bond Issues. Purchasers of either Bond Issue shall have no rights to or under the other Bond Issue.

Terms of Bonds Generally

The Bonds will be issued in the denominations of \$1.00 and integral multiples of \$1.00 in excess thereof. The Bonds are issuable only as fully registered bonds without coupons and will be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, New York. DTC will act as securities

depository for the Bonds. Individual purchases will be made in book-entry form only. Purchasers will not receive bonds representing their interest in the Bonds purchased. See “THE BONDS — Book-Entry Only System” herein.

The principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Principal and interest on the Bonds (including accrued interest, if any) will initially be paid from funds on deposit in the Collateral Security Fund until the month following the Purchase Date, at which time payments in an amount equal to the principal and interest paid on the Pass-Through Certificates will be passed through to Bondholders on the Payment Date. “Payment Date” is defined as (i) the First Payment Date, (ii) prior to the Purchase Date and prior to the Mandatory Redemption Date, as such date may be extended pursuant to the Indenture, the 26th day of the month (or the next Business Day if the 26th is not a Business Day), and (iii) after the Purchase Date, one Business Day after each date on which payment of principal, interest, an/or premium, if any, is made pursuant to the Pass-Through Certificates (which shall be the 25th day of the month, or the next Business Day if the 25th is not a Business Day, after payment is due on the underlying Mortgage Loans). At closing, the Mandatory Redemption Date for each Bond Issue will be the same date; however, the Mandatory Redemption Date for one Bond Issue is not linked to the Mandatory Redemption Date for the other Bond Issue, and the Mandatory Redemption Date for each Bond Issue may be extended to different dates after closing. The payment of interest on a Payment Date shall relate to the interest accrued during the preceding calendar month. There shall be no further accrual of interest on the Bonds from the Maturity Date to the final Payment Date. After the Purchase Date, any balances remaining in the Collateral Security Interest Accounts of the Collateral Security Funds, after application of moneys therein to pay any accrued interest on the Pass-Through Certificates or interest on the Bonds on the next Payment Date, as applicable, will be transferred to the Rehabilitation Accounts of the Proceeds Funds.

The Bonds will be dated and have a final maturity date and a final payment date on the respective dates identified in the Term Sheet attached hereto as APPENDIX H. The Bonds will bear interest from their dated date at the Pass-Through Rate set forth in the Term Sheets. Interest on the Bonds shall be computed for the actual number of days which have elapsed, on the basis of a 360-day year.

All payments of interest with respect to the Bonds will be paid to the Bondholders in proportion to the principal amount of each Bond owned by each such owner as set forth on the records of the Trustee at the close of business on the last day of the calendar month prior to the calendar month in which such payment occurs (the “**Record Date**”). So long as Cede & Co. or another nominee designated by DTC is the registered owner of the Bonds, principal and interest on the Bonds are payable by the Trustee to DTC, which will be responsible for remitting such principal and interest to its Participants, which will be responsible for remitting such principal and interest to the Beneficial Owners of the Bonds.

Transfer of Bonds

While DTC is securities depository for book-entry Bonds, the transfer of beneficial ownership of Bonds shall take place as described in “THE BONDS – Book-Entry Only System.” If DTC were to terminate its status as securities depository for the Bonds and, as a result, Bonds were no longer book-entry securities, no transfer of a Bond will be made unless made upon the records of the Issuer kept for that purpose at the corporate trust office of the Trustee, by the registered owner of the Bond or by its attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee. Upon the transfer of any such Bond, the Issuer shall issue, and the Trustee shall authenticate and deliver to and in the name of the transferee, a new fully registered Bond, of the same series, aggregate principal amount, interest rate, maturity and other terms as the surrendered Bond.

At all times, the Issuer and the Trustee may deem and treat the person in whose name any Bond shall be registered upon the records of the Issuer as the absolute owner of such Bond, whether such Bond shall be a book-entry security or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Book-Entry Only System

The following information on the Book-Entry System applicable to all Bonds has been supplied by DTC and neither the Issuer, the Borrowers nor the Underwriter make any representation, warranties or guarantees with respect to its accuracy or completeness.

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond certificate will be issued for each issue of the Bonds, each in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“**Direct Participants**”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“**Indirect Participants**”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (the “**Beneficial Owner**”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Trustee DTC account.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

THE MORTGAGE LOAN

The Indentures authorizes the Issuer to issue the Bonds to finance a portion of the cost of the acquisition, rehabilitation and equipping of the Projects and pay certain additional costs related thereto. The Bonds will be secured initially by the proceeds from the assignment by the Issuer to the Lender of the Mortgage Loans (to be funded from sources other than the proceeds of the Bonds in an amount equal to the original principal amount of the Bonds), deposited into the Collateral Security Funds, as described herein and then by the Pass-Through Certificates, if issued. Fannie Mae is expected to deliver the Pass-Through Certificates to the Trustee on the Purchase Date, as described herein. The Lender has undertaken to certify that the Pass-Through Certificates have terms consistent with the Term Sheets and meet the requirements set forth in the Indentures, on which certification the Trustee may rely and act without further investigation. The Mortgage Loans are to be evidenced by Mortgage Notes, executed by the Borrowers in favor of the Issuer and assigned to the Lender and each secured by a Multifamily Deed of Trust, Assignment of Leases and Rents, Security Agreement and Fixture Filing (each, a "Mortgage"). The Borrowers are required under the Mortgage Notes to make monthly payments sufficient in the aggregate to pay debt service on the Mortgage Loans.

SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS

In order to secure the payment of the principal of and interest on the Bonds, the Issuer has pledged to the Trust Estate for the Bonds, subject to terms and provisions of the Indentures, the following:

- (i) all right, title and interest of the Issuer in and to amounts on deposit in the Collateral Security Funds to be funded at closing in an amount equal to the principal amount of the Bonds and premium, if any;
- (ii) all right, title and interest of the Issuer now owned or hereafter acquired in, to and under the Financing Agreements (except Reserved Rights) and the Regulatory Agreements;
- (iii) upon the delivery of the Pass-Through Certificates for acquisition by the Trustee in exchange for amounts on deposit in the Collateral Security Funds, 100% of the beneficial ownership interest in the Pass-Through Certificates;
- (iv) all payments made under and pursuant to the Pass-Through Certificates (the “**Pass-Through Certificate Revenues**”) and (ii) all amounts deposited into the Operating Funds from amounts paid under the Financing Agreements (the “**Operating Revenues**,” and together with the Pass-Through Certificate Revenues, the “**Revenues**”); and
- (v) all other property which by the express provisions of the Indentures is required to be subject to the lien thereof, and any additional property that, from time to time, by delivery or by writing of any kind, may be subjected to the lien thereof, by the Issuer or by anyone on its behalf, and the Trustee is thereby authorized to receive the same at any time as additional security thereunder.

The Bonds are being issued by the Issuer to finance a portion of the cost of the acquisition and rehabilitation of the Projects, and pay certain additional costs related thereto. The Bonds will initially be secured by the deposit of the proceeds received from the assignment by the Issuer to the Lender of the Mortgage Loans in an amount sufficient to pay the principal of the Bonds plus interest thereon to the Mandatory Redemption Date, into certain funds and accounts under the Indenture, as further described herein. Upon the satisfaction of certain conditions set forth in the Indenture, the Trustee will transfer the proceeds of the Assigned Loans to acquire Pass-Through Certificates, backed by the Mortgage Loans on the Projects, and to be issued, upon satisfaction of the conditions to the issuance thereof, by Fannie Mae.

It is expected that the Pass-Through Certificates will be acquired by the Trustee prior to the First Payment Date, and in any event prior to the Mandatory Redemption Date, unless such Purchase Date is extended as provided in the Indenture. Principal and interest on the Bonds will initially be paid from funds (including accrued interest, if any) on deposit in the Collateral Security Funds until the month following the Purchase Date, at which time payments in an amount equal to the principal and interest paid on the Pass-Through Certificates will be passed through to Bondholders on the Payment Date.

If the Pass-Through Certificates are not acquired by the Trustee prior to the Mandatory Redemption Date (as such date may be extended pursuant to the Indentures), the Bonds will be redeemed at the Original Issue Price, plus accrued interest on the Bonds to the Mandatory Redemption Date (as such redemption date may be extended) from proceeds of the Bonds and other Preference Proof Moneys on deposit under the Indenture. See “THE BONDS” herein.

IF THE PASS-THROUGH CERTIFICATES ARE ISSUED BY FANNIE MAE AND ACQUIRED BY THE TRUSTEE AS COLLATERAL FOR THE BONDS, FANNIE MAE’S OBLIGATIONS WILL BE SOLELY AS PROVIDED IN THE PASS-THROUGH CERTIFICATES AND IN THE FANNIE MAE MBS PROSPECTUS AND THE FORM OF PROSPECTUS SUPPLEMENT FOR MBS CERTIFICATE. THE OBLIGATIONS OF FANNIE MAE UNDER THE PASS-THROUGH CERTIFICATES WILL BE OBLIGATIONS SOLELY OF FANNIE MAE, A FEDERALLY CHARTERED CORPORATION, AND WILL NOT BE BACKED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. THE BONDS ARE NOT AND WILL NOT BE A DEBT OF THE UNITED STATES OF AMERICA OR ANY OTHER AGENCY OR INSTRUMENTALITY OF THE UNITED STATES OF AMERICA OR OF FANNIE MAE. THE BONDS ARE NOT AND WILL NOT BE GUARANTEED BY THE FULL FAITH AND CREDIT OF FANNIE MAE OR THE UNITED STATES OF AMERICA.

The HAP Contracts

The Riverside Townhomes Borrower has a new Housing Assistance Payment Contract (the “**Riverside Townhomes HAP Contract**”) covering all of the 128 units at the Riverside Townhomes Project that was entered into on _____, 2018 for a term of 20 years. The Oaks on Lamar Borrower has a new HAP Contract (the “**Oaks on Lamar HAP Contract**”) and together with the Riverside Townhomes HAP Contract, the “**HAP Contracts**”) covering 74 of the 176 units at the Oaks on Lamar Project that was entered into on _____, 2018 for a term of 20 years. In addition, the Oaks on Lamar Borrower entered into an Agreement to Enter into a Housing Assistance Payments Contract from the Marble Falls Housing Authority (“MFHA”) on _____, 2018, which covers an additional 22 units.

Funding under the HAP Contracts is subject to annual Congressional appropriations, as more particularly described below. The Section 8 project-based housing assistance payment program (the “Section 8 Program”) is authorized by Section 8 of the United States Housing Act of 1937, as amended, and in the case of Section 8 contracts is administered by local public housing authorities. Renewals of Section 8 HAP contracts are governed by the Multifamily Housing Mortgage and Assistance Restructuring Act, as amended (“MAHRA”). The Section 8 Program authorizes housing assistance payments to owners of qualified housing for the benefit of low-income families (defined generally as families whose incomes do not exceed 80% of the area median income (“AMI”) for the area as determined by HUD), and very low-income families (defined generally as families whose income do not exceed 50% of the AMI as determined by HUD). Section 8 housing assistance payments generally represent the difference between the “contract rent” for the unit approved by HUD and the eligible tenant’s contribution, which is generally 30% of income, as adjusted for family size and certain expenses, subject to a minimum rent contribution. The rents approved by HUD for the Projects, as they may be adjusted from time to time with procedures set forth in MAHRA and the HAP Contracts, are the “contract rents” for the Projects. The HAP Contracts will require the Borrowers to maintain the Projects in decent, safe and sanitary condition and to comply with other statutory and regulatory requirements governing the operation of the Projects, use of project funds, and other matters. If a Borrower fails to comply with the terms of a HAP Contract, HUD or the contract administrator could seek to abate or terminate the payments under such HAP Contract, or take other sanctions. MAHRA requires that upon the request of the Borrowers, HUD shall renew the HAP Contracts under the Section 8 Program. However, because the HAP Contracts are subject to receipt of annual appropriations by Congress, there is no assurance that the HAP Contracts will be renewed or replaced upon its expiration. Funding for HAP contracts is appropriated by Congress on an annual basis, and there is no assurance that adequate funding will be appropriated each year during the term of the HAP Contracts. Since payments received under the HAP Contracts constitute a primary source of revenues for the Projects, the expiration of the HAP Contracts, or the failure of Congress to appropriate funds sufficient to fund the HAP Contracts during each year of its term, would have a material adverse effect on the ability of the Projects to generate revenues sufficient to pay the principal of and interest of the Mortgage Loans.

Project Regulation

The Borrowers intend to rehabilitate and operate the Projects each as a “qualified residential rental project” in accordance with the provisions of Section 142(d) of the Code. At the time of the issuance of the Bonds, the Borrowers, the Issuer, THF, and the Trustee will enter into Regulatory and Land Use Restriction Agreements with respect to the Projects (collectively, the “**Regulatory Agreements**”). Under the Regulatory Agreements, the Borrowers will agree that, at all times during the Qualified Project Period, the Borrowers will rent at least 40% of

the units in each Project to persons whose adjusted family income (determined in accordance with the provisions of the Code) is less than 60% of AMI (adjusted for family size) (“Low Income Tenants”). In addition, the Regulatory Agreements require the Borrowers to make 5% of the units in each Project (which may consist of the same units being encumbered in the previous sentence) available to Persons with Special Needs, as more fully described in the Regulatory Agreements. The remaining units within the Projects that are not occupied by Low Income Tenants must be occupied, or held open for occupancy, by Eligible Tenants (as defined and more fully described in the Regulatory Agreements). For the Projects, the Qualified Project Period commences on the Closing Date and continues until the latest of (a) the date which is fifteen (15) years after the Closing Date, (b) the first date on which no tax-exempt private activity bonds with respect to the Projects are outstanding for federal income tax purposes, or (c) the date on which any assistance provided with respect to the Projects under Section 8 of the Housing Act of 1937 terminates. The failure of the Borrowers to comply with the Regulatory Agreements could cause interest on the Bonds to be included in gross income for federal income tax purposes. In addition to the Regulatory Agreements, each Project is subject to a Regulatory and Land Use Restriction Agreements with the Austin Housing Finance Corporation, entered into by a previous owner in connection with a previous bond financing, which requires each Project to be operated as a “qualified residential rental project” in accordance with the provisions of Section 142 of Code and as other restrictions set forth therein.

Additional restrictions are imposed on the operation of the Projects pursuant to the HAP Contracts. See “The HAP Contracts”.

Each Project will also be encumbered by a Tax Credit Restrictive Covenant required by Section 42 of the Code relating to the Tax Credits, which will (a) restrict the income levels of [100%] of the revenue generating units in the Projects to amounts not greater than [60%] of AMI, adjusted for family size, and (b) restrict the rents which may be charged for occupancy of such units to not more than 30% of 60% of AMI, adjusted for family size. Additionally, each Project is subject to a Declaration of Land Use Restrictive Covenants for Low-Income Housing Credits required by Section 42 of the Code in connection with previous allocation of tax credits.

Real Estate Tax Exemption

The Projects are expected to qualify for a 100% ad valorem tax exemption pursuant to certain exemption statutes. In order to qualify for this exemption, THF, which is a regional housing authority, must among other things (i) hold legal title to the land underlying the Projects, which it will lease to the Borrowers through a 99-year ground lease for the Projects; (ii) hold an equitable ownership of the Projects through a purchase option and right of first refusal for acquisition of the Projects; and (iii) control the general partners of the Borrowers through its affiliated entity that will serve as the sole member of the general partners. The Borrowers expect the tax exemption to be granted for the Projects subsequent to the issuance of the Bonds and once granted the exemption is expected to relate back to the date of commencement of the ground lease. Such tax exemption is expected to remain in effect throughout the term of the ground lease; provided, however, certain events such as a withdrawal or removal of the general partner or THF’s affiliate entity as the sole member of the general partners of the Borrowers, THF’s loss of its acquisition rights under the purchase option and right of first refusal, or the failure of THF to remain qualified as a regional housing authority will cause a termination of such tax exemption. The Projects’ failure to maintain their exemption may adversely affect the Borrowers’ ability to pay operating expenses, including the repayment of principal and interest on the Mortgage Loans.

CERTAIN BONDHOLDERS' RISKS

No Acceleration or Early Redemption Upon Loss of Tax Exemption on the Bonds

The Borrowers will covenant and agree, pursuant to the Regulatory Agreements, to comply with the provisions of the Code relating to the exclusion from gross income for federal income tax purposes of the interest payable on the Bonds. In particular, the Borrowers are required to rent at least forty percent (40%) of the apartment units in each Project to certain qualified tenants whose income does not exceed sixty percent (60%) of the area average median income where the Projects are located. The Borrowers' failure to comply with such provisions will not constitute a default under the Bonds and will not give rise to a redemption or acceleration of the Bonds and is not the basis for an increase in the rate of interest payable on the Bonds. Furthermore, the Borrowers' failure to comply with the Regulatory Agreements will not give rise to a prepayment or acceleration of amounts due under the Pass-Through Certificates or the Mortgages, unless directed by Fannie Mae in its sole discretion. Consequently, interest on the Bonds may become includable in gross income for purposes of federal income taxation retroactive to the date of issuance of the Bonds by reason of the Borrowers' failure to comply with the requirements of federal tax law.

Pass-Through Certificates

If the Pass-Through Certificates are issued by Fannie Mae and acquired by the Trustee as collateral for the Bonds, Fannie Mae's obligations will be solely as provided in the Pass-Through Certificates and in the Fannie Mae MBS Prospectus and the form of Prospectus Supplement for MBS Certificate. The obligations of Fannie Mae under the Pass-Through Certificates will be obligations solely of Fannie Mae, a federally chartered corporation, and will not be backed by the full faith and credit of the United States of America. The Bonds are not and will not be a debt of the United States of America or any other agency or instrumentality of the United States of America or of Fannie Mae. The Bonds are not and will not be guaranteed by the full faith and credit of Fannie Mae or the United States of America.

It is possible, in the event of the insolvency of Fannie Mae, or the occurrence of some other event precluding Fannie Mae from honoring its obligations to make payments as stated in the Pass-Through Certificates, if issued, that the financial resources of the Borrowers will be the only source of payment on the Bonds. There can be no assurance that the financial resources of the Borrowers will be sufficient to pay the principal of, premium if any, and interest on the Bonds in the event the Trustee is forced to seek recourse against the Borrowers.

Limited Liability of Issuer

Notwithstanding anything in the Indentures or in the Bonds, the Issuer shall not be required to advance any money derived from any source other than the Revenues and other assets pledged under the Indentures for any of the purposes of the Indentures.

No agreements or provisions contained in the Indentures, nor any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Projects, or the issuance, sale and delivery of the Bonds shall give rise to any pecuniary liability of the Issuer or a charge against its general credit, or shall obligate the Issuer financially in any way except from the application of Pass-Through Certificate Revenues or proceeds pledged to the payment of the Bonds and the proceeds of the Bonds. No failure of the Issuer to comply with any term, condition, covenant or agreement in the Indentures or in any document executed by the Issuer in connection with the Projects, or the issuance, sale and delivery of the Bonds shall subject the Issuer to liability for any claim for damages, costs or other financial and pecuniary charge except to the extent that the same can be paid or recovered from the Financing Agreements or the Pass-Through Certificate Revenues or other assets pledged to the payment of the Bonds or the proceeds of the Bonds.

Mandatory Redemption of Bonds

The Bonds shall be subject to redemption prior to the stated maturity thereof only as set forth in the Indenture as described under this caption.

Mandatory Redemption from Principal Payments or Prepayments. The Bonds are subject to mandatory redemption in the amounts and one Business Day after the dates (i) principal payments are received pursuant to the

Pass-Through Certificates at a price equal to 100% of the principal amount received pursuant to the Pass-Through Certificates, plus interest and prepayment premiums (if any) received pursuant to the Pass-Through Certificates, (ii) prepayments are received with respect to the Pass-Through Certificates, at a price equal to 100% of the principal amount received pursuant to the Pass-Through Certificates, plus interest received pursuant to the Pass-Through Certificates, or (iii) prior to the Purchase Date, redemption is otherwise required on any Payment Date in an amount equal to the amount set forth in the Mortgage Loan amortization schedules on the first day of the month in which such Payment Date occurs from amounts on deposit in the Collateral Security Funds, as provided in the Indentures. Notwithstanding the provisions described under the caption “Notice of Redemption” below, no prior notice shall be a prerequisite to the effectiveness of any redemption under clause (i) or (ii) described in this paragraph, which redemption shall occur and be effective irrespective of whether the Trustee fulfills its obligation to provide the notice with respect to clause (ii) in this paragraph required by the provisions described under the caption “Notice of Redemption” below.

Mandatory Redemption upon Failure to Purchase the Pass-Through Certificates. The Bonds are subject to mandatory redemption in whole on _____, 2018 (the “Mandatory Redemption Date”) at a Redemption Price equal to the Original Issue Price of the Bonds plus interest accrued to the Mandatory Redemption Date (as such date may be extended under the Indenture) upon five (5) Business Days’ notice if (i) a Purchase Date has not occurred by the last date on which timely notice of such redemption may be given preceding such Mandatory Redemption Date (as such date may be extended under the Indentures) and (ii) an Extension Deposit has not been made pursuant to the Indenture, such that the balance in the Collateral Security Fund is equal to the Original Issue Price of the Bonds plus interest accrued on the Bonds to the Mandatory Redemption Date (as such date may be extended under the Indenture). The notice for any such mandatory redemption may be conditional, to the effect that if a Purchase Date occurs not later than the close of business on the second Business Day preceding such Mandatory Redemption Date (as such date may be extended under the Indenture), the noticed mandatory redemption shall not occur. In the event that the Pass-Through Certificates have not been purchased by the Trustee ten (10) Business Days prior to any Mandatory Redemption Date, the Trustee shall provide written notice to the Borrowers, the Issuer and the Tax Credit Investor of such non-purchase.

Notice of Redemption. When the Trustee shall receive notice of a prepayment under clause (ii) described under the caption “Redemption of Bonds—Mandatory Redemption from Principal Payments or Prepayments” above, that a Pass-Through Certificate will be prepaid, the Trustee, in accordance with the Indentures, shall use its best efforts to give not less than 20 nor more than 30 days’ notice, in the name of the Issuer, of the redemption of the Bonds, which notice shall specify the following: (i) the maturity and principal amounts of the Bonds to be redeemed; (ii) the CUSIP number, if any, of the Bonds to be redeemed; (iii) the date of such notice; (iv) the issuance date of the Bonds; (v) the interest rate on the Bonds to be redeemed; (vi) the redemption date; (vii) any conditions to the occurrence of the redemption; (viii) the place or places where amounts due upon such redemption will be payable; (ix) the Redemption Price; (x) the Trustee’s name and address with a contact person and a phone number; and (xi) that on the redemption date, the Redemption Price shall be paid. Such notice shall be sent to the holders of the Bonds by first-class mail, postage prepaid, at their respective addresses appearing on the Bond Register. Neither the giving of such notice by the Trustee nor the receipt of such notice by the Bondholders of the Bonds shall be a condition precedent to the effectiveness of any such redemption.

The Bonds to be redeemed pursuant to the provisions described under the caption “Mandatory Redemption of Bonds” above will be selected in accordance with the operational arrangements of DTC or any successor Substitute Depository, and any partial redemption pursuant thereto shall be made in accordance with the “Pro Rata Pass-Through Distributions of Principal” procedures of DTC or comparable procedures of any successor Substitute Depository.

Payment of Redemption Price. With respect to any redemption pursuant to the provisions described under the caption “Mandatory Redemption from Principal Payments or Prepayments” above, notice having been given in the manner described under the caption “Notice of Redemption” above (or not required to be given as a result of a redemption pursuant to clause (i) or (ii) under the caption “Mandatory Redemption from Principal Payments or Prepayments” above), and all conditions to the redemption contained in such notice, if applicable, having been met, the Bonds so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price specified under the caption “Mandatory Redemption from Principal Payments or Prepayments” above, and upon presentation and surrender thereof at the offices specified in such notice, together with, in the case of Bonds presented by other than the registered owner, a written instrument of transfer duly executed by the registered owner or its duly authorized attorney; provided, however, that so long as the Bonds are registered in the name of the Depository, payment for such redeemed Bonds shall be made in accordance with the Representation

Letter of the Issuer. If, on the redemption date, moneys for the redemption of all the bond or the Bonds to be redeemed, together with all accrued interest on the Bonds to be redeemed, which shall equal all interest accrued on the Pass-Through Certificates to the redemption date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date, interest on the Bonds so called for redemption shall cease to accrue.

Optional Exchange of Bonds for Pass-Through Certificate. A beneficial owner of Bonds may file with the Trustee a written request to exchange Bonds for a like principal amount of the Pass-Through Certificate, provided, that (i) the Pass-Through Certificate will be, when delivered, in an original face amount equal to \$1.00 or a multiple of \$1.00 in excess thereof, and (ii) to the extent the acquisition, development, construction or rehabilitation of the Project is funded in part from the sale of low-income housing tax credits as described in Section 42 of the Code, the Project is complete and placed in service by the Borrower as evidenced by a certificate of occupancy for the Project delivered by the Borrower to the Trustee accompanied by a letter from the Borrower confirming that the Project is placed in service for purposes of Section 42 of the Code. Such written request must be delivered to the Trustee at least five Business Days prior to the exchange date and must be in the form attached as an exhibit to the Indenture or such other form as may be approved by the Trustee (the "Request Notice"). Upon receipt, the Trustee shall immediately notify the Issuer of such Request Notice. The Issuer shall then have the option of either (i) delivering to the beneficial owner of the Bonds their proportional interest in the Pass-Through Certificate based upon their proportional interest in the Bond or (ii) redeeming the beneficial owner's Bonds for an amount equal to the Cash Value, defined as follows:

Cash Value = original face amount x [MBS Factor] x (1 + Redemption Premium (R) + (Initial Offering Premium (I) x [MBS Factor]))

Where R = 5% if the exchange occurs during the first five years from the Closing Date;

= 4% during the sixth year;

= 3% during the seventh year;

= 2% during the eighth year;

= 1% during the ninth year; and

= 0% thereafter

and I = initial offering price - 100%

Within four (4) Business Days of being notified by the Trustee of the Request Notice, the Issuer shall notify the Trustee of its decision whether to exchange or redeem, and immediately upon receiving the Issuer's decision, the Trustee shall notify such beneficial owner of the Issuer's decision. In the event that the Issuer elects to deliver the owner's proportional interest of the Pass-Through Certificate in lieu of redeeming the Bonds, after validating the exchange request, the Trustee shall transfer and deliver to such requesting owner the Trustee's beneficial ownership interest in the owner's proportional interest of the Pass-Through Certificate promptly following (i) delivery to the Trustee (via DTC withdrawal or Deposit/Withdrawal At Custodian ("DWAC")) of the Bonds being exchanged and (ii) payment by the requesting owner of the Trustee's exchange fee (\$1,000 as of the date of the Indenture) and the Issuer's exchange fee of \$ _____ with respect to such Bonds. Such Pass-Through Certificate will be in book-entry form. Transfers of the applicable proportional interest of the Pass-Through Certificate will be made in accordance with current market practices, including the applicable provisions of the SIFMA's Uniform Practices for the Clearance and Settlement of Mortgage Backed Security and Other Related Securities. Upon receipt of such Bonds from the requesting beneficial owner, the Trustee will promptly cancel the Bonds being exchanged, which will not be reissued. Pass-Through Certificate delivered in such an exchange will not be exchangeable for Bonds.

Payment of the Mortgage Loans

The ability of the Borrowers to make payments on the Mortgage Loans is dependent on the revenues derived from the Projects. Due to the inherent uncertainty of future events and conditions, no assurance can be given that revenues generated by the Projects will be sufficient to pay expenses of the Projects, including without limitation, debt service on the Mortgage Loans, operating expenses, servicing fees, fees due to Fannie Mae, Trustee fees, and fees owed to the Issuer. The ability of the Projects to generate sufficient revenues may be affected by a

variety of factors including, but not limited to, completion of repairs to such Projects, the maintenance of a sufficient level of occupancy, the ability to achieve increases in rents and/or increases under the HAP Contracts as necessary to cover debt service and operating expenses, the funding of the HAP Contracts, the level of operating expenses, project management, adverse changes in applicable laws and regulations, general economic conditions and other factors in the surrounding market area for the Projects. The Borrowers intend to rent all of the units in the Projects to persons or families of moderate and low income and the amount of rent that may be charged for such units may be materially less than market rates. In addition to these factors, other adverse events may occur from time to time which may have a negative impact on the occupancy level and rental income of the Projects.

Failure of the Borrowers to make payments when due under the Mortgage Loans will result in an event of default under the Mortgage Loans and the Financing Agreements and may result in a mandatory prepayment of all or a portion of the Bonds. The Mortgage Loans will not be accelerated unless directed by Fannie Mae in its sole discretion, in which case the Bonds will remain outstanding and will remain secured by the Pass-Through Certificates. See “SECURITY FOR AND SOURCES OF PAYMENT OF BONDS” herein.

The Mortgage Loans are non-recourse obligations of the Borrowers with respect to which neither the Borrowers nor their partners or members have personal liability and as to which neither the Borrowers nor their partners or members have pledged for the benefit of the Lender any of their respective assets, other than the Projects and its rents, profits and proceeds.

Bonds are Pass-Through Bonds; Interest Payment Lag

As described elsewhere herein, except under certain circumstances described under the caption “CERTAIN BONDHOLDERS’ RISKS – Mandatory Redemption of Bonds,” the Bonds are pass-through securities designed to pass through to registered owners of the Bonds principal and interest payments on the Pass-Through Certificates one Business Day after receipt by the Trustee of such payments on the Pass-Through Certificates. Interest payments on the Bonds will equal interest accrued on the Bonds during the prior calendar month and shall be made from interest payments received by the Trustee on the Pass-Through Certificates, which payments on the Pass-Through Certificates shall be made on the 25th day of each month, or the next Business Day if the 25th is not a Business Day. Although interest accrues on the Pass-Through Certificates during a calendar month, Fannie Mae will not distribute interest to the Trustee until the Business Day following the 25th day in the following calendar month. The Bonds mature on ____ 1, 20__*; however, the final principal payment on the Pass-Through Certificates will occur on ____ 25, 20__*, and such payment will be passed through to Bondholders on ____ 26, 20__*. Because of these delays, the effective yield on the Bonds will be lower than the Pass-Through Rate on the Pass-Through Certificates and the stated interest rate on the Bonds.

Performance of the Projects and Estimated Rental Revenue Vacancies

The economic feasibility of the Projects depends in large part upon the Projects’ being substantially occupied at rentals adequate to cover all operating expenses of the Projects and debt service on the Mortgage Loans as well as continued funding of the HAP Contracts by HUD and/or MFHA. Although representatives of the Borrowers believe, based on surveys of the area where the Projects are located, that a substantial number of persons currently need housing facilities such as the Projects, occupancy of the Projects may be affected by competition from existing housing facilities or from housing facilities which may be constructed in the areas served by the Projects. While the Borrowers believes the Projects are needed, there may be difficulties in keeping them substantially occupied. Furthermore, no assurance can be given that the low-income tenants are able to afford the rental rates of each of the Projects, notwithstanding the HAP Contracts and albeit at below market rental rates. The rent and affordability restrictions may adversely affect the revenues of each of the Projects.

Future Legislation; IRS Examination

The Projects, their operation and the treatment of interest on the Bonds are subject to various laws, rules and regulations adopted by the local, State and federal governments and their agencies. There can be no assurance that relevant local, State or federal laws, rules and regulations may not be amended or modified or interpreted in the future in a manner that could adversely affect the Bonds, the Trust Estates created under the Indentures, the Projects,

* Preliminary; subject to change.

or the financial condition of or ability of the Borrowers to comply with their obligations under the various transaction documents.

In recent years, the Internal Revenue Service (“IRS”) has increased the frequency and scope of its examination and other enforcement activity regarding tax exempt bonds. Currently, the primary penalty available to the IRS under the Code is a determination that interest on bonds is subject to federal income taxation. Such event could occur for a variety of reasons, including, without limitation, failure to comply with certain requirements imposed by the Code relating to investment restrictions, periodic payments of arbitrage profits to the United States of America, the timely and proper use of Bond proceeds and the facilities financed therewith and certain other matters. See “TAX MATTERS” herein. No assurance can be given that the IRS will not examine the Issuer, the Borrowers, the Projects or the Bonds. If the Bonds are examined, it may have an adverse impact on their price and marketability.

Secondary Markets and Prices

No representation is made concerning the existence of any secondary market for the Bonds. The Underwriter will not be obligated to repurchase any of the Bonds, nor can any assurance be given that any secondary market will develop following the completion of the offering of the Bonds. Further, there can be no assurance that the initial offering prices for the Bonds will continue for any period of time. Furthermore, the Bonds should be purchased for their projected returns only and not for any resale potential, which may or may not exist.

Summary

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Official Statement and the Appendices hereto.

FINANCIAL ADVISOR

George K. Baum & Company (the “Financial Advisor”) has served as financial advisor to the Issuer for purposes of assisting the Issuer with the development and implementation of the bond program in connection with the Bonds. The Financial Advisor has not been engaged by the Issuer to compile, create or interpret any information in this Official Statement relating to the Issuer, including (without limitation) any of the Issuer’s financial and operating data, whether historical or projected. Any information contained in this Official Statement concerning the Issuer, any of its affiliates or contractors and any outside parties has not been independently verified by the Financial Advisor, and inclusion of such information is not and should not be construed as a representation by the Financial Advisor as to its accuracy or completeness or otherwise. The Financial Advisor is not a public accounting firm and has not been engaged by the Issuer to review or audit any information in this Official Statement in accordance with accounting standards.

The Financial Advisor does not assume any responsibility for the covenants and representations contained in any of the legal documents with respect to the federal income tax status of the Bonds, or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies.

TAX MATTERS

Tax Exemption

In General

Each Bond Issue will be treated as a separate issue of bonds for federal income tax purposes and compliance with the federal tax rules will be determined separately for each Bond Issue. In the opinion of Bond Counsel, assuming compliance with certain covenants and based on certain representations, under existing law (i) interest on the Bonds is excludable from gross income for federal income tax purposes, except with respect to interest on the Bonds for any period during which they are held by a “substantial user” of the Projects or a “related person” of such a “substantial user” within the meaning of Section 147(a) of the Code, and (ii) interest on the Bonds is not an item of tax preference includable in alternative minimum taxable income for purposes of calculating a taxpayer’s alternative minimum tax liability.

The Code imposes a number of requirements that must be satisfied for interest on state or local obligations, such as the Bonds, to be excludable from gross income for federal income tax purposes. These requirements include, among other things, limitations on the use of the bond-financed project, limitations on the use of bond proceeds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of bond proceeds be paid periodically to the United States, and a requirement that the Issuer file an information report with the Internal Revenue Service (the “**Service**”). The Issuer and the Borrowers have covenanted in the Indentures, Financing Agreements, Tax Exemption Agreements, and Regulatory Agreements that they will comply with these requirements.

Bond Counsel’s opinion will assume continuing compliance with the covenants of the Indentures, Financing Agreements, Tax Exemption Agreements and Regulatory Agreements pertaining to those sections of the Code that affect the excludability of interest on the Bonds from gross income for federal income tax purposes and, in addition, will rely on representations by the Issuer, each of the Borrowers, the Financial Advisor, the Lender and the Underwriter with respect to matters solely within the knowledge of the Issuer, the Borrowers, the Financial Advisor, the Lender and the Underwriter, respectively, which Bond Counsel has not independently verified. If the Issuer or the Borrowers should fail to comply with the covenants in the Indentures, Financing Agreements, Tax Exemption Agreements and Regulatory Agreements or if the foregoing representations should be determined to be inaccurate or incomplete, interest on the Bonds could become includable in gross income for federal income tax purposes from the date of original delivery of the Bonds, regardless of the date on which the event causing such inclusion occurs.

Interest on the Bonds is not treated as an “item of tax preference” to be included in the computation of “alternative minimum taxable income” for purposes of determining a taxpayer’s alternative minimum tax liability.

Except as stated above, Bond Counsel will express no opinion as to any federal, state or local tax consequences resulting from the receipt or accrual of interest on, or the acquisition, ownership or disposition of, the Bonds.

Bond Counsel’s opinions are based on existing law, which is subject to change. Such opinions are further based on Bond Counsel’s knowledge of facts as of the date thereof. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to Bond Counsel’s attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, Bond Counsel’s opinions are not a guarantee of result and are not binding on the Service; rather, such opinions represent Bond Counsel’s legal judgment based upon its review of existing law and in reliance upon the representations and covenants referenced above that it deems relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given whether or not the Service will commence an audit of the Bonds. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the Issuer as the taxpayer and the owners of the Bonds may not have a right to participate in such audit. Public awareness of any future audit of the Bonds could adversely affect the value and liquidity of the Bonds during the pendency of the audit regardless of the ultimate outcome of the audit.

Operation of the Projects

In the case of bonds used to provide “qualified residential rental projects,” such as the Bonds, section 142 of the Code requires that such bonds also satisfy the tenant eligibility requirements applicable to “qualified residential rental projects” under section 142(d) of the Code. Section 142(d) of the Code requires that at all times during the “qualified project period” a certain percentage of the available units in each of the Projects be occupied by individuals with income below certain levels pursuant to the Issuer’s election made under section 142(d)(1) of the Code. The “qualified project period” for each Project will commence on the delivery date of the Bonds and will end on the latest of the following: (1) the date that is 15 years after the date of delivery of the Bonds; (2) the first day on which no tax-exempt private activity bond (as defined in section 141 of the Code) issued with respect to such Project remains outstanding for federal income tax purposes; or (3) the date on which any assistance provided with respect to such Project under Section 8 of the United States Housing Act of 1937, as amended, terminates. Treasury Regulations (the “Regulations”) setting forth requirements for compliance with a comparable provision of the predecessor of section 142 of the Code require, among other things, that (1) the low-income set aside requirement must be met on a continuous basis during the “qualified project period”, and (2) all of the units in each Project must be rented or available for rental to the general public on a continuous basis during such period. Under the Regulations, the failure to satisfy the foregoing requirements on a continuous basis or the failure to satisfy any of the

other requirements of the Regulations, unless corrected within a reasonable period of not more than 60 days after such non-compliance is first discovered or would have been discovered by the exercise of reasonable diligence, will cause interest on the Bonds to be includable in gross income for federal income tax purposes as of the date of its original issue, irrespective of the date such non-compliance actually occurred.

The Issuer has established requirements, procedures and safeguards that it believes to be sufficient to ensure compliance with the requirements of the Code and the Regulations with respect to each of the Projects. Such requirements, procedures and safeguards are incorporated into each of the Regulatory Agreements, the Financing Agreements, the Indentures and the Tax Exemption Agreements. In addition, the Issuer and the Trustee have each covenanted in the Tax Exemption Agreements to follow and enforce such procedures to ensure compliance with such requirements. However, no assurance can be given that in the event of a breach of any of the provisions or covenants described above, the remedies available to the Issuer and the Trustee can be judicially enforced in such manner as to assure compliance with the Code and the Regulations and therefore to prevent the loss of the exclusion from gross income for federal income tax purposes of the interest on the Bonds. Furthermore, if the Borrowers fail to comply with the Regulatory Agreements or Tax Exemption Agreements, the enforcement remedies available to the Issuer, the Trustee and the owners of the Bonds are severely limited and may be inadequate to prevent the loss of the excludability from gross income for federal income tax purposes of the interest on the Bonds retroactive to the date of issuance of the Bonds. In such event, there is no provision for acceleration or redemption of the Bonds, and the holders of the Bonds may be required to hold such Bonds until maturity bearing interest that is includable in gross income for federal income tax purposes.

Bond Counsel's opinions assume continuous compliance with all covenants and requirements set forth in the Regulatory Agreements and the Tax Exemption Agreements pertaining to those sections of the Code that affect the exclusion of interest on the Bonds from gross income for federal income tax purposes. Prospective purchasers should be aware that the Federal National Mortgage Association ("**Fannie Mae**") has required the inclusion of a section in the Regulatory Agreements (the "**Fannie Mae Requirements**") that provides that any action taken under Regulatory Agreements may not conflict with applicable Fannie Mae requirements. Bond Counsel expresses no opinion as to whether any of the covenants and requirements set forth in the Regulatory Agreements conflict with such Fannie Mae requirements. Furthermore, Bond Counsel expresses no opinion as to whether the interest on the Bonds will be excludable from gross income for federal income tax purposes in the event that the Fannie Mae Requirements preclude compliance with any other of the covenants or requirements of the Regulatory Agreements.

Additional Federal Income Tax Considerations

Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, low and middle taxpayers otherwise qualifying for the health insurance premium assistance credit and individuals otherwise qualifying for the earned income tax credit. In addition, certain foreign corporations doing business in the United States may be subject to the new "branch profit tax" on their effectively-connected earnings and profits, including tax-exempt interest such as interest on the Bonds. These categories of prospective purchasers should consult their own tax advisors as to the applicability of these consequences. Under the Code, taxpayers are required to report on their returns the amount of tax-exempt interest, such as interest on the Bonds, received or accrued during the year.

Tax Legislative Changes

Public Law No. 115-97 (i.e., Tax Cuts and Jobs Act), which makes significant changes to the Code, including changing certain provisions affecting tax-exempt obligations, such as the Bonds, was signed into law on December 22, 2017. The changes include, among others, changes to the federal income tax rates for individuals and corporations and the alternative minimum tax for tax years beginning after December 31, 2017. Further, current law may change so as to directly or indirectly reduce or eliminate the benefit of the excludability of interest on the Bonds from gross income for federal income tax purposes. Any proposed legislation, whether or not enacted, could also affect the value and liquidity of the Bonds. Prospective purchasers of the Bonds should consult with their own tax advisors with respect to any recently-enacted, proposed, pending or future legislation.

UNDERWRITING

Wells Fargo Bank, National Association (the “**Underwriter**”), a “participating underwriter” as defined in 15c2-12 and an “underwriter” as defined in Section 2(a)(11) of the Securities Act of 1933, as amended, has entered into the Bond Purchase Agreement to purchase all of the Bonds, if any of the Bonds are to be purchased, at a price equal to the principal amount thereof. The Bond Purchase Agreement provides that the Underwriter will receive compensation for its services from the Borrowers as specified in the Term Sheet attached hereto as APPENDIX H. The obligation of the Underwriter to pay for the Bonds is subject to certain terms and conditions set forth in the Bond Purchase Agreement. The Borrowers have agreed to indemnify the Underwriter and the Issuer as to certain matters in connection with the Bonds.

The Underwriter may offer and sell the Bonds that it purchases to certain dealers including dealer banks and dealers depositing the Bonds into investment trusts and others at a price lower than the public offering price stated in the Term Sheet attached hereto as APPENDIX H. The offering price of the Bonds may be changed from time to time by the Underwriter.

Wells Fargo Securities is the trade name for certain securities-related capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Bank, National Association, which conducts its municipal securities sales, trading and underwriting operations through the Wells Fargo Bank, NA Municipal Products Group, a separately identifiable department of Wells Fargo Bank, National Association, registered with the Securities and Exchange Commission as a municipal securities dealer pursuant to Section 15B(a) of the Securities Exchange Act of 1934. Wells Fargo Bank, National Association (“WFBNA”), the sole underwriter of the Bonds, has entered into an agreement (the “WFA Distribution Agreement”) with its affiliate, Wells Fargo Clearing Services, LLC (which uses the trade name “Wells Fargo Advisors”) (“WFA”), for the distribution of certain municipal securities offerings, including the Bonds. Pursuant to the WFA Distribution Agreement, WFBNA will share a portion of its underwriting or remarketing agent compensation, as applicable, with respect to the Bonds with WFA. WFBNA has also entered into an agreement (the “WFSLLC Distribution Agreement”) with its affiliate Wells Fargo Securities, LLC (“WFSLLC”), for the distribution of municipal securities offerings, including the Bonds. Pursuant to the WFSLLC Distribution Agreement, WFBNA pays a portion of WFSLLC’s expenses based on its municipal securities transactions. WFBNA, WFSLLC, and WFA are each wholly-owned subsidiaries of Wells Fargo & Company.

Wells Fargo Bank, National Association and its affiliates are serving as Underwriter, Lender, Tax Credit Investor and mortgage servicer in connection with the Bonds and will be compensated separately for serving in each capacity.

The Underwriter does not guarantee a secondary market for the Bonds and is not obligated to make any such market in the Bonds. No assurance can be made that such a market will develop or continue. Consequently, investors may not be able to resell Bonds should they need or wish to do so for emergency or other purposes.

RATING

It is expected that S&P Global Ratings (“S&P”) will assign to the Bonds the rating set forth on the cover hereof.

The rating expected to be assigned to the Bonds described above reflects only the view of S&P, and an explanation of the significance of such rating may be obtained from S&P at 55 Water Street, 38th Floor, New York, New York 10041-0003. There is no assurance that the rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by S&P if in the judgment of S&P circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

CONTINUING DISCLOSURE

The Borrowers will execute and deliver Continuing Disclosure Agreements pursuant to which the Borrowers will agree to provide ongoing disclosure pursuant to the requirements of the Rule (the “Rule”). Financial statements and other operating data will be provided at least annually to the Municipal Securities Rulemaking Board (the “MSRB”) and notices of certain events will be issued pursuant to the Rule. Information will be filed with the

MSRB through its Electronic Municipal Market Access (EMMA) system, unless otherwise directed by the MSRB. A form of Continuing Disclosure Agreement is attached hereto as APPENDIX F.

A failure by the Borrowers to comply with the Continuing Disclosure Agreements will not constitute an Event of Default under the Indentures. Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by a broker or dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price and the ability of the Issuer to issue and sell bonds in the future.

CERTAIN LEGAL MATTERS

The validity of the Bonds and certain other legal matters are subject to the approving opinion of Bracewell LLP, Bond Counsel to the Issuer. A complete copy of the proposed form of Bond Counsel opinion is contained in Appendix G hereto. Bond Counsel undertakes no responsibility for the accuracy, completeness or fairness of this Official Statement. Certain legal matters will be passed upon for the Borrowers by Levitt & Boccio, LLP, New York, New York and Locke Lord LLP, Austin, Texas; for the Issuer by McCall, Parkhurst and Horton LLP, Dallas, Texas; and for the Underwriter by Tiber Hudson LLC, Washington, D.C. Payment of the fees of certain counsel to the transaction is contingent upon the issuance and delivery of the Bonds as described herein.

NO LITIGATION

The Issuer

There is no proceeding or litigation of any nature now pending or threatened restraining or enjoining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds, any proceedings of the Issuer taken with respect to the issuance or sale thereof, the pledge or application of any money or security provided for the payment of the Bonds, the existence or powers of the Issuer relating to the Bonds or the title of any officers of the Issuer to their respective positions.

The Borrowers

There is no legal action, suit, proceeding, investigation or inquiry at law or in equity, before or by any court, agency, arbitrator, public board or body or other entity or person, pending with service of process having been provided or, to the actual knowledge of the Borrowers after due inquiry, threatened in writing against or affecting the Borrowers or any member of the Borrowers, in their respective capacities as such, nor, to the knowledge of the Borrowers, any basis therefor, (i) which would restrain or enjoin the issuance or delivery of the Bonds, the use of the Official Statement in the marketing of the Bonds or the collection of revenues pledged under or pursuant to the Indentures or (ii) which would in any way contest or affect the organization or existence of the Borrowers or the entitlement of any officer of the Borrowers to its position or (iii) which would contest or have a material and adverse effect upon (A) the due performance by the Borrowers of the transactions contemplated by the Official Statement, (B) the validity or enforceability of the Bonds or any other agreement or instrument to which either of the Borrowers is a party and that is used or contemplated for use in the consummation of the transactions contemplated hereby and thereby, (C) the exclusion from gross income for federal income tax purposes of the interest on the Bonds or (D) the financial condition or operations of the Borrowers, (iv) which contests in any way the completeness or accuracy of the Official Statement or (v) which questions the power or authority of the Borrowers to carry out the transactions on their part contemplated by the Official Statement, or the power of the Borrowers to own or operate the Projects. The Borrowers are not subject to any judgment, decree or order entered in any lawsuit or proceeding brought against them that would have such an effect.

APPENDIX A
FANNIE MAE MORTGAGE-BACKED SECURITIES PROGRAM

This summary of the Fannie Mae Mortgage Backed Securities Program, the Fannie Mae Certificates and the documents referred to herein has not been provided or approved by Fannie Mae, does not purport to be comprehensive and is qualified in its entirety by reference to the Fannie Mae MBS Prospectus (Multifamily Fixed-Rate Yield Maintenance) for Guaranteed Mortgage Pass-Through Certificates (the “Fannie Mae MBS Prospectus”) which will be available if and when the Pass-Through Certificate is issued. The template for the Multifamily Fixed-Rate Yield Maintenance MBS Prospectus, as of the date of this Official Statement, can be found at <http://www.fanniemae.com/portal/funding-the-market/mbs/multifamily/dus-disclose-information-center.html>. The Fannie Mae MBS Prospectus, if and when available, will consist of the template for Fannie Mae MBS Prospectus applicable at the time of the issuance of the Pass-Through Certificate with the cover page completed with the Pass-Through Certificate-specific information, an Additional Disclosure Addendum substantially in the form attached as Schedule I to this Appendix A, and an Annex A containing information substantially consistent with the Term Sheet attached hereto as Appendix H.

General..... Fannie Mae is a government-sponsored enterprise that was chartered by the U.S. Congress in 1938 under the name “Federal National Mortgage Association” to support liquidity and stability in the secondary mortgage market, where existing mortgage loans are purchased and sold. The address of its principal office is 3900 Wisconsin Avenue NW, Washington, DC 20016; the telephone number is 202-752-7000.

Fannie Mae has been under conservatorship since September 6, 2008. The conservator, the Federal Housing Finance Agency, succeeded to all rights, titles, powers and privileges of Fannie Mae and of any shareholder, officer or director of the company with respect to the company and its assets. For additional information on the conservatorship, see “**FANNIE MAE — Regulation and Conservatorship**” in the Fannie Mae MBS Prospectus.

Fannie Mae’s regulators include the Federal Housing Finance Agency, the U.S. Department of Housing and Urban Development (“HUD”), the Securities and Exchange Commission (the “SEC”), and the U.S. Department of the Treasury (the “Treasury”). The Office of Federal Housing Enterprise Oversight, the predecessor of the Federal Housing Finance Agency, was Fannie Mae’s safety and soundness regulator prior to enactment of the Federal Housing Finance Regulatory Reform Act of 2008.

On September 7, 2008, Fannie Mae entered into a senior preferred stock purchase agreement with the Treasury pursuant to which Fannie Mae issued to it one million shares of senior preferred stock and a warrant to purchase, for a nominal price, shares of common stock equal to 79.9% of the outstanding common stock of Fannie Mae. **Nevertheless, Fannie Mae alone is responsible for making payments under its guaranty. The Pass-Through Certificate if issued by Fannie Mae and acquired by the Trustee and payments of principal and interest on the Pass-Through Certificate will not be guaranteed by the United States and do not constitute a debt or obligation of the United States or any of its agencies or instrumentalities other than Fannie Mae.**

Description of Pass-Through Certificate..... The Pass-Through Certificate, if issued by Fannie Mae and acquired by the Trustee, will represent a pro rata undivided beneficial ownership interest in the Mortgage Loan. See “MORTGAGE LOAN” in the Official Statement. Fannie Mae will issue the Pass-Through Certificate in book-entry form on the book-entry system of the U.S. Federal Reserve Bank.

Relationship of Bonds, Pass-Through Certificate and Mortgage Loan

The payment and other obligations of the Issuer with respect to the Bonds are intended to be, and shall be, independent of the payment and other obligations of the issuer or maker of the Mortgage Note (as hereinafter defined) and the Pass-Through Certificate, if issued by Fannie Mae and acquired by the Trustee, even though the principal amount of all three instruments is expected to be identical, except in the case of a default with respect to one or more of the instruments.

Distribution Date.....

The “Distribution Date” is the 25th day of each month which is the date designated for payments to the Trustee as holder of the Pass-Through Certificate, if issued. If that day is not a Business Day, payments will be made on the next Business Day. The first Distribution Date for the Pass-Through Certificate will occur in the month following the month in which the Pass-Through Certificate is issued.

Interest.....

On each Distribution Date, Fannie Mae will pass through on the Pass-Through Certificate, if issued, one month’s interest at the “Pass-Through Rate”. Interest on the Pass-Through Certificate shall be calculated on an “Actual/360” basis. “Actual/360” means a computation of interest accrual on the basis of a three hundred sixty (360) day year and the actual number of calendar days during the applicable month, calculated by multiplying the unpaid principal balance of the Pass-Through Certificate by the Pass-Through Rate, dividing the product by three hundred sixty (360), and multiplying the quotient obtained by the actual number of days elapsed in the applicable month.

Because Fannie Mae’s guaranty requires it to supplement amounts received by the trust as required to permit timely payment of interest, the amount of interest distributed to certificateholders on a Distribution Date will not be affected by any loss mitigation measure, taken with respect to, or other loan modification made to, the Mortgage Loan while it remains in the trust.

As described under the caption “**MATERIAL FEDERAL INCOME TAX CONSEQUENCES**” which can be found at <http://www.fanniemae.com/resources/file/mbs/pdf/fixed-rate-yield-maintenance-111717.pdf>, the Pass-Through Certificate and payments on the Pass-Through Certificate, including interest payments thereon, are subject to federal income taxation. Such interest payments only become excluded from gross income for federal income tax purposes and excluded from taxation by the State, to the extent described elsewhere herein, when applied by the Trustee to pay interest due on the Bonds. See “TAX MATTERS” in the Official Statement herein.

Principal.....

Fannie Mae will receive collections on the Mortgage Loan on a monthly basis. The period Fannie Mae uses to differentiate between collections in one month and collections in another month is called the due period. The due period is the period from and including the second calendar day of the preceding month in which the Distribution Date occurs to and including the first calendar day of the month in which the Distribution Date occurs.

On each Distribution Date, Fannie Mae will pass through principal of the Pass-Through Certificate, if issued, as follows:

- the aggregate amount of the scheduled principal due on the Mortgage Loan in the pool during the related due period;

- the aggregate amount of the unscheduled principal payments specified below;
- the stated principal balance of the Mortgage Loan as to which prepayment in full was received during the calendar month immediately preceding the month in which that Distribution Date occurs;
- the stated principal balance of the Mortgage Loan if it was purchased from the pool during the calendar month immediately preceding the month in which that Distribution Date occurs; and
- the amount of any partial prepayments on the Mortgage Loan that were received during the calendar month immediately preceding the month in which that Distribution Date occurs.

Because Fannie Mae’s guaranty requires it to supplement amounts received by the trust as required to permit timely payment of the principal amounts specified above, the amount of principal distributed to certificateholders on a Distribution Date will **not** be affected by any loss mitigation measure, taken with respect to, or other loan modification made to, the Mortgage Loan while it remains in the trust.

Fannie Mae may treat a prepayment in full received on the first Business Day of a month as if the prepayment were received on the last Business Day of the preceding month. Fannie Mae passes through these prepayments on the Distribution Date in the same month in which the prepayment actually was received. For example, if a prepayment on the Mortgage Loan in full is actually received on the first Business Day of July, it would be treated as if it had been received on the last Business Day of June and, therefore, would be passed through on July 25 (or the next Business Day, if July 25 is not a Business Day).

The Mortgage Loan permits the reamortization of principal after a permitted voluntary prepayment or an involuntary prepayment caused by the receipt of proceeds from insurance or condemnation. A reamortization of the Mortgage Loan will cause a change in the rate at which principal is passed through to holders of the Pass-Through Certificate.

Monthly Related Factors On or about the fourth Business Day of each month, Fannie Mae publishes the monthly related factor for each issuance of its Certificates. If an investor multiplies the monthly related factor by the original principal balance of the Pass-Through Certificate, the investor will obtain the current principal balance of the Pass-Through Certificate, after giving effect to the monthly principal payment to be passed through on the Distribution Date in that month. The most current related factor is generally available in Fannie Mae’s Multifamily Securities Locator Service application on Fannie Mae’s Web site at <http://www.fanniemae.com>.

Guaranty Fannie Mae guarantees to each trust that on each Distribution Date it will supplement amounts received by the trust as required to permit payments on the Pass-Through Certificate in an amount equal to:

- the aggregate amounts of scheduled and unscheduled principal payments described in “—Principal” above, and

- an amount equal to one month’s interest on the Pass-Through Certificate, as described in “—Interest” above.

In addition, Fannie Mae guarantees to the trust that it will supplement amounts received by the trust as required to make the full and final payment of the unpaid principal balance of the certificates on the Distribution Date in the month of the maturity date specified in the prospectus supplement. Fannie Mae’s guaranty runs directly to the trust and not directly to certificateholders. Certificateholders have limited rights to bring proceedings directly against Fannie Mae to enforce its guaranty. See “**THE TRUST DOCUMENTS—Certificateholders’ Rights Upon a Guarantor Event of Default**” in the Fannie Mae MBS Prospectus. While Fannie Mae is in the current conservatorship, the conservator does not have the right to repudiate Fannie Mae’s guaranty on the Pass-Through Certificate. However, if Fannie Mae is placed into receivership, or if Fannie Mae emerges from conservatorship and is then again placed into conservatorship, the receiver or conservator, as applicable, will have the right to repudiate Fannie Mae’s guaranty on the Pass-Through Certificate. See “**RISK FACTORS—RISKS RELATING TO CREDIT—Fannie Mae Credit Factors**” in the Fannie Mae MBS Prospectus.

Under certain circumstances, certificateholders have certain limited rights to bring proceedings against the Treasury if Fannie Mae fails to pay under its guaranty. The total amount that may be recovered from the Treasury is subject to limits imposed in the senior preferred stock purchase agreement. For a description of certificateholders’ rights to proceed against the Treasury, see “**FANNIE MAE—Certificateholders’ Rights Under the Senior Preferred Stock Purchase Agreement**” in the Fannie Mae MBS Prospectus.

Optional Prepayment Premium.....	The Mortgage Loan provides for payment of a prepayment premium on the Mortgage Loan, based on a yield maintenance formula, if the Borrower elects to prepay the Mortgage Loan prior to the fifteenth (15 th) year after the Pass-Through Certificate is issued. See “APPENDIX H – TERM SHEET” herein. As set forth in the form of MBS Prospectus Supplement, the Trustee, as holder of the Pass-Through Certificate would receive a portion of that payment, as further described in the MBS Prospectus Supplement under “ Voluntary Prepayment of the Mortgage Loan - Calculation of Total Yield Maintenance Prepayment Premiums. ” Any premium received by the Trustee will be passed through to Certificateholders. Fannie Mae does not guarantee to any trust the payment of any prepayment premiums.
Business Day.....	For the Pass-Through Certificate, if issued, any day other than a Saturday or Sunday, a day when the fiscal agent or paying agent is closed, a day when the Federal Reserve Bank of New York is closed, or a day when the Federal Reserve Bank is closed in a district where a certificate account is located if the withdrawal is being made from that certificate account.
Trust Agreement	If issued, the Pass-Through Certificate will be issued pursuant to the Multifamily Master Trust Agreement effective as of October 1, 2010, as supplemented by an issue supplement for that issuance. Certain pertinent provisions of the trust agreement in the Fannie Mae MBS Prospectus will apply. The trust agreement may be found on Fannie Mae’s Web site: http://www.fanniemae.com
Paying Agent.....	The Federal Reserve Bank of New York currently serves as Fannie Mae’s paying agent for certificates such as the Pass-Through Certificate.

The Mortgage Loan..... The Mortgage Loans backing the Pass-Through Certificates are secured by first mortgage liens, are in the original principal amount of the respective Pass-Through Certificates; bear interest at a rate of ___% per annum; amortize over a period and have a balloon maturity as set forth in the TERM SHEET attached hereto as APPENDIX H.

SCHEDULE I

FORM OF PROPOSED ADDITIONAL DISCLOSURE ADDENDUM

The mortgaged property is subject to affordable housing regulatory agreements that impose income restrictions on tenants of the mortgaged property and is an Affordable Housing Loan. See “The Mortgage Loans—Affordable Housing Loans”; “RISK FACTORS—RISKS RELATING TO YIELD AND PREPAYMENT—Prepayment Relating to Specific Types of Mortgage Loans and Properties—The successful operation of a mortgaged property securing and affordable housing mortgage loan may depend upon additional factors”; and “RISK FACTORS—RISKS RELATING TO YIELD AND PREPAYMENT—Prepayment Relating to Specific Types of Mortgage Loans and Properties—An affordable housing mortgage loan may be secured by a mortgaged property that has received an allocation of low-income housing tax credits but that fails to remain in compliance with the requirements for maintaining eligibility to receive the tax credits due to operations of the property or a casualty on the property.” The mortgaged property also benefits from a tax abatement that reduces property taxes on the property during a portion of the term of the mortgage loan. See “RISK FACTORS— CHARACTERISTICS OF MULTIFAMILY PROPERTIES— Mortgage Loan Secured by Property Receiving Real Estate Tax Benefits”; and “RISK FACTORS- CHARACTERISTICS OF MULTIFAMILY PROPERTIES- Affordable Housing Loans.”

The Pass-Through Certificates will serve as collateral for a tax-exempt issue of multifamily housing bonds (the “Bonds”) issued by the Texas Department of Housing & Community Affairs (the “Issuer”) pursuant to and secured by an indenture of trust by and between the Issuer and Wilmington Trust, National Association, as trustee. The mortgage loan documents provide that the mortgage loan is cross-defaulted with certain agreements relating to the Bonds entered into at the time of the issuance of the Bonds, including but not limited to the indenture authorizing the Bonds and any housing regulatory agreements that limit rents, impose income restrictions or otherwise restrict the use of the property.

Because the mortgage loan documents provide that the mortgage loan is cross-defaulted with certain of the agreements relating to the Bonds, a default under any of the cross-defaulted documents may trigger an event of default on the mortgage loan. If Fannie Mae accelerates the mortgage loan as a result of any event of default under the mortgage loan, the mortgage loan will be paid in full, and the stated principal balance of the certificates will be passed through to the holder of the certificates. In this case, no yield maintenance or other prepayment premiums will be payable to the holder of the certificates.

In addition to the matters described above, the eligible multifamily lender originating the mortgage loan may request the disclosure of additional matters relating to the mortgage loan or, upon delivery of the mortgage loan to Fannie Mae, in Fannie Mae’s discretion, it may determine that matters identified in the Term Sheet attached as Appendix H or otherwise may need to be disclosed in the Additional Disclosure Addendum provided in connection with the issuance of the Pass-Through Certificates.

“**Highest Rating Category**” has the meaning, with respect to an Investment, given in this definition. If the Bonds are rated by a Rating Agency, the term “Highest Rating Category” means, with respect to an Investment, that the Investment is rated by each Rating Agency in the highest rating given by that Rating Agency for that general category of security. If at any time the Bonds are not rated (and, consequently, there is no Rating Agency), then the term “Highest Rating Category” means, with respect to an Investment, that the Investment is rated by S&P or Moody’s in the highest rating given by that rating agency for that general category of security. By way of example, the Highest Rating Category for tax-exempt municipal debt established by S&P is “A-1+” for debt with a term of one year or less and “AAA” for a term greater than one year, with corresponding ratings by Moody’s of “MIG-1” (for fixed rate) or “VMIG-1” (for variable rate) for one year or less and “Aaa” for greater than one year. If at any time (i) the Bonds are not rated, (ii) both S&P and Moody’s rate an Investment and (iii) one of those ratings is below the Highest Rating Category, then such Investment will, nevertheless, be deemed to be rated in the Highest Rating Category if the lower rating is no more than one rating category below the highest rating category of that rating agency. For example, an Investment rated “AAA” by S&P and “Aa3” by Moody’s is rated in the Highest Rating Category. If, however, the lower rating is more than one full rating category below the Highest Rating Category of that rating agency, then the Investment will be deemed to be rated below the Highest Rating Category. For example, an Investment rated “AAA” by S&P and “A1” by Moody’s is not rated in the Highest Rating Category.

“**Indenture**” or “**Indentures**” means, collectively, the Oaks on Lamar Indenture and the Riverside Townhomes Indenture, and individually, each Indenture.

“**Investment**” means any Permitted Investment and any other investment held under each Indenture that does not constitute a Permitted Investment.

“**Issuer**” means Texas Department of Housing and Community Affairs, a public and official agency of the State of Texas, together with its successors and assigns.

So long as payment has already been made or provided for with respect to the Payment Date in the month in which the Purchase Date occurs, any balance in the Collateral Security Interest Account following such Payment Date shall be, in the case of Bond proceeds, transferred to the Rehabilitation Account of the Proceeds Fund, or otherwise disbursed to the Borrower (after application of moneys therein to pay the accrued interest on the Pass-Through Certificate).

(f) The Borrower or the Tax Credit Investor may at any time (not later than the last day for which notice of redemption must be given pursuant to the Indenture) extend the Mandatory Redemption Date by depositing Preference Proof Moneys to the credit of the Collateral Security Interest Account in an amount sufficient to pay the interest on the Bonds from the last Payment Date to the extended Mandatory Redemption Date (an "Extension Deposit").

(g) Extension Deposits shall continue to be made by the Borrower or the Tax Credit Investor until the Purchase Date occurs or the Borrower or the Tax Credit Investor declines to make an Extension Deposit resulting in the mandatory redemption of the Bonds upon failure to purchase the Pass-Through Certificate.

(h) If a Purchase Date has not yet occurred and the Borrower or the Tax Credit Investor has deferred the Mandatory Redemption Date by making an Extension Deposit, the Trustee shall apply amounts on deposit in the Collateral Security Interest Account to pay the preceding month's accrual of interest on the Bonds on the next Payment Date. Whether or not the Purchase Date has been extended, on any Payment Date, the Trustee shall also apply amounts on deposit in the Collateral Security Principal Account equal to the amount set forth in the Mortgage Loan amortization schedule on the first day of the month in which such Payment Date occurs as included in the Term Sheet to redeem principal of the Bonds on such Payment Date; such redemption shall be in an amount equal to the preceding month's principal amortization on the Mortgage Loan as set forth in the Mortgage Loan amortization schedule included in the Term Sheet.

(i) After the Purchase Date, the Trustee shall remit to the Borrower any moneys on deposit in the Bond Fund deriving from the Mortgage Loan that are not needed to pay debt service on or the Redemption Price of the Bonds due to the operation of the Collateral Security Interest Account.

(j) Moneys on deposit in the Collateral Security Fund shall be uninvested or invested as described under the caption "Investment of Funds" above and the Tax Exemption Agreement.

Defeasance

(a) If all Bonds shall be paid and discharged as described under this caption, then all obligations of the Trustee and the Issuer under the Indenture with respect to all Bonds shall cease and terminate, except only (i) the obligation of the Trustee to pay or cause to be paid to the owners thereof all sums due with respect to the Bonds and to register, transfer and exchange Bonds pursuant to the Indenture, (ii) the obligation of the Issuer to pay the fees, charges and expenses owing to the Trustee under the Indenture from the Trust Estate, and (iii) the obligation of the Issuer to comply with the provisions of the Indenture and the Tax Exemption Agreement with respect to federal tax and arbitrage matters. Any funds held by the Trustee at the time of such termination which are not required for payment to Bondholders or for payment to be made by the Issuer, shall be paid as provided in the Indenture.

Any Bond or portion thereof in an authorized denomination shall be deemed no longer Outstanding under the Indenture if paid or discharged in any one or more of the following ways:

(i) by well and truly paying or causing to be paid the principal of and interest on such Bond which have become due and payable; or

(ii) by depositing with the Trustee, in trust, cash which, together with the amounts then on deposit in the Bond Fund and dedicated to this purpose, is fully sufficient to pay when due all principal of and interest on such Bond to the maturity or earlier redemption date thereof; or

(iii) by depositing with the Trustee, in trust, any investments listed in subparagraph (a) under the definition of Permitted Investments in the Indenture in such amount as in the written opinion of a certified public accountant will, together with the interest to accrue on such Permitted Investments without the need for reinvestment, be fully sufficient to pay when due all principal of and interest on such Bond to the maturity or earlier redemption date thereof, notwithstanding that such Bond shall not have been surrendered for payment.

(b) Notwithstanding the foregoing, no deposit under clauses (ii) and (iii) of paragraph (a) above shall be deemed a payment of such Bond until the earlier to occur of:

(i) if such Bond is by its terms subject to redemption within 45 days, proper notice of redemption of such Bond shall have been previously given in accordance with the Indenture to the holder thereof or, in the event such Bond is not by its terms subject to redemption within 45 days of making the deposit under clauses (ii) and (iii) of paragraph (a) above, the Issuer shall have given the Trustee irrevocable written instructions to mail by first-class mail, postage prepaid, notice to the holder of such Bond as soon as practicable stating that the deposit required by clauses (ii) or (iii) of paragraph (a) above, as applicable, has been made with the Trustee and that such Bond is deemed to have been paid and further stating such redemption date or dates upon which money will be available for the payment of the principal and accrued interest thereon; or

(ii) the maturity of such Bond.

(c) The Trustee shall be entitled to receive a report from a nationally recognized accounting firm to provide for the payment of all Bonds to be defeased pursuant to the provisions of the Indenture described under this caption.

No Release of Pass-Through Certificate

Except as described under this caption and in “Transfer of Pass-Through Certificate” below, the Trustee shall not release and discharge the Pass-Through Certificate from the lien of the Indenture until the principal of, premium, if any, and interest on the Bonds shall have been paid or duly provided for under the Indenture. The Trustee shall not release or assign the Pass-Through Certificate to any person other than a successor Trustee so long as Fannie Mae shall not be in default thereunder.

Transfer of Pass-Through Certificate

The Trustee shall maintain the Pass-Through Certificate in book entry form in the name of the Trustee and may not sell, assign, transfer or otherwise dispose of the Pass-Through Certificate except as provided under the caption “No Release of Pass-Through Certificate” above.

Modification of Mortgage Terms

To the extent allowed by applicable Federal or State law, the Issuer shall consent to the modification of, or modify, the amount of time or payment of any installment of principal or interest on any Mortgage Loan or the security for or any terms or provisions of any Mortgage Loan or Mortgage or the security for the same or the rate or rates of interest on the Mortgage Loans, solely to the extent required by federal or State law or regulations.

Events of Default

Each of the following shall constitute an Event of Default under the Indenture:

(a) Failure by Fannie Mae to pay principal, interest or premium, if any, due under the Pass-Through Certificate;

(b) Failure to pay the principal, interest or premium, if any, on the Bonds when the same shall become due; or

(c) Default in the observance or performance of any other covenant, agreement or condition on the part of the Issuer in the Indenture or the Tax Exemption Agreement and the continuation of such default for a period of 90 days after written notice to the Issuer from the Trustee or the registered owners of at least 75% in aggregate principal amount of the Bonds Outstanding at such time specifying such default and requiring the same to be remedied.

The Trustee, upon any failure by Fannie Mae to distribute to the Trustee any payment required to be made under the terms of the Pass-Through Certificate, shall notify Fannie Mae not later than the next Business Day (all such notices to be promptly confirmed in writing) requiring the failure to be remedied.

The Trustee will immediately notify the Issuer, the Bondholders, the Lender and Fannie Mae after a Responsible Officer obtains knowledge or receives notice of the occurrence of an Event of Default or an event which would become an Event of Default with the passage of time or the giving of notice, or both.

Acceleration; Rescission of Acceleration

Upon the occurrence of an Event of Default as described in clause (a) under the caption "Events of Default" above, the Trustee may, and upon the written request of the holders of not less than 75% in aggregate principal amount of the Bonds then Outstanding, which written request shall acknowledge that the amounts due on the Pass-Through Certificate cannot be accelerated solely by virtue of acceleration of the Bonds, and upon receipt of indemnity satisfactory to it, shall, by notice in writing delivered to the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable. Subject to the provisions described under the caption "No Interference or Impairment of Pass-Through Certificate" below, upon the occurrence of an Event of Default as described in clause (b) under the caption "Events of Default" above, no action shall be taken by the Trustee, unless an Event of Default described in clause (a) under the caption "Events of Default" above has occurred, in which event the Trustee shall proceed as provided above. An Event of Default as described in clause (c) under the caption "Events of Default" above shall not give rise to an acceleration pursuant to the provisions described under this caption, provided, however, that following such an Event of Default, the holder of 100% of the Bonds then Outstanding may direct the Trustee in writing to transfer the Pass-Through Certificate to it or its designee, in which case, the Trustee shall cancel the Bonds upon such release and transfer of the Pass-Through Certificate, and upon such transfer, the Bonds will no longer be Outstanding. In the event any payments are received by the Trustee after the transfer of the Pass-Through Certificate and cancellation of the Bonds, all such payments shall belong to and be transferred to the owner of the Pass-Through Certificate.

The acceleration of the Bonds will not constitute a default under, or by itself cause the acceleration of, the Pass-Through Certificate.

If at any time after the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Issuer, the Borrower or Fannie Mae, as applicable, shall pay to or deposit with the Trustee a sum sufficient to pay all principal of the Bonds then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) on all the Bonds then due with interest at the rate borne by the Bonds on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable expenses of the Trustee shall have been made good or cured or adequate provisions shall have been made therefor, and all other defaults under the Indenture have been made good or cured or waived in writing by the holders of a majority in principal amount of the Bonds then Outstanding, then and in every case, the Trustee on behalf of the holders of all the Bonds shall rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent Event of Default, nor shall it impair or exhaust any right or power consequent thereon.

Other Remedies; Rights of Bondholders

Subject to the provisions described under the caption "No Interference or Impairment of Pass-Through Certificate" below, upon the happening and continuance of an Event of Default the Trustee in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the holders of all Bonds, may also proceed to protect and enforce any rights of the Trustee and, to the full extent that the holders of such Bonds themselves might do, the rights of such Bondholders under the laws of the State or under the Indenture by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights:

(a) By pursuing any available remedies under the Financing Agreement, the Regulatory Agreement or the Pass-Through Certificate, and prior to the Purchase Date, the Mortgage;

(b) Upon an Event of Default as described in clause (a) of “Events of Default” above only, by realizing or causing to be realized through sale or otherwise upon the security pledged under the Indenture (including the sale or disposition of the Pass-Through Certificate); and

(c) By action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the Bonds and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

If an Event of Default shall have occurred, and if requested by the holders of not less than 75% in aggregate principal amount of the Bonds then Outstanding, and upon being indemnified to its satisfaction, the Trustee shall be obligated to exercise one or more of the rights and powers conferred by the Indenture as the Trustee, being advised by counsel, shall deem to be in the best interests of the Bondholders subject to the limitations set forth above and in the Indenture.

No right or remedy by the terms of the Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right and remedy shall be cumulative and shall be in addition to any other right or remedy given to the Trustee or to the Bondholders under the Indenture, the Financing Agreement, the Regulatory Agreement or the Pass-Through Certificate existing as of or after the date of the Indenture at law or in equity.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein and every such right and power may be exercised from time to time as often as may be deemed expedient.

No waiver of any default or Event of Default under the Indenture, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Application of Moneys After Default

All moneys collected by the Trustee at any time pursuant to the Indenture after an Event of Default shall, except to the extent, if any, otherwise directed by a court of competent jurisdiction, be credited by the Trustee to the Bond Fund. Such moneys so credited to the Bond Fund and all other moneys from time to time credited to the Bond Fund shall at all times be held, transferred, withdrawn and applied as prescribed by the provisions of the Indenture.

Subject in all instances to the provisions of the Indenture, in the event that at any time the moneys credited to the Bond Fund, or any other funds held by the Issuer or the Trustee available for the payment of interest or principal then due with respect to the Bonds, shall be insufficient for such payment, such moneys and funds (other than funds held for the payment or redemption of particular Bonds as provided in the Indenture) shall be applied as follows:

(a) Only in the event that there has been an Event of Default under the Indenture pursuant to clause (a) of “Events of Default” above as a result of a failure by Fannie Mae to make payments under the Pass-Through Certificate, for payment of all amounts due to the Trustee incurred in performance of its duties under the Indenture and the other documents executed in connection therewith, including, without limitation, the payment of all reasonable fees and expenses of the Trustee incurred in exercising any remedies under the Indenture and the other documents executed in connection with the Indenture;

(b) Unless the principal of all of the Bonds shall have become, or shall have been declared due and payable:

First – To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available is not sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

Second – To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on any Bonds which shall have become due, whether at maturity or by call for redemption, in the order in which they became due and payable, and if the amount available is not sufficient to pay in full all the principal of and premium, if any, on the Bonds so due on any date, then to the payment of principal ratably, according to the amounts due on such date, to the persons entitled thereto, without any discrimination or preference; and

(c) If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal of, premium, if any, and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, of of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

Control of Proceedings

In the case of an Event of Default as described in clause (a) under “Events of Default” above, the holders of 75% in aggregate principal amount of the Bonds then Outstanding shall have the right, subject to the provisions of the Indenture, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee; provided, however, that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action or proceeding so directed may not be taken lawfully, or if the Trustee in good faith shall determine that the action or proceeding so directed would involve the Trustee in personal liability or otherwise adversely affect the Trustee or be unjustly prejudicial to Bondholders not parties to such direction.

No Interference or Impairment of Pass-Through Certificate

Notwithstanding any other provision of the Indenture to the contrary, so long as the Pass-Through Certificate remains outstanding and Fannie Mae is not in default in its payment obligations thereunder, neither the Issuer, the Trustee nor any person under their control shall, without the prior written consent of Fannie Mae, exercise any remedies or direct any proceedings under the Indenture other than to (a) enforce rights under the Pass-Through Certificate, (b) enforce the tax covenants in the Indenture, the Tax Exemption Agreement and the Financing Agreement, or (c) enforce rights of specific performance under the Regulatory Agreement; provided, however, that any enforcement under (b) or (c) above shall not include seeking monetary damages other than actions for Issuer Fees or the Trustee’s fees and expenses.

Nothing contained in the Indenture shall affect or impair the right of any Bondholder to enforce the payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation of the Trustee to pay the principal of, premium, if any, and interest on the Bonds issued under the Indenture to the respective holders thereof, at the time, in the place, from the sources and in the manner expressed in the Indenture and in said Bonds.

Supplemental Indentures Effective Upon Acceptance

For any one or more of the following purposes and at any time or from time to time, the Issuer and the Trustee may enter into a Supplemental Indenture which, upon the execution and delivery thereof by an Authorized Officer and by the Trustee, and with the prior written consent of Fannie Mae, but without the necessity of consent of the Bondholders, shall be fully effective in accordance with its terms:

(a) To add to the covenants or agreements of the Issuer contained in the Indenture other covenants or agreements to be observed by the Issuer or to otherwise revise or amend the Indenture in a manner which are/is not materially adverse to the interests of the Bondholders;

(b) To add to the limitations or restrictions contained in the Indenture other limitations or restrictions to be observed by the Issuer which are not contrary to or inconsistent with the provisions of the Indenture as theretofore in effect;

(c) To surrender any right, power or privilege reserved to or conferred upon the Issuer in the Indenture, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Issuer contained in the Indenture and is not materially adverse to the interests of the Bondholders;

(d) To confirm, as further assurance, any pledge of the Trust Estate under the Indenture and the subjection to any lien on or pledge of the Trust Estate created or to be created by the Indenture;

(e) To appoint a co-trustee or successor Trustee or successor co-trustee;

(f) To cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provision in the Indenture;

(g) To insert such provisions clarifying matters or questions arising under the Indenture as are necessary or desirable and are not materially adverse to the interests of the Bondholders; and

(h) To make such changes and modifications that are necessary or desirable to provide for all interest, principal and premium paid with respect to the Bonds are in the exact respective amounts of the payments of interest, principal and premium paid under and pursuant to the Pass-Through Certificate.

Supplemental Indentures Requiring Consent of Bondholders

In addition to those amendments to the Indenture which are authorized by the provisions described under the caption "Supplemental Indentures Effective Upon Acceptance" above, any modification or amendment of the Indenture may be made by a Supplemental Indenture with the written consent, given as provided in the Indenture, of Fannie Mae and the holders of at least two thirds in aggregate principal amount of the Bonds Outstanding at the time such consent is given; provided, however, that no such modification or amendment shall (a) permit a change in the terms of redemption or maturity of the principal amount of any Outstanding Bond or an extension of the date for payment of any installment of interest thereon or a reduction in the principal amount of, premium, if any, or the rate of interest on any Outstanding Bond without the consent of the holder of such Bond, (b) reduce the proportion of Bonds the consent of the holders of which is required to effect any such modification or amendment or to effectuate an acceleration of the Bonds prior to maturity, (c) permit the creation of a lien on the Trust Estate pledged under the Indenture prior to or on a parity with the lien of the Indenture, (d) deprive the holders of the Bonds of the lien created by the Indenture upon the Trust Estate (except as expressly provided in the Indenture), without (with respect to (b) through (d)) the consent of the holders of all Bonds then Outstanding, or (e) change or modify any of the rights or obligations of the Trustee without the written consent thereto of the Trustee.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE FINANCING AGREEMENT

The following is a summary of certain provisions of the Riverside Townhomes Financing Agreement. Except with respect to certain dollar amounts, percentages and parties, the Oaks on Lamar Agreement is substantially identical to the Riverside Townhomes Financing Agreement. This summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Riverside Townhomes Financing Agreement, copies of which, along with copies of the Oaks on Lamar Financing Agreement, are on file with the Trustee.

Amount and Source of Mortgage Loan

Upon the issuance and delivery of the Bonds, pursuant to the Indenture the Issuer will make the Mortgage Loan to the Borrower and the Borrower will apply the proceeds of the Bonds as provided in the Indenture to pay Project costs. The Trustee shall apply the proceeds of the Assigned Loan as described in “APPENDIX C — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Collateral Security Fund” to secure the Bonds until the Purchase Date and then to purchase the Pass-Through Certificate. The Borrower will accept the Mortgage Loan from the Issuer, upon the terms and conditions set forth in the Financing Agreement, in the Mortgage Loan Documents and in the Indenture, and subject to the terms and conditions of the Tax Exemption Agreement and the Regulatory Agreement. The Issuer will cause the proceeds of the Assigned Loan to be provided to the Trustee for deposit to the Collateral Security Principal Account of the Collateral Security Fund. The Borrower has acknowledged its obligation to pay all amounts necessary to pay principal and interest on the Bonds. The Borrower has made arrangements for the delivery to the Trustee of the Pass-Through Certificate and of certain other Preference Proof Moneys as contemplated in the Financing Agreement and in the Indenture. Payments on the Pass-Through Certificate received by the Trustee shall be credited to amounts due from the Borrower for payment of principal and interest on the Bonds.

Payment of Fees and Expenses

In addition to all fees, costs, expenses and other amounts required to be paid by the Borrower under the Mortgage Note, the Borrower shall pay, without duplication, the following fees and expenses:

- (a) All amounts required to (i) pay the fees of the Trustee for its duties and services as Trustee in connection with the Bonds (as such duties and services are set out in the Indenture), and (ii) reimburse the Trustee for all out-of-pocket expenses, fees, costs and other charges, including reasonable counsel fees and taxes (excluding income, value added and similar business taxes), reasonably and necessarily incurred by the Trustee in performing its duties as Trustee under the Indenture and the Tax Exemption Agreement. All payments for fees and expenses shall be made by the Borrower not later than ten (10) days after receipt of invoices or other statements rendered to the Borrower by the Trustee.
- (b) The Issuer Fees.
- (c) The fees of the Rebate Analyst (as defined in the Tax Exemption Agreement) and any other consultant as required by the Tax Exemption Agreement and, upon receipt of an appropriately completed invoice, all out-of-pocket expenses of the Rebate Analyst and any other consultant.
- (d) The annual rating maintenance fee, if any, of any Rating Agency then rating the Bonds.
- (e) All Costs of Issuance of the Bonds, including, but not limited to, Rating Agency fees, printing expenses, attorneys’ fees and underwriters’ fees, and all expenses of originating the Mortgage Loan by the Lender and assigning and delivering the Mortgage Loan to Fannie Mae, the Borrower acknowledging that all such fees, costs and expenses must be paid by the Borrower separate and apart from payments due under the Mortgage Loan and will not be included in the Mortgage Note Rate.

(f) The Costs of Issuance deposit to be made to the Costs of Issuance Fund on the Closing Date pursuant to the Indenture.

The Borrower shall either pay the foregoing items directly or, to the extent such items are to be paid by the Trustee under the Indenture, shall pay as Operating Revenue to the Trustee for deposit to Operating Fund under the Indenture amounts sufficient to enable the Trustee to pay the foregoing items in a timely manner.

The Borrower shall pay through the Lender all fees and expenses not included within the Mortgage Note Rate. All fees and expenses not included in the Mortgage Note Rate shall not be secured by the Mortgage, and shall be subordinate to the Borrower's obligations under the Mortgage Loan in all respects and shall be secured by the Subordinate Mortgage subject to the provisions of the Subordination Agreement. No such fees or expenses payable to the Issuer or the Trustee shall be paid from the proceeds of the Pass-Through Certificate, except with respect to the Trustee to the extent set forth in the Indenture.

Notification of Prepayment of Mortgage Note

The Lender shall notify the Trustee promptly of the receipt of any prepayment of the Mortgage Note, whether upon acceleration, by reason of application of insurance or condemnation proceeds, optional prepayment or otherwise, unless the Lender has received written evidence that the Borrower has notified the Trustee of such prepayment. If such prepayment results in revisions to the amortization schedule included in the Term Sheet, Lender shall provide the revised amortization schedule to the Trustee.

Term Sheet

The Lender will deliver on the Closing Date the Term Sheet in the form attached as APPENDIX H hereto and will certify by its execution of the Financing Agreement that the information set forth therein is accurate as of the Closing Date. The Lender has agreed that it will promptly advise the Issuer, the Trustee and the Underwriter in writing of any changes which occur in the information set forth in the Term Sheet after the Closing Date and before the date on which the Pass-Through Certificate is acquired by the Trustee pursuant to the provisions of the Indenture; provided, however, that such changes may only be made to cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provision in the Term Sheet.

Indemnification

To the fullest extent permitted by applicable law, the Borrower has covenanted and agreed as follows: to protect, indemnify and save the Issuer and its governing board members, directors, officers, agents and employees harmless from and against all liability, losses, damages, costs, expenses (including reasonable attorneys' fees), taxes, causes of action, suits, claims, demands and judgments of any nature or form, by or on behalf of any person arising in any manner from the transaction of which the Financing Agreement is a part or arising in any manner in connection with the Project or the financing of the Project including, without limiting the generality of the foregoing, arising from (i) the work done on the Project or the operation of the Project during the term of the Financing Agreement or (ii) any breach or default on the part of the Borrower in the performance of any of its obligations under the Financing Agreement, or (iii) the Project or any part thereof, or (iv) any violation of contract, agreement or restriction relating to the Project excluding the payment of the principal, premium, if any, and interest on the Bonds, or (v) any liability, violation of law, ordinance or regulation affecting the Project or any part thereof or the ownership or occupancy or use thereof. Upon notice from the Issuer or any of its respective governing board members, directors, officers, agents or employees, the Borrower shall defend the Issuer or any of its respective governing board members, directors, officers, agents or employees in any action or proceeding brought in connection with any of the above; provided, however, that the Issuer shall have the right to employ separate counsel in any action described in the preceding sentence at the expense of the Borrower.

It is the intention of the parties to the Financing Agreement that the Issuer and its respective governing board members, directors, officers, agents and employees shall not incur pecuniary liability by reason of the terms of the Financing Agreement or by reason of the undertakings required of the Issuer and its respective governing board members, directors, officers, agents and employees in connection with the issuance of the Bonds, including but not

limited to the execution and delivery of the Indenture, the Financing Agreement, the Tax Exemption Agreement, the Regulatory Agreement, and all other instruments and documents required to close the transaction; the performance of any act required of the Issuer and its respective governing board members, directors, officers, agents and employees by the Financing Agreement; or the performance of any act requested of the Issuer and its respective governing board members, directors, officers, agents and employees by the Borrower or in any way arising from the transaction of which the Financing Agreement is a part or arising in any manner in connection with the Project or the financing of the Project, including but not limited to the execution and delivery of the Indenture, the Financing Agreement, the Tax Exemption Agreement, the Regulatory Agreement and all other instruments and documents required to close the transaction; nevertheless, if the Issuer or its respective governing board members, directors, officers, agents and employees should incur any such pecuniary liability with respect to events occurring after the date of the Financing Agreement, then in such event the Borrower shall indemnify and hold the Issuer and its respective governing board members, directors, officers, agents and employees harmless against all claims by or on behalf of any person, arising out of the same, and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon timely notice from the Issuer the Borrower shall defend the Issuer and its respective governing board members, directors, officers, agents and employees in any such action or proceeding, and provide competent counsel satisfactory to the Issuer and the Borrower shall pay the Issuer expenses including payment of the counsel used by the Issuer; provided however that the Issuer shall have the right to employ separate counsel in any action described in the preceding sentence at the expense of the Borrower.

Notwithstanding any provision of the Financing Agreement to the contrary, the Issuer shall be indemnified by the Borrower with respect to liabilities arising from the Issuer's own gross negligence, negligence or breach of contractual duty, but not for any liabilities arising from the Issuer's own bad faith, fraud or willful misconduct.

Notwithstanding any provision of the Financing Agreement to the contrary the Borrower's obligations with respect to indemnification will not be secured by the Project and shall be personal obligations of the Borrower and any successor owner of the Project by foreclosure, deed in lieu of foreclosure or otherwise shall not be responsible for or incur any liability with respect to any indemnification obligations described in the Financing Agreement.

The Borrower has covenanted and agreed to indemnify, hold harmless and defend the Trustee, the Lender and their respective officers, members, directors, officials, agents and employees and each of them (each an "indemnified party") from and against, (a) any and all claims, joint or several, by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated by the Financing Agreement or otherwise in connection with the Project, the Bonds or the execution or amendment of any document relating thereto; (b) any and all claims, joint or several, arising from any cause whatsoever in connection with the approval of refinancing for the Project or the making of the Mortgage Loan; (c) any and all claims, joint or several, arising from any act or omission of the Borrower or any of its agents, servants, employees or licensees, in connection with the Mortgage Loan or the Project; (d) all reasonable costs, counsel fees, expenses or liabilities incurred in connection with any such claim, or proceeding brought thereon; (e) any and all claims arising in connection with the issuance and sale, resale or remarketing of any Bonds or any certifications or representations made by any Person other than the Issuer or the party seeking indemnification in connection therewith and the carrying out by the Borrower of any of the transactions contemplated by the Bonds, the Indenture, the Tax Exemption Agreement, the Regulatory Agreement and the Financing Agreement; (f) any and all claims arising in connection with the operation of the Project, or the conditions thereof, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof; and (g) any and all losses, claims, damages, liabilities or expenses, joint or several, arising out of or connected with the Trustee's acceptance or administration of the trusts created by the Indenture and the exercise of its powers or duties thereunder or under the Financing Agreement, the Tax Exemption Agreement, the Regulatory Agreement or any other agreements in connection therewith to which it is a party, except in the case of the foregoing indemnification of the Trustee or the Lender or any of their respective officers, members, directors, officials and employees, to the extent such damages are caused by the negligence or willful misconduct of such Person. In the event that any action or proceeding is brought against any indemnified party with respect to which indemnity may be sought under the Financing Agreement, the Borrower, upon written notice from the indemnified party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Borrower, subject to the approval of the indemnified party in such party's sole but reasonable discretion, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole

discretion; provided that the Trustee and the Lender shall have the right to review and approve or disapprove any such compromise or settlement. Each indemnified party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that unless such separate counsel is employed with the approval of the Borrower, which approval shall not be unreasonably withheld, the Borrower shall not be required to pay the fees and expenses of such separate counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of the Regulatory Agreement, the Borrower shall remain obligated to indemnify each indemnified party pursuant to the provisions described under this caption if such subsequent owner fails to indemnify any party entitled to be indemnified under the Financing Agreement, unless such indemnified party has consented to such transfer and to the assignment of the rights and obligations of the Borrower under the Financing Agreement.

During any period that Fannie Mae owns the Project and that the provisions described under this caption are applicable to Fannie Mae, Fannie Mae's obligations under this caption shall be limited to acts and omissions of Fannie Mae occurring during the period of Fannie Mae's ownership of the Project.

Events of Default

(a) Each of the following shall constitute an event of default under the Financing Agreement, and the term "Event of Default" shall mean, whenever used in the Financing Agreement, any one or more of the following events:

(i) Failure by the Borrower to pay any amounts due under the Financing Agreement at the times and in the amounts required thereby; or

(ii) Failure by the Borrower to observe or perform any covenants, agreements or obligations in the Financing Agreement on its part to be observed or performed (other than as provided in clause (i) above) for a period of thirty (30) days after receipt of written notice specifying such failure and requesting that it be remedied, given to the Borrower by any party to the Financing Agreement; provided, however, that if said failure shall be such that it cannot be corrected within such period, it shall not constitute an Event of Default if the failure is correctable without material adverse effect on the Bonds and if corrective action is instituted by the Borrower within such period and diligently pursued until the failure is corrected, and provided further that any such failure shall have been cured within ninety (90) days of receipt of notice of such failure; or

(iii) Breach of any of the covenants, agreements or obligations of the Borrower under or the occurrence of a default which is continuing under the Tax Exemption Agreement or the Regulatory Agreement, including any exhibits thereto; or

(iv) The occurrence of an Event of Default caused by the Borrower under and as defined in the Indenture or under any of the other Bond Documents.

Nothing contained in the provisions of the Financing Agreement described under this caption is intended to amend or modify any of the provisions of the Mortgage Loan Documents nor to bind the Borrower, the Lender or Fannie Mae to any notice and cure periods other than as expressly set forth in the Mortgage Loan Documents. Issuer, Trustee, Lender and Fannie Mae have agreed that (A) Tax Credit Investor shall have the right, but not the obligation, to cure any default on behalf of the Borrower on the same terms provided to the Borrower in the Financing Agreement; and (B) any cure of any Event of Default under the Financing Agreement made or tendered by the Tax Credit Investor shall be deemed to be a cure by the Borrower, and shall be accepted or rejected under the Financing Agreement on the same basis as if made or tendered by the Borrower.

Remedies Upon an Event of Default

(a) Subject to the provisions described in paragraph (d) below, whenever any Event of Default shall have occurred and be continuing, the Issuer or the Trustee may take any one or more of the following remedial steps:

(i) By any suit, action or proceeding, pursue all remedies existing as of or after the date of the Financing Agreement at law or in equity to collect all amounts then due and thereafter to become due under the Financing Agreement, to enforce the performance of any covenant, obligation or agreement of the Borrower under the Financing Agreement (subject to the nonrecourse provisions of the Financing Agreement and the Regulatory Agreement) or, to enjoin acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee.

(ii) Take whatever other action at law or in equity may appear necessary or desirable to enforce any monetary obligation of the Borrower under the Financing Agreement or to enforce any other covenant, obligation or agreement of the Borrower under (1) the Financing Agreement, (2) the Tax Exemption Agreement, or (3) the Regulatory Agreement.

(iii) Have access to and inspect, examine, audit and make copies of the books and records and any and all accounts, data and income tax and other tax returns of the Borrower.

(b) The provisions of the Financing Agreement described in paragraph (a) above are subject to the condition that if, after any Event of Default, except a default under the Regulatory Agreement, (i) all amounts which would then be payable under the Finance Agreement by the Borrower if such Event of Default had not occurred and was not continuing shall have been paid by or on behalf of the Borrower, and (ii) the Borrower shall have also performed all other obligations in respect of which it is then in default under the Financing Agreement and shall have paid the reasonable charges and expenses of the Issuer and the Trustee, including reasonable attorney fees and expenses paid or incurred in connection with such default, then and in every such case, such Event of Default may be waived and annulled by the Trustee, but no such waiver or annulment shall extend to or affect any subsequent Event of Default or impair any right or remedy consequent thereon.

(c) Subject to the limitations of the Regulatory Agreement and the Financing Agreement, the Issuer, without the consent of the Trustee, but only after written notice to the Trustee, the Borrower, the Lender and Fannie Mae, may take whatever action at law or in equity may appear necessary or desirable to enforce performance and observance of any Reserved Right of the Issuer; provided that, the Issuer may not (i) terminate the Financing Agreement or cause the Mortgage Loan to become due and payable, (ii) cause the Trustee to declare the principal of all Bonds then Outstanding and the interest accrued thereon to be immediately due and payable, or cause the Trustee to accelerate, foreclose or take any other action or seek other remedies under the Bond Documents, the Mortgage Loan Documents or any other documents contemplated thereby to obtain such performance or observance, (iii) cause the acceleration, foreclosure or taking of any other action or the seeking of any remedies under the Mortgage Loan Documents, (iv) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal, interest and other amounts due under the Mortgage Loan, or (v) interfere with or attempt to influence the exercise by Fannie Mae of any of its rights under the Bond Documents or the Mortgage Loan Documents.

(d) Except as required to be deposited in the Rebate Fund pursuant to the Tax Exemption Agreement, any amounts collected pursuant to action taken as described under this caption shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, the Issuer, the Lender or Fannie Mae and their respective counsel, be applied in accordance with the provisions of the Indenture. No such action taken as described under this caption shall relieve the Borrower from the Borrower's obligations pursuant to the provisions described under "Indemnification" above.

(e) No remedy in the Financing Agreement conferred upon or reserved to the Issuer or the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be

cumulative and shall be in addition to every other remedy existing as of or after the date of the Financing Agreement pursuant to any other agreement at law or in equity or by statute.

(f) Notwithstanding any other provision of the Financing Agreement to the contrary, after the Purchase Date, so long as Fannie Mae is not in default under the Pass-Through Certificate, none of the Issuer, the Trustee or any Person under their control shall exercise any remedies or direct any proceedings under the Financing Agreement or the Mortgage Loan Documents, other than to (i) enforce rights under the Pass-Through Certificate, (ii) enforce the tax covenants in the Indenture, the Financing Agreement and the Tax Exemption Agreement, or (iii) enforce rights of specific performance under the Regulatory Agreement; provided, however, that any enforcement under (ii) or (iii) above shall not include seeking monetary damages other than the Issuer Fees and the Trustee's fees and expenses.

Default Under Regulatory Agreement

(a) If the Borrower fails, at any time for any reason, to comply with the requirements of the Regulatory Agreement, then within thirty (30) days after the earlier of the date the violation is discovered by the Issuer or the Trustee or the date the Issuer or the Trustee received notice thereof, the Issuer (if necessary to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes) or the Trustee, on behalf of and at the request of the Issuer, shall institute an action for specific performance to correct the violation. The Borrower has acknowledged and agreed that were money damages a remedy under the Regulatory Agreement, money damages alone would not be an adequate remedy at law for a default by the Borrower arising from a failure to comply with the Regulatory Agreement, and therefore the Borrower has agreed that the remedy of specific performance (subject to the provisions described in paragraph (d) under the caption "Remedies Upon an Event of Default" above) shall be available to the Issuer and/or the Trustee in any such case.

(b) Notwithstanding the availability of the remedy of specific performance described in paragraph (a) above, promptly upon determining that a violation of the Regulatory Agreement has occurred, the Issuer shall, by notice in writing to the Lender, inform the Lender that a violation of the Regulatory Agreement has occurred; notwithstanding the occurrence of such violation, neither the Issuer nor the Trustee shall have, and each of them has acknowledged that they shall not have, any right to cause or direct acceleration of the Mortgage Loan, to enforce the Mortgage Note or to foreclose on the Mortgage.

“Related Person” has the meaning set forth in section 144(a)(3) of the Code. A person is a “Related Person” to another person if the relationship between such persons would result in a disallowance of losses under sections 267 or 707(b) of the Code or such persons are members of the same controlled group of corporations (as defined in section 1563(a) of the Code, except that “more than 50 percent” is substituted for “at least 80 percent” each place it appears therein).

“Unit” means a residential accommodation containing separate and complete facilities for living, sleeping, eating, cooking and sanitation located within the Project; provided that, a unit will not fail to be treated as a Unit merely because it is a single-room occupancy unit (within the meaning of Section 42 of the Code).

Tax-Exempt Status of the Bonds

The Borrower will not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes (subject to any exceptions contained in the opinion delivered upon the original issuance of the Bonds). With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that prior to the final maturity of the Bonds, unless it has received and filed with the Issuer and Trustee a Favorable Opinion of Bond Counsel:

(a) That the Project will be owned, managed and operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the Qualified Project Period. In particular, the Borrower covenants and agrees, continuously during the Qualified Project Period, as follows:

(i) that the Project will be comprised of residential Units and facilities functionally related and subordinate thereto;

(ii) that each Unit will contain complete facilities for living, sleeping, eating, cooking and sanitation, e.g., a living area, a sleeping area, bathing and sanitation facilities, and cooking facilities equipped with a cooking range, refrigerator and sink, all of which are separate and distinct from other Units; provided that, a Unit will not fail to meet these requirements merely because it is a single-room occupancy unit (within the meaning of Section 42 of the Code);

(iii) that the land and the facilities that are part of the Project will be functionally related and subordinate to the Units comprising the Project and will be of a character and size that is commensurate with the character and size of the Project;

(iv) that at no time during the Qualified Project Period will any of the Units be utilized (A) on a transient basis by being leased or rented for a period of less than thirty days or (B) as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, sanitarium, nursing home, rest home, or trailer park or court used on a transient basis;

(v) that the Project will consist of one or more proximate buildings or structures, together with any functionally related and subordinate facilities containing one or more similarly constructed Units, all of which (A) will be located on a single tract of land or two or more parcels of land that are contiguous except for the interposition of a road, street, stream or similar property or their boundaries meet at one or more points, (B) will be owned by the same person for federal income tax purposes, and (C) will be financed pursuant to a common plan;

(vi) that substantially all of the Project will consist of similarly constructed Units together with functionally related and subordinate facilities for use by Project tenants at no additional charge, such as swimming pools, other recreational facilities, parking areas, and other facilities that are reasonably required for the Project, such as heating and cooling equipment, trash disposal equipment, and Units for resident managers, security personnel or maintenance personnel;

(vii) that at no time during the Qualified Project Period will any Unit in any building or structure in the Project that contains fewer than five Units be occupied by the Borrower;

(viii) that each Unit will be rented or available for rental on a continuous basis to Eligible Tenants (subject to the limitations and exceptions contained in the Regulatory Agreement, the Tax Exemption Agreement and the Financing Agreement) at all times during the longer of (A) the term of the Bonds or (B) the Qualified Project Period, that the Borrower will not give preference in renting Units to any particular class or group of persons, other than Persons with Special Needs, Low Income Tenants and other Eligible Tenants as provided in the Regulatory Agreement, and that at no time will any portion of the Project be exclusively reserved for use by a limited number of nonexempt persons in their trades or businesses;

(ix) that except, if applicable, during the 12-month “transition period” beginning on the Closing Date, as provided under Revenue Procedure 2004-39, 2004-2 C.B. 49 at least 40% of the Available Units will be occupied or held vacant and available for occupancy at all times by Low Income Tenants (the “Set Aside”). For the purposes of this clause (a)(ix), a vacant Unit that was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, at which time the character of such Unit must be redetermined. No tenant qualifying as a Low Income Tenant will be denied continued occupancy of a Unit because, after the most recent Tenant Income Certification, such tenant’s Annual Income increases to exceed the qualifying limit for Low Income Tenants; provided, however, that, should a Low Income Tenant’s Annual Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low Income Tenant of the same family size and such Low Income Tenant constitutes a portion of the Set Aside, then such tenant will only continue to qualify for so long as no Unit of comparable or smaller size in the Project is rented to a tenant that does not qualify as a Low Income Tenant;

(x) that the Borrower will obtain, complete and maintain on file (A) Tenant Income Certifications and supporting documentation from each Low Income Tenant dated immediately prior to the initial occupancy of such Low Income Tenant in the Project and (B) thereafter, annual certification regarding, at a minimum, information regarding household composition and student status in the form available on the Issuer’s website; provided that, if any Units in the Project are ever made available to tenants who are not Low-Income Tenants, then the Borrower will obtain, complete and maintain annual Tenant Income Certifications in accordance with Section 142(d)(3)(A) of the Code. The Borrower will obtain such additional information as may be required in the future by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service as of or after the date of the Regulatory Agreement with respect to obligations that are tax-exempt private activity bonds described in Section 142(d) of the Code. The Borrower will make a diligent and good-faith effort to determine that the income information provided by an applicant in any certification is accurate by taking steps required under Section 142(d) of the Code pursuant to provisions of the Housing Act. As part of the verification, the Borrower will document income and assets in accordance with HUD Handbook 4350.3 and the Issuer’s Compliance Monitoring Rules;

(xi) that, on or before each March 31, the Borrower will submit to the Secretary of the Treasury, with a copy provided to the Issuer, the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Project continues to meet the requirements of Section 142(d) of the Code; and

(xii) that the Borrower will prepare and submit the Unit Status Report in the form available on the Issuer’s website at the time of such submission to the Issuer (via the electronic filing system available on the Issuer’s website) and to the Trustee in accordance with the provisions described in paragraph (e) under the caption “Housing Development During the State Restrictive Period” below. The Borrower will retain all documentation required by this clause (a)(xii) until the date that is three years after the end of the Qualified Project Period.

(b) That the Borrower will maintain complete and accurate records pertaining to the Low Income Units and will permit, at all reasonable times during normal business hours and upon reasonable notice, and subject to the rights of tenants in lawful possession, any duly authorized representative of the Issuer, the Trustee, the Department of the Treasury or the Internal Revenue Service to enter upon the Project Site to examine and inspect the Project and to inspect and photocopy the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units. The Borrower will retain all records maintained in accordance with the provisions described under this caption until the date that is three years after the end of the Qualified Project Period.

(c) The Borrower has certified that as of the Closing Date 50% of the Units are occupied.

(d) That the Borrower will prepare and submit to the Issuer and the Trustee, within 60 days prior to the last day of the Qualified Project Period, a certificate setting forth the date on which the Qualified Project Period will end, which certificate must be in recordable form.

Anything in the Regulatory Agreement to the contrary notwithstanding, it is expressly understood and agreed by the parties thereto that the Issuer and the Trustee may rely conclusively on the truth and accuracy of any certificate, opinion, notice, representation or instrument made or provided by the Borrower in order to establish the existence of any fact or statement of affairs solely within the knowledge of the Borrower, and which is required to be noticed, represented or certified by the Borrower under the Regulatory Agreement or in connection with any filings, representations or certifications required to be made by the Borrower in connection with the issuance and delivery of the Bonds.

Housing Development During the State Restrictive Period

The Issuer and the Borrower have recognized and declared their understanding and intent that the Project is to be owned, managed and operated as a "housing development," as such term is defined in Section 2306.004(13) of the Act, and in compliance with applicable restrictions and limitations as provided in the Act and the rules of the Issuer until the expiration of the State Restrictive Period.

To the same end, the Borrower has represented, covenanted and agreed as follows during the State Restrictive Period:

(a) except for Units occupied or reserved for a resident manager, security personnel and maintenance personnel that are reasonably required for the Project, to assure that 100% of the Units are reserved for Eligible Tenants;

(b) to assure that the provisions of clauses (a)(viii) and (a)(ix) under the caption "Tax-Exempt Status of the Bonds" above continue in full force and effect until the end of the State Restrictive Period;

(c) to obtain a Tenant Income Certification from each tenant in the Project (other than resident managers, security personnel and maintenance personnel) not later than the date of such tenant's initial occupancy of a Unit in the Project, and, if required as described in clause (a)(x) under the caption "Tax-Exempt Status of the Bonds" above, at least annually thereafter in the manner as described in clause (a)(x) under the caption "Tax-Exempt Status of the Bonds" above, and to maintain a file of all such Tenant Income Certifications, together with all supporting documentation, for a period of not less than three years after the end of the State Restrictive Period;

(d) to obtain from each tenant in the Project (other than resident managers, security personnel and maintenance personnel), at the time of execution of the lease pertaining to the Unit occupied by such tenant, a written certification, acknowledgment and acceptance in such form provided by the Issuer to the Borrower from time to time that (i) such lease is subordinate to the Security Instrument and the Regulatory Agreement, (ii) all statements made in the Tenant Income Certification submitted by such tenant are accurate, (iii) the family income and eligibility requirements of the Regulatory Agreement and the

Financing Agreement are substantial and material obligations of tenancy in the Project, (iv) such tenant will comply promptly with all requests for information with respect to such requirements from the Borrower, the Trustee and the Issuer, and (v) failure to provide accurate information in the Tenant Income Certification or refusal to comply with a request for information with respect thereto will constitute a violation of a substantial obligation of the tenancy of such tenant in the Project;

(e) to cause to be prepared and submitted to the Issuer (via the electronic filing system available on the Issuer's website) and the Trustee by the tenth calendar day of each January, April, July and October or other schedule as determined by the Issuer with written notice to the Borrower, a certified quarterly Unit Status Report in a form available on the Issuer's website at the time of submission or in such other form as the Issuer may reasonably prescribe in writing to the Borrower with the first quarterly report due on the first quarterly reporting date after leasing activity commences;

(f) to the extent legally permissible and upon reasonable notice to permit any duly authorized representative of the Issuer or the Trustee to inspect the books and records of the Borrower pertaining to the Project or the incomes of Project tenants, including but not limited to tenant files, during regular business hours and to make copies therefrom if so desired and file such reports as are necessary to meet the Issuer's requirements;

(g) that the Borrower is qualified to be a "housing sponsor" as defined in the Act and will comply with all applicable requirements of the Act, including submitting (via the electronic filing system available on the Issuer's website) the Annual Borrower's Compliance Report to the Issuer and the Trustee in the form available on the Issuer's website at the time of submission by April 30 of each year, commencing April 30, 2020;

(h) to provide social services which must meet the minimum point requirement and be chosen from the list of Tenant Supportive Services attached to the Regulatory Agreement as an exhibit and agreed to in writing by the Issuer. The Borrower must maintain documentation satisfactory to the Issuer of social services provided and such documentation will be reviewed during onsite visits beginning with the second onsite review and must be submitted to the Issuer upon request. The Borrower must provide the social services throughout the State Restrictive Period;

(i) to comply with Title 10, Part 1, Chapter 10, Subchapter F of the Texas Administrative Code, regarding tenant and manager selection, as such requirements may be amended from time to time;

(j) to maintain the property in compliance with HUD's Uniform Physical Condition Standards and to provide regular maintenance to keep the Project sanitary, safe and decent and to comply with the requirements of Section 2306.186 of the Texas Government Code; provided, however, that the Issuer must first provide notice of any default or breach to the Borrower and the Lender, and the Borrower will have 30 days to cure such default or breach;

(k) to renew any available rental subsidies which are sufficient to maintain the economic viability of the Project pursuant to Section 2306.185(c) of the Texas Government Code;

(l) the Borrower is not a party to and will not enter into a contract for the Project with, a housing developer that (i) is on the Issuer's debarred list, including any parts of that list that are derived from the debarred list of HUD; (ii) breached a contract with a public agency; or (iii) misrepresented to a subcontractor the extent to which the Borrower has benefited from contracts or financial assistance that has been awarded by a public agency, including the scope of the Borrower's participation in contracts with the agency and the amount of financial assistance awarded to the Borrower by the agency;

(m) to cooperate fully with the Issuer with respect to its compliance and oversight requirements and to cause the manager of the Project to so comply;

(n) to ensure that Units intended to satisfy the Set Aside in clause (a)(ix) under the caption “Tax-Exempt Status of the Bonds” above will be distributed evenly throughout the Project and will include a reasonably proportionate amount of each type of Unit available in the Project; and

(o) to ensure that the Project conforms to the federal Fair Housing Act.

Persons with Special Needs

The Borrower has represented, covenanted and warranted that during the State Restrictive Period, it will make at least 5% of the Units within the Project available for occupancy by Persons with Special Needs.

Sale or Transfer of the Project or Change in General Partner

(a) The Borrower and the Fee Owner have covenanted and agreed not to sell, transfer or otherwise dispose of the Project, prior to the expiration of the Qualified Project Period (other than pursuant to the lease of Units to Eligible Tenants), without (i) providing 30 days prior written notice to the Issuer, (ii) complying with any applicable provisions of the Regulatory Agreement, the Financing Agreement, the Tax Exemption Agreement and other Loan Documents and (iii) obtaining the prior written consent of the Issuer. Such consent of the Issuer will not be unreasonably withheld and will be given if the following conditions to the sale or other disposition are met or waived in writing by the Issuer: (A) there is delivered to the Trustee and the Issuer a written opinion of independent legal counsel reasonably satisfactory to the Trustee and the Issuer, addressed to the Trustee and the Issuer, concluding that the transferee has duly assumed all of the rights and obligations of the Borrower or the Fee Owner, as applicable, under the Regulatory Agreement, the Financing Agreement, the Tax Exemption Agreement and the other Loan Documents and that each of the documents executed by the transferee in connection therewith has been duly authorized, executed and delivered by the transferee and is a valid and enforceable obligation of the transferee, subject to customary qualifications, (B) the Issuer receives a Favorable Opinion of Bond Counsel, with a copy to the Trustee, which opinion will be furnished at the expense of the Borrower or the transferee, (C) the Issuer receives an assumption fee equal to 0.25% of the principal balance of the Bonds Outstanding at the time of such transfer, (D) the proposed purchaser or assignee executes any document requested by the Issuer with respect to assuming the obligations of the Borrower or the Fee Owner under the Regulatory Agreement, the Financing Agreement, the Tax Exemption Agreement and the other Loan Documents, and (E) the Issuer has performed a previous participation review on the proposed purchaser or assignee or any affiliated party, the results of which are satisfactory to the Issuer in accordance with Title 10, Part 1, Chapter 1, Subchapter C, Section 1.301, Texas Administrative Code, and the Issuer does not further have any reason to believe the proposed purchaser or assignee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements and instruments binding on such proposed purchaser or assignee relating to the Project, including but not limited to the Regulatory Agreement, the Financing Agreement, the Tax Exemption Agreement, the Security Instrument and other Loan Documents. The foregoing provisions do not apply to transfer by foreclosure or deed in lieu of foreclosure or other similar involuntary transfers, but such provisions apply to any transfer subsequent to such involuntary transfers. Notwithstanding anything to the contrary contained in the Regulatory Agreement, and subject to the consent of Fannie Mae as required by the Mortgage Loan Documents, the following shall be permitted and shall not require the prior written approval of Issuer or Trustee, provided that written notice thereof has been provided to the Issuer, (a) the transfer by Tax Credit Investor of its interest in Borrower in accordance with the terms of Borrower’s Organizational Documents, (b) the removal of the general partner of Borrower in accordance with the Organizational Documents and the replacement thereof with the Tax Credit Investor or any of its affiliates, (c) the transfer of ownership interests in the Tax Credit Investor (provided that written notice of such transfer is not required to be provided to the Issuer), (d) the transfer of the interests of the Tax Credit Investor in Borrower to Borrower’s general partner or Borrower’s special limited partner or any of their affiliates, and (e) any amendment to the Organizational Documents to memorialize the transfers or removal described above. The Borrower and the Fee Owner have expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of the provisions described under this caption will be ineffective to relieve the Borrower or the Fee Owner of its obligations under the Regulatory Agreement. Upon any sale, transfer or other disposition of the Project in compliance with the Regulatory Agreement, the Borrower or the Fee Owner so selling, transferring or otherwise disposing of the Project will have no further liability for obligations under the Financing Agreement, the Regulatory Agreement or any loan document arising after the date of such disposition. The foregoing notwithstanding, the duties of the Borrower and the Fee Owner as set forth in the Financing Agreement, the Regulatory Agreement or

any loan document with respect to matters arising prior to the date of such sale, transfer or other disposition will not terminate upon the sale, transfer or other disposition of the Project.

(b) No transfer of the Project will release the Borrower or the Fee Owner from its obligations under the Regulatory Agreement arising prior to the date of such transfer, but any such transfer will relieve the Borrower and the Fee Owner of further liability for obligations under the Regulatory Agreement arising after the date of such transfer.

(c) Except as set forth in paragraph (a) above, the Borrower will not change its general partner by transfer, sale or otherwise without the prior written consent of the Issuer, which consent will not be unreasonably withheld. A change in the Borrower's general partner includes any transfer of any controlling ownership interest in the general partner other than by death or incapacity.

Term

The Regulatory Agreement and all and each of the provisions thereof will become effective upon its execution and delivery, will remain in full force and effect for the periods provided in the Regulatory Agreement and, except as otherwise described under this caption, will terminate in its entirety at the end of the State Restrictive Period, it being expressly agreed and understood that the provisions of the Regulatory Agreement are intended to survive the retirement of the Bonds, discharge of the Loan, termination of the Financing Agreement and defeasance or termination of the Indenture; provided, however, that the provisions related to the Qualified Project Period that are not incorporated into the State Restrictive Period will terminate in their entirety at the end of the Qualified Project Period.

The terms of the Regulatory Agreement to the contrary notwithstanding, the requirements set forth in the Regulatory Agreement will terminate, without the requirement of any consent by the Issuer or the Trustee, and be of no further force and effect in the event of involuntary noncompliance with the provisions of the Regulatory Agreement caused by fire, seizure, requisition, change in a federal or State law or an action of a federal agency after the Closing Date which prevents the Issuer or the Trustee from enforcing the provisions of the Regulatory Agreement, or foreclosure or transfer of title by deed in lieu of foreclosure or other similar involuntary transfer, condemnation or a similar event, but only if, within a reasonable period thereafter, either the Bonds are retired in full or amounts received as a consequence of such event are used to provide a "qualified residential rental project" that meets the requirements of the Code and State law including, but not limited to, certain provisions set forth in the Regulatory Agreement. The provisions of the preceding sentence will cease to apply and the requirements referred to therein will be reinstated if, at any time during the Qualified Project Period, after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any Related Person obtains an ownership interest in the Project for federal income tax purposes or for the purposes of State law.

Notwithstanding any other provision of the Regulatory Agreement, the Regulatory Agreement may be terminated upon agreement by the Issuer, the Trustee, the Borrower and the Fee Owner upon receipt of a Favorable Opinion of Bond Counsel.

Upon the termination of the terms of the Regulatory Agreement, the parties thereto have agreed to execute, deliver and record appropriate instruments of release and discharge of the terms of the Regulatory Agreement; provided, however, that the execution and delivery of such instruments are not necessary or a prerequisite to the termination of the Regulatory Agreement in accordance with its terms. All costs, including fees and expenses, of the Issuer and the Trustee incurred in connection with the termination of the Regulatory Agreement will be paid by the Borrower and its successors in interest.

Covenants to Run With the Land

The Borrower and the Fee Owner have subjected the Project (including the Project Site) to the covenants, reservations and restrictions set forth in the Regulatory Agreement. The Issuer, the Trustee, the Borrower and the Fee Owner have declared that the covenants, reservations and restrictions set forth in the Regulatory Agreement are

covenants running with the land and will pass to and be binding upon the Borrower's and Fee Owner's successors in title to the Project; provided, however, that upon the termination of the Regulatory Agreement said covenants, reservations and restrictions will expire. Each and every contract, deed or other instrument executed after the date of the Regulatory Agreement covering or conveying the Project or any portion thereof prior to the termination of the Regulatory Agreement will conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instrument.

No breach of any of the provisions of the Regulatory Agreement will impair, defeat or render invalid the lien of any mortgage, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

Fannie Mae Rider

In the event of a conflict between any provision in the Regulatory Agreement and any provision of the Fannie Mae rider, the provisions of the Fannie Mae rider will supersede the conflicting provisions of the Regulatory Agreement.

Notwithstanding anything contained in the Regulatory Agreement to the contrary:

(a) The occurrence of an event of default under the Regulatory Agreement shall not impair, defeat or render invalid the lien of the Security Instrument.

(b) The occurrence of an event of default under the Regulatory Agreement shall not be or be deemed to be a default under the Loan Documents, except as may be otherwise specified in the Loan Documents.

Section 1. Purpose of the Disclosure Agreement. This Disclosure Agreement is being executed and delivered by the Borrower and the Dissemination Agent for the benefit of the Bondholders and in order to assist the Underwriter (as defined below) in complying with the Rule (defined below). The Borrower and the Dissemination Agent acknowledge that the Issuer has undertaken no responsibility with respect to any reports, notices or disclosures provided or required under this Disclosure Agreement, and has no liability to any person, including any Holder of the Bonds, with respect to any such reports, notices or disclosures.

All such financial information shall be prepared using generally accepted accounting principles, provided, however, that the Borrower may change the accounting principles used for preparation of such financial information so long as the Borrower includes as information provided to the public a statement to the effect that different accounting principles are being used, stating the reason for such change and how to compare the financial information provided by the differing financial accounting principles.

(a) The Borrower shall, or shall cause the Dissemination Agent to, not later than July 1 of each year, commencing July 1, 2019 for the fiscal year ending December 31, 2018, provide to the Repository an Annual Report that is consistent with the requirements of Section 4 of this Disclosure Agreement. If the Dissemination Agent is to provide such Annual Report to the Repository, not later than fifteen Business Days prior to said date, the Borrower shall provide the Annual Report to the Dissemination Agent. The Borrower shall provide a written certification with the Annual Report furnished to the Dissemination Agent to the effect that such Annual Report constitutes the Annual Report required to be furnished by the Borrower hereunder. The Dissemination Agent may conclusively rely upon such certification of the Borrower. In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross reference other information as provided in Section 4 of this Disclosure Agreement; provided that the audited financial statements of the Borrower may be submitted separately from the balance of the Annual Report, and, provided further that all such documents and audited financial statements shall be provided in word-searchable PDF files in accordance with the requirements prescribed by the MSRB. The Dissemination Agent’s obligation to deliver the information at the times and with the contents described above shall be limited to the extent the Borrower has provided such information to the Dissemination Agent as required hereby.

(b) If by fifteen days prior to the date specified in subsection (a) for providing the Annual Report to the Repository, the Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent shall contact the Borrower to inquire if the Borrower is in compliance with subsection (a).

(c) If the Borrower does not provide a written certification to the Dissemination Agent to the effect that an Annual Report has been provided to the Repository by the date required in subsection (a), the Dissemination Agent shall send, in a timely manner, a notice to the Repository in substantially the form attached as Exhibit A.

(d) The Dissemination Agent shall, to the extent the Borrower has provided the Annual Report to the Dissemination Agent, file a report with the Borrower certifying that the information represented to the Dissemination Agent by the Borrower as the Annual Report has been provided pursuant to this Disclosure Agreement and stating the date it was provided to the Repository.

(e) The Borrower shall either make Annual Reports required by this Section 3 to the MSRB through its EMMA system (provided the Disclosure Representative shall have set up an account on the EMMA system) or shall make such Annual Reports available to the Dissemination Agent in an electronic format that meets the requirements prescribed by the MSRB.

Section 4. Content of Annual Reports. The Borrower’s Annual Report shall include the following information and shall contain or incorporate by reference audited financial statements for the year ended December 31:

1. the category of information being provided;

Any or all of the items listed above may be incorporated by reference from other documents, including official statements of debt issues with respect to which the Borrower is an “obligated person” (as defined by the Rule), which have been filed with the Repository. If the document incorporated by reference is a final official statement, it must be available from the MSRB. The Borrower will clearly identify each such other document so incorporated by reference.

Section 7. Dissemination Agent. The Borrower may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. Notwithstanding any other provision of this Disclosure Agreement, the Borrower and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall agree to any amendment so requested by the Borrower) and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws acceptable to both the Borrower and the Dissemination Agent to the effect that such amendment or waiver does not materially impair the interests of holders of the Bonds and would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule; provided neither the Trustee nor the Dissemination Agent shall be obligated to agree to any amendment modifying their respective duties or obligations without their consent thereto.

A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture, the Financing Agreement, or the Mortgage Loan Documents and the sole remedy under this Disclosure Agreement in the event of any failure of the Borrower or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. The Dissemination Agent's obligation to deliver the information at the times and with the contents described herein shall be limited to the extent the Issuer has provided such information to the Dissemination Agent as required by this Disclosure Agreement. The Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Dissemination Agent shall have no duty or obligation to review or verify any Information or any other information, disclosures or notices provided to it by the Issuer and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Holders of the Bonds or any other party. The Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Issuer has complied with this Disclosure Agreement. Fannie Mae

Ladies and Gentlemen:

We have represented the Texas Department of Housing and Community Affairs (the “Issuer”) in connection with the issuance by the Issuer of its \$20,000,000 Multifamily Housing Revenue Bonds (Fannie Mae MBS Collateralized Pass-Through – Riverside Townhomes Apartments), Series 2018 (the “Bonds”) pursuant to a resolution adopted by the Governing Board of the Issuer on June 28, 2018 (the “Bond Resolution”) and an Indenture of Trust dated as of August 1, 2018 (the “Indenture”), by and between the Issuer and Wilmington Trust, National Association, as trustee (the “Trustee”). The Bonds bear interest, mature on the date, and are subject to redemption prior to maturity as provided in the Indenture. Capitalized terms used herein and not otherwise defined are used with the meanings assigned to such terms in the Indenture, in the Financing Agreement dated as of August 1, 2018 (the “Financing Agreement”) among the Issuer, the Trustee, THF Riverside Townhomes, LP, a Texas limited partnership (the “Borrower”), and Wells Fargo Bank, National Association, as lender (the “Lender”), or in the Regulatory and Land Use Restriction Agreement dated as of August 1, 2018 (the “Regulatory Agreement”), among the Issuer, the Trustee, Texas Housing Foundation, a Texas regional housing authority, and the Borrower.

The Bonds are being issued for the purpose of obtaining funds to make a mortgage loan to the Borrower to finance the acquisition, equipping and rehabilitation of a multifamily residential rental development located within Travis County, Texas (the “Development”), to be occupied by individuals and families of low, very low and extremely low income and families of moderate income, as determined by the Issuer, and persons with special needs, all as required by the Act, and to be occupied at least partially (at least forty percent of the Units) by Low-Income Tenants.

We have assumed with your permission and without independent verification (i) the genuineness of certificates, records and other documents (collectively, “documents”) submitted to us and the accuracy and completeness of the statements contained therein; (ii) the due authorization, execution and delivery of the Indenture by the parties thereto, and the validity and binding effect of the Indenture on such parties; (iii) that all documents submitted to us as originals are accurate and complete; (iv) that all documents submitted to us as copies are true and correct copies of the originals thereof; and (v) that all information submitted to us and on which we have relied was accurate and complete.

The scope of our representation extends solely to an examination of the facts and law incident to rendering an opinion with respect to the legality and validity of the Bonds and the security therefor and with respect to the

exclusion of interest on the Bonds from gross income for federal income tax purposes. We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Bonds and we express no opinion relating thereto (excepting only the matters set forth as our supplemental opinion of Bond Counsel of even date herewith). We have not assumed any responsibility with respect to the financial condition or capability of the Issuer or the Borrower, or the disclosure thereof. We have participated in the preparation of and have examined a transcript of certain materials pertaining to the Bonds, including certain certified proceedings of the Issuer, the State of Texas, the Trustee and the Borrower, and customary certificates, opinions, affidavits and other documents executed by officers, agents and representatives of the Issuer, the State of Texas, the Trustee, the Borrower and others. We have also examined such applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code"), court decisions, Treasury Regulations and published rulings of the Internal Revenue Service (the "Service") as we have deemed relevant. We have also examined the fully-executed Bond numbered I-1.

Based on said examination, and subject to the assumptions, qualifications and limitations set forth herein, it is our opinion that, under existing law:

1. The Issuer has duly authorized the issuance, execution and delivery of the Bonds. The Bonds constitute legal, valid and binding special limited obligations of the Issuer and are entitled to the benefit and security of the Indenture.
2. Interest on the Bonds is excludable from gross income for federal income tax purposes, except with respect to the interest on any Bond for any period during which such Bond is held by a "substantial user" of the Development or a "related person" of such a "substantial user," as those terms are defined for purposes of Section 147(a) of the Code.
3. Interest on the Bonds is not an item of tax preference includable in alternative minimum taxable income for purposes of determining a taxpayer's alternative minimum tax liability.

In providing the opinions set forth in paragraphs 2 and 3 above, we have relied on, and assumed the accuracy and completeness of, representations made as of the date hereof by, among others, the Issuer, the Borrower and Wells Fargo Bank, National Association, as underwriter, with respect to matters solely within the respective knowledge of such parties, which matters we have not independently verified. Furthermore, in providing the opinions set forth in paragraphs 2 and 3 above, we have also assumed that there will be continuing compliance with the procedures, safeguards and covenants in the Indenture, the Financing Agreement, the Regulatory Agreement and the Tax Exemption Agreement pertaining to those sections of the Code that affect the exclusion of interest on the Bonds from gross income for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer or the Borrower fails to comply with the foregoing procedures, safeguards and covenants, interest on the Bonds could become includable in gross income for federal income tax purposes from the date of original delivery of the Bonds, regardless of the date on which the event causing such inclusion occurs.

Certain actions may be taken or omitted subject to the terms and conditions set forth in the Indenture and related documents, upon the advice or with an approving opinion of Bond Counsel. We hereby express no opinion with respect to our ability to render an opinion that such actions, if taken or omitted, will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Except as stated above, we express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Bonds.

We express no opinion as to the priority or perfection of the security interest granted by the Issuer in the Trust Estate.

The enforceability of certain provisions of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors. Furthermore, availability of equitable remedies under the Bonds may be limited by general principles of equity that permit the exercise of judicial discretion.

Owners of the Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or

Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, low and middle income taxpayers otherwise qualifying for the health insurance premium assistance credit and individuals otherwise qualifying for the earned income tax credit. In addition, certain foreign corporations doing business in the United States may be subject to the “branch profits” tax on their effectively connected earnings and profits, including tax-exempt interest such as interest on the Bonds.

The opinions set forth above speak only as of their date and only in connection with the Bonds and may not be applied to any other transaction. Such opinions are specifically limited to the laws of the State of Texas and, to the extent applicable, the laws of the United States of America.

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement these opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law that may hereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Service; rather, such opinions represent our legal judgment based upon our review of existing law and in reliance upon the representations and covenants referenced above that we deem relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given whether or not the Service will commence an audit of the Bonds. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the Issuer as the taxpayer. We observe that the Issuer and the Borrower have each covenanted in the Indenture, the Financing Agreement and the Tax Exemption Agreement not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, may result in the treatment of interest on the Bonds as includable in gross income for federal income tax purposes.

Very truly yours,
