	Preface	v
	List of figures	x
	List of tables	xi
	Abbreviations	xiii
	<i>Introduction</i>	p. 1
Chapter 1	<i>Economic development in Mexico</i>	p. 9
1.1	The Porfiriato (1877-1911)	p. 9
1.2	The period of Revolution and Reform (1911-1940)	p. 12
1.3	Economic and industrial development (1940-1985)	p. 15
1.4	Conclusion	p. 24
Chapter 2	<i>Population, employment and income distribution (1940-1985)</i>	p. 29
2.1	Urbanization and the spatial distribution of population	p. 29
2.2	The structure of employment in Mexico	p. 35
2.3	Income distribution in Mexico	p. 37
2.4	Regional inequalities in income and standard of living	p. 42
2.5	Conclusion	p. 48
Chapter 3	<i>Industrial concentration in Mexico</i>	p. 53
3.1	Regional distribution of manufacturing activities	p. 53
3.2	Manufacturing concentration in Mexico City	p. 56
3.3	Location factors and industrial expansion in Mexico City	p. 58
3.4	The relevance of industrial location theory	p. 63
3.5	Manufacturing development in Mexico outside the main urban areas (1940-1985)	p. 69
Chapter 4	<i>Regional economic policy in Mexico (1940-1970)</i>	p. 79
4.1	Sectoral economic policy measures influencing the spatial distribution of manufacturing production	p. 79
4.2	Direct policy measures to influence the location of industry	p. 84
4.3	Conclusion	p. 91
Chapter 5	<i>The regional development strategy between 1970 and 1985</i>	p. 95
5.1	Regional economic policy under Echeverría (1970-1976)	p. 95
5.2	Regional economic policy under López Portillo (1976-1982)	p. 98

5.3	Regional economic policy under De la Madrid (1982-1985)	p. 104
5.4	Federal investment and industrial concentration	p. 105
5.5	Conclusion	p. 111
Chapter 6	<i>Secondary cities: population growth and industrialization</i>	p. 117
6.1	Introduction	p. 117
6.2	Cuernavaca: population growth (1940-1985)	p. 118
6.3	Querétaro: population growth (1940-1985)	p. 121
6.4	San Luis Potosí: population growth (1940-1985)	p. 122
6.5	Migration in Central Mexico	p. 124
6.6	Polarization Reversal in Central Mexico?	p. 126
6.7	Manufacturing development (1940-1985)	p. 127
6.8	Conclusion	p. 137
Chapter 7	<i>Industrialization of secondary cities in Central Mexico: location decisions and industrial decentralization</i>	p. 143
7.1	Questionnaire, methodology and data collection	p. 143
7.2	General characteristics of the sample firms	p. 145
7.3	Local entrepreneurship	p. 147
7.4	Linkages: product markets and raw material inputs	p. 148
7.5	Federal and state fiscal incentives	p. 151
7.6	Location factors in Cuernavaca, Querétaro and San Luis Potosí	p. 152
7.7	Industrial relocation: evidence from Central Mexico	p. 155
7.8	Hypotheses: industrial movement in Central Mexico	p. 158
7.9	Industrial location and appreciation of the present site	p. 162
7.10	Conclusions	p. 163
Chapter 8	<i>The consequences of manufacturing growth for the urban economy of secondary cities</i>	p. 169
8.1	Urban employment growth and occupational structure (1960-1980)	p. 169
8.2	The effects of industrialization on urban income	p. 176
8.3	Hypotheses: industrial development, population growth, city size and income	p. 185
8.4	The effects of industrial growth on Cuernavaca, Querétaro and San Luis Potosí	p. 190
8.5	Conclusion	p. 194
Chapter 9	<i>Housing, urban expansion and the spatial structure of secondary cities in Central Mexico</i>	p. 199
9.1	The housing conditions in Cuernavaca, Querétaro and San Luis Potosí	p. 199
9.2	Spatial expansion and growth patterns of secondary cities in Central Mexico (1940-1985)	p. 205
9.3	The structure of the urban space of secondary	

	cities in Central Mexico	p. 210
9.4	Models of the spatial structure of Latin American cities	p. 215
9.5	The quality of the urban environment of secondary cities in Central Mexico	p. 219
9.6	Conclusion	p. 222
Chapter 10	<i>The effects of urban growth on the development of the hinterlands</i>	p. 225
10.1	Population and migration	p. 225
10.2	Employment and migration	p. 226
10.3	Consequences of urbanization and industrialization for agriculture	p. 230
10.4	Income, housing and the standard of living in the hinterlands	p. 235
10.5	Conclusion	p. 239
	<i>Concluding remarks</i>	p. 243
	<i>Appendixes</i>	p. 249
	<i>Bibliography</i>	p. 269
	<i>Curriculum vitae</i>	p. 278
	<i>Resumen en español</i>	p. 279

List of Figures

Fig. 1	Mexican Cities	p. 4
Fig. 2	Mexican States	p. 7
Fig. 3	The Regional Distribution of Population	p. 32
Fig. 4	Mexican Regions	p. 34
Fig. 5	Regional Distribution of the Manufacturing Product	p. 57
Fig. 6	Central Region	p. 71
Fig. 7	Priority Zones IA and IB	p. 101
Fig. 8	Priority Zones IIIA and IIIB	p. 102
Fig. 9	Industrial Zone (CIVAC) in Cuernavaca	p. 129
Fig. 10	Industrial Zones in Querétaro	p. 132
Fig. 11	Industrial Zones in San Luis Potosí	p. 135
Fig. 12	Employment Demand in Secondary Cities	p. 181
Fig. 13	Historical Growth of the Urban Space of Queréaro	p. 206
Fig. 14	Historical Growth of the Urban Space of Cuernavaca	p. 208
Fig. 15	Historical Growth of the Urban Space of San Luis Potosí	p. 209
Fig. 16	Spatial Structure of Querétaro	p. 211
Fig. 17	Spatial Structure of San Luis Potosí	p. 212
Fig. 18	Spatial Structure of Cuernavaca	p. 214
Fig. 19	Bähr's Model of the Latin American City and Intra-urban Migration	p. 218

List of Tables

Table	1.1	Growth rates of the Mexican economy (1900 - 1940)	p. 11
	1.2	Growth rates of the Mexican economy (1940 - 1980)	p. 15
	1.3	Sectoral contribution to GDP (1936 - 1982)	p. 18
	1.4	Gross domestic product of the manufacturing sector (1950 - 1981)	p. 19
	1.5	Growth rates of the Mexican GDP (1970 -1983)	p. 23
	1.6	Evolution of the Mexican exchange rate (1979 -1986)	p. 23
	1.7	Structure of the Mexican GDP (1977 - 1983)	p. 24
Table	2.1	Population growth of central Mexican states (1960 -1980)	p. 30
	2.2	Distribution of population by size of locality	p. 31
	2.3	Regional distribution of the population (1960 - 1980)	p. 34
	2.4	The economically active population of Mexico (1960 -1980)	p. 35
	2.5	Measures of inequality (1963-1977)	p. 39
	2.6	Household income distribution (1950 -1977)	p. 39
	2.7	Regional per capita GDP (1900 - 1970)	p. 43
	2.8	Per capita GDP by states (1960 - 1980)	p. 44
	2.9	Monthly household income variables 1970	p. 46
Table	3.1	Regional distribution of industrial production in Mexico (1930-1960)	p. 54
	3.2	Spatial distribution of the manufacturing sector in Mexico (1965-1975)	p. 55
	3.3	Participation of Mexico City in the Mexican industry (1930-1975)	p. 56
	3.4	Output - capital ratio (1965 and 1975)	p. 61
Table	4.1	Spatial distribution of public investment (1959 -1964)	p. 80
	4.2	Spatial distribution of public investment (1965 -1970)	p. 81
	4.3	Industrial firms receiving tax exemptions (1940-1962)	p. 83
	4.4	Regional distribution of federal investment (1959 - 1970)	p. 84
	4.5	Geographic distribution of NAFINSA investment	p. 89
	4.6	Distribution of FOGAIN loans per state (1954-1973)	p. 90
Table	5.1	Regional distribution of federal investment (1971 -1980)	p.106
	5.2	Federal investment by sector (1981)	p.106
	5.3	NAFINSA: public sector borrowers	p.107
	5.4	Distribution of FOGAIN loans by state (1978-1984)	p.109
	5.5	FOGAIN: authorized credits per economic zone (1981)	p.110

	5.6	FOGAIN: interest rates (1979-1984)	p. 110
Table	6.1	Population growth of Cuernavaca (1960 -1980)	p. 118
	6.2	Birth and death rates (1980 and 1982)	p. 120
	6.3	Population growth of the Cuernavaca agglomeration (1950-1980)	p. 121
	6.4	Population growth of Querétaro (1950 -1980)	p. 122
	6.5	Population growth of San Luis Potosí (1950 -1980)	p. 123
Table	8.1	The economically active population of Cuernavaca	p. 170
	8.2	The economically active population of Querétaro	p. 171
	8.3	The economically active population of San Luis Potosí	p. 173
	8.4	Occupation of head of household	p. 174
	8.5	Average household income by place of birth of head of household	p. 175
	8.6	Mean income of head of household by occupation	p. 176
	8.7	Income variables of urban households	p. 177
	8.8	Official minimum daily salary per zone (1980-1984)	p. 178
	8.9	Average daily salaries in industry (1984)	p. 179
	8.10	City size, household income and income distribution	p. 187
	8.11	City size, Gini-coefficient and mean-income (1960-1980)	p. 187
	8.12	Income variables of secondary cities (1960-1980)	p. 190
Table	10.1	The economically active population of Morelos	p. 226
	10.2	The economically active population of Querétaro	p. 227
	10.3	The economically active population of San Luis Potosí	p. 228
	10.4	Income variables of the hinterlands	p. 236
