Preface	ix
---------	----

1 Perspectives on Instructional Systems Development

Introduction	1
Definition of Instructional Systems Development	3
Basic Models	5
Representative ISD Models	6

2 The Process in Research and Application

Introduction	19
Similarities and Differences in Steps	19
Appropriate Technology	23
Basic Needs Approach	27
Development of ISD	29

3 Perspective on Interregional Research

Introduction	35
Interregional Research	36
Aspects of New Educational Requirements	37
Aspects of Lifelong Education	41
Aspects of Research and Evaluation	46

4 Research in North America

Introduction	51
North American Research Plans	52
North American Research Activities	54

5 Research in Latin America

Introduction	67
Latin American Research Plans	69
Latin American Research Activities	71

6 Research in Europe

Introduction	81
European Research Plans	82
European Research Activities	84

7 Research in Africa

Introduction	97
African Research Plans	98
African Research Activities	103

8 Research in Asia

Introduction	117
Asian Research Plans	119
Asian Research Activities	121

9 Research in Oceania

Introduction	131
Oceania Research Plans	132
Oceania Research Activities	133

10 Perspective on Interregional Application

Introduction	139
The Reality of the ISD Process	140
The Reality of Development Dynamics	148

11 Application in North America

Introduction	153
North American Application Plans	154
North American Application Activities	157

12 Application in Latin America

Introduction	169
Latin American Application Plans	170
Latin American Application Activities	173

13 Application in Europe

Introduction	183
European Application Plans	184
European Application Activities	187

14 Application in Africa

Introduction	199
African Application Plans	200
African Application Activities	203

15 Application in Asia

Introduction	221
Asian Application Plans	223
Asian Application Activities	226

16 Application in Oceania

Introduction	235
Oceania Application Plans	236
Oceania Application Activities	238

17 New Directions for International Cooperation

Introduction	247
Development and Education	248
Education and ISD	251

References	257
