# DISPLAY OF GAZETTE ISSUE – EXAMPLE: APPLICATIONS

The screenshot shows the CNIPA website interface. At the top, there is a navigation bar with 'CNIPA 国家知识产权局' and '中国专利公布公告'. Below this, there are links for '首页', '高级查询', 'IPC分类查', and '数据说明'. A red circle highlights a '下载' (Download) button next to the date '2018.09.11'. A callout box points to this button with the text: '3. Click here to download the full gazette'. Below the navigation bar, there are tabs for '专利申请公布', '国际专利申请公布', '专利权授予', and '事务'. A red arrow points to the '专利申请公布' tab. Below the tabs, there is a search bar and a list of categories: 'patent applications | PCT applications | patent grants | legal status | index | corrections'. The main content area is titled '发明专利申请公布' and '申请公布日 2018年9月11日'. It contains bibliographic data for two patent applications, (51) and (54), including their international classification (A01B), application numbers, dates, and inventors. Technical drawings are included for both applications. A callout box on the right side of the page explains the difference between published applications and granted patents: 'Published applications (A): bibliographic data, abstract, representative drawing; granted patents (B): bibliographic data'.
