

AI will change the world. Who will change AI?

Join us at BAIR Camp at UC Berkeley to start your journey
in artificial intelligence.

Learn about computer science, artificial intelligence,
and AI careers **July 29-30 at UC Berkeley**

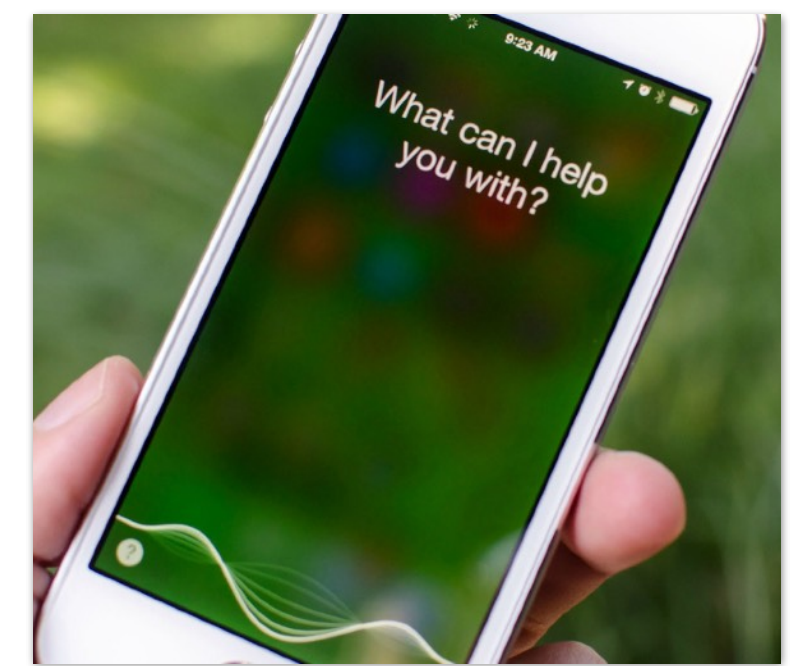

AI + Robotics

AI + Disease Diagnosis

AI + Self-driving Cars

AI Assistants

BAIR Camp is a **free summer program** for high-potential
9th and 10th graders from underserved communities
in the Bay Area

How to apply: <https://form.jotform.us/71076620322144>

Applications open: April 21, 2017

Priority application deadline: May 25, 2017

Cost: Free to attend, with meals provided

Who should apply:

- Bay Area students with strong math skills who are currently in 9th or 10th grade
- Students from economically disadvantaged backgrounds (who may qualify for free/reduced-fee school lunches or who may be first-generation college-bound students)
- No computer science or AI experience required
