INTRODUCTION 6

ACKNOWLEDGMENTS

My greatest debt as editor is to the band of authors from around the world who expertly condensed their profound knowledge of their respective subjects into succinct and scholarly texts for this book. Among those who provided invaluable advice are Masette Broderick, Francesco Garofalo, Martin Meade, Thomas Muirhead, David Peyceré and John Zukowsky. I should also like to thank everyone at Thames & Hudson for their help and encouragement during the preparation of this volume.

HALF-TITLE *Filippo Brunelleschi's lantern on the dome of Florence Cathedral, under restoration in 1601 following lightning damage. Drawing attributed to Gherardo Mechini.*

TITLE PAGE *John Fowler's Forth Railway Bridge under construction, Scotland, 1890.*

Sinan translated from the Turkish by Gülay Eskikaya
Giuseppe Mengoni translated from the Italian by
Grace Crerar-Bromelow
Konstantin Melnikov translated from the Russian
by Christine Barnard
