## AT A GLANCE

**GC Micro** is a 100% small, minority and woman owned firm. We are certified as a minority-owned business by the Western Regional Minority Supplier Development Council and certified as a woman-owned business by the Women's Business Enterprise National Council.

**GC Micro** has over 29 years of award-winning experience providing IT hardware, software and related products to corporate and government accounts.

**GC Micro** continues to receive recognition for consistently providing a proven track record of prompt and accurate delivery and customer service. We are proud that for the last seven years The Boeing Company has awarded **GC Micro** one of its highest distinctions. The Boeing Performance Excellence Award is in recognition of GC Micro's continuing achievement of superior supplier performance.

**GC Micro** is AS9120 Certified. This standard includes ISO 9001:2008 quality management system requirements and specifies additional aviation, space and defense industry requirements.

**GC Micro** was awarded a 5-year NASA Solutions for Enterprise-Wide Procurement (SEWP V) Government Wide Acquisition Contract in 2014.
