

**DENISON ALUMNI ASSOCIATION**  
**MEMBERSHIP APPLICATION**

***Please Join Your Alumni Association!!***

The Denison Alumni Association is not just for graduates of Denison High School. It is for anyone who ever attended any school in Denison, or worked for the Denison School system, or has family or friends that attended Denison schools.

We are now providing annual levels of sponsorship from which members can choose. Your annual dues will help your Alumni Association pay for scholarships, promote local activities, maintain a website to keep alumni up-to-date on activities and reunions, and it also entitles you to the alumni "Tradition" magazine per year of membership.

If you are renewing your membership, or joining for the first time, please complete the following:
