

Become an AASM Fellow

Are you eligible?

Upgrade your member status to Fellow, a prestigious standing of AASM membership that recognizes outstanding contributions in sleep medicine and dedicated membership in the Academy.

The AASM accepts Fellow applications on an annual review schedule.

Requirements:

- Membership with the AASM as a Full or Team member for the last five consecutive years.
- Demonstrate special contributions to scientific literature or significant advancements in the field of Sleep Medicine in at least two of three areas: Scholarship, Service, Education
- Letter of recommendation from an AASM Fellow Member or someone board certified in Sleep Medicine describing the nominee's achievements.
- Second letter of support from an independent medical professional outside the group or department of the nominee.
- Copy of the nominee's curriculum vitae and documentation of certification, if applicable.

Apply to join over **2,000** members who have achieved the FAASM Designation.
