

INTEGRATED MANAGEMENT SYSTEM POLICY

(Quality, Environment, Health and Labour Safety)

AMBIPAR RESPONSE POLICY

Ambipar providing training services and resources for environmental protection since 1989, operating in the national and international markets, declares its commitment to the continuous improvement of its indicators for Quality, Health and Operational Safety and for the Environment, establishing as guidelines:

- 1 - Meet all requirements, whether legal, internal and customer, in addition to the standards;
- 2 - Develop partnerships with customers and suppliers to add greater value to their services;
- 3 - Continuously develop technological resources to optimize the performance of its activities;
- 4 - Provide training and solutions through training for external and internal customers, both for emergency situations and for meeting pre-established requirements;
- 5 - Continuously seek the training and professional qualification of its employees and guidance from interested parties;
- 6 - To act preventively in the health and safety of people;
- 7 - Preserve the environment, preventing pollution and minimizing environmental impacts.

The commitment of shareholders and employees to comply with the Integrated Management Policy of Ambipar Response S/A contributes to sustainable development.
