# Powerful Forms for Your Team

Focus on what matters. Let Jotform do the rest.

Collecting sensitive patient data is just the beginning.

Transform patient experiences and automate tasks with secure, digital, HIPAA compliance solutions. Schedule appointments, collect e-signatures and payments, and create apps — all with no coding. Enhance communication, collaboration, and client care.

> *Jotform Enterprise helps us amplify our values and solve problems related to the care and well-being of populations.*

Wil Trohanis
Chief Revenue Officer, One to One Health

Why Jotform Enterprise?

Create HIPAA forms easily

Build HIPAA-friendly forms in minutes with a drag-and-drop interface and hundreds of templates.

Collect patient data securely

Protect patient data with 256-bit encryption, a local data residency center, and single sign-on integrations.

Improve access and data

Enhance patient experiences with online registration, scheduling, and more. Prefill forms with digital records to minimize paperwork and data-entry errors.

Accept online payments

Seamlessly integrate payment gateways with forms to securely collect fees. Choose from dozens of payment platforms, including Square, Stripe, and Authorize.net.

Fast, secure file uploads

Collect patient documents and images with online forms, then store and protect them with HIPAA compliance solutions.
Power mobile capabilities

Keep staff and patients connected with a powerful mobile app. Build a patient portal to host forms, booking, and resources.

Collect e-signatures

Collect unlimited e-signatures at no additional cost with Jotform Sign. Automate filing and reduce tech complexity and paperwork. Third-party integrations also available.

Automate workflows

Build custom workflows to send exported submission data as a PDF and seamlessly integrate with HIPAA compliance software including Google Sheets, Dropbox, Zapier, and more.

Service level agreements

A customized service level agreement (SLA) is available upon request.

Business associate agreements

A customized business associate agreement (BAA) is available upon request.
