

## Third Party Funding Criteria

Decisions to fund think tanks and legislative organizations shall be made based on the following criteria:

- The organization ought to have an interest and expertise in health care policy/advocacy and engage on issues that impact the life science industry (IP/tax/trade);
- The interactions between Pfizer and the organizations should support key issues of importance to Pfizer including advancing biomedical research, health care innovation, advocating for protecting intellectual property rights and access to care;
- The organization ought to have a strong presence nationally and/or statewide in priority states with unique capabilities to reach priority constituencies;
- Organizations requesting funds must confirm that Pfizer has not provided more than 50% of the organization's funding in the calendar year;
- Organizations will be required to sign a Letter of Agreement (LOA) or other appropriate agreement acknowledging Pfizer's funding for the purposes outlined in the Agreement.
- 501 (c)(4) organizations may not use Pfizer's funds to benefit directly or indirectly any specific federal, state, or local official, candidate, political party committee or political committee.
