Thank you to the Ontario Ministry of Tourism, Culture and Sport and the Ministry of Education for their generous contributions and support.

We are pleased to welcome Jennifer Knox who begins her two-year term as OFSAA president. Jennifer is currently principal of Kenner Collegiate and Vocational Institute in Peterborough. She attended Wilfrid Laurier University where she played varsity tennis, was president of the Women's Athletic Association, and was recognized as the "woman contributing most to athletics". Jen began her teaching career in Calgary before returning to Ontario, where she has taught at several schools over the years and coached a variety of sports including cross country running, basketball, and volleyball. As a high school athlete, her goal was always to get to OFSAA championships, and this is something her son and daughter both wanted to achieve as well. In addition to her busy life as a principal and OFSAA president, Jen also likes to play tennis, ski, hike, kayak and sail.

OFSAA President's message – Jennifer Knox

I am excited to be OFSAA's President after serving with Ian Press and Jim Woolley for the past two years as the Vice President. We are very fortunate to welcome Doug Gellatly back as the Executive Director and with his experience and expertise, he will ensure that we are moving in a positive direction and will be a strong leader in the office with several new staff.

This year we will start developing a new strategic plan, and will take input from our grassroots and move forward to best serve our student athletes, teacher coaches and high school sport in the province. We are far more than just championships and this will become evident as we move forward. We face challenging times with declining enrollment and an aging coaching population. Our CIAAA courses and professional development for athletic directors continues to be strong and will hopefully grow as we attract young teacher-coaches into the role. It is our goal to ensure that OFSAA remains committed to our motto, "Education through School Sport" and I'm confident that we can continue to provide quality programs, professional development, education and support, as well as championships throughout the province.

Volunteers are the core of high school sport and I so highly value their time and commitment to students. It is our volunteers who define our mission and enrich the lives of our students through school sport. Thank you to all of the coaches, teachers and administrators who will support students and sport in our schools this coming school year.

I look forward to the next two years as President and welcome your input and comments. I can be reached at jennifer_knox@kprdsb.ca.

The OFSAA Coaching Symposium returns in 2018!

The bi-annual conference unites teacher-coaches across the province as they share ideas and get motivated!

Focusing on the technical side of coaching, the conference provides sport specific skills, drills and strategies through on-court and classroom sessions. The program has introductory and advanced sessions that will benefit both new and seasoned coaches. Best practice sessions will also be offered for new and experienced educators; providing strategies and information useful to any physical education environment.

- Basketball
- Soccer
- Badminton

Sessions Include:

- Volleyball
- Rugby
- Nutrition
- Athlete Training
- CIOS Certification

And much more!

Please watch our website this fall for more information: www.ofsaa.on.ca/events

Hosting or Attending an Invitational Event??

The ONLINE PROCESS to request OFSAA sanction....

- Go to the OFSAA website (ofsaa.on.ca)
- Click on Events/Sanctioned Events
- Scroll down to the bottom of the page and click on the required form either to HOST or to ATTEND an invitational event
- Complete the form and Submit online
- Once approved the school principal, and the coach or convenor will receive a letter of confirmation.

****All schools must now use this online method to request OFSAA sanction.** Faxed forms will not be accepted.

REMEMBER...

1. OFSAA-sanctioned Invitational Events must not contain the words, 'Ontario', 'Provincial', 'National', 'Canadian', or 'Championship' in their titles.
2. You **MUST** obtain OFSAA sanction for:
 - Any interprovincial tournament or meet you are attending
 - Invitational events you are hosting that involve out-of-province participants
 - Any state or NFHS-sanctioned tournaments or meets you are attending in the United States (Some American tournaments do not indicate whether they are sanctioned so it is best to obtain OFSAA sanction to be on the safe side)
 - Several cross-border states now require OFSAA sanction for exhibition events, so it is advisable to obtain sanction.

Failure to obtain OFSAA sanction may result in sanctioning of your school by the OFSAA Board of Reference - Sanctions, and may cause the out-of-province invited teams to be sanctioned by their home association.

Reminder to schools ... Once again your team may only play OFSAA-eligible students in all your games (league and invitational) if you wish to be eligible for OFSAA and OFSAA-approved invitational events within or outside of the province.

What does 'OFSAA-sanctioned' mean???

- All participants must be eligible under the rules and regulations of the Provincial or State Association of which they are members.
- A teacher-coach will be present and responsible for the athletes throughout the duration of your event.
- Schools will only play other schools that are eligible under their province/state rules.

Once you have applied for OFSAA sanction and receive your confirmation letter, check the website under 'Events/Sanctioned' to make sure your school is listed as attending or hosting, and that the information is accurate. Athletic Directors and department heads . . . make sure this information gets to all your coaches, both teacher-coaches and non-teacher coaches. **Applications must be received by OFSAA at least 30 days prior to the start of the event.**

Spalding Keeping Football Safe - Continued Support for 2017-2018

sponsored by

With last year's debut of the Alpha football as the official ball of OFSAA, Spalding has recommitted to keeping football safe in Ontario schools for the 2017-2018 school year.

Newly mandated OPHEA safety guidelines require one coach per team to have completed the NCCP Safe Contact course.

A limited number of teacher-coaches who successfully complete the course can apply for up to a \$99 reimbursement through the OFSAA website. This

Program is courtesy of Spalding.

From those successful applicants OFSAA will draw three winners who each receive \$1500 product credit from Spalding. An additional 40 winners will receive a new Spalding Alpha football, official football of OFSAA.

Please look into taking the Safe Contact course, and check the OFSAA website in September for details and upcoming news on Spalding's program and how to apply for your reimbursement and chance to win!

Policy Changes from the AGM

The OFSAA Annual General Meeting (AGM) was held April 6th – 7th with Association representatives across the province in attendance.

The assembly voted on a number of motions, a selection of which are detailed here.

TRANSFER POLICY

Prep Teams:

- Students who play on a Prep team within a school and then are no longer on that Prep team but remain at the school, are ineligible for the “bona fide” school team for the current school year and the following school year.
- Note 11 be added to read: “If a student moves from their home school to play on a Prep/Elite team within the new school, that is not a ‘bona fide’ school team, he/she is ineligible for any sport played at his/her former school in the previous twelve (12) months (as per OFSAA Transfer Policy) A Prep/Elite team within a school is defined as a team that is not a ‘bona fide’ school team as defined in the OFSAA Playing Regulations.
- Note 12 be added to read “If a student moves from their home school to play on a Prep/Elite team within a school, and then returns to his/her home school, or any other member school of OFSAA, he/she is considered a transfer student and must seek eligibility through the Association transfer process. These students may not apply for eligibility under section b (i) of the Transfer Policy. Members of a school Prep team are considered to have participated in the sport if applying under Section b (ii) of the Policy.”

International Students

The student is an international student who has transferred to an Ontario school from outside

Canada or the United States and is attending the school designated by the school board. (Section a) (iv)

Note 13) International students must meet all of the following conditions in order to apply under a) (iv):

- The student is registered in a member school as an international student and pay tuition to that school board according to international student policy and fee schedule.
- The incoming international student will be enrolled at the receiving school for at least 5 consecutive months or one semester period.
- All other OFSAA eligibility policies apply to the student.

OFSAA TRANSGENDER PARTICIPATION POLICY

Transgender: An umbrella term that refers to individuals whose gender identity and/or gender expression is different from what is traditionally associated with their assigned biological sex at birth. Transgender people may or may not undergo medically supportive treatments, such as hormone therapy and a range of surgical procedures, to align their bodies with their internally felt gender identity. Transgender identity is not dependent upon physical appearance or medical procedures.

OFSAA believes in equal opportunities for all students to participate in school sport. OFSAA supports the concept that a student’s self-identification is the sole measure of their gender identity.

OFSAA supports the participation of student-athletes in sport in accordance with their lived gender identity.

Housekeeping Update – corrections from Spring

The Spring 2017 Bulletin unfortunately printed the incorrect OFSAA Wrestling results instead of those from the 2017 Championship. An additional error was made in the same edition when the photo from the 2017 Girls' A Volleyball Championship was duplicated for the Girls' AA Volleyball results. OFSAA regrets these errors. Again congratulations to all 2017 OFSAA Wrestling medalists and the student-athletes from Corpus Christi Catholic Secondary School (GHAC) girls volleyball team..

Congratulations 2017 Brian Maxwell Memorial Scholarship Winners

OFSAA and the Brian Maxwell Memorial Scholarship Fund are pleased to announce the student-athletes who were awarded scholarships for 2017.

The scholarship fund is in memory of Brian Maxwell, a successful distance runner. Brian competed in track and field and cross country and achieved success as an OFSAA champion, and a Canadian junior, juvenile and senior champion. He also won numerous international marathons. In 1980 he was selected to the Canadian Olympic team and later became a successful entrepreneur who, with his wife Jennifer, co-founded the nutritional supplement PowerBar. Brian was born with a defective heart valve and in 2004, at only 51, died of a heart attack.

The Brian Maxwell Memorial Scholarship awards amounts of \$8,000, \$4,000 and \$2,000 each year to a male and female student-athlete in Ontario who will continue their post-secondary education at a Canadian college or university. These scholar-athletes must also display qualities of honesty, integrity, compassion, and unwavering quest to accomplish the best academically and athletically while supporting fellow team members. These were all qualities of Brian Maxwell.

OFSAA is appreciative for the opportunity to partner with the Brian Maxwell Memorial Scholarship Fund to support students continuing their education in Canada.

The 2017 gold recipients of the \$8,000 scholarship are **Sadie-Jane Hickson** of Lindsay, and **Liam Donnelly** of Hamilton. Both are pictured with presenter Bruce Kidd.

Sadie-Jane Hickson is a recent graduate of Lindsay Collegiate and Vocational Institute with a 93% average. In each year of high school she qualified for the OFSAA Track and Field and Cross Country Championships. This four-time athlete of the year won the silver medal in the OFSAA 1500m steeple chase in her grade 12 year. In addition to her athletic accomplishments, Sadie-Jane also captained her track and field, cross country, and wrestling teams; she was vice president of the athletic union at her school, and she helped organize school dances, spirit events, and BBQs. In the community, she is a 4H youth ambassador and volunteers at an elementary school and seniors' home, among other things. She will be attending the University of Guelph and working towards a Bachelor of Science degree.

Liam Donnelly attended St. Mary Catholic Secondary School where he graduated with a 95% average. Over the course of his high school career, Liam qualified for the OFSAA Track and Field Championship every year, and the Cross Country Championship on three occasions. He was also a member of his school's varsity volleyball, swim, and badminton teams. As a member of the Student Council, Liam organized fundraising events and school spirit events. He was also president of the Athletic Council, tutored math, and represented his school at the annual Euclid mathematics and computer competition. Liam contributed to a number of causes in his community including Ontario Gleaners, Free the Children Initiative, and the Walk with Christ Pilgrimage. This September he will begin studies at the University of Western Ontario.

This year's silver recipients are **Madison Greenough** of St. Catharines, and **Braydon Clarke** of Erin.

Madison Greenough achieved a 97% average upon graduation from Sir Winston Churchill Secondary School and qualified for both the OFSAA Track and Field, and OFSAA Cross Country Championship on three occasions. At school, she was a peer tutor in mathematics and science, was selected as a school ambassador, competed in mathematic competitions, and was selected for a Brock University Science Mentorship program. Madison was also a member of the school badminton team. She gave time to a number of organizations in her community, including Canadian Cancer Society, St. Catharines Rotary Club, Special Olympics, and a local church. She is enrolled in a five year co-operative program at University of Waterloo and Wilfrid Laurier University.

Braydon Clarke is a four-time participant in the OFSAA Cross Country championship, and a three-time participant in the Track and Field Championship, winning a total of four medals. Braydon was also a member of his school's basketball and dodgeball teams. In addition to his athletic achievements, this recent graduate from Erin District High School achieved an 85% average. He was a member of the Athletic Council and organized intramural sports and events to raise money to purchase athletic equipment. Braydon coached at a summer sport camp to help children learn track and field skills, and has helped fundraise for a local track and field club. This fall, he will begin work on a Bachelor of Science degree at University of Guelph.

The 2017 bronze recipients are **Keili Sheppard** of Ottawa and **Isaiah Frielink** of Barrie.

As a member of the Athletic Council at Glebe, Keili organized intramurals, pep rallies and fundraising activities. She also played volleyball and soccer for the school and provided developmentally delayed students with opportunities to participate in school sports. As a member of her community, Keili fundraised for the homeless and a local hospital, and was an assistant coach for a soccer club.

Keili Sheppard graduated from Glebe Collegiate with a 95% average and will be attending University of Ottawa this fall. She participated in the OFSAA Track and Field, Cross Country, and Nordic Skiing Championships every year of high school and won a total of seven medals including team gold in cross country in grade 11. As a member of the Athletic Council at Glebe, Keili organized intramurals,

Isaiah involved himself in community events including making repairs to bicycles for the Syrian community and a week-long mission to help the homeless and elderly on welfare. He is concerned about the environment and helped design and build a rain garden at his school and in his community, and obtained a grant to fund a water bottle refill station to reduce water waste at his school. Isaiah will attend University of Western Ontario as he sets his sights on a Bachelor of Engineering.

Isaiah Frielink achieved an 88% average at Unity Christian High School. Isaiah qualified for the OFSAA Cross Country Championship each year of his high school career, and won the OFSAA gold medal in the 1500m and silver medal in the 3000m in grade 12 at the OFSAA Track and Field Championship. He was also a member the Athletic Council as well as the basketball and

2017 OFSAA Alumni Scholarship Recipients

Recipients of the OFSAA Alumni Scholarships are not necessarily the students with the highest academic standing, who participate in the greatest number of sports, or have won OFSAA medals. These scholarships focus on the impact school sport has had on the individual and the role he or she has played to better the school community as a whole.

Congratulations to the 2017 recipients for expressing how your unique experiences in school sport made your years in high school enjoyable and prepared you for life experiences as you go forward.

Molly Boley
Owen Sound DSS

Outstanding academics highlighted by her role as valedictorian, involvement in many aspects of her school community, and active participation in track and field, basketball, volleyball, soccer and

badminton during her school career - Molly is a truly deserving recipient of an OFSAA Alumni scholarship. She also found time to volunteer in many fundraisers, to coach girls' field lacrosse, and to referee and score volleyball in the community.

According to her coach, Molly is "relentless, yet humble, in her pursuit of excellence, a respected leader, and most importantly, an honest, kind and caring person who is accepting and tolerant of all people". School sport has empowered her to succeed in all aspects of school life and we know Molly will continue to succeed as she moves on to study Global Politics at Carleton University. All the best in your future endeavors!

Nathan Rowe
Grand River CI, Kitchener

Nathan was a 'remarkable student, athlete, volunteer and leader in his school community', and thus a worthy recipient of this scholarship. During his years at Grand River, he participated in volleyball, basketball, hockey, badminton

and track and field, and also volunteered in many community activities. His academic accomplishments are nothing short of outstanding as he placed in the top five students in the school in consecutive years.

School sports have provided Nathan with an outlet to grow and improve in ways he never thought possible, challenging his norms and stretching his comfort zone. The OFSAA Championships will be one of his greatest achievements and one of his most incredibly memorable experiences. We wish him well as he pursues mechanical engineering at the University of Waterloo.

Meg Kitchen
I.E. Weldon SS, Lindsay

Meg took some good advice when she entered high school and "got involved". She was indeed an active participant in her school community, joining in basketball, rugby, soccer and

swimming, and serving on the Student Council. Her love of sport is evident through the energy and enthusiasm she shows with her volunteer work with children's programs in the community. Despite many hours spent in the gym or volunteering in the community, Meg still maintained a high academic average.

Her coaches have been positive role models demonstrating the same positive thinking and focused energy she applies to both her sports and academics. They applaud her as a true team player, the first person to encourage team mates, and an individual who has the ability to motivate others. The commitment, determination, and motivation acquired through school sport will serve Meg well as she studies Recreation and Leisure at the University of Waterloo. All the best, Meg!

Taylor Flewelling
Englehart HS

Involved in basketball, volleyball, track and field, soccer, badminton and cross country, a member of the Student Council and other school clubs, and an excellent scholar - Taylor is also a deserving recipient

of this OFSAA recognition. She devotes many hours to a variety of community groups as well. Her principal applauds her 'amazing work ethic' as she takes initiative to get the job done whether it be in the classroom, on her sports team, or in her volunteer roles. Her enthusiasm and positive attitude are contagious and often motivate others to get involved.

School sport made high school a friendlier place for Taylor, as teammates became friends and stronger relationships developed with staff members. The important qualities of organization, problem-solving, time management, and working under pressure, learned through school sport, will prepare Taylor for her university life at the University of Guelph where she will study Agricultural Science. Enjoy your university experience!

The OFSAA Alumni Scholarships 2017-18

Each year OFSAA Alumni Scholarships are presented to students in specific Associations. For the 2017-18 school year, applications will only be received from students in schools in GHAC, NCSSAA, NWOSSAA, and CISAA. ****Note: There was an error in the June Bulletin listing the incorrect Associations.**

Criteria and application forms can be found on the OFSAA website (ofsa.on.ca) under 'Programs/Scholarships'. Applications must be received by mail or courier by April 15th, 2018. Teacher-coaches, athletic directors, and student service departments - make your student-athletes aware of this opportunity and encourage them to apply!

The OFSAA Alumni Association

The Alumni Association is composed of retired teacher-coaches and former student-athletes, and provides an opportunity for them to keep in touch with their peers. Donations to the scholarship fund from current teachers, former teacher-coaches, graduates, and alumni members provide the money for annual scholarships for students from around the province who pursue post-secondary education in a Canadian institution.

Members receive copies of the OFSAA Bulletin and newsletters.

Pass along this information to retirees and former student-athletes in your Association so we can expand the membership and continue to provide these scholarships. Check the OFSAA website for further information.

OFSAA A/AA & AAA FIELD LACROSSE FESTIVAL

Brantford

May 39-June 3, 2017

If not for Geoff Stead of Pauline Johnson Collegiate & Vocational School (CWOSSA) this year's OFSAA festivals would have been cancelled. OFSAA would like to thank all the hard work by this year's organizing committee for putting together two great provincial tournaments in such a short period of time. Hosting both festivals is no easy task and Geoff was able to put on first class events

for all participants. Using the fields at Kiwanis Park, North Park S.S and Pauline Johnson in Brantford provided great venues and excellent fields for competition. With the help of teacher and student volunteers from McKinnon Park as well, student-athletes across the province were treated to a very well organized event. Participants from both festivals were treated to a banquet at the Best Western in Brantford. Guest speakers in both provided valuable messages for student-athletes.

In the A/AA festival, Abbey Park (GHAC) captured the gold medal, defeating powerhouse McKinnon Park (SOSSA) in the final 9-5. The AAA gold medal match featured the 2015 and 2016 finalists, and once again St. Michael's College (CISAA) prevailed 13-9 over St. Peter Catholic Secondary School (COSSA). Congratulations to all teams and thanks again to Geoff Stead for his incredible organization and attention to detail.

OFSAA Boys' Baseball

Windsor and Toronto
London

May 31-June 1, 2017
June 7, 2017

A very rainy spring played havoc with association baseball championships this year forcing some playoffs to be completed 2 days before the OFSAA championship. It continued in the Toronto regional when a downpour on the 31st forced the final game to be played on June 2nd to determine the last semi finalist.

The real story however was the great calibre of baseball played in spite of the of the less than stellar weather conditions. The regional sites this year were Toronto and Windsor. Each region had a nine team double knockout tournament with the top two teams in each

advancing to the semi finals in London.

When the dust settled Sinclair S.S. and the ninth seeded Cinderella team St Joseph's from Ottawa advanced from the Toronto regional while the two SWOSSAA teams St. Anne's and Riverside advanced from the Windsor Regional. In London St Anne's defeated St Joseph's 3-2 to win this years' OFSAA championship and Prentice Cup. OFSAA

was pleased that the Toronto Blue Jays Director of Community Baseball, T.J. Burton attended the games in London and took part in the medal presentation.

Congratulations to St Anne's team members: Matthew Bardoel, Alex Bastable, Andrew Bastable, Carson Burke, Stephane Crevier, Michael Critchley, Cameron George, Evan Gignac, Matthew Gravelle, Christopher Mousseau, Eriq Nantais, Nathan Pichione, Eric Ray, Jacob Ray, Joshua Rieti, Spencer Seguin, Shane Way, Dylan Weston, Curtis Zimmerman and coaches: Steve Burke, Jonah Fuerth, Chuck Gravelle, Mitchell Zimmerman and Chris Burke

OFSAA thanks Paul Rebelo in Toronto and Steve Burke in Windsor who served as regional convenors this year. Their organization and preparation made each of the regionals run smoothly and efficiently. OFSAA also thanks Taylor Jones for coordinating the games in London as well as the Toronto Blue Jays for their support of this Championship.

Paul Solarski of Brebeuf College was presented with the Leadership in School Sport award for his long time contribution to high school baseball both as a coach' convenor, and SAC chair.

OFSAA Boys' A/AA & AAA Rugby

Ottawa

June 1-3, 2017

St. Patrick's High School and National Capital Secondary School Athletic Association hosted both OFSAA Boys' Rugby Championships in 2017. Convenors Carrie Bowie and Rick Mellor decided it was time for boys' rugby to return to Ottawa, Ontario. Carrie and her organizing committee made up of teachers, students and school board members did a fantastic job hosting thirty two (32) teams from around the province. Student-athletes were treated to great playing conditions at Twin Elm Rugby Park. Thanks to all volunteers for putting on an excellent tournament.

Algonquin College pulled off what might have been the most food consumed at an OFSAA championship with over 1000 hungry rugby players in attendance. Congratulations to Brendan Byrne and Danny Leeson

for winning the Leadership in School Sport award. Your dedication to student-athlete success both on the field and in the classroom is greatly appreciated.

In the A/AA Championship Adam Scott Collegiate and Vocational Institute (COSSA) captured the gold defeating Ashbury College (NCSSAA) in the final 20-0. The AAA gold medal match featured an upset when Oakville Trafalgar High School (GHAC) defeated #1 seeded Saltfleet District High School (SOSSA) by a convincing score of 34-7.

Also to be congratulated is Brookfield High School (NCSSAA) and Bill Crothers Secondary School (YRAA) for being awarded the Team Sportsmanship Award for their respectfulness of all participants throughout the championship.

OFSAA Girls' A/AA and AAA Rugby

Durham Region

May 29 – 31

Under the leadership of Convenor Amy Murray, the host committee was well-prepared to welcome approximately 1,000 athletes and coaches to the Durham Region for both the Girls' A/AA and Girls' AAA Rugby Championships. The entire event was first rate from start to finish, including the large banquet in the gymnasium of Durham College/VOIT. Players and coaches had the opportunity to hear from guest speakers Cindy Nelles and Jane Kirby from the Canadian national team, and both were excellent role models for the OFSAA participants. Also featured at the banquet, were the talents of Anthony Brosseau from O'Neill Collegiate and Vocational Institute who performed songs before and during dinner.

Brooklin High School and Port Perry High School provided the playing venues along with the local rugby clubs in Oshawa (Vikings) and Ajax (Wanderers). Some threatening lightning storms required adjustments to the playing schedules, and Amy and her committee were able to quickly adapt with minimal disruption to the teams.

On the field, the A/AA final was a match-up between rivals Bayside Secondary School and Trenton High School, both from COSSA. An incredibly tough, low scoring match ensued as the two teams competed for the gold medal, and in the end Bayside prevailed, coming away with a 5-0 win. Congratulations to Madelynn Anderson, Catherine Bonn, Julia Card, Annabelle Clements, Aleighsha Comeau, Samantha Conley, Emily Dewal, Samantha Eggleton, Hanna Fitzgerald, Amy Frotten, Breanna Gracie, Meaghan Hannigan, Madeline Hill-Dolan, Caitlyn Isles, Madison Kelly-Clarke, Rosemary Minns, Natasha Mullins, Paige O'Gorman, Sydney Parkinson, Alexis Porter, Emily Reed, Tessa Reed, Alexandra Roberto, Emma Ross, Peyton Rowe, Claire Scruby, Payton Smith, Kaitlyn Sponagie, Nadia Stinson, Darby Uens, Eleni Zavos, Head Coach Scott Dewar, Assistant Coach JoAnne Robinson, and Assistant Coach David Whitney.

On the AAA side, Oakville Trafalgar High School faced J. F. Ross Collegiate and Vocational Institute in the championship game. The talented Oakville Trafalgar squad held off the determined J. F. Ross team and came away with a 22-12 victory. For Oakville Trafalgar, this was their second gold medal in the past three years. Congratulations go out to

This year's Leadership in School Sport award winner was Chris McKee from Uxbridge SS. Chris has been involved with girls' high school Rugby for over 20 years. He has dedicated hours and hours in order to help develop the game of rugby in both in the Durham Region and across

the province and has been a driving force in the progress of the Durham region league as a convenor. Chris is also the girls' hockey coach at Uxbridge and runs tournaments in both sports on a regular basis. Clearly Chris is a very deserving winner of this important award. Congratulations Chris!

After the championship was over, the Team Sportsmanship awards were given to two schools that set an example to all of the other schools for their positive attitude and respect for officials, coaches and fellow athletes. For the Girls' A/AA Championship, the award was given to Newtonbrook Secondary School for the second consecutive year while Ursuline College captured the award for the Girls' AAA Championship. Congratulations to both teams!

OFSAA Boys' A Soccer Championship

Windsor June 1-3, 2017

Once again École Secondaire Catholique E.J. Lajeunesse (SWOSSAA) in Windsor, Ontario graciously took on the task of hosting an OFSAA event. Tom Couvillion and his team of expert volunteers were prepared to give student-athletes and teacher-coaches a true championship experience. Using McHugh Park Soccer Fields, coaches and athletes were treated to a great venue and plenty of quality soccer on the pitch.

An action packed first day of competition concluded with the championship banquet, which was held at a familiar banquet site for OFSAA. The Serbian Centre and its staff provided great food. In fact some students were even treated to an amazing dish of chicken fingers. Danielle Parent was honoured as the Leadership in School Sport Award. Danielle's commitment to student-athletes is appreciated not only at school but also within OFSAA over the past several years.

The championship provided many exciting games and in the gold medal match former OFSAA champion Guido de Bres Christian High School (SOSSA) regained the title and beat Ridley College (CISAA) 3-0. The Bronze medal went to Holy Cross High School (WOSSAA) who defeated Ursula Franklin Academy (TDSSAA) by a score of 1-0.

OFSAA Girls' A Soccer Championship

Toronto

May 31 – June 2, 2017

University of Toronto Schools hosted this year's OFSAA Girls' A Soccer Championship. Jeff Kennedy, Garry Kollins and the balance of their organizing committee did an outstanding job of organizing this year's event and did everything that they could to provide each participant with a quality experience. This year's banquet was a breakfast buffet and at the conclusion of the meal, Cassidy Kunicyn gave an inspiring speech to those in attendance. Her core message was that it is possible to achieve excellence and build character through participation in High School Sport. Cassidy is a UTS Graduate and a former athlete of the year at the school. The Leadership in School Sport award was also presented at the banquet and this year's winner was Garth Chalmers from University of Toronto Schools. Garth has been involved in high school sports as a coach, convenor and OFSAA Rep for 19 years and has been part of 2 OFSAA Championship organizing committees in the past. As a current Principal, Garth sits on many committees that help to promote wellness and athletics across the Metro area.

Once the banquet was over, the games began and after 7 tough games over 3 days, E.S.C. Le Relais (EOSSAA) emerged victorious. After finishing 3-1 in pool play, the ladies from Alexandria swept through the playoff round to capture the Championship game 2-1 over E.S. Jean Vanier (SOSSA). OFSAA Girls' & Boys' AA Soccer

North Bay June 1 – 3, 2017

West Ferris SS and the city of North Bay were this year's hosts for both the Boys' and Girls' AA Soccer Championships. Convenors Tyson Brear and Guy Horth, along with a very organized and hard working committee, ran a top notch event for the 40 teams that travelled to the Gateway City. The Banquet was hosted at the Memorial Gardens and incredibly all of the nearly 1000 people in attendance were served and fed within 20 minutes! OFSAA would like to thank the North Bay Battalion Hockey Club for doing such an outstanding job on the banquet and Stan Butler, Head Coach and GM of the Battalion who was the guest speaker.

Erin Robertson from West Ferris S.S. is this year's Leadership in School Sport Award winner for girls' AA soccer. Erin is a long time teacher-coach at West Ferris and has worked tirelessly in her school's athletic department and is a key figure in the organization of the school's awards night ceremony. Erin coaches volleyball and is a strong role model for the young girls at West Ferris. Erin has also been a key "behind the scenes" worker for each of the

five (5) OFSAA Championships that West Ferris has hosted recently. Congratulations Erin!

Jean-Francois Renaud is this year's Leadership in School Sport Award winner in boys' AA soccer. Jean-Francois has been coaching football and basketball at E.S.C. Algonquin for over 10 years. He has been instrumental in creating and maintaining the district's athletic website and has been on the organizing committee of 4 OFSAA Championships. His direct involvement in the maintenance of the OFSAA website, in particular the results and webcasting areas, has guaranteed a high quality Championship in every case and his dedication and professionalism is unparalleled. Congratulations and thank you Jean-Francois!

The athletes from Dryden HS and Arnprior DHS won the Team Sportsmanship awards at this year's Championship. Both teams represented their school and association with class and dignity and put up a spirited fight in each of their pool games. Congratulations and thank you to both teams!

OFSAA Girls' AAA Soccer

Belle River

June 1 – 3, 2017

Mother Teresa High School (NCSSAA) 2 – 0 to capture the gold medal. Congratulations to both teams on a great tournament but especially to the members of the victorious Crusaders: Katelynn Capicotto, Melissa Cormier, Julia Desousa, Mallory Dickenson, Michelle Fortin, Kaiya Foster-Rife, Dayna Haddad, Meaghan Howell, Faythe Hoyte, Elizabeth Iasparro, Nicole MacKinnon, Venessa Mazur, Sarah McPhail, Laura Naccarato, Katarina Osojnicki, Allison Pike, Emilia Polonska, Alicia Sutcliffe, Sarah Van Horne, Ellyse Woolcott along with coaches Patrick McCallion and Tomasz Niedzwiecki.

Belle River District High School was the proud host of this year's Girls' AAA Soccer Championship. After a very wet spring, OFSAA was fortunate to have a solid week of good weather that guaranteed excellent field conditions for each team. Convenors Frank Graziano and Kevin Williams, along with the balance of their organizing committee, did a great job in guaranteeing a quality experience for the athletes, coaches and parents. The Championship banquet was hosted by the Ciaocaro Club of Windsor on the night before the Championship officially began. Frank and Kevin integrated a game of twitter trivia throughout the dinner and then had each team participate in a mannequin game afterwards. Both of these activities proved to be popular with all those in attendance.

The Leadership in School Sport award was presented to Kristy Kassian from Belle River DHS. Kristy has been a teacher for 15 years and during her tenure at Belle River DHS has distinguished herself as a teacher-coach who always keeps the best interests of her student-athletes in mind. Gerald Hlady, Belle River's athletic department head commented that "former students often come back to the school to visit with her and seek her guidance, years after they have graduated. That says a lot about the impact she has on all of the people that she meets." Congratulations Kristy on a well deserved award.

Pool play began on Thursday morning and by the time the round robin games were completed, it was clear that there was great parity in the Championship this year. Each pool had competitive balance as evidenced by the scores and the final standings. In a high tempo final game, Our Lady of Mount Carmel Secondary School (ROPSSAA) outlasted

The Team Sportsmanship award was given to St. Ignatius (SWOSSAA) for their outstanding attitude and the respect for officials, volunteers, fellow athletes and coaches that they displayed throughout the tournament. Well done Falcons!

OFSAA Tennis

Toronto

May 29 – 31, 2017

Once again, York Region Athletic Association hosted the OFSAA Tennis Championships at the University of Toronto – Scarborough campus as well as the Mayfair

Racquet Club. Convenors Shawn Morris, Suzanne Lachner, Jason Snider along with the balance of their organizing committee, delivered another high quality event despite some challenging weather issues. 402 athletes from 17 Associations participated in this year's Championship and 469 matches were played in 10 different divisions. The committee's use of technology kept everyone aware of event changes and they were able to make the necessary adjustments on the fly and complete all of the matches on time.

Will Seeley, from Kenner CVI (COSSA) is this year's recipient of the Leadership in School Sport Award. A very deserving winner, Will has been instrumental in developing the High School Tennis program in the Peterborough area and has been a convenor for over 17 years. OFSAA Track & Field

Belleville June 1 - 3, 2017

The 2017 spring track season was very difficult in terms of weather conditions. Regional championships were held in cold & wet conditions. However, under the beautiful backdrop of Mary Ann Sills Park Complex & Bruce Faulds Track in Belleville, the conditions were near perfect. Brian Poste (North Hastings) and Tim Larry (retired) provided the leadership and inspiration for the many volunteers and committee members from the East Region to ensure the success of the championship for 2,392 participants and their coaches from 530 schools across Ontario.

The OFSAA 2017 Championships welcomed back Dr. Michael Ponikvar, one of OFSAA greatest competitors in the High Jump. Michael competed for Denis Morris HS in the 90's. Michael still holds the OFSAA Junior (2.04m) and Senior (2.24m) High Jump records. He also holds the Canadian Interscholastic Record in High Jump of 2.24m which he set in 1998.

OFSAA would like to thank the organizing committee, the adult officials, and the student volunteers who made the 2017 championships a great success. The organizing committee would also like to thank the City of Belleville for its support of OFSAA as well as the many sponsors who also contributed to the success of these championships.

OFSAA would also like to thank NIKE for its contribution to the championships. The athlete village was a constant hub for everyone.

OFSAA congratulates Louis O'Neill (St. Thomas Aquinas – Lindsay) for being the recipient of the OFSAA Leadership In School Sport Award. Louis has made a significant contribution to high school sport in the Lindsay area for many years. COSSA has been the real benefactors of his leadership for many years.

The championships are about athletes and they did not disappoint the enthusiastic crowds that filled the stands for the three days.
