ULTIMATE FRISBEE PRODUCTS

A Word from Doug Gellatly, OFSAA Executive Director

Beginning this spring and continuing into the next school year, OFSAA will release a series of four short videos titled *The School Sport Effect* that capture the incredible benefits of sport at the high school level. These videos were produced under the direction of our advocacy committee and the leadership of its Chair, Barry Mutrie.

We are very excited about this project because it addresses a number of key areas. When we conducted a survey as part of our strategic planning process, a wide variety of groups were invited to respond including coaches, athletic directors, school administrators, school board administrators and students. A number of common issues and themes emerged from the survey responses such as problems with coach recruitment, declining student interest and lack of support from administration.

The videos, which are all about 60 seconds in length, address all of these areas and provide an emotional connection to the viewer. OFSAA will make them widely available to schools and associations to use at trustee meetings, staff meetings, grade eight nights, grade nine orientation and student council meetings, among other opportunities. They will also be distributed through social media channels and other digital promotion means as well as on the OFSAA website.

Here is a brief description of each of the four videos.

"Dear Coach"

Targets coach recruitment by recognizing the sacrifices coaches make and the appreciation felt by students for the efforts of coaches. It also encourages student participation by communicating that school sport helps them prepare for life.

"Dear Mom and Dad"

Aimed primarily at parents and conveys the message that school sport can provide a meaningful experience if their child participates. This will also resonate with the public and other audiences. The message is backed up by factual statistics.

"Dear Student"

Main audience is students and acknowledges the barriers to participation while encouraging engagement in school sport. It also draws attention to the benefits that coaching can provide to teachers who volunteer their time.

"Success Stories"

The target audience is school and board administrations and trustees. The video reinforces the value of school sport through statistics and success stories by featuring a wide-range of professionals from across all walks of life who played school sports. The content is supported by research.

These have all been professionally produced by Clark Communications and are valuable tools your school will find very useful. Please don't hesitate to contact our office should you require background and the key speaking points that can assist in your presentations of the videos.

**Larry Bobbie

The positive role model convened OFSAA and NOSSA badminton events and was a chair of the Sport Advisory Committee (SAC) for OFSAA Badminton.

OFSAA extends our heartfelt condolences to Larry's wife, Darlene, and the entire Bobbie family at this difficult time.

Coaching in Ontario Schools (CIOS)

CIOS is a program developed by the Coaching Association of Canada and the Ontario Federation of School Athletic Association to give teacher-coaches and community volunteers the special skill-set they need to coach effectively in the school environment.

OFSAA is looking to host "National CIOS Day" and offer a workshop in each association on September 11th, 2018, from 3:30pm-7pm. This workshop is great for any OFSAA coaches or for those schools that have an increased number of community coaches and need to be aware of OFSAA policies. CIOS also provides participants with three PD points to maintain NCCP certification.

Let's look to educate more volunteers, teachers and coaches and we can do that through the CIOS! If you are interested in hosting on this National CIOS Day or offering a workshop at your school (this course is offered in both English & French), please contact Denise Perrier at denise@ofsaa.on.ca or 416-426-7436.

Thank You For Your Dedication!

At OFSAA's Annual General Meeting in April, three outgoing volunteers were recognized for their outstanding service and dedication.

Jane King of Bishop Strachan School is departing as Association Representative for CISAA. **Christine Baillie** of Stamford Collegiate is leaving her post as Association Representative for SOSSA and **Dale Huddleston** has completed his term as Member-at-Large on OFSAA's Executive Council.

Thank you all for your many contributions to OFSAA and school sport!

Jane King and Fraser Bertram (Director Of Athletics, Crescent School, CISAA)

Ian Press (OFSAA Past President) and Dale Huddleston (right)

PRAYERS FOR HUMBOLDT

OFSAA's thought and prayers continue to be with the families and the entire community of Humboldt, Saskatchewan. At OFSAA's Annual General Meeting on April 12, the entire membership proudly took part in "Jersey Day" as a display of support for the #HumboldtStrong cause.

Canadian Interscholastic Athletic Administrators Association – CIAAA

This is a joint venture between OFSAA and the Canadian Interscholastic Athletic Administrators Association that promotes, supports and trains existing and aspiring Athletic Directors/Coordinators

3 courses (502c; Principles, Strategies and Methods, 504c; Legal Issues 1 and 602c; Creating Your Athletic Handbook) are being offered through OFSAA.

Check out the CIAAA website at www.ciaa.ca or if you are interested in hosting a course in your area, please contact Denise Perrier at denise@ofsa.on.ca or 416-426-7436.

OFSAA-SANCTIONED INVITATIONAL EVENTS

ATTENTION TO ALL ATHLETIC DIRECTORS & PHYSICAL EDUCATION CURRICULUM LEADERS

PLEASE ENSURE THAT ALL OF YOUR COACHES ARE AWARE OF THEIR RESPONSIBILITIES AS IT APPLIES TO ATTENDING OR HOSTING SANCTIONED EVENTS.

Individual schools bear the responsibility of submitting timely and accurate requests for OFSAA Sanctioning if they wish to attend or host invitational events. Requests must be received **at least 30 days prior** to taking part in or hosting such an event. OFSAA Sanctioning requires that all competitors are **OFSAA eligible** and that **supervision** requirements are met by each school who wishes to take part.

APPLICATION FORMS to either host or attend invitational events are to be **completed on-line** and can be found at: ofsaa.on.ca/events/sanctioned-events

IF YOU ARE TAKING PART IN AN INTERPROVINCIAL COMPETITION, your school must receive OFSAA Sanctioning in order to participate. OFSAA has reciprocal agreements with the other provincial high school sport organizations that will protect the integrity of interprovincial events.

IF YOU ARE ATTENDING AN EVENT IN THE USA, your school must receive OFSAA Sanctioning for all state and National Federation of High School (NFHS) events. Since many events do not specifically indicate whether the event is sanctioned or not, it is wise to obtain OFSAA Sanctioning for all US events.

IF YOU ARE HOSTING A MEET OR TOURNAMENT, schools from the USA or other Canadian provinces must receive sanctioning from the host state or province, so it is recommended that you receive OFSAA sanctioning for your event if it involves any school(s) from outside Ontario. Failure to do so may result in a team being sanctioned by their state or province when they return home.

If you want to know if the invitational event or meet that you want to attend/host has been sanctioned by OFSAA, please go to ofsaa.on.ca/events/sanctioned-events/approved-team-sanctions or the NFHS site at nfhs.org.

Royals Honour Memory of Bondy at OFSAA Girls' A Volleyball Championship

By Jim Parker, Windsor Star

It wasn't a gold medal chase that inspired the Lajeunesse Royals. Hosting the OFSAA girls' A volleyball championship, a young Lajeunesse squad knew it was a longshot to make it to the podium, but the 15th seeded Royals wanted to put in a performance that would make former team captain Lauren Bondy proud.

Bondy lost her battle with cancer in December at the age of 16 and getting back on the court and back into

action was no easy feat for the Royals.

"It was definitely tough," 16-year old Migan Gahima said. "For a while, I didn't want to come to practice half the time.

"She's the reason I tried out for that team. She's the reason I'm playing volleyball all the time. I was playing with her. It was hard to go on, but I knew that I had to for her."

The Royals captured the WECSSAA title by battling back from a set down to win in five sets.

"At WECSSAA we won because the ball just trickled over the net and we all believe that was (Bondy) putting the ball over," Gahima said. "It's just like on the court. She always helped us."

Shaking off losses to two of the top five seeds in the tournament on Monday, the Royals beat No. 18 Brampton Christian Academy 2-0 by scores of 25-7 and 25-11 before completing pool play with a 2-0 loss to No. 12 Timmins by scores of 25-20 and 25-21 on Tuesday, but that was enough to advance the team to the consolation round.

"I couldn't be prouder," Royals head coach Sonia Lapierre said. "It's just their strength this year because of what they've overcome.

"They're able to show up at the gym every day, although it was hard and mentally up and down, but they were able to come here and put up a really good performance."

Bondy's parents – Rosaire and Tammy – stayed close to the team. They purchased pullover OFSAA hoodies for each team member with the initials L.B. and her

No. 14 on the sleeve.

The Royals also kept her in mind. The official logo for the tournament features the Windsor skyline in all black with a purple star with the number 14 on the right side.

"We decided to dedicate this OFSAA to her because OFSAA was her dream," said Lapierre, who along with her players wore a white ribbon on her wrist with Bondy's initials and number. "She really wanted to fight until OFSAA was here. She wanted to be here with us, no matter what, and unfortunately she didn't have the chance to be here physically, so we made sure she was in other ways."

Before each game, the Royals emerged from the dressing room and went past a sign that read, 'Do It for Lauren.'

"We always kissed it and hit our hand on the 'Do It for Lauren' sign," 16-year old McKay Colombe said. "We wanted to keep her in our minds the whole time."

Lajeunesse's tournament run came to an end in the consolation quarter-finals with a 3-0 loss to No. 4 Quinte Christian by scores of 25-18, 25-19 and 25-9, but there was no disappointment.

"This was her dream to be here at OFSAA," Colombe said of Bondy. "I find it hard because knowing Lauren wanted to do this so much and her not being here. I go through her text messages and all she ever wanted to talk about was OFSAA, OFSAA. She was super excited for it.

"So, it's hard, her not being here, but at the same time it's going to be so much better to know that we came and we played hard. We didn't quit this season. We just came and did the best we could for her and that's going to help us a lot."

Often starting one Grade 9 player, three in Grade 10 and two in Grade 11, this Lajeunesse team will only get better in time and Bondy will continue to serve as an inspiration through that process.

"It doesn't define us that she had cancer and passed and it doesn't define her," Lapierre said. "The message we want to have is the determination she had.

"She just kept smiling. It was never about her. She was sick when she played for me. She'd been sick for four years. She was sick when she played for us, but that was a kid that showed up at the gym with a smile and just happy to be there. Determined, always positive and thinking of other people."

Pickleball picking up with students at Crestwood Secondary School in Peterborough

SPORTS Apr 11, 2018 by CODY STARR Peterborough Examiner

Crestwood students are introduced to pickleball on Wednesday April 11, 2018 at Crestwood Secondary School in Peterborough, Ont. Crestwood got funding from OFSAA Try Day to buy pickleball equipment.

- Clifford Skarstedt , Examiner

Pickleball is the newest sport to be introduced to Crestwood Secondary School's athletics program.

It's a mix of tennis, ping-pong (or table tennis) and badminton.

With a low net like tennis, paddles like ping-pong and a ball similar to a wiffle ball it's a distinctly unique racquet sport that like the other three games it shares traits with can be deceptively hard.

Crestwood physical education teacher Wade Wiggins brought the sport to the school using an OFSAA Try Day grant, which aims to help introduce new sports to schools.

Pickleball is now being taught to Grade 9 and 10 students in physical education classes. For senior grades, intramurals are offered as well as a round robins at lunch.

Wiggins says he has seen success with the students and not just with the ones who have to learn it for physical education but with the intramurals as well.

The sport has caught on so much even teachers from other departments have tried it out, as well as the school's vice-principal Tracy Armstrong.

Grade 12 student Trisa Johnson has been a driving force behind the sport and getting more students interested.

"When I heard the teachers talking about it doing a new sport at the school I thought it would be great to get involved," Johnson said. "We have a lot of varsity sports

but not a lot of club teams so its great to introduce students to sport with rules as easy as pickle ball that they can learn and just have fun with instead of just competing."

For Johnson this is typical. She volunteers in the community frequently and is vice-president of the student council.

"It's worked out pretty well considering the amount of other sports we have." Johnson said.

Johnson's friend and fellow Grade 12 student Holly Astrom who is the student council president and an avid sports player said, she's been enjoying it and she thinks it's cool that it's not a sport a lot of people know about so people's differences in ability aren't as big as they would be in more competitive sport like badminton for instance.

Astrom and other fellow Grade 12 students in her leadership class were all taught the game early by Wiggins so they could teach the other students when they came to participate at lunch.

Among those taught was Grade 10 student Deane Freiter. Originally a badminton player, he began playing just a couple of days ago but has taken to it quite well saying, "I saw the posters up around the hall and went. They were short a couple of players so they just kinda threw me in there, but it was fun."

Pickleball is often seen as a "old persons game" but not to Freiter who says he definitely doesn't think of it like that with the agility people have to move to hit the ball.

Each year, because of the generous donations made by friends of OFSAA to the Alumni Scholarship Fund, Ontario high school student-athletes have the opportunity to apply for scholarship money that will assist them in their pursuit of a post-secondary education. These scholarships are available on a rotating basis to applicants from selected member associations. The due date for the submission of all documentation for the 2018 – 19 school year will be **April 15, 2019**. OFSAA's Character Athlete Award celebrates the efforts of the exceptional student-athletes in Ontario who best exemplify the characteristics that OFSAA is founded on.

Nominations come to the OFSAA office detailing the exceptional character of student-athletes across Ontario, inspiring those around them with their involvement on the playing field and in the classroom, in both school and community.

Selecting just one male and one female recipient of the OFSAA Character Athlete Award is never easy, but the following two individuals stood out for their commitment to OFSAA's values of leadership, equity, respect and sportsmanship.

Chloe Jakob

Nominated by: Lindsay Walker

Chloe is a grade 11 student at Leamington District Secondary School in Leamington, Ontario.

In just her first three years in high school, Chloe's accomplishments in the community and her school's athletic program are extremely impressive. In early May, she won gold in the C Flight at OFSAA badminton and she is a member of the school's strong softball team this spring.

Chloe's standout play on the junior and senior volleyball team earned her the Rising Star Award in Grade 9 and team captain and Sportsmanship Award in Grade 10.

Chloe excels at badminton. She went undefeated in girls' doubles in Grade 10 and won county ECSSAA/SWOSSAA in Grades 9 and 10. For her performance and dedication, she earned the MVP Award in both Grade 9 and 10 and she was also named the school's Junior Female Athlete of the Year in 2017.

As a student on the honour roll, Chloe has the following certifications: Lifesaving Society Bronze Cross, Bronze Medallion, Standard First Aid, Emergency First Aid, High Five—Principals of Healthy Child Development, Pleasure Craft Operators (Boating), NCCP course coaching athletes with disabilities and Ontario Baseball Umpire Level 2.3.

Chloe currently serves on the Corporation of the Municipality of Leamington's Mayor's Youth Advisory Committee as the voice of youth and Youth Empowerment. Chloe volunteers weekly with the Special Olympics Ontario local swim team and she works part-time as a Youth Program staff member with the Corporation of the Town of Leamington. Chloe has also participated in the Multiple Sclerosis Society of Canada walk for several years.

A member of the NCCP, Chloe has completed the Coaching Athletes with Disability course. Chloe is a volunteer coach of the Leamington-Essex Warriors Special Olympics swim team.

Congratulations on the OFSAA Character Athlete Award for 2017-18, Chloe!

Ben Zwolak

Nominated by: Anthony Macaluso

Ben is a grade 12 student at Cardinal Newman Catholic Secondary School in Stoney Creek, Ontario.

Ben has been an active participant across several sports throughout his high school career.

After playing for the midget basketball team, Ben would go on to play junior and senior football, basketball and badminton. His athletic prowess led him to a spot on the varsity baseball and touch football squads as well.

In the community, Ben is a two-year member of a program called D.R.E.A.M.S. (Dominican Republic Educational and Medical Supplies). Ben and this student group made two trips to rural Dominican Republic and provided building supplies and helped in the building a home for a needy family.

Ben is an enthusiastic coach/manager of the Special Olympics program. Here he has forged friendships with the school's students with developmental exceptionalities by attending events and coaching the school's Special Olympians.

Ben takes time out to coach a youth house league team in the school's Saturday Newman Youth Basketball program and he is also a Summer Camp Counsellor at Cardinal Newman. He also holds this role at two other local community summer camps.

Ben's leadership was recognized in 2017 when he was the recipient of the Jeff Dickins Memorial Award. This distinction was earned from his excellence in sport, the classroom and in the community.

An honour roll student in each year of high school, Ben is a reliable volunteer as a referee for feeder school tournaments. Ben Zwolak embodies OFSAA's values in both his personal life and at school and he is very deserving of this award.

Congratulations on the OFSAA Character Athlete Award for 2017-18!

2018 OFSAA Snowboarding Festival

Georgian Peaks March 1, 2018

The 2018 OFSAA Snowboarding Festival was hosted again by York Region at the Georgian Peaks Ski Club. Although there were concerns about weather and conditions, everything ran smoothly thanks in large part to the leadership and commitment of convenors Adrienne Chong and Mark Arsenault.

This year's festival saw the usual 300 competitors from across the province gather to compete in giant slalom events for both the High School Division and the Open Division for both boys and girls.

OFSAA would like to express special thanks to the organizing committee, the many volunteers, and the staff of Georgian Peaks who helped to make the festival a great success for the student-athletes and coaches.

We look forward to Georgian Peaks hosting the 2019 Festival.

Congratulations to all the snowboarders who qualified to represent their associations at the festival and special congratulations to the award winners listed below.

OFSAA Badminton

Windsor

May 3-5, 2018

OFSAA Badminton returned to Windsor in 2018. First time convenor Stacey McClounie from F.J. Brennan C.H.S (SWOSSAA) welcomed 450 participants with enthusiasm and professionalism. The three-day event highlighted the new 'High School' division within singles competition and spectators were treated to quality badminton matches from start to finish. St. Clair College in Windsor proved to be a perfect venue and provided student-athletes with quality playing conditions.

The Cabuto Club was once again the site for an OFSAA banquet and student-athletes and teacher-coaches were treated to an excellent all-you-can-eat Italian

meal. Passionate words were shared by guest speaker Clovis McLaughlin (Badminton Head Coach at St. Clair College). This year's Leadership in School Sport Award was presented to Mr. Mike Kainz (Teacher-Coach at F.J. Brennan C.H.S.). Both have been an integral part of school and community sport within the Windsor area for many years and continue to volunteer their time to the development of student-athletes.

A huge thank you to this year's organizing committee and all the student volunteers from F.J. Brennan who assisted in providing a memorable event for students and teachers across the province.

OFSAA Boys' A Basketball

Cornwall

March 5-7, 2018

The OFSAA Boys' A Basketball Championship took place in beautiful Cornwall, Ontario. The hosts from St. Lawrence Secondary School (EOSSAA) led by co-convenors Joshua Greenley and Stephane St. Denis put on a great event. St. Lawrence SS and St. Joseph's Catholic Secondary School proved to be perfect venues and fans were treated to great competition. This year's field was deep, however one team stood above all others. In an exciting gold medal game, Nicholson Catholic College (COSSA) defeated Notre Dame High School (NCSSAA) 47-43.

Congratulations to following players: William Bardwell, Calum Bechervaise, Mackinley Boomhower, Bobby Buck, Sean Chung, Mark Coates, Joseph Codina,

Campbell Fair, Kolya Jelovac, Sam Rivers and coaches Yuto Tanaka, Ken Smith and Tim Coates.

Participants gathered at the local Ramada Hotel and were treated to inspiring words from McGill University men's basketball head coach Dave DeAveiro. This year's Leadership in School Sport Award went to Bob Carlisle who has been instrumental in developing basketball at St. Lawrence SS and in the community.

The Team Sportsmanship Banner was awarded to the well-deserving Rockway Mennonite team who demonstrated great sportsmanship throughout the tournament and served as great role models for all competitors.

OFSAA Boys' AA Basketball

Pembroke

March 5-7, 2018

Mother Teresa Catholic Secondary School (WOSSAA) prevailed in two very close and exciting games in both the semi finals and final to win the gold medal at the OFSAA Boys' AA Basketball Championship in Pembroke.

One would be hard-pressed to recall a more thrilling competition than the semi final game in which Mother Teresa defeated La Salle Secondary School (EOSSAA) in double overtime by a score of 59-56. Later that evening, Mother Teresa faced St. Francis Catholic Secondary School (SOSSA) in the final and were victorious by a 54-52 score.

Congratulations to team members Emmanuel

Akindele, Peyton Campbell, Kyle Chea, Aidan Forsythe, Lorenzo Hakizmana, Mitchell Hartman, Joshua Lawrence, Juan Ortiz Vega, Shemar Rodriguez, Oren Rusagara and Aaron Tennant, and coaches Chris Brown and Derek White.

Thank you to Convenor Pat Childerhose from Fellowes High School for hosting an outstanding event. Pat and his team had all the details nicely arranged for the teams gathering in Pembroke. The hospitality of the Ottawa Valley was on full display as teams played in Pembroke (Fellowes HS), Douglas (Opeongo HS), and Petawawa (Valour HS).

Phil Moore of Arnrior District High School was the recipient of the Leadership in School Sport Award. Phil's involvement in high school athletics spans 26 years as a coach, athletic director, EOSSAA convenor, and executive member of his local association (UOVHSAA) and EOSSAA.

Finally, congratulations to Woodroffe High School (NCSSAA) on winning the Team Sportsmanship Award! Under the leadership of coaches Bill Arden and Alex Mertens, the team carried themselves in an exemplary manner throughout the championship.

OFSAA Alpine Skiing Championships

Collingwood

February 26-27, 2018

Mild temperatures and heavy rain followed by sunny skies made for challenging conditions at this year's Alpine Ski Championships. Blue Mountain Resort was once again the host to 326 student-athletes from 68 Ontario high schools and 14 member Associations. Boys and girls High School and Open level skiers competed for individual and team awards in Slalom and Giant Slalom races. Over the course of the two-day competition, athletes displayed incredible skill and determination, resulting in outstanding races and many close finishes.

For the first time ever, Alpine Skiing had 3 para athletes compete in demonstration events in both Slalom and Giant Slalom events. Austin Daleman, Euan Hanson and Ben Harris were recognized for their participation at the banquet after the first day of Slalom competition. It is OFSAA's hope that the number of participants in the para student-athlete category will grow in upcoming years. Also honoured at the banquet was Nicholson Catholic College

(COSSA) teacher Patrick Burchat. Patrick received the OFSAA Leadership in School Sport Award for his long-standing leadership and commitment to high school sport. He has been actively involved in alpine skiing at both the Bay of Quinte and COSSA levels for over 20 years as both a teacher-coach and convenor. He has also coached volleyball at Nicholson and has been the primary organizer of the school's annual Terry Fox Run, which has raised thousands of dollars for cancer research.

OFSAA would once again like to thank this year's convenor, Karen Normet and her hardworking committee along with the 50 volunteers whose efforts were critical in ensuring that this Championship remains a popular one for all of the student-athletes, teacher-coaches, parents and spectators.

Congratulations to all of the student-athletes who participated this year and special congratulations to this year's medalists.

OFSAA Nordic Skiing Championships

Sudbury

February 22-23, 2018

Laurentian University ski trails in Sudbury Ontario were once again the site for this year's 2018 OFSAA Nordic Skiing Championship. Experienced co-convenors Perry Sakki and Kerry Abols (Sudbury Secondary and Lockerby Composite) led a team of enthusiastic volunteers in hosting a memorable Nordic Championship. After the fear of having enough snow was eventually solved by Mother Nature, the fantastic facilities in Sudbury allowed for a challenging course and great races. Changes to the

layout gave spectators at this year's event better viewing as well as wide-open start, finish and exchange areas for team relays.

Following the conclusion of races on day one, athletes and coaches attended the championship banquet at the Caruso Club in Sudbury. Various nations' colours were evident as participants celebrated the 2018 Winter Olympics and associations were designated a country to represent. Following the feeding frenzy that occurs when you pack 750 hungry skiers into a room after a day of racing, the participants listened intently as the Leadership in School Sport Award was presented to Louis Roberge. Coach Roberge has been instrumental in the development of Nordic Skiing in the Sudbury area for over 25 years.

Congratulations to all skiers for being great role models for sportsmanship in high school sport.

Once again, we would like to thank coaches Perry Sakki and Kerry Abols for their leadership and commitment in hosting a terrific championship.

OFSAA Swimming Championships

Windsor

February 27-28, 2018

For the second consecutive year, the city of Windsor was the host for the OFSAA Swimming Championships. Almost 2600 student-athletes from over 350 schools across Ontario as well as teacher-coaches, community volunteers, parents and spectators attended the event at the very impressive Windsor International Aquatic and Training Centre. Both the facility and the quality of the competition did not disappoint anyone in attendance during the two day event.

Convenor Danielle Parent of EJ Lajeunesse CSS (SWOSSAA) and her organizing committee did an outstanding job in providing such a high quality experience for each and every athlete and coach. Live streaming technology gave the event a professional feel to it as well. Not only was the quality outstanding, but viewership was incredible. Almost 7,500 viewers from 46 countries around the world took advantage of the opportunity to watch student-athletes compete live. OFSAA would like to extend a special thank you to Danielle and her group for putting on such a great event!

Georgetown DHS (GHAC) was the Overall Combined team rankings winner again this year. Congratulations to all of the student-athletes and teacher-coaches from Georgetown DHS. Girls' A Volleyball Championship

Windsor

March 5-7, 2018

ESC E.J. Lajeunesse (SWOSSAA) hosted this year's Girls' A Volleyball Championship. Thomas Couvillion and his organizing committee did an amazing job in organizing this year's championship. At the banquet, each team prepared a quick presentation about their school. Funny events on the trip to Windsor and any unique qualities of their team, school or community were brought to light. This went well and provided a lot of laughs with great sportsmanship displayed by all.

The gold medal match-up saw University of Toronto Schools (TDCAA) go up against a strong team from Holy Trinity (CISAA). Looking for their first A Volleyball championship, Holy Trinity would not be denied as they were just too much to handle winning in straight sets. Special congratulations to the players and coaches from Holy Trinity: Sophia Argyropoulos, Alessia Bomken, Slyvie Bunka, Athena Capetanakis, Haley Chen, Phobe Chan, Christina Iliopoulos, Andrea Radulescu, Emily Teehan, Lauren Teehan and their coaches John Tam and Jen Gravel.

At the banquet, the Leadership in School Sport Award was awarded to Thomas Couvillion, principal with ESC E.J. Lajeunesse. He has over 25 years of experience in teaching, coaching and supporting student-athletes. Congratulations Thomas on this well-deserved award and congratulations on your recent retirement!

ESC E.J. Lajeunesse received the Team Sportsmanship Award. The host team was selected from the coaches of the participating teams. The team was an inspiration as they honoured the memory of their volleyball captain Lauren Bondy who lost her battle with cancer in December (see story on page 11). Ladies you made your team, school, family and Lauren very proud!

Girls' AA Volleyball Championship

Streetsville/Mississauga

March 5-7, 2018

The Girls' AA Volleyball Championship was held across four schools in Streetsville and Mississauga. Convenor Jim Dinner and his hard-working host committee did an outstanding job in running the event at Streetsville Secondary School, Rick Hansen Secondary School, St. Joan of Arc Catholic School and Stephen Lewis Secondary School.

St. Mary Catholic Secondary School (GHAC) from Hamilton claimed the gold medal with a decisive straight set victory over École Secondaire Catholique Franco-Cité (NCSSAA) in the final. Over the course of the entire championship tournament, St. Mary only came out on the losing end of just one set.

Congratulations to team members Megan Grosso, Madeleine Madronich, Aimee Beaupre, Mia Palango, Rachel Grightmire, Mackenzie Vallee, Felicia Malavolta, Taite Cleland and head coach Remo Presutti.

The banquet was held at Rick Hansen Secondary School on the evening of the first day of the championship. Capping off the evening, the large gathering was treated to an inspirational speech by accomplished Canadian university volleyball player, Shanice Marcelle.

Lockerby High School was selected for the Team Sportsmanship Award. The girls demonstrated outstanding attitudes and team spirit in earning this award over the three days of competition.

The recipient of the Leadership In School Sport Award was Heidi Kroes. Heidi has been coaching volleyball at Applewood Heights Secondary School (ROPSSAA) for 19 years. Over that time, she has demonstrated her commitment to the sport of volleyball by serving as the head coach of the senior girls, senior boys, and junior boys teams. Heidi has made four appearances at OFSAA: 2009 AAA girls, 2010 AAA boys, 2011 AAA boys, and 2015 AA boys. Passionate about her teams and players, Heidi has run the athletic council at Applewood Heights for 18 years. Congratulations Heidi!

Girls' AAA Volleyball Championship

London

March 5-7, 2018

and this was the host Oakridge Oaks. The Oaks only lost one set over the three days and that came in the final. That opening set loss seemed to wake them up as they won the next three sets with confidence. Congratulations to team members: Brooklyn Backwell, Thea Brouwer, Camilyn Cheng, Alexandra Connell, Karen Duarte, Erin Fitzhenry, Natalie Lyons, Maggie McKee, Alana Pawlaszyk, Hannah Petcoff, Emily Pratt, Brooke Richards, Kelsey Shewfelt, Jensen Tait, Nicole Venhuizen and their coaches Jon Marr, Logan Potter and John Beattie.

Oakridge Secondary hosted this year's OFSAA Girls' AAA Volleyball Championships. Mike Darling and the host committee did an outstanding job of organizing this year's event and did everything that they could to provide each participant with a quality experience. Mike knows how to run events and he ran this one with precision. Thanks to Mike and his organizing committee for all of their hard work this year.

The competition over three days was intense and exciting with three pools having to play tie-breaking games. The student-athletes competed hard throughout the championships, but only one team could be successful

Michele Van Barga of Strathroy District Collegiate Institute was presented with the Leadership in School Sport Award for her commitment to high school athletics. Her hard work, passion and involvement in volleyball made her very deserving of this award. Congratulations Michele!

Richview CI was named the Team Sportsmanship Award winner for their outstanding attitude and the respect for officials, volunteers, fellow athletes and coaches. Well done, ladies!

Windsor

March 5-7, 2018

For the third year out of the last four, the Windsor Family Credit Union Arena was the location for this year's championships, as close to 800 of the best high school wrestlers assembled ready to compete. There were a great number of exciting and intense matches leading to the medal matches. As always, at wrestling sportsmanship was the order of the day in both victory and defeat.

Dave Hawkins from Tecumseh Vista Academy and his veteran committee once again were excellent hosts. Their preparation, organization and hard work paid off, resulting in a well run and exciting championship.

Congratulations to the team from Turner Fenton Secondary School for capturing the boys' championship. Congratulations also go to Bishop Ryan Catholic Secondary School for winning not only the girls' team championship but also the overall team championship. Well done.

John Burke from St. Patrick's High School in Sarnia was presented with the Leadership in School Sport Award.
