Thank you to the Ministry of Education and the Ministry of Heritage, Sport, Tourism and Culture Industries for their generous contributions and support.

OFSAA President's Message – Carolyn Chesney

Carolyn Chesney became OFSAA president in September, succeeding Nick Rowe who completed his two-year term. We welcome Carolyn into this important leadership role and are fortunate to be able to draw upon her many years of experience in education and school sports. She is vice principal of John F. Ross Collegiate Vocational Institute in Guelph and has coached and served in many capacities in the administration of school sports at the local, regional and provincial levels. Here is Carolyn's message to the OFSAA Community:

The 2021-2022 school year, seems to be a more hopeful and positive year. The pandemic has had a significant impact on the lives of all of us. We know that with the return of sport, we can truly focus on providing support for students' physical and mental health and well-being and the re-engagement of students, staff, teachers-coaches and school administrators.

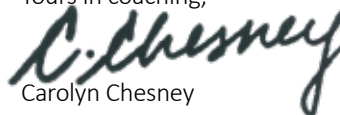

Sport has a unique power to inspire, unite and connect all of us. By its very nature, sport is about participation and having fun. It is about inclusion, equity, community and citizenship.

Sport teaches us leadership, discipline, teamwork, respect, and fairness. In addition to improved physical and mental health, sport plays a positive role in academic achievement, self-esteem, goal setting, and time-management.

It is with this in mind, that I encourage all students-athletes, volunteer teacher-coaches, and boards of education to commit with enthusiasm to running and participating safely in high school sport. The OFSAA executive council and staff have continued to work diligently on your behalf on safety protocols, planning for the 2021-2022 school year, professional development opportunities, up-coming conferences for students and coaches, and indeed, the return of OFSAA Championships and Festivals.

To that end, I look forward to working with all of you and the OFSAA staff, over the next two years, as your OFSAA president. I have learned a great deal in my two years as vice-president from previous OFSAA presidents Jennifer Knox and Nick Rowe and would like to thank them both for their leadership, mentorship, and service.

Yours in coaching,

Carolyn Chesney

OFSAA Past President's Message – Jennifer Knox

Jennifer Knox recently completed her six-year term on the OFSAA executive. Beginning in 2015 as vice president, Jen was subsequently president and past president before completing her commitment this past summer. She is currently principal of Northumberland/Clarington CIS within the Kawartha Pine Ridge District School Board.

Jen is known for her commitment to students and school sports, and brought an abundance of leadership skills to OFSAA. Her strong work ethic, common sense, and unwavering belief in the importance of sports are evident at all times, and we thank her for her successful tenure and tremendous contributions. Here is Jen's message to the OFSAA community:

When I reflect on my six years with the OFSAA executive, I feel privileged to have worked with so many incredibly dedicated people. Thank you to the OFSAA staff, led by Doug Gellatly, who are so committed to our students and are truly leaders in the development of student well-being. They embrace our mission to foster student success and enrich education through school sport.

There is so much behind the scenes that the OFSAA office does to support teacher-coaches, families, schools and students and I want to thank you for including me in these learning and leadership opportunities. Your commitment, even through the pandemic, has been unwavering and appreciated!

I must also thank the KPRDSB senior administration team for allowing me to pursue this position and ability to serve on the executive. KPRDSB has always been a strong advocate of OFSAA and recognizes the importance of education through school sport.

Our most valuable resource are our teacher-coaches. Your dedication, time, and hard work to support our students and instill our values: leadership, respect, integrity, equity, diversity and resilience allows them to grow into mature and contributing members of our communities. I hope each of you recognize the positive impact and the lasting memories and experiences you created for our students. High school sport is far more than what happens on the court, mat, field, or gym. Continue to follow your passion and know that you make a difference each day!

Although the past two years have been challenging ones, OFSAA remained strong in their commitment to supporting our students. This grassroots organization can overcome any obstacle and will persevere to always put students first. I am confident that school sport will return to 'normal' and we can all celebrate our student-athletes and once again enjoy the success on and off the field with our communities.

I wish everyone continued success and thank you once again for helping to lead OFSAA, a leader in Ontario and Canadian school sport.

Age Classifications for the 2021-22 School Year

For the 2021-22 school year, a Novice (formerly classified as "Midget") will be born in 2007 or later and may only compete at OFSAA in the Novice category for one year in Grade 9. A Junior will be born in 2006 or 2007 and a Senior will be born in 2002 or later.

2001 or earlier	Ineligible
2002	Senior
2003	Senior
2004	Senior
2005	Senior
2006/07	Junior
2007	Novice

How old was the student on January 1, 2021?

Years of eligibility

Coaches and students are reminded that students are eligible for no more than five consecutive years from date of entry into Grade 9. There is no appeal to this rule.

2021-22 Transfer Appeal Meeting Dates

Deadline for Applications Meeting Date

Wed., Feb. 2, 2022	Thurs., Feb. 17, 2022
Wed., April 6, 2022	Thurs., April 21, 2022

To appeal to an Association decision, please call the OFSAA office and give the name of the student and school, as well as the name of the principal. Please see the deadline dates posted above.

A letter will be sent to the student, c/o the principal, stating the date, time and location of the appeal hearing. The letter will outline what information the student must provide prior to the meeting date.

Coaching in Ontario Schools (CIOS)

CIOS is a program developed by the Coaching Association of Canada and the Ontario Federation of School Athletic Associations to give teacher-coaches and community volunteers the special skill-set they need to coach effectively in the school environment. CIOS also provides 3 PD points to maintain NCCP certification.

Let's look to educate more volunteers, teachers and coaches about OFSAA and we can do that through the CIOS! Online courses are available in both english and french. Please contact Shamus Bourdon at shamus@ofsaa.on.ca or 416-426-7440.

In Memoriam

OFSAA has lost a friend . . .

On November 26th, Marilyn Pocock, 'Pokey', passed away peacefully with her faithful dog, Splash, by her side. She was involved with OFSAA in many capacities for many years and will be fondly remembered by students, teachers, coaches and the many representatives at OFSAA.

As a teacher at Stayner CI and Eastview SS in Barrie she loved coaching basketball, expected 110% from her athletes, and was a tireless advocate for girls' and women's sport. From 1979 until 1987 Marilyn served as the GBSSA representative to OFSAA. She attended the inaugural OFSAA Committee for Girls' Activities on November 10, 1979, and was selected as vice-chair of the group. In following years Marilyn chaired the CGA, the basketball Sport Advisory Committee and the 50th Anniversary Committee. Her service to OFSAA did not end there as she served as a member-at-large on the Executive for several years. In recognition of her longstanding involvement in school sport and her dedication to students, in her school and community, she received the OFSAA Pete Beach Award and the Ontario Service Award.

On a personal level. Marilyn was a skier, golfer and true sports fan. She loved boating, camping, and hiking with her dogs, and turned her longtime love of dogs into a passionate hobby as she took time to breed and show her golden retrievers. She was also a devoted life coach to her special needs sister, Sharon. Pokey was a loyal friend who loved a good time and was always there when someone needed help. She will be missed.

(Thank you to Diana Ranken and Heather Chambers for this tribute to Marilyn's career and contributions)

SANCTIONED EVENTS

Anyone who would like to have an event sanctioned by OFSAA, has plans to travel outside of Ontario or may be hosting school teams from outside of Ontario during the 2021- 22 school year is encouraged to submit the appropriate form online anytime in the upcoming months. These forms can be found at: www.ofsaa.on.ca/events/sanctioned-events

Updates to the OFSAA website will occur weekly as submissions are received.

If you have any questions concerning the hosting of or attending out of province events, please do not hesitate to contact Jim Barbeau, OFSAA Sport Coordinator at: jim@ofsaa.on.ca

CIAAA COURSES AVAILABLE ONLINE IN THE NEW YEAR!

OFSAA, in cooperation with the CIAAA, delivered another online course for Athletic Directors in November. **CREATING YOUR ATHLETIC HANDBOOK (602C)** was presented over two nights with each session two hours long. Participants had time to work on their handbooks between sessions and bring back questions and ideas to instructors and fellow participants for the next class. Twelve Athletic Directors from across Canada brought varying levels of experience to the course and they were joined by three OFSAA/CIAAA trained instructors.

Future online course offerings will take place in January and February and include the following:

714C Preventing, Managing and Transforming Challenging Behaviour January 25, 2022 between 6:30- 9:30 PM.

502C Athletic Administration in Canadian Schools January 27, 2022 between 6:00- 9:00 pm

608C Management Strategies and Organization Techniques February 2, 2022 between 7:00- 10:00 pm.

For more information and course information, please visit the CIAAA website at www.ciaaa.ca/itpcourses or contact Jim Barbeau at jim@ofsaa.on.ca

THE OFSAA EXPERIENCE

By Craig Nodwell, Convenor, Boys' AA Volleyball Championship

"With any kind of big event there are going to be obstacles that pop up, and the one way to get past those obstacles is to surround yourself with good people and that's what we did when we formed our committee." Convenor Craig Nodwell- via interview on the Frontline Broadcast

As a long-time coach, hosting an OFSAA championship had always been a goal (dream) of mine. North Bay, Ontario has been an OFSAA hosting hotbed over the past few decades, and I have witnessed several of my mentors such as Larry Tougas, Tim Lowe and Colleen Egan organize and run many of those successful championships here in the city. The hype surrounding an OFSAA and the resulting legacy a championship leaves is something that has always fascinated me. Going through this process has certainly been a career highlight and for all of us involved, something we won't soon forget.

In the spring of 2017, our volleyball program decided to enter a bid to host the 2020 AA OFSAA championships for a group of student athletes who were keen, talented and overall, just a kind group of young men. At the time, no one could have predicted some of the obstacles that would lay ahead, not just for our championship but for the entirety of humanity.

Our committee was built with several all-star educators who have been part of many OFSAA's here locally. Assistant Convenor Shawn Plamondon has run the Art Gabor Basketball Tournament, one of the longest running basketball tournaments in the province. Kadrienne Montcalm has been a part of at least 12 OFSAA's

creating professional quality programs and websites. Mich Gagné has organized and implemented OFSAA livestreams and Mark Hopper successfully helped build and implement COVID protocols. Site convenors Tori Martin and Sara Pickles have been a part of at least a half dozens OFSAA's each. As a first-time convenor, having this team of people surrounding me was a recipe for success.

Our 2019 boys' volleyball season culminated with a city championship, and things seemed to be falling into place for a big 2020 season. Enter the COVID-19 pandemic, and the resulting shutdown of high school athletics across the province for the 2020-21 school year. Among many impacts, the pandemic altered the course of two and a half years of planning and preparation. Disappointment ensued as it appeared that we would lose out on our opportunity to host. Luckily for our committee, the fall 2021 championship remained open without a host and once it was offered to us, we quickly accepted and got back to work. We did this knowing the uncomfortable reality that any championship in the future could be cancelled. With the pandemic being a regular constant in our lives, the landscape of hosting an OFSAA championship changed drastically.

The turning point for us as

a committee occurred during the OFSAA convenor’s summer meeting in August of 2021. Assistant Director Shamus Bourdon opened the meeting by stating, “If OFSAA doesn’t lead the way, who is going to ensure that high school athletics proceeds across the province?” That quote smashed any uncertainty I had entering the meeting, and we felt comfortable moving forward as a committee. OFSAA COVID protocols were released shortly afterwards. The protocols are designed with safety in mind, are very thorough and well thought out. Big thank you to Ian Press and the team at OFSAA who worked diligently to create these. These protocols served as the framework that our committee used to create our championship specific protocols. Once created, we sent the protocols to the Near North District School Board and the North Bay- Parry Sound Health Unit for feedback and approval. Gym sites had separate entrances and exits, QR Code contact tracing type forms, hand sanitization

stations throughout the sites, and cleaning of shared materials throughout the championship. Student safety was paramount and always at the forefront of our decision-making. While these procedures may seem daunting and difficult to implement, it must be noted that all of the attending teams did a phenomenal job adhering to the protocols. The team at OFSAA, specifically Ian, Shamus, and Pat Park were always available to answer questions and assist us in our planning process. We are grateful to them for their leadership and assistance.

Collaboration and teamwork was not limited to our committee members or Chippewa Secondary School alone. The Near North District School Board firmly got behind our efforts and

WET TRACTION

Aerodynamic dimpled cover means the ball goes where you hit it
High contrast blocks of color allow players to better gauge spin and better anticipate ball motions
Fewer seams means more accuracy and consistent play
Proprietary coating keeps the ball from getting slick when wet, maintaining play consistency until the last set

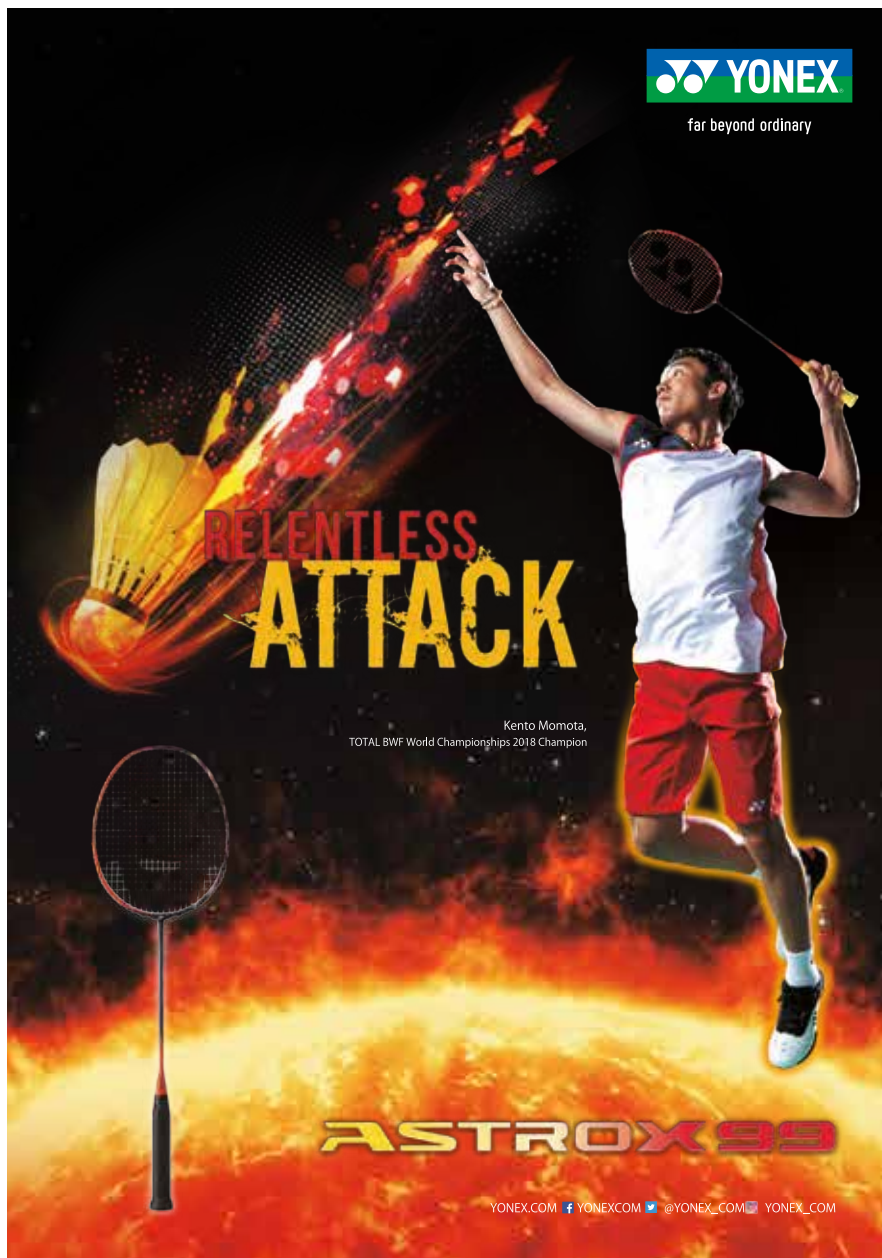

supported it. Director Craig Myles and the rest of the senior administration team supported this endeavour in a variety of ways. Principals from five Near North schools freed up staff members to support the championship. Custodial staff and secretarial staff were paramount in ensuring cleanliness and safety of Near North gymnasiums. This OFSAA championship was most definitely a Near North united event.

Our goal as a committee was to create our championship as a true OFSAA experience. With COVID 19 protocols present, the lack of fans and the cancellation of the OFSAA banquet a reality, our committee felt that we needed to bring something that would add value to the championship. As such, the registration night was redesigned as a “red carpet” registration night where teams had the opportunity

to sign up for a time slot. The entirety of our volunteer force dressed up in semi formal attire to welcome the participants. The school’s foyer was transformed into a welcome center consisting of a canoe filled with donated drinks, servers with trays of food and snacks, a swag bag table, balloons, and a 12 foot welcome to OFSAA sign that the players could take pictures with. After working their way through the foyer, players were escorted to the gym where they received their team banner, team and individual photo opportunities. The night was a resounding success and teams were happy with the reception.

The resulting championship was hard fought by the 10 teams in attendance. It was clear from the smiles on the court that the players were thankful to be in the gym again competing for top honours in the province. In an exciting twist, the 7th seed home team Chippewa Secondary School went unbeaten all the way to the championship final and upset the 1st seed E.L. Crossley of SOSSA from Fonthill, Ontario. It was Chippewa’s first gold medal at OFSAA volleyball since 1996.

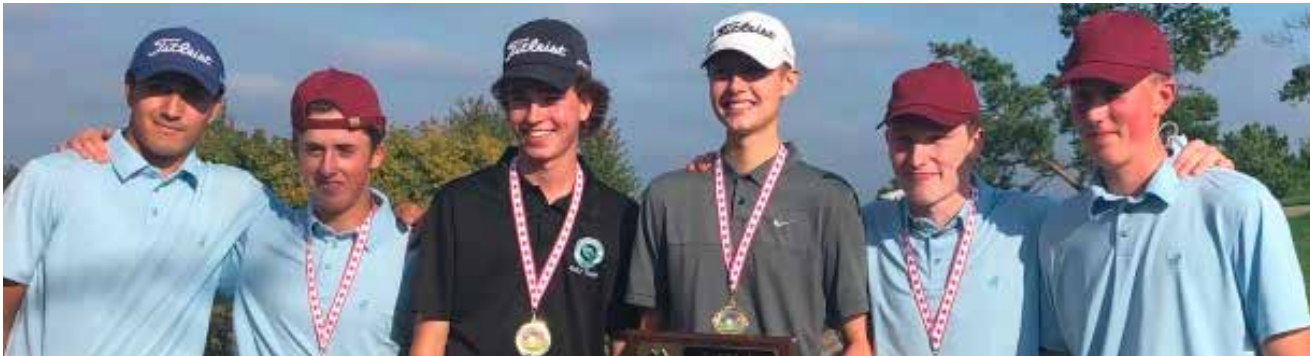

Despite the victory, the real win was that OFSAA made a successful return, students were hosted in a safe environment, and they received a true OFSAA experience, something which we all value and respect. As we move forward into the winter season, our committee is coming together for a second time to host the girls’ AA championship and we couldn’t be more excited to host the best in the province.

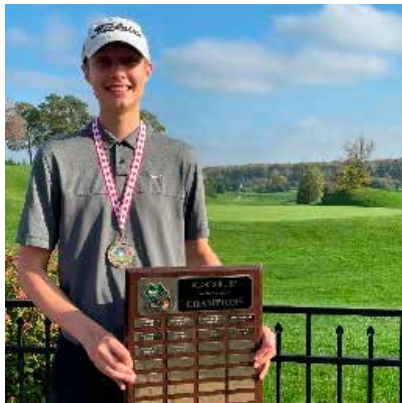

Cancer Kept Him From Golf, But A Waterloo, Ont., Team's Sportsmanship Left Him A Winner

From CTV News Kitchener:

kitchener.ctvnews.ca/really-shocking-high-school-golf-team-forfeits-allowing-cancer-survivor-s-team-to-win-1.5617092

Adam Steffen, Ryan Schofield, Owen Lipskie, Zach Hart, James Stuebing, Nolan Hesson (Courtesy Jason Forget)

Zach Hart (Courtesy Jessica Henderson)

A high school golf team conceded a championship win on Thursday, letting a team with an ineligible player, who had missed a year due to cancer treatment, take the top prize.

Zach Hart, 19, was ineligible to compete with the Waterloo Oxford District Secondary School golf team at the WCSSAA Championship on Thursday due to his age.

But the team allowed him to take part, competing as an alternate, because of the year he missed while being treated for a brain tumour and another year missed because of the pandemic.

The Waterloo Oxford team won, but was told it could not submit Hart's score and could only use the scores of the other three players as the total.

"I was an eligible golfer, but they said if we took my score, we would have been disqualified," Zach said.

While the Waterloo County Secondary School Athletic Association allowed him to compete because he missed a year, he wasn't eligible to be a part of the overall team score because of his age.

Because of Hart's ineligibility, Bluevale Collegiate Institute won instead. That is, until Bluevale players made a surprising decision.

"I forget which one, but one of them pretty quickly said, 'This doesn't feel right. Can we just like forfeit or, let them win somehow?'" said Jason Forget, Bluevale Collegiate Institute's golf coach.

In an act of true sportsmanship, each member of the Bluevale team disqualified themselves from the event, allowing Waterloo Oxford to win.

Forget has been coaching high school sports for 16 years and says he's never seen anything like it.

"That is the proudest and the neatest thing I've witnessed," Forget said.

"It was really shocking, actually. I knew one of the kids on their team, because we've golfed together before," Hart said.

Hart was one of the best junior golfers in Canada in 2018, winning the Maple Leaf Junior Tour (MJT) National Championship. Then he was diagnosed with a brain tumour in 2019.

"Where the brain tumour was, it was pushing on his brainstem, and it was pushing on the occipital nerve. So he was losing all motor skills," his father, Chris

Hart, said.

After three brain surgeries and chemotherapy, Zach Hart is now done his treatment and regularly goes for MRIs.

"I was swinging a club 20 days after my first chemo cycle," Hart said.

In 2020, Hart returned to school and graduated, but he wasn't able to compete in any sports due to the pandemic. So he returned for 2021 to play again.

"So he lost out, lost out, lost out. So I was very proud of him, for him to say 'Hey Dad, I'm going to go back to school, grab a couple credits, play on the golf team, have a little bit of fun,'" Chris said.

Since his treatment, Hart has worked with the Canadian Blood Services, Paediatric Oncology Group of Ontario, The Ontario Hockey League, Bruce Power, BarDown.com and the SickKids Foundation, sharing his story with the public and helping raise funds for cancer-related causes.

Most recently, he started working with other young elite athletes going through journeys similar to his, including a female tennis athlete with leukemia.

"It was one of the hardest things because I finally got to see what my parents saw," Hart said. "In the spring, I'd love to have a tennis match against her."

Hart plans to continue swinging a club as long as he can, hoping to create a professional career working in golf.

CAPTAIN ACE UNVEILED

Kaylee DeHaan of **Chatham Kent Secondary School** was recognized for her artistic achievement by OFSAA at her school on November 12, 2021. Her submission was selected among 26 entries to OFSAA's Mascot Design Contest Committee. The Grade 11 student is the recipient of a \$500 cash award and the school receives \$250 in art supplies and \$250 in sports equipment.

Joining our team in an Ambassador role, OFSAA is proud to have our first ever mascot, "CAPTAIN ACE"!

Congratulations Kaylee and thank you for your outstanding creative contributions!

Captain Ace made its championship debut – and assisted at the medal ceremony- by appearing at the 2021 Boys' A Volleyball Championship at Brampton Christian School in late November.

Find out how OFSAA's new Ambassador joined the scene in this Q & A with Kaylee.

OFSAA: How exciting is it to see one of your drawing concepts come to life?

KAYLEE: It's really exciting. I don't even really have the words to say how happy I am to see a drawing I made come to life.

OFSAA: What was the inspiration behind Captain Ace?

KAYLEE: I looked at a bunch of mascots from the Olympics and other sports. It took me a few tries to get the correct design for it.

OFSAA: Captain Ace is very unique. How did you come up with the idea? Did you have any help from your parents or your family members?

KAYLEE: I just kind of took shapes that I thought I looked cool and put them together.

OFSAA: What values does Captain Ace represent?

KAYLEE: Captain Ace represents determination to strive for your goals even if you are set back. Keep going and strive for your goal despite the path. Just "keep going!"

OFSAA: Have you done any other drawings for contests?

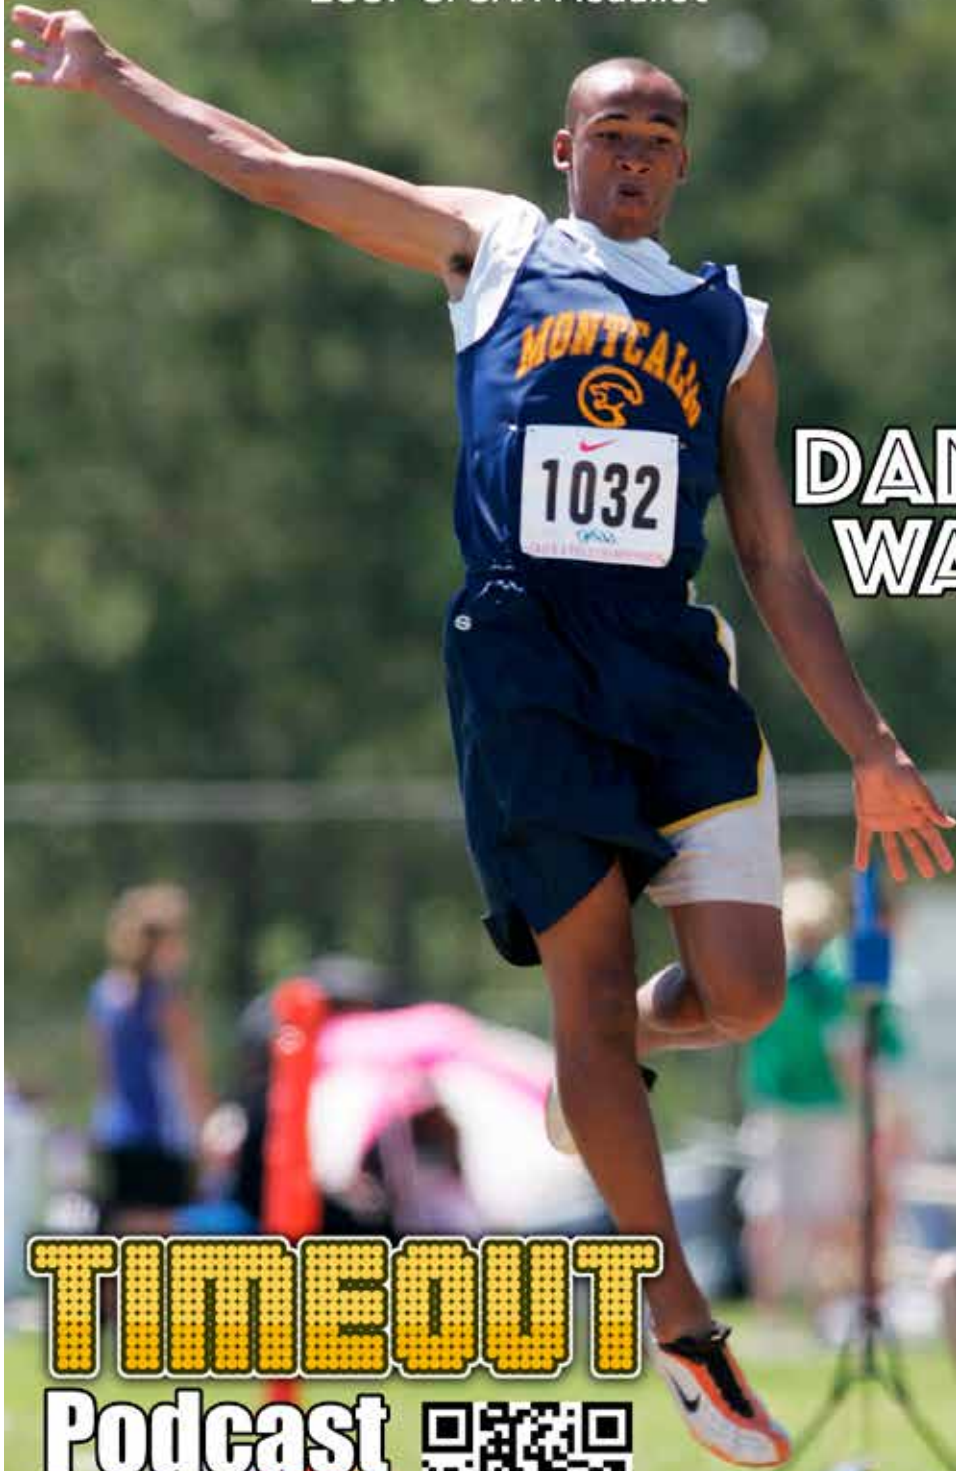

KAYLEE: In Grade 5, I did a drawing contest for Remembrance Day. I wanted to have my drawing represent what the soldiers did for all us.

OFSAA: What would you like to study after completing high school?

KAYLEE: I would like to continue in the arts and develop my art knowledge.

Congratulations 2021 Brian Maxwell Memorial Scholarship Winners

OFSAA and the Brian Maxwell Memorial Scholarship Fund were very pleased to announce the student-athlete recipients for 2021.

These student-athletes with a track and field or cross country pedigree in high school are continuing their post-secondary education at a Canadian college or university. The scholar-athletes display qualities of honesty, integrity, compassion and an unwavering quest to accomplish the best academically and athletically while supporting fellow team members. These were all qualities of Brian Maxwell. Each recipient will receive \$5,000.

The scholarship fund is in memory of Brian Maxwell, a successful distance runner. Brian competed in track and field and cross country and achieved success as an OFSAA champion, and a Canadian junior, juvenile and senior champion. He also won numerous international marathons. In 1980, he was selected to the Canadian Olympic team and later became a successful entrepreneur who, with his wife, Jennifer, co-founded the nutritional supplement PowerBar.

Brian was born with a defective heart valve and in 2004, at only 51 years of age, died of a heart attack.

OFSAA is appreciative for the opportunity to partner with the Brian Maxwell Memorial Scholarship Fund each year to support students continuing their education in Canada.

Please meet the worthy recipients of the 2021 Brian Maxwell Memorial Scholarship:

Zoe Gardiner is a six-time qualifier for OFSAA, three in Cross Country and three in Track and Field. She was a key member of her school's OFSAA Championship XC team in 2017 and 2018. In 2019, her school finished 5th, capping a terrific XC career. Her best individual result was 6th in the Senior Girls 1500m in Guelph in 2019. Academically, Zoe achieves as well in the classroom as she does in running.

Zoe is attending McGill University this fall, where she is enrolled in the Faculty of Science, with the goal of graduating with a BSc in Biology.

At Glebe CI, Zoe has been involved in Students' Council for all of her years in high school. She was also a member of the school link crew, which supported the transition of incoming grade 9's to high school, as well as working with students to ensure they are doing okay. She is also a member of their mental health committee and was a founding member of a campaign initiated by the school for sexual assault victims.

In her community, Zoe was the co-founder, organizer and participant of a non-profit in 2015. She has raised over \$10,000 for various charities such as KidSport, a Crock-pot program, Ottawa Hospital for Cancer research, a women's shelter and a reconciliation village in Rwanda. She also has been heavily involved in an initiative to get young female soccer players from around the world to support and share in the empowerment of women through discussion panels, workshops and awareness/exchange programs. Finally,

she found the time to be a volunteer soccer coach at a number of Ottawa area soccer programs and at the National Track and Field Championships.

Perhaps her greatest achievement is the Award of Honour she and her teammates received for their leadership and fundraising of over \$6000 to set up a sports development centre in Pasla, India.

She is described by her coach as being compassionate, selfless, and hard-working. Always striving to help others be the best they can be, all the while doing the same for herself.

Molly Strain is a seven-time qualifier in cross country and track and field. As a Grade 9 student, she placed 3rd in Open Girls 1500m Steeplechase and MG 3000m. In Grade 10, she was the OFSAA Champion in the first time held Open Girls 2000m Steeplechase. She came back the next day and was 6th in the Junior Girls 3000m. In cross country, her best placement was 9th in her grade 9 year and as a first-year senior, she was 11th.

As with all of our nominees, Molly excels in the classroom as well, where she is a high achieving Ontario Scholar.

A well-rounded athlete, Molly has played rep soccer and has been a nordic skier. She was named one of the top-10 athletes in Peterborough in 2019 and was nominated by her community for the INSPIRE: The Women's Portrait Project.

Scholarships & Awards

This fall, Molly is taking her talents to UBC for Kinesiology, where she will run for their XC and T&F teams.

In her community, Molly has volunteered at the Lakefield Animal shelter, taking care of animals. She has also volunteered at a horse stable, caring for horses, supervising kids learning to ride as well. She also assisted with the Peterborough City Soccer Camp and elementary volleyball tournaments.

She is described by her coach as someone who has the kind of intestinal fortitude rarely seen among teenagers. She is a young athlete that her peers and coaches can see wearing the Canadian singlet internationally in a few years.

Elissa Frielink attended Unity Christian High School in Barrie, where she was a valued member of her school's cross country and track and field teams, in addition to achieving high grades in her studies.

She is a seven-time qualifier to OFSAA -- three times in Cross Country and four times in track and field. Her best finish was a bronze medal in XC as a Grade 9 student. In Grade 10, she placed 4th in Cross country. She completed her XC experience with a 12th place finish as a first-year senior. In Track and Field, she was 5th in the 800m and 8th in the 1500m as a grade 9 student and in grade 10, she was 4th in the 800m and 7th in the 1500m.

At school, she was on basketball, volleyball and badminton teams. She volunteered with school plays and officiated in track and field meets at her school for elementary students. She was also involved with a school bible/prayer group.

In her community, she has been active in her church, from caregiving to young children during church, to teaching Sunday school lessons and working at a bible camp in the summer. She has also worked with her 'Serve' mission group, working in communities with landscaping needs and daycare. She has also been involved with the City of Barrie's rec programs, teaching at various sports programs.

Her coaches and teachers laud her positivity, enthusiasm and overall athletic ability.

She is attending the University of Victoria, enrolled in the English program. She will be running for the Vikings on their Cross Country and Track and field teams!

Rudy Saal hails from Pembroke, where he attended C.s.c. Jeanne-Lajoie, Pavillon secondaire. Rudy is a seven-time OFSAA qualifier in both XC and T&F. He won a silver medal in cross country in both grade 9 and 10 and was 12th in his first year of senior. On the track, he was second in the Junior Boys 3000m and 4th in the 1500m in 2019 and was 3rd and 6th in the same events in his grade 9 year.

He carried a mid-90's overall average in his 4U courses. He is taking his talents to Laval University in Quebec where he will be enrolled in Mechanical Engineering and running for their XC and T&F teams.

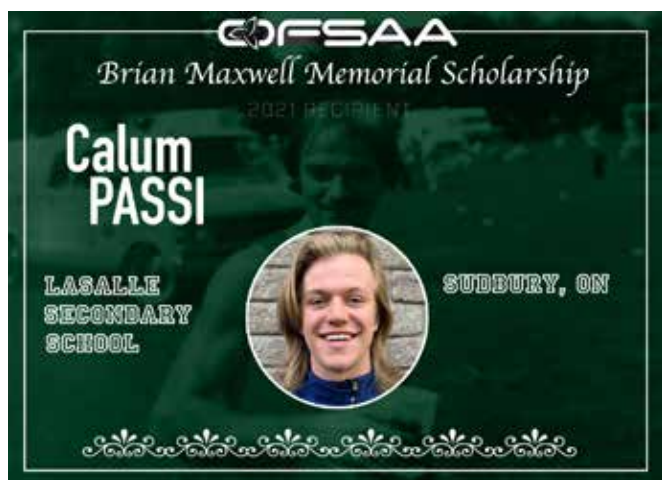

Around his school, he has been involved in student council, played numerous other sports and participated in countless musicals and school plays. Music and acting are one of his passions, having performed in plays and in community events.

Rudy is proud of the nearly 200 community service hours he completed with various groups.

He strives to be a well-rounded person, with various interests. He very much is looking forward to the challenges of improving his french language skills as a student at Laval and representing their school in USport XC and T&F.

His coaches characterize him as a hard-working runner who leads by example and is a positive influence through his words and his actions.

Sudbury, and specifically Lasalle Secondary School is where Calum Passi hails from. Calum is now attending Laurentian University, where he will be taking engineering and running in their XC/ T&F program.

Academically, Calum is a high honour roll student and has been actively involved in the Green Club, focusing on environmental issues, as well as youth empowerment.

He is a five-time qualifier for OFSAA, two in track and field and three in cross country, where his best finish was 3rd in Grade 9. He was 6th in his grade 10 year and 37th as a first year senior in 2019. He qualified in both the 1500m and 3000m in track in grade 9, finishing 13th and 15th, respectively.

Calum has been heavily involved in community work, having worked with the Eastern Star, serving meals. He helped organize a Me to We fundraiser to raise awareness of a lack of sanitary water. He travelled to Kenya to assist in the construction of a boys' dorm in the Masai Mara region.

Calum has been recognized by the Rotary Club of Sudbury for his youth leadership and by his school as a Most Outstanding Student and Valedictorian.

He is very proud of himself for what he has learned through sport, both through success and adversity. He has overcome injuries and other obstacles, and in each case, he met those challenges with open arms and grew from them. He espouses the attitude of Brian Maxwell by giving his best and leading by example, others will follow.

Roman Mironov distinguished himself through his studies where he maintained an honour roll status at Father John Redmond CSS in Etobicoke. He has been involved in his school's student council throughout his high school years, even serving as President. He was heavily involved in leadership at the school, having been on his school's leadership team in all four years. He was involved in Redmond's Drama program, appearing in three plays in various roles.

Roman has had a very successful OFSAA running career, qualifying five times. He was the OFSAA Cross Country champion in grade 9 and was third in grade 10. Unfortunately, as a first year senior, he was ill and did not finish. On the track, he was 2nd in the 3000m, and 4th in the 1500m in grade 9. He lost his grade 10 year to injury.

Among the accomplishments he has had in his young life so far, one that stands out is his completion of his apprenticeship in the skilled trade of hair cutting. He began when he was 13 and this skill has taught him many things that will serve him well in the future. He also is very proud of the work on student council and the cross country team in raising money for breast cancer research in the community. For every kilometre his team ran in one weekend, \$1 would go to this charity. Under his leadership in this position, the student's council raised money for Movember, providing Christmas cards for Covid-19 patients and putting together virtual activities to help students cope with mental health concerns during the pandemic.

This fall, Roman is attending Queen's University, where he is taking Commerce and running for the Gaels Cross Country and Track & Field team.

2020-21 Pete Beach Award Winners

The Pete Beach Award is presented annually to one person in each Association who exemplifies the qualities of Pete Beach, a former Executive Director of OFSAA. Pete dedicated his life to sport and to helping others achieve their full potential, not just as an athlete, but as a person.

A recipient of the Pete Beach Award should exemplify the same dedication, spirit and love of sport that made Pete Beach such a success in both his professional and private life. He worked tirelessly to help young people both within the school system and also within the community.

2021 Coaching Excellence Award Recipients Recognized As Part Of National Coaches Week

For 15 years, the Ontario Coaching Excellence Awards program celebrates the dedication and commitment of exemplary individuals who inspire, innovate and share knowledge of sport with others. The Awards recognize the importance of leadership, performance and the value of human insight which are all integral to great coaching. Coaches were recognized and celebrated virtually from across Ontario at the 2021 Ontario Coaching Excellence Awards on September 17.

The ceremony marked the start of the seventh annual national Coaches Week, a celebration of the tremendous positive impact coaches had on this nation's athletes and communities. The week is an opportunity to recognize coaches for the integral role they play by simply saying #ThanksCoach.

The School Sport Coach winners were selected by OFSAA based on their unique contribution to sport through continuous development. The Award does not reflect the accomplishments of a teacher-coach in any one year, but the contributions over a period of years.

2021 male recipient of the "Coaching Excellence Award in the School Sport Category":

COLIN WARD - NOSSA, Lo-Ellen Park SS

Colin Ward's impressive coaching resume includes coaching cross country running and track and field over the past 22 years. For the last seven years, he's also coached nordic skiing. As a convenor, Colin organized a safe competition in the Sudbury region in the fall of 2020 as the rest of Ontario was unable to compete because of high COVID numbers.

Colin encourages and inspires students of all capabilities to practice and stay fit all year long, as they transition their training from cross country running, to nordic skiing and finally track and field. He models fitness for life and influences athletes to acquire the skills needed for life-long participation and fitness in sport.

His number one goal with all of his student-athletes is to encourage the comradery of their sport and emphasizes that every aspect of their training and competition is 'team oriented'. They feed off each other to push themselves past their mental and physical challenges. Athletes build friendships that last long after they graduate high school. Friday evenings throughout the school year, often involve workouts followed by snacks or pot-luck dinners. Colin develops the 'whole athlete', emphasizing character development and giving back to the community, along with the physical and nutritional aspects of sport. Many of his student athletes have gone on to run events within the community and are involved in running some of the elementary races in the Region.

At a shared training facility in his local area, Colin is often seen assisting athletes from various schools. His endearing philosophy is to develop all athletes, regardless of the school attended by the athlete.

Congratulations to you both!

OFSAA congratulates all of the award winners and coaches from across Ontario for their commitment and dedication to ensuring Canadians live an active and healthy lifestyle. For more information on the Ontario Coaching Excellence Awards and how to nominate a coach in the future, visit www.coachesontario.ca/awards.

2021 female recipient of the "Coaching Excellence Award in the School Sport Category":

KELLY GOUVEIA - ROPSSAA, Fletcher's Meadow SS

When coaching students, Kelly ensures that she provides opportunities for all grade levels and various athletic abilities to participate on teams in order to develop players. She has dedicated her time to coaching girls flag football (17 years), track and field (20+ years), badminton (15 years) and girls' soccer (20+ years). For her entire career, she has coached in all three seasons on the calendar. Kelly considers the needs of those students who are typically oppressed or marginalized and understands how to support them.

Kelly develops and supports coaches and works with them to implement effective coaching practices. She's always willing to engage with teachers just entering the profession or stepping into a coaching role to provide guidance and mentorship. Kelly played a key role in establishing the development of girls' flag football in ROPSSAA and her colleagues rely heavily on Kelly's wide knowledge with sporting rules, regulations, policies and procedures.

Kelly has been a valuable member of the ROPSSAA Executive for the past seven years. As a new member, she volunteered to be the OFSAA Girls' rep and continues to do so in 2021. She is also part of the ROPSSAA and OFSAA transfer committees. She has spent the past four years as the chair of the ROPSSAA committee. She has worked hard with ROPSSAA and OFSAA to review the transfer policy and has worked on motions to adjust to the changing climate of high school sport. Kelly looks for a way to get everyone to participate and this leader always thinks of all possibilities when it comes to the best interest of students.

2021-2022 OFSAA Basketball Promotional Offer

ELITE COMPETITION

Official Game Ball of OFSAA

BG4500 Series
Composite Basketball

FIBA Approved official 12 panel, 2-tone design, Composite cover, Nylon wound, Butyl bladder. Available in official size 7 (BG4500) and intermediate/women's size 6 (BG4500), 2-year warranty.

★ **BUY 5, GET 1 FREE***

Alternative Options for Lower Levels and Camps:

BG3800 SERIES

FIBA Approved official 12 panel, 2-tone design, Indoor / Outdoor synthetic cover, Butyl bladder. Available in official size 7 (BG3800), intermediate size 6 (BG3800), and junior size 5 (BG3800), 1-year warranty.

---	---	--	---	---

Each year, because of the generous donations made by friends of OFSAA to the Alumni Scholarship Fund, Ontario high school student-athletes have the opportunity to apply for scholarship money that will assist them in their pursuit of a post-secondary education. These scholarships are available on a rotating basis to applicants from selected member associations. The due date for the submission of all documentation for the 2021 – 22 school year will be Thursday April 14, 2022. In 2021-22, students from the following associations will have the opportunity to apply for Alumni Scholarships:

SOSSA, ROPSSAA, EOSSAA, TDSSAA, LOSSA, WOSSAA

The specific criteria and the actual application form can be found on the OFSAA website at ofsa.on.ca/programs/scholarships. It is important that all teacher-coaches, athletic directors, and student services staff make student-athletes aware of this opportunity and encourage qualified individuals to apply.

ST. MICHAEL'S COLLEGE	0	ST. THOMAS MORE CSS	6	WESTMOUNT SS	17
November 30		November 30		December 1	

The OFSAA Football Bowls Series Festival returned this year after a one-year absence due to COVID-19. The format was much different than in past years and the number of associations that were able to participate was down from seventeen to eleven. As well, it became necessary to use six high school fields to host individual games because of our inability to host at public or private facilities due to vaccination requirements. Each of the high schools had a separate site convenor and OFSAA owes the following individuals a big thank you for their efforts in staging the games for the student-athletes from the participating schools: James Clarke, Tom Annett, Jonathan Bujold, Jeff McDougall, Alex Frescura, David Thomas, Brian Daly and Tom Pain.

The following are the results from the six Bowl Games that were contested. Statistics were not available from all sites.

NORTHERN BOWL - Played in Sault Ste. Marie at Superior Heights C&VS, the Northern Bowl featured St. Ignatius

(NWOSSAA) and Korah (NOSSA). After a close first half which saw Korah take a 13-0 lead, the Colts defence dominated the second half while the offence kicked into gear resulting in a 37-7 victory for the NOSSA Champions. Mike Nicoletta scored 3 touchdowns for Korah while Tyler Robertson scored the lone TD for the Falcons. This was Korah's third consecutive Bowl Game victory.

EASTERN BOWL - Centennial SS (COSSA) hosted Frontenac (EOSSAA) in this year's Eastern Bowl in Belleville. Near the end of the first half, the Falcons returned an interception for a touchdown and a 13-0 lead at the intermission. In the second half, Centennial scored first to narrow the score but Frontenac scored 24 unanswered points to win their eighth Bowl Game. For Centennial, it was their second appearance in a Bowl Game and their first since 2000.

METRO BOWL - St. Roch CSS (ROPSSAA) travelled into Toronto to take on St. Michael's College (CISAA) in this year's Metro

Bowl. The Ravens used a balanced offence and a tremendous defence to beat St. Michael's 48-0. This was St. Roch's second appearance in the Bowl Festival and they have been victorious both times while St. Michael's has taken part in nine Bowl Games since they played in the first Metro Bowl in 1982.

CENTRAL BOWL - Brantford was the site of this year's Central Bowl between Notre Dame College (SOSSA) and North Park (CWOSSA). Tal Ibrahim scored five touchdowns for the Irish in their 50-7 victory. Garwayne Rowe had the lone North Park touchdown on a 95-yard kick-off return to start the second half. For the Irish, this was their first Bowl victory in their third appearance while North Park was making their first trip to OFSAA.

INDEPENDENT BOWL - In a much-anticipated matchup between two of the most successful high school teams in the province, Huron Heights (YRAA) visited St. Thomas More (GHAC) in Hamilton to contest the Independent Bowl. Neither team disappointed in what was a tremendous defensive struggle. Huron Heights scored two rushing touchdowns and held the Knights to six points on their home field to win the game 14-6.

GOLDEN HORSESHOE BOWL - In the final game of this year's OFSAA Festival, the host from Westmount (SOSSA) defeated Chaminade (TDCAA) 17-7 in a hard fought, defensive battle. Westmount scored late in the game to provide the 10- point cushion and win their second Bowl Game in a row. Chaminade was making their 5th appearance at the Football Festival.

OFSAA Girls' Golf Festival

Fenwick Sawmill Golf Course

October 13-14, 2021

High School Division medalists McHenry, Todd and Mackey.

Open Division medalists Yao, Kew and Zanatta.

The OFSAA Girls' Golf Festival made its return at Sawmill Golf Course in Fenwick after a year of no participation due to COVID-19. If not for last minute volunteering of Bill Lipsett from Sir Winston Churchill Secondary School in St Catharines (SOSSA), this year's Girls' Golf Festival may have been cancelled. Bill took over hosting responsibilities only five weeks prior and worked diligently to provide a memorable provincial event for all participants. Coaches and athletes were happy to be able to attend the championship and experienced a great two-day event.

The weather conditions for this two-day event were excellent. The course conditions at Sawmill were good, challenging the top high school female golfers in the province. In the end, Alexa Todd from Owen Sound District Secondary School (CWOSSA) captured the gold medal in the High School division with a two-day score of 169 and Skyler Kew from Dundas Valley Secondary School (SOSSA) topped all Open division student/athletes with a two-day score of 151.

Congratulations to all student-athletes who participated in this year's event. Thank you once again to Bill Lipsett and his organizing committee for providing all participants with a fantastic OFSAA Festival.

OPEN INDIVIDUAL RESULTS

1. Skyler Kew, Dundas Valley Secondary School (SOSSA)	R1: 76	R2: 75	Total: 151
2. Kathy Yao, Oakville Trafalgar High School (GHAC)	R1: 78	R2: 81	Total: 159
3. Ella Zanatta, Westmount Secondary School (SOSSA)	R1: 80	R2: 80	Total: 160

HIGH SCHOOL INDIVIDUAL RESULTS

1. Alexa Todd, Owen Sound District Secondary School (CWOSSA)	R1: 76	R2: 93	Total: 169
2. Hadley McHenry, Country Day School (CISAA)	R1: 90	R2: 83	Total: 173
3. Mya Mackey, Blessed Trinity Secondary School (SOSSA)	R1: 93	R2: 88	Total: 181

OFSAA Girls' A Basketball Championship

Smithville

November 25-27, 2021

Smithville Christian High School along with Grimsby Secondary School (SOSSA) hosted a fantastic OFSAA Girls' A Basketball Championship in beautiful Smithville and Grimsby, Ontario. The convenor Fred Breukelman took on the hosting responsibilities six weeks before the tournament was to start. Fred was very efficient and knowledgeable in organizing an outstanding group of volunteers and ran a very enjoyable tournament. The event was extremely well organized. Participants were so happy to be competing at OFSAA again after a year of no championships due to the pandemic. This championship was a model that other OFSAA championship convenors can follow.

The games were very exciting to watch. Championship Saturday had some very competitive and hard-fought action on the court. Smithville Christian won a highly competitive game defeating Nicholson in the gold medal game. Congratulations to Smithville Christian: Alia Breukelman, Brooke Gilpin, Laurel Graham, Jacoba Hoekstra, Tori Hultink, Regina Mushegera, Kyra VanGeest, Morgan VanStaalduinen, Emma Vedder,

Daniella Zondag and head coaches Tawnia Hultink and Derrick Deklerk.

Thanks once again to Fred Breukelman and his outstanding organizing committee for a memorable Championship!

OFSAA would like to thank Gatorade Canada for providing product and displays at this year's A championship.

OFSAA Girls' AA Basketball Championship

Niagara Falls

November 25-27, 2021

Colin coached many basketball teams. Colin does a lot of work behind the scenes without recognition. Thank you, Colin!

After the intense play throughout the tournament, there has to be a champion crowned at the event. With the top two seeds going for gold, we were treated to an intense game. Frontenac SS (EOSSAA) held onto the lead at the final buzzer and took home the gold medal. King's Christian (GHAC) had a tremendous tournament and earned the silver medal.

The 2021 Girls' AA Basketball Championship was hosted in Niagara Falls by first time OFSAA co-convenors Jennifer Benoit and Kristin McDonald (SOSSA). Jennifer and Kristin and their organizing committee did an outstanding job in making the event memorable even with all the COVID restrictions. The 10 teams that attended were thrilled to be able to compete at the provincial championships. Jennifer and Kristin treated the teams to a virtual banquet with Amy Audibert the Raptors game announcer and ESPN host, as the motivational speaker.

The OFSAA Leadership in School Sport Award was presented to Colin McLeod of Saint Paul CHS (SOSSA). Colin is one of those teachers that ensures that the fabric of the school remains strong. Throughout his 35-year teaching career

Huge congratulations to the players and coaches from Frontenac: Rowan Casey, Chloe Charron, Haley Corbett, Jessie Dean-Savage, Megan Elms, Kyleigh Finn, Hailey Hart, Hannah Kerr, Ella Mayer, Lucia Resano, head coach Karlyn Pixley, and assistant coaches Dave Casey, Eric Finn and Mike Thompson.

OFSAA Girls' AAA Basketball Championship

St. Catharines

November 25-27, 2021

Congratulations to convenor Frank Keltos, Sir Winston Churchill (SOSSA), for putting together a well-organized championship. Sir Winston Churchill Secondary School and Governor Simcoe Secondary School hosted the action over the two days and everything went smoothly from start to finish at both venues. The staff volunteers, including Tammy Short from Sir Winston Churchill and Jill Stiefelmeyer from Governor Simcoe, along with parent and student volunteers were very helpful in supporting the participating teams.

The athletes at this year's championship played and fought hard during every game. It was evident all participants were happy to be at the OFSAA Championship following a year without sports. There were a number of exciting games throughout the tournament. The gold medal game was won by a very strong team from Cathedral Catholic High School.

Congratulations to Cathedral team members: Atteyla Barichello-Herreia, Nubeah Clarke, Keira Daly, Nicole Daly, Rachel Daly, Maya Flynn, Elena Hilson, Kaileez Joseph, Kaylor Rosos, Kylie Rosos, Elizabeth Spanic, Amy Varrasso, and coaches Kevin Daly, Jim Daly, Sandra Daly and Luca Fortino.

OFSAA would like to thank Gatorade Canada for providing product and displays at this year's AAA championship.

OFSAA Cross Country Championship

Lakefield College School, Lakefield

November 6, 2021

After missing the 2020 Championship due to the COVID-19 pandemic, the 2021 OFSAA Cross Country Championship was held under near-perfect conditions at Lakefield College School (CISAA) on November 6th. The convenors, Todd Harris and Adam Ross, were able to organize and implement a terrific event in a mere 42 days after the original convenor was unable to run the meet due to COVID-19 restrictions in their Board. Their efforts to pick this up at a very late date and deliver such a fine event is a testament to their organizational skills!

This was an OFSAA Cross Country Championship like no other, as there had to be strict protocols in place in order to have the meet occur. That meant devising a way to deliver the event so that the day was broken up into timed waves so students could run and then depart. A reduced number of people was on-site at any given time. To say that this was challenging is an understatement, but with excellent organization, the support of the LCS community, and cooperation by all participants, the meet was a tremendous success!

Our title sponsor, NIKE Canada, also met the challenge and created a different, yet still dynamic way to provide a memorable

experience for the athletes. Athletes' bibs had a QR code that featured a motivational message from Olympic Decathlon Champion Damian Warner, along with a couple of background filters for their Instagram and Snapchat accounts. Their product lineup was solid and plentiful!

The Leadership in School Sport Award winners were Ashley Masterson of Neil McNeil High School (TDCAA) and Steve Patterson of Trinity College School (CISAA). Both of these very deserving individuals met the criteria of the award throughout their careers and are recognized by their peers for the great work they do. Congratulations Ashley and Steve!

Kingston Secondary School was the Overall Girls' Champion with a first-place finish in Senior Girls, a second-place finish in Novice Girls, and 8th in Junior Girls. Neil McNeil H.S. captured the Overall Boys' Championship on the strength of a Senior Boys team title, a sixth in Novice Boys and 4th in Junior Boys. Congratulations to both schools!

The 2022 Cross Country Championship will be hosted by LOSSA at Dagmar Ski Hill.

RESULTS- GIRLS

OFSAA Girls' Field Hockey Championship

Oakville

November 11 – 13, 2021

First time OFSAA field hockey convenors Daniela Orlando and Natasha Kuzmar, along with their organizing committee from St. Ignatius of Loyola and St. Thomas Aquinas (GHAC), welcomed the province to Oakville after a year without an OFSAA Field Hockey Championship. Student-athletes and teacher-coaches were treated to great field hockey action and a well-organized event. All athletes and coaches were happy to be able to play in the championship this year so all COVID protocols were followed ensuring the safety of all participants. Throughout the championship, teams demonstrated a high level of field hockey in both pool play and the playoff rounds.

The gold and bronze medal matches featured schools that were evenly matched. The championship match was between Appleby College (GHAC) and Bill Crothers Secondary School (YRAA). It was a great game with Bill Crothers Secondary School winning the gold medal by a score of 3 – 2. The bronze medal was won by Abbey Park High School (GHAC) by a score of 2 – 1 over Assumption Catholic Secondary School (GHAC).

Congratulations to the Bill Crothers Secondary School players: Alina Altinbaeva, Naomi Dawe, Ashley Delahey, Taylor Delahey, Liviya Dermastja, Kiana Frasher, Megan Godwin, Kate Griffin, Anika Hollin, MacKenna Kingsley, Victoria Lee, Charlotte

Philips, Jaiden Plavins, Nicole Polaski, Emily Rosevear, Eleni Sotirakos, Nicole Stylianou, Rebecca Toleck, Angelica Vezos, Mya Vosgerichian, Hannah Whalen, Holly Whelan as well as coaches Lui Azelia and Michael Whalen

Also to be congratulated is McKinnon Park Secondary School (CWOSSA) who won the Team Sportsmanship Award. Your positive example on and off the field was appreciated by all participants.

OFSAA Boys' Golf Championship

Bolton

Glen Eagle Golf Club

October 13-14, 2021

The first OFSAA championship since March 2020 took place at the Glen Eagle Golf Club in Bolton. Sixty-seven of the best high school golfers challenged this difficult course. Weather conditions were ideal. Competition was close and after the 36th hole was completed, Ty Werynski from Corpus Christi Catholic Secondary School (GHAC) won the High School Division with a two-day score of 148. Leading the Open Division with a score of 140 was Ben Maclean from AN Myer Secondary School (SOSSA). The team competition was won by St Andrew's College (CISAA) with a score of 455.

OFSAA would like to thank Kevin Wong from St. Kateri Tekakwitha Catholic Secondary School (GHAC) and his committee for convening this OFSAA Championship. With less than three weeks to go, the original convenor had to withdraw because of COVID concerns within the region. Kevin stepped forward to take on the organization of this championship. He and his committee did a fantastic job in ensuring a great OFSAA experience for all competitors. Special thanks to Laura McGill and Marg McGill for their registration and scoring prowess.

OFSAA awarded two special sportsmanship plaques to competitors Aleck Simms from Bayridge Secondary School in Kingston and Spencer Korol from Notre Dame in Burlington. Aleck and Brady Hall tied for third place in the High School Division. Brady thought he had lost by one stroke and had left the golf course. Instead of claiming third spot, Aleck asked his coach, Jonathan Swaine, to get in touch with Brady's coach to see if they could return to the course and play the tie breaker. Fortunately for Brady, he was only ten minutes away and he came back.

Brady defeated Aleck on the third playoff hole to win the bronze medal. Although Brady was able to return to the course, his left-handed golf clubs were already on their way to Kingston in another car. This is where Spencer Korol stepped up. Although he only had met Brady briefly that morning, Spencer lent Brady his clubs so that he could compete in the playoff.

Outstanding sportsmanship on full display by these young men!

OPEN INDIVIDUAL RESULTS

1. Ty Werynski (GHAC)- Corpus Christi CSS	R1: 75	R2: 73	Total: 148
2. Morgan Daly (SOSSA)- Sir Winston Churchill SS	R1: 71	R2: 82	Total: 153

OFSAA Boys' A Volleyball Championship

Caledon

November 25-27, 2021

Top-ranked Hamilton District Christian High School (SOSSA) came into the championship as the top seed and they played to their billing, over the three days, in winning the gold medal. In a match featuring two very strong teams, a spirited group from É.S.C. Père René-de-Galinée (CWOSSA) provided tough opposition in earning the silver medal. HDCHS went unbeaten during pool play and they lost just one set during the playoff rounds. The championship was won in three straight sets.

In the semi-finals, the silver medalists from É.S.C. Père René-de-Galinée defeated Acton District School (GHAC) and HDCHS got by Lockerby Composite School (NOSSA). Acton DS seized the bronze medal by coming out ahead in a stirring back-and-forth match against Lockerby CS.

The championship took place in two gymnasiums at the Brampton Christian School – the home of the Bobcats.

Faced with finding a new host to take on the championship, Convenor Rich Fontanna at Brampton Christian Academy answered OFSAA's call with just five weeks to plan. He and his strong team of volunteer teachers and students executed a flawless three-day championship event. Rich's work with his committee resulted in a professional live stream and his attention to detail with the health and safety protocols, registration and merchandise fulfillments was excellent.

Adding spirit and colour throughout the three days of competition was the debut of OFSAA's new mascot – Captain Ace! The new ambassador for school sport in Ontario turned heads and brought smiles and high

fives to the athletes, coaches, staff volunteers and game officials.

Congratulations to the members of the championship team from Hamilton District: Dylan Bremer, Ryan Brouwer, Calvin Dekok, Jack Demik, Ethan DeWeerd, Jason Heidbuurt, Johan Heidbuurt, Dylan Huinink, Nicholas Redekop, Jonah Slootweg, Brendan Vanderkruk, Caleb Wall and coaches Brad Heidbuurt, Brett Jenkins, Jason Wildeboer and Mike Dekok.

Acton District School was the recipient of the Team Sportsmanship Award for their overall demonstration of respect towards their opponents and game officials.

Karen Davis of Brampton Christian Academy (ROPSSAA) received the OFSAA Leadership in School Sport Award at the 2021 Boys' A Volleyball Championship. For many years, Karen has coached males and females at the school in cross country, golf, badminton and track and field. On the volleyball front, she has coached novice and junior girls for 10 years. The school vice-principal has been a track and field official for a countless number of ROPSSAA and South Region events over the years. Congratulations on this well-deserved recognition, Karen!

Special thank you to OFSAA sponsor, Baden, for providing equipment and financial support to the championship.

OFSAA Boys' AA Volleyball Championship

North Bay

November 25-27, 2021

Chippewa Secondary School (NOSSAA) played host to this year's Boys' AA Volleyball Championship. From the opening night "Red Carpet" welcome to the final championship game, convenor Craig Nodwell, the host committee and a team of volunteers provided a first class OFSAA experience. Thank you to Craig and his team for providing student athletes and coaches with lasting school sport memories. You can read Craig's first-hand account of the planning on page 10.

The competition was fierce, and the host Chippewa Secondary School came into the tournament hoping to win gold on home court. They were victorious by defeating EL Crossley Secondary School (SOSSA) in the final. Congratulations to the members of the championship team: Teaken Brazeau, Scott Cockburn, Clarke Downey, Ben Franz, Jacob Martyn, Brayden Mathieson-Blake, Sam Mitchell, Desmond Plumstead, Anden Ringuette, Ben Sinclair, Parker Sproule, Charlie Stemp, Vaughn Thomson, Jesse Winrow and coaches Mason Truswell, Wolf Gillespie, Tyler Hampel and Craig Nodwell.

Welland Centennial SS (SOSSA) was the recipient of the Team Sportsmanship Award for their overall demonstration of respect towards their opponents and game officials. Congratulations to

all team members, and to their coaches Bob Frazer and Dylan Maguire who provided the leadership and set the tone for their team.

Greg Richardson of Chippewa Secondary School in North Bay (NOSSA) was the recipient of the OFSAA Leadership in School Sport Award at the 2021 Boys' AA Volleyball Championship. Greg has been instrumental in local high school sports over the last twenty years by convening multiple local leagues, coaching numerous teams, and developing thousands of young student athletes. Congratulations on this well-deserved recognition, Greg!

OFSAA would like to thank Baden Sports for their financial support and the volleyballs donated to the championship.

Congratulations to all the athletes and coaches.

OFSAA Boys' AAA Volleyball Championship

Kingston

November 25-27, 2021

Kingston High School (EOSSAA) played host to this year's Boys' AAA Volleyball Championship. From the start of the championship, you could tell that convenor David Loken, put a lot of thought and effort into his preparations. He could not have done it without the many volunteers and amazing organizing committee. Thank you to David and his group!

As for the tournament itself, the action was fast and furious and the skill on display was fantastic from beginning to end. The top ranked team from Eden HS (SOSSA) ended up defeating a very enthusiastic and talented team from Oakville Trafalgar HS (GHAC) in the gold medal match. Congratulations to the members of the championship team: Cam Miniti, Ried Andres, Maxim Twyoniuk, Blake Friesen, Noah Landry, Sawyer Ropp, Owen Saxton, Jordan Schroeder, Britton Burrows, Evan McNiven, Cohen Reimer, Pierson Fritz, KJ Robinson, Phillip Kovac, Jonah Doerkson and coaches Bill Markham, Albino Pereira, N. Debruyne, L. Landry, M. Idzenga and S. Pavlovich.

St. John's College (CWOSSAA) was the recipient of the Team Sportsmanship Award for their energy and overall demonstration of respect towards their opponents and game officials.

David Loken of Kingston High School in Kingston (EOSSAA) was the recipient of the OFSAA Leadership in School Sport Award at the 2021 Boys' AAA Volleyball Championship. David has organized multiple OFSAA

championships over the years and has always produced a first class OFSAA experience. Congratulations on this well-deserved recognition, David!

OFSAA would like to thank Baden Sports for their financial support and the volleyballs donated to the championship.

Congratulations to all the athletes and coaches.
