## Contents

### Original Research

- 1** 1,25-dihydroxyvitamin D<sub>3</sub> affects thapsigargin-induced endoplasmic reticulum stress in 3T3-L1 adipocytes  
Dain Wi, Chan Yoon Park
- 19** Effects of an *in vitro* vitamin D treatment on the inflammatory responses in visceral adipose tissue from *Ldlr*<sup>-/-</sup> mice  
Deok Hoon Kwon, Jungwon Hwang, Hyeyoung You, Na Young Kim, Ga Young Lee, Sung Nim Han
- 33** Effect of onion (*Allium cepa* L.) peel extract on natural killer cell and cytokines in a randomized, double-blind, placebo-controlled trial  
Hyunji Cho, Sohui Kim, Sung hyen Lee, Yongsoon Park
- 46** Animal protein hydrolysate reduces visceral fat and inhibits insulin resistance and hepatic steatosis in aged mice  
Su-Kyung Shin, Ji-Yoon Lee, Heekyong R. Bae, Hae-Jin Park, Eun-Young Kwon
- 62** Combination of oxaliplatin and β-carotene suppresses colorectal cancer by regulating cell cycle, apoptosis, and cancer stemness *in vitro*  
Junghyeun Lee, Seung Chul Heo, Yuri Kim
- 78** Association of daily carbohydrate intake with intermuscular adipose tissue in Korean individuals with obesity: a cross-sectional study  
Ha-Neul Choi, Young-Seol Kim, Jung-Eun Yim
- 88** Daraesoon (shoot of hardy kiwi) mitigates hyperglycemia in db/db mice by alleviating insulin resistance and inflammation  
Ha-Neul Choi, Jung-In Kim
- 98** The impact of probiotics and vitamin C on the prevention of upper respiratory tract symptoms in two preschool children cohorts  
Zuzana Paduchová, Zuzana Nagyová, Duolao Wang, Jana Muchová
- 110** Positive effects of anthocyanin-rich mulberry milk on mental health problems in the working population: an open-label study  
Poonsri Rangseekajee, Nawanant Piyavhatkul, Jintanaporn Wattanathorn, Wipawee Thukham-mee, Pongsatorn Paholpak

- 119** Level of happiness and its association with food literacy among Seoul citizens: results from Seoul Food Survey 2021  
*Hyelim Yoo, Eunbin Jo, Hyeongyeong Lee, Eunji Ko, Eunjin Jang, Jiwon Sim, Sohyun Park*
- 132** Associations between food consumption/dietary habits and the risks of obesity, type 2 diabetes, and hypertension: a cross-sectional study in Jakarta, Indonesia  
*Noviana Astuti Irna Sakir, Su Bin Hwang, Hyeon Ju Park, Bog-Hieu Lee*
- 149** Spatial and temporal trends in food security during the COVID-19 pandemic in Asia Pacific countries: India, Indonesia, Myanmar, and Vietnam  
*Yunhee Kang, Indira Prihartono, Sanghyo Kim, Subin Kim, Soomin Lee, Randall Spadoni, John McCormack, Erica Wetzler*
