# Zoom Rooms Scheduling Display

Room Booking for a More Productive Office

Included with a Zoom Rooms license is a free, powerful add-on that will end scheduling headaches and conference room squatters by displaying upcoming meetings, showing room availability, and allowing users to instantly book a room – all from room-based, wall-mounted iPads.

Simple

It's everything you need to manage your rooms – nothing more, nothing less. Scheduling Display only requires an iPad instead of commodity hardware.

Integrated

Zoom Rooms Scheduling Display integrates with Google Calendar or Outlook Exchange, making it easy to see room availability and reserve the room from any device.

Streamlined

Using Zoom Rooms means one system for IT to manage, and for the end users to understand. Zoom's thoughtful design is perfect for the modern office.

3-Step Setup

1) Download the Zoom Rooms app

2) Select the Scheduling Display installation mode

3) Configure with your calendar system

"Be prepared for the excitement that this tool will create in your organization"

(★ ★ ★ ★ ★) - Gartner Peer Insights Review

Zoom helps businesses and organizations bring their teams together in a frictionless cloud environment to get more done. Our easy, reliable, video- first unified communications platform for video, voice, content sharing, and chat runs across mobile devices, desktops, telephones, and room systems. Founded in 2011, Zoom is a publicly traded company on Nasdaq (ticker: ZM) and headquartered in San Jose, California.
