

Pawnee County Youth Benefit from 4-H Alumni.

4-H Leaders, alumni, and community volunteers collaborated to help promote Pawnee County 4-H. The event was organized around the two county schools competing on the basketball court. There was competition in the gym but collaboration in the lunchroom. Volunteers like, Sydney Hunzeker set up and assisted youth sew their stocking hats. Over 40 youth from both schools took advantage of this opportunity. Sydney started volunteering while a 4-Her and has continued to help with club activities. Youth enrollment in Pawnee County 4H increased by 15% and the number of adult volunteers doubled.

Programs At-A-Glance

- Leah Christen and Luke Hunzeker were selected as Ag Innovators. They were trained on drone usage in Agriculture and developed activities that they shared with over 125 youth.
- Partnering with Early Childhood educator, Ingrid Lindal-Chavarria 14 youth were able to develop skills in childcare by participating in the Build a Better Babysitter program.

40
