

FEEDING[®]
NORTHEAST FLORIDA

**Feeding the
Community**

Feeding Northeast Florida is the largest, most efficient food bank serving Baker, Bradford, Clay, Duval, Flagler, Nassau, Putnam and St. Johns Counties. We work with retail partners, manufacturers, and farms to rescue high-quality food that would normally be wasted and transform it into meals for those in need. Our team, alongside our hunger-relief network of partner agencies, like City Rescue Mission, The Sulzbacher Center and The Salvation Army, work tirelessly to not only feed the line but shorten the line.

THE STATS

- Based on Feeding America's projections and our own data, approximately 237,000 individuals may experience food insecurity in 2021 including 76,000 children, and over 40 million meals will be needed annually to close the meal gap.
- Feeding Northeast Florida is on track to distribute 36 million pounds of food in 2021 - more than doubling pre-pandemic levels.

OUR IMPACT

300 PARTNER AGENCIES
directly assisted in feeding our community

25,717,335 MEALS
provided to our neighbors in need during 2020

95,960 HOUSEHOLDS
served through our hunger-relief network in 2020

DEBRA'S STORY

Debra survived two strokes and homelessness. She now owns a home but is unable to work. Debra relies on the weekly food distributions Feeding Northeast Florida provides. She relies on her community food pantry to make ends meet and even though her resources are limited, Debra makes it a priority to check-in with her neighbors and bring them some of the food she receives.

"I'm very thankful they're doing this. It's a blessing for them to do it and it's a blessing for me to receive it." - Debra
